## **CITY OF SYRACUSE ISSUES TRAFFIC ADVISORY**

SYRACUSE, N.Y. – The City of Syracuse is alerting residents and motorists that construction for the South Salina Valley Plaza Streetscape Project is underway beginning this week.

To facilitate construction new traffic patterns will be in effect along Salina Street between East Florence Avenue and Walrath Road. The City is advising the public to expect delays especially during peak hours and to use alternate routes if possible.

Construction is planned to be complete by the end of August.
