PART A-4

6 Section 1. Paragraph c of subdivision 7 of section 3602 of the educa-  
7 tion law, as amended by section 22 of part C of chapter 57 of the laws  
8 of 2004, is amended to read as follows:

9 c. For the purposes of computing this apportionment for the two thou-  
10 sand five--two thousand six school year and thereafter, approved trans-  
11 portation capital, debt service, and lease expense shall be the amount  
12 computed based upon an assumed amortization determined pursuant to para-  
13 graph e of this subdivision for an expenditure incurred by a school  
14 district and approved by the commissioner for those items of transporta-  
15 tion capital, debt service and lease expense allowable under subdivision  
16 two of section thirty-six hundred twenty-three-a of this article for:  
17 (i) the regular aidable transportation of pupils, as such terms are  
18 defined in sections thirty-six hundred twenty-one and thirty-six hundred  
19 twenty-two-a of this article, (ii) the transportation of children with  
20 disabilities pursuant to article eighty-nine of this chapter, and (iii)  
21 the transportation of homeless children pursuant to paragraph c of  
22 subdivision four of section thirty-two hundred nine of this chapter,  
23 provided that the total approved cost of such transportation shall not  
24 exceed the amount of the total cost of the most cost-effective mode of  
25 transportation. Approvable expenses for the purchase of school buses  
26 shall be limited to the actual purchase price, or the expense as if the  
27 bus were purchased under state contract, whichever is less. If the  
28 commissioner determines that no comparable bus was available under state  
29 contract at the time of purchase, the approvable expenses shall be the  
30 actual purchase price or the state wide median price of such bus in the  
31 most recent base year in which such median price was established with an  
32 allowable year to year CPI increase as defined in subdivision fourteen  
33 of section three hundred five of this chapter; whichever is less. Such  
34 median shall be computed by the commissioner for the purposes of this  
35 subdivision. [Commencing with aid payable in the nineteen hundred nine-  
36 ty-six--ninety-seven school year, no aid shall be payable in the current  
37 year for costs incurred for the purchase or lease of a school bus in the  
38 base year unless (i) such costs were budgeted by the school district and  
39 so reported to the commissioner by November fifteenth of the base year  
40 or (ii) such costs were incurred on an emergency basis to replace a  
41 school bus that has been rendered unusable due to accident, fire or  
42 other similar circumstance, and such emergency and the cost of such  
43 replacement were reported to the commissioner within sixty days of such  
44 replacement; provided, however, that nothing herein shall prohibit the  
45 district from claiming aid for such purchase or lease of a school bus in  
46 the year following the current school year as if such costs were  
47 approved transportation expense incurred during the current year for the  
48 purposes of paragraph a of this subdivision and to the extent that such  
49 costs are identified to the commissioner by November first of the  
50 current year.]

51 § 2. Subdivision 1 of section 167 of chapter 169 of the laws of 1994  
52 relating to certain provisions related to the 1994-95 state operations,

4 been in full force and effect as of April 1, 1994 provided, however;  
5 that sections one, two, twenty-four, twenty-five and twenty-seven  
6 through seventy of this act shall expire and be deemed repealed on March  
7 31, 2000; provided, however, that section twenty of this act shall apply  
8 only to hearings commenced prior to September 1, 1994, and provided  
9 further that section twenty-six of this act shall expire and be deemed  
10 repealed on March 31, 1997; and provided further that sections four  
11 through fourteen, sixteen, and eighteen, nineteen and twenty-one through  
12 twenty-one-a of this act shall expire and be deemed repealed on March  
13 31, 1997; and provided further that sections three, fifteen, seventeen,  
14 twenty, twenty-two and twenty-three of this act shall expire and be  
15 deemed repealed on March 31, [2007] 2008.

15 Such plan shall include: (a) an estimate of total costs to be financed,  
16 proposed financing plan, proposed method of financing, terms and condi-

21 options would be used to ensure that sufficient resources exist to cover  
22 the local share of any such project cost on an annual basis; (b) infor-  
23 mation concerning the potential persons to be involved in the financing  
24 and such person's role and responsibilities; (c) estimates on the

37 diverse workforce for the projects. The diversity plan should address  
38 accountability for attainment of the diversity goals, what forms of  
39 monitoring would be used, and how such information would be publicly  
40 communicated.

41 Prior to the development of the comprehensive plan, the JSC board  
42 shall hold as many public hearings as may be necessary to ensure suffi-  
43 cient public input and allow for significant public discussion on the  
44 school building needs in such city, with at least one hearing to be held  
45 in each neighborhood potentially impacted by a proposed project.

46 The JSC board shall submit the components of such comprehensive plan  
47 outlined in subdivision (a) of this section to the comptroller, along  
48 with any other information requested by the comptroller, for his or her  
49 review and approval.

50 § 7. Notwithstanding any general, special or local law to the contrary  
51 and upon approval by the comptroller pursuant to section four of this  
52 act, the city school district may select projects to be undertaken  
53 pursuant to this act, as provided for in such approved comprehensive  
54 plan. After the city school district has selected a new project and  
55 plans and specifications for such project have been prepared and  
56 approved by the city school district, which are consistent with the

1 approved comprehensive plan, the city school district shall deliver such  
2 plans and specifications to the city, for approval by such city, acting  
3 through the common council, and after the common council has approved  
4 such plans and specifications, the city shall deliver them to the  
5 commissioner for his or her approval. After approval by the commission-  
6 er, the plans and specifications shall be returned to the city school  
7 district and such district shall then deliver them to the JSC board.  
8 All such specifications shall detail the number of students the  
9 completed project is intended to serve, the site description, the types  
10 of subjects to be taught, the types of activities for school, recre-  
11 ational, social, safety, or other purposes intended to be incorporated  
12 in the school building or on its site and such other information as the  
13 city school district, the city, the common council, and the commissioner  
14 shall deem necessary or advisable.

15 § 8. (a) Pursuant to the authority granted to it by an agreement and  
16 any amendment or supplemental agreement thereto, between the city and  
17 the city school district creating the JSC board with reference to the  
18 JSC board and any amendments to those sections, the JSC board, upon  
19 receipt of such plans and specifications for a project from the city,  
20 may enter into contracts on behalf of the city or the city school  
21 district, or both, for such project.

22 (b) Notwithstanding the provisions of any other general, special, or  
23 local law to the contrary, relating to the length, duration, and terms  
24 of contracts that the city or the city school district may enter into,  
25 the JSC board, on behalf of the city and the city school district, is  
26 hereby authorized and empowered to enter into contracts relating to  
27 projects undertaken pursuant to this act with any person, upon such  
28 terms and conditions and for such consideration and for such terms and  
29 duration, not to exceed thirty years, as may be agreed upon by the JSC  
30 board and such person, whereby such person is granted the right to  
31 design (pursuant to the plans and specifications delivered to it by the  
32 city), reconstruct, rehabilitate, finance or manage one or more projects  
33 in accordance with the design, plans, and specifications for such  
34 projects approved by the city school district, the commissioner and the  
35 city, as set forth in section five of this act. All such contracts shall  
36 comply with the provisions of section eight of this act.

37 (c) In the event the JSC board shall cease to exist for any reason  
38 whatsoever during the life of such contracts as it has entered into  
39 pursuant to this act, such contracts shall remain in full force and  
40 effect and the city and the city school district shall stand jointly in  
41 the place and stead of such JSC board with respect to all rights and  
42 obligations under such contracts and with respect to all powers granted  
43 to the JSC board by this act; provided, however, that such powers are  
44 exercised by the city and the city school district jointly and pursuant  
45 to their respective jurisdictions and the general laws applicable there-  
46 to, except as modified by this act.

47 § 9. (a) Notwithstanding the provisions of any general, special, or  
48 local law to the contrary, a contract entered into between the JSC board  
49 and any person pursuant to this act may be awarded either pursuant to  
50 public bidding in compliance with section 103 of the general municipal  
51 law or, in order to foster major investment in existing school buildings  
52 and to deliver quality products and services that are beneficial to the  
53 city and the city school district and the public they serve, pursuant to  
54 the following provisions of this act for the award of a contract based  
55 on evaluation of proposals submitted in response to a request for  
56 proposals prepared by or for the JSC board.

1 (b) Prior to the JSC board developing the requests for proposals, it  
2 shall consult with the comptroller and the commissioner in creating  
3 guidelines to be used by the JSC board in the preparation of individual  
4 requests for proposals. Such guidelines shall contain provisions requir-  
5 ing the compliance of the request for proposals with all applicable  
6 laws, rules and regulations.

7 (c) Prior to the issuance of a request for proposals pursuant to this  
8 act, the JSC board shall publish notice of such issuance in the official  
9 newspaper of the city, if any, and in at least one newspaper of general  
10 circulation. Concurrent with the publication of such notice, a draft  
11 request for proposals shall be filed with the JSC board. After allowing  
12 a thirty day comment period and an additional ten days to review such  
13 comments, the JSC board may publish the final request for proposals and  
14 concurrent with such publication shall publish notice of such issuance  
15 in the manner specified in this subdivision. Concurrent with the publi-  
16 cation of the final request for proposals, a set of comments filed in  
17 relation to the draft request for proposals and findings related to the  
18 substantive elements of such comments shall be filed along with the  
19 request for proposals with the JSC board and in the public library or  
20 libraries in proximity to the proposed project.

21 (d) The JSC board shall require that each proposal to be submitted  
22 shall include information relating to: (1) the background and experience  
23 of the person including any history of labor violations, and when applic-  
24 cable, the identity and experience of the person's general contractor,  
25 heating and plumbing contractor, electrical contractor, and design firm;  
26 (2) the ability of the person to secure adequate financing, if applica-  
27 ble, including the identification of the firm, if any, that will be used  
28 for financing the project; and (3) identification and specification of  
29 all elements of cost which would become a charge to the JSC board, the  
30 city school district or city, in whatever form, in return for the  
31 fulfillment by the person of all tasks and responsibilities established  
32 by the request for the proposal for the full lifetime of a proposed  
33 contract, including, as appropriate, but not limited to the costs,  
34 direct or indirect, relating to the project and such other information  
35 as the JSC board may determine to have a material bearing on its ability  
36 to evaluate any proposal.

37 (e) Proposals received in response to a request for proposals shall be  
38 evaluated by the JSC board, taking into account maximization of state  
39 building aid, as to net cost and in a manner consistent with the  
40 provisions set forth in the request for proposals, and may be evaluated  
41 on the basis of additional factors when applicable, including, but not  
42 limited to, quality and durability of materials, energy efficiency,  
43 facility design incorporating systems and approaches which provide maxi-  
44 mum facility value at the lowest possible cost for the reconstruction,  
45 rehabilitation, and equipping of such projects, and maximization of  
46 state building aid. In addition, evaluation of proposals received in  
47 response to a request for proposals for the position of program manager  
48 shall also include consideration of the criteria set forth in section  
49 nine of this act.

50 (f) The JSC board may make a contract award to any responsible person  
51 selected based on a determination by the JSC board that the selected  
52 proposal is most responsive to the request for proposals and may negoti-  
53 ate with any person; provided, however, that if an award is made to any  
54 person whose total proposal does not provide the lowest net cost, the  
55 JSC board shall adopt a resolution after a public hearing which includes  
56 particularized findings relevant to factors evaluated indicating that

1 the JSC board's requirements are met by such award and that such action  
2 is in the public interest.

3 § 10. Contracts. Notwithstanding the provisions of any general,  
4 special, or local law or judicial decision to the contrary:

5 (a) The JSC board may require a contractor awarded a contract, subcon-  
6 tract, lease, grant, bond, covenant or other agreement for a project to  
7 enter into a project labor agreement during and for the work involved  
8 with such project when such requirement is part of the JSC board's  
9 request for proposals for the project and when the JSC board determines  
10 that the record supporting the decision to enter into such an agreement  
11 establishes that it is justified by the interests underlying the compet-  
12 itive bidding laws.

13 (b) Any contract, subcontract, lease, grant, bond, covenant or other  
14 agreement for projects undertaken pursuant to this act shall not be  
15 subject to section 101 of the general municipal law when the JSC board  
16 has chosen to require a project labor agreement, pursuant to subdivision  
17 (a) of this section. This exemption shall only apply to the projects  
18 undertaken pursuant to this act and shall not apply to projects under-  
19 taken by any other school district or municipality unless otherwise  
20 specifically authorized.

21 (c) Notwithstanding any general, special, or local law or judicial  
22 decision to the contrary, whenever the JSC board enters into a contract,  
23 subcontract, lease, grant, bond, covenant or other agreement for the  
24 construction, reconstruction, demolition, excavation, rehabilitation,  
25 repair, renovation, alteration, or improvement for a project undertaken  
26 pursuant to this act, it shall be deemed to be a public works project  
27 for the purposes of article 8 of the labor law, and all the provisions  
28 of article 8 of the labor law shall be applicable to all the work  
29 involved with such project including the enforcement of prevailing wage  
30 requirements by the New York State department of labor.

31 (d) Every contract entered into by the JSC board for a project shall  
32 contain a provision that the design of such project shall be subject to  
33 the review and approval of the city school district and that the design  
34 and construction standards of such project shall be subject to the  
35 review and approval of the commissioner. In addition, every such  
36 contract shall contain a provision that the contractor shall furnish a  
37 labor and material bond guaranteeing prompt payment of moneys that are  
38 due to all persons furnishing labor and materials pursuant to the  
39 requirements of any contracts for a project undertaken pursuant to this  
40 act and a performance bond for the faithful performance of the project,  
41 which shall conform to the provisions of section 103-f of the general  
42 municipal law, and that a copy of such performance and payment bonds  
43 shall be kept by the city and shall be open to public inspection.

44 (e) For the purposes of article 15-A of the executive law, any person  
45 entering into a contract for a project authorized pursuant to this act  
46 shall be deemed a state agency as that term is defined in such article  
47 and such contracts shall be deemed state contracts within the meaning of  
48 that term as set forth in such article.

49 (f) Notwithstanding the provisions of this act or of any general or  
50 special law to the contrary, for any contract, subcontract, lease,  
51 grant, bond, covenant or other agreement for construction, recon-  
52 struction, demolition, excavation, rehabilitation, repair, renovation,  
53 alteration, or improvement with respect to each project undertaken  
54 pursuant to this act, the JSC board shall consider the financial and  
55 organizational capacity of contractors and subcontractors in relation to  
56 the magnitude of work they may perform, the record of performance of

1 contractors and subcontractors on previous work, the record of contrac-  
2 tors and subcontractors in complying with existing labor standards and  
3 maintaining harmonious labor relations, and the commitment of contrac-  
4 tors to work with minority and women owned business enterprises pursuant  
5 to article 15-A of the executive law through joint ventures or subcon-  
6 tractor relationships. The JSC board shall further require, on any  
7 contract for construction in excess of three million dollars with  
8 respect to any contract for construction, reconstruction, demolition,  
9 excavation, rehabilitation, repair, renovation, alteration, or improve-  
10 ment that each contractor and subcontractor shall participate in appren-  
11 tice training programs in the trades of work it employs that have been  
12 approved by the state department of labor for not less than three years.

13 § 11. (a) All contracts entered into by the JSC board for projects  
14 undertaken pursuant to this act shall be managed by an independent  
15 program manager. Selection of the program manager shall be pursuant to  
16 the competitive process established in section seven of this act. The  
17 program manager shall have experience in planning, designing, and  
18 constructing new and/or reconstructing existing school buildings, public  
19 facilities, commercial facilities, and/or infrastructure facilities, and  
20 in the negotiation and management of labor contracts and agreements,  
21 training programs, educational programs, and physical technological  
22 requirements for educational programs. The program manager shall manage  
23 all projects undertaken pursuant to this act, review project schedules,  
24 review payment schedules, prepare cost estimates and assess the safety  
25 programs of contractors and all training programs, if required. The  
26 program manager shall implement procedures for verification by it that  
27 all work for which payment has been requested has been satisfactorily  
28 completed.

29 (b) The program manager, and its affiliates or subsidiaries, if any,  
30 shall be prohibited from awarding contracts or being awarded contracts  
31 for or performing any work on projects undertaken pursuant to this act.

32 § 12. Notwithstanding any other provision of law, building aid that  
33 would otherwise be payable for the school district portion of expendi-  
34 tures for capital outlays and debt service for each project undertaken  
35 pursuant to the provisions of this act in accordance with subdivision 6  
36 of section 3602 of the education law, shall be paid to the city.

37 § 13. Notwithstanding any general, special, or local law or ordinance  
38 to the contrary, contracts entered into by the JSC board for projects  
39 undertaken pursuant to this act: (1) may be funded by certificates of  
40 participation issued by the city pursuant to this act; (2) may be  
41 installment purchased contracts; and (3) shall be subject to the  
42 provisions of section 109-b of the general municipal law, except for  
43 paragraph (a) of subdivision 3 of such section, subdivision 5 of such  
44 section, and paragraph (c) of subdivision 6 of such section, and except  
45 to the extent section 109-b of the general municipal law is inconsistent  
46 with the provisions of this act. All provisions with reference to  
47 installment purchase contracts or certificates of participation  
48 contained in section 109-b of the general municipal law, except any  
49 prohibition against using such installment purchase contracts or certif-  
50 icates of participation for the purposes set forth in this act, shall  
51 apply to installment purchase contracts or certificates of participation  
52 entered into or issued pursuant to the authority of this section of this  
53 act.

54 § 14. (a) Notwithstanding any other provision of any general, special,  
55 or local law or provision of this act to the contrary, any project  
56 undertaken pursuant to this act shall be operated and maintained by the

1 board of education of the city school district in the same manner as  
2 existing school buildings owned by the city are operated and maintained  
3 by such board.

4 (b) Notwithstanding any other provision of any general, special, or  
5 local law to the contrary, any project undertaken pursuant to the  
6 provisions of this act shall be exempt from all taxes (including sales  
7 and use taxes), special assessments, and special ad valorem levies and  
8 from the payment of any and all charges and rents for sewer systems,  
9 both while such project is being constructed and during its use by the  
10 city school district for school purposes.

11 § 15. Nothing in this act shall be construed to exempt a project  
12 undertaken pursuant to this act from the review and approval procedures  
13 applied to such projects by the state department of education when  
14 undertaken by the city school district pursuant to the education law.

15 § 16. (a) Notwithstanding any limitations contained in article 18-A of  
16 the general municipal law, including subdivisions 4, 12 and 13 of  
17 section 854 and section 926 of the general municipal law, a project  
18 undertaken pursuant to this act shall be a "project" within the defi-  
19 nition and for the purposes of subdivision 4 of section 854 of the  
20 general municipal law, which may be financed by the city of Syracuse  
21 industrial development agency or any successor agency thereto. In  
22 connection with the city of Syracuse industrial development agency  
23 financing the costs of any project undertaken pursuant to this act, the  
24 city and the city school district may grant a leasehold or license  
25 interest in the project and school building site constituting such  
26 project to the city of Syracuse industrial development agency. All  
27 contracts involving any such projects shall be awarded by the JSC board  
28 pursuant to the competitive process outlined in section seven of this  
29 act and shall comply with the provisions of section eight of this act.  
30 A project undertaken pursuant to this act may be financed through a  
31 special program agreement with the state of New York municipal bond bank  
32 agency pursuant to the provisions of section 2435-a of the public  
33 authorities law. It shall be the duty of the JSC board, the city school  
34 district and the city to compare the financing available for such  
35 projects through the city of Syracuse industrial development agency with  
36 financing available through the state of New York municipal bond bank  
37 agency, and to employ the financing mechanism that will result in the  
38 lowest cost to the taxpayers of the city and the state. It shall be the  
39 duty of the JSC board, the city school district, the city and the city  
40 of Syracuse industrial development agency to share with the state of New  
41 York municipal bond bank agency any information in their possession that  
42 is required by the state of New York municipal bond bank agency to  
43 determine the cost of financing such projects and to compute the inter-  
44 est rate that would have been applicable to a bond issuance by the state  
45 of New York municipal bond bank agency in the event that financing is  
46 obtained through the city of Syracuse industrial development agency.  
47 Any failure to provide such information within thirty days of receipt of  
48 a request from the state of New York municipal bond bank agency shall be  
49 deemed to be a failure of the city school district to submit the data  
50 needed to compute the apportionment of state building aid, and the  
51 commissioner shall withhold such apportionment until such information is  
52 fully submitted. Upon request of the city school district, the director  
53 of the state of New York municipal bond bank agency shall submit such  
54 reports as the commissioner may require on the financing of such  
55 projects and/or the interest rate that would have been applicable to  
56 such projects if they had been financed through such agency.

1 (b) In the event that the city or city school district shall fail to  
2 make a payment in such amount and by such date as is provided to be made  
3 by such city or city school district under agreements entered into with  
4 the city of Syracuse industrial development agency or any successor  
5 agency thereto pursuant to subdivision (a) of this section, such agency  
6 shall so certify to the state comptroller. Such certificate shall be in  
7 such form as the agency deems desirable, but shall specify the amount by  
8 which such payment shall have been deficient. The state comptroller,  
9 upon receipt of such certificate from the agency, shall withhold such  
10 amount from such city or city school district any state and/or school  
11 aid payable to such city or city school district to the extent of the  
12 amount so stated in such certificate as not having been made, and shall  
13 immediately pay over to the agency the amount so withheld. Any amount so  
14 paid to the agency from such state and/or school aid shall not obligate  
15 the state to make, nor entitle the city or the city school district to  
16 receive, any additional amounts of state and/or school aid. Nothing  
17 contained herein shall be deemed to prevent the state from modifying,  
18 reducing or eliminating any program or programs of state and/or school  
19 aid; nor shall the state be obligated by the terms hereof to maintain  
20 state and/or school aid at any particular level or amount. In the event  
21 that the city or city school district shall fail to make a payment in  
22 such amount and by such date as is provided to be made by such city or  
23 city school district under agreements entered into with the state of New  
24 York municipal bond bank agency pursuant to subdivision (a) of this  
25 section and section 2435-a of the public authorities law, such agency  
26 shall so certify to the state comptroller pursuant to subdivision 4 of  
27 section 2436 of the public authorities law and the state comptroller  
28 shall be authorized to withhold state aid pursuant to such section 2436  
29 and pay it over to such agency.

30 § 17. Clause (a) of subparagraph 5 of paragraph e of subdivision 6 of  
31 section 3602 of the education law, as amended by section 21 of part C of  
32 chapter 57 of the laws of 2004, is amended to read as follows:

33 (a) Calculation of interest rates for the city school districts of the  
34 cities of Buffalo, Rochester, Syracuse and Yonkers. (i) By the first day  
35 of September of the current year, or by the date prescribed by the  
36 commissioner for the two thousand one--two thousand two school year, the  
37 chief fiscal officer of each of the cities of Buffalo, Rochester, Syra-  
38 cuse and Yonkers shall provide to the commissioner an analysis, as  
39 prescribed by the commissioner, of the actual average interest rate  
40 applied to all capital debt incurred by such city related to school  
41 construction purposes during the base year not including debt issued by  
42 the dormitory authority for the benefit of any school district and of  
43 the estimated average interest rate applied to all capital debt to be  
44 incurred by such city related to school construction purposes during the  
45 current year not including debt issued by the dormitory authority for  
46 the benefit of any school district. Such interest rates shall be  
47 expressed as a decimal to five places rounded to the nearest eighth of  
48 one-one hundredth. Except as otherwise provided in [item] items (ii) and  
49 (iii) of this clause, the interest rate of such city applicable to the  
50 base year for the purposes of this subparagraph shall be the actual  
51 average interest rate of such city in the base year, and the estimated  
52 average interest rate shall be tentatively established as the interest  
53 rate of such city applicable to the current year, except that all appor-  
54 tionments of aid payable during the current year based on such estimated  
55 average interest rate shall be recalculated in the following year and  
56 adjusted as appropriate based on the appropriate actual average interest

1 rate then established pursuant to this clause provided, however, that in  
2 any year in which such city has not incurred debt related to serial  
3 bonds or sinking fund bonds as defined in sections 21.00 and 22.10,  
4 respectively, of the local finance law, issued for school construction  
5 purposes, the assumed interest rate calculated pursuant to clause (b) of  
6 this subparagraph shall be tentatively established as the interest rate  
7 of such city applicable to the projects approved by the commissioner in  
8 such year, except that all apportionments of aid payable based on such  
9 interest rate for each such project shall be recalculated following the  
10 submission of a final cost report for such project and adjusted as  
11 appropriate based on the appropriate actual average interest rate appli-  
12 cable to the debt issued to fund such project, and provided further that  
13 where such city has entered into an agreement with the dormitory author-  
14 ity of the state of New York to finance debt related to school  
15 construction that is subject to subparagraph four of this paragraph or  
16 has entered into an agreement with the dormitory authority of the state  
17 of New York for the purpose of financing a school construction project  
18 that is subject to subparagraph three of this paragraph, the interest  
19 rate applicable to the obligations issued by the dormitory authority of  
20 the state of New York for such purpose shall be the interest rate estab-  
21 lished for such city applicable to such debt.

22 (ii) Notwithstanding the provisions of item (i) of this clause, where  
23 such city has entered into an agreement with the state of New York  
24 municipal bond bank agency pursuant to subdivision one of section twen-  
25 ty-four hundred thirty-five-a of the public authorities law and subdivi-  
26 sion (b) of section sixteen of chapter six hundred five of the laws of  
27 two thousand, or an agreement with the Erie county industrial develop-  
28 ment agency for projects described in subdivision (b) of section sixteen  
29 of such chapter six hundred five, to finance debt related to school  
30 renovation, rehabilitation or reconstruction that is subject to subpara-  
31 graph three of this paragraph, the lesser of: (A) the interest rate  
32 actually applicable to the obligations issued by the state of New York  
33 municipal bond bank agency or by the Erie county industrial development  
34 agency for such purpose; or (B) the interest rate that would have been  
35 applicable to bonds issued by the state of New York municipal bond bank  
36 agency if the project had been financed through such agency, as certi-  
37 fied to the commissioner by the executive director of the state of New  
38 York municipal bond bank agency, shall be the interest rate established  
39 for such city applicable to such debt.

40 (iii) Notwithstanding the provisions of item (i) of this clause, where  
41 such city has entered into an agreement with the state of New York  
42 municipal bond bank agency pursuant to subdivision one of section twen-  
43 ty-four hundred thirty-five-a of the public authorities law and subdivi-  
44 sion (a) of section fourteen of the city of Syracuse and the board of  
45 education of the city school district of the city of Syracuse cooper-  
46 ative school reconstruction act, or an agreement with the city of Syra-  
47 cuse industrial development agency for projects authorized pursuant to  
48 the city of Syracuse and the board of education of the city school  
49 district of the city of Syracuse cooperative school reconstruction act,  
50 to finance debt related to school rehabilitation or reconstruction that  
51 is subject to subparagraph three of this paragraph, the lesser of: (A)  
52 the net interest cost as defined by the commissioner, applicable to the  
53 obligations issued by the state of New York municipal bond bank agency  
54 or the city of Syracuse industrial development agency for such purpose;  
55 or (B) such net interest cost, as defined by the commissioner that would  
56 have been applicable to bonds issued by the state of New York municipal

1 bond bank agency if the project had been authorized to be financed and  
2 had been financed through such entity, as certified to the commissioner  
3 by the executive director of the state of New York municipal bond bank  
4 agency shall be the interest rate established for such city applicable  
5 to such debt.

6 § 18. The opening paragraph of subdivision 6 of section 3602 of the  
7 education law, as separately amended by chapter 59 and section 7 of part  
8 A2 of chapter 62 of the laws of 2003, is amended to read as follows:

9 Apportionment for capital outlays and debt service for school building  
10 purposes. Any apportionment to a school district pursuant to this  
11 subdivision shall be based upon base year approved expenditures for  
12 capital outlays incurred prior to July first, two thousand one from its  
13 general fund, capital fund or reserved funds and current year approved  
14 expenditures for debt service, including debt service for refunding bond  
15 issues eligible for an apportionment pursuant to paragraph g of this  
16 subdivision and lease or other annual payments to the New York city  
17 educational construction fund created by article ten of this chapter or  
18 the city of Yonkers educational construction fund created by article  
19 ten-B of this chapter which have been pledged to secure the payment of  
20 bonds, notes or other obligations issued by the fund to finance the  
21 construction, acquisition, reconstruction, rehabilitation or improvement  
22 of the school portion of combined occupancy structures, or for lease or  
23 other annual payments to the New York state urban development corpo-  
24 ration created by chapter one hundred seventy-four of the laws of nine-  
25 teen hundred sixty-eight, pursuant to agreement between such school  
26 district and such corporation relating to the construction, acquisition,  
27 reconstruction, rehabilitation or improvement of any school building, or  
28 for annual payments to the dormitory authority pursuant to any lease,  
29 sublease or other agreement relating to the financing, refinancing,  
30 acquisition, design, construction, reconstruction, rehabilitation,  
31 improvement, furnishing and equipping of, or otherwise provide for  
32 school district capital facilities or school district capital equipment  
33 made under the provisions of section sixteen hundred eighty of the  
34 public authorities law, or for annual payments pursuant to any lease,  
35 sublease or other agreement relating to the financing, refinancing,  
36 acquisition, design, construction, reconstruction, rehabilitation,  
37 improvement, furnishing and equipping of, or otherwise providing for  
38 educational facilities of a city school district under the provisions of  
39 section sixteen of chapter six hundred five of the laws of two thousand,  
40 for annual payments pursuant to any lease, sublease or other agreement  
41 relating to the financing, refinancing, design, reconstruction, rehabil-  
42 itation, improvement, furnishing and equipping of, or otherwise provid-  
43 ing for projects authorized pursuant to the city of Syracuse and the  
44 board of education of the city school district of the city of Syracuse  
45 cooperative school reconstruction act, or for lease, lease-purchase or  
46 other annual payments to another school district or person, partnership  
47 or corporation pursuant to an agreement made under the provisions of  
48 section four hundred three-b, subdivision eight of section twenty-five  
49 hundred three, or subdivision six of section twenty-five hundred fifty-  
50 four of this chapter, provided that the apportionment for such lease or  
51 other annual payments under the provisions of section four hundred  
52 three-b, subdivision eight of section twenty-five hundred three, or  
53 subdivision six of section twenty-five hundred fifty-four of this chap-  
54 ter, other than payments under a lease-purchase agreement or an equiv-  
55 alent agreement, shall be based upon approved expenditures in the  
56 current year. Approved expenditures for capital outlays from a school

1 district's general fund, capital fund or reserved funds that are  
2 incurred on or after July first, two thousand two, and are not aidable  
3 pursuant to subdivision six-f of this section, shall be aidable as debt  
4 service under an assumed amortization established pursuant to paragraphs  
5 e and j of this subdivision. In any such case approved expenditures  
6 shall be only for new construction, reconstruction, purchase of existing  
7 structures, for site purchase and improvement, for new garages, for  
8 original equipment, furnishings, machinery, or apparatus, and for  
9 professional fees and other costs incidental to such construction or  
10 reconstruction, or purchase of existing structures. In the case of a  
11 lease or lease-purchase agreement entered pursuant to section four  
12 hundred three-b, subdivision eight of section twenty-five hundred three  
13 or subdivision six of section twenty-five hundred fifty-four of this  
14 chapter, approved expenditures for the lease or other annual payments  
15 shall not include the costs of heat, electricity, water or other utili-  
16 ties or the costs of operation or maintenance of the leased facility. An  
17 apportionment shall be available pursuant to this subdivision for  
18 construction, reconstruction, rehabilitation or improvement in a build-  
19 ing, or portion thereof, being leased by a school district only if the  
20 lease is for a term of at least ten years subsequent to the date of the  
21 general construction contract for such construction, reconstruction,  
22 rehabilitation or improvement. Each school district shall prepare a five  
23 year capital facilities plan, pursuant to regulations developed by the  
24 commissioner for such purpose, provided that in the case of a city  
25 school district in a city having a population of one million inhabitants  
26 or more, such facilities plan shall comply with the provisions of  
27 section twenty-five hundred ninety-p of this chapter and this subdivi-  
28 sion. Such plan shall include, but not be limited to, a building inven-  
29 tory, and estimated expense of facility needs, for new construction,  
30 additions, alterations, reconstruction, major repairs, energy consump-  
31 tion and maintenance by school building, as appropriate. Such five year  
32 plan shall include a priority ranking of projects and shall be amended  
33 if necessary to reflect subsequent on-site evaluations of facilities  
34 conducted by state supported contractors.

35 § 19. On January 15, 2007 and annually thereafter, until completion of  
36 the seven projects authorized pursuant to this act, the JSC board shall  
37 issue a report to the governor, the comptroller, the commissioner, the  
38 temporary president of the senate, the speaker of the assembly, the  
39 city, the common council and the city school district on the progress  
40 and status of the projects undertaken by the JSC board. Provided  
41 further, that if any such entities request information on the progress  
42 and status of the projects prior to such report, it shall be provided to  
43 such entities by the JSC board.

44 In addition, on or before June 30, 2014 or upon the completion of the  
45 seven projects authorized pursuant to this act, whichever shall first  
46 occur, the JSC board shall issue a report to the city, the city school  
47 district, the governor, the commissioner, the comptroller, the temporary  
48 president of the senate, the minority leader of the senate, the speaker  
49 of the assembly, the minority leader of the assembly, the state board of  
50 regents, and the chairs and ranking minority members of the New York  
51 state senate and assembly committees on education, the finance committee  
52 of the New York state senate, and the ways and means committee of the  
53 New York state assembly. Such report shall identify the fiscal and peda-  
54 gogical results of the projects undertaken pursuant to this act, along  
55 with recommendations for its continuance, amendments, or discontinuance.

1 § 20. Insofar as the provisions of this act are inconsistent with the  
2 provisions of any other law, general, special, or local, or of the city  
3 charter or an ordinance or resolution of the city, or any rule or regu-  
4 lation, the provisions of this act shall be controlling, provided that  
5 nothing contained in this act shall be held to supplement or otherwise  
6 expand the powers or duties of the city or the city school district  
7 except as specified herein.

8 § 21. Subdivision 12 of section 2432 of the public authorities law,  
9 as added by chapter 166 of the laws of 1991, is amended to read as  
10 follows:

11 (12) "Special Program Municipality". Any city having a population of  
12 less than one million but more than three hundred fifty thousand; and  
13 any city having a population of less than two hundred fifty thousand but  
14 more than two hundred thousand, determined according to the federal  
15 decennial census of nineteen hundred eighty. Such term shall also  
16 include the city of Syracuse solely for the purpose of the city of Syra-  
17 cuse and the board of education of the city school district of the city  
18 of Syracuse cooperative school reconstruction act.

19 § 22. Subdivision 1 of section 2435-a of the public authorities law,  
20 as amended by chapter 59 of the laws of 2003, is amended to read as  
21 follows:

22 (1) In order to fulfill the purposes of this title and to provide a  
23 means by which the special program municipalities may (a) receive moneys  
24 to refund certain property taxes determined to be in excess of state  
25 constitutional tax limits or to reimburse the special program muni-  
26 cipalities for the prior refunding of such taxes or (b) receive moneys to  
27 be applied to the cost of settling litigation involving the city school  
28 districts of special program municipalities and the teachers' unions in  
29 such special program municipalities, or (c) receive moneys for the  
30 financing of public improvements to be applied to the cost of the recon-  
31 struction, rehabilitation or renovation of an educational facility  
32 pursuant to the provisions of subdivision (b) of section sixteen of  
33 chapter six hundred five of the laws of two thousand, or (d) receive  
34 moneys for the financing of public improvements to be applied to the  
35 cost of a project for design, reconstruction or rehabilitation of a  
36 school building pursuant to the provisions of section fourteen of the  
37 city of Syracuse and the board of education of the city school district  
38 of the city of Syracuse cooperative school reconstruction act, and  
39 notwithstanding any general or special law to the contrary, the agency  
40 and each special program municipality are hereby authorized to enter  
41 into one or more special program agreements, which special program  
42 agreements shall, consistent with the provisions of this title, contain  
43 such terms, provisions and conditions as, in the judgment of the agency,  
44 shall be necessary or desirable. Each special program agreement shall  
45 specify the amount to be made available to the respective special  
46 program municipality from the proceeds of an issue of special program  
47 bonds and shall require such special program municipality, subject to  
48 appropriation by the appropriate legislative body of such special  
49 program municipality, to make payments to the agency in the amounts and  
50 at the times determined by the agency to be necessary to provide for  
51 payment of such issue of special program bonds and such other fees,  
52 charges, costs and other amounts as the agency shall in its judgment  
53 determine to be necessary or desirable.

54 § 23. Subdivision 4 of section 2436 of the public authorities law, as  
55 amended by chapter 59 of the laws of 2003, is amended to read as  
56 follows:

1 4. In the event that a special program municipality shall fail to make  
2 a payment in such amount (as calculated in accordance with the special  
3 program agreement to which such municipality shall be a party) and by

## ARTICLE II

### ESTABLISHMENT AND OPERATION OF THE FUND

Section 201. Establishment of State Aid Depository Fund. In order to facilitate the purposes of the Act and the payment of the Aggregate Facilities Payment Obligations, there is hereby established a special fund which shall be known, and is referred to, as the State Aid Depository Fund. The Fund shall be held by and maintained with the Depository Bank, and the School District and the City hereby agree with the Depository Bank that the City and the School District will duly and punctually pay or cause to be paid the Aggregate Facilities Payment Obligations from amounts received from the Fund, and that the City and the School District will maintain the Fund with the Depository Bank, and will operate the Fund in the manner set forth herein.

Section 202. Operation of the Fund. (a) Pursuant to written instructions to the New York State Comptroller dated March 12, 2008, the Commissioner of Finance and the President of the Board of Education of the School District have directed the New York State Comptroller's Office to deposit all State Aid to Education into the Fund except for any amount of State Aid to Education withheld from the City or School District in accordance with the provisions of the Act.

(b) Notwithstanding the following provisions of this Section 202, if the Depository Bank receives written instructions from the Commissioner of Finance with an accompanying monthly payment schedule from the Commissioner of Finance indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the payment in accordance with such payment schedule of outstanding revenue anticipation notes issued by the City (the "RAN Repayment Requirement"); then, each month, the Depository Bank shall immediately withdraw from the Fund all State Aid to Education that are received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under this Section 202, to such special bank account, until the total amount of such withdrawals is equal to the portion of such RAN Repayment Requirement required, in accordance with such payment schedule, to be withdrawn and paid to such special bank account for such month or any prior month to the extent not yet paid.

(c) Commencing on April 1, 2008 through and including November 30, 2008, the Depository Bank shall immediately upon receipt of any payment of State Aid to Education pay over to the General Fund all such State Aid to Education.

(d) On or before July 15, 2008 for the Fiscal Year ending June 30, 2009, and on or before July 15 of each subsequent Fiscal Year, the Collecting Officer and the Commissioner of Finance shall prepare and deliver to the Depository Bank and each Series Trustee a certificate, substantially in the form of Exhibit A-1 hereto (the "State Aid Payment Certificate"), setting forth (i) a statement that the School District has budgeted and directed payment from appropriated funds of, and the City has appropriated, an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations for such Fiscal Year,

(ii) the total amount of State Aid to Education expected to be received during the next Collection Period and the Collection Percentage applicable to each month of such Collection Period, and (iii) a statement developed with the assistance of the School District's financial advisor or a nationally recognized municipal securities underwriting firm, setting forth the long-term debt rating of each provider of a Qualified Debt Service Reserve Fund Investment Agreement by each of Fitch, Inc., Moody's Investors Service, Inc. and Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc. However, in the event that the City shall not have appropriated or the School District has not budgeted or directed payment from appropriated funds for such amount of State Aid to Education in its adopted budget for such Fiscal Year, the State Aid Payment Certificate for such Fiscal Year shall set forth a statement to such effect, shall not include any information regarding the collection of State Aid to Education during the Collection Period and shall be substantially in the form of Exhibit A-2 hereto. Thereafter and not later than the end of the third business day immediately preceding March 31 of such Fiscal Year, if circumstances warrant, the Collecting Officer and the Commissioner of Finance shall from time to time prepare and deliver to the Depository Bank a revised State Aid Payment Certificate setting forth, as appropriate (i) a statement that the City has, subsequent to adoption of its budget for such Fiscal Year, appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations for such Fiscal Year, or (ii) a revised total amount of State Aid to Education expected to be received during the Collection Period for such Fiscal Year and, in either case, if applicable, Collection Percentages or revised Collection Percentages applicable to the remainder of such Collection Period.

(e) On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Depository Bank shall receive from each Series trustee, in accordance with the Indenture pursuant to which such Series Trustee has been appointed, a certificate (the "Base Facilities Agreement Payment Certificate") setting forth the Net Base Facilities Agreement Payment (computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due on the following April 1.

(f) On or before November 10 of each Fiscal Year, commencing November 10, 2008, the Depository Bank shall receive from each Series Trustee, in accordance with the Indenture pursuant to which such Series Trustee has been appointed, a certificate (the "Reserve Payment Certificate") setting forth the Reserve Payment (as defined in each Series Facilities Agreement and computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due and the amount of the Debt Service Reserve Deficiency as of the date of such certificate.

(g) During each Collection Period, if the Depository Bank has received a State Aid Payment Certificate with respect to such Collection Period that sets forth the statements required by clauses (i) and (ii) of the first sentence of Section 202(d), the Depository Bank shall, immediately upon receipt of any payment of State Aid to Education, withdraw such State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid in the following order of priority:

(i) *first*, to each Series Trustee for deposit in the Bond Fund established pursuant to the related Series Indenture until the total amount of such withdrawals during each month of such Collection Period shall equal the sum of

(A) the product of the Collection Percentage for such month multiplied by the Net Base Facilities Agreement Payment due the immediately following April 1 as set forth in the Base Facilities Agreement Payment Certificate most recently received by the Depository Bank, plus (B) during the months of January, February and March, the excess of the amount that should have been deposited in the Bond Fund in the immediately preceding month of the Collection Period pursuant to the provisions of this paragraph, over the amount in fact so deposited;

(ii) *second*, thereafter during each month of such Collection Period, to each Series Trustee for deposit in the Debt Service Reserve Fund established pursuant to the related Series Indenture until the total amount of such withdrawals is equal to the Reserve Payment due, if any, as set forth in the Reserve Payment Certificate most recently received by the Depository Bank, and

(iii) *third*, thereafter during each month of such Collection Period, to the General Fund.

