

Syrathon 2011

FOOT RACE TOUR OF SYRACUSE PARKS

For 65 of the more than 275 runners in October's Park-To-Park Autumn Run, the 5-mile course along Eastwood's tree-lined streets represented more than just another road race. For those 65, Eastwood represented the final leg of the Syrathon 2011 Road Race Series... a 6-race series that included a grand total of 29.2 miles, through Syracuse parks and unique City neighborhoods.

Beginning with the Tipp Hill Shamrock Run back in March, the six series races (also including Paiges Butterfly Run, Mountain Goat, Inner Harbor Run, and Strathmore Parks Run) attracted more than 7,500 registrants. Powered by Fleet Feet Syracuse, Saucony, and the Syracuse New Times, Syrathon encourages folks to stay active year round through the sport of running, while taking in the sights and sounds of city neighborhoods. The 2011 edition even featured its first ever nuptials, with a beautiful wedding ceremony in Upper Onondaga Park following the Parks Run! Congratulations to John and Brandi, and all 2011 Syrathoners:

Syrathoners proudly display their medals in Sunnycrest Park following Eastwood's Park-To-Park Run
