SOURCE OF INCOME DISCRIMINATION LEGISLATION**

SYRACUSE, N.Y. – Mayor Stephanie A. Miner released the following statement after the Syracuse Common Council held proposed legislation prohibiting discrimination based on a tenant’s source of income:

“Ensuring all residents have access to quality affordable housing is very important to me and it is a matter my administration has worked on diligently since day one. I support legislation prohibiting discrimination against residents based on their source of income and would sign the proposal in its current form.”
