CITY REVIEWING BIDS FOR PARKING PAY STATIONS

SYRACUSE, N.Y. – The City of Syracuse Department of Public Works placed the contract for parking pay stations out to bid on October 18. Five bid proposals were received and opened on Monday, November 26. These bids are currently being reviewed.

The DPW is working with Parkeon, the current pay station vendor, to ensure meters are able to accept credit cards during this process. As a precaution, the City of Syracuse encourages those seeking to park to bring coins to use in meters in case of credit card shut down.
