

4. Emphasis on connection to local points of interest such as the Kirk Park greenhouses.
5. Public request for advanced notification of construction activities.
6. Funding for improvements to adjacent properties? (Councilmen referenced the SHARP program through Home Headquarters)
7. Repurposing of unutilized Kirk Park service building?
8. Plans for sponsored community events such as runs/walks?
9. Maintain trail along creek as much as possible.
10. Why fund this project when other infrastructure is in need?

Subject CREEK WALK PHASE 2

SEAL'S PIM #1

Date 2/25/15
