

The brilliant Fall colors lining the streets of Syracuse’s Eastwood Neighborhood provided the perfect backdrop for this year’s Park-To-Park Autumn Run on October 18th. More than 220 runners, no doubt, appreciated the cool, crisp weather on Race Day as they crossed the finish line in Sunnycrest Park. That finish line also represented the final stretch of Syrathon 2015, the annual Series of Road Races in the City of Syracuse that begin in March with the 4-mile Tipperary Hill Shamrock Run, and conclude with the 5 miles through Eastwood. In between, the Series races bring runners on a scenic tour of the City, showcasing a number of terrific parks and neighborhoods including Downtown, Southside, Eastside, Park Ave/ Leavenworth, the Valley, Inner Harbor/CreekWalk, Onondaga Park/Strathmore and more. The 10-mile Mountain Goat seems to include them all! The Series challenges participants to accumulate marathon mileage (26.2) over the course of the 7 races and is a fun way to stay active year round through the running...all while taking in the sights and sounds of the City! **Nearly 120** individuals earned the coveted Syrathon Medal in 2015. The Syrathon Race Series is powered by Fleet Feet Sports and Saucony, with support from C&S Companies and Crouse Hospital, along with the dedicated race committees of the Shamrock Run, Paiges Butterfly Run, Mountain Goat, Valley Run, Inner Harbor, Strathmore Parks Run, and Eastwood Parks Run. **28 Runners** completed the Ultra Syrathon Challenge by running at least 35 race miles over the 7 races and fun runs... And the **ULTRA Ultra Streak** continues for Todd Keller, John Ferrini, and Beth Montague (pictured below). They’ve run every mile of every Syrathon Race since the beginning in 2009! Congratulations on your accomplishments!

The 2016 Syrathon Series will begin with the Tipperary Hill Shamrock Run on March 5. Look for registration information beginning in January!