In the event that any amount on deposit in the Fund in any month of the Collection Period, at any time, shall be less than the amount required to be paid to a Series Trustee under clauses (i) or (ii) above, the Depository Bank shall make payment to each Series Trustee on a Ratable Basis, in the priority indicated above. For purposes of the preceding sentence, "Ratable Basis" shall be first computed based on amounts payable to each Series Trustee under clause (i) above if there is not enough in the Fund to pay to each Series Trustee what is payable under clause (i) above, and, if the amounts payable under clause (i) have been paid in full, then computed based on the amount payable to each Series Trustee under clause (ii).

Thereafter from April 1 until the commencement of the next Collection Period, immediately upon receipt of any payment of State Aid to Education, the Depository Bank shall withdraw such State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid to the General Fund.

If the Depository Bank has not received with respect to a Collection Period for any reason a State Aid Payment Certificate that includes the statements required by clauses (i) and (ii) of the first sentence of Section 202(d), the Depository Bank, both during and after such Collection Period until the next Collection Period, shall withdraw any State Aid to Education from the Fund and cause the amounts so withdrawn to be immediately paid to the General Fund.

Section 203. Procedure for Collection and Deposit of State Aid to Education. The procedure set forth in this Article for the operation of the Fund is related to the School District's current procedure for the collection, deposit and disbursement of State Aid to Education. Nothing herein contained shall prevent the City, the Depository Bank and the School District from effecting any change by amendment hereto modifying the procedures for the collection, deposit and disbursement of State Aid to Education, without the consent of any other party; provided, however, that the School District hereby agrees with the City and the Depository Bank that (i) prior to making any such change, the School District shall notify each Rating Agency of such change and that prior to any such change there shall be delivered to the Depository Bank a rating confirmation of each Rating Agency that the then current unenhanced

rating of the Project Bonds will not be withdrawn or reduced as a result of such change and (ii) the School District will not change or alter the procedure for the collection and deposit of State Aid to Education which in any manner would result in insufficient State Aid to Education being available to timely pay Facilities Payment Obligations in accordance with the terms of this Agreement.

Section 204. Accounts, Reports and Certificates. The Depository Bank agrees that it will keep, or cause to be kept, proper books of record in which complete and accurate entries shall be made of all transactions relating to the Fund. The School District at its sole cost and expense shall cause such books of record relating to the Fund to be audited annually by one or more certified public accountants duly licensed by the State, and such audit shall be filed by the School District with the Commissioner of Finance, the Depository Bank and each Series Trustee.

(b) Except as disclosed in Exhibit B, each of Indemnitor and the City further represents and warrants that (i) it has not been nor will be involved in operations at or near the Facilities which operations could lead to (A) the imposition of liability on Indemnitor, the City or on any subsequent or former owner of the Facilities or (B) the creation of a lien on the Facilities under the Hazardous Waste Laws or under any similar laws or regulations; and (ii) it has not permitted, and will use its commercially reasonable best efforts to not permit, any tenant or occupant of the Facilities to engage in any activity that could impose liability under the Hazardous Waste Laws on such tenant or occupant, the Agency, the Indemnitor, the City or any other owner of any of the Facilities.

The Series 2017 Bonds are being issued under and pursuant to and in full compliance with the Constitution and laws of the State, particularly the New York State Industrial Development Agency Act (constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York), as amended, Chapter 641 of the 1979 Laws of New York, as amended (collectively, the “*Act*”), and Chapter 58 Part 4-A of the Laws of the State, and as may

be amended (collectively, the "***Syracuse Schools Act***"), and under and pursuant to a resolution adopted by the members of the Agency on January 24, 2017, authorizing the issuance of the Series 2017 Bonds, and under and pursuant to an Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (as the same may be amended or supplemented, the "***Indenture***"), made and entered into between the Agency and the Trustee for the purpose of refunding: (a) the Agency's outstanding School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A (the "***Series 2008A Bonds***") in the principal amount of \$34,780,000 and (b) to pay permitted issuance costs, if any, costs of credit enhancement, if any, and fund a debt service reserve fund, if any, all with respect to the Series 2017 Bonds and pay the redemption costs of the Refunded Bonds. The City of Syracuse, New York (the "***City***") and the City School District of the City of Syracuse, a school district of the State of New York (the "***SCSD***") have granted a license to the Agency in and to the Facilities pursuant to a Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017, amendatory of a License Agreement (Series 2008 Project), dated as of March 1, 2008, as amended by a First Amendment to the License Agreement dated as of December 1, 2010, (Series 2010 Project); as further amended pursuant to a Second Amendatory License Agreement dated as of July 1, 2011, each among the City, the SCSD and the Agency (collectively, the "***License***", as the same may be further amended, modified or supplemented from time to time). The Agency has sold its interest in the Facilities to the City and the SCSD pursuant to Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as of even date herewith (the "***Fourth Amended Agreement***"), amendatory of a certain Installment Sale Agreement (Series 2008A Project), dated as of March 1, 2008 (the "***Original Agreement***") as previously amended by Amendment No. 1 to Agreement dated as of March 1, 2009 (the "***First Amended Agreement***"); and by Amendment No. 2 to Agreement (Series 2010 Project) dated as of December 1, 2010 (the "***Second Amended Agreement***"); as further amended by Amendment No. 3 to Agreement ("***Series 2011 Project***") dated as of July 1, 2011 (the "***Third Amended Agreement***" and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, collectively, the "***Installment Sale Agreement***" as same may further be amended or supplemented), each between the Agency, the City, the SCSD and the Joint School Construction Board (the "***JSCB***"). The Installment Sale Agreement requires, among other things, the payment by the City and the SCSD of Installment Purchase Payments as scheduled payments equal to the principal of and interest on the Series 2017 Bonds and any Additional Bonds that were or may be issued under a Series Indenture (collectively, the "***Bonds***") as the same become due, (the "***Installment Purchase Payments***"). Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the Indenture.

**Pledge and Security.** The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid to Education (as defined in the State Aid Depository Agreement referred to below) appropriated by the State and available to the City and/or the SCSD, and budgeted by the SCSD and appropriated by the City and the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys so available and appropriated, *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the State to appropriate State Aid to Education or a failure by the City or the SCSD to budget and appropriate funds) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the

Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the "**State**"). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and budgeted and appropriated for such purpose by the City and the SCSD and, to the extent of any Installment Purchase Payment deficiency, state and/or school aid payable to the City or the SCSD received by the Trustee pursuant to the intercept by the State Comptroller.

Each of the SCSD, the City and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or assigns, the "**Depository Bank**"), have entered into a State Aid Depository Agreement dated as of March 1, 2008 ("**Depository Agreement**") as previous amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to Depository Agreement**", and together with the Depository Agreement, collectively the "**State Aid Depository Agreement**" as the same may be further amended or supplemented from time to time), to provide for, among other things, the payment of all State Aid to Education into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to a Debt Service Reserve Fund or equivalent fund, if any, established under any other Series Indenture (no such fund being established hereunder), and the balance to the General Fund (as defined in the State Aid Depository Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Depository Agreement are on file at the principal corporate trust office of the Trustee at One M & T Plaza, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2017 Bonds, the charging and collection of Installment Purchase Payments for the Facilities, the custody and application of the proceeds of the Series 2017 Bonds, the rights and remedies of the holders of the Series 2017 Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2017 Bonds as the same become due, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid to Education as provided above.

The Series 2017 Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City

shall be liable thereon, nor shall the Series 2017 Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the Series 2017 Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2017 Bonds, and the terms upon which the Series 2017 Bonds are issued and secured.

**Additional Bonds.** As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities, providing funds to repair, relocate, replace, rebuild, or restore an affected Facility in the event of damage, destruction or taking by eminent domain, providing additions, rehabilitation or recreational facilities to one or more Facilities, or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

#### **Redemption of Series 2017 Bonds.**

(a) *General Optional Redemption.* The Series 2017 Bonds maturing from May 1, 2017 to and including May 1, 2027 are not subject to optional redemption prior to the maturity thereof. The Series 2017 Bonds maturing on and after May 1, 2028 are subject to redemption, in whole or in part, at any time on or after May 1, 2027 (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by the City of its intention to prepay Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus in each case accrued interest to the redemption date.

(b) *Mandatory Redemption.* The Series 2017 Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2017 Project, or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2017 Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2017 Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2017 Bond to be redeemed at the address for such owner shown on the registration books. All Series 2017 Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2017 Bonds called for redemption shall become due and payable on the redemption date, *provided, however*, that with respect to any redemption of the Series 2017 Bonds as provided in paragraph (a) above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and

interest on such Series 2017 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem such Series 2017 Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2017 Bonds so called for redemption at the place or places of payment, such Series 2017 Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2017 Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2017 Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2017 Bond so affected, shall not affect the validity of the redemption of such Series 2017 Bond.

**Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Amendment of Indenture.** The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

**Book-Entry System.** The Series 2017 Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2017 Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its

agent. The book-entry system will evidence positions held in the Series 2017 Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2017 Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2017 Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

**Denominations.** The Series 2017 Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

**Exchange of Series 2017 Bonds.** The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2017 Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2017 Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2017 Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2017 Bonds to be redeemed, or (ii) transfer or exchange any Series 2017 Bonds selected, called or being called for redemption in whole or in part.

**Transfer of Series 2017 Bonds.** This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2017 Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of

receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

**No Acceleration of Series 2017 Bonds.** In no event shall the principal of any Series 2017 Bond be declared due and payable in advance of its final stated maturity.

### **Section 2.3. Redemption of Series 2017 Bonds.**

(a) *General Optional Redemption.* The Series 2017 Bonds maturing from May 1, 2017 to and including May 1, 2027 are not subject to optional redemption prior to the maturity thereof. The Series 2017 Bonds maturing on or after May 1, 2028 shall be subject to redemption, in whole or in part at any time on or after May 1, 2027 (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by an Authorized Representative of the City of its intention to prepay Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption.

(b) *Mandatory Redemption.* The Series 2017 Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent: (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2017 Project; or (ii) moneys are transferred to the Bond Fund pursuant to Article V hereof or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2017 Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) Redemption of Series 2017 Bonds permitted or required by this Article II shall be made as follows, and the Trustee shall give the notice of redemption required by Section 6.3 hereof in respect of each such redemption:

(1) Redemption shall be made pursuant to the general optional redemption provisions of Section 2.3(a) hereof at such times as are permitted under such Section and in such principal amounts as the City shall request in a written notice to the Trustee in accordance with the Installment Sale Agreement.

(2) Redemption shall be made pursuant to the mandatory redemption provisions of Section 2.3(b) hereof on the dates specified therein, without the necessity of any instructions or further act of the School Parties.

(d) In the event of any redemption in part of the Series 2017 Bonds, in selecting Series 2017 Bonds for redemption, the Trustee shall treat each such Series 2017 Bond as representing that number of Series 2017 Bonds which is obtained by dividing the principal amount of such registered Bond by \$5,000 (referred to below as a “*unit*”) rounded down to the integral multiple of such minimum denomination. If it is determined that one or more, but not all, of the units of principal amount represented by any such Series 2017 Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Series 2017 Bond shall forthwith surrender such Series 2017 Bond to the Trustee for (y) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption and (z) delivery to such Holder of a new Series 2017 Bond or Bonds in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Series 2017 Bond. New Series 2017 Bonds of the same maturity representing the unredeemed balance of the principal amount of such Series 2017 Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Series 2017 Bond of a denomination greater than \$5,000 shall fail to present such Series 2017 Bond to the Trustee for payment and exchange as aforesaid, such Series 2017 Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 2.4. Delivery of Series 2017 Bondss.** The Series 2017 Bonds shall be executed in the form and manner set forth in this Indenture and shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. the purchaser(s) therein identified upon payment to the Trustee for the account of the Agency of the purchase price therein specified, plus accrued interest, if any.

**Section 2.5. Execution of Bonds.** The Bonds shall be executed on behalf of the Agency by the manual or facsimile signature of the Chairman or Vice Chairman of the Agency, and the seal of the Agency shall be affixed thereto or imprinted thereon and attested by the manual or facsimile signature of the Secretary of the Agency. Any facsimile signatures shall have the same force and effect as if the appropriate officers had personally signed each of said Bonds. In case one or any of the officers who shall have signed or attested the Bonds or whose reproduced facsimile signature appears thereon shall cease to be such officer or officers before the Bonds so signed and attested shall have been actually issued and delivered, the Bonds may be issued and delivered as though the person who signed or attested or whose reproduced facsimile signature appears on the Bonds had not ceased to be such officer. Neither the members, directors, officers or agents of the Agency nor any person executing the Bonds shall be liable personally or be subject to any personal liability or accountability by reason of the issuance thereof.

**Section 2.6. Authentication.** Only such Bonds as shall have endorsed thereon a certificate of authentication, in substantially the form set forth in the Form of Bond in the recitals of this Indenture, duly executed by the Trustee, shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until such certificate of authentication on such Bond shall have been duly executed by the Trustee, and such certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Trustee shall note, with respect to each Bond to be authenticated under this Indenture in the space provided in the certificate of authentication for such Bond, the date of the authentication and delivery of such Bond. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds.

**Section 2.7. Additional Bonds.**

(a) So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance for the purpose of: (i) financing Facilities in connection with the Program; (ii) providing funds to repair, relocate, replace, rebuild or restore an affected Facility in the event of damage, destruction or taking by eminent domain; (iii) providing additions, rehabilitation or recreational facilities to one or more Facilities, provided such additions, rehabilitation or recreational facilities constitute a "project" under the Syracuse Schools Act and the IDA Act; or (iv) refunding Outstanding Bonds. Such Series of Additional Bonds shall be payable from the Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture or a Series Indenture in connection therewith (except in the case of Refunding Bonds (as defined herein), the City, the SCSD and the Agency shall enter into an license agreement or lease agreement to grant an interest in the Facilities to the Agency or an amendment to the License, as applicable, and the Agency and each of the School Parties shall

enter into an amendment to the Installment Sale Agreement to subject the Facility(ies) to the Installment Sale Agreement and to provide, among other things, that the Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the Bonds, including such Series of Additional Bonds. In addition, each of the School Parties and the Agency shall enter into an amendment to the Tax Compliance Documents.

(b) Each such Series of Additional Bonds shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Additional Bonds, they shall be made available by the Trustee for pick-up by the order of the purchaser or purchasers thereof, but only upon receipt by the Trustee of:

(1) a copy of the resolution, duly certified by the Secretary of the Agency, authorizing, issuing and awarding the Additional Bonds to the purchaser or purchasers thereof and providing the terms thereof and authorizing the execution of any Supplemental Indenture or Series Indenture and any amendments of or supplements to the Tax Certificate, the License and the Installment Sale Agreement;

(2) original executed counterparts of the Supplemental Indenture or Series Indenture and an amendment of or supplement to the License and the Installment Sale Agreement, expressly providing that, to the extent applicable, for all purposes of the Supplemental Indenture or Series Indenture, the License and the Installment Sale Agreement, the Facilities referred to therein and the premises licensed pursuant to the License, as applicable, and sold under the Installment Sale Agreement, shall include the buildings, structures, improvements, machinery, equipment or other facilities being financed, and the Bonds referred to therein shall mean and include the Additional Bonds being issued as well as the Bonds now being issued and any Additional Bonds theretofore issued;

(3) a written opinion by Nationally Recognized Bond Counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized, that all conditions precedent to the delivery thereof have been fulfilled, and that the issuance of the Additional Bonds will not cause the interest on any Series of Bonds Outstanding to become includable in gross income for federal income tax purposes;

(4) except in the case of Refunding Bonds (defined below) refunding all Outstanding Bonds, a certificate of an Authorized Representative of each of the School Parties to the effect that the License, the Arbitrage and Use of Proceeds Certificate and the Installment Sale Agreement continue in full force and effect and that there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default;

(5) to the extent applicable those documents required under the Installment Sale Agreement;

(6) an original, executed counterpart of the amendment, if any, to the Tax Compliance Documents; and

(7) a written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for pick-up the Series of Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price therein specified, plus accrued interest, if any.

(c) (1) Upon the request of the JSCB, one or more Series of Additional Bonds may be authenticated and made available for pick-up upon original issuance to refund (“**Refunding Bonds**”) all Outstanding Bonds or any Series of Outstanding Bonds or any part of one or more Series of Outstanding Bonds. Bonds of a Series of Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of this Indenture and of the resolution authorizing said Series of Refunding Bonds. In the case of the refunding under this Section 2.7 of less than all Bonds Outstanding of any Series or of any maturity within such Series, the Trustee shall proceed to select such Bonds in accordance with Section 6.2 hereof.

(2) Refunding Bonds may be authenticated and made available for delivery only upon receipt by the Trustee (in addition to the receipt by it of the documents required by Section 2.7(b) hereof, as may be applicable) of:

(A) Irrevocable instructions from the Agency to the Trustee, satisfactory to it, to give due notice of redemption pursuant to Section 6.3 hereof to the Holders of all the Outstanding Bonds to be refunded prior to maturity on the redemption date specified in such instructions; and

(B) Either:

(i) moneys in an amount sufficient to effect payment at maturity or upon redemption at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which moneys shall be held by the Trustee or any Paying Agent in a separate account irrevocably in trust for and assigned to the respective Holders of the Outstanding Bonds being refunded, or

(ii) Defeasance Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of Section 10.1 hereof, and any moneys required pursuant to said Section (with respect to all Outstanding Bonds or any part of one or more series of Outstanding Bonds being

refunded), which Defeasance Obligations and moneys shall be held in trust and used only as provided in said Section 10.1.

(3) The City shall furnish to the Trustee and the Agency at the time of delivery of the Series of Refunding Bonds a certificate of an independent certified public accountant stating that the Trustee and/or the Paying Agent (and/or any escrow agent as shall be appointed in connection therewith) hold in trust the moneys or such Defeasance Obligations and moneys required to effect such payment at maturity or earlier redemption.

(d) Each Series of Additional Bonds issued pursuant to this Section shall be equally and ratably secured under this Indenture with the Series 2017 Bonds and all other Series of Additional Bonds, if any, issued pursuant to this Section, without preference, priority or distinction of any Bond over any other Bonds except as expressly provided in or permitted by this Indenture.

(e) Notwithstanding anything herein to the contrary no Series of Additional Bonds shall be issued unless the State Aid Depository Agreement, the Tax Compliance Documents and the Installment Sale Agreement are in effect and at the time of issuance there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default. Each Series of Additional Bonds shall be designated by name and by Series and shall have separate funds and accounts.

**Section 2.8. Limitation of Agency's Liability.** Anything in this Indenture, the Bonds, the Installment Sale Agreement or any other Project Document to the contrary notwithstanding, any obligations of the Agency under this Indenture or the Bonds or under the Installment Sale Agreement or under any other Project Document or related document for the payment of money shall not create a debt of the State or the City and neither the State nor the City shall be liable on any obligation so incurred, but any such obligation shall be a special obligation of the Agency secured and payable solely as provided in this Indenture.

### **Section 2.9. Book-Entry Bonds.**

(a) Except as provided in subsection (c) below, the Holder of all of the Series 2017 Bonds shall be DTC (the "**Securities Depository**") and the Series 2017 Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Series 2017 Bonds registered in the name of Cede & Co. shall be made by wire transfer of New York Clearing House or equivalent same day funds to the account of Cede & Co. on the Interest Payment Date for the Series 2017 Bonds at the address indicated for Cede & Co. in the registration books of the Agency kept by the Trustee. It is anticipated that during the term of the Series 2017 Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, Redemption Price of and interest on the Series 2017 Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in paragraph (c) below.

(b) The Series 2017 Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity of the Series 2017 Bonds. Upon

initial issuance, the ownership of such Series 2017 Bonds shall be registered in the registration books of the Agency kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee, the Bond Registrar, the Paying Agent and the Agency shall treat DTC (or its nominee) as the sole and exclusive Holder of the Series 2017 Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Series 2017 Bonds, selecting the Series 2017 Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Holders of Series 2017 Bonds under this Indenture, registering the transfer of Series 2017 Bonds, obtaining any consent or other action to be taken by Holders of the Series 2017 Bonds and for all other purposes whatsoever; and neither the Trustee, the Bond Registrar, the Paying Agent, the School Parties, nor the Agency shall be affected by any notice to the contrary. Neither the Trustee, the Bond Registrar, the Paying Agent nor the Agency shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Series 2017 Bonds under or through DTC or any Participant, or any other Person which is not shown on the registration books of the Trustee as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2017 Bonds; any notice which is permitted or required to be given to Bondholders under this Indenture or any other Security Documents; the selection by DTC or any Participant of any Person to receive payment in the event of a partial redemption of the Series 2017 Bonds; or any consent given or other action taken by DTC as Bondholder. The Trustee shall pay all principal of, redemption premium, if any, and interest on the Series 2017 Bonds only to or "upon the order of" (as that term is used in the Uniform Commercial Code as adopted in the State) DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Agency's obligations with respect to the principal of, and redemption premium, if any, and interest on the Series 2017 Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (c) below, no Person other than DTC shall receive an authenticated Series 2017 Bonds certificate evidencing the obligation of the Agency to make payments of principal of, and redemption premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Bonds, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event the Agency determines that it is in the best interest of the Beneficial Owners that they be able to obtain Series 2017 Bonds certificates, the Agency may notify DTC and the Trustee, whereupon DTC will notify the Participants, of the availability through DTC of Series 2017 Bonds certificates. In such event, the Trustee shall issue, transfer and exchange Series 2017 Bonds certificates as requested by DTC in appropriate amounts within the guidelines set forth in this Indenture. DTC may determine to discontinue providing its services with respect to the Series 2017 Bonds at any time by giving written notice to the Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Agency and the Trustee shall be obligated to deliver Series 2017 Bonds certificates as described in this Indenture. In the event Series 2017 Bonds certificates are issued, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the Agency and the Trustee to do so, the Agency will direct the Trustee (at the sole cost

and expense of the SCSD) to cooperate with DTC in taking appropriate action after reasonable notice: (i) to make available one or more separate certificates evidencing the Series 2017 Bonds to any DTC Participant having Series 2017 Bonds credited to its DTC account; or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2017 Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2017 Bonds is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, and redemption premium, if any, and interest on such Series 2017 Bonds and all notices with respect to such Series 2017 Bonds shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture or any other Security Document by the Agency or the Trustee with respect to any consent or other action to be taken by Bondholders, the Agency or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to DTC shall be given only when DTC is the sole Bondholder.

(f) NEITHER THE AGENCY, THE SCHOOL PARTIES NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2017 BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2017 BONDS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2017 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE SERIES 2017 BONDHOLDERS OR REGISTERED HOLDERS OF THE SERIES 2017 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2017 BONDS.

(g) For so long as the Holder of all of the Series 2017 Bonds shall be DTC, and all Series 2017 Bonds shall be registered in the name of Cede & Co. as nominee for DTC, only DTC may tender Series 2017 Bonds upon redemption or retirement.

(h) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City, with the consent of the Agency, which shall not be unreasonably withheld, may appoint a

successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Series 2017 Bond or Bonds for cancellation shall cause the delivery of Series 2017 Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

### ARTICLE III

Bonds authenticated prior to the first Interest Payment Date shall bear interest from their date. The Bonds may in addition contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Indenture as may be necessary or desirable to comply with custom or otherwise as may be determined by the Agency prior to the delivery thereof.

**Section 3.4. Medium of Payment.** The principal or Redemption Price, if any, of, and interest on the Bonds shall be payable in any coin or currency of the United States of America which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts. Such payment may be made as provided in Section 2.2 hereof.

**Section 3.5. Bond Details.** Subject to the provisions hereof, the Bonds shall be dated, shall mature in such years and such amounts, shall bear interest at such rate or rates per annum, shall be subject to redemption on such terms and conditions and shall be payable as to principal or Redemption Price, if any, and interest at such place or places as shall be specified in this Indenture. All Bonds of a Series maturing in any particular year shall bear interest at the same rate or rates per annum.

**Section 3.6. Interchangeability, Transfer and Registry.**

(a) Each Bond shall be transferable only upon compliance with the restrictions on transfer set forth on such Bond and only upon the books of the Agency, which shall be kept for the purpose at the principal office of the Trustee, by the registered owner thereof in person or by his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, upon presentation thereof together with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact with signature guaranteed. Upon the transfer of any Bond, the Trustee shall prepare and issue in the name of the transferee one or more new Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

(b) Any Bond, upon surrender thereof at the corporate trust office of the Trustee with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, may, at the option of the owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity of any other authorized denominations. However, the Trustee will not be required to (i) transfer or exchange any Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Bonds to be redeemed, or (ii) transfer or exchange any Bonds selected, called or being called for redemption in whole or in part.

(c) The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent shall deem and treat the Person in whose name any Bond shall be registered as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of, and interest on such Bond and for all other purposes, and all payments made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Agency, the School Parties,

the Bond Registrar, the Trustee nor any Paying Agent shall be affected by any notice to the contrary.

**Section 3.7. Bonds Mutilated, Destroyed, Stolen or Lost.** In case any Bond shall become mutilated or be destroyed, stolen or lost, the Agency shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity and unpaid principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and in substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence reasonably satisfactory to it that such Bond has been destroyed, stolen or lost, and upon furnishing the Agency and the Trustee with indemnity (an undertaking from an insurance company acceptable to the Trustee and the Agency) satisfactory to the Trustee and to the Agency and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Agency and the Trustee may incur. All Bonds so surrendered to the Trustee shall be cancelled by it. Every new Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is destroyed, lost or stolen, shall, with respect to such Bond, constitute an additional contractual obligation of the Agency whether or not the destroyed, lost or stolen Bond shall be found and shall be enforceable at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. In the event any such destroyed, stolen or lost Bond shall have matured, or be about to mature, the Agency may, instead of issuing a new Bond, cause the Trustee to pay the same without surrender thereof upon compliance with the condition in the first sentence of this Section out of moneys held by the Trustee and available for such purpose. All Bonds shall be held and owned upon the express condition (to the extent lawful) that the foregoing provisions are exclusive with respect to the replacement or payment of any mutilated, destroyed or lost or stolen Bond and shall preclude any and all other rights and remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**Section 3.8. Cancellation and Destruction of Bonds.** All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds shall thereupon be promptly cancelled. Bonds so cancelled shall be destroyed by the Trustee.

**Section 3.9. Requirements With Respect to Transfers.** In all cases in which the privilege of transferring Bonds is exercised, the Agency shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such transfer shall forthwith be cancelled by the Trustee. For every such transfer of Bonds, the Agency or the Trustee may, as a condition precedent to the privilege of making such transfer, make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such transfer, which sum or sums shall be paid by the Person requesting such transfer.

**Section 3.10. Bond Registrar.** The Trustee shall also be Bond Registrar for the Bonds, and shall maintain a register showing the names of all registered Holders of Bonds, Bond numbers and amounts, and other information appropriate to the discharge of its duties hereunder.

The Trustee shall make available to the City and the SCSD for its inspection during normal business hours the registration books for the Bonds, as may be requested by the City and the SCSD in connection with any purchase or tender offer by one or both of them with respect to the Bonds.

The appointment by the Agency of the Trustee as agent as above-described shall be deemed a non-exclusive but irrevocable appointment (coupled with an interest) and the Agency may appoint any other Series Trustee to similar purpose under the related Series Indenture. The Trustee hereby accepts such agency and agrees so to act on behalf of the Agency. Notwithstanding anything to the contrary contained herein, any amounts of such state and/or school aid received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Agency.

The Agency covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of under the Syracuse Schools Act of state and/or school aid payable to the City or SCSD than the pledge effected pursuant to this Indenture; provided, however, that nothing contained in this Indenture shall be deemed (y) to limit or deny the ability of the Agency or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge such State Aid to Education on a parity with the pledge effected under this Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under this Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

**Section 5.5 Reserved.**

**Section 5.6. Application of Bond Fund.**

(b) The Trustee shall on each principal payment date on the Bonds pay or cause to be paid to the respective Paying Agents therefor out of the Principal Account of the Bond Fund, the principal amount, if any, due on the Bonds, upon the presentation and surrender

Any Bonds purchased in lieu of a mandatory redemption shall be surrendered to the Trustee for cancellation. Any amount in the Redemption Account not so applied to the purchase of Bonds by forty-five (45) days prior to the next date on which the Bonds are so redeemable shall be applied to the redemption of Bonds on such redemption date; provided that if such amount aggregates less than \$5,000, it need not be then applied to such redemption. Any amounts deposited in the Redemption Account and not applied within twelve (12) months of their date of deposit to the purchase or redemption of Bonds (except if held in accordance with Section 10.1 hereof) shall be transferred to the Interest Account. The Bonds to be purchased or redeemed shall be selected by the Trustee in the manner provided in Section 6.2 hereof. Amounts in the Redemption Account to be applied to the redemption of Bonds shall be paid to the respective Paying Agents on or before the redemption date and applied by them on such redemption date to the payment of the Redemption Price of the Bonds being redeemed plus interest on such Bonds accrued to the redemption date (accrued interest on such Bonds being payable from the Interest Account of the Bond Fund).

#### **Section 5.7. Investment of Funds and Accounts.**

(a) Amounts in the Bond Fund, the Project Fund, the Refunded Proceeds Fund and the Rebate Fund, may, if and to the extent then permitted by law, be invested only in Qualified Investments. Any investment herein authorized is subject to the condition that no portion of the proceeds derived from the sale of the Bonds shall be used, directly or indirectly, in such manner as to cause any Bond to be an "arbitrage bond" within the meaning of Section 148

of the Code. Such investments shall be made by the Trustee only at the written request of an Authorized Representative of the City. Any investment hereunder shall be made in accordance with the Tax Compliance Documents, and the City shall so certify to the Trustee with each such investment direction as referred to below. Such investments shall mature in such amounts and at such times as may be necessary to provide funds when needed to make payments from the applicable Fund. Net income or gain received and collected from such investments shall in the case of the Project Fund, the Refunded Proceeds Fund or the Bond Fund, be credited and losses charged to such Fund, as applicable, subject however to Section 5.11 hereof.

(b) Upon timely request of an Authorized Representative of the City, the Trustee shall notify the City ten (10) days prior to each Installment Purchase Payment Date under the Installment Sale Agreement of the amount of such net investment income or gain received and collected subsequent to the last such Installment Purchase Payment and the amount then available in the Project Fund, the Refunded Proceeds Fund and in each Account of the Bond Fund.

(c) Upon the written direction of an Authorized Representative of the City, the Trustee shall sell at the best price reasonably obtainable, or present for redemption or exchange, any obligations in which moneys shall have been invested to the extent necessary to provide cash in the respective Funds or Accounts, to make any payments required to be made therefrom, or to facilitate the transfers of moneys or securities between various Funds and Accounts as may be required from time to time pursuant to the provisions of this Article. The Trustee shall not be liable for any losses incurred as a result of actions taken in good faith in accordance with this Section 5.7(c). As soon as practicable after any such sale, redemption or exchange, the Trustee shall give notice thereof to the Agency and the City.

(d) In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at fair market value as determined by the Trustee on the last Business Day of each October.

The fair market value of Qualified Investments shall be determined as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in *The New York Times*), the average bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or as quoted in the Interactive Data Service; and

(3) as to certificates of deposit and bankers acceptances and other investments, the face amount thereof, plus accrued interest.

If more than one provision of this definition of “fair market value” shall apply at any time to any particular investment, the fair market value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment.

(e) Neither the Trustee nor the Agency shall be liable for any loss arising from, or any depreciation in the value of any obligations in which moneys of the Funds and Accounts shall be invested. The investments authorized by this Section 5.7 shall at all times be subject to the provisions of applicable law, as amended from time to time.

**Section 5.8. Moneys to Be Held in Trust.** All moneys required to be deposited with or paid to the Trustee for the credit of any Fund or Account under any provision of this Indenture (excluding the Rebate Fund) and all investments made therewith shall be held by the Trustee in trust for the benefit of the Bondholders and while held by the Trustee constitute part of the Trust Estate, and be subject to the lien hereof. Moneys held by the Depository Bank under the State Aid Depository Agreement are not part of the Trust Estate unless and until the same are transferred to the Trustee for deposit in the Bond Fund in accordance with the State Aid Depository Agreement. Moneys held by the Trustee in the Rebate Fund are not part of the Trust Estate nor subject to the lien hereof.

**Section 5.9. Repayment to the City for Benefit of SCSD from the Funds.** After payment in full of the Bonds (in accordance with Section 10.1 hereof) and the payment of all fees, charges and expenses of the Agency, the Trustee, the Bond Registrar and the Paying Agents and all other amounts required to be paid hereunder and under each of the Security Documents, and the payment of any amounts are required to be rebated to the federal government pursuant to this Indenture and the Tax Compliance Documents, all amounts remaining in the Project Fund and the Bond Fund shall be paid to the City for the benefit of the SCSD upon the expiration or sooner or later termination of the term of the Installment Sale Agreement.

**Section 5.10. Non-presentment of Bonds.** In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, and funds sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liability of the Agency to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to pay such funds to the Person entitled thereto or if the Person is not known to the Trustee, to hold such funds, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond. Funds remaining with the Trustee as above and unclaimed for the earlier of two (2) years or the applicable statutory escheat period shall be paid to the City for the benefit of the SCSD. After the payment of such unclaimed moneys to the City, the Holder of such Bond shall thereafter look only to the City for the payment thereof, and all obligations of the Trustee or such Paying Agent with respect to such moneys shall thereupon cease.

**Section 5.11. Payments into Rebate Fund; Application of Rebate Fund.**

(a) The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bondholder or any other Person.

(b) The Trustee, following the receipt of a certificate of written direction from an Authorized Representative of the City pursuant to the Tax Compliance Documents, shall deposit in the Rebate Fund that amount from the Project Fund as shall be so specified in such certificate of written direction as necessary to satisfy the requirements of the Tax Compliance Documents. In the case of the Project Fund, the City shall so direct the Trustee no less frequently than quarterly, until the Trustee shall receive the Project Fund Sufficiency Certificates as to all funded Accounts of the Project Fund and no less frequently than semi-annually thereafter.

(c) In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Requirement as determined in accordance with the Tax Compliance Documents, the Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall withdraw such excess amount and deposit it (i) to any Account of the Project Fund with respect to which no Project Fund Sufficiency Certificate shall yet have been delivered, or (ii) to the Interest Account of the Bond Fund, as the City shall determine.

(d) The Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall pay to the United States, out of amounts in the Rebate Fund: (i) not less frequently than once each five (5) years after the date of original issuance of each Series of the Bonds, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Requirement with respect to such Series of Bonds as of the date of such payment; and (ii) notwithstanding the provisions of Section 10.1 hereof, not later than thirty (30) days after the date on which all Bonds have been paid in full, one hundred percent (100%) of the Rebate Requirement as of the date of payment.

(e) The Trustee shall have no obligation under this Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from an Authorized Representative of the City to make such transfer.

## ARTICLE VI

### REDEMPTION OF BONDS

**Section 6.1. Privilege of Redemption and Redemption Price.** Bonds or portions thereof subject to redemption prior to maturity shall be redeemable, upon mailed notice as provided in this Article, at the times, at the Redemption Prices and upon such terms in addition to and consistent with the terms contained in this Article as shall be specified in Section 2.3 of this Indenture and in said Bonds.

**Section 6.2. Selection of Bonds to Be Redeemed.** In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of a Series of Bonds in accordance with Section 2.3(b) hereof, the Authorized Representative of the City shall select the Bonds to be redeemed only (x) in inverse order of maturity, or (y) proportionately to each Outstanding maturity of such Series of Bonds. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for: (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption; and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 6.3. Notice of Redemption.** When redemption of any Bonds is requested or required pursuant to this Indenture, the Trustee shall give notice of such redemption in the name of the Agency, specifying the name of the Series, CUSIP number, Bond numbers, the date of original issue of such Series, the date of mailing of the notice of redemption, maturities, interest rates and principal amounts of the Bonds or portions thereof to be redeemed, the redemption date, the Redemption Price, and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at the Trustee) and specifying the principal amounts of the Bonds or portions thereof to be payable and, if less than all of the Bonds of any maturity are to be redeemed, the numbers of such Bonds or portions thereof to be so redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond or portion thereof to be redeemed the Redemption

Price thereof together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice may set forth any additional information relating to such redemption. The Trustee, in the name and on behalf of the Agency: (i) shall mail a copy of such notice by first class mail, postage prepaid, not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption, to the registered owners of any Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration books, but any defect in such notice shall not affect the validity of the proceedings for the redemption of such Series of Bonds with respect to which proper mailing was effected; and (ii) cause notice of such redemption to be sent to Electronic Municipal Market Access (“EMMA”) or, if EMMA is no longer operational, another similar national information service that disseminates redemption notices. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. In the event of a postal strike, the Trustee shall give notice by other appropriate means selected by the Trustee in its discretion.

If notice of redemption shall have been given as aforesaid, the Bonds of such Series called for redemption shall become due and payable on the redemption date, provided, however, that with respect to any optional redemption of the Bonds of a Series, such notice may state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Bonds of such Series to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem the Bonds of such Series. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of the Bonds of such Series so called for redemption at the place or places of payment, such Series of Bonds shall be redeemed.

#### **Section 6.4. Payment of Redeemed Bonds.**

(a) Notice having been given in the manner provided in Section 6.3 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption dates so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date: (i) interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable; (ii) the Bonds or portions thereof so called for redemption shall cease to be entitled to any lien, benefit or security under this Indenture; and (iii) the Holders of the Bonds or portions thereof so called for redemption shall have no rights in respect thereof, except to receive payment of the Redemption Price together with interest accrued to the redemption date. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(b) Payment of the Redemption Price plus interest accrued to the redemption date shall be made to or upon the order of the registered owner only upon presentation of such Bonds for cancellation and exchange as provided in Section 6.5 hereof; provided, however, that any Holder of at least \$1,000,000 in aggregate principal amount of Bonds may, by written request to the Trustee, direct that payments of Redemption Price and accrued interest to the date of redemption be made by wire transfer as soon as practicable in federal funds at such wire transfer address as the owner shall specify to the Trustee in such written request.

**Section 6.5. Cancellation of Redeemed Bonds.**

(a) All Bonds redeemed in full under the provisions of this Article, or purchased in lieu of mandatory redemption, shall forthwith be cancelled and destroyed and no Bonds shall be executed, authenticated or issued hereunder in exchange or substitution therefor, or for or in respect of any paid portion of a Bond.

(b) If there shall be drawn for redemption less than all of a Bond, as described in Section 6.2 hereof, the Agency shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds of like Series and maturity in any of the authorized denominations.

**Section 6.6 No Partial Redemption After Default.** Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default hereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption pursuant to Section 2.3(b) hereof unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of proceeds described in Section 2.3(b) hereof shall not have an adverse effect on the tax-exempt status of interest on the Bonds.

## ARTICLE VII

### PARTICULAR COVENANTS

**Section 7.1. Agency's Obligations Not to Create a Pecuniary Liability.** Each and every covenant herein made, including all covenants made in the various sections of this Article VII, is predicated upon the condition that any obligation for the payment of money incurred by the Agency shall not create a debt of the State nor the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor but shall be payable by the Agency solely from the Installment Purchase Payments pledged to the payment thereof in the manner and to the extent in this Indenture specified and nothing in the Bonds, in the Installment Sale Agreement, in this Indenture or in any other Project Document shall be considered as pledging any other funds or assets of the Agency.

**Section 7.2. Payment of Principal and Interest.** The Agency covenants that it will from the sources herein contemplated promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in this Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon or hereunder against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor. The Agency shall not be required under this Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

**Section 7.3. Performance of Covenants; Authority.** The Agency covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto. The Agency covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act and the Syracuse Schools Act, to issue the Bonds authorized hereby and to execute this Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture have been

duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Agency according to the import thereof.

**Section 7.4. Books and Records; Certificate as to Defaults.** The Agency and the Trustee each covenants and agrees that, so long as any of the Bonds shall remain Outstanding, proper books of record and account will be kept showing complete and correct entries of all transactions relating to the Series 2017 Project and the Facilities, and that the School Parties and the Holders of any of the Bonds shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. In this regard, so long as the Installment Sale Agreement is in full force and effect, records furnished by the Agency, and the School Parties to, or kept by, the Trustee in connection with its duties as such shall be deemed to be in compliance with the Agency's obligations under this Section 7.4. Within thirty (30) days after receiving the certificate from School Parties as provided in Section 7.16(a) of the Installment Sale Agreement, the Trustee shall render to the Agency and the City a statement that moneys received by the Trustee pursuant to the Installment Sale Agreement were applied by it to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds, at the place, on the dates and in the manner provided in this Indenture and that the Trustee has no knowledge of any defaults under this Indenture or the Installment Sale Agreement or any other Security Document or specifying the particulars of such known defaults which may exist.

**Section 7.5. The Installment Sale Agreement.** It is understood and agreed that the Agency's interest in the Facilities has been sold to the City under the License and the SCSD under the Installment Sale Agreement. An executed copy of the Installment Sale Agreement will be on file in the office of the Agency and in the principal corporate trust office of the Trustee. Reference is hereby made to the Installment Sale Agreement for a detailed statement of the terms and conditions thereof and for a statement of the rights and obligations of the parties thereunder. All covenants and obligations of the School Parties under the Installment Sale Agreement shall be enforceable either by the Agency or by the Trustee, to whom, in its own name or in the name of the Agency, is hereby granted the right, to the extent provided therefor in this Section 7.5 and subject to the provisions of Section 9.2 hereof, to enforce all rights of the Agency and all obligations of the School Parties under the Installment Sale Agreement, whether or not the Agency is enforcing such rights and obligations. The Trustee shall take such action in respect of any matter as is provided to be taken by it in the Installment Sale Agreement upon compliance or noncompliance by the School Parties and the Agency to the same.

**Section 7.6. Creation of Liens; Indebtedness; Sale of Facilities.** Except to the extent contemplated in the last paragraph of Section 5.4 hereof with respect to the issuance of Project Bonds under a Series Indenture other than this Indenture, the Agency shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by this Indenture, the Pledge and Assignment, and the Installment Sale Agreement. The Agency further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under this Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Agency shall have no pecuniary liability for its covenants set forth in this Indenture, including under this Section 7.6.

**Section 7.7. Instruments of Further Assurance.** The Agency covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the property described herein, subject to the liens, pledge and security interests of this Indenture and the Installment Purchase Payments pledged hereby to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien, pledge and security interest hereof shall ipso facto, and without any further conveyance, assignment or act on the part of the Agency or the Trustee, become and be subject to the liens, pledge and security interests of this Indenture as fully and completely as though specifically described herein and therein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Agency heretofore made by this Section 7.7.

