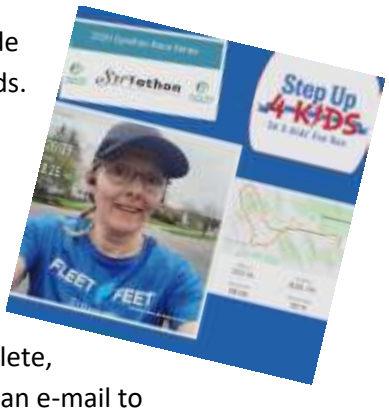
SYRATHON 2020

Syrathon 2020



Below are updated miles through the virtual Step Up 4 Kids Run! These include all that completed the Shamrock Run as well as self-reported miles for SU4Kids. It was a rainy Saturday, but we were so thrilled to see your run reports and race routes! In these challenging times, congrats on finding fun and safe ways to stay active! If you haven't yet reported those miles, you can do so at any time.

This chart will be updated following each Syrathon series race and fun run. If your mileage does not seem to be complete, please let us know… We may have missed something! Send an e-mail to cabbott@syrgov.net with any questions!

Race # 3 in the Syrathon Series: The MountainGoat Run is now a Virtual Run! Any time after May 2, or what would have been Montain Goat Weekend in Syracuse, you may report any virtual miles ran (10mile Goat, 5mile Relay, or really, any number of miles up to 10 you were able to get in) as a registered Goat! As with any virtual run in the Series, run them anywhere and at any time, as long as you can do so safely and while practicing all social distancing and health guidelines.

Also, the next Syrathon Race…Paige's Butterfly Run… is no longer scheduled for June 6, and will also become a virtual run (scheduled for mid-August, with more details to come). With no scheduled Races for at least several months, we will look to provide some additional (virtual) summertime opportunities to help stay motivated toward reaching our Syrathon goals. Stay tuned, be well, keep active! As always, we will let you know of any updates or changes to Syrathon 2020. And, if you'd prefer to defer your Syrathon registration until 2021, you may do so. You should be able to do this through your Runsignup account until June 15. Send an email with any questions! Thank you!
