“We are very excited to bring the Air Show back to Syracuse after 14 years. We worked very hard to make sure this event is family friendly and affordable. Our ticket prices are some of the lowest you will find and we’re happy to be able to provide free onsite parking.” Executive Director Christina R. Callahan commented, “We have a great show in store from all of our performers and static displays. We’re honored to be a part of the Blue Angel’s 70th anniversary year and we look forward to the community coming out to be a part of it as well.”

A full list of performers, static displays are available on the air show website at www.syracuseairshow.com along with many other details. We will continue to update this website as more information becomes available. Please make sure to check the FAQ section for a list of prohibited items. While it is our hope that everyone will have a wonderful time at the air show, safety remains our first priority.