**Section 7.8. Recording and Filing.** The Pledge and Assignment shall be recorded and filed by the Agency in the appropriate office of the Clerk of Onondaga County, New York or in such other office as may be at the time provided by law as the proper place for the recordation thereof. The security interest of the Trustee created by this Indenture in the property, rights and interests herein and therein described, shall be perfected by the filing by the Agency in the office of the Secretary of State of the State in the City of Albany, New York, and in the office of such Clerk, of financing statements which fully comply with the New York State Uniform Commercial Code-Secured Transactions. This Indenture and the Pledge and Assignment shall be re-recorded, re-filed and re-indexed at the written direction of the City whenever in the Opinion of Counsel such action is necessary to preserve the lien and security interest hereof; and in addition, such financing or continuation statements as in the Opinion of Counsel become necessary to preserve the lien and security interest of this Indenture shall be filed by the Trustee at the written direction of the City in said office of the Secretary of State and in the office of such Clerk. Any such re-recordings, re-indexings, filings or re-filings shall be prepared by the City and accompanied with any fees or requisite charges.

The Agency and the Trustee mutually covenant and agree to take such action (including, as applicable, the filing of all New York State Uniform Commercial Code-Secured Transactions financing statements and continuation statements thereof) in accordance with the aforesaid direction of the City as shall be necessary from time to time to preserve the priority of the pledge by the Indenture of the Trust Estate under applicable law. Any action taken by the Agency under this Section 7.8 shall be taken only upon the request of the Trustee and at no cost to the Agency.

All costs (including reasonable attorneys' fees) incurred in connection with the effecting of the requirements specified in this Section shall be paid by the City and/or the SCSD.

**Section 7.9. Records Held by the Trustee.** Upon reasonable written request, the Trustee shall make available to the School Parties for its inspection during normal business hours, its records with respect to the Series 2017 Project and the Facilities.

**Section 7.10. Agency Tax Covenant.** The Agency covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Agency and the only remedy to which the Agency shall be subject shall be specific performance.

**Section 7.11. Annual Report of Trustee.** Within thirty (30) days after the end of each calendar year, the Trustee shall deliver to the Agency a statement of the payment status of the Bonds effective as of February 28 of the calendar year just ended, which statement shall include the then current principal balance of the Bonds, the interest rate accruing thereon, an amortization schedule for the repayment of the balance of the Bonds and such other information as the Agency may reasonably require.

## **ARTICLE VIII**

### **EVENTS OF DEFAULT; REMEDIES OF BONDHOLDERS**

**Section 8.1. Events of Default; No Acceleration of Due Date.**

(a) Each of the following events is hereby defined as and shall constitute an “Event of Default”:

(1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;

(2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Agency to observe or perform any covenant, condition or agreement in the Bonds or hereunder on its part to be performed (except as set forth in Section 8.1(a)(1) or (2) hereof) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Agency and the School Parties of written notice specifying the nature of such default from the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Agency or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same; and

(4) The occurrence of an “Event of Default” under Section 8.1(c) of the Installment Sale Agreement.

(b) In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in this Indenture or in any of the Bonds contained to the contrary notwithstanding.

(c) In determining whether any event constitutes an Event of Default under clauses (1) or (2) of Section 8.1(a) above, no effect shall be given to payments made under the Bond Insurance Policy.

## **Section 8.2. Enforcement of Remedies.**

(a) Subject to Section 8.1(b) hereof, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, this Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in this Indenture or in any other Security Document or in aid of the execution of any power granted in this Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under this Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee hereunder or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

(b) In the enforcement of any right or remedy under this Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Agency, for principal, interest, Redemption Price, or otherwise, under any of the provisions of this Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under this Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Agency, but solely as provided in this Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in this Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Agency or their creditors or property.

(c) Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Holders of over twenty-five percent (25%) in aggregate principal

amount of the Bonds then Outstanding and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture or under any other Security Document by any acts which may be unlawful or in violation of this Indenture or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be otherwise than in accordance with the provisions of law and of this Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

### **Section 8.3. Application of Revenues and Other Moneys After Default.**

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to Section 9.4 hereof, as follows:

*First:* To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

*Second:* To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this Section 8.3(a), *second*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Documents, *third*, to satisfy any obligation of the SCSD under Section 4.3 of the Installment Sale Agreement, *fourth*, to satisfy any obligation of the JSCB and the SCSD under Section 5.5 of the Installment Sale Agreement, and *fifth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing contained in this Section 8.3 shall be deemed to modify the

application of state and/or school aid payable to the City or the SCSD pursuant to Section 5.4 hereof.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 8.4. Actions by Trustee.** All rights of actions under this Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 8.3 hereof, be for the equal benefit of the Holders of the Outstanding Bonds.

**Section 8.5. Majority Bondholders Control Proceedings.** The Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

**Section 8.6. Individual Bondholder Action Restricted.**

(a) No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of this Indenture or of any other Security Document or the execution of any trust under this Indenture or for any remedy under this Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in this Article, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their

action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and, subject to the provisions of Sections 8.3 and 8.5 hereof, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

(b) Nothing in this Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Agency to pay the principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

**Section 8.7. Effect of Discontinuance of Proceedings.** In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Agency, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights hereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.8. Remedies Not Exclusive.** No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under this Indenture or now or hereafter existing at law or in equity or by statute.

**Section 8.9. Delay or Omission.** No delay or omission of the Trustee, of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Trustee, the Bond Insurer and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee, by the Bondholders.

**Section 8.10. Notice of Default.** The Trustee shall promptly mail to the Agency, to registered Holders of Bonds and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this Section.

**Section 8.11. Waivers of Default.** The Trustee shall waive any default hereunder and its consequences only upon the written request of the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all

arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Agency, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

**ARTICLE IX**  
**TRUSTEE AND PAYING AGENTS**

**Section 9.1. Appointment and Acceptance of Duties.**

(a) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Trustee. The Trustee shall signify its acceptance of the duties and obligations of the Trustee hereunder and under each Security Document by executing this Indenture and agrees to perform said trusts as a corporate trustee ordinarily would under a corporate mortgage subject to the express terms and conditions herein. All provisions of this Article IX shall be construed as extending to and including all the rights, duties and obligations imposed upon the Trustee under the Installment Sale Agreement and under any other Security Document to which it shall be a party as fully for all intents and purposes as if this Article IX were contained in the Installment Sale Agreement and each such other Security Document.

(b) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Paying Agent for the Bonds. The Agency may also from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 9.9 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Agency, and in the case of all Paying Agents other than the Trustee, to the Trustee a written acceptance thereof. The principal offices of the Paying Agents are designated as the respective offices or agencies of the Agency for the payment of the principal or Redemption Price, if any, of, and interest on the Bonds.

**Section 9.2. Indemnity.** The Trustee shall be under no obligation to institute any suit, or to take any remedial action under this Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers under this Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

**Section 9.3. Responsibilities of Trustee.**

(a) The Trustee shall have no responsibility in respect of the validity or sufficiency of this Indenture or of any other Security Document or the security provided hereunder or thereunder or the due execution of this Indenture by the Agency, or the due execution of any other Security Document by any party (other than the Trustee) thereto, or in respect of any interest in or the value of the Facilities, or in respect of the validity of the Bonds authenticated and delivered by the Trustee in accordance with this Indenture or to see to the recording or filing of this Indenture or any other document or instrument whatsoever except as otherwise provided in Section 7.8 hereof. The recitals, statements and representations contained in this Indenture and in the Bonds shall be taken and be construed as made by and on the part of

the Agency and not by the Trustee, and the Trustee does not assume any responsibility for the correctness of the same; provided, however, that the Trustee shall be responsible for its representation contained in its certificate on the Bonds.

(b) The Trustee shall not be liable or responsible because of the failure of the Agency to perform any act required of it by this Indenture or because of the loss of any moneys arising through the insolvency or the act or default or omission of any depository other than itself in which such moneys shall have been deposited under this Indenture or the Tax Compliance Documents. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with this Indenture or the Tax Compliance Documents or for any loss resulting from any such investment. The Trustee shall not be liable in connection with the performance of its duties under the Installment Sale Agreement, under this Indenture or the Tax Compliance Documents or under any other Security Document except for its own willful misconduct or gross negligence. The immunities and exemptions from liability of the Trustee shall extend to its directors, officers, employees, agents and servants and persons under the Trustee's control or supervision.

(c) The Trustee, prior to the occurrence of an Event of Default and after curing of all Events of Default which may have occurred, if any, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent man would exercise under the circumstances in the conduct of his own affairs. The Trustee shall not be charged with knowledge of the occurrence of an Event of Default unless, (i) the Trustee has not received payment of any amount required to be remitted to the Trustee under the Installment Sale Agreement or any other Security Document, (ii) an officer in the corporate trust department of the Trustee has actual knowledge thereof, or (iii) a Responsible Officer of the Trustee has received written notice thereof from the City and/or the SCSD, the Agency or any Bondholder.

(d) The Trustee shall execute all instruments required by it by Section 7.8 hereof at the expense of the SCSD.

(e) The Trustee shall prepare and deliver to the Depository Bank each certificate required of the Trustee pursuant to Sections 202(e) and 202(f) of the State Aid Depository Agreement. The Trustee shall otherwise comply with and perform the requirements imposed on the Trustee under the State Aid Depository Agreement.

(f) The Trustee shall on the same date as it shall render the statement required of it by Section 7.4 of this Indenture, make annual reports to the Agency and the School Parties of all moneys received and expended during the preceding year by it under this Indenture and of any Event of Default known to it under the Installment Sale Agreement or this Indenture or under any other Security Document.

(g) In performing its duties and obligations under the Tax Compliance Documents, the Trustee shall not be required to make any payment of a Rebate Requirement or

any transfer of funds or take any other action required to be taken thereunder except upon the receipt of a written certificate of direction of an Authorized Representative of the City delivered to the Trustee in accordance with the terms of the Tax Compliance Documents. Notwithstanding any provision of the Tax Compliance Documents or any other Security Document, nothing in the Tax Compliance Documents, either expressed or implied, shall be deemed to impose upon the Trustee any responsibility for the legal sufficiency of the Tax Compliance Documents to effect compliance with the Code.

**Section 9.4. Compensation.** The Trustee, the Bond Registrar and the Paying Agents shall be entitled to receive and collect from the City and/or the SCSD as provided in the Installment Sale Agreement payment or reimbursement for reasonable fees for all services rendered hereunder and under each other Security Document and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee, the Bond Registrar or the Paying Agents in connection therewith. Upon and following an Event of Default, but only while there remains an Event of Default that has not been cured or waived, the Trustee, the Bond Registrar and the Paying Agents shall have a first right of payment prior to payment on account of the principal of or interest on any Bonds, upon the revenues (but not including any amounts derived from the Bond Insurance Policy or held by the Trustee under Sections 5.4, 10.1 or 13.2 hereof) for the foregoing advances, fees, costs and expenses incurred.

**Section 9.5. Evidence on Which Trustee May Act.**

(a) In case at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action, or doing or not doing anything, as such Trustee, and in any case in which this Indenture provides for permitting or taking any action, it may rely upon any certificate required or permitted to be filed with it under the provisions of this Indenture, and any such certificate shall be evidence of such fact to protect it in any action that it may or may not take, or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact.

(b) The Trustee may conclusively rely and shall be fully protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture (except for the Trustee's own willful misconduct, unlawful conduct or gross negligence), upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or, at the sole cost and expense of the City and/or the SCSD, and upon the written opinion of any attorney (who may be an attorney for the Agency or an employee of the City and/or the SCSD), engineer, appraiser, architect or accountant believed by the Trustee to be qualified in relation to the subject matter.

**Section 9.6. Trustee and Paying Agents May Deal in Bonds.** Any national banking association, bank or trust company acting as a Trustee or Paying Agent, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds, and may join in any action which any Bondholder may be entitled to take with like effect as if such association, bank or trust company were not such Trustee or Paying Agent.

**Section 9.7. Resignation or Removal of Trustee.** The Trustee may resign and thereby become discharged from the trusts created under this Indenture for any reason by giving written notice by first class mail, postage prepaid, to the Agency, to the School Parties and to the Holders of all Bonds not less than sixty (60) days before such resignation is to take effect, but such resignation shall not take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing filed with the Trustee and signed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized. Such removal shall become effective either upon the appointment and acceptance of such appointment by a successor Trustee or at the date specified in the instrument of removal. The Trustee shall promptly give notice of such filing to the Agency and the School Parties. No removal shall take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

**Section 9.8. Successor Trustee.**

(a) If at any time the Trustee shall resign or shall be removed effective prior to the appointment and acceptance of a successor Trustee, be dissolved or otherwise become incapable of acting or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason or if the Trustee shall resign, the School Parties shall cooperate with the Agency and the Agency shall appoint a successor Trustee and shall use its best efforts to obtain acceptance of such trust by the successor Trustee within sixty (60) days from such vacancy or notice of resignation. Within twenty (20) days after such appointment and acceptance, the Agency shall notify in writing the School Parties and the Holders of all Bonds.

(b) In the event of any such vacancy or resignation and if a successor Trustee shall not have been appointed within sixty (60) days of such vacancy or notice of resignation, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, by an instrument or concurrent instruments in writing, signed by such Bondholders or their attorneys-in-fact thereunto duly authorized and filed with the Agency, may appoint a successor Trustee which shall, immediately upon its acceptance of such trusts, and without further act, supersede the predecessor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 9.8, within 120 days of such vacancy or notice of resignation, the Holder of any Bond then Outstanding, the Agency or any retiring Trustee or the School Parties may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

(c) Any Trustee appointed under this Section shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States authorized to exercise corporate trust powers under the laws of the State and authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other

Security Document. At the time of its appointment, any successor Trustee shall (y) have a capital stock and surplus aggregating not less than \$100,000,000, and (z) have an investment grade rating (y) if the Bonds are rated by Moody's, of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P. Any entity acting as successor Trustee shall also act as Depository Bank under the State Aid Depository Agreement.

(d) Every successor Trustee shall execute, acknowledge and deliver to its predecessor, and also to the Agency, an instrument in writing accepting such appointment, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor, with like effect as if originally named as such Trustee; but such predecessor shall, nevertheless, on the written request of its successor or of the Agency, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are due and payable pursuant to Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the estate, properties, rights, immunities, powers and trusts of such predecessor; and every predecessor Trustee shall deliver all property and moneys, together with a full accounting thereof, held by it under this Indenture to its successor. Should any instrument in writing from the Agency be required by any successor Trustee for more fully and certainly vesting in such Trustee the estate, properties, rights, immunities, powers and trusts vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall, on request, be executed, acknowledged and delivered by the Agency. Any successor Trustee shall promptly notify other Notice Parties of its appointment as Trustee.

(e) Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States and shall be authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act.

#### **Section 9.9. Resignation or Removal of Paying Agent; Successor.**

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' prior written notice to the other Notice Parties. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by the Agency. Any successor Paying Agent shall be appointed by the Agency, with the approval of the Trustee, and shall be a commercial bank or trust company duly organized under the laws of any state of the United States or a national banking association, having a capital stock and surplus aggregating at least \$40,000,000, having an investment grade rating (y) if the Bonds are rated by Moody's of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P, and willing and able to accept the office on

reasonable and customary terms and authorized by law and its charter to perform all the duties imposed upon it by this Indenture.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

**Section 9.10. Appointment of Co-Trustee.**

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or under any other Security Document, and in particular in case of the enforcement of any such documents on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional institution as a separate trustee or co-trustee at the expense of the City and the SCSD. The following provisions of this Section are adapted to these ends.

(b) In the event that the Trustee appoints an additional institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Such co-trustee may be removed by the Trustee at any time, with or without cause.

(c) Should any instrument in writing from the Agency be required by the separate trustee or co-trustee so appointed or removed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

**Section 9.11. Approvals or Consents by Trustee.** The Trustee shall grant no approval, request or consent under the Security Documents except at the direction of the Holders of a majority in aggregate principal amount of the affected Series of Bonds Outstanding.

**Section 9.12. Notice to Rating Agencies.** The Trustee shall provide the rating agencies, if the Bonds should be rated, with written notice, if possible, in advance or, if impossible,

promptly following, the effective date of (i) the appointment of any successor Trustee, (ii) any amendments to the Security Documents, or (iii) the redemption in whole or other payment in full of the Bonds. The Trustee agrees to inform the rating agencies of the above as a matter of courtesy and accommodation. However, the Trustee shall have no liability or obligation to the rating agencies or to any other Person in the event that it should fail to furnish any such information.

## ARTICLE X

### DISCHARGE OF INDENTURE

#### Section 10.1. Defeasance.

(a) If the Agency shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, of, interest and all other amounts due or to become due thereon or in respect thereof, at the times and in the manner stipulated therein and in this Indenture, and all fees and expenses and other amounts due and payable under this Indenture and the Installment Sale Agreement and any other amounts required to be rebated to the federal government pursuant to the Tax Compliance Documents or this Indenture, shall be paid in full or duly provided for, then the pledge of the Installment Purchase Payments under this Indenture and the estate and rights hereby granted, and all covenants, agreements and other obligations of the Agency to the Bondholders hereunder shall thereupon cease, terminate and become void and be discharged and satisfied and the Bonds shall thereupon cease to be entitled to any lien, benefit or security hereunder, except as to moneys or securities held by the Trustee or the Paying Agents as provided below in this subsection. At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSD or on its order all moneys or securities held by them pursuant to this Indenture which are not required: (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption; (ii) for the payment of all such other amounts due or to become due under the Security Documents; or (iii) for the payment of any amounts to the federal government under the Tax Compliance Documents or this Indenture.

Each valid consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient in accordance with this Indenture shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to the execution of such Supplemental Indenture.

(d) The Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Agency from executing the same or from taking any action pursuant to the provisions thereof.

(e) Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Agency, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture, subject in all respects to such modifications and amendments.

**Section 11.4. Before the Agency or the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exclusion from federal income taxation of interest on any Series of Bonds Outstanding. includable in gross income for Federal income tax purposes. If at any time the School Parties shall request the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change or modification to be mailed to the same Persons and in the same manner as is provided in Article XI hereof with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. ## PLEDGE AND ASSIGNMENT

**THIS PLEDGE AND ASSIGNMENT** dated as of April 1, 2017 (the "**Pledge and Assignment**") is from **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation, duly organized and existing under the laws of the State of New York, having its principal office at 201 East Washington Street, 7<sup>th</sup> Floor, Syracuse, New York 13202 (the "**Agency**"), to **MANUFACTURERS AND TRADERS TRUST COMPANY**, a trust company authorized under the laws of the State of New York to accept and execute trusts of the character hereinafter set forth and having its principal corporate trust office at One M & T Plaza, Buffalo, New York 14203, as trustee (with its successors in trust and assigns, the "**Trustee**") for the holders of the Agency's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017, in the aggregate principal amount of \$29,260,000 (the "**Series 2017 Bonds**") issued pursuant to a certain Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (the "**Indenture**"), by and between the Agency and the Trustee.

All capitalized terms used herein, unless otherwise defined, shall have the meaning ascribed to such terms in the Indenture.

For value received, the receipt of which is hereby acknowledged, the Agency hereby pledges, assigns, transfers and sets over to the Trustee, and hereby grants the Trustee, a lien on and security interest in all of the Agency's right, title and interest in any and all moneys due or to become due and any and all other rights and remedies of the Agency under or arising out of a certain Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, by and among the Agency, the City of Syracuse (the "**City**"), the City School District of the City of Syracuse (the "**SCSD**") and the Syracuse Joint Schools Construction Board (the "**JSCB**" and together with the City and the JSCB, collectively, the "**School Parties**"), (the "**Original Agreement**"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009, by and among the Agency and the School Parties (the "**First Amended Agreement**"), as further amended by Amendment No. 2 to Installment Sale Agreement dated as of December 1, 2010, by and among the Agency and the School Parties (the "**Second Amended Agreement**"), and as further amended by Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011, by and among the Agency and the School Parties (the "**Third Amended Agreement**"), and as further amended by Amendment No. 4 to Installment Sale Agreement dated as of April 1, 2017, by and among the Agency and the School Parties (the "**Fourth Amended Agreement**" and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, collectively referred to as the "**Agreement**" or the "**Installment Sale Agreement**") covering the real property described in Schedule A attached hereto (except for Reserved Rights and the moneys and investments in the Rebate Fund), *provided, however*, that the assignment made hereby shall not permit the amendment of the Agreement without the prior written consent of the Agency.

The Trustee shall not have any obligation, duty or liability under the Agreement except as specifically set forth in the Agreement and accepted herewith, nor shall the Trustee be required or obligated in any manner to fulfill or perform any obligation, covenant, term or condition of the Agency thereunder or to make any inquiry as to the nature or sufficiency of any payment

received by it, or to present or file any claim, or to take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder at any time or times.

The Agency hereby irrevocably constitutes and appoints the Trustee its true and lawful attorney, with power of substitution for the Agency and in the name of the Agency or in the name of the Trustee, for the use and benefit of the Trustee, to ask, demand, require, receive, collect, compromise, compound and give discharges and releases of all claims for any and all moneys due or to become due under or arising out of the Agreement (except for claims relating to moneys due or to become due with respect to the Reserved Rights) and to endorse any checks and other instruments or orders in connection therewith, and, if any "Event of Default" specified in the Indenture or the Series 2017 Bonds shall occur: (a) to settle, compromise, compound and adjust any such claims (except for claims arising pursuant to the Reserved Rights); (b) to exercise and enforce any and all claims, rights, powers and remedies of the Agency under or arising out of the Agreement (except for rights of the Agency and moneys payable pursuant to the Reserved Rights); (c) to file, commence and prosecute any suits, actions and proceedings at law or in equity in any court of competent jurisdiction to collect any such sums assigned to the Trustee hereunder and to enforce any rights in respect thereto and all other claims, rights, powers and remedies of the Agency under or arising out of the Agreement (except for rights of the Agency and moneys payable pursuant to the Reserved Rights); and (d) generally to sell, assign, transfer, pledge or make any agreement with respect to and otherwise deal with any of such claims, rights, powers and remedies as fully and completely as though the Trustee was the absolute owner thereof for all purposes, and at such times and in such manner as may seem to the Trustee to be necessary or advisable in its absolute discretion.

The Agency further agrees that at any time and from time to time, upon the written request of the Trustee, and at the sole cost and expense of the SCSD, the Agency will promptly and duly execute and deliver any and all such further instruments and documents as the Trustee may deem desirable in order to obtain the full benefits of this Assignment and all rights and powers herein granted.

The Agency hereby warrants and represents: (a) that the Agreement is in full force and effect; (b) that the Agency is not in default under the Agreement; and (c) that the Agency has not assigned or pledged, and hereby covenants that it will not assign or pledge, so long as this Assignment shall remain in effect, the whole or any part of the moneys, rights or remedies hereby assigned to anyone other than the Trustee.

All moneys due and to become due to the Trustee under or pursuant to the Agreement shall be paid directly to the Trustee at One M & T Plaza, Buffalo New York 14203, or at such other address as the Trustee may designate to School Parties and the Agency in writing from time to time.

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Pledge and Assignment, the Indenture, the Series 2017 Bonds, the Agreement and the other documents and instruments connected herewith or therewith, and in any documents supplemental thereto (collectively, the "**Financing Documents**") shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any

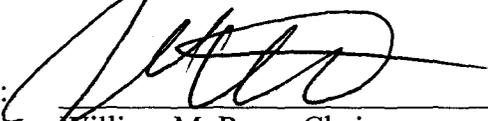

member, officer, agent (other than the JSCB), servant or employee of the Agency in his, her or its individual capacity, and no recourse under or upon any covenant, stipulation, promise, agreement or obligation in the Financing Documents contained or otherwise based upon or in respect of the Financing Documents, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, director, officer, agent (other than the JSCB), servant or employee, as such, of the Agency or of any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency, it being expressly understood that the Financing Documents are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, director, officer, agent (other than the JSCB), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person executing the Financing Documents on behalf of the Agency because of the creation of the indebtedness thereby authorized, or under or by reason of the covenants, stipulations, promises, agreements or obligations contained in the Financing Documents or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, director, officer, agent (other than the JSCB), servant or employee because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in the Financing Documents or implied therefrom, are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of the Financing Documents and the issuance of the Series 2017 Bonds.

The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York, or the City, and neither the State of New York, nor the City shall be liable thereon, and further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Facilities (except for revenues derived by the Agency with respect to the Reserved Rights).

Notwithstanding any provision of this Assignment to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless: (a) the Agency shall have been requested to do so in writing by School Parties or the Trustee; and (b) if compliance with such request is reasonably expected to result in the incurrence by the Agency or any member, director, officer, agent (other than the JSCB), servant or employee of the Agency in any liability, fees, expenses or other costs, the Agency shall have received from the School Parties or the Trustee, as the case may be, security or indemnity satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

IN WITNESS WHEREOF, the Agency has duly executed this Pledge and Assignment this 1<sup>st</sup> day of April, 2017.

## TAX CERTIFICATE

This Tax Certificate (the "*Tax Certificate*") is executed by the City of Syracuse Industrial Development Agency (the "*Issuer*") to set forth representations of fact, expectations, restrictions and covenants which are in furtherance of the covenants contained in the Indenture of Trust (Series 2017 Project) (the "*Indenture*") dated as of April 1, 2017, between the Issuer and Manufacturers and Traders Trust Company, as trustee (the "*Trustee*"). On the date hereof, the Issuer is issuing \$29,260,000 City of Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "*Bonds*"). In consideration of the covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in part pursuant to Section 1.148-2(b)(2) of the Treasury Regulations (as hereinafter defined), the Issuer hereby certifies, covenants, represents and agrees and Trustee hereby accepts as follows:

### ARTICLE I

#### IN GENERAL

**Section 1.1 General.** The Issuer is delivering this Tax Certificate (including all Exhibits hereto) to Barclay Damon, LLP ("*Bond Counsel*") with the understanding and acknowledgment that Bond Counsel will rely upon this Tax Certificate (including all Exhibits hereto) in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code (as hereinafter defined). The Issuer will acquire a license interest in certain facilities (the "*Facilities*"), which interest is being sold to the City of Syracuse (the "*City*") and the City School District of the City of Syracuse (the "*SCSD*") pursuant to the terms of an Installment Sale Agreement (Series 2008 Project) dated as of March 1, 2008 (the "*Original Installment Sale Agreement*"), as amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "*First Amendment*"), Amendment No. 2 to Installment Sale Agreement (Series 2010 Project) dated as of December 1, 2010 (the "*Second Amendment*"), Amendment No. 3 to Installment Sale Agreement (Series 2011 Project) dated as of July 1, 2011 (the "*Third Amendment*") and Amendment No. 4 to the Installment Sale Agreement (Series 2017 Project) dated as of April 1, 2017 (the "*Fourth Amendment*" and collectively with the Original Installment Sale Agreement, the First Amendment, Second Amendment and the Third Amendment, the "*Installment Sale Agreement*"), each among the Issuer, the City, the SCSD and the Syracuse Joint Schools Construction Board (the "*SJSCB*").

**Section 1.2 Authorization of Issuance.** The Bonds are being issued pursuant to the Constitution and statutes of the State of New York (the "*State*"), including particularly (A) the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, as amended (the "*Enabling Act*"); (B) Chapter 641 of the 1979 Laws of New York State, as amended (together with the Enabling Act, the "*IDA Act*"); and (C) Chapter 5 Part A-4 of the Laws of 2006 of New York State, as amended (the "*Syracuse Schools Act*").

**Section 1.3 Delivery of the Bonds.** The Bonds are being delivered to Raymond James & Associates, Inc., as representative of the underwriters (the “*Underwriter*”), on the date hereof.

**Section 1.4 Reliance on Other Parties.** The expectations of the Issuer concerning uses of the Proceeds (as hereinafter defined) of the Bonds and other matters are based in whole or in part upon representations, certifications, warranties and covenants of the SJSCB, the City and the SCSD (referred to hereinafter collectively as the “*Borrowing Entities*”) and other parties set forth in this Tax Certificate and the Exhibits hereto, including the representations of the Underwriter (as defined below) contained in **Exhibit A** hereto. To the extent that the Issuer makes any representation in this Tax Certificate concerning any action to be taken or expected to be taken by the Borrowing Entities, it does so in reliance on the representations of the respective Borrowing Entities set forth in the Tax Questionnaire completed by the Borrowing Entities and the Borrowing Entities’ Arbitrage and Use of Proceeds Certificate dated April 20, 2017 (the “*Arbitrage Certificate*”), all of which were delivered to the Issuer in connection with the issuance of the Bonds. The Issuer is not aware of any facts and circumstances that would cause it to question the accuracy or reasonableness of any representation or certification made in this Tax Certificate or the Exhibits hereto.

**Section 1.6 Definitions.** Capitalized terms used herein which are not otherwise defined herein shall have the respective meanings set forth in the Indenture or, if not defined in the Indenture, in the Arbitrage Certificate. Unless the context otherwise requires, the following capitalized terms have the following meanings for purposes of this Tax Certificate (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

“*Arbitrage Certificate*” shall mean the Arbitrage and Use of Proceeds Certificate dated April 20, 2017, executed and delivered by the SCSD, the City and the SJSCB.

“*Bond Year*” shall mean for federal tax purposes, the period beginning on the Closing Date and ending on April 20, 2022 or such other shorter period that the Issuer may select, and each successive one-year or shorter period thereafter.

“*Closing Date*” shall mean April 20, 2017, the date of initial issuance and physical delivery of the Bonds.

“*Code*” shall mean the Internal Revenue Code of 1986, as amended.

“*Eligible Gross Proceeds*” shall mean Gross Proceeds of the Bonds, excluding: (i) amounts in a bona fide debt service fund (e.g., the Bond Fund), (ii) amounts in a reasonably required reserve or replacement fund, and (iii) amounts that as of the Closing Date are not reasonably expected to be Gross Proceeds but that became Gross Proceeds after the end of the six month spending period of the Six Month Expenditure Rule.

“*Escrow Agreement*” shall mean the Refunding Escrow Trust Agreement dated as of April 1, 2017, among the Issuer, the SCSD and the Refunded Bonds Trustee.

“*Escrow Fund*” shall mean the irrevocable refunding escrow established with the Refunding Bonds Trustee under the Escrow Agreement.

“Fair Market Value” of an Investment shall have the following meanings:

(a) *In General.* Except as elsewhere specifically stated below, the Fair Market Value of an Investment is the price at which a willing buyer would purchase the Investment from a willing seller in a *bona fide*, arm’s-length transaction.

(b) *Treasury Obligation.* The Fair Market Value of a Treasury Obligation that is purchased directly from the United States Treasury is its purchase price.

(c) *Certificate of Deposit.* The Fair Market Value of a certificate of deposit with a fixed interest rate, a fixed payment schedule and a substantial penalty for early withdrawal is its purchase price, provided the Yield on the certificate of deposit is not less than (i) the Yield on reasonably comparable direct obligations of the United States, and (ii) the highest Yield published by the provider and currently available from the provider on reasonably comparable certificates of deposit offered to the public.

(d) *Guaranteed Investment Contracts and Yield Restricted Defeasance Escrows.* The Fair Market Value of a guaranteed investment contract or an investment purchased for a Yield restricted defeasance escrow is its purchase price, provided the Issuer makes a *bona fide* solicitation for such contract that satisfies all of the following requirements:

(i) The bid specifications are in writing and are timely forwarded to potential providers.

(ii) The bid specifications include all material terms of the bid; material terms are defined as terms that may directly or indirectly affect the Yield or cost of the investment.

(iii) The bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Issuer or any other Person (whether or not in connection with the bond issue), and that the bid is not being submitted solely as a courtesy to the Issuer or any other Person for purposes of satisfying the requirements of the applicable provisions of the Treasury Regulations.

(iv) The terms of the bid specifications are commercially reasonable, *i.e.*, there is a legitimate business purpose for the term other than to increase the purchase price or reduce the Yield of the investment (for example, for solicitations of investments for a Yield restricted defeasance escrow, the hold firm period must be longer than the Issuer reasonably requires).

(v) With respect to purchases of guaranteed investment contracts only, the terms of the solicitation take into account the reasonably expected deposit and draw down schedule for the amounts to be invested.

(vi) All potential providers have an equal opportunity to bid; for example, no potential provider is given the opportunity to review other bids (*i.e.*, a last look) before providing a bid.

(vii) At least three (3) reasonably competitive providers are solicited for bids; reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the investments being purchased.

(A) *The bids received must meet all of the following requirements:*

(i) The Issuer receives at least three (3) bids from providers that the Issuer solicited under a *bona fide* solicitation, which bids meet the requirements set forth immediately above and that do not have a material financial interest in the issue. A lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until fifteen (15) days after the Issue Date of the issue. In addition, any entity acting as financial advisor with respect to the purchase of the investment at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue. A provider that is a related party to a Person that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(ii) At least one (1) of the three (3) bids received is from a reasonably competitive provider of such types of investments, as described in paragraph (vii) above.

(iii) If the Issuer uses an agent to conduct the bidding process, the agent did not bid to provide the investment.

(B) *The winning bid is:*

(i) In the context of a guaranteed investment contract, the highest yielding *bona fide* bid (determined net of any broker's fees).

(ii) In the context of investments other than guaranteed investment contracts, the lowest cost *bona fide* bid (including any broker's fees). The lowest cost bid is either the lowest cost bid for the portfolio or, if the Issuer compares the bids on an investment by investment basis, the aggregate cost of a portfolio comprised of the lowest cost for each investment. Any payment received by the Issuer from a provider at the time the investment is purchased (*e.g.*, an escrow float contract) for a Yield restricted defeasance escrow under a bidding procedure meeting the requirements of this definition is taken into account in determining the lowest cost bid.

In general, the lowest cost *bona fide* bid (including any broker's fee) may not be greater than the cost of the most efficient portfolio comprised exclusively of SLGS. The cost of the most efficient portfolio of SLGS is to be determined at the time that bids are required to be submitted pursuant to the terms of the bid specifications. This requirement to compare to the most efficient SLGS portfolio does not apply if SLGS are not available for purchase on the date that bids are required to be submitted because sales of those securities have been suspended.

The provider of the investments or the obligor on the guaranteed investment contract certifies the administrative costs that it pays (or expects to pay), if any, to third parties in connection with supplying the investment.

The Issuer must retain the following records with the bond documents until three (3) years after the last outstanding bond is redeemed:

(i) For guaranteed investment contracts, a copy of the contract, and for other types of purchases, the purchase agreement or confirmation.

(ii) The receipt or other record of the amount actually paid by the Issuer for the investment, including a record of any administrative costs paid by the Issuer to third parties and the certification of such costs.

(iii) For each bid that is submitted, the name of the Person and entity submitting the bid, the time and date of the bid and the bid results.

(iv) The bid solicitation form and, if the terms of the purchase agreement or the guaranteed investment contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose of the deviation. If the Issuer replaces an investment in the winning bid portfolio with another investment, the purchase price of the investment must be bid under a bidding procedure meeting the requirements of this definition.

(v) For purchases of investments other than guaranteed investment contracts, the most efficient portfolio of SLGS, determined at the time that the bids were required to be submitted pursuant to the terms of the bid specifications.

*“Fixed Yield Issue”* shall mean any issue if each bond that is part of such issue is a bond whose Yield is fixed and determinable on the issue date. For purposes of this rule, two (2) bonds whose Yields are not so fixed and determinable are treated as a single fixed yield bond if such aggregate Yield treatment would result in the single bond being a fixed yield bond and the terms of the bond do not contain any feature that could distort the aggregate fixed Yield from what it would be if a single fixed yield bond were issued.

*“Gross Proceeds”* shall have the meaning used in Section 1.148-1(b) of the Treasury Regulations, and generally means all Proceeds and Replacement Proceeds.

*“Investment”* shall mean Investment Property and any tax-exempt bond.

*“Investment Proceeds”* shall mean any amounts actually or constructively received from investing Proceeds.

*“Investment Property”* shall mean (i) any security (within the meaning of Section 165(g)(2)(A) or (B)); (ii) any obligation (other than tax-exempt obligations which are not “specified private activity bonds” within the meaning of Section 57(a)(5)(C) of the Code), interests in certain regulated investment companies and demand deposit SLGS; (iii) any annuity contract within the meaning of Section 72 of the Code; (iv) any residential real property for

family units not located within the jurisdiction of the SCSD and which is not required to implement a court-ordered or approved housing desegregation plan; or (v) any investment-type property (including a contract that would be a hedge (within the meaning of Section 1.148-4(h) of the Treasury Regulations), except that it contains a significant investment element) that is held as a passive vehicle for the production of income (including any prepayment for property or services if a principal purpose of prepayment is to receive an investment return from the time the prepayment is made until the time payment would otherwise have been made).

“*Nonpurpose Investment*” shall mean any Investment Property in which Gross Proceeds are invested other than Purpose Investments.

“*Opinion of Bond Counsel*” shall mean a written opinion of counsel nationally recognized in the area of municipal finance to the effect that such action or inaction described in said opinion will not impair the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

“*Pledge Fund*” shall have the meaning set forth in Section 1.148-1(c)(3) of the Treasury Regulations, and generally means any amount that is directly or indirectly pledged to pay principal or interest on the Bonds. A Pledge Fund need not be cast in any particular form but must provide a reasonable assurance to the bondowners that such amounts will be available to pay principal or interest on the Bonds in the event that the City or the SCSD encounter financial difficulties. An amount is also treated as pledged to pay principal or interest on the Bonds if it is held under an agreement to maintain the amount at a particular level for the direct or indirect benefit of the bondowners or a guarantor of the Bonds; however, such amount will not be treated as pledged if: (i) the Issuer or any of the Borrowing Entities or a substantial beneficiary of the Bonds may grant rights in the amount that are superior to the rights of the bondowners, or (ii) the amount is not in excess of the purpose for which it was established, the required level is tested no more frequently than every six (6) months, and the amount may be spent without any substantial restriction other than a requirement to replenish the amount by the next testing date.

“*Present Value*” or “*PV*” means the amount determined by using the following formula:

$$PV = \frac{FV}{(1+i)^n}$$

where i equals the discount rate divided by the number of compounding intervals in a year and n equals the sum of (i) the number of whole compounding intervals for the period beginning on the date as of which Present Value is computed and ending on the date the amount is to be received or paid or on a Computation Date; and (ii) a fraction, the numerator of which is the length of any short compounding interval during such period and the denominator of which is the length of a whole compounding interval.

“*Prior Indenture*” shall mean the Indenture of Trust (Series 2008 Project) dated as of March 1, 2008, by and between the Issuer and the Refunded Bonds Trustee.

“*Private Use*” shall have the meaning set forth in Section 2.9(b) of this Tax Certificate.

“*Proceeds*” shall mean any Sale Proceeds, Investment Proceeds, and Transferred Proceeds, as defined in Section 1.148-1(b) of the Treasury Regulations, if any, other than amounts actually or constructively received with respect to a Purpose Investment that are properly allocable to the immaterially higher yield under Section 1.148-2(d) of the Treasury Regulations or to qualified administrative costs recoverable under Section 1.148-5(e) of the Treasury Regulations.

“*Purpose Investment*” shall mean an investment that is acquired to carry out the governmental purpose of the Bonds. For purposes of the Bonds, the Installment Sale Agreement is a Purpose Investment,

“*Rebate Requirement*” shall mean the amount of rebatable arbitrage computed as of the last day of any Bond Year in the manner described in Section 1.148-3 of the Treasury Regulations.

“*Refunded Bonds*” shall mean the City of Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A in the original aggregate principal amount of \$49,230,000.

“*Refunded Bonds Trustee*” shall mean Manufacturers and Traders Trust Company, as trustee under the Prior Indenture.

“*Replacement Proceeds*” shall have the meaning set forth in Section 1.148-1(c) of the Treasury Regulations.

“*Reserve Account Credit Facility*” shall mean the Municipal Bond Debt Service Reserve Insurance Policy dated March 26, 2008 and delivered by Financial Security Assurance Inc.

“*Sale Proceeds*” shall mean any amounts actually or constructively received by the Issuer from the sale of the Bonds (other than pre-issuance accrued interest).

“*Sinking Fund*” shall have the meaning set forth in Section 1.148-1(c)(2) of the Treasury Regulations, and generally means a debt service fund, redemption fund, reserve fund, replacement fund or any similar fund to the extent that such fund is reasonably expected to be used directly or indirectly to pay principal or interest on the Bonds.

“*Six Month Expenditure Rule*” shall have the meaning set forth in Section 5.5(d) of this Tax Certificate.

“*SLGS*” shall mean a U.S. Treasury Book Entry Securities, State and Local Government Series.

“*Spendable Proceeds*” shall mean the Sale Proceeds, less any Sale Proceeds used to finance a reasonably required reserve fund or replacement fund and as part of the minor portion.

“*State*” shall have the meaning set forth in Section 1.2 of this Tax Certificate.

“*Tax Certificate*” shall mean this Tax Certificate executed by the Issuer on April 20, 2017.

“*Tax-Exempt Bond*” shall mean any bond the interest on which is excludable from gross income under Section 103 of the Code. For purposes of Section 148 of the Code, Tax-Exempt Bond includes: (i) an interest in a regulated investment company to the extent that at least ninety-five percent (95%) of the income to the holder of the interest is interest that is excludable from gross income under Section 103 of the Code, and (ii) SLGS.

“*Tax-Exempt Obligation*” shall mean any obligation the interest on which is excludable from gross income under Section 103 of the Code.

“*Transferred Proceeds*” shall have the meaning set forth in Section 1.148-1(b) of the Treasury Regulations.

“*Treasury Regulations*” shall mean such regulations (including final, temporary and proposed) promulgated by the United States Department of the Treasury, including Treasury Regulations issued pursuant to Section 103 of the Internal Revenue Code of 1954, as amended, and Sections 103 and 141 through 150, inclusive, of the Code.

“*Underwriter*” shall mean Raymond James & Associates, Inc., as representative of the Underwriters.

“*Verification Report*” shall mean a report entitled “Verification Report for the School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017” dated April 20, 2017 prepared by Causey Demgen & Moore P.C. and attached hereto as **Exhibit B**.

“*Yield*” shall mean the yield computed on an issue of obligations under Section 1.148-4 of the Treasury Regulations and on an Investment under Section 1.148-5 of the Treasury Regulations in either case by compounding interest at the end of each compounding interval.

