

5. Universal concern expressed over condition and safety of pedestrian crossing at Onondaga Street and Seymour/Shonnard Streets. Major improvements required and abdicated for at this location.
6. Proposed utilization of West St from Onondaga St to Seymour St and possible beyond to avoid safety concerns expressed regarding the Onondaga/Seymour intersection.
7. Proposed West St improvements from Onondaga St to abandoned bridge at West Jefferson St (west of creek). Options to utilize the existing bridge structure for access to phase I trailhead in Armory Square should be explored.
8. LED lighting cost benefit should be closely examined.
9. Possible fishing access?
