MINER STATEMENT ON COMMON COUNCIL VOTE ON TOPS INCENTIVES

SYRACUSE, N.Y. – Mayor Stephanie A. Miner released the following statement about the Common Council vote on tax incentives for Tops and Morgan Management for the development of a full service North Side grocer.

“The decision to approve the tax incentives for Tops and Morgan Management represents a commitment to leadership on the part of the Council today. Just three months ago there was an uncertain future for this project and now, working together, we have reached a deal and put it into force. I look forward to seeing construction begin on the Pond Street location and to the day when our North Side neighbors have their own full service grocer once again.