(a) *When used with respect to a Fixed Yield Issue*, Yield means that discount rate that, when used in computing the Present Value of (i) all unconditionally payable payments of principal and interest of or on the bonds included in such Fixed Yield Issue, (ii) all unconditionally payable fees for Qualified Guarantees (as defined in Treasury Regulation Section 1.148-4(f) and Qualified Hedges (as defined in Treasury Regulation 1.48-4(h)(2)) on such bonds, and (iii) all fees expected to be paid for Qualified Guarantees and Qualified Hedges produces an amount equal to the sum of the Present Value of the aggregate Issue Prices of the bonds comprising the issue (determined using the same discount rate used to determine the Present Value of payments for principal, interest and Qualified Hedges and Qualified Guarantees). The Yield is computed as of the issue date of the Fixed Yield Issue by treating each bond included in the issue that is either subject to mandatory or contingent early redemption or to certain optional redemption provisions as being redeemed on its expected early redemption date for an amount equal to its Value on that date. If a fixed yield bond (i) is subject to optional redemptions within five (5) years of its issue date and the Yield not taking into account the optional redemption is more than one-eighth (1/8) of one percent (1%) above its Yield assuming the early redemption; (ii) is issued at an issue price that exceeds the stated

redemption price at maturity by more than one-quarter (1/4) of one percent (1%) multiplied by the product of the stated redemption price to maturity and the number of complete years to the first optional redemption date for the bond; or (iii) bears interest at increasing interest rates, the Yield on the issue including such Fixed Yield Bond is computed by treating the fixed yield bond as redeemed at its stated redemption price on the optional redemption date that produces the lowest Yield on the issue. No adjustment will be made on any Computation Date to the Yield on a Fixed Yield Issue as computed on its issue date unless redemption rights are subsequently transferred to a third party or termination payments are received with respect to Qualified Hedges. The Yield on a fixed yield bond is calculated in the same manner as Yield on a Fixed Yield Issue.

(b) *When used with respect to any Investment allocated to an Issue, Yield means the Yield on the Investment computed using the same compounding interval and financial conventions used to calculate the Yield on the issue of obligations to which it is allocated. The Yield on an Investment allocated to an issue is the discount rate that, when used on the date the Investment is first purchased with Gross Proceeds or allocated to Gross Proceeds of the issue to compute the Present Value on that date of all unconditionally payable nonpurpose receipts from the Investment, produces an amount equal to the Present Value on that date of all unconditionally payable nonpurpose payments for the Investment.*

## ARTICLE II

### EXPECTATIONS AND WARRANTIES OF THE ISSUER

**Section 2.1 Single Issue.** The Issuer represents that all of the Bonds have been sold at substantially the same time, have been sold pursuant to the same plan of financing and are reasonably expected to be paid from substantially the same source of funds, determined without regard to guarantees from unrelated parties. The Issuer represents that no other governmental obligations: (i) have been or will be sold within fifteen (15) days prior to or after the sale of the Bonds, (ii) have been or will be sold pursuant to the same plan of financing, and (iii) are reasonably expected to be paid out of substantially the same source of funds as the Bonds, determined without regard to guarantees from unrelated parties.

**Section 2.2 Registered Form.** The Bonds are being issued in registered form.

**Section 2.3 No Federal Guarantee.** The Issuer represents, warrants and covenants that it will not directly or indirectly use or permit the use of or otherwise invest any Proceeds of the Bonds or any other funds of the Issuer or take or omit to take any action that would cause the Bonds to be obligations which are "federally guaranteed" within the meaning of Section 149(b) of the Code. In furtherance thereof, the Issuer will not allow the payment of the principal or interest with respect to the Bonds to be guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof. The Issuer also will not, except as provided in the next sentence, use five percent (5%) or more of the Proceeds of the Bonds to make or finance loans the payment of the principal or interest with respect to which are guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof, nor will the Issuer invest five percent (5%) or more of the Proceeds of

the Bonds in federally insured deposits or accounts. However, Proceeds of the Bonds may be invested without regard to the limitation in this Section 2.3 as follows: investments in any bona fide debt service fund, investments in any reasonably required reserve or replacement fund (as defined in Section 148(d) of the Code), investments in obligations issued by the United States Department of the Treasury and other investments as permitted in Treasury Regulations (e.g., obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended by Section 511 of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, or any successor provision).

#### **Section 2.4 Purpose of Bonds.**

(a) The Refunded Bonds were issued pursuant to the Prior Indenture (A) to finance certain design costs relating to Blodgett School, Dr. Weeks Elementary School, Clary Middle School, Shea Middle School, H. W. Smith Elementary School and Fowler High School; (B) to finance a portion of the costs of (1) the construction of an addition to, and rehabilitation of, the Institute of Technology at Syracuse Central and the acquisition and installation therein of Equipment and (2) construction and rehabilitation of the Middle School Project, the Fowler Project, the Smith Project and the Weeks Project (collectively, the “*Facilities*”) for the SCSD; and (C) to provide moneys to establish certain reserves and pay various costs of issuance and related fees with respect to the Refunded Bonds.

(b) The Refunded Bonds maturing on May 1, 2017 and May 1, 2018 (the “*Non-Callable Bonds*”) will be refunded on their respective maturity dates. The Refunded Bonds maturing on May 1, 2019 through and including May 1, 2030 (the “*Callable Bonds*”) will be redeemed prior to maturity at a redemption price equal to one hundred percent (100%) of the par amount thereof not later than May 1, 2018 (the “*Redemption Date*”), which is the first optional redemption date for the Callable Bonds.

**Section 2.4 Useful Life.** The Issuer represents, warrants and covenants that the weighted average maturity of the Bonds does not exceed one hundred twenty percent (120%) of the average reasonably expected economic life of the Facilities financed by the Proceeds of the Bonds. Land was not taken into account in determining the average economic life of such Facilities and costs.

**Section 2.5 No Hedge Bonds.** The SCSD and the City represented with respect to the Refunded Bonds that they reasonably expected on the Issue Date of the Refunded Bonds that (a) at least 85% of the Spendable Proceeds of the Refunded Bonds would be expended on the costs associated with the construction and equipping of the Facilities within three years of the date of issuance thereof, and (b) not more than 50% of the proceeds of the Refunded Bonds would be invested in Nonpurpose Investments having a substantially guaranteed yield for four (4) years or more. Accordingly, the Bonds are not hedge bonds pursuant to Section 149(g)(3)(C) of the Code.

**Section 2.6 Use of Proceeds to Effect the Project.** Pursuant to the Installment Sale Agreement (including, without limitation, Article III thereof), the Proceeds of the Bonds will be used by the SJSCB, as agent for the Issuer, to complete the Project.

**Section 2.7 No Hedging Transactions.** The Borrowing Entities do not expect to enter into any transactions to hedge interest rate risk with respect to the Bonds.

**Section 2.8 Bonds Not Private Activity Bonds.**

(a) The Borrowing Entities have represented in the Arbitrage Certificate that the application of the Proceeds of the Bonds to the purposes contemplated by the Installment Sale Agreement and the Indenture would not cause the Bonds (a) to meet either (i) the “private business” tests of Section 141(b) of the Code, or (ii) the “private loan financing” test of Section 141(c) of the Code; or (b) to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(b) The Borrowing Entities have represented in the Arbitrage Certificate that: (i) the proceeds of the Bonds will be used exclusively to finance costs associated with the issuance of the Bonds and to refund the Refunded Bonds and costs related thereto, and (ii) except as set forth in Section 2.10 hereof, no portion of the Proceeds of the Bonds have been or will be used directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person (“*Private Use*”), excluding, however, use by a state or local government unit and use as a member of the general public. In addition, each Borrowing Entity covenanted that no portion of the principal of or interest on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Use or in payments in respect of property used or to be used for a Private Use or is to be derived from payments, whether or not to any of the Borrowing Entities, in respect of property or borrowed money used or to be used for a Private Use.

(c) In the event that the Issuer is contacted by the Borrowing Entities seeking to increase the Private Use of the Project or private loans beyond that delineated in Section 2.9(b) above, the Issuer shall not approve such actions unless an Opinion of Bond Counsel is delivered to the Issuer and the Trustee.

**Section 2.9 Debt Service on the Bonds.** The Borrowing Entities have represented in the Arbitrage Certificate that the Issuer expects to pay debt service on the Bonds from amounts received in the form of Base Installment Purchase Payments from the SCSD and the City pursuant to the terms of the Installment Sale Agreement.

**Section 2.10 Information Reporting.** The Issuer certifies that it has reviewed the Internal Revenue Service Form 8038-G to be filed in connection with the issuance of the Bonds (attached hereto as **Exhibit D**), and believes that all of the information contained in the Form 8038-G is true and complete. The Issuer covenants that such Form 8038-G will be filed no later than the fifteenth (15th) day of the second calendar month following the close of the calendar year quarter in which the Bonds are issued at the Internal Revenue Service Center, Ogden, Utah 84201.

## ARTICLE III

### ARBITRAGE

**Section 3.1 Reasonable Expectations.** This Article III states the reasonable expectations, statements of fact and representations of the Issuer with respect to the amount of the Proceeds of the Bonds and certain other funds. In reliance on the Verification Report and the representations made by the Borrowing Entities in the Arbitrage Certificate and on the basis of the following, the Issuer does not expect that the Bonds will be “arbitrage bonds” within the meaning of Section 148 of the Code.

**Section 3.2 Sale Proceeds.** The Bonds were sold pursuant to the Purchase Contract. As a result of the sale of the Bonds, the Issuer will receive \$33,844,438.34, which represents the aggregate principal amount of the Bonds in the amount \$29,260,000.00, plus original issue premium on the Bonds in the amount of \$4,663,314.10, for a subtotal of \$33,923,314.10 (the “*Sale Proceeds*”), less underwriting discount of \$78,875.76. The Sale Proceeds in the amount of \$32,766,130.34 will be deposited in the Escrow Fund on the Issue Date (the “*Refunding Proceeds*”). The remaining portion of the Sale Proceeds will be used to pay the costs of the issuance with respect to the Bonds in the amount of \$360,439.81 as set forth on Exhibit A to the Arbitrage Certificate and the amount of \$717,868.19 of the Sale Proceeds will be deposited in the Bond Fund and used to pay debt service on the Bonds.

**Section 3.3 Application of Sale Proceeds of the Bonds and Other Amounts.** The Sale Proceeds of the Bonds and other amounts described in Section 4.02 will be deposited:

As shown and stated above, the Refunding Proceeds in the amount of \$32,766,130.34 and the Refunded Bond Fund Release in the amount of \$4,032,412.52 will be deposited in the Escrow Fund for the Refunded Bonds, an irrevocable refunding escrow established therefor under the Escrow Agreement, and will be invested pursuant to the Escrow Agreement. A portion of the Refunded Bond Fund Release in the amount of \$40.64 will be retained as initial cash in the

Escrow Fund for the Refunded Bonds. The remaining portions of the Refunded Bond Fund Release in the amount of \$4,032,371.88, and the Refunding Proceeds will be used to purchase Treasury Obligations on April 20, 2017 (collectively, the “Invested Portion”). Copies of the Escrow Bidding Materials for such Treasury Obligations are attached hereto as **Exhibit C**. The Verification Agent, in its Verification Report, has verified the adequacy of the maturing Treasury Obligations in the applicable Escrow Fund and the interest thereon, together with the initial cash retained in such funds, (i) with respect to the Refunded Bonds, to pay the interest on the Refunded Bonds due on May 1, 2017 through and including the Redemption Date (as defined in Section 2.4 hereof), (ii) pay the redemption price of the Callable Bonds on the Redemption Date, and (iii) pay the principal of the Non-Callable Bonds on May 1, 2017 and November 1, 2018.

**Section 3.4 Bond Fund Release; Debt Service Reserve Fund.** Based on the information received from the Trustee, there was \$4,032,412.52 on deposit in the Bond Fund for the Refunded Bonds (“Bond Fund Proceeds”). All of Bond Fund Proceeds will be released from the Prior Indenture in conjunction with the refunding (the “Refunded Bond Fund Release”) and will be deposited in the Escrow Fund for the Refunded Bonds on the Issue Date and invested as described in Section 3.3 hereof. As shown above, the Refunding Proceeds and the Refunded Bond Fund Release have been deposited to the Escrow Fund for the Refunded Bonds and a portion of which have been used to purchase the Treasury Obligations. Pursuant to Section 1.148-9(c)(2) of the Treasury Regulations, the Sale Proceeds and other moneys deposited to the Escrow Fund must be allocated to the payment of principal, interest and redemption prices on the Refunded Bonds so that the expenditures of the Sale Proceeds is ratable with expenditures of such other moneys, except that other moneys held in a Bona Fide Debt Service Fund for the Refunded Bonds before the Issue Date must be allocated to the earliest maturing Treasury Obligations held in the Escrow Fund. Accordingly, the Refunded Bond Fund Release deposited in the Escrow Fund was either retained as initial cash or invested in the earliest maturing Treasury Obligations in the Escrow Fund, and will be used, in its entirety, to pay principal of or accrued interest on the Refunded Bonds on May 1, 2017, November 1, 2017 and May 1, 2018.

Based on the information received from the Trustee, there was \$050 on deposit in the account of the Debt Service Reserve Fund established for the Refunded Bonds under the Prior Indenture. The Reserve Account Credit Facility held by the Refunded Bonds Trustee in the account of the Debt Service Reserve Fund established for the Refunded Bonds under the Prior Indenture terminated by its terms upon defeasance of the Refunded Bonds.

**Section 3.5 No Overissuance.** The Borrowing Entities have represented in the Arbitrage Certificate that the total Proceeds to be received by the Issuer from the sale of the Bonds and anticipated investment earnings thereon do not exceed the total of the amount necessary to finance the government purposes for which the Bonds are issued as described above.

**Section 3.6 Funds and Accounts.**

(a) **General.** The following funds and accounts are created and established under the Indenture:

- (i) Project Fund;
- (ii) Bond Fund and, within such Bond Fund, the (A) Principal Account, (B) the Interest Account, and (C) the Redemption Account;
- (iii) Debt Service Reserve Fund;
- (iv) Refunded Proceeds Fund; and
- (v) Rebate Fund.

(b) **Project Fund.** In accordance with Section 5.2 of the Indenture, Sale Proceeds of the Bonds deposited in the Project Fund will be applied to pay costs relating to the issuance of the Bonds.

(c) **Bond Fund.** In accordance with Section 5.3 of the Indenture, amounts deposited to the Bond Fund will be applied, among other things, to the payment of principal, sinking fund installments and redemption price of and interest on the Bonds.

(d) **Debt Service Reserve Fund.** No moneys are expected to be deposited in the Debt Service Reserve Fund.

(e) **Refunded Proceeds Fund.** Unexpended Proceeds of the Refunded Bonds will be transferred to the Refunded Proceeds Fund. The SCSD and the City certify that Unexpended Proceeds are to be used to pay Capital Expenditures of the Facilities.

(f) **No Other Sinking or Pledge Fund.** Each of the Borrowing Entities has certified in the Arbitrage Certificate that, other than the funds described in Sections 3.5(d) and 3.6(c), there are no Pledge Fund or any funds or accounts of the Issuer (other than the Bond Fund) established pursuant to the Indenture which are reasonably expected to be used to pay debt service on the Bonds or which are pledged as collateral for the Bonds, for which there is a reasonable assurance that amounts therein or the investment income earned from such funds or accounts will be available to pay debt service on the Bonds in the event the SCSD or the City encounter financial difficulties.

(g) **Rebate Fund.** The Borrowing Entities in the Arbitrage Certificate have covenanted not to use moneys on deposit in any fund or account in connection with the Bonds in a manner which will cause the Bonds to be arbitrage bonds within the meaning of Section 148 of the Code. To that end, the Rebate Fund is created under the Indenture. The Issuer shall deposit into the Rebate Fund any moneys received in accordance with this Tax Certificate for purposes of paying rebate to the United States Treasury Department and which is so identified. The amount required to be held in the Rebate Fund at any point in time is determined pursuant to the requirements of the Code, including particularly Section 148(f) of the Code and the Treasury Regulations promulgated thereunder. Moneys in the Rebate Fund are neither pledged to, nor expected to be used to, pay debt service on the Bonds.

**Section 3.7 Investment Restrictions.** The Borrowing Entities have covenanted in the Arbitrage Certificate that amounts derived from the sale of the Bonds and the amounts deposited in the funds or accounts described above shall be invested as follows:

(a) **Project Fund — Costs of Issuance.** Sale Proceeds of the Bonds deposited in the Project Fund to be applied to pay the costs of issuance of the Bonds may be invested at an unrestricted yield until expended, but in no event for a period to exceed 13 months from the date hereof. Investment earnings on such amounts may be invested at an unrestricted yield for a one (1) year period from the date of receipt and, thereafter, at a yield not in excess of the yield on the Bonds. All such amounts deposited in the Project Fund will be subject to the arbitrage rebate requirements of Section 148(f) of the Code.

(c) **Refunded Proceeds Fund.** As of the Issue Date, all of the Gross Proceeds of the Refunded Bonds have been expended, except for a portion of the proceeds in the amount of \$1,806,921.20 held in the Project Fund established under the Prior Indenture (the “*Unexpended Proceeds*”) and the Refunded Bond Fund Release. The Unexpended Proceeds will be transferred to the Refunded Proceeds Fund established under the Indenture. Notwithstanding such transfer, the Unexpended Proceeds are for federal income tax purposes, allocated to the Refunded Bonds until the respective Transfer Date (as defined below). As the Refunded Bonds were issued more than two (2) years before the Issue Date, no exceptions to rebate, as applicable to the Refunded Bonds, apply to the Unexpended Proceeds. Based on the foregoing, portions of the Unexpended Proceeds, which remain unexpended on each date proceeds of the Bonds discharge a portion of the principal of the Refunded Bonds (each, a “*Transfer Date*”), will become Transferred Proceeds of the Bonds and will cease to be proceeds of the Refunded Bonds as of such Transfer Dates pursuant to Section 1.148-10(i) of the Treasury Regulations, except that for purposes of Section 3.11, pursuant to Section 1.148-10(c)(3) of the Treasury Regulations, the Unexpended Proceeds are treated as Transferred Proceeds of the Bonds as of the Issue Date rather than the applicable Transfer Dates. The Borrowing Entities expect as of the date hereof that the Transfer Date will be May 1, 2018 which is the first date that proceeds of the Bonds will discharge a portion of the principal of the Refunded Bonds.

(d) **Restricted Investments.** Unless otherwise approved by an Opinion of Bond Counsel, amounts that may not be invested at an unrestricted Yield, if any, will be invested in either (i) Nonpurpose Investments at a Fair Market price which produces a Yield not Materially Higher than the Yield on the Bonds, (ii) Treasury Obligations which produce a Yield not Materially Higher than the Yield on the Bonds, or (iii) Tax-Exempt Investments.

**Section 3.8 No Replacement.** Relying upon representations and covenants made by the Borrowing Entities in the Arbitrage Certificate, the Issuer represents, warrants and covenants that no portion of the Proceeds of the Bonds will be used directly or indirectly to replace funds of the Issuer or the City, the SJSCB or the SCSD, respectively, or any related persons (within the meaning of Section 147(a)(2) of the Code) and used directly or indirectly to acquire Investment Property reasonably expected to produce a yield higher than the yield on the Bonds.

**Section 3.9 No Abusive Arbitrage Device or Overburdening of the Market.** Relying upon representations and covenants made by the Borrowing Entities in the Arbitrage Certificate, the Issuer represents, warrants and covenants that the Bonds are not and will not be

part of a transaction or series of transactions that has the effect of: (i) enabling the Issuer or any related persons (within the meaning of Section 147(a)(2) of the Code) to exploit the difference between tax-exempt and taxable interest rates to obtain a material financial advantage, and (ii) overburdening the market for tax-exempt obligations in any manner, including, without limitation, selling bonds that would not otherwise be sold, or selling more bonds, or issuing them sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

**Section 3.10 Refunding Plan.** On the date the Bonds were priced, SLGS were not available for purchase. The Treasury Obligations for the Escrow Fund were purchased using a bidding process intended to satisfy the requirements of Section 1.148-5(d)(6) of the Treasury Regulations. As set forth in the Verification Report, the Treasury Obligations acquired with the Refunding Proceeds deposited in the Escrow Fund will be invested at a Yield of 1.102576%. Such Yield is not higher than the Yield on the Bonds.

**Section 3.11 No Overissuance and No Excess Gross Proceeds.** (a) Each of the Borrowing Entities hereby certifies that the proceeds of the Bonds, including Investment Proceeds, will not exceed the amount necessary for the purposes of the Bonds. For purposes of this Agreement, the term “proceeds” means the net amount (after payment of all expenses of issuing the Bonds) beneficially received by the SCSD as a result of the sale of the Bonds, except that, for the purposes of this Article III, the term “proceeds” does not include pre-issuance accrued interest, if any, on the Bonds from their dated date to the Issue Date.

(b) The proceeds of the Bonds, other than the proceeds that will be (i) used to pay principal, interest and call premium, if any, on the Refunded Bonds, (ii) used to pay pre-issuance accrued interest on the Bonds, and interest on the Bonds that accrues for a period up to the completion date of any Project refinanced by the Bonds, plus one (1) year, if any, (iii) allocated to a reasonably required reserve or replacement fund for the Bonds or Investment Proceeds of such a fund, (iv) used to pay the issuance costs of the Bonds, (v) used to pay the administrative costs of repaying the Refunded Bonds, or the costs of carrying and repaying the Bonds, or the reasonable, direct costs of acquiring and disposing of the investments of the Refunded Bonds, (vi) Transferred Proceeds allocable to expenditures for governmental purposes of the Refunded Bonds from which such Transferred Proceeds derive, if any, (vii) Replacement Proceeds in a sinking fund for the Bonds, if any, (viii) allocable to interest on Purpose Investments, (ix) used to pay Qualified Guarantee fees for the Bonds or the Refunded Bonds, and (x) used to pay fees for qualified hedge for the Bonds, will not exceed one percent (1%) of the Sale Proceeds. The portion of the Sale Proceeds of the Bonds in the amount of \$718,868.19 deposited in the Bond Fund will be used to pay interest on the Bonds due November 1, 2017. The Unexpended Proceeds are expected to be used to pay expenditures for governmental purposes of the Refunded Bonds.

**Section 3.12 Universal Cap.** On each Valuation Date, the SCSD shall value the Universal Cap (as defined in Treasury Regulation Section 1.148-6(b)(2)) and the Nonpurpose Investments allocable to the Bonds under the Universal Cap. Nonpurpose Investments in a *Bona Fide* Debt Service Fund such as the Bond Fund do not reduce the aggregate value of Nonpurpose Investments that may be allocated to the Bonds under the Universal Cap. Nonpurpose Investments cease to be allocated to the Bonds to the extent such Nonpurpose Investments have been expended for the governmental purpose of the Bonds, or to the extent the

value of such Nonpurpose Investments exceeds the value permitted to be allocated to the Bonds under the Universal Cap. To the extent Nonpurpose Investments cease to be allocated to the Bonds and the value of the Universal Cap exceeds the value of the remaining Nonpurpose Investment allocated to the Bonds, other Nonpurpose Investments may become allocated to the Bonds, provided that such Nonpurpose Investments are not already properly allocated to another bond issue and provided that such allocation does not cause the value of Nonpurpose Investments allocated to the Bonds to exceed the Universal Cap.

Generally, if Gross Proceeds of the Bonds invested in Nonpurpose Investments exceed the Universal Cap on a Valuation Date, such Nonpurpose Investments cease to be allocated to the Bonds in the following order:

- (i) amounts allocable to Replacement Proceeds,
- (ii) amounts allocable to Transferred Proceeds, if any,
- (iii) amounts allocable to Sale Proceeds and Investment Proceeds of the Bonds.

Where a Nonpurpose Investment ceases to be allocated to the Bonds, such Nonpurpose Investment may be reallocated to another bond issue subject, however, to the Universal Cap calculated with respect to such bond issue. A Nonpurpose Investment which is reallocated to another bond issue may be valued under the same valuation method pursuant to which it was valued for purposes of applying the Universal Cap with respect to the Bonds.

Notwithstanding anything in this Agreement to the contrary, the failure to perform the determination of Nonpurpose Investments allocable to the Bonds as of a Valuation Date shall not be considered a violation of this provision if the value of Nonpurpose Investments allocated to the Bonds did not exceed the value of the Bonds outstanding on such date.

## ARTICLE IV

### YIELD

**Section 4.1 Yield.** For purposes of this Certificate, Yield is calculated as set forth in Section 148(b) of the Code and Sections 1.148-4 and 1.148-5 of the Treasury Regulations. The Underwriter has certified in the Certificate of the Underwriter attached as **Exhibit A** to this Tax Certificate that the issue price of the Bonds is \$33,923,314.10, which represents the price at which the Bonds were sold to the public (excluding bond houses, brokers, and other intermediaries). The Yield on the Bonds has been calculated by the Underwriter and verified in the Verification Report to be at least 2.076937%.

## ARTICLE V

### REBATE

**Section 5.1 Undertakings.** The Issuer and the Borrowing Entities, pursuant to the Indenture and the Installment Sale Agreement, have covenanted to comply with certain requirements of the Code. The Issuer acknowledges that the United States Department of the Treasury has issued Treasury Regulations with respect to certain of these undertakings, including the proper method for computing whether any rebate amount is due the federal government under Section 148(f) of the Code. In the Arbitrage Certificate, the City has agreed that it will undertake to determine (or have determined on their behalf) what is required with respect to the rebate provisions contained in Section 148(f) of the Code from time to time and will undertake to comply with any requirements that may be applicable to the Bonds. The Issuer and the Borrowing Entities will undertake the methodology described in this Article V of this Tax Certificate, except to the extent inconsistent with any requirements of present or future law, regulations or future guidance issued by the United States Department of the Treasury or if the Issuer receives an Opinion of Bond Counsel.

**Section 5.2 Rebate Fund.** A special fund designated the “Rebate Fund” has been established pursuant to Section 5.1 of the Indenture. Pursuant to the Indenture, the Trustee shall keep the Rebate Fund separate and apart from all other funds and moneys held by it.

**Section 5.3 Recordkeeping.** In the Arbitrage Certificate, the Borrowing Entities have agreed to maintain all records relating to the Bonds, including, without limitation, the following documents that would be necessary for the calculation of arbitrage rebate pursuant to Section 148 of the Code (and the Treasury Regulations promulgated thereunder) until the later of three (3) years after the last outstanding Bonds have retired:

- (a) Basic records and documents relating to the Bonds (including the Indenture, the Installment Sale Agreement and the opinion of Bond Counsel);
- (b) Documentation evidencing expenditure of Bond Proceeds;
- (c) Documentation evidencing use of the Project by public and private sources (e.g., copies of management contracts, research agreements, leases, etc.);
- (d) Documentation evidencing all sources of payment or security for the Bonds; and
- (e) Documentation pertaining to any investment of Bond proceeds (including the purchase and sale of securities, United States Treasury Securities – State and Local Government Series subscriptions, yield calculations for each class of investments, actual investment income received from the investment of Proceeds, guaranteed investment contracts, and rebate calculations).

The Issuer hereby covenants to maintain all records relating to the requirements of the Code, including the requirements promulgated by Section 148 of the Code and the Treasury Regulations promulgated thereunder, and the representations, certifications and covenants set

forth in this Tax Certificate, including the documents described in this Section 5.3 until the date that is three (3) years after the last outstanding Bonds have been retired. If any of the Bonds are refunded by Tax-Exempt Obligations (the “*Refunding Obligations*”), the Issuer covenants to maintain all records required to be retained by this Section 5.3 until the later of the date three (3) years after the last outstanding Bonds have been retired or the date three (3) years after the last Refunding Obligations have been retired.

#### **Section 5.4 Rebate Requirement Calculation and Payment.**

(a) The Issuer represents, warrants and covenants that it will prepare or, with the City (see Section 5.8 below), cause to be prepared a calculation of the Rebate Requirement (which calculation shall be delivered to the Trustee upon request) with respect to the Bonds consistent with the rules described in this Section 5.4: (i) within fifty-eight (58) days after the close of the fifth Bond Year and each fifth Bond Year so long as any Bonds remain outstanding, and (ii) within fifty-eight (58) days after the first date on which there are no outstanding Bonds. The City and the SCS D have covenanted in the Arbitrage Certificate that the City and the SCS D, on behalf of the Issuer, shall deposit with the Trustee, or direct the Trustee to transfer from designated funds, an amount in the Rebate Fund as necessary to increase or decrease the sum held in the Rebate Fund for the Rebate Requirement.

(b) For purposes of calculating the Rebate Requirement, (i) the aggregate amount earned with respect to a Nonpurpose Investment shall be determined by assuming that the Nonpurpose Investment was acquired for an amount equal to its fair market value (determined as provided in Section 1.148-5(d)(6) of the Treasury Regulations) at the time it becomes a Nonpurpose Investment, and (ii) the aggregate amount earned with respect to any Nonpurpose Investment shall include any unrealized gain or loss with respect to the Nonpurpose Investment (based on the assumed purchase price at fair market value and adjusted to take into account amounts received with respect to the Nonpurpose Investment and earned original issue discount or premium) on the first date when there are no outstanding Bonds or when the investment ceases to be a Nonpurpose Investment.

(c) The Issuer hereby directs the City to direct the Trustee to pay to the United States Department of the Treasury, out of the Rebate Fund (A) not later than sixty (60) days after the end of each five (5) year period beginning with the Closing Date, a payment equal to at least ninety percent (90%) of the Rebate Requirement with respect to the Bonds, calculated as of the date of such payment; and (B) not later than sixty (60) days after the first date when there are no outstanding Bonds, an amount equal to one hundred percent (100%) of the Rebate Requirement (determined as of the first date when there are no outstanding Bonds) plus any actual or imputed earnings on such Rebate Requirement, all as set forth in Section 1.148-3 of the Treasury Regulations and as determined by or on behalf of the Issuer.

(d) Each payment required to be made pursuant hereto and relating to the Bonds shall be filed with the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T. The Issuer and the Trustee (to the extent such records were furnished or provided to the Trustee and were identified as such) must retain records of the calculations required by this Section 5.4 until six (6) years after the retirement of the last obligation of the Bonds.

## **Section 5.5 Exception from Rebate Requirement.**

(a) ***In General.*** Notwithstanding the foregoing provisions relating to the Rebate Requirement, the Rebate Requirement shall not be required to be paid if the Gross Proceeds of the Bonds are expended in a manner which satisfies one of the exceptions to the Rebate Requirement described in this Section 5.5. In the event that one of the exceptions to the Rebate Requirement is not satisfied, the Issuer shall calculate, or with the assistance of the City shall cause to be calculated, and the City or the SCSD on behalf of the Issuer shall pay, the Rebate Requirement with respect to such Proceeds in accordance with the provisions of this Article V.

(b) ***Eighteen-Month Expenditure Rule.*** The Issuer shall not be required to calculate the Rebate Requirement with respect to Eligible Gross Proceeds if the requirements of Treasury Regulation Section 1.148-7(d) (the “*Eighteen-Month Expenditure Rule*”) are satisfied.

(i) ***Eligibility.*** The Issuer will be eligible for the Eighteen-Month Expenditure Rule only if the following requirements are met: (a) the Eligible Gross Proceeds are expended for the governmental purposes of the issue in accordance with the spend-down schedule referred to in Section 5.5(c)(ii) hereof, and (b) all of the Eligible Gross Proceeds qualify for an initial three (3) year temporary period (as described in Treasury Regulation Section 1.148-2(e)(2)).

(ii) ***Spend-Down Schedule.*** The Eligible Gross Proceeds must be spent for the governmental purposes of the issue in accordance with the following amounts and time periods beginning on the Closing Date: (a) at least fifteen percent (15%) of such Eligible Gross Proceeds within six (6) months, (b) at least sixty percent (60%) of such Eligible Gross Proceeds within twelve (12) months, and (c) one hundred percent (100%) of such Eligible Gross Proceeds within eighteen (18) months. For purposes of determining compliance with the first and second spending periods described above, the amount of Investment Proceeds included in Eligible Gross Proceeds is determined based on the Issuer’s reasonable expectations based as of the Closing Date. The spending requirement for the third spending period will be satisfied if Eligible Gross Proceeds are held for a period not to exceed thirty (30) months from the Closing Date as “reasonable retainage” required or permitted to be retained for reasonable business purposes relating to the property financed with the Bond Proceeds.

(c) ***De Minimis Rule for Purposes of the Eighteen-Month Expenditure Rule.*** Any failure to satisfy the final spending requirements of the Eighteen-Month Expenditure Rule is disregarded if due diligence is exercised to complete the projects for which the Bonds were issued and the amount of the failure does not exceed the lesser of three percent (3%) of the issue price of the Bonds or \$250,000.

(d) ***Six-Month Expenditure Rule.*** Pursuant to Section 148(f)(4)(B) of the Code (the “*Six-Month Expenditure Rule*”), if on or before the date six (6) months after the Closing Date the Eligible Gross Proceeds of the Bonds are expended for the purposes for which the Bonds are issued, no rebate calculations and no rebate payment will need to be made with respect to Eligible Gross Proceeds of the Bonds.

(e) **Expenditures for Governmental Purposes of the Issue.** For purposes of the Eighteen-Month Expenditure Rule and the Six-Month Expenditure Rule, the payment of interest on the Bonds (but not principal) shall constitute an expenditure of Proceeds of the Bonds.

**Section 5.6 Prohibited Investments and Dispositions.**

No Investment Property may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) in excess of the Fair Market Value of such Investment Property. No Investment Property may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) less than the Fair Market Value of the Investment Property.

**Section 5.7 Segregation of Proceeds.** In order to perform the calculations required by the Code, it is necessary to track separately all of the Gross Proceeds. To that end, the Issuer hereby agrees to instruct the Trustee to establish separate funds, accounts or subaccounts or take other accounting measures in order to account fully for all Gross Proceeds.

**Section 5.8 Filing Requirements.** The Issuer shall file or cause to be filed such reports or other documents with the Internal Revenue Service as may be required by the Code from time to time (e.g., Form 8038-G and Form 8038-T).

**Section 5.9 Retention of Rebate Analyst.** In Section 8.01 of the Arbitrage Certificate, the City, among other things, has represented, warranted and covenanted that it will undertake to determine what is required with respect to the rebate provisions under the Code and that it will comply with any and all Rebate Requirements that may apply to the Bonds in a timely manner. The Issuer hereby covenants that, pursuant to the aforementioned Section 8.01 of the Arbitrage Certificate, the Issuer will require the City to either develop the in-house expertise necessary to assist in the calculation of rebate owed in connection with the Bonds or to retain a qualified expert (i.e., a “*rebate analyst*”) to assist the City and the Issuer to compute any Rebate Requirement and to satisfy the rebate provisions under the Arbitrage Certificate and the Code.

## EXHIBIT A

### CERTIFICATE OF THE UNDERWRITER

Raymond James & Associates, Inc. has acted as representative of the underwriters (the “*Underwriter*”) in connection with the sale and issuance by the City of Syracuse Industrial Development Agency (the “*Issuer*”) of its School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017, in the aggregate principal amount of \$29,260,000 (the “*Bonds*”), issued April 20, 2017, and hereby certifies and represents the following, based upon the information available to us:

1. On April 6, 2017, the date of sale for the Bonds (the “*Sale Date*”), the Underwriter made a bona fide initial offering of the Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices no higher than those shown at the prices referred to in Schedule A, plus accrued interest, if any.

2. On the Sale Date, we reasonably expected that at least 10% of each maturity of the Bonds would initially be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices equal to or less than the respective prices shown on Schedule A. Based upon the Underwriter’s assessment of then-prevailing market conditions and its experience with bonds similar to the Bonds, on the Sale Date, the prices shown on Schedule A were not higher than the respective fair market values of the Bonds.

3. At least ten percent of each maturity of the Bonds (other than Bonds maturing in 2029 and 2030) has been sold to the general public (excluding bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at the initial offering referred to in Schedule A, plus accrued interest, if any.

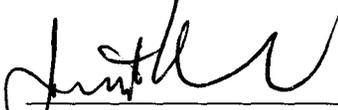

4. Based on the respective prices shown on Schedule A, the aggregate of the initial offering prices of the Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) is \$33,923,314.10.

We have completed our engagement to verify the mathematical accuracy of (a) the computations relating to the adequacy of cash plus U.S. Treasury Securities to be held in escrow to pay the debt service requirements of the School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A (herein referred to as the "Refunded Bonds") issued by the City of Syracuse Industrial Development Agency (herein referred to as the "Agency") for the benefit of the Syracuse Joint Schools Construction Board (herein referred to as the "SJSCB"), the City of Syracuse (herein referred to as the "City") and the City School District of the City of Syracuse (herein referred to as the "District") and (b) the computations supporting the conclusion of Bond Counsel that the School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (herein referred to as the "Refunding Bonds") to be issued by the Agency for the benefit of the SJSCB, the City and the District are not "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended. We express no opinion as to the attainability of the assumptions underlying the computations or the tax-exempt status of the Refunding Bonds. Our verification was performed solely on the information contained in certain schedules of proposed transactions provided by Raymond James & Associates, Inc. (herein referred to as the "Underwriter"). In the course of our engagement to verify the mathematical accuracy of the computations in the schedules provided to us, we prepared Exhibits A through D attached hereto and made a part hereof.

The scope of our engagement consisted of performing the procedures described herein. These procedures were performed in a manner that we deem to be appropriate.

The accompanying exhibits of proposed transactions were prepared on the basis of assumptions underlying the computations and in accordance with the procedures described herein. We did not independently confirm the information used with outside parties.

### **OUR UNDERSTANDING OF THE TRANSACTION**

The Agency intends to issue the Refunding Bonds on April 20, 2017 to advance refund the Refunded Bonds. A portion of the proceeds of the Refunding Bonds will be used to purchase a U.S. Treasury Security (herein referred to as the "Restricted Security") that will be placed into an escrow account, together with cash and U.S. Treasury Securities (herein referred to as the "Bond Fund Securities" and collectively with the Restricted Security as the "Escrowed Securities") to be purchased with certain amounts to be contributed from the bond fund associated with the Refunded Bonds, to advance refund the Refunded Bonds.

The Escrow Agent will pay the debt service requirements of the Refunded Bonds on each scheduled payment date through and including May 1, 2018 and will redeem those Refunded Bonds maturing on May 1, 2019 and thereafter, at a redemption price equal to 100% of par, on May 1, 2018, which is the first optional redemption date for these bonds.

### **ESCROW ACCOUNT TRANSACTIONS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to advance refund the Refunded Bonds.

The presently outstanding debt service requirements of the Refunded Bonds will be satisfied by the purchase of the Escrowed Securities (as described in Exhibit A-3) plus \$40.64 in cash. The Escrowed Securities and cash will be placed in an irrevocable escrow account and held therein until the Refunded Bonds are redeemed as previously described.

We read a copy of the Official Statement for the Refunded Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded Bonds to be current as of April 20, 2017. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits A through B, which indicate that the cash and the Escrowed Securities proposed to be placed in escrow by the Agency are sufficient without reinvestment to pay, when due, the redemption price, sinking fund redemption payments and the principal of and interest on the Refunded Bonds, are mathematically correct.

### **YIELD ON THE REFUNDING BONDS**

We verified the mathematical accuracy of the accompanying computations of the yield on the Refunding Bonds as of April 20, 2017. For purposes of this calculation, yield is defined as the rate of interest which, using the assumptions and procedures set forth herein, discounts the adjusted payments to be made on the Refunding Bonds to an amount equal to the target purchase price of the Refunding Bonds. The computations were made using a 360-day year with interest compounded

semi-annually and treated \$4,663,314.10 as the original issue premium (which results in a target purchase price of \$33,923,314.10).

In conducting our verification, we assumed that the reoffering prices of the Refunding Bonds are as described in Exhibit C-1, that the Refunding Bonds stated to mature on or before May 1, 2027 are not optionally callable prior to maturity, and that the Refunding Bonds stated to mature on May 1, 2028 and thereafter are optionally callable at par on and after May 1, 2027. For each maturity of the Refunding Bonds stated to mature on May 1, 2028 and May 1, 2029 (which represent the only callable maturities with reoffering prices in excess of the safe harbor limit of 102.500%) (herein referred to as the "Callable Premium Bonds"), we tested to determine whether the lowest yield on each such bond is achieved by treating each such bond (1) as being redeemed on any optional redemption date, beginning May 1, 2027 at par plus accrued interest, if any, or (2) as being retired on its stated maturity date. We assumed that all other maturities of the Refunding Bonds would be retired on the dates and in the amounts set forth in Exhibit C-1.

Based upon the assumptions, procedures and information set forth above, the computations provided to us and represented in Exhibits C and C-1, which indicate that the yield on the Refunding Bonds, assuming that each Callable Premium Bond is redeemed at par on May 1, 2027, is 2.07693%, are mathematically correct. It is our opinion that treating each Callable Premium Bond as being redeemed at par on May 1, 2027, rather than treating each such bond as being redeemed at par plus accrued interest, if any, on any other optional redemption date or as being retired on its stated maturity date, results in the lowest yield on each Callable Premium Bond.

#### **YIELD ON THE RESTRICTED SECURITY**

We verified the mathematical accuracy of the accompanying computation of the yield on the Restricted Security based on an assumed settlement date of April 20, 2017 and a purchase price of \$32,766,130.34. For purposes of this calculation, yield is defined as the rate of interest which, using the assumptions and procedures set forth herein, discounts the cash receipts from the Restricted Security to an amount equal to the purchase price of the Restricted Security. The computations were made using a 360-day year with interest compounded semi-annually and were based on the dates the funds are to be received in the escrow account, and assume that all cash balances are not reinvested.

Based upon the procedures and information set forth above, the computations provided to us and represented in Exhibit D, which indicate that the yield on the Restricted Security is 1.10258% (which is less than the yield on the Refunding Bonds), are mathematically correct.

#### **USE OF THIS REPORT**

It is understood that this report is solely for the information of and assistance to the addressees hereof in connection with the issuance of the Refunding Bonds and is not to be used, relied upon, circulated, quoted or otherwise referred to for any other purpose without our written consent, except that (i) reference may be made to the report in the Official Statement for the Refunding Bonds, (ii) reference may be made to the report in the purchase contract or in any closing documents pertaining

- Structure:** The Issuer is seeking to purchase Eligible Securities for the Defeasance Escrow to provide sufficient cash-flow to satisfy draws as set forth in **Exhibit A** herein. The Defeasance Escrow must be funded with Eligible Securities, plus an initial cash deposit made by the Issuer. The Issuer's required initial cash deposit **must** be included in each bidder's Net Cost of Funding in order to allow direct comparisons between bids.

