## **CITY ISSUES BOATING ADVISORY**

SYRACUSE, N.Y. – The City of Syracuse today issued an advisory to boaters entering Onondaga Creek and the Inner Harbor from Onondaga Lake. The navigation lights on the Hiawatha Boulevard Bridge over the Onondaga Creek outlet are currently not operational. These lights mark the designated channels where boat traffic should travel.

Boaters entering from Onondaga Lake are asked not to proceed past the Hiawatha Boulevard Bridge until such time the lights are functional. The City of Syracuse is working to address the situation as soon as possible.
