**CITY OF SYRACUSE ANNOUNCES ROADWORK
SCHEDULE FOR AUGUST 11 THROUGH AUGUST 17**

SYRACUSE, N.Y. – The City of Syracuse announced today its schedule of roadwork projects throughout the city for the week of August 11 through August 17. More information, including detour maps, is available on the City of Syracuse roadwork webpage at www.syr.gov.net/roadwork.

Erie Blvd. West Bridge over Onondaga Creek. This City project will reduce traffic to one lane in each direction. Ramp from Erie Blvd to West St. northbound (& I-690) closed. Ramp detour: Eastbound on Erie Blvd: south at Plum to West St, south on S West St., east on Fayette St, north on northbound West St. Arterial. Westbound on Erie Blvd: south at Franklin St, west on Washington St, north on northbound West Street Arterial.

Connective Corridor Project

- Connective Corridor project on East Genesee Street between Almond Street and Townsend Street. Westbound traffic will be detoured at Almond St. south to Harrison St, west to State St. and north back to East Genesee St intersection. Eastbound traffic will be maintained throughout.
- This project will detour westbound traffic on East Genesee Street between Townsend Street and State Street. Westbound traffic will be detoured at Townsend St. north to Fayette St., west to State St. and south back to East Genesee St intersection. Eastbound traffic will be maintained throughout.
- This project will detour eastbound traffic on East Fayette Street at State St. south to Genesee St., east to Townsend St. and north back to the East Fayette St intersection. Westbound traffic will be maintained. As part of this project, there may also be lane reductions on S. State Street and S. Townsend Street, between East Fayette Street and East Genesee Street. No closures expected.