- The Escrow Agent will deliver cash, equal to the purchase price of the Eligible Securities, to the Winning Bidder upon receipt of the Eligible Securities (on a delivery versus payment basis), that together with any initial cash deposit made by the Issuer, will be sufficient to fund the Defeasance Escrow. The final maturities of the Eligible Securities cannot exceed the dates of the disbursements set forth in **Exhibit A**.
- Basis of Award:** The award shall be made to the bidder who provides the lowest overall Net Cost of Funding the Defeasance Escrow (the "Winning Bidder"). Each bidder's Net Cost of Funding **must** include the cost of the Eligible Securities and the Issuer's initial cash deposit required to fund the Defeasance Escrow. The Issuer reserves the right to reject any and all bids in its sole discretion if it determines it is in its best interest to do so.
- Ties:** In the event of a tie in Net Cost of Funding, the Winning Bidder will be selected by lot by the Bidding Agent.
- Identifying Escrow:** Within two (2) hours of award, the Winning Bidder must detail the specific Eligible Securities to be delivered to the Escrow Agent on the Settlement Date. Portfolio details must be provided to the Bidding Agent and the Verification Agent, Causey, Demgen & Moore P.C.

**Award will be subject to escrow verification by the Verification Agent.**

**Any questions regarding this bid may be directed to Anthony Nash, Vice President, Capital Markets Advisors, LLC, at (516) 487-9817 or [anash@capmark.org](mailto:anash@capmark.org).**

**Other Requirements and Provisions:**

1. The Winning Bidder must sign and deliver a certification regarding administrative costs, yield and other matters, so as to satisfy the “safe harbor” regulations promulgated by the Treasury Department in Treas. Reg. § 1.148-5(d)(6)(iii). A form of this certificate is set forth in **Exhibit C** hereto and must be delivered on or prior to the Settlement Date and dated the Settlement Date. **CERTIFICATE OF THE WINNING BIDDER**

The undersigned hereby states and certifies as follows:

1. The undersigned is a \_\_\_\_\_ of \_\_\_\_\_ (the "Winning Bidder"), and is authorized to execute and deliver this certificate on behalf of the Winning Bidder and is knowledgeable with respect to the matters set forth herein.
2. The Winning Bidder is a reasonably competitive provider of Eligible Securities (as defined below), and the Winning Bidder has no material financial interest (within the meaning of Treasury Regulations Section 1.148-5(d)(6)(iii)(B)(1)) in the Bonds described herein other than for the purposes of providing Eligible Securities to satisfy the requirements of the Defeasance Escrow set forth as **Exhibit A**.
3. The Winning Bidder is, on the date hereof, providing eligible securities described in the Request for Bids (the "Eligible Securities") to the Escrow Agent as trustee and escrow agent to the City of Syracuse Industrial Development Agency, New York (the "Issuer") with respect to the Defeasance Escrow created in connection with the Issuer's \$29,400,000\* School Facility Revenue Refunding Bonds, (Syracuse City School District Project) Series 2017 (the "Bonds").
4. The Winning Bidder received a solicitation for bids with respect to the Defeasance Escrow and the Eligible Securities provided satisfy the terms specified in said bid solicitation and any variances from the bid terms have been explained.
5. The Winning Bidder represents that its bid was: (1) determined without consultation with any other bidder, (2) determined without regard to any other formal or informal agreement with the Issuer or any other person (whether or not in connection with the issuance of the Bonds), and (3) not submitted solely as a courtesy to the Issuer, or any person for purposes of satisfying the requirement that (a) at least three bids be obtained from disinterested bidders solicited under bona fide solicitation and (b) at least one of the three bids be from a reasonably competitive bidder.

8. The Winning Bidder does not have any material financial interest in the Bonds and has not sold the Eligible Securities because of an interest in any other transaction directly or indirectly involving the same parties or other parties acting on their behalf. A Winning Bidder is deemed to have a material financial interest if the Winning Bidder is (i) the lead underwriter in a negotiated underwriting transaction, (ii) the financial advisor with respect to the purchase of the Eligible Securities, or (iii) a related party to a provider that has a material financial interest.

**City of Syracuse Industrial Development Agency, New York**

9. The Winning Bidder represents that the purchase price of the Eligible Securities on April 5, 2017 for delivery on the Delivery Date was determined without regard to any payment of any amount in order to reduce or increase the yield on the Eligible Securities.
10. Based upon the reasonable expectations of the Winning Bidder on the date on which the Winning Bidder offered to sell the Eligible Securities, the yield on the portfolio of Eligible Securities is not less than the yield which the Winning Bidder would have offered such Eligible Securities to others, including persons other than Governmental Units, in transactions from sources of funds other than gross proceeds of a bond issue.
11. The Winning Bidder acknowledges that Barclay Damon LLP, Bond Counsel to the Issuer, may rely upon this Certificate as a basis for its opinion regarding the exclusion of interest on the Bonds from gross income of holders thereof for federal income tax purposes. The undersigned is authorized to execute this certificate on behalf of the Winning Bidder, which certifications are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein.

## **ARBITRAGE AND USE OF PROCEEDS CERTIFICATE**

### **CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY SCHOOL FACILITY REVENUE REFUNDING BONDS (SYRACUSE CITY SCHOOL DISTRICT PROJECT), SERIES 2017**

Each of the undersigned, being the President of the Board of Education of the City School District of the City of Syracuse (the "SCSD"), the Chairman of the Syracuse Joint Schools Construction Board (the "SJSCB") and the Commissioner of Finance of the City of Syracuse (the "City" and, the City, the SCSD and the SJSCB, each a "Borrowing Entity" and collectively the "Borrowing Entities"), DO HEREBY CERTIFY with respect to the \$29,260,000 aggregate principal amount of the City of Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "Bonds"), dated April 20, 2017, which are being issued and delivered on the date hereof, as follows:

#### **I. GENERAL**

1.01. The Borrowing Entities are delivering this Arbitrage and Use of Proceeds Certificate (the "Certificate") to the City of Syracuse Industrial Development Agency (the "Issuer") and Barclay Damon, LLP, as bond counsel ("Bond Counsel") to the Issuer, with the understanding that the Issuer will rely on this Certificate in making its representations and covenants in the Tax Certificate dated the date hereof and Bond Counsel will rely in part upon this Certificate in rendering its opinion that interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code").

1.02. This Certificate is being delivered for the purpose of establishing the reasonable expectations and setting forth certain covenants of the Borrowing Entities as to the amount and use of the Proceeds (as hereinafter defined) of the Bonds and of certain other amounts.

1.03. The Bonds are being issued pursuant to the Constitution and statutes of the State of New York (the "State"), including particularly A) the New York State Industrial Development Agency Act, constituting Title 1 of Article 18-A of the General Municipal Law, as amended (the "Enabling Act"), B) Chapter 641 of the 1979 Laws of New York State, as amended (together with the Enabling Act, the "IDA Act") and C) Chapter 5 Part A-4 of the Laws of 2006 of New York State, as amended (the "Syracuse Schools Act").

1.04. The Bonds have been authorized by a Bond Resolution adopted by the members of the Issuer dated January 24, 2017 (the "Resolution") and are being issued pursuant to the terms of an Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (the "Indenture"), between the Issuer and Manufacturers and Traders Trust Company, as trustee (the "Trustee").

1.05. The Bonds will be special limited obligations of the Issuer payable solely from payments received from the City and SCSD pursuant to Installment Sale Agreement (Series 2008 Project) dated as of March 1, 2008 (the "Original Installment Sale Agreement"), as

amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the “First Amendment”), Amendment No. 2 to Installment Sale Agreement (Series 2010 Project) dated as of December 1, 2010 (the “Second Amendment”), Amendment No. 3 to Installment Sale Agreement (Series 2011 Project) dated as of July 1, 2011 (the “Third Amendment”) and Amendment No. 4 to the Installment Sale Agreement (Series 2017 Project) dated as of April 1, 2017 (the “Fourth Amendment” and collectively with the Original Installment Sale Agreement, the First Amendment, Second Amendment and the Third Amendment, the “Installment Sale Agreement”), each among the Issuer, the City, the SCSD and the SJSCB and other funds pledged under the Indenture.

1.06. The Bonds do not constitute a debt of the State nor the City, and neither the State nor the City will be liable thereon, nor will the Bonds be payable out of any funds of the Issuer other than those pledged under the Indenture. Except as provided in Section 4.4 of the Installment Sale Agreement, the obligation of the City and the SCSD to pay installment purchase payments and “Additional Payments” under the Installment Sale Agreement is absolute and unconditional.

1.07. This Certificate sets forth the facts, estimates and circumstances now in existence which are the basis for the expectation of each Borrowing Entity that the Proceeds (as hereinafter defined) of the Bonds and the facilities financed or refinanced thereby will not be used in a manner that would cause the interest on the Bonds to be included in gross income for federal income tax purposes under the Code. To the best of my knowledge and belief, such expectation is reasonable and there are no other facts, estimates or circumstances that would materially change that expectation.

1.08. In making certain warranties, representations and certifications contained herein, each Borrowing Entity has consulted with its respective counsel and financial advisor.

## II. DEFINITIONS

Capitalized terms used herein and not defined shall have the meaning given to them in the Indenture or if not defined in the Indenture in Sections 103 and 141 through 150 of the Code and the applicable Treasury Regulations.

“Bona Fide Debt Service Fund” shall mean a fund, which may include proceeds of an issue, that is used primarily to achieve a proper matching of revenues with principal and interest payments within each Bond Year and is depleted at least once each Bond Year except for a reasonable carry over amount (not in excess of the earnings on the fund for the immediately preceding Bond Year or one-twelfth (1/2) of the principal and interest payments on the issue for the immediately preceding Bond Year).

“Bond Year” shall mean for federal tax purposes, the period beginning on the Closing Date and ending on April 20, 2022 or such other shorter period that the Issuer may select, and each successive one-year or shorter period thereafter.

“Capital Expenditures” shall mean any cost of a type that is properly chargeable to a capital account (or would be so chargeable to a capital account with a proper election or with the application of the definition of placed in service under Section 1.150-2(c) of the Treasury

Regulations) under general federal income tax principles (e.g., costs incurred to acquire, construct or improve land, buildings and equipment generally are capital expenditures), it being understood that whether an expenditure is a capital expenditure is determined at the time the expenditure is paid with respect to the property and that future changes in law do not affect whether an expenditure is a capital expenditure.

“Closing Date” shall mean April 20, 2017, the date of the initial issuance and physical delivery of the Bonds.

“Equipment” shall mean all items of machinery, equipment, furniture, furnishings and fixtures necessary or attendant to the use of a Facility.

“Escrow Agreement” shall mean the Refunding Escrow Trust Agreement dated as of April 1, 2017, among the Issuer, the SCSD and the Refunded Bonds Trustee.

“Escrow Fund” shall mean the irrevocable refunding escrow established with the Refunding Bonds Trustee under the Escrow Agreement.

“Facilities” shall have the meaning set forth in Section 3.01 of this Arbitrage and Use of Proceeds Certificate.

“Fair Market Value” of an Investment shall have the following meanings:

(a) In General. Except as elsewhere specifically stated below, the Fair Market Value of an Investment is the price at which a willing buyer would purchase the Investment from a willing seller in a *bona fide*, arm’s-length transaction.

(b) Treasury Obligation. The Fair Market Value of a Treasury Obligation that is purchased directly from the United States Treasury is its purchase price.

(c) Certificate of Deposit. The Fair Market Value of a certificate of deposit with a fixed interest rate, a fixed payment schedule and a substantial penalty for early withdrawal is its purchase price, provided the Yield on the certificate of deposit is not less than (i) the Yield on reasonably comparable direct obligations of the United States, and (ii) the highest Yield published by the provider and currently available from the provider on reasonably comparable certificates of deposit offered to the public.

(d) Guaranteed Investment Contracts and Yield Restricted Defeasance Escrows. The Fair Market Value of a guaranteed investment contract or an investment purchased for a Yield restricted defeasance escrow is its purchase price, provided the Issuer makes a *bona fide* solicitation for such contract that satisfies all of the following requirements:

(i) The bid specifications are in writing and are timely forwarded to potential providers.

(ii) The bid specifications include all material terms of the bid; material terms are defined as terms that may directly or indirectly affect the Yield or cost of the investment.

(iii) The bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Issuer or any other Person (whether or not in connection with the bond issue), and that the bid is not being submitted solely as a courtesy to the Issuer or any other Person for purposes of satisfying the requirements of the applicable provisions of the Treasury Regulations.

(iv) The terms of the bid specifications are commercially reasonable, *i.e.*, there is a legitimate business purpose for the term other than to increase the purchase price or reduce the Yield of the investment (for example, for solicitations of investments for a Yield restricted defeasance escrow, the hold firm period must be longer than the Issuer reasonably requires).

(v) With respect to purchases of guaranteed investment contracts only, the terms of the solicitation take into account the reasonably expected deposit and draw down schedule for the amounts to be invested.

(vi) All potential providers have an equal opportunity to bid; for example, no potential provider is given the opportunity to review other bids (*i.e.*, a last look) before providing a bid.

(vii) At least three (3) reasonably competitive providers are solicited for bids; reasonably competitive provider is a provider that has an established industry reputation as a competitive provider of the investments being purchased.

(A) *The bids received must meet all of the following requirements:*

(i) The Issuer receives at least three (3) bids from providers that the Issuer solicited under a *bona fide* solicitation, which bids meet the requirements set forth immediately above and that do not have a material financial interest in the issue. A lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until fifteen (15) days after the Issue Date of the issue. In addition, any entity acting as financial advisor with respect to the purchase of the investment at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue. A provider that is a related party to a Person that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(ii) At least one (1) of the three (3) bids received is from a reasonably competitive provider of such types of investments, as described in paragraph (vii) above.

(iii) If the Issuer uses an agent to conduct the bidding process, the agent did not bid to provide the investment.

(B) *The winning bid is:*

(i) In the context of a guaranteed investment contract, the highest yielding *bona fide* bid (determined net of any broker's fees).

(ii) In the context of investments other than guaranteed investment contracts, the lowest cost *bona fide* bid (including any broker's fees). The lowest cost bid is either the lowest cost bid for the portfolio or, if the Issuer compares the bids on an investment by investment basis, the aggregate cost of a portfolio comprised of the lowest cost for each investment. Any payment received by the Issuer from a provider at the time the investment is purchased (*e.g.*, an escrow float contract) for a Yield restricted defeasance escrow under a bidding procedure meeting the requirements of this definition is taken into account in determining the lowest cost bid.

In general, the lowest cost *bona fide* bid (including any broker's fee) may not be greater than the cost of the most efficient portfolio comprised exclusively of SLGS. The cost of the most efficient portfolio of SLGS is to be determined at the time that bids are required to be submitted pursuant to the terms of the bid specifications. This requirement to compare to the most efficient SLGS portfolio does not apply if SLGS are not available for purchase on the date that bids are required to be submitted because sales of those securities have been suspended.

The provider of the investments or the obligor on the guaranteed investment contract certifies the administrative costs that it pays (or expects to pay), if any, to third parties in connection with supplying the investment.

The Issuer must retain the following records with the bond documents until three (3) years after the last outstanding bond is redeemed:

(i) For guaranteed investment contracts, a copy of the contract, and for other types of purchases, the purchase agreement or confirmation.

(ii) The receipt or other record of the amount actually paid by the Issuer for the investment, including a record of any administrative costs paid by the Issuer to third parties and the certification of such costs.

(iii) For each bid that is submitted, the name of the Person and entity submitting the bid, the time and date of the bid and the bid results.

(iv) The bid solicitation form and, if the terms of the purchase agreement or the guaranteed investment contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose of the deviation. If the Issuer replaces an investment in the winning bid portfolio with another investment, the purchase price of the investment must be bid under a bidding procedure meeting the requirements of this definition.

(v) For purchases of investments other than guaranteed investment contracts, the most efficient portfolio of SLGS, determined at the time that the bids were required to be submitted pursuant to the terms of the bid specifications.

“Fixed Yield Issue” shall mean any issue if each bond that is part of such issue is a bond whose Yield is fixed and determinable on the issue date. For purposes of this rule, two (2) bonds whose Yields are not so fixed and determinable are treated as a single fixed yield bond if such aggregate Yield treatment would result in the single bond being a fixed yield bond and the terms of the bond do not contain any feature that could distort the aggregate fixed Yield from what it would be if a single fixed yield bond were issued.

“Fowler Project” shall mean general renovation and rehabilitation to the existing school building at Fowler High School, the construction of an addition thereto, the reconstruction of athletic fields and seating for such existing school building and the acquisition and installation of Equipment necessary and attendant to and for the use of such existing school building.

“Gross Proceeds” shall have the meaning used in Section 1.148-1(b) of the Treasury Regulations, and generally means all Proceeds and Replacement Proceeds.

“Investment” shall mean Investment Property and any tax-exempt bond.

“Investment Proceeds” shall mean any amounts actually or constructively received from investing Proceeds.

“Investment Property” shall mean (i) any security (within the meaning of Section 165(g)(2)(A) or (B)); (ii) any obligation (other than tax-exempt obligations which are not “specified private activity bonds” within the meaning of Section 57(a)(5)(C) of the Code), interests in certain regulated investment companies and demand deposit SLGS; (iii) any annuity contract within the meaning of Section 72 of the Code; (iv) any residential real property for family units not located within the jurisdiction of the Issuer and which is not required to implement a court-ordered or approved housing desegregation plan; or (v) any investment-type property (including a contract that would be a hedge (within the meaning of Section 1.148-4(h) of the Treasury Regulations), except that it contains a significant investment element) that is held as a passive vehicle for the production of income (including any prepayment for property or services if a principal purpose of prepayment is to receive an investment return from the time the prepayment is made until the time payment would otherwise have been made).

“Materially Higher,” with respect to the Yield on Investments, has the meaning set forth in Section 1.148-2(d) of the Treasury Regulations.

“Middle School Project” shall mean the replacement of the roof, upgrade to the structural steel and roof deck and general rehabilitation and renovation to existing school buildings at each of Shea Middle School and the Clary Middle School and the acquisition and installation of Equipment necessary and attendant to and for the use of such existing school buildings.

“Nonpurpose Investment” shall mean any Investment Property in which Gross Proceeds are invested other than a Purpose Investment.

“Opinion of Bond Counsel” shall mean a written opinion of counsel nationally recognized in the area of municipal finance to the effect that such action or inaction described in said opinion will not impair the exclusion of interest on the Bonds from gross income for purposes of federal income taxation.

“Present Value” or “PV” means the amount determined by using the following formula:

$$PV = \frac{FV}{(1+i)^n}$$

where i equals the discount rate divided by the number of compounding intervals in a year and n equals the sum of (i) the number of whole compounding intervals for the period beginning on the date as of which Present Value is computed and ending on the date the amount is to be received or paid or on a Computation Date; and (ii) a fraction, the numerator of which is the length of any short compounding interval during such period and the denominator of which is the length of a whole compounding interval.

“Prior Indenture” shall mean the Indenture of Trust (Series 2008 Project) dated as of March 1, 2008, by and between the Issuer and the Refunded Bonds Trustee.

“Private Use” shall have the meaning set forth in Section 6.04 of this Arbitrage and Use of Proceeds Certificate and in Section 141 of the Code, along with the Treasury Regulations promulgated thereunder.

“Proceeds” shall mean any Sale Proceeds, Investment Proceeds, and Transferred Proceeds, as defined in Section 1.148-1(b) of the Treasury Regulations, if any, other than amounts actually or constructively received with respect to a Purpose Investment that are properly allocable to the immaterially higher yield under Section 1.148-2(d) of the Treasury Regulations or to qualified administrative costs recoverable under Section 1.148-5(e) of the Treasury Regulations.

“Purchase Contract” shall mean the Purchase Contract dated April 6, 2017, among the Issuer, the SJSCB, the SCSD, the City and the Underwriter.

“Purpose Investment” shall mean an investment that is acquired to carry out the governmental purpose of the Bonds. For purposes of the Bonds, the Installment Sale Agreement is a Purpose Investment.

“Refunded Bonds” shall mean the City of Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A in the original aggregate principal amount of \$49,230,000.

“Refunded Bonds Trustee” shall mean Manufacturers and Traders Trust Company, as trustee under the Prior Indenture.

“Replacement Proceeds” shall have the meaning set forth in Section 1.148-1(c) of the Treasury Regulations.

“Sale Proceeds” shall mean any amounts actually or constructively received by the Issuer from the sale of the Bonds (other than pre-issuance accrued interest).

“SLGS” shall mean a U.S. Treasury Book Entry Securities, State and Local Government Series.

“Smith Project” shall mean the general renovation and rehabilitation to the existing school building at H.W. Smith Pre-K-8 School and the construction of an addition to such existing school building and the acquisition and installation of Equipment necessary and attendant to and for the use of such existing school building.

“Spendable Proceeds” shall mean the Sale Proceeds, less any Sale Proceeds invested in a reasonably required reserve or replacement fund under Section 148(d) of the Code and as part of a minor portion under Section 148(e) of the Code.

“Tax Certificate” shall mean a certain Tax Certificate dated April 20, 2017 and executed by the Issuer.

“Tax-Exempt Investments” shall mean SLGS and any bond (other than a private activity bond as described in Section 57(a)(5)(C)) of the Code, the interest on which is excluded from federal gross income.

“Transferred Proceeds” shall mean proceeds of a prior issue that are allocable to a refunding issue at the time proceeds of the refunding issue are used to pay principal of the prior issue.

“Treasury Obligations” shall mean non-callable direct obligations of the United States of America.

“Treasury Regulations” shall mean such regulations (including final, temporary and proposed) promulgated by the United States Department of the Treasury including Treasury Regulations issued pursuant to Section 103 of the Internal Revenue Code of 1954, as amended, and Sections 103 and 141 through 150, inclusive, of the Code.

“Underwriter” shall mean Raymond James & Associates, Inc., as representative of the Underwriters.

“Verification Report” shall mean a report entitled “Verification Report for the School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017” dated April 20, 2017 prepared by Causey Demgen & Moore P.C. and attached hereto as Exhibit to the Tax Certificate.

“Weeks Project” shall mean the general renovation and rehabilitation to the existing school building at Dr. Weeks Elementary School and the acquisition and installation of Equipment necessary and attendant to and for the use of such existing school building.

“Yield” shall mean the yield computed on an issue of obligations under Section 1.148-4 of the Treasury Regulations and on an Investment under Section 1.148-5 of the Treasury Regulations in either case by compounding interest at the end of each compounding interval.

(a) *When used with respect to a Fixed Yield Issue*, Yield means that discount rate that, when used in computing the Present Value of (i) all unconditionally payable payments of principal and interest of or on the bonds included in such Fixed Yield Issue, (ii) all unconditionally payable fees for Qualified Guarantees (as defined in Treasury

Regulation Section 1.148-4(f) and Qualified Hedges (as defined in Treasury Regulation 1.48-4(h)(2)) on such bonds, and (iii) all fees expected to be paid for Qualified Guarantees and Qualified Hedges produces an amount equal to the sum of the Present Value of the aggregate Issue Prices of the bonds comprising the issue (determined using the same discount rate used to determine the Present Value of payments for principal, interest and Qualified Hedges and Qualified Guarantees). The Yield is computed as of the issue date of the Fixed Yield Issue by treating each bond included in the issue that is either subject to mandatory or contingent early redemption or to certain optional redemption provisions as being redeemed on its expected early redemption date for an amount equal to its Value on that date. If a fixed yield bond (i) is subject to optional redemptions within five (5) years of its issue date and the Yield not taking into account the optional redemption is more than one-eighth (1/8) of one percent (1%) above its Yield assuming the early redemption; (ii) is issued at an issue price that exceeds the stated redemption price at maturity by more than one-quarter (1/4) of one percent (1%) multiplied by the product of the stated redemption price to maturity and the number of complete years to the first optional redemption date for the bond; or (iii) bears interest at increasing interest rates, the Yield on the issue including such Fixed Yield Bond is computed by treating the fixed yield bond as redeemed at its stated redemption price on the optional redemption date that produces the lowest Yield on the issue. No adjustment will be made on any Computation Date to the Yield on a Fixed Yield Issue as computed on its issue date unless redemption rights are subsequently transferred to a third party or termination payments are received with respect to Qualified Hedges. The Yield on a fixed yield bond is calculated in the same manner as Yield on a Fixed Yield Issue.

(b) *When used with respect to any Investment allocated to an Issue*, Yield means the Yield on the Investment computed using the same compounding interval and financial conventions used to calculate the Yield on the issue of obligations to which it is allocated. The Yield on an Investment allocated to an issue is the discount rate that, when used on the date the Investment is first purchased with Gross Proceeds or allocated to Gross Proceeds of the issue to compute the Present Value on that date of all unconditionally payable nonpurpose receipts from the Investment, produces an amount equal to the Present Value on that date of all unconditionally payable nonpurpose payments for the Investment.

### III. PURPOSE OF ISSUE

3.01. The Bonds are being issued (i) refund all of the Refunded Bonds and (ii) pay issuance costs of the Bonds and redemption costs of the Refunded Bonds.

3.02. The Refunded Bonds were issued pursuant to the Prior Indenture (A) to finance certain design costs relating to Blodgett School, Dr. Weeks Elementary School, Clary Middle School, Shea Middle School, H. W. Smith Elementary School and Fowler High School; (B) to finance a portion of the costs of (1) the construction of an addition to, and rehabilitation of, the Institute of Technology at Syracuse Central and the acquisition and installation therein of Equipment and (2) construction and rehabilitation of the Middle School Project, the Fowler Project, the Smith Project and the Weeks Project (collectively, the "Facilities") for the SCSD;

and (C) to provide moneys to establish certain reserves and pay various costs of issuance and related fees with respect to the Refunded Bonds.

3.03. The Refunded Bonds maturing on May 1, 2017 and May 1, 2018 (the “Non-Callable Bonds”) will be refunded on their respective maturity dates. The Refunded Bonds maturing on May 1, 2019 through and including May 1, 2030 (the “Callable Bonds”) will be redeemed prior to maturity at a redemption price equal to one hundred percent (100%) of the par amount thereof not later than May 1, 2018 (the “Redemption Date”), which is the first optional redemption date for the Callable Bonds.

3.04. The refunding of the Refunded Bonds will result in debt service savings (the “Savings”) to the SCSD having a net Present Value of approximately \$3,345,778.35 or 9.62% of the principal amount of the Refunded Bonds, using a discount factor equal to the Yield on the Bonds.

3.05. In addition, Chapter 127 of the Laws of 2016 (the “Refunding Legislation”) requires that refunding savings must be spent on capital projects that are eligible apportionment pursuant to subdivision 6 of Section 3602 of the New York Education Law. Based on the forgoing, refunding of the Non-Callable Bonds will ensure that the Savings are spent in accordance with the Refunding Legislation, as acknowledged in the Installment Sale Agreement by making it possible to front-load the expenditure of the Savings equally in fiscal years 2016-2017 through and including 2019-2020 for which the universe of eligible capital projects has been preliminarily identified by the SCSD.

#### **IV. SALE PROCEEDS AND OTHER AMOUNTS**

4.01. Sale Proceeds. The Bonds were sold pursuant to the Purchase Contract. As a result of the sale of the Bonds, the Issuer will receive \$33,844,438.34, which represents the aggregate principal amount of the Bonds in the amount \$29,260,000.00, plus original issue premium on the Bonds in the amount of \$4,663,314.10, for a subtotal of \$33,923,314.10 (the “Sale Proceeds”), less underwriting discount of \$78,875.76. The Sale Proceeds in the amount of \$32,766,130.34 will be deposited in the Escrow Fund on the Issue Date (the “Refunding Proceeds”). The remaining portion of the Sale Proceeds will be used to pay the costs of the issuance with respect to the Bonds in the amount of \$360,439.81 as set forth on Exhibit B attached hereto and the amount of \$717,868.19 of the Sale Proceeds will be deposited in the Bond Fund and used to pay debt service on the Bonds.

4.02. Bond Fund Release. Based on the information received from the Trustee, there was \$4,032,412.52 on deposit in the Bond Fund for the Refunded Bonds (“Bond Fund Proceeds”). All of Bond Fund Proceeds will be released from the Prior Indenture in conjunction with the refunding (the “Refunded Bond Fund Release”) and will be deposited in the Escrow Fund for the Refunded Bonds on the Issue Date and invested as described in Section 5.03(b) hereof.

4.03. Application of Sale Proceeds of the Bonds and Other Amounts. The Sale Proceeds of the Bonds and other amounts described in Section 4.02 will be deposited:

Additional Proceeds	<u>439.81</u>
<b>Total</b>	<b><u>\$ 37,955,726.62</u></b>

As shown and stated above, the Refunding Proceeds in the amount of \$32,766,130.34 and the Refunded Bond Fund Release in the amount of \$4,032,412.52 will be deposited in the Escrow Fund for the Refunded Bonds and will be invested pursuant to the Escrow Agreement. A portion of the Refunded Bond Fund Release in the amount of \$40.64 will be retained as initial cash in the Escrow Fund for the Refunded Bonds. The remaining portions of the Refunded Bond Fund Release in the amount of \$4,032,371.88, and the Refunding Proceeds will be used to purchase Treasury Obligations on April 20, 2017 (collectively, the “Invested Portion”). Copies of the Escrow Bidding Materials for such Treasury Obligations are attached to the Tax Certificate as Exhibit C. The Verification Agent, in its Verification Report, has verified the adequacy of the maturing Treasury Obligations in the applicable Escrow Fund and the interest thereon, together with the initial cash retained in such funds, (i) with respect to the Refunded Bonds, to pay the interest on the Refunded Bonds due on May 1, 2017 through and including the Redemption Date (as defined in Section 3.05 hereof), (ii) pay the redemption price of the Callable Bonds on the Redemption Date, and (iii) pay the principal of the Non-Callable Bonds on May 1, 2017 and November 1, 2018.

**V. TERMS OF THE BONDS AND CALCULATION OF YIELD**

5.01. For purposes of this Certificate, Yield is calculated as set forth in Section 148(b) of the Code and Sections 1.148-4 and 1.148-5 of the Treasury Regulations. The Underwriter has certified in the Certificate of the Underwriter attached as Exhibit A to the Tax Certificate dated as of the date hereof that the issue price of the Bonds is \$33,923,314.10, which represents the price at which the Bonds were sold to the public (excluding bond houses, brokers, and other intermediaries). The Yield on the Bonds has been calculated by the Underwriter and verified in the Verification Report to be at least 2.076937%.

5.02. As of the Issue Date, all of the Gross Proceeds of the Refunded Bonds have been expended, except for a portion of the proceeds in the amount of \$1,806,921.20 held in the Project Fund established under the Prior Indenture (the "Unexpended Proceeds") and the Refunded Bond Fund Release. The Unexpended Proceeds will be transferred to the Refunded Proceeds Fund established under the Indenture. Notwithstanding such transfer, the Unexpended Proceeds are for federal income tax purposes, allocated to the Refunded Bonds until the respective Transfer Date (as defined below). The SCSD has determined that the Unexpended Proceeds are necessary to pay Capital Expenditures for disputed claims arising under the agreements, as more particularly described in Exhibit C attached hereto. As the Refunded Bonds were issued more than two (2) years before the Issue Date, no exceptions to rebate, as applicable to the Refunded Bonds, apply to the Unexpended Proceeds. Based on the foregoing, portions of the Unexpended Proceeds, which remain unexpended on each date proceeds of the Bonds discharge a portion of the principal of the Refunded Bonds (each, a "Transfer Date"), will become Transferred Proceeds of the Bonds and will cease to be proceeds of the Refunded Bonds as of such Transfer Dates pursuant to Section 1.148-10(i) of the Treasury Regulations, except that for purposes of Section 5.07, pursuant to Section 1.148-10(c)(3) of the Treasury Regulations, the Unexpended Proceeds are treated as Transferred Proceeds of the Bonds as of the Issue Date rather than the applicable Transfer Dates. The Borrowing Entities expect as of the date hereof that the Transfer Date will be May 1, 2018 which is the first date that proceeds of the Bonds will discharge a portion of the principal of the Refunded Bonds.

5.03. Each of the City and the SCSD understands that (i) the proceeds of the Bonds and after the Transfer Date, Unexpended Proceeds (other than as set forth in Section 5.08(b)) may not be invested at a Yield that is Materially Higher than the Yield on the Bonds and (ii) prior to the Transfer Date the Unexpended Proceeds may not be invested at a Yield Materially Higher than the Yield on the Refunded Bonds.

(a) The Borrowing Entities elect to waive, pursuant to Section 1.148-9(g) of the Treasury Regulations, the right to invest such Sale Proceeds without restriction as to Yield. As a result of such waiver, such Sale Proceeds must not be invested at a Yield Materially Higher than the Yield on the Bonds.

(b) On the date the Bonds were priced, SLGS were not available for purchase. The Treasury Obligations for the Escrow Fund were purchased using a bidding process intended to satisfy the requirements of Section 1.148-5(d)(6) of the Treasury Regulations. The Treasury Obligations acquired with the portion of the Sale Proceeds deposited in the Escrow Fund with respect to the Refunded Bonds (as described in Section 4.01 above) will be invested at a Yield of 1.102576%. Such Yield is not higher than the Yield on the Bonds.

(c) The Sale Proceeds used to pay costs of issuance of the Bonds may be invested without restriction as to Yield for a temporary period of thirteen (13) months after the Issue Date and may not be invested thereafter at a yield Materially Higher than the Yield on the Bonds.

(d) Investment Proceeds may be invested without restriction as to Yield for a temporary period of one (1) year after receipt.

(e) The SCSD and the City will not invest the Unexpended Proceeds (i) prior to the Transfer Date, at a Yield Materially Higher than the Yield on the Refunded Bonds; and (ii) on and after the Transfer Date at a Yield Materially Higher than the Yield on the Bonds. The Yield on the Refunded Bonds shown on Form 8038 with respect to the Refunded Bonds is 4.4555%.

(f) A minor portion of the Gross Proceeds of the Bonds (other than the Unexpended Proceeds) may be invested without restriction as to Yield in an amount not exceeding the lesser of (i) \$100,000 or (ii) five percent (5%) of the Sale Proceeds.

(g) Amounts that may not be invested at an unrestricted Yield, if any, will be invested in either (i) Nonpurpose Investments at a Fair Market price which produces a Yield not Materially Higher than the Yield on the Bonds, (ii) Treasury Obligations which produce a Yield not Materially Higher than the Yield on the Bonds, or (iii) Tax-Exempt Investments.

5.04. No Hedging Transactions. The Borrowing Entities do not expect to enter into any transactions to hedge interest rate risk with respect to the Bonds.

5.05. No Replacement Proceeds. The SCSD hereby certifies that the average weighted maturity of the Bonds (6.8012 years, as shown in Exhibit B hereto) does not exceed one hundred twenty percent (120%) of the remaining average reasonably expected economic life of the Facilities to be refinanced with the proceeds of the Bonds, all as determined under Section 147(b) of the Code. Based on the foregoing, the SCSD does not expect Replacement Proceeds to arise with respect to the Bonds.

5.06. No Overissuance and No Excess Gross Proceeds.

(a) Each of the Borrowing Entities hereby certifies that the proceeds of the Bonds, including Investment Proceeds, will not exceed the amount necessary for the purposes of the Bonds. For purposes of this Agreement, the term "proceeds" means the net amount (after payment of all expenses of issuing the Bonds) beneficially received by the SCSD as a result of the sale of the Bonds, except that, for the purposes of this Article V, the term "proceeds" does not include pre-issuance accrued interest, if any, on the Bonds from their dated date to the Issue Date.

(b) The proceeds of the Bonds, other than the proceeds that will be (i) used to pay principal, interest and call premium, if any, on the Refunded Bonds, (ii) used to pay pre-issuance accrued interest on the Bonds, and interest on the Bonds that accrues for a period up to the completion date of any Project refinanced by the Bonds, plus one (1) year, if any, (iii) allocated to a reasonably required reserve or replacement fund for the Bonds or Investment Proceeds of such a fund, (iv) used to pay the issuance costs of the Bonds, (v) used to pay the administrative costs of repaying the Refunded Bonds, or the costs of carrying and repaying the Bonds, or the reasonable, direct costs of acquiring and disposing of the investments of the Refunded Bonds, (vi) Transferred Proceeds allocable to expenditures for governmental purposes of the Refunded Bonds from which such Transferred Proceeds derive, if any, (vii) Replacement Proceeds in a sinking fund for the Bonds, if any, (viii) allocable to interest on Purpose Investments, (ix) used to pay Qualified Guarantee fees for the Bonds or the Refunded Bonds, and

(x) used to pay fees for qualified hedge for the Bonds, will not exceed one percent (1%) of the Sale Proceeds. The portion of the Bonds in the amount of \$718,868.19 deposited in the Bond Fund to pay interest on the Bonds due November 1, 2017 are Replacement Proceeds and the Bond Fund is a sinking fund reasonably expected to be used to pay principal or interest on the Bonds. The Unexpended Proceeds are expected to be used to pay expenditures for governmental purposes of the Refunded Bonds.

5.07. Funds and Accounts Pledged to or Expected to be Used for Payment of Debt Service. The Indenture creates the following funds and accounts which are pledged to or expected to be used for payment of debt service on the Bonds: the Project Fund; the Bond Fund, including the Principal Account, the Interest Account and the Redemption Account therein; and the Refunded Proceeds Fund. The State Aid Trust Agreement among the SCSD, the City and the Depository Bank thereunder creates the State Aid Depository Fund into which all State Aid Revenues are deposited, except for any amount of State Aid Revenues withheld from the City or the SCSD in accordance with the State Aid Trust Agreement or State law. The State Aid Depository Fund is not pledged as security for the payment of debt service on the Bonds. However, a portion of the State Aid Revenues is transferred periodically to the Trustee for deposit in the Bond Fund and to trustees of other revenue bonds of the Issuer issued for the Borrowing Entities.

(a) Project Fund. Other than proceeds of the Bonds that will be used to pay costs of issuance of the Bonds, no proceeds of the Bonds are expected to be deposited in the Project Fund.

(b) Bond Fund and State Aid Depository Fund. The SCSD certifies that the Bond Fund, including the Principal Account, the Interest Account and the Redemption Account therein, is to be used to pay debt service on and redemption price of the Bonds. The Bond Fund and the portion of the State Aid Depository Fund allocable to payment of debt service on the Bonds qualify as *Bona Fide* Debt Service Funds. Amounts deposited into such funds on and after the Issue Date may be invested without restriction as to Yield until used to pay debt service on the Bonds in the case of the Bond Fund and until transferred to the Bond Fund in the case of the State Aid Depository Fund; and any investment earnings will be expended on debt service on the Bonds within thirteen (13) months of initial receipt, subject to the rebate provisions of Article IV below.

(c) Rebate Fund. As set forth in the Indenture, the Rebate Fund is not pledged as security for the repayment of the Bonds. Proceeds of the Bonds deposited in the Rebate Fund may be invested without restriction as to Yield.

(d) Refunded Proceeds Fund. Unexpended Proceeds of the Refunded Bonds will be transferred to the Refunded Proceeds Fund. The SCSD and the City certify that Unexpended Proceeds are to be used to pay Capital Expenditures of the Facilities. Proceeds of the Unexpended Proceeds are not eligible for a temporary period and may be invested only in accordance with Section 5.03(e) at a Yield Materially Higher than the Yield on the Refunded Bonds or the Bonds, as applicable.

(e) No Other Sinking Funds/Pledge Funds. While other funds or accounts may be pledged under the Indenture as security for the Bonds, neither the Issuer nor the Borrowing Entities expect to use moneys in any of such funds or accounts to pay debt service on the Bonds. Moreover, there is no assurance that amounts in funds or accounts, other than the Bond Fund, would be available in fact (because of depletion for the purposes for which such funds or accounts were created) for payment of debt service on the Bonds. Moreover, neither the Issuer nor the Borrowing Entities have created, nor does either intend to create or establish, Pledge Funds, sinking fund or other funds, other than the Bond Fund, which they reasonably expect to be used for the payment of debt service on the Bonds.

5.08. Universal Cap. On each Valuation Date, the City on behalf of the Issuer will value the Universal Cap (as defined in Treasury Regulation Section 1.148-6(b)(2)) and the Nonpurpose Investments allocable to the Bonds under the Universal Cap. Nonpurpose Investments in a *Bona Fide* Debt Service Fund such as the Bond Fund do not reduce the aggregate value of Nonpurpose Investments that may be allocated to the Bonds under the Universal Cap. Nonpurpose Investments cease to be allocated to the Bonds to the extent such Nonpurpose Investments have been expended for the governmental purpose of the Bonds, or to the extent the value of such Nonpurpose Investments exceeds the value permitted to be allocated to the Bonds under the Universal Cap. To the extent Nonpurpose Investments cease to be allocated to the Bonds and the value of the Universal Cap exceeds the value of the remaining Nonpurpose Investment allocated to the Bonds, other Nonpurpose Investments may become allocated to the Bonds, provided that such Nonpurpose Investments are not already properly allocated to another bond issue and provided that such allocation does not cause the value of Nonpurpose Investments allocated to the Bonds to exceed the Universal Cap.

Generally, if Gross Proceeds of the Bonds invested in Nonpurpose Investments exceed the Universal Cap on a Valuation Date, such Nonpurpose Investments cease to be allocated to the Bonds in the following order:

- (i) amounts allocable to Replacement Proceeds,
- (ii) amounts allocable to Transferred Proceeds, if any,
- (iii) amounts allocable to Sale Proceeds and Investment Proceeds of the Bonds.

Where a Nonpurpose Investment ceases to be allocated to the Bonds, such Nonpurpose Investment may be reallocated to another bond issue subject, however, to the Universal Cap calculated with respect to such bond issue. A Nonpurpose Investment which is reallocated to another bond issue may be valued under the same valuation method pursuant to which it was valued for purposes of applying the Universal Cap with respect to the Bonds.

Notwithstanding anything in this Agreement to the contrary, the failure to perform the determination of Nonpurpose Investments allocable to the Bonds as of a Valuation Date shall not be considered a violation of this provision if the value of Nonpurpose Investments allocated to the Bonds did not exceed the value of the Bonds outstanding on such date.

5.09. No Prohibited Payments. The Borrowing Entities have not entered into and will not enter into any transaction to reduce the yield on the investment of the proceeds of the Bonds

in such a manner that the amount to be rebated to the federal government is less than it would have been had the transaction been at arm's length and the Yield on the Bonds not been relevant to either party. In such regard, the Borrowing Entities understand that the purchase price of any security, certificate of deposit, guaranteed investment contract or other financial instrument in which proceeds of the Bonds are invested will be considered to be the Fair Market Value if the requirements for the determination of Fair Market Value for such security, certificate of deposit, guaranteed investment contract or other financial instrument are satisfied.

