

SYRATHON 2010 Concludes in Eastwood!

Eastwood's Park-to-Park Autumn Run proved to be more than just another road race for a sizable contingent of participants! For 47 of Eastwood's harriers, that quarter-mile lap around the Sunnycrest Park track represented the final stretch of SYRATHON 2010....an 8-months long challenge that included 29.2 total miles of running through a host of City of Syracuse parks and neighborhoods, spanning 6 individual road races.

By competing in all six of the Syration Series races, including Tipp Hill Shamrock Run, Mountain Goat, Paige's Butterfly, Inner harbor 5k, Strathmore Parks Run, and finally Eastwood Park-to-Park, the finishers earned commendation for following through on a long-term commitment to healthful exercise via road racing. Each has earned the title of Syrationer, and was awarded a priceless commemorative "finisher" medallion. Congratulations to:

Susan Allington
Kristin Baker

More on Syrathon 2010

Combined, the 6 series races of Syrathon 2010 logged an impressive **6,440 total registrations**, with hundreds meeting the Syrathon challenge of competing in 4 of the 6 races. As in 2009, all Syrathon Races in 2010 again reported record participation!

Those meeting the "4 of 6" challenge were eligible for the coveted Syrathon 2010 Brooks technical t-shirt (limited quantities may still be available at Fleet Feet Sports in DeWitt).

Eastwood runners were also eligible for the final Race Day Prize Drawing, held at the conclusion of the Park-to-Park Run. Winners are listed in the Fleet Feet e-newsletter, and may claim prizes by stopping in to Fleet Feet on Bridge Street.

SYRATHON 2010 GRAND PRIZE... the Syrathon Grand Prize Winner was also selected after the Eastwood Run! Participants received one entry into the Grand Prize drawing for each Series Race, so the more races completed, the greater the chance of winning!

And, Grand Prize winner for Syrathon 2010, of a large screen Flat Panel LCD TV, is....drumroll please...

Nancy Giardina

See you at Syrathon 2011!