5.10. Disposition Receipts. The Borrowing Entities will consult with Bond Counsel as to how to invest and dispose of any amounts received from the condemnation, insurance or disposition of any part of the Facilities which are expected to be used for the payment of debt service on the Bonds.

5.11. Allocation of Proceeds to Expenditures. The City and the SCSD understand that proceeds of the Bonds may be treated as expended on the date such proceeds are applied to the payment of costs characterized as Capital Expenditures. The City and the SCSD covenant and agree that no proceeds of the Bonds or the Refunded Bonds were or will be used to make a grant or to pay working capital expenditures. Other than the Unexpended Proceeds, the City and the SCSD have allocated Proceeds of the Refunded Bonds to expenditures.

## VI. GENERAL PROVISIONS REGARDING USE OF PROCEEDS AND USE OF THE FACILITIES

6.01. Tax-Exempt Bonds. Each of the Borrowing Entities represents, warrants and covenants that it will not take any action or inaction, nor fail to take any action or permit any action to be taken, with respect to the Facilities or the Bonds if any action or inaction would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds under Section 103 of the Code.

6.02. No Leases. Each of the Borrowing Entities represents, warrants and covenants that, except for the license granted to the Issuer (as described in the Installment Sale Agreement), they have not leased and will not lease the Facilities.

6.03. No Use by Non-Governmental Persons. Each of the Borrowing Entities represents, warrants and covenants that no Borrowing Entity (or any related party of any of the Borrowing Entities within the meaning of Section 1.150-1(b) of the Treasury Regulations) will enter into, and has entered into, any contract, agreement or arrangement with any nongovernmental person which provides for such person or organization to manage, operate or provide services with respect to the Facilities, unless an Opinion of Bond Counsel is delivered to the Borrowing Entities, the Issuer and the Trustee indicating that either (a) the safe-harbor guidelines set forth in Revenue Procedure 97-13, 1997-1 C.B. 632, as modified by I.R.S. Revenue Procedure 2001-39 for contracts executed on or prior to August 17, 2017 (and not materially modified or extended on or after August 17, 2017) or the guidelines set forth in I.R.S. Revenue Procedure 97-13, as modified by I.R.S. Revenue Procedure 2001-39 are satisfied, or (b) the guidelines set forth in I.R.S. Revenue Procedure 2016-44, as modified, amplified and superseded by I.R.S. Revenue Procedure 2017-13 or subsequent guidance, are satisfied.

6.04. No Private Use. Each Borrowing Entity represents, warrants and covenants that it reasonably expects to use all Bond Proceeds and all facilities that are financed thereby for educational purposes in a manner that will not give rise to Private Use for the entire stated term to maturity of the Bonds. Further, each Borrowing Entity represents, warrants and covenants that no portion of the Proceeds of the Bonds or the Facilities have been or will be used directly or indirectly in a trade or business carried on by a natural person, or in any activity carried on by a person other than a natural person (“Private Use”) excluding, however, use by a state or local governmental unit and use as a member of the general public. In addition, each Borrowing Entity represents, warrants and covenants that no portion of the principal of or interest on the Bonds during the term thereof is, under the terms of the Bonds or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for a Private Use or in payments in respect of property used or to be used for a Private Use or is to be derived from payments, whether or not to any of the Borrowing Entities, in respect of property or borrowed money used or to be used for a Private Use.

6.05. No Loans. Each Borrowing Entity represents, warrants and covenants that it has not and will not use any portion of the Bonds to make or finance loans to any person

6.06. No Federal Guarantee. Each of the Borrowing Entities represents, warrants and covenants that it will not directly or indirectly use or permit the use of or otherwise invest any Proceeds of the Bonds or any other funds of a Borrowing Entity or take or omit to take any action that would cause the Bonds to be obligations which are “federally guaranteed” within the meaning of Section 149(b) of the Code. In furtherance thereof, the Borrowing Entities will not allow the payment of the principal or interest with respect to the Bonds to be guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof. The Borrowing Entities also will not, except as provided in the next sentence, use five percent (5%) or more of the Proceeds of the Bonds to make or finance loans the payment of the principal or interest with respect to which are guaranteed (directly or indirectly) in whole or in part by the United States or any agency or instrumentality thereof, nor will a Borrowing Entity invest five percent (5%) or more of the Proceeds of the Bonds in federally insured deposits or accounts. However, Proceeds of the Bonds may be invested without regard to the limitation in this Section 2.3 as follows: investments in any bona fide debt service fund, investments in any reasonably required reserve or replacement fund (as defined in Section 148(d) of the Code), investments in obligations issued by the United States Department of the Treasury and other investments as permitted in Treasury Regulations (e.g., obligations issued pursuant to Section 21B(d)(3) of the Federal Home Loan Bank Act, as amended by Section 511 of the Financial Institutions Reform, Recovery and Enforcement Act of 1989, or any successor provision).

6.07. Expenditure of Proceeds. The SCSD and the City reasonably expected on the Issue Date of the Refunded Bonds (a) that at least 85% of the Spendable Proceeds of the Refunded Bonds would be expended on the costs associated with the construction and equipping of the Facilities within three years of the date of issuance thereof, and (b) that not more than 50% of the proceeds of the Refunded Bonds would be invested in Nonpurpose Investments having a substantially guaranteed yield for four (4) years or more. Accordingly, the Bonds are not hedge bonds pursuant to Section 149(g)(3)(C) of the Code.

6.08. Investment Property.

(a) General Rule. No Investment Property may be acquired with Gross Proceeds for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) in excess of the Fair Market Value of such Investment Property. No Investment Property may be sold or otherwise disposed of for an amount (including transaction costs, except as otherwise provided in Section 1.148-5(e)(2) of the Treasury Regulations) less than the Fair Market Value of the Investment Property.

6.09. Information Reporting. With respect to the Bonds, the Borrowing Entities direct the Issuer to file an Internal Revenue Service Form 8038-G with the Internal Revenue Service.

VII. ARBITRAGE REBATE

7.01. Each Borrowing Entity acknowledges that the United States Department of the Treasury has issued regulations with respect to the method of computing whether any rebate amount is due to the federal government under Section 148(f) of the Code.

7.02. Each Borrowing Entity specifically covenants and agrees to comply with all provisions of Section 148 of the Code and the Treasury Regulations promulgated thereunder for the purpose of assuring that none of the Bonds become “arbitrage bonds” with the meaning of such term in Section 148 of the Code.

7.03. In furtherance of the covenants and agreements made in other parts of this Article VIII, and without any limitation thereof, the City and SCSD covenant and agree, for itself and on behalf of the Issuer, that, in the event any Proceeds that are subject to Yield Restriction are found to have been invested in such a manner as the applicable Yield Restriction has been exceeded, the City and the SCSD will cause yield reduction payments to be made to the United States under the authority of, and pursuant to the requirements of Treasury Regulation 1.148-5(c). As provided in Treasury Regulation 1.148-5(c), any such yield reduction payments are to be made within the times and in the manner provided for payments of Rebate Amount as provided in Treasury Regulation 1.148-3.

7.04. The City on behalf of the Issuer covenants that it will undertake to determine what is required with respect to the rebate provisions contained in Section 148(f) of the Code and will comply with any and all requirements that may apply to the Bonds in a timely manner and with Article V of the Tax Certificate. In that regard, the Borrowing Entities will, on a timely basis, provide the Issuer with all necessary information and payments of earnings on the Bond Proceeds and such other amounts as the Issuer shall deem necessary, to enable the Issuer to comply with Article V of the Tax Certificate and the arbitrage and rebate requirements of the Code, including without limitation the provisions relating to payment of arbitrage rebate found in Section 148 of the Code.

7.05. Each Borrowing Entity covenants to maintain all records relating to the requirements of the Code and the representations, certifications and covenants set forth in this Certificate until the date three (3) years after the last outstanding Bonds have been retired. If any of the Bonds are refunded by tax-exempt obligations (the “Refunding Obligations”), each Borrowing Entity covenants to maintain all records required to be retained by this 7.05 until the

later of the date three (3) years after the last outstanding Bonds have been retired or the date three (3) years after the last Refunding Obligations have been retired. The records that must be retained include, but are not limited to:

(a) Basic records and documents relating to the Bonds (including the Indenture, the Installment Sale Agreement and the opinion of Bond Counsel);

(b) Documentation evidencing expenditure of Bond Proceeds;

(c) Documentation evidencing use of the Facilities by public and private sources (*e.g.*, copies of management contracts, research agreements, leases, etc.);

(d) Documentation evidencing all sources of payment or security for the Bonds; and

(e) Documentation pertaining to any investment of Bond Proceeds (including the purchase and sale of securities, United States Treasury Securities – State and Local Government Series subscriptions, yield calculations for each class of investments, actual investment income received from the investment of Proceeds, guaranteed investment contracts, and rebate calculations) including, without limitation and as applicable, information regarding purchase price, nominal rate of interest, amount of accrued interest purchased, par or face amount, purchase date, maturity date, amount of original issue discount or premium, type of investment property, frequency of periodic payments, period of compounding, yield to maturity, disposition date and amount, brokerage commissions and market data sufficient to establish that the purchase price was equal to fair market value.

7.06. The Borrowing Entities hereby acknowledge the creation, under the Indenture, of the Rebate Fund, into which the Issuer will deposit or cause to be deposited any monies received in accordance with this Arbitrage and Use of Proceeds Certificate for purposes of paying rebate to the United States Treasury Department and which is so identified. The City and the SCSD hereby further covenants that the City and the SCSD, on behalf of the Issuer, shall deposit, or cause to be deposited, with the Trustee or direct the Trustee to transfer from designated funds, any amount in the Rebate Fund as necessary to increase or decrease the sum held in the Rebate Fund for the Rebate Requirement.

7.07. The City agrees to develop the in-house expertise necessary to assist in the calculations of the rebate owed in connection with the Bonds, as shall be reasonably satisfactory to the Issuer, or to retain a qualified expert reasonably satisfactory to the Issuer to assist the City and the Issuer with such calculations.

## VIII. MISCELLANEOUS MATTERS

8.01. Authorization to Execute. Each undersigned is an authorized representative of the respective Borrowing Entity identified above its signature acting for and on behalf of such Borrowing Entity in executing this Certificate. To the best of the knowledge and belief of the undersigned, there are no other facts, estimates or circumstances that would materially change the expectations as set forth herein, and said expectations are reasonable.

8.02. Survival of Defeasance of Bonds. Notwithstanding any provision in this Certificate or the Resolution to the contrary, the obligation to remit the rebate requirement, if any, to the United States Department of the Treasury and to comply with all other requirements contained in this Certificate shall survive defeasance of the Bonds.

8.03. Counterparts. This Arbitrage Certificate may be simultaneously executed in several counterparts, each of which will be an original all of which shall constitute but one and the same instrument.

8.04. Headings for Convenience. Any headings preceding the texts of the several Articles and Sections of this Arbitrage and Use of Proceeds Certificate shall be solely for convenience of reference and shall not constitute a part of this Arbitrage Certificate, nor shall they affect its meaning, construction or effect.

8.05. Compliance with Code for Refunded Bonds. The Borrowing Entities acknowledge that their obligations (including without limitation with respect to private use, Yield restriction, rebate and recordkeeping) under the Code and the arbitrage and use of proceeds certificate entered into with respect to the Refunded Bonds survive defeasance of the Refunded Bonds.

On an annual basis, no later than one calendar year after the end of each respective Fiscal Year, commencing with the Fiscal Year ended June 30, 2017, the JSCB shall provide, on behalf of the SCSD or shall cause the Dissemination Agent to provide, to the Repository, an Annual Report which is consistent with the requirements of Sections 3 and 4 of this Disclosure Agreement. In each case, the Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information, as provided in Section 4(ii) hereof. If the Fiscal Year changes, the JSCB shall give notice of such change in the same manner as required for a Listed Event. The JSCB shall provide sufficient copies of the Annual Reports to facilitate the Dissemination Agent’s carrying out its duties, as set forth under this Disclosure Agreement.

If the Dissemination Agent has not received on or before the last business day of a Fiscal Year, an Annual Report from the JSCB, on behalf of the SCSD, for the preceding Fiscal Year, and the Dissemination Agent does not have actual knowledge that the Annual Report has been provided to the Repository, the Dissemination Agent shall send a notice to the Repository in substantially the form attached hereto as Exhibit A, with a copy to the SCSD and the City.

The Dissemination Agent shall file a report with the JSCB and (if the Dissemination Agent is not the Trustee) with the Trustee, certifying that the Annual Report has been provided to the Repository to this Disclosure Agreement, stating the date it was so provided.

SECTION 4. Content of Annual Report. The Annual Report shall contain or include by reference the following core financial information and operating data:

The audited or unaudited financial statements of the SCSD may be provided in the same manner.

(iii) Information Categories. The requirements contained in this Disclosure Agreement under Section 4(i)(b) are intended to set forth a general description of the type of financial information and operating data to be provided; such descriptions are not intended to state more than general categories of financial information and operating data; and where the provisions of Section 4(i)(b) call for information that no longer can be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be provided.

#### SECTION 5. Reporting of Listed Events.

(c) The JSCB, on behalf of the SCSD, shall provide or shall cause the Dissemination Agent to provide in a timely manner to the Repository, written notice of a failure of any officer or other person authorized by the SCSD to comply with Sections 3, 4 and 5 hereof.

2. The event notice, as described in Section 5(a)(8) above, with regard to a mandatory scheduled redemption not otherwise contingent upon the occurrence of an event, if (i) the terms, dates and amounts of redemption are set forth in detail in the Indenture, (ii) the only open issue is which Series 2017 Bonds will be redeemed in the case of a partial redemption, (iii) notice of redemption is given to the Bondholders as required under the terms of the Series 2017 Bonds, and (iv) public notice of the redemption is given pursuant to 1934 Act Release No. 23856 of the SEC, even if the originally scheduled amounts are reduced by prior optional redemptions or Bond purchases; and

**SECTION 7. Dissemination Agent.** The JSCB may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the JSCB, on behalf of SCSD or the City pursuant to this Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee. For so long as the Trustee shall be the Dissemination Agent, the JSCB shall pay the Dissemination Agent an annual fee of \$500.00 upon the execution of this Disclosure Agreement and on each anniversary thereof.

**SECTION 8. Amendments.** An amendment to the requirements set forth in this Disclosure Agreement (the “Requirements”) may only take effect if:

(a) The amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the SCSD, or type of business conducted; the Requirements, as amended, would have complied with the requirements of the Rule at the time of sale of the Series 2017 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and the amendment does not materially impair the interests of Bondholders and/or Beneficial Owners, as determined by parties unaffiliated with the SCSD (such as, but without limitation, the SCSD’s financial advisor or transaction counsel) and the annual financial information containing (if applicable) the amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the “impact” (as that word is used in the letter from the SEC staff to the National Association of Bond Lawyers dated June 23, 1995) of the change in the type of operating data or financial information being provided; or

(b) All or any part of the Rule, as interpreted by the staff of the SEC at the date of the Series 2017 Bonds, ceases to be in effect for any reason, and the SCSD elects that the Requirements shall be deemed terminated or amended (as the case may be) accordingly.

(c) In addition to subsections (a) and (b) above, this Disclosure Agreement may be amended by written agreement of the parties, without the consent of the Bondholders and/or Beneficial Owners, of the Bonds, if all of the following conditions are satisfied: (1) the JSCB, on behalf of the SCSD, shall have delivered to the Trustee an opinion of Counsel, addressed to the SCSD, the City, the JSCB, the Issuer and the Trustee, to the effect that the amendment is permitted by rule, order or other official pronouncement, or is consistent with any interpretive advice or no-action positions of Staff of the SEC, and (2) the Trustee shall have delivered copies of such opinion and amendment to (i) the MSRB and (ii) the Issuer. The Trustee shall so deliver such opinion and amendment within one Business Day after receipt by the Trustee.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the JSCB from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the JSCB, at the direction of the SCSD or the City, chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the JSCB shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default; Venue. No Bondholder may institute any suit, action or proceeding at law or in equity ("Proceeding") for the enforcement of the Requirements (the "Undertaking") or for any remedy for breach thereof, unless such Bondholder shall have filed with the SCSD evidence of ownership and a written notice of and request to cure such breach, and the SCSD shall have refused to comply within a reasonable time. All Proceedings shall be instituted only as specified herein, in any federal or state court located in the State and for the equal benefit of all holders of the outstanding bonds benefited by the same or a substantially similar covenant, and no remedy shall be sought or granted other than specific performance of the covenant at issue.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. The Dissemination Agent (if other than the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and the SCSD agrees to release the Dissemination Agent and the Trustee from any claim arising out of the discharge of any duties hereunder and to defend, indemnify and save the Trustee and the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Trustee and the Dissemination Agent's negligence or willful misconduct. The obligations of SCSD under this Section 11 shall survive resignation or removal of the Dissemination Agent and payment of the Series 2017 Bonds.

Ladies and Gentlemen:

This letter sets forth our understanding with respect to all issues (the "Securities") that Issuer shall request be made eligible for deposit by The Depository Trust Company ("DTC").

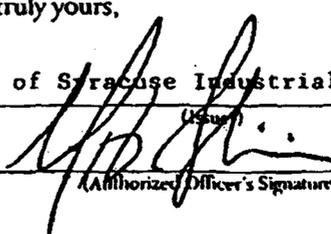

To induce DTC to accept the Securities as eligible for deposit at DTC, and to act in accordance with DTC's Rules with respect to the Securities, Issuer represents to DTC that Issuer will comply with the requirements stated in DTC's Operational Arrangements, as they may be amended from time to time.

Note:

Schedule A contains statements that DTC believes accurately describe DTC, the method of effecting book-entry transfers of securities distributed through DTC, and certain related matters.

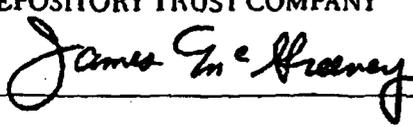

Very truly yours,

SCHEDULE A

**SAMPLE OFFERING DOCUMENT LANGUAGE  
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE**

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

SCHEDULE "A"  
TO UCC-1 FINANCING STATEMENTS  
FROM CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY  
TO MANUFACTURERS AND TRADERS TRUST COMPANY, AS TRUSTEE  
RELATING TO THE INDENTURE

CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY (the "*Agency*") has entered into a certain Indenture of Trust (Series 2017) dated as of April 1, 2017 (the "*Indenture*") by and between the Agency and Manufacturers and Traders Trust Company, as trustee (the "*Trustee*"), for the holders of the Agency's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 in the aggregate principal amount of \$29,260,000 (the "*Series 2017 Bonds*"). Capitalized terms used but not defined herein shall have the meanings assigned thereto in Schedule A attached to the Indenture.

Pursuant to the Indenture, the Agency assigned and granted a security interest in the following to the Trustee, and its successors in trust and assigns, for the securing of the performance of the obligations of the Agency set forth in the Indenture:

1. All moneys and securities from time to time held by the Trustee under the terms of this Indenture including amounts set apart and transferred to the Project Fund, the Refunded Proceeds Fund, the Bond Fund or any special fund, and all investment earnings of any of the foregoing, subject to disbursements from such funds in accordance with the provisions of the Installment Sale Agreement and this Indenture (and when so disbursed, such amounts shall automatically be released from the assignment, pledge, lien and security interest of this Indenture); provided, however, there is expressly excluded from any assignment, pledge, lien or security interest any amounts set apart and transferred to the Rebate Fund.

2. All right, title and interest of the Agency in and to the Installment Sale Agreement, including all installment purchase payments, revenues and receipts payable or receivable thereunder, excluding, however, the Agency's Reserved Rights, which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally; provided, however, that no exercise by the Agency of the Agency's Reserved Rights shall limit or restrict the rights of the Trustee or the Bondholders to exercise their rights and remedies under the Security Documents.

3. All right, title and interest of the Agency in and to the State Aid to Education pursuant to the Syracuse Schools Act, subject, however: (i) to the right of the Agency or any other public entity to make any future pledges, of no greater priority than the pledge effected under this Indenture, of its respective right, title and interest in and to the State Aid to Education; and (ii) to the right of the Agency to receive state and/or school aid payable to the City or the SCSD, for application in the priority set forth in Section 5.4 hereof, in satisfaction of the Agency's Reserved Rights (which Reserved Rights may be enforced by the Agency and/or the Trustee, jointly or severally).

4. Any and all other property of every kind and nature from time to time which was heretofore or hereafter is by delivery or by writing of any kind conveyed, mortgaged, pledged, assigned or transferred, as and for additional security hereunder, by the Agency or by any other person, firm or corporation with or without the consent of the Agency, to the Trustee which is hereby authorized to receive any and all such property at any time and at all times to hold and apply the same subject to the terms hereof.

as of April 1, 2017 (as the same may be amended or supplemented, the "**Indenture**"), made and entered into between the Agency and the Trustee for the purpose of refunding: (a) the Agency's outstanding School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A (the "**Series 2008A Bonds**") in the principal amount of \$34,780,000; and (b) to pay permitted issuance costs, if any, costs of credit enhancement, if any, and fund a debt service reserve fund, if any, all with respect to the Series 2017 Bonds and pay the redemption costs of the Refunded Bonds. The City of Syracuse, New York (the "**City**") and the City School District of the City of Syracuse, a school district of the State of New York (the "**SCSD**") have granted a license to the Agency in and to the Facilities pursuant to a Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017, amendatory of a License Agreement (Series 2008 Project), dated as of March 1, 2008, as amended by a First Amendment to the License Agreement dated as of December 1, 2010, (Series 2010 Project); as further amended pursuant to a Second Amendatory License Agreement dated as of July 1, 2011, each among the City, the SCSD and the Agency (collectively, the "**License**", as the same may be further amended, modified or supplemented from time to time). The Agency has sold its interest in the Facilities to the City and the SCSD pursuant to Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as of even date herewith (the "**Fourth Amended Agreement**"), amendatory of a certain Installment Sale Agreement (Series 2008A Project), dated as of March 1, 2008 (the "**Original Agreement**") as previously amended by Amendment No. 1 to Agreement dated as of March 1, 2009 (the "**First Amended Agreement**"); and by Amendment No. 2 to Agreement (Series 2010 Project) dated as of December 1, 2010 (the "**Second Amended Agreement**"); as further amended by Amendment No. 3 to Agreement ("**Series 2011 Project**") dated as of July 1, 2011 (the "**Third Amended Agreement**" and together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, collectively, the "**Installment Sale Agreement**" as same may further be amended or supplemented), each between the Agency, the City, the SCSD and the Joint School Construction Board (the "**JSCB**"). The Installment Sale Agreement requires, among other things, the payment by the City and the SCSD of Installment Purchase Payments as scheduled payments equal to the principal of and interest on the Series 2017 Bonds and any Additional Bonds that were or may be issued under a Series Indenture (collectively, the "**Bonds**") as the same become due, (the "**Installment Purchase Payments**"). Capitalized terms used herein and not otherwise defined shall have the meaning ascribed thereto in the Indenture.

**Pledge and Security.** The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid to Education (as defined in the State Aid Depository Agreement referred to below) appropriated by the State and available to the City and/or the SCSD, and budgeted by the SCSD and appropriated by the City and the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys so available and appropriated, *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the State to appropriate State Aid to Education or a failure by the City or the SCSD to budget and appropriate funds) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit nor the taxing powers of the City are pledged to

the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness or moral obligation of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the "**State**"). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and budgeted and appropriated for such purpose by the City and the SCSD and, to the extent of any Installment Purchase Payment deficiency, state and/or school aid payable to the City or the SCSD received by the Trustee pursuant to the intercept by the State Comptroller.

Each of the SCSD, the City and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or assigns, the "**Depository Bank**"), have entered into a State Aid Depository Agreement dated as of March 1, 2008 ("**Depository Agreement**") as previously amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to Depository Agreement**"), and together with the Depository Agreement, collectively the "**State Aid Depository Agreement**" as the same may be further amended or supplemented from time to time), to provide for, among other things, the payment of all State Aid to Education into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to a Debt Service Reserve Fund or equivalent fund, if any, established under any other Series Indenture (no such fund being established hereunder), and the balance to the General Fund (as defined in the State Aid Depository Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Depository Agreement are on file at the principal corporate trust office of the Trustee at One M & T Plaza, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2017 Bonds, the charging and collection of Installment Purchase Payments for the Facilities, the custody and application of the proceeds of the Series 2017 Bonds, the rights and remedies of the holders of the Series 2017 Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2017 Bonds as the same become due, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid to Education as provided above.

The Series 2017 Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2017 Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for a description of the property pledged, assigned and otherwise available for the payment of the

Series 2017 Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2017 Bonds, and the terms upon which the Series 2017 Bonds are issued and secured.

**Additional Bonds.** As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities, providing funds to repair, relocate, replace, rebuild, or restore an affected Facility in the event of damage, destruction or taking by eminent domain, providing additions, rehabilitation or recreational facilities to one or more Facilities, or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

### **Redemption of Series 2017 Bonds.**

(a) *General Optional Redemption.* The Series 2017 Bonds maturing from May 1, 2017 to and including May 1, 2027 are not subject to optional redemption prior to the maturity thereof. The Series 2017 Bonds maturing on and after May 1, 2028 are subject to redemption, in whole or in part, at any time on or after May 1, 2027 (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by the City of its intention to prepay Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus in each case accrued interest to the redemption date.

(b) *Mandatory Redemption.* The Series 2017 Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2017 Project, or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2017 Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2017 Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2017 Bond to be redeemed at the address for such owner shown on the registration books. All Series 2017 Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2017 Bonds called for redemption shall become due and payable on the redemption date, *provided, however*, that with respect to any redemption of the Series 2017 Bonds as provided in paragraph (a) above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on such Series 2017 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem such Series 2017 Bonds. In the event that such notice of redemption contains such a

condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2017 Bonds so called for redemption at the place or places of payment, such Series 2017 Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2017 Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2017 Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2017 Bond so affected, shall not affect the validity of the redemption of such Series 2017 Bond.

**Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Amendment of Indenture.** The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

**Book-Entry System.** The Series 2017 Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2017 Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2017 Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2017 Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall

be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2017 Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

**Denominations.** The Series 2017 Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

**Exchange of Series 2017 Bonds.** The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2017 Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2017 Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2017 Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2017 Bonds to be redeemed, or (ii) transfer or exchange any Series 2017 Bonds selected, called or being called for redemption in whole or in part.

**Transfer of Series 2017 Bonds.** This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2017 Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

**No Acceleration of Series 2017 Bonds.** In no event shall the principal of any Series 2017 Bond be declared due and payable in advance of its final stated maturity.

**Limitation on Bondholder Enforcement Rights.** The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

**Special Obligation of the Agency.** This bond and the issue of which it forms a part are special obligations of the Agency, payable by the Agency solely out of the Installment Purchase Payments, revenues or other receipts, funds or moneys of the Agency pledged under the Indenture and from any amounts otherwise available under the Indenture for the payment of the Series 2017 Bonds.

**Estoppel Clause.** It is hereby certified, recited and declared that all conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the issuance of this bond and the issue of which it forms a part are within every debt and other limit prescribed by the laws of the State of New York.

**No Personal Liability.** Neither the members, directors, officers or agents of the Agency nor any person executing this bond shall be liable personally or be subject to any personal liability or accountability by reason of the issuance hereof.

**Authentication by Trustee.** This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

In connection with the issuance of the Series 2017 Bonds, I have reviewed the Opinion of the Corporation Counsel dated April 20, 2017, delivered in connection with the issuance of the Series 2017 Bonds.

For purposes of this certificate: (i) all definitions with respect to any document shall be deemed to refer to such document only as it exists as of the date of this certificate and not as of any future date; and (ii) all definitions with respect to any Person shall be deemed to refer to such Person only as it exists as of the date of this certificate and not as of any future date or to any successor or assign.

Each of the undersigned, Mayor and Commissioner of Finance of the City, respectively, Does Hereby Certify that:

1. I am the duly elected or appointed officer of the City and am duly authorized to execute and deliver this certificate in the name and on behalf of the City.
2. The City is duly constituted and validly existing as a municipal corporation under the Constitution and the laws of the State, and authorized to enter into the transactions contemplated by the Purchase Contract and the other City Documents.
3. Each of Ordinance No. 8-08 adopted on January 7, 2008, and approved by the Mayor of the City on January 10, 2008; Ordinance No. 55-08 of the Common Council of the City adopted on February 25, 2008, and approved by the Mayor of the City on February 27, 2008, as amended by Ordinance No. 84-08 of the Common Council of the City adopted on March 10, 2008 and approved by the Mayor of the City on March 10, 2008; Ordinance Nos. 459-2010, 460-2010, 461-2010 and 462-2010 all adopted on September 13, 2010 and approved by the Mayor of the City on September 4, 2010; Ordinance No. 299-2011 adopted on June 20, 2011, and approved by the Mayor of the City on June 23, 2011; and Ordinance No. 113-2017 adopted on February 6, 2017, and approved by the Mayor of the City on February 8, 2017, (collectively the “**Ordinances**”), remain in full force and effect as of the date hereof and has not been supplemented, amended or repealed since their adoption. Copies of the Ordinances are attached hereto at **Exhibit “A”**.

4. All actions on the part of the City, including necessary and appropriate review by the City's Corporation Counsel, necessary or appropriate for execution and delivery of the City Documents and issuance of the Series 2017 Bonds have been completed. All conditions precedent set forth in the Ordinances have occurred and have been satisfied, in each case for the execution and delivery of the City Documents by the undersigned or the JSCB in the name and on behalf of the City and the performance by the City of its obligations under the City Documents.
5. The execution and delivery of the City Documents by the City or by the JSCB on the City's behalf have been duly authorized by all necessary corporate, administrative and legislative action and, when executed and delivered, the City Documents will constitute the valid and binding obligations of the City enforceable against the City in accordance with their terms (except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws of general applicability affecting the enforcement of creditors' rights and subject to general principles of equity, regardless of whether such enforceability is considered in equity or in law), and compliance with the provisions of all of them, under the circumstances contemplated thereby, did not, as of the date of the Purchase Contract and do not at the Closing Date, in any material respect conflict with, or constitute on the part of the City a breach of or default under, any agreement or other instrument to which the City is a party or any existing law, administrative regulation, court order or consent decree to which the City is subject and when executed and delivered, the City Documents will be valid and binding agreements of the City.
6. The representations made by the JSCB on behalf of the City in the Purchase Contract are true and correct in all material respects at and as of the Closing Date and each of the obligations of the City under the Purchase Contract to be performed at or prior to the Closing Date have been performed.
7. The City has received all necessary approvals from the State Education Department for the design, reconstruction, rehabilitation, construction and equipping of the Series 2017 Project.
8. Except as disclosed in the Preliminary Official Statement dated March 28, 2017, with respect to the Series 2017 Bonds (the "***Preliminary Official Statement***") and the Official Statement, since April 6, 2017, no material or adverse change has occurred in the financial position or results of operations, business, or affairs of the City, and the City has not, since March 28, 2017, incurred any material liabilities other than in the ordinary course of business or as set forth in or contemplated by the Official Statement. To the best of my knowledge, no event affecting the City has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any material respect as of the Closing Date.

9. No action, suit, proceeding or investigation is pending or (to the best of my knowledge) threatened against the City or (to the best of my knowledge, no independent investigation having been made) any other person in any court or before any Court, governmental authority, legislative body, board, agency or commission: (a) seeking to restrain or enjoin the issuance or delivery of any of the Series 2017 Bonds; or (b) in any way contesting or affecting the validity of the Series 2017 Bonds, or the validity or enforceability of the Purchase Contract or the other City Documents or the transactions contemplated thereby; or (c) which if determined adversely to the City, would adversely affect the financial condition of the City.
10. The City is not in breach of, or in default under, any applicable law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, note, resolution, agreement or other instrument to which the City is, a party or otherwise subject, which breach or default would in any way materially and adversely affect the issuance of the Series 2017 Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act; and no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default; and the issuance, sale and delivery of the Series 2017 Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act will not conflict with or constitute a breach of or default under any agreement or other instrument to which the City is a party or otherwise subject.
11. The City has determined that the Series 2017 Project is essential to the proper administration of the public schools within the City and meets the essential needs of the students and residents, respectively, of the SCSD and the City. The City has further determined that the Series 2017 Project shall continue to be essential to such administration and to meet such needs throughout the term of the Third Amended Agreement.
12. No event of default or event which, with notice or lapse of time or both, would constitute an event of default under any of the City Documents has occurred and is continuing.
13. The statements and information contained in the Preliminary Official Statement and the Official Statement (with the exception of statements and information under the headings, "PROGRAM PARTICIPANTS - all subheadings other than the City," "THE ISSUER," "TAX MATTERS," and "APPENDIX E —Form of Opinion of Bond Counsel") do not, as of the date of the Purchase Contract and the Closing Date, contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading.

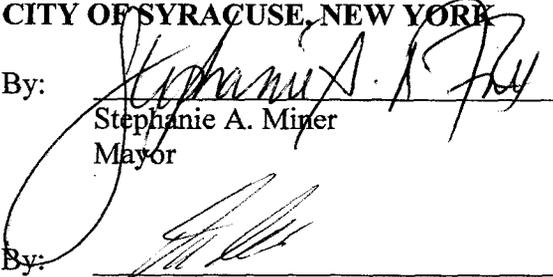

14. The City has not failed during the previous five years to comply in all material respects with any of its undertakings in previous written continuing disclosure contracts or agreements under Rule 15c2-12.

### CERTIFICATE OF APPROVAL OF PLANS AND SPECIFICATIONS

Building: Central Tech Voc Ctr

Facilities Planning Project Control Number

4	2	1	8	0	0	0	1	0	1	2	5	0	0	7	0	5	0	0	7	1	1	2	2	8	0	6
District BEDS Code							Facility Code				Project No.				Review Number				Approval Date							

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

**During Construction -** Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections -** Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

Richard P. Mills

WHEREAS, the Program provides for the JSCB, on behalf of the City and the School District, to undertake Projects (as defined in the Act) in phases, the first phase of which consisted of substantial rehabilitation and reconstruction of seven existing public school buildings of the School District (the "Series 2008 Project") and financing of the costs of the Series 2008 Project with proceeds of revenue bonds to be issued by the City

of Syracuse Industrial Development Agency ("*SIDA*") in the principal amount of up to \$180,000,000 (the "*Bonds*"); and

**WHEREAS**, pursuant to Article 8 of the Environmental Conservation Law of the State, as amended, and the regulations of the Department of Environmental Conservation of the State promulgated thereunder (collectively referred to hereinafter as "*SEQRA*"), it was determined that the first stage of the work to be financed by the Series 2008A Bonds would not have a "significant effect on the environment" (as such quoted terms are defined in SEQRA) and a negative declaration was therefore issued; and

**WHEREAS**, in April of 2009 the JSCB, acting as "lead agency", reviewed the proposed additions, modifications and renovations that constituted the second phase of the Series 2008 Project and which were to be financed by the Series 2010 Bonds, determined that such work would not have a "significant effect on the environment" and issued a negative declaration; and

**WHEREAS**, in May of 2011 the JSCB, acting as "lead agency", reviewed the proposed additions, modifications and renovations that constituted the third phase of the 2008 Project and which are to be financed by the Series 2011 Bonds, determined that such work would not have a "significant effect on the environment" and issued a negative declaration; and

**WHEREAS**, pursuant to the Act and as contemplated in the Plan, the JSCB, on behalf of the City and the School District, previously requested, and SIDA did, issue and sell its revenue bonds in an aggregate principal amount of \$49,230,000 (the "*Series*

Such transfer being conditioned upon SIDA issuing QSCABs in a like amount on behalf of the School District; and

**WHEREAS**, pursuant to Section 11 of the Act, the JSCB, on behalf of the City and the School District, had previously entered into a Program Manager Agreement dated as of December 5, 2007, as the same may be amended or supplemented from time to time, (the "*Program Manager Agreement*"), with Gilbane Building Company in conjunction with the Series 2008A Project; the JSCB, on behalf of the City and the School District, shall take all steps necessary to ensure that the Program Manager Agreement covers the Series 2011 Project, including but not limited to extending and/or renegotiating the Program Manager Agreement if necessary; and

**WHEREAS**, SIDA, the City, the School District and the JSCB will enter into Amendment No. 3 to the Installment Sale Agreement (Series 2011 Project) ("*Amendment No. 3 to Installment Sale Agreement*"), pursuant to which SIDA will sell its interest in the Series 2011 Project to the City and School District, the JSCB, on behalf of the City and School District, will agree to undertake and complete the Series 2011 Project and the City and the School District will, among other things, agree to make installment purchase payments in an amount sufficient to pay debt service on the Series 2011 Bonds and other amounts due under Amendment No. 3 to the Installment Sale Agreement solely from and to the extent of State Aid Revenues (as defined in the Amendment No. 3 to the Installment Sale Agreement); and

**WHEREAS**, the City and the School District will enter into a Second Amendment to State Aid Trust Agreement with Manufacturers and Traders Trust Company, acting as Depository Bank (the "*Depository*") and the Trustee, to provide for, among other things, the payment of all State Aid Revenues into the State Aid Depository Fund (as defined therein) maintained with the Depository for periodic transfer to the Bond Fund (as defined in the First Supplemental Indenture) toward payment of the Series 2010 Bonds, and, to the extent of any deficiency therein, to the Debt Service Reserve Fund, if any, and the balance to the General Fund (as defined therein); and

**WHEREAS**, pursuant to the Act, in the event that the City and the School District shall fail to make a payment due under Amendment No. 3 to the Installment Sale Agreement, SIDA (or the Trustee acting on its behalf), shall so certify the amount not paid to the OSC who shall thereupon withhold such amount from any state aid payable to the City for the benefit of the School District and immediately pay over same to the Agency (or the Trustee); and

**WHEREAS**, pursuant to the Act, the City and the School District will give an irrevocable written direction to the OSC to pay all State Aid Revenues to the Depository for deposit into the State Aid Depository Fund; and

**WHEREAS**, Jefferies & Company, Inc., as representative of the Underwriters (the "*Underwriters*"), has offered to purchase the Series 2011 Bonds and will prepare a preliminary official statement and will prepare a final official statement with respect to the Series 2011 Bonds (the "*Official Statement*") for use in the offering of the Series 2011 Bonds by the Underwriters; and

**WHEREAS**, the terms and conditions of the proposed purchase of the Series 2011 Bonds by the Underwriters will be set forth in a Bond Purchase Agreement (the "*Bond Purchase Agreement*") to be entered into by SIDA, the City, the School District and the Underwriters; and

**WHEREAS**, based on preliminary information provided by the Underwriters and the fee to be charged by SIDA, the JSCB made a preliminary comparison of the financing available from SIDA with the financing expected to be available from the New York State Municipal Bond Bank Agency ("*MBBA*") for the Series 2011 Project and made a preliminary determination that financing the Series 2011 Project through the Series 2011 Bonds may reasonably be expected to result in the lowest cost to the taxpayers of the City and the State; and

**WHEREAS**, the issuance of the Series 2011 Bonds is subject to the School District, the City, the JSCB and SIDA determining based on pricing and other information furnished by the Underwriters that financing the Series 2011 Project through the Series 2011 Bonds rather than through financing from MBBA results in the lowest cost to the taxpayers of the City and the State; and

**WHEREAS**, the issuance of the Series 2011 Bonds is subject to the approval by the Board of Education of the School District, the City, and the Commissioner of Education of the plans and specifications relative to the Series 2011 Project in accordance with the Act; and

**WHEREAS**, the issuance of the Series 2011 Bonds is subject to approval thereof by SIDA, the City and the JSCB; **NOW, THEREFORE**,

**BE IT ORDAINED**, that the City hereby determines that the Series 2011 Project is essential to the proper administration of the public schools within the City, meets the essential needs of the students and residents, respectively, of the School District and the City and will continue to be essential to such administration and to meet such needs throughout the term of Amendment No. 3 to the Installment Sale Agreement; and

a) ratify the Program Manager Agreement, as amended, in accordance with the terms hereof;

b) grant or continue its license to SIDA to enter the Building for the purpose of undertaking and completing the Series 2011 Project pursuant to a license agreement, and sell to SIDA all Equipment necessary or attendant to the Series 2011 Project pursuant to the Bill of Sale, with such amendments or modifications as the Mayor or the City's Commissioner of Finance (referred to hereinafter individually and collectively as an "Authorized Officer") deems necessary under the circumstances upon advice of the Corporation Counsel;

**CERTIFICATE OF DETERMINATION  
BY THE CITY OF SYRACUSE CHIEF FINANCIAL OFFICER  
AS TO FINANCING COST AND INTEREST RATE**

I, David Del Vecchio, Chief Financial Officer for the City of Syracuse, New York (hereinafter called the "City"), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chief Fiscal Officer of the City and in accordance with Chapter 58 A-4 of the 2006 Laws of the State of New York, as amended (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare refinancing through the Syracuse Industrial Development Agency ("SIDA") with refinancing available through the State of New York Municipal Bond Bank Agency ("MBBA"), I have caused such a comparison to be made as to the interest rate for the refinancing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$29,260,000 aggregate principal amount of School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 ("Series 2017 Bonds") against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA.

2. Based on such comparison, I have determined that the refinancing mechanism utilized by SIDA in the issuance of the Series 2017 Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit "A" (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2017 Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2017 Bonds been issued by the MBBA.

5. I attach hereto as Exhibit "B" a form of the Certificate of the Chief Operating Officer of the MBBA, stating that such Chief Operating Officer received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on April 6, 2017 that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA would be approximately 2.14% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

**IN WITNESS WHEREOF**, I have hereunto set my signature and the official seal of the City this 6th day of April, 2017.

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "Bonds"), I am of the opinion that, on April 5, 2017 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 2.14%.
3. Based on my examination, my knowledge and experience, and conversations with, the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as **Exhibit A** certain financial information on which I have based the opinions set forth herein.

**CERTIFICATE OF DETERMINATION OF THE CHIEF OPERATING OFFICER OF  
THE STATE OF NEW YORK MUNICIPAL BOND BANK  
AGENCY**

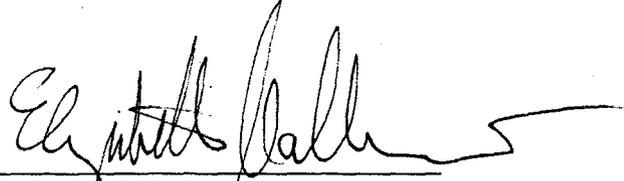

I, Elizabeth Mallow, Chief Operating Officer of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me and in accordance with the applicable provisions set forth in Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, as follows:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act, as of March 28, 2017, I have received all the information required by the MBBA under the Syracuse Schools Act from the City of Syracuse (the "City"), the City School District of the City of Syracuse (the "School District"), the Syracuse Industrial Development Agency (the "SIDA") and the Joint Schools Construction Board of the City of Syracuse (the "JSCB"); and have accordingly determined that the interest rate on April 5, 2017 that would have been applicable to a bond issue sold by the MBBA of similar purpose, structure, method of sale, security and amount to the SIDA's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 would be 2.14% on a true interest cost basis, and am so certifying to the Commissioner of the New York State Department of Education.

2. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Public Resources Advisory Group, financial advisor to the MBBA, appended hereto as **Exhibit A**.

3. A copy of the information received from the School District, the City, the SIDA and the JSCB in compliance with the Syracuse Schools Act is collectively annexed hereto as **Exhibit B**.

IN WITNESS WHEREOF, I have hereunto set my signature this 6th day of April,  
2017.

A handwritten signature in black ink, appearing to read "Elizabeth Mallow", written over a horizontal line.

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in Exhibit A, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "Bonds"), I am of the opinion that, on April 5, 2017 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 2.14%.
3. Based on my examination, my knowledge and experience, and conversations with, the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as Exhibit A certain financial information on which I have based the opinions set forth herein.

Name: Steven Peyser  
Title: President  
Public Resources Advisory Group

Each of the undersigned, President of the Board of Education of the SCSD and Superintendent of the SCSD, respectively, Does Hereby Certify that:

1. I am the duly elected or appointed officer of the SCSD and am duly authorized to execute and deliver this certificate in the name and on behalf of the SCSD.
2. The SCSD is duly constituted and validly existing as a school district under the Constitution and the laws of the State, and authorized to enter into the transactions contemplated by the Purchase Contract and the other SCSD Documents.
3. Each of Resolution No. 1207-96 adopted on December 12, 2007 by the Board of Education; Resolution No. 0208-133 adopted on February 13, 2008 by the Board of Education, as amended by Resolution No. 0308-147-SM adopted on March 10, 2008 by the Board of Education; Resolution Nos. 0810-58-SM, 0810-59-SM, 0810-60-SM and 0810-61-SM, each adopted on August 26, 2010; Resolution No. 1010-86, adopted on October 13, 2010 by the Board of Education; Resolution No. 0611-266-SM adopted June 13, 2011 by the Board of Education; and Resolution No. 0217-091, adopted February 8, 2017 by the Board of Education (collectively the “*Resolutions*”), remains in full force and effect as of the date hereof and has not been supplemented, amended or repealed.

4. All actions on the part of the SCSD, including necessary and appropriate review by the City's Corporation Counsel, necessary or appropriate for execution and delivery of the SCSD Documents and issuance of the Series 2017 Bonds have been completed. All conditions precedent set forth in the Resolutions have occurred and have been satisfied, including but not limited to the execution and delivery of the SCSD Documents by the undersigned or the JSCB in the name and on behalf of the SCSD and the performance by the SCSD of its obligations under the SCSD Documents.
5. The execution and delivery of the SCSD Documents by the SCSD or by the JSCB on the SCSD's behalf have been duly authorized by all necessary corporate, administrative and legislative action and, when executed and delivered, the SCSD Documents will constitute the valid and binding obligations of the SCSD enforceable against the SCSD in accordance with their terms (except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws of general applicability affecting the enforcement of creditors' rights and subject to general principles of equity, regardless of whether such enforceability is considered in equity or in law), and compliance with the provisions of all of them, under the circumstances contemplated thereby, did not, as of the date of the Purchase Contract, and does not at the Closing Date, in any material respect conflict with, or constitute on the part of the SCSD a breach of or default under, any agreement or other instrument to which the SCSD is a party or any existing law, administrative regulation, court order or consent decree to which the SCSD is subject.
6. The representations made by the JSCB on behalf of the SCSD in the Purchase Contract are true and correct in all material respects at and as of the Closing Date and each of the obligations of the SCSD under the Purchase Contract to be performed at or prior to the Closing Date have been performed.
7. The SCSD has received all necessary approvals from the New York State Education Department, if any, for the Series 2017 Project. The SCSD has received and there remain currently in full force and effect all other governmental consents and approvals necessary at this time which would constitute a condition precedent to, or the failure to obtain would materially adversely affect, the performance by the SCSD of its obligations under the SCSD Documents, except for those consents and approvals not yet received that the SCSD reasonably expects to receive in a timely manner.
8. Except as disclosed in the Preliminary Official Statement dated March 28, 2017, with respect to the Series 2017 Bonds (the "***Preliminary Official Statement***") and the Official Statement, since March 28, 2017, no material or adverse change has occurred in the financial position or results of operations, business, or affairs of the SCSD, and the SCSD has not, since March 28, 2017, incurred any material liabilities other than in the ordinary course of business or as set forth in or contemplated by the Official Statement. To the best of my knowledge, no event affecting the SCSD has occurred since the date of the Official Statement which

should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information contained therein, in light of the circumstances under which they were made, not misleading in any material respect as of the Closing Date.

9. The SCSD has received and there remains currently in full force and effect all permits, licenses, accreditations, and certifications necessary to: (1) conduct its business as it is presently being conducted, subject to minor exceptions and deficiencies that are not material and do not affect the conduct of its business; and (2) own and operate the Facilities, except for such permits, licenses, accreditations, and certifications not yet received that the SCSD reasonably expects to receive in a timely manner.
10. No action, suit, proceeding or investigation is pending or (to the best of my knowledge) threatened against the SCSD or (to the best of my knowledge, no independent investigation having been made) any other person in any court or before any Court, governmental authority, legislative body, board, agency or commission: (a) seeking to restrain or enjoin the issuance or delivery of any of the Series 2017 Bonds or any payments under the Installment Sale Agreement, or the transactions contemplated by the Purchase Contract or the other SCSD Documents; or (b) in any way contesting or affecting the validity of the Series 2017 Bonds, or the validity or enforceability of the Purchase Contract or the other SCSD Documents or the transactions contemplated thereby; or (c) in any way contesting the corporate existence, powers or operations of the SCSD; or (d) which if determined adversely to the SCSD, would adversely affect the financial condition of the SCSD.
11. The SCSD is not in breach of, or in default under, any applicable law or administrative regulation of the State (including, without limitation, any applicable law or administrative rule or regulations of the New York State Commissioner of Education or the New York State Department of Education) or the United States or any applicable judgment or decree or any loan agreement, note, resolution, agreement or other instrument to which the SCSD is, a party or otherwise subject, which breach or default would in any way materially and adversely affect the issuance of the Series 2017 Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act; and no event has occurred and is continuing that with the passage of time or giving of notice, or both, would constitute such a breach or default; and the issuance, sale and delivery of the Series 2017 Bonds or the intercept of state and/or school aid pursuant to the Syracuse Schools Act will not conflict with or constitute a breach of or default under any agreement or other instrument to which the SCSD is a party or otherwise subject.
12. The SCSD has determined that the Series 2017 Project is essential to the proper administration of the public schools within the City and meets the essential needs of the students and residents, respectively, of the SCSD and the City. The SCSD has further determined that the Series 2017 Project shall continue to be essential

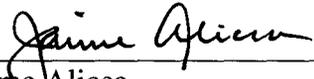

to such administration and to meet such needs throughout the term of the Third Amended Agreement.

13. No event of default or event which, with notice or lapse of time or both, would constitute an event of default under any of the SCSD Documents has occurred and is continuing.
14. The statements and information contained in the Preliminary Official Statement and the Official Statement (with the exception of statements and information under the headings, "PROGRAM PARTICIPANTS - all subheadings other than the SCSD," "DISCUSSION OF FINANCIAL OPERATIONS OF THE CITY - Budget Procedures and Plans," "THE ISSUER," "TAX MATTERS," and "APPENDIX E —Form of Opinion of Bond Counsel") do not, as of the date of the Purchase Contract and the Closing Date, contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements and information therein, in light of the circumstances under which they were made, not misleading.
15. The SCSD has not failed during the previous five years to comply in all material respects with any of its undertakings in previous written continuing disclosure contracts or agreements under Rule 15c2-12.
16. The SCSD is in compliance with the material rules, regulations and other requirements of the State Education Department in connection with State Aid to Education revenues to the SCSD and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such requirements, such that State Aid to Education revenues could be impaired.

Whereas: SIDA, the City, the School District and the JSCB will enter into Amendment No. 2 to the Installment Sale Agreement (Series 2010 Project) (“*Amendment No. 2 to Installment Sale Agreement*”), pursuant to which SIDA will sell its interest in the Series 2010 Project to the City and School District, the JSCB, on behalf of the City and School District, will agree to undertake and complete the Series 2010 Project and the City and the School District will, among other things, agree to make installment purchase payments in an amount sufficient to pay debt service on the Series 2010 Bonds and other amounts due under Amendment No. 2 to the Installment Sale Agreement solely from and to the extent of State Aid Revenues (as defined in the Amendment No. 2 to the Installment Sale Agreement); and

Whereas: the City and the School District will enter into a First Amendment to State Aid Trust Agreement with *Manufacturers and Traders Trust Company*, acting as Depository Bank (the “*Depository*”) and the Trustee, to provide for, among other things, the payment of all State Aid Revenues into the

State Aid Depository Fund (as defined therein) maintained with the Depository for periodic transfer to the Bond Fund (as defined in the Series 2010 Indenture) toward payment of the Series 2010 Bonds, and, to the extent of any deficiency therein, to the Debt Service Reserve Fund (as defined in the Series 2010 Indenture) and the balance to the General Fund (as defined therein); and

Series 2010 Project through the Series 2010 Bonds may reasonably be expected to result in the lowest cost to the taxpayers of the City and the State; and

Whereas: the issuance of the Series 2010 Bonds is subject to the School District, the City, the JSCB and SIDA determining based on pricing and other information furnished by the Underwriters that financing the Series 2010 Project through the Series 2010 Bonds rather than through financing from MBBA results in the lowest cost to the taxpayers of the City and the State; and

Whereas: pursuant to Article 8 of the Environmental Conservation Law of the State, as amended, and the regulations of the Department of Environmental Conservation of the State promulgated thereunder (collectively referred to hereinafter as "*SEQRA*"), it was determined that the first stage of the work to be financed by the Series 2008A Bonds would not have a "significant effect

on the environment" (as such quoted terms are defined in SEQRA) and a negative declaration was therefore issued; and

Whereas: in April of 2009 the JSCB, acting as "lead agency", reviewed the proposed additions, modifications and renovations that constituted the second phase of the Series 2008 Project and which were to be financed by the Series 2010 Bonds, determined that such work would not have a "significant effect on the environment" and issued a negative declaration; and

Whereas: in May of 2011 the JSCB, acting as "lead agency", reviewed the proposed additions, modifications and renovations that constituted the third phase of the 2008 Project and which are to be financed by the Series 2011 Bonds, determined that such work would not have a "significant effect on the environment" and issued a negative declaration; and

Whereas: pursuant to the Act and as contemplated in the Plan, the JSCB, on behalf of the City and the School District, previously requested, and SIDA did, issue and sell its revenue bonds in an aggregate principal amount of \$49,230,000 (the "*Series 2008A Bonds*") to finance all or a portion of the costs of the first stage of the Series 2008 Project consisting of the design, equipping, reconstruction of, and the construction of an approximately 10,514 square foot addition to, the Central Tech Vocational School and the design, equipping and reconstruction of the Greystone Building (together the "*Central Tech Project*") and the design ("*Design Phase*") of rehabilitation and reconstruction of Projects to be undertaken in the second stage of the Series 2008 Project at Blodgett School, Dr. Weeks Elementary School, Clary Middle School, Shea Middle School, H. furnishings (the "*Equipment*" and with the School Buildings and additions thereto, the "*2010 Facilities*") necessary and attendant to the use of the School Buildings as schools by the City and the SCSD; and

Whereas: pursuant to the Act and as contemplated in the Plan, the JSCB, on behalf of the City and the School District, has now requested, SIDA issue and sell its revenue bonds in an aggregate principal amount not to exceed \$60,000,000 (the "*Series 2011 Bonds*") to finance all or a portion of the costs of the third stage of the Series 2008 Project consisting of the reconstruction, rehabilitation and construction of Dr. Weeks Elementary School, H. Whereas: The School District received a \$15,000,000 allocation of Federally Taxable Qualified School Construction Bonds ("*QSCBs*") from the New York State Department of Education ("*Allocation*") and intends to utilize such Allocation to finance all or a portion of the costs associated with the Facilities; and

Whereas: In furtherance of the School District's desire to utilize its Allocation as stated above, it is the School District's intent to transfer its Allocation to SIDA. Such transfer being conditioned upon SIDA issuing QSCBs in a like amount on behalf of the School District; and

### CERTIFICATE OF APPROVAL OF PLANS AND SPECIFICATIONS

Building: Central Tech Voc Ctr

Facilities Planning Project Control Number

District BEDS Code							Facility Code				Project No.				Review Number				Approval Date							

Plans and specifications for the project listed above have been duly reviewed by the Office of Facilities Planning and are hereby approved. The district may bid these plans and specifications as approved or as modified by any addenda subsequently approved by Facilities Planning for this project. Approved Plans and Specifications are retained by the Office of Facilities Planning. The school district must obtain a duplicate set of plans and specifications, including all addenda, from their architect or engineer of record for permanent retention with this approval letter.

Commissioner's approval signifies only that plans and specifications meet the requirements of Sections 408 and 409 of the Education Law, and Commissioner's Regulations and Education Department policies and procedures relating to educational requirements, heating, ventilation and health, and fire and accident protection, and that the site meets the minimum requirements of Section 408. It does not signify approval of architectural or structural design, nor choice of building materials, nor of any contracts which may be awarded or executed, nor of any features which go beyond the aforesaid minimum requirements, nor does this certificate give assurance that this project qualifies for State aid for education, in accordance with the provisions of Section 3602 of the Education Law.

---

**During Construction** - Supervision by the architect or engineer (A/E) during construction is required by Subdivision 3 of Section 7209 of the Education Law and includes ensuring that construction work is in accordance with the construction contract documents. Detailed Supervision Guidelines describing the elements of this on-site supervision were sent to the district previously together with the letter acknowledging the original letter of intent.

**Construction Inspections** - Section 444.3(d) of 19NYCRR444 mandates construction inspections at such times as will permit the observation of the foundation, structural elements, electrical systems, plumbing systems, heating, ventilation and air conditioning systems, fire protection and detection systems and exit features. The purpose of such inspections is to ensure work in accordance with the

construction contract documents and compliance with applicable provisions of the Uniform Fire Prevention and Building Code. Therefore, it is incumbent on the A/E to make such periodic observations as are necessary for the A/E to execute the Certification of Substantial Completion Form (see below).

To assist in developing essential records of the construction inspection activities, two different forms are attached: #1, a Capital Project Inspection Report for each individual inspection (reproduce necessary additional copies) and #2, a Capital Project Summary of Inspections. These forms (or something essentially equivalent) shall be delivered by the A/E to the school district at the time of Substantial Completion and shall be retained by the district as part of the official project record, available for review by the Commissioner on request.

**Certification of Substantial Completion** - When the construction work is nearing completion, the Architect/Engineer (A/E) (who is supervising the construction work pursuant to the provisions of Subdivision 3 of Section 7209 of the Education Law) must execute a "Certification of Substantial Completion", form FP-CSC, when it is appropriate to do so. A copy of the form is enclosed. Carefully retain it for future use.

Note that "Substantial Completion" is a specific condition at a specific time. Definitions of the American Institute of Architects (AIA), The National Society of Professional Engineers, The American Consulting Engineers Council, and the Construction Specification Institute are essentially the same. The AIA definition is, "The date of substantial completion of work or designated portion thereof is the date certified by the architect when construction is sufficiently complete, in accordance with the contract documents, so the owner can occupy or utilize the work or designated portion thereof for the use for which it is intended."

**Assurances** - Various assurances are printed on the reverse side of Form FP-CSC. The A/E shall sign those assurances relating to change orders; supervision pursuant to Education Law, Section 7209 and the contract with the school district; and construction inspections pursuant to 19NYCRR444.

The Superintendent of Schools shall sign those assurances relating to proper monitoring of the project by a Construction Manager (if any); and a Clerk of the Works (if any) pursuant to contracts with the school district, (the usual duties of a Construction Manager and Clerk of the Works are included in the detailed Supervision Guidelines referenced above); and (if applicable) acknowledgement of the need of a Certificate of Occupancy prior to occupancy of any new building or addition (if applicable). In the case of reconstruction projects, form FP-CSC should not be submitted until all of the project is substantially complete i.e., there should be no qualifications on the form. In the case of a new building or an addition, where parts of a project may be occupied initially, the certification must designate which portions of the project are not included. Subsequently occupied portions shall be certified when substantially complete. An additional form will be sent for a subsequently occupied portion, upon receipt of a form for the portion to be occupied.

**Fire Safety Inspection and Report** - A fire safety inspection and report thereof is required for new buildings and additions. Immediately subsequent to the determination by the A/E that the work is substantially complete for the use of which it is intended, the school district shall cause a fire/safety inspection to be made of the whole occupied portion of the building. This inspection shall use the Fire/Safety Report form stamped "Building Project". This form is not included with this mailing. The form is available on the Office of Facilities Planning web site: [www.emsd.nysed.gov/facplan/](http://www.emsd.nysed.gov/facplan/) under Fire Safety, C of O, O&M and titled "2001 Public School Fire Safety Report (for NEW Building

projects only". Complete the entire front page including the appropriate school code and building number (section labeled "department use only"). If you have questions about completing this form please call the Fire/Safety Unit at (518) 474-4738. Carefully retain it until needed at the time of substantial completion. See "Occupancy", below.

**Occupancy** - No building or portion thereof shall be occupied unless a valid Certificate of Occupancy (CO) has been issued by the Commissioner (Commissioner's Regulation 155.4e). To obtain a CO, send both the Certification of Substantial Completion (form FP-CSC) and the Fire/Safety Report form, together, to Facilities Planning, not to the Fire Safety Unit. Upon submission of a satisfactory Fire/Safety Report, a Certificate of Occupancy will be issued which will "bridge" to the date of the regular annual fire/safety inspection process. In the case of occupancy of an addition, if the "Building Project" Fire Safety Report and the annual Fire Safety Report are due at essentially the same time, contact your project manager.

**Final Building Project Report** - A Final Building Project Report is required for every project involving an instructional building or transportation facility. It is not required for other types of projects which are not eligible for building aid pursuant to Section 3602 of the Education Law.

For projects eligible for building aid, a copy of the report form is enclosed. Carefully retain it for your future use. All sources of funds and expenditures, regardless of cost, shall be reported, however, the report must not be filed until all bills are paid and the capital account has been closed.

Record the Project Control Number on the top of the form and return it directly to the Bureau soon after the construction work is complete and paid for.

If this project involves both additions and alterations, expenses must be submitted under each of these categories. Building aid eligibility, as determined pursuant to Section 3602 of the Education Law, is calculated separately for additions and for alterations. Careful attention to submitting the report with proper breakdown will eliminate much delay and confusion in processing building aid applications and will assure that the district receives proper allocation of building aid.

Sincerely,

Richard P. Mills  
Commissioner of Education

Mr. Nicholas DiBello  
Director of Facilities  
Syracuse City School District  
725 Harrison Street  
Syracuse, N.Y. 13210

Dear Mr. DiBello:

Thank you for your July 11, 2001 contact concerning proposed construction. The Project Manager assigned to this project is **Mr. Robert D. Rogers** (telephone 518 -- 474-3906). Please refer all questions concerning this project to the Project Manager.

The control number for the project is 42-18-00-01-0-141-001 and the project scope is, "Greystone, New Construction, CSI Section(s) 02 - 16." In all future correspondence concerning this project, refer to the project by using the project control number. Also arrange to have the project control number affixed to all exhibits which accompany an application for a Building Permit and approval of final plans and specifications.

**Architect/Engineers Contract** - This capital construction project will involve a series of events commencing with determination of need, then planning, construction, and occupancy. Throughout this process, professional services of an architect or engineer (A/E) are necessary.

The relationship between the board of education and the A/E should be formalized by a written contract which clearly details the extent of services required and expected by the board and provided by the A/E. In this regard it is strongly suggested that the school board attorney be consulted and that the following provisions be included in the contract.

- Supervision of a public works project by an A/E is required by Subdivision 3 of Section 7209 of the Education Law. Such supervision would include ensuring completion of the work in accordance with the construction contract documents.
- Design must be in accordance with applicable provisions of the New York State Uniform Fire Prevention and Building Code and the Energy Conservation Construction Code.

**SED Building & Project NUMBERING SYSTEMS used by the Office of Facilities Planning**

**SED Building Project Control Number**

The 15-digit project control number contains four elements:

Digits 1-8 identify the district.

Digit 9 represents the use of the building.

Digits 10-12 represent the assigned building number, and

Digits 13-15 identify an individual construction project in the building.

Existing building numbers are computer printed on the annual Fire Inspection Report and may be obtained from our Fire Safety Unit at (518) 474-4738.

The Fire Safety Unit in response to a Letter of Intent (LOI), issues new building numbers. (See our web page [www.emsc.nysed.gov/facplan/](http://www.emsc.nysed.gov/facplan/) under "Forms and Publications" for LOI forms.)

Each number or set of numbers in our 15-digit project control number indicate the following:

Digits 1-2 County of location

Digits 3-4 City, Town of location

Digits 5-6 School district number

Digits 7-8 Type of district organization:

- 01 City
- 02 Union Free
- 03 Independent Union Free
- 04 Central
- 05 City Central
- 06 Independent Central
- 07 Central High School
- 08 Common

At this point there are technically four zeros (0000) included in the Basic Educational Data System (BEDS) code to indicate that this number is a district. If there are any numbers in the next four spaces then the number is a building number issued by our office. The zeros are not used by the Office of Facilities Planning, however, they are printed in the appropriate spaces on the Fire/Safety Inspection Reports to separate our building specific numbers which continue:

**Digit 9 Building Type:**

- 0 Instructional - student occupied with or without incidental occupancies
- 1 Administration
- 2 Storage
- 3 Maintenance
- 4 Bus Storage only
- 5 Bus Maintenance - with or without storage
- 6 Public Library
- 7 Other

8 Temporary Quarters - leased non-district space only  
9 Vacant

Digits 9-12 are the four digit building code number:

The ninth digit is the first number of the four digit building number assigned by the Fire Safety Unit. It indicates how the particular building is being used according to our current records. Every building owned or used by a school district or BOCES must have a CO and every building we know about will have a four-digit building code assigned to it.

Digits 10-12 Building Number (a district may have up to 999 buildings in this system)

Digits 13-15 Building Project Control Number (a building may have up to 999 projects in this numbering system)

#### **SUPERVISORY DISTRICT NUMBERING SYSTEM**

Boards of Cooperative Educational Services (BOCES) district numbers are included in the standard numbering system delineated above. The first two digits indicate the county of administration, the third digit is a 9 and the fourth digit indicates the district number within that county. A zero in the fourth position designates the BOCES as a sole supervisory district within the county.

#### **REVIEW NUMBERING SYSTEM**

The building project review number is generated from the last two digits of the year the project is entered into the construction system and a four digit consecutive number separated by a dash mark. We are presently finishing projects 99-0001 through 99-1790 entered into the review system between July 1, 1999 and June 30, 2000. Projects entered during the year starting July 1, 2000 will receive review numbers beginning with 00-0001.

#### **FIRE SAFETY UNITY NUMBERING SYSTEM**

a. In addition to these District/Building/Project control numbers the Fire/Safety Unit uses severity prefix numbers in front of Fire/Safety Inspection Report items. This numbering system indicates the following information:

First digit Relative Degree Correction Time  
of Severity in Days

1 Minor 30  
2 Minor 60  
3 Major 120  
4 Major 30  
5 Major 60

6 Major 120  
7 Severe 30  
8 Severe 60

b. A Certificate of Occupancy is issued (or withheld) in accordance with the following formula:

Number of Relative Degree of Certificate  
Outstanding Severity of Issued  
Nonconformances nonconformances

-0- N/A Annual  
1-10 Minor Temporary  
11 or more Minor None\*  
1-5 Major Temporary  
6 or more Major None\*  
1 or more Severe None\*

\* No Certificate of Occupancy may be issued until nonconformances are corrected and entire facility is re-inspected.

#### SEQRA NUMBERING SYSTEM

The State Environmental Quality Review Act review numbering system is consecutive and has nothing to do with permanent building number data.

**Architect/Engineers Contract** - This capital construction project will involve a series of events commencing with determination of need, then planning, construction, and occupancy. Throughout this process, professional services of an architect or engineer (A/E) are necessary.

The relationship between the board of education and the A/E should be formalized by a written contract which clearly details the extent of services required and expected by the board and provided by the A/E. In this regard it is strongly suggested that the school board attorney be consulted and that the following provisions be included in the contract.

- Supervision of a public works project by an A/E is required by Subdivision 3 of Section 7209 of the Education Law. Such supervision would include ensuring completion of the work in accordance with the construction contract documents.
- Design must be in accordance with applicable provisions of the New York State Uniform Fire Prevention and Building Code and the Energy Conservation Construction Code.

- Inspections of construction are required by 19NYCRR444 to ensure work in accordance with the construction contract drawings and ensure compliance with applicable provisions of the Uniform Code.
- Various assurances and a Certification of Substantial Completion must be executed and submitted to the Education Department.

**Construction Manager/Clerk of the Works Contract** - The relationships between the Board of Education and a construction manager (if any), and a clerk of the works (if any) should be formalized by written contracts which clearly detail the extent of services required and expected by the board and provided by the construction manager or the clerk of the works. The school board attorney should be consulted.

More detailed Supervision Guidelines applicable to the A/E, the construction manager and the clerk of the works are included in this packet for your information.

**State Environmental Quality Review Act (SEQRA)** - Before taking any formal action pertaining to this project, including scheduling any vote, the Board of Education must satisfy the requirements of this act. As of December 1, 2000 the New York State Education Department will no longer automatically assume lead agency status for this process but will be an interested party to all SEQRA actions taken by, or on behalf of, a public school district.

It is expected that the school district will be the lead agency for the SEQRA process regarding all of its proposed capital construction projects, including the acquisition of land. Therefore, please send a copy of the SEQRA forms released for public comment to all interested parties, as well as the final determination, to the attention of your assigned Project Manager. It is important to note that we will not be able to take any action on reviewing your proposal, including a preliminary review to determine Building Aid Units, until the SEQRA process has been completed. In addition, Building Permits will not be issued for projects that have a voter authorization date prior to the date when the final SEQRA determination was made.

In order to assure timely processing of this project, the additional following exhibits must also be sent to the Project Manager:

In order to assure timely processing of this project, the following exhibits must be sent to the Project Manager:

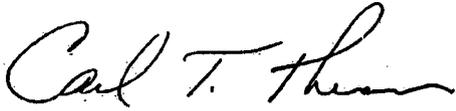

- **School Site** - Two completed copies of an Application for Examination and Approval of a School Site. One copy is enclosed for your use.
- **Application for Final Approval** - A completed copy of the Application for Examination and Approval of Final Plans and Specifications, form FP-F (copy enclosed). Also enclosed is a copy of the Instruction Guide for Obtaining a Building

Permit and Approval of Plans and Specifications by the Commissioner of Education, 1988. Please adhere to the procedures outlined in the Guideline when submitting final plans and specifications for this project. A checklist is also enclosed which must accompany the submission of final plans and specifications.

- **Structural Responsibility Checklist** - A completed copy of the Structural Responsibility Checklist and Certification, form FP-SC (copy enclosed). Note that this form is not mentioned in the *Instruction Guide*, but is required just the same.

The above items and exhibits must be sent to the Project Manager, with the exception of the Application for Certification of Apportionment for Building Aid, which must be sent to the School District and Organization Unit at the address given on the application. Please remember to affix the project control number to each and every document.

Mr. Nicholas DiBello  
Facilities Auditor  
Syracuse City School District  
725 Harrison Street  
Syracuse, N.Y. 13210

Dear Mr. DiBello:

Thank you for your June 12, 2000 contact concerning proposed construction. The Project Manager assigned to this project is Mr. Robert D. Rogers (telephone 518 -- 474-3906). Please refer all questions concerning this project to the Project Manager.

The control number for the project is 42-18-00-01-0-101-012 and the project scope is, "Blodgett School, Additions and Alterations, CSI Section(s) 02 - 16." In all future correspondence concerning this project, refer to the project by using the project control number. Also arrange to have the project control number affixed to all exhibits which accompany an application for a Building Permit and approval of final plans and specifications.

**Architect/Engineers Contract** - This capital construction project will involve a series of events commencing with determination of need, then planning, construction, and occupancy. Throughout this process, professional services of an architect or engineer (A/E) are necessary.

The relationship between the board of education and the A/E should be formalized by a written contract which clearly details the extent of services required and expected by the board and provided by the A/E. In this regard it is strongly suggested that the school board attorney be consulted and that the following provisions be included in the contract.

- Supervision of a public works project by an A/E is required by Subdivision 3 of Section 7209 of the Education Law. Such supervision would include ensuring completion of the work in accordance with the construction contract documents.
- Design must be in accordance with applicable provisions of the New York State Uniform Fire Prevention and Building Code and the Energy Conservation Construction Code.

- 2 -

- Inspections of construction are required by 19NYCRR444 to ensure work in accordance with the construction contract drawings and ensure compliance with applicable provisions of the Uniform Code.
- Various assurances and a Certification of Substantial Completion must be executed and submitted to the Education Department.

**Construction Manager/Clerk of the Works Contract** - The relationships between the Board of Education and a construction manager (if any), and a clerk of the works (if any) should be formalized by written contracts which clearly detail the extent of services required and expected by the board and provided by the construction manager or the clerk of the works. The school board attorney should be consulted.

More detailed Supervision Guidelines applicable to the A/E, the construction manager and the clerk of the works are included in this packet for your information.

**State Environmental Quality Review Act (SEQRA)** - Before taking any formal action pertaining to this project (*including the scheduling of any vote*), the board of education must satisfy the requirements of the State Environmental Quality Review Act (SEQRA) process. Accordingly, the following forms must be completed and submitted altogether as the next contact with the Bureau:

- Project Description - form FP-PD - two copies. This provides a narrative description of the project;
- Public School SEQRA - Environmental Assessment Form - FP-EAF - two copies. This provides more detailed information about the project;
- SEQR - Notice of Determination - Worksheet - two copies. This provides information on persons involved with the SEQR process. Please include phone numbers and addresses with zip codes for all interested parties.

You will be advised of the extent of the environmental review process, following review of these forms. Necessary copies of the forms are enclosed for your use.

**Special Education** - As this project is expected to involve the creation of new instructional space or major renovation, we are enclosing a copy of the *Instructional Space Review Form* and a copy of this letter will be sent to the appropriate VESID regional office. In accordance with the field memo distributed in December 1998 by Charles Szuberla and Rita Levay, the district is responsible for having this form completed and submitted to the Office of Facilities Planning. The form must be part of the preliminary submission. The form requires that the Superintendent of Schools, the BOCES District Superintendent and the Special Education Regional Associate certify that they have conferred and agree upon the project's anticipated effect on special education space.

- 3 -

The Commissioner's final approval of any such capital project is dependent upon the project being consistent with and supportive of the Special Education Space Requirements Plan for your region. This is consistent with the Department's goal to ensure that students with disabilities be integrated with their nondisabled peers throughout their educational experience to the maximum extent appropriate.

We encourage you to contact the Office of Facilities Planning to discuss fiscal incentives available should you choose to construct classroom space for BOCES special education programs within the school district.

It is imperative that the special education instructional spaces agreed upon by all parties be the same as those indicated on the preliminary as well as on the final floor plans submitted to your project manager in the Office of Facilities Planning. If changes are made after the floor plans are submitted to this office, revised plans with a cover letter explaining the changes must be sent to the project manager as soon as possible.

In order to assure timely processing of this project, the following exhibits must be sent to the Project Manager:

- **Facilities Needs Assessment Summary** - This summary must be submitted with, or in advance of, the preliminary submission for this project. This summary is being requested in lieu of the district's complete Long Range Facilities Plan and Educational Specifications (which must still be kept on file in the district and updated annually in compliance with Section 155.1 of the Commissioner's Regulations).

Although there is not a standard form available to use for the "Facilities Needs Assessment Summary," we are enclosing a one-page narrative that outlines the five requirements we have for this summary. It is extremely important that this summary include both present and projected pupil enrollments as follows: grades Pre-K through 6 should be projected out 5 years from the current year; grades 7 and 8 should be projected out 8 years from the current year; and grades 9 through 12 should be projected out 10 years from the current year.

It is also important to note that the Project Manager assigned to this project may still request a copy of the complete Long Range Facilities Plan if the summary submitted does not meet his/her need for information sufficient to justify the addition of new educational space in your district

- **Evaluation of Existing Building** - A copy of a completed Evaluation of Existing Building, form EFP-E (copy enclosed) with question #52 answered "yes" or a letter from the superintendent attached which states how and when each non-conforming item will be corrected.

- 4 -

- **Preliminary Plans** - developed by your A/E - A completed copy of the Application for Examination and Approval of Preliminary Plans, form FP-P (copy enclosed).

Include schematic, preliminary plans of the whole building involved in this project, which show how the building will be used at the completion of the project. Plans should be at a scale no larger than 1/16"=1'-0", and must show all floors, including basement, corridors, stairs, ramps, smoke zones, door openings and swings, and windows. Designate the square foot area and use of each space, the gross square foot area of the total building and the extent of work of this project.

As part of the preliminary submission, the district must also submit architectural-quality, small-scale drawings of each floor, clearly indicating the square footage and use of each space, for all other instructional buildings that are in the district or used by the district, which may impact this particular project in terms of enrollment (i.e., those facilities housing any of the same grade levels as the building involved in this proposed project).

Include a site plan of the entire site, denoting total size in acres. Indicate walks and roads, parking -- including handicapped, site features -- streams, slopes, etc., site utilities -- sewer or septic, water, gas, electric, site development -- athletic fields, etc., and the outline (footprint) of all buildings.

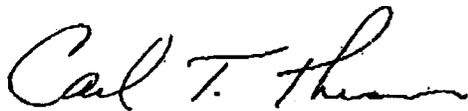

Include an outline specification (*which may be notes and/or detail sections on the drawings*) describing at least the following: construction classification type, exterior and interior wall, floor, ceiling and roof materials, hardware functions, public utilities, Energy Code Design Criteria, and building systems - plumbing (supply and waste), HVAC, electrical, lighting (switching pursuant to energy code), communication, signal and detection systems. Describe in detail any unique features of the building or systems.

- **Final Plans and Specifications** - Upon approval of preliminary plans, an Application for Examination and Approval of Final Plans and Specifications, form FP-F will be sent to the district. In this regard, a copy of the Instruction Guide for Obtaining a Building Permit and Approval of Plans and Specifications by the Commissioner of Education, 1988 is enclosed. Please adhere to the procedures outlined in the Guideline when submitting final plans and specifications for this project.

- 5 -

The above items and exhibits must be sent to the Project Manager. Please remember to affix the project control number to each and every document.

Sincerely,

Carl T. Thurnau

Mr. Nicholas DiBello  
Facilities Auditor  
Syracuse City School District  
725 Harrison Street  
Syracuse, N.Y. 13210

Dear Mr. DiBello:

Thank you for your June 12, 2000 contact concerning proposed construction. The Project Manager assigned to this project is **Mr. Robert D. Rogers** (telephone 518 - 474-3906). Please refer all questions concerning this project to the Project Manager.

The control number for the project is **42-18-00-01-0-102-008** and the project scope is, "**Clary Middle School, Additions and Alterations, CSI Section(s) 02 - 16.**" In all future correspondence concerning this project, refer to the project by using the project control number. Also arrange to have the project control number affixed to all exhibits which accompany an application for a Building Permit and approval of final plans and specifications.

**Architect/Engineers Contract** - This capital construction project will involve a series of events commencing with determination of need, then planning, construction, and occupancy. Throughout this process, professional services of an architect or engineer (A/E) are necessary.

The relationship between the board of education and the A/E should be formalized by a written contract which clearly details the extent of services required and expected by the board and provided by the A/E. In this regard it is strongly suggested that the school board attorney be consulted and that the following provisions be included in the contract.

- Supervision of a public works project by an A/E is required by Subdivision 3 of Section 7209 of the Education Law. Such supervision would include ensuring completion of the work in accordance with the construction contract documents.
- Design must be in accordance with applicable provisions of the New York State Uniform Fire Prevention and Building Code and the Energy Conservation Construction Code.

- 2 -

- Inspections of construction are required by 19NYCRR444 to ensure work in accordance with the construction contract drawings and ensure compliance with applicable provisions of the Uniform Code.
- Various assurances and a Certification of Substantial Completion must be executed and submitted to the Education Department.

**Construction Manager/Clerk of the Works Contract** - The relationships between the Board of Education and a construction manager (if any), and a clerk of the works (if any) should be formalized by written contracts which clearly detail the extent of services required and expected by the board and provided by the construction manager or the clerk of the works. The school board attorney should be consulted.

More detailed Supervision Guidelines applicable to the A/E, the construction manager and the clerk of the works are included in this packet for your information.

**State Environmental Quality Review Act (SEQRA)** - Before taking any formal action pertaining to this project (*including the scheduling of any vote*), the board of education must satisfy the requirements of the State Environmental Quality Review Act (SEQRA) process. Accordingly, the following forms must be completed and submitted altogether as the next contact with the Bureau:

- Project Description - form FP-PD - two copies. This provides a narrative description of the project;
- Public School SEQRA - Environmental Assessment Form - FP-EAF - two copies. This provides more detailed information about the project;
- SEQR - Notice of Determination - Worksheet - two copies. This provides information on persons involved with the SEQR process. Please include phone numbers and addresses with zip codes for all interested parties.

You will be advised of the extent of the environmental review process, following review of these forms. Necessary copies of the forms are enclosed for your use.

**Special Education** - As this project is expected to involve the creation of new instructional space or major renovation, we are enclosing a copy of the *Instructional Space Review Form* and a copy of this letter will be sent to the appropriate VESID regional office. In accordance with the field memo distributed in December 1998 by Charles Szuberla and Rita Levay, the district is responsible for having this form completed and submitted to the Office of Facilities Planning. The form must be part of the preliminary submission. The form requires that the Superintendent of Schools, the BOCES District Superintendent and the Special Education Regional Associate certify that they have conferred and agree upon the project's anticipated effect on special education space.

- 3 -

The Commissioner's final approval of any such capital project is dependent upon the project being consistent with and supportive of the Special Education Space Requirements Plan for your region. This is consistent with the Department's goal to ensure that students with disabilities be integrated with their nondisabled peers throughout their educational experience to the maximum extent appropriate.

We encourage you to contact the Office of Facilities Planning to discuss fiscal incentives available should you choose to construct classroom space for BOCES special education programs within the school district.

It is imperative that the special education instructional spaces agreed upon by all parties be the same as those indicated on the preliminary as well as on the final floor plans submitted to your project manager in the Office of Facilities Planning. If changes are made after the floor plans are submitted to this office, revised plans with a cover letter explaining the changes must be sent to the project manager as soon as possible.

In order to assure timely processing of this project, the following exhibits must be sent to the Project Manager:

- **Facilities Needs Assessment Summary** - This summary must be submitted with, or in advance of, the preliminary submission for this project. This summary is being requested in lieu of the district's complete Long Range Facilities Plan and Educational Specifications (which must still be kept on file in the district and updated annually in compliance with Section 155.1 of the Commissioner's Regulations).

Although there is not a standard form available to use for the "Facilities Needs Assessment Summary," we are enclosing a one-page narrative that outlines the five requirements we have for this summary. It is extremely important that this summary include both present and projected pupil enrollments as follows: grades Pre-K through 6 should be projected out 5 years from the current year; grades 7 and 8 should be projected out 8 years from the current year; and grades 9 through 12 should be projected out 10 years from the current year.

It is also important to note that the Project Manager assigned to this project may still request a copy of the complete Long Range Facilities Plan if the summary submitted does not meet his/her need for information sufficient to justify the addition of new educational space in your district

- **Evaluation of Existing Building** - A copy of a completed Evaluation of Existing Building, form EFP-E (copy enclosed) with question #52 answered "yes" or a letter from the superintendent attached which states how and when each non-conforming item will be corrected.

- 4 -

- **Preliminary Plans** - developed by your A/E - A completed copy of the Application for Examination and Approval of Preliminary Plans, form FP-P (copy enclosed).

Include schematic, preliminary plans of the whole building involved in this project, which show how the building will be used at the completion of the project. Plans should be at a scale no larger than 1/16"=1'-0", and must show all floors, including basement, corridors, stairs, ramps, smoke zones, door openings and swings, and windows. Designate the square foot area and use of each space, the gross square foot area of the total building and the extent of work of this project.

As part of the preliminary submission, the district must also submit architectural-quality, small-scale drawings of each floor, clearly indicating the square footage and use of each space, for all other instructional buildings that are in the district or used by the district, which may impact this particular project in terms of enrollment (i.e., those facilities housing any of the same grade levels as the building involved in this proposed project).

Include a site plan of the entire site, denoting total size in acres. Indicate walks and roads, parking -- including handicapped, site features -- streams, slopes, etc., site utilities -- sewer or septic, water, gas, electric, site development -- athletic fields, etc., and the outline (footprint) of all buildings.

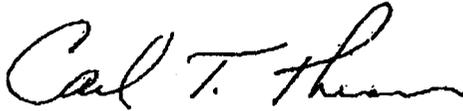

Include an outline specification (*which may be notes and/or detail sections on the drawings*) describing at least the following: construction classification type, exterior and interior wall, floor, ceiling and roof materials, hardware functions, public utilities, Energy Code Design Criteria, and building systems - plumbing (supply and waste), HVAC, electrical, lighting (switching pursuant to energy code), communication, signal and detection systems. Describe in detail any unique features of the building or systems.

- **Final Plans and Specifications** - Upon approval of preliminary plans, an Application for Examination and Approval of Final Plans and Specifications, form FP-F will be sent to the district. In this regard, a copy of the Instruction Guide for Obtaining a Building Permit and Approval of Plans and Specifications by the Commissioner of Education, 1988 is enclosed. Please adhere to the procedures outlined in the Guideline when submitting final plans and specifications for this project.

- 5 -

The above items and exhibits must be sent to the Project Manager. Please remember to affix the project control number to each and every document.

Sincerely,

Carl T. Thurnau

Include schematic, preliminary plans of the whole building involved in this project, which show how the building will be used at the completion of the project. Plans should be at a scale no larger than 1/16"=1'-0", and must show all floors, including basement, corridors, stairs, ramps, smoke zones, door openings and swings, and windows. Designate the square foot area and use of each space, the gross square foot area of the total building and the extent of work of this project.

As part of the preliminary submission, the district must also submit architectural-quality, small-scale drawings of each floor, clearly indicating the square footage and use of each space, for all other instructional buildings that are in the district or used by the district, which may impact this particular project in terms of enrollment (i.e., those facilities housing any of the same grade levels as the building involved in this proposed project).

Include a site plan of the entire site, denoting total size in acres. Indicate walks and roads, parking -- including handicapped, site features -- streams, slopes, etc., site utilities -- sewer or septic, water, gas, electric, site development -- athletic fields, etc., and the outline (footprint) of all buildings.

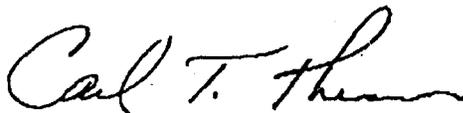

Include an outline specification (*which may be notes and/or detail sections on the drawings*) describing at least the following: construction classification type, exterior and interior wall, floor, ceiling and roof materials, hardware functions, public utilities, Energy Code Design Criteria, and building systems - plumbing (supply and waste), HVAC, electrical, lighting (switching pursuant to energy code), communication, signal and detection systems. Describe in detail any unique features of the building or systems.

- **Final Plans and Specifications** - Upon approval of preliminary plans, an Application for Examination and Approval of Final Plans and Specifications, form FP-F will be sent to the district. In this regard, a copy of the Instruction Guide for Obtaining a Building Permit and Approval of Plans and Specifications by the Commissioner of Education, 1988 is enclosed. Please adhere to the procedures outlined in the Guideline when submitting final plans and specifications for this project.

The above items and exhibits must be sent to the Project Manager. Please remember to affix the project control number to each and every document.

Sincerely,

Mr. Nicholas DiBello  
Facilities Auditor  
Syracuse City School District  
725 Harrison Street  
Syracuse, N.Y. 13210

Dear Mr. DiBello:

Thank you for your June 12, 2000 contact concerning proposed construction. The Project Manager assigned to this project is **Mr. Robert D. Rogers** (telephone 518 -- 474-3906). Please refer all questions concerning this project to the Project Manager.

The control number for the project is **42-18-00-01-0-050-003** and the project scope is, "**Weeks Elementary School, Additions and Alterations, CSI Section(s) 02 - 16.**" In all future correspondence concerning this project, refer to the project by using the project control number. Also arrange to have the project control number affixed to all exhibits which accompany an application for a Building Permit and approval of final plans and specifications.

**Architect/Engineers Contract** - This capital construction project will involve a series of events commencing with determination of need, then planning, construction, and occupancy. Throughout this process, professional services of an architect or engineer (A/E) are necessary.

The relationship between the board of education and the A/E should be formalized by a written contract which clearly details the extent of services required and expected by the board and provided by the A/E. In this regard it is strongly suggested that the school board attorney be consulted and that the following provisions be included in the contract.

- Supervision of a public works project by an A/E is required by Subdivision 3 of Section 7209 of the Education Law. Such supervision would include ensuring completion of the work in accordance with the construction contract documents.
- Design must be in accordance with applicable provisions of the New York State Uniform Fire Prevention and Building Code and the Energy Conservation Construction Code.

- 2 -

- Inspections of construction are required by 19NYCRR444 to ensure work in accordance with the construction contract drawings and ensure compliance with applicable provisions of the Uniform Code.
- Various assurances and a Certification of Substantial Completion must be executed and submitted to the Education Department.

**Construction Manager/Clerk of the Works Contract** - The relationships between the Board of Education and a construction manager (if any), and a clerk of the works (if any) should be formalized by written contracts which clearly detail the extent of services required and expected by the board and provided by the construction manager or the clerk of the works. The school board attorney should be consulted.

More detailed Supervision Guidelines applicable to the A/E, the construction manager and the clerk of the works are included in this packet for your information.

**State Environmental Quality Review Act (SEQRA)** - Before taking any formal action pertaining to this project (*including the scheduling of any vote*), the board of education must satisfy the requirements of the State Environmental Quality Review Act (SEQRA) process. Accordingly, the following forms must be completed and submitted altogether as the next contact with the Bureau:

- Project Description - form FP-PD - two copies. This provides a narrative description of the project;
- Public School SEQRA - Environmental Assessment Form - FP-EAF - two copies. This provides more detailed information about the project;
- SEQR - Notice of Determination - Worksheet - two copies. This provides information on persons involved with the SEQR process. Please include phone numbers and addresses with zip codes for all interested parties.

You will be advised of the extent of the environmental review process, following review of these forms. Necessary copies of the forms are enclosed for your use.

**Special Education** - As this project is expected to involve the creation of new instructional space or major renovation, we are enclosing a copy of the *Instructional Space Review Form* and a copy of this letter will be sent to the appropriate VESID regional office. In accordance with the field memo distributed in December 1998 by Charles Szuberla and Rita Levay, the district is responsible for having this form completed and submitted to the Office of Facilities Planning. The form must be part of the preliminary submission. The form requires that the Superintendent of Schools, the BOCES District Superintendent and the Special Education Regional Associate certify that they have conferred and agree upon the project's anticipated effect on special education space.

- 3 -

The Commissioner's final approval of any such capital project is dependent upon the project being consistent with and supportive of the Special Education Space Requirements Plan for your region. This is consistent with the Department's goal to ensure that students with disabilities be integrated with their nondisabled peers throughout their educational experience to the maximum extent appropriate.

We encourage you to contact the Office of Facilities Planning to discuss fiscal incentives available should you choose to construct classroom space for BOCES special education programs within the school district.

It is imperative that the special education instructional spaces agreed upon by all parties be the same as those indicated on the preliminary as well as on the final floor plans submitted to your project manager in the Office of Facilities Planning. If changes are made after the floor plans are submitted to this office, revised plans with a cover letter explaining the changes must be sent to the project manager as soon as possible.

In order to assure timely processing of this project, the following exhibits must be sent to the Project Manager:

- **Facilities Needs Assessment Summary** - This summary must be submitted with, or in advance of, the preliminary submission for this project. This summary is being requested in lieu of the district's complete Long Range Facilities Plan and Educational Specifications (which must still be kept on file in the district and updated annually in compliance with Section 155.1 of the Commissioner's Regulations).

Although there is not a standard form available to use for the "Facilities Needs Assessment Summary," we are enclosing a one-page narrative that outlines the five requirements we have for this summary. It is extremely important that this summary include both present and projected pupil enrollments as follows: grades Pre-K through 6 should be projected out 5 years from the current year; grades 7 and 8 should be projected out 8 years from the current year; and grades 9 through 12 should be projected out 10 years from the current year.

It is also important to note that the Project Manager assigned to this project may still request a copy of the complete Long Range Facilities Plan if the summary submitted does not meet his/her need for information sufficient to justify the addition of new educational space in your district

- **Evaluation of Existing Building** - A copy of a completed Evaluation of Existing Building form EFP-E (copy enclosed) with question #52 answered "yes" or a letter from the superintendent attached which states how and when each non-conforming item will be corrected.

- 4 -

- **Preliminary Plans** - developed by your A/E - A completed copy of the Application for Examination and Approval of Preliminary Plans, form FP-P (copy enclosed).

Include schematic, preliminary plans of the whole building involved in this project, which show how the building will be used at the completion of the project. Plans should be at a scale no larger than 1/16"=1'-0", and must show all floors, including basement, corridors, stairs, ramps, smoke zones, door openings and swings, and windows. Designate the square foot area and use of each space, the gross square foot area of the total building and the extent of work of this project.

As part of the preliminary submission, the district must also submit architectural-quality, small-scale drawings of each floor, clearly indicating the square footage and use of each space, for all other instructional buildings that are in the district or used by the district, which may impact this particular project in terms of enrollment (i.e., those facilities housing any of the same grade levels as the building involved in this proposed project).

Include a site plan of the entire site, denoting total size in acres. Indicate walks and roads, parking -- including handicapped, site features -- streams, slopes, etc., site utilities -- sewer or septic, water, gas, electric, site development -- athletic fields, etc., and the outline (footprint) of all buildings.

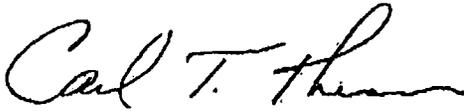

Include an outline specification (*which may be notes and/or detail sections on the drawings*) describing at least the following: construction classification type, exterior and interior wall, floor, ceiling and roof materials, hardware functions, public utilities, Energy Code Design Criteria, and building systems - plumbing (supply and waste), HVAC, electrical, lighting (switching pursuant to energy code), communication, signal and detection systems. Describe in detail any unique features of the building or systems.

- **Final Plans and Specifications** - Upon approval of preliminary plans, an Application for Examination and Approval of Final Plans and Specifications, form FP-F will be sent to the district. In this regard, a copy of the Instruction Guide for Obtaining a Building Permit and Approval of Plans and Specifications by the Commissioner of Education, 1988 is enclosed. Please adhere to the procedures outlined in the Guideline when submitting final plans and specifications for this project.

The above items and exhibits must be sent to the Project Manager. Please remember to affix the project control number to each and every document.

**CERTIFICATE OF DETERMINATION OF THE EXECUTIVE DIRECTOR OF THE  
STATE OF NEW YORK MUNICIPAL BOND BANK AGENCY**

I, Priscilla Almodovar, Executive Director of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me, as the Executive Director of the MBBA, and in accordance with the applicable provisions set forth in Chapter 58 A-4 of the Laws of 2006 of the State of New York (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, as follows:

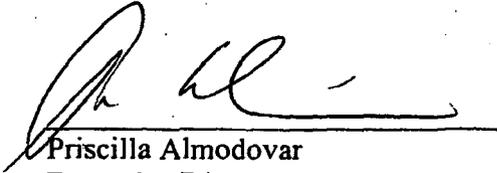

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act, I caused a request, annexed hereto as Schedule A, to be made for all information required by the MBBA under the Syracuse Schools Act from the City of Syracuse (the "City"), the City School District of the City of Syracuse (the "School District"), the City of Syracuse Industrial Development Agency (the "SIDA") and the Syracuse Joint Schools Construction Board (the "JSCB"), including all information necessary in order to reach the conclusion that had the transaction authorized by the Syracuse Schools Act and to be financed through the issuance by the SIDA of its \$49,230,000 aggregate principal amount of School Facility Revenue Bonds (Syracuse City School District), Series 2008A (the "SIDA Bonds") been financed by the MBBA instead of the SIDA, the interest rate on bonds that would have been issued by the MBBA would be no lower than the interest rate actually established by the SIDA for the SIDA Bonds.

2. On March 11, 2008, in my capacity, as aforesaid, I received all such requested and required information and have determined that the interest rate on bonds that would have been issued by the MBBA would be no lower than the interest rate actually established by the SIDA for the SIDA Bonds and I am so certifying to the Commissioner of the New York State Department of Education (the "Commissioner").

3. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Piper Jaffray & Co., financial advisor to the MBBA, appended hereto as Exhibit A.

4. A copy of the information requested by the MBBA and received from the School District, the City, the SIDA and the JSCB in compliance with the Syracuse Schools Act is collectively annexed hereto as Schedule B.

IN WITNESS WHEREOF, I have hereunto set my signature this 12<sup>th</sup> day of  
March, 2008.

**AS TO INTEREST RATE, NET INTEREST COST AND FISCAL ANALYSIS**

I, Alan L. Hans, Managing Director for Piper Jaffray & Co. (hereinafter called "Piper Jaffray"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called "MBBA"), **HEREBY CERTIFY** that, in my role as financial advisor to the MBBA and in accordance with Chapter 58 A-4 of the Laws of 2006 (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have looked at pertinent documentation and analyzed certain financial and related information and make the following determinations:

1. Piper Jaffray is duly authorized and qualified to act as financial advisor to the MBBA, and I am a duly authorized signatory and make this certification in such capacity.

2. Pursuant to the statutory requirement set forth in the Syracuse Schools Act that the Syracuse Joint Schools Construction Board, the City School District of the City of Syracuse and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency (the "SIDA") with financing available through the MBBA, I have examined the financing structure, the type of issuance and the rating agency reports and compared the interest rate established for the SIDA's \$49,230,000 aggregate principal amount of School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A ("Series 2008A Bonds") against the interest rate that would have been applicable had such Bonds been issued by the MBBA.

3. Based on such examination and comparison and assuming the same bond structure, I have determined that the interest rate that would have been applicable had the Series 2008A Bonds been issued by the MBBA would be no lower than the interest rate actually established by the SIDA for the Series 2008A Bonds.

4. Based on such examination and comparison and by taking into accounts the costs of issuance, underwriter's discount, and costs of insurance calculated by the SIDA for the Series 2008A Bonds, I have determined that the net interest cost which would have been achieved had the Series 2008A Bonds been issued by MBBA would be no lower than the net interest cost of 4.527% actually applicable to the Series 2008A Bonds as issued through the SIDA.

5. Based on such examination and comparison, I have determined that the identity of the issuer of the Series 2008A Bonds has no material bearing on the marketing of the Series 2008A Bonds.

6. On March 11, 2008, I was present at the pricing call relating to the actual issuance of the Series 2008A Bonds, and had access to all of the information that was made available to the parties on that pricing call. Based on my presence, I have no reason to believe that the pricing call would have resulted in any lower interest rate than the rate actually established for the Series 2008A Bonds.

7. I attach hereto as Exhibit "A" certain financial information on which I have based the determinations set forth herein.

**CERTIFICATE OF DETERMINATION  
BY THE SYRACUSE CITY SCHOOL DISTRICT CHIEF FINANCIAL OFFICER  
AS TO FINANCING COST AND INTEREST RATE**

I, Suzanne Slack, Chief Financial Officer for the Syracuse City School District, Syracuse, New York (hereinafter called the "District"), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chief Fiscal Officer of the District and in accordance with Chapter 58 Pt. A-4 of the 2006 Laws of the State of New York, as amended (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare refinancing through the Syracuse Industrial Development Agency ("SIDA") with refinancing available through the State of New York Municipal Bond Bank Agency ("MBBA"), I have caused such a comparison to be made as to the interest rate for the refinancing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$29,260,000 aggregate principal amount of School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 ("Series 2017 Bonds") against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA.

2. Based on such comparison, I have determined that the refinancing mechanism utilized by SIDA in the issuance of the Series 2017 Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

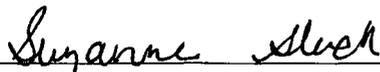

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit "A" (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2017 Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2017 Bonds been issued by the MBBA.

5. I attach hereto as Exhibit "B" a form of the Certificate of the Chief Operating Officer of the MBBA, stating that such Chief Operating Officer received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on April 6, 2017 that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA would be approximately 2.14% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

**IN WITNESS WHEREOF**, I have hereunto set my signature and the official seal of the City this 6th day of April, 2017.

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "**Bonds**"); I am of the opinion that, on April 5, 2017 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 2.14%.
3. Based on my examination, my knowledge and experience, and conversations with, the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as **Exhibit A** certain financial information on which I have based the opinions set forth herein.

**CERTIFICATE OF DETERMINATION OF THE CHIEF OPERATING OFFICER OF  
THE STATE OF NEW YORK MUNICIPAL BOND BANK  
AGENCY**

I, Elizabeth Mallow, Chief Operating Officer of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me and in accordance with the applicable provisions set forth in Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, as follows:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act, as of March 28, 2017, I have received all the information required by the MBBA under the Syracuse Schools Act from the City of Syracuse (the "City"), the City School District of the City of Syracuse (the "School District"), the Syracuse Industrial Development Agency (the "SIDA") and the Joint Schools Construction Board of the City of Syracuse (the "JSCB"); and have accordingly determined that the interest rate on April 5, 2017 that would have been applicable to a bond issue sold by the MBBA of similar purpose, structure, method of sale, security and amount to the SIDA's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 would be 2.14% on a true interest cost basis, and am so certifying to the Commissioner of the New York State Department of Education.

2. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Public Resources Advisory Group, financial advisor to the MBBA, appended hereto as **Exhibit A**.

3. A copy of the information received from the School District, the City, the SIDA and the JSCB in compliance with the Syracuse Schools Act is collectively annexed hereto as **Exhibit B**.

IN WITNESS WHEREOF, I have hereunto set my signature this 6th day of April,  
2017.

A handwritten signature in black ink, appearing to read "Elizabeth Mallow", written over a horizontal line.

State of New York Municipal Bond Bank Agency

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "Bonds"), I am of the opinion that, on April 5, 2017 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 2.14%.
3. Based on my examination, my knowledge and experience, and conversations with, the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as **Exhibit A** certain financial information on which I have based the opinions set forth herein.

The following resolution was offered by Councilor Bill Ryan, who moved its adoption, seconded by Commissioner Calvin Corridore, to-wit:

WHEREAS, the Joint Schools Construction Board (hereinafter referred to as the "JSCB") was authorized by New York State through Chapter 58 A-4 of the laws of 2006 (the "Act") and created through an agreement dated April 1, 2004 by and between the City of Syracuse (the "City") and the Board of Education of the City School District of the City of Syracuse (the "School District"); and

617.20  
Appendix A  
State Environmental Quality Review  
FULL ENVIRONMENTAL ASSESSMENT FORM

**Purpose:** The full EAF is designed to help applicants and agencies determine, in an orderly manner, whether a project or action may be significant. The question of whether an action may be significant is not always easy to answer. Frequently, there are aspects of a project that are subjective or unmeasurable. It is also understood that those who determine significance may have little or no formal knowledge of the environment or may not be technically expert in environmental analysis. In addition, many who have knowledge in one particular area may not be aware of the broader concerns affecting the question of significance.

The full EAF is intended to provide a method whereby applicants and agencies can be assured that the determination process has been orderly, comprehensive in nature, yet flexible enough to allow introduction of information to fit a project or action.

**Full EAF Components:** The full EAF is comprised of three parts:

- Part 1: Provides objective data and information about a given project and its site. By identifying basic project data, it assists a reviewer in the analysis that takes place in Parts 2 and 3.
- Part 2: Focuses on identifying the range of possible impacts that may occur from a project or action. It provides guidance as to whether an impact is likely to be considered small to moderate or whether it is a potentially-large impact. The form also identifies whether an impact can be mitigated or reduced.
- Part 3: If any impact in Part 2 is identified as potentially-large, then Part 3 is used to evaluate whether or not the impact is actually important.

---

THIS AREA FOR LEAD AGENCY USE ONLY

DETERMINATION OF SIGNIFICANCE -- Type 1 and Unlisted Actions

Identify the portions of EAF completed for this project:  Part 1  Part 2  Part 3  
Upon review of the information recorded on this EAF (Parts 1 and 2 and 3 if appropriate), and any other supporting information, and considering both the magnitude and importance of each impact, it is reasonably determined by the lead agency that:

- A. The project will not result in any large and important impact(s) and, therefore, is one which will not have a significant impact on the environment, therefore a negative declaration will be prepared.
- B. Although the project could have a significant effect on the environment, there will not be a significant effect for this Unlisted Action because the mitigation measures described in PART 3 have been required, therefore a CONDITIONED negative declaration will be prepared.\*
- C. The project may result in one or more large and important impacts that may have a significant impact on the environment, therefore a positive declaration will be prepared.

\*A Conditioned Negative Declaration is only valid for Unlisted Actions

## PART 2 - PROJECT IMPACTS AND THEIR MAGNITUDE

### Responsibility of Lead Agency

**General Information (Read Carefully)**

In completing the form the reviewer should be guided by the question: Have my responses and determinations been reasonable? The reviewer is not expected to be an expert environmental analyst. The **Examples** provided are to assist the reviewer by showing types of impacts and wherever possible the threshold of magnitude that would trigger a response in column 2. The examples are generally applicable throughout the State and for most situations. But, for any specific project or site other examples and/or lower thresholds may be appropriate for a Potential Large Impact response, thus requiring evaluation in Part 3. The impacts of each project, on each site, in each locality, will vary. Therefore, the examples are illustrative and have been offered as guidance. They do not constitute an exhaustive list of impacts and thresholds to answer each question. The number of examples per question does not indicate the importance of each question. In identifying impacts, consider long term, short term and cumulative effects.

**Instructions (Read carefully)**

- a. Answer each of the 20 questions in PART 2. Answer **Yes** if there will be any impact.
- b. **Maybe** answers should be considered as **Yes** answers.
- c. If answering **Yes** to a question then check the appropriate box(column 1 or 2)to indicate the potential size of the impact. If impact threshold equals or exceeds any example provided, check column 2. If impact will occur but threshold is lower than example, check column 1.
- d. Identifying that an Impact will be potentially large (column 2) does not mean that it is also necessarily **significant**. Any large impact must be evaluated in PART 3 to determine significance. Identifying an impact in column 2 simply asks that it be looked at further.
- e. If reviewer has doubt about size of the impact then consider the impact as potentially large and proceed to PART 3.
- f. If a potentially large impact checked in column 2 can be mitigated by change(s) in the project to a small to moderate impact, also check the **Yes** box in column 3. A **No** response indicates that such a reduction is not possible. This must be explained in Part 3.

### Responsibility of Lead Agency

Part 3 must be prepared if one or more impact(s) is considered to be potentially large, even if the impact(s) may be mitigated

**Instructions** (If you need more space, attach additional sheets)

Discuss the following for each impact identified in Column 2 of Part 2:

1. Briefly describe the impact.
2. Describe (if applicable) how the impact could be mitigated or reduced to a small to moderate impact by project change(s).
3. Based on the information available, decide if it is reasonable to conclude that this impact is **important**.

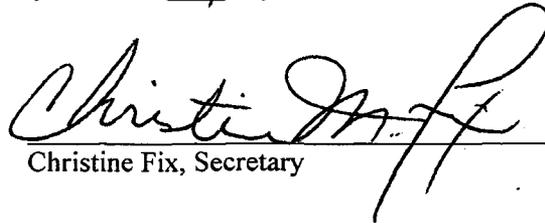

To answer the question of importance, consider:

- ! The probability of the impact occurring
- ! The duration of the impact
- ! Its irreversibility, including permanently lost resources of value
- ! Whether the impact can or will be controlled
- ! The regional consequence of the impact
- ! Its potential divergence from local needs and goals
- ! Whether known objections to the project relate to this impact.

## Section 1 - INTRODUCTION

---

### INTRODUCTION

The Syracuse Joint Schools Construction Board (hereinafter referred to as the "JSCB") was created through the City of Syracuse and the Board of Education of the City School District of the City of Syracuse Cooperative School Reconstruction Act (the "Act") authorized by New York State through Chapter 58 A-4 of the Laws of 2006 and created through an agreement dated April 1, 2004 by and between the City of Syracuse (the "City") and the Board of Education of the City School District of the City of Syracuse (the "School District").

Pursuant to the Act, the JSCB intends to undertake a project consisting of the design, reconstruction, or rehabilitation of existing school buildings for their continued use as schools of the School District, which may include the addition to an existing school building, and which may also include (1) the construction or reconstruction of athletic fields, playgrounds, and other recreational facilities for such existing school buildings, and/or (2) the acquisition and installation of all equipment necessary and attendant to and for the use of such existing school buildings (collectively, "Phase I Projects").

Seven projects are authorized pursuant to the Act and make up the Phase I Projects for up to a total cost of \$225 million. Such Phase I Projects are located at:

- Central High School (also known as Central Tech or Institute of Technology)
- Blodgett School
- Shea Middle School
- H.W. Smith Elementary School
- Clary Middle School
- Dr. Weeks Elementary School
- Fowler High School

The Act authorizes new and innovative ways to renovate the school buildings and authorizes various financing techniques to accomplish the Financial Plan for the Phase I Projects. The Financial Plan presented to the Office of the State Comptroller in Section 2 herein was put together after careful consideration and a thorough analysis of all options available to the JSCB. The following is a synopsis overview of certain components introductory to the presentation of the complete Financial Plan.

### UNDERWRITING TEAM

The JSCB, through a comprehensive Request for Proposal process, selected the following firms to serve in their designated capacities for financing of the Phase I Projects. Each firm demonstrated ample qualifications and sufficiency to provide the requisite services as well as complied with the JSCB's Diversity Plan.

The JSCB selected the firm of **DEPFA First Albany Securities LLC** to serve as Senior Managing Underwriter for Phase I of the Schools Construction Program. The JSCB's review process for Underwriter(s) focussed on the capabilities and experience of each firm who proposed as it related to (a) knowledge of New York State school building aid; (b) the sale and distribution of tax-exempt securities; (c) financing through Industrial Development Agencies, the New York State Municipal Bond Bank Agency or Certificates of Participation; (d) the experience, abilities and the creativity of the professional staff; and (e) capital sufficiency of the firm. The JSCB received 19 proposals all of which were rated and ranked based on the above criteria. The field of potential underwriters being considered for Senior Managing Underwriter was eventually narrowed down to two firms who were each asked to make formal presentations to the JSCB. In the capacity of Senior Managing Underwriter, **DEPFA First Albany Securities** recommended, and it was accepted, the use of **Hawkins Delafield & Wood LLP** as Underwriters' Counsel.

It was desired by the JSCB to select co-managing underwriters based on Minority and/or Women-owned status, so long as they demonstrated sufficiency in the attributes necessary for successful performance by a co-managing underwriter. After a careful review of the proposals submitted, and a similar rating and ranking system adhered to for the Senior Managing Underwriter, the following firms were selected to serve as co-managing underwriters: **Ramirez & Co., Inc. jointly with Roosevelt & Cross, Incorporated, Loop Capital Markets, LLC, and Alta Capital Group, LLC.**

#### **EXPECTED COST**

While the Act provides for a total cost of up to \$225 million for the Phase I Projects, under prevailing market conditions and based on current estimates of project costs, including Program Manager, Architect and Engineers, and Building Commissioning, and cost of construction, the JSCB currently expects that **\$180 million** of available proceeds will be sufficient to complete the proposed projects as conceptually contemplated. As such, the Financial Plan has been prepared utilizing the requirement to provide for \$180 million in proceeds to the project construction fund for the JSCB to use for such costs. *Section 2.A. of the Financial Plan provides details of the \$180 million composition.*

#### **METHOD OF FINANCING**

The JSCB expects to utilize the **Syracuse Industrial Development Agency (SIDA)** as the conduit issuer and means of financing the Phase I Projects. Careful consideration was made to the alternative conduit issuer provided for in the Act, i.e. the New York State Municipal Bond Bank Agency, as well as alternative means of financing, i.e. City of Syracuse GOs. A number of weighing factors in each case were analyzed and the results are provided within the Financial Plan. *Section 2.C. and Section 2.F. of the Financial Plan provide the analyses and rationale used for the selection of SIDA.*

#### **EXPECTED FINANCING TIMEFRAME**

The Institute of Technology received all the necessary approvals by SED on December 28, 2006, providing for the reimbursement of state aid to commence in the 2007-08 FY (1/2 payment) and the ability for the JSCB to borrow the funds necessary to complete this project. Based on the estimation that the Office of the State Comptroller will complete its review of the Financial Plan in 60 days, the necessary application process that must be gone through for SIDA financing, and the documentation that must be prepared to allow for market participation, it is currently expected that financing for the Institute of Technology and up to \$10 million of soft costs for the remaining six schools ("Tranche I") will transpire in **February 2008**. Tranche II, which would provide for the balance of proceeds necessary to complete the construction of the Phase I projects is expected to transpire in **February 2009**, after final plans and specifications have been submitted and approved by SED.

---

## Section 2 - FINANCIAL PLAN

---

The Financial Plan presented herein extends well beyond the initial scope expectations of financing the Phase I Projects. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the District-Wide Reconstruction Project Master Plan (the "Master Plan") as well and how the overall Master Plan fits within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. An outline of the foundation of the Master Plan is warranted in order to understand the magnitude of importance of each of its Phases and how the Financial Plan of Phase I is a precursor to the success of Phases II-IV.

### MASTER PLAN

The School District, located in Central New York, is the fifth-largest school district in the State and serves a diverse urban population of approximately 21,000 students. The School District currently occupies 42 buildings of which 37 house schools: 21 for elementary, six for middle, four for K-8, four for high school, and two for alternative programs. In addition, five buildings house support functions including central offices, building maintenance, transportation maintenance, property control and storage.

**Context and Summary of Rationale** - The facilities that house the School District's schools are in great need of timely, massive renovation of existing space, and addition of new, educationally appropriate space. Recent comprehensive investigations studied areas such as curriculum and instruction, instructional and institutional organization, student demographics, and physical plant condition. All confirm the importance and urgency of mounting an expedited district wide reconstruction program. These findings are consistent with recent redevelopments in the field of education coupled with the challenging conditions typical of schools in many other cities in the northeast United States.

- √ A need to meet new quality-education standards and initiatives developed by the New York State Education Department and the Syracuse City School District.
- √ A need to meet the needs of an increasingly diverse student population.
- √ A need to meet the needs of a growing proportion of special-needs students.
- √ A need to meet the needs of an increasingly vital and successful education program.
- √ A need to meet the increased awareness of general health, and physical and emotional needs of students and staff.
- √ A need to meet the increased understanding of life-safety and health issues.
- √ A need to respond to development of physical plant deficiencies.

**Goals of the Comprehensive Plan** - The scope and urgency of work required in the School District is extensive due to the numerous and in some cases significant deficiencies present. The goals listed below are believed to be sound and should enhance student learning, assist in reducing the dropout rate and preserve facilities.

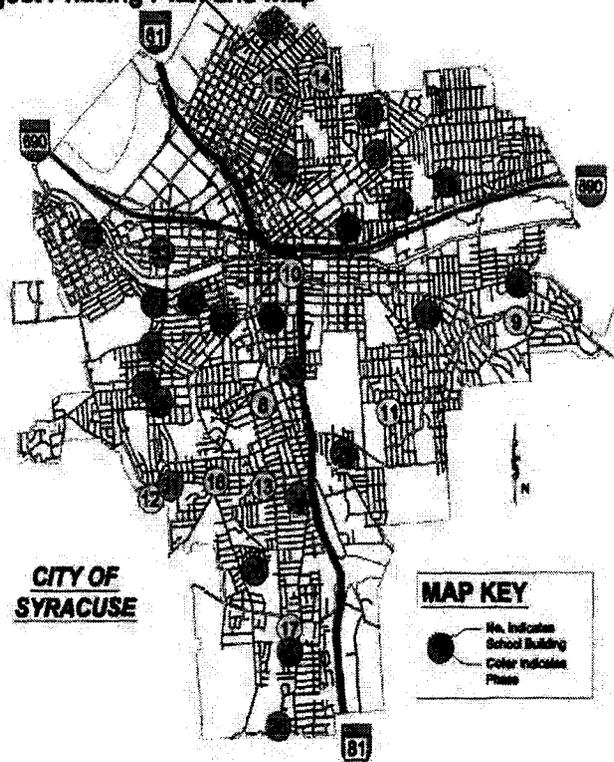

- √ Relocate programs from leased spaces to owned facilities, and close selected facilities.
- √ Eliminate use of substandard spaces.
- √ Provide adequate spaces.
- √ Address building inadequacies.
- √ Adopt planning approach that supports reduced dropout rate.

**Project Phasing Plan** - Schools have been prioritized into Phases I, II, III and IV based on the condition of the building's existing physical plant as identified by a 2000 Building Condition Survey and the need to geographically balance improvements across each quadrant of the School District. Listed on the following page are the school buildings designated in each Phase of the Master Plan as well as a geographic depiction of their location within the City's boundaries.

## District-Wide Reconstruction Project Project Phasing Plan and Map

## 2.A. ESTIMATE OF TOTAL COSTS TO BE FINANCED FOR PHASE I

### EXPECTED FUNDS NEEDED FOR PLAN COMPLETION

Of the projects and respective costs outlined in the Master Plan, it is currently anticipated that \$180 million of available proceeds in the project construction fund will be needed to complete Phase I of the Plan of Financing. Certain inflationary factors and potential cost variabilities were built into the Master Plan estimates and, as such, the authorizing Act provides for up to an original financing cost of \$225 million for the Phase I Projects. While absolute dollar costs will not be known until final plans and specifications have been finalized and approved by SED for all of the schools, it is currently estimated that \$180 million in proceeds will be sufficient for completion of the Phase I Projects based on current project expectations and cost estimates.

SCHOOL	MASTER PLAN ESTIMATE	EXPECTED FUNDS NEEDED FOR PLAN COMPLETION	EXPECTED FUNDS AS A % OF MASTER PLAN ESTIMATE
Institute of Technology	\$ 42,496,000	\$ 35,996,800	84.7 %

	\$ 224,883,000	\$180,000,000	80.0 %

### EXPECTED COSTS TO BE FINANCED

100% of the costs expected to be funded through building aid, currently estimated at \$133,194,359<sup>1</sup>, as well as \$30,102,691 that would need to be paid from local source revenues, will be funded through the issuance of bonds for an aggregate of \$163,297,050. It is expected that \$16,702,950 received by the School District in the form of Excel Aid will be used towards the funding of other local share costs over and above those funded through bonds.

SCHOOL	ESTIMATED MAX. COST ALLOWANCE <sup>1</sup>	BUILDING AID TO BE RECEIVED ON MCA @ 97%	EXCEL AID TO BE USED TOWARDS PROJECT	LOCAL SHARE FUNDS NEEDED FOR PROJECT	EXPECTED FUNDS NEEDED FOR PLAN COMPLETION

<sup>1</sup> Maximum Cost Allowance ("MCA") as estimated by SED based on their review of the Master Plan Phase I Projects is \$140,148,823. This amount is subject to change when Final Plans and Specifications are submitted to SED for review and approval.

<sup>2</sup> \$2,750,000 for Institute of Technology was borrowed on May 2, 2002 (\$2,000,000) and June 15, 2005 (\$750,000) through the issuance of City GO bonds for the payment of certain soft costs and will receive building aid accordingly based on the MCA for total project costs.

## 2.B. PROPOSED FINANCING PLAN FOR PHASE I

A number of factors were considered when developing the overall Financing Plan for the Phase I Projects, many of which extend well beyond the initial scope expectations of Phase I. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the Master Plan, as well as how the overall Master Plan fit within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. Certain decisions that were made, i.e. issuing bonds through the Syracuse Industrial Development Agency ("SIDA") or through City GO bonds, utilizing SIDA or the New York State Municipal Bond Bank ("MBBA") as the issuing entity, are explained and supported in further detail throughout this Plan submission.

Outlined below are the intrinsic factors that determined the overall approach to meeting the sizing and timing requirements of Phase I financing.

- The Institute of Technology project received final approval by SED on December 28, 2006. As such, final plans and specifications are in place and the 18 month clock has started ticking as it pertains to receiving building aid reimbursements. Furthermore, the JSCB, the School District, the City, as well as all those in the community, is anxious to see this project completed.
- In order to receive better estimates on costs for the remaining schools, Architect and Engineering firms ("A & E") as well as a Building Commissioning firm needs to be retained to develop final plans and specifications for submission to SED. In order to provide for payment of fees to A & E and Building Commissioning firms, as well as other firms involved in the overall Plan of Financing, certain soft costs, to the extent allowable, need to be borrowed near term.
- It is the current expectation that all remaining schools will have their plans and specifications drawn up simultaneously and submitted to SED for approval at the same time. The JSCB is currently in the process of evaluating proposals from all A & E firms that submitted proposals and it is the expectation that all such firms selected will commence work by year end. Furthermore, RFPs for Building Commissioning firms will be going out shortly.

As a result of these considerations, the JSCB has decided to approach the Phase I Plan of Finance with a two tranche approach. Below are the basic assumptions serving as the foundation to each tranche issuance.

	Tranche I	Tranche II
<b>Issuing Entity:</b>	SIDA (See 2.C)	SIDA (See 2.C)

<b>Amortization Term:</b> <i>Amortization Term coincides with period of expected building aid reimbursement</i>	19 1/2 years <sup>1</sup> for Institute of Tech. 20 years for pro-rata soft costs for Clary and Fowler 15 years for pro-rata soft costs for Blodgett, H.W.Smith, Shea & Weeks	20 years for Clary and Fowler 15 years for Blodgett, H.W. Smith, Shea and Weeks.

\* Difference between Expected Proceeds for project and that amount funded through bonds is Excel Aid to be used towards project.

## 2.C. PROPOSED METHOD OF FINANCING FOR PHASE I

An evaluation was made as to whether it is deemed more financially advantageous to issue the Bonds through SIDA or the MBBA, notwithstanding the City's desire to support local efforts when accomplishing its goals. From a purely financial perspective, both interest rates and other borrowing costs were evaluated. As shown below, under "optimal" market conditions, interest rates for a financing through SIDA and the MBBA are essentially the same except as noted in the 6-10 year range. Conversely, under "stressed" market conditions, such as those we are experiencing today, interest rates could widen to 2-3 bps up and down the yield curve. On any given day, interest rate differentials could widen or narrow, as well as extend or retract to any degree to other maturities, depending on a number of factors including evaluation of underlying credit classes due to "flight to quality" issues, name recognition of an issuing entity, and participation of retail investors.

		Optimal Market				Stressed Market	
Year	SIDA Yield (%)	MBBA Yield (%)	MBBA Yield (%)	Year	SIDA Yield (%)	MBBA Yield (%)	MBBA Yield (%)
1	3.39	3.39	3.37	11	4.25	4.25	4.22
2	3.42	3.42	3.40	12	4.31	4.31	4.28
3	3.50	3.50	3.48	13	4.37	4.37	4.34
4	3.59	3.59	3.57	14	4.42	4.42	4.39
5	3.68	3.68	3.66	15	4.47	4.47	4.44
6	3.76	3.74	3.73	16	4.51	4.51	4.48
7	3.86	3.84	3.83	17	4.55	4.55	4.52

10	4.16	4.14	4.13	20	4.65	4.65	4.62

Furthermore, we considered fees expected to be charged by both SIDA and MBBA. All other issuance costs relative to the financing by either entity were assumed to be the same, i.e. bond and other legal counsel, financial advisor, underwriting fees, bond insurance, etc.

SIDA Proposed Fees <sup>1</sup>	MBBA Estimated Fees <sup>2</sup>

<sup>1</sup> This is a reduced fee from the 1% printed on SIDA's fee schedule.

<sup>2</sup> Based on conversations with MBBA and fees charged on prior deals.

Financing all of Phase I was considered in the evaluation of which issuing entity to utilize, including the proposed tranching of this Phase. When quantified, by issuing the bonds through SIDA, the following reduction in issuance costs and overall debt service are estimated to be realized.

	SIDA	Optimal Market MBBA	Stressed Market MBBA
<b>Issuer Fee:</b>	\$850,775 up-front	\$2,224,760 agg. (PV) \$169,370/year	\$2,225,312 agg. (PV) \$169,120/year

**Installment Sale Agreement** - To avoid the significant cost of liability insurance for the School District in favor of SIDA to protect SIDA against third party liability such as slips and falls on school premises, etc., the proposed financing structure provides for the City and the School District to ground lease the project premises to SIDA and assignment and sale by SIDA of its leasehold interest under the ground lease to the School District pursuant to an Installment Sale Agreement. The School District will then be obligated, on a subject to appropriation basis and limited in source as to State school aid revenues, to make installment purchase payments equal to debt service on the bonds as consideration for the sale. With this structure, SIDA will not retain a continual possessory interest in the project premises over the term of the bond financing and thereby become more at risk for third party suits. That is, SIDA will only touch the property at closing when the premises are ground leased to SIDA; but pursuant to the Installment Sale Agreement, SIDA will immediately divest itself of this same possessory interest. With this structure, SIDA should be comforted that a suit brought relative to the premises would not find SIDA liable for any condition of the premises as SIDA will no longer have an interest in the premises.

## 2.F. COMPARISON OF GO BONDS AND THE PROPOSED METHOD OF FINANCING

The overriding factor determining whether to issue bonds through City GO's or through SIDA is the available Debt Contracting Margin of the City. Outlined below is a five year history, approximated at about the same time each year, of the debt contracting margin available to the City.

### EVALUATION OF DEBT CONTRACTING MARGIN

Clearly, the currently calculated \$74,334,263 debt contracting margin of the City does not come near to being enough to cover the financing needs of Phase I, let alone Phase II-IV as well. Further, when considering current authorized but unissued debt of the City, this margin falls to \$33,834,263.

Debt Contracting Margin as of 10/2/07	\$ 74,334,263
Adjustments for Authorized but Unissued Debt	
Authorized but Unissued Debt	\$ 84,500,000 *
Less: Exclusions	<u>44,000,000</u>
	\$ 40,500,000
<b>Adjusted Debt Contracting Margin for Combined City/School District Purposes</b>	<b>\$ 33,834,263</b>

\* Special note should be made of the City's commitment to reviewing its Multiyear Financial Plan and evaluating the need for any new debt issuances as was contemplated (See 2.G.).

There are two factors unique to Syracuse, as well as the other Big Five Cities that contribute to the limiting ability of debt issuance through City GOs. Notably, building aid cannot be excluded from the debt limit and it must adhere to a restrictive formula in its debt limit calculation.

**Non-Exclusion of Building Aid from Debt Limit** - Section 121.20 of the Local Finance Law does not provide for the exclusion of debt that either small city school districts or the Big Five Cities expects to receive building aid on. Conversely, upon application for and receipt of an exclusion certificate from the State Commissioner of Education, a central or union free school district can deduct the amount of building aid it currently expects to receive from the State on its outstanding debt. In particular to Syracuse, this would allow for an exclusion of approximately \$92.9 million from its debt limit and an increase in its debt contracting margin by a like amount. Additionally, Phase I would only contribute approximately \$46,805,641 of debt towards the limit, as \$135,944,359 is expected to be received in building aid based on the current estimation of MCA.

**Debt Limit Calculation** - Pursuant to Article VIII, § 4 of the State Constitution, Syracuse, as well as the other Big Five Cities have a debt limitation of 9% of the five year average full valuation (except the City of New York which has 10%) in the calculation of their debt limits. Of special consequence to the Big Five is that both city and school purpose debt are combined within the debt capacity constraints of such cities, with no definition of how each city is to determine the allocation between city purpose and school district purpose debt. The current debt limit formula places significant constraints on such Cities in the amount of debt they can issue. First, the averaging of full valuation over a five year period provides for a smaller valuation number in the preponderance of cases than if only the most current year were used, as is the case for central and union free school districts. Secondly, the 9% calculation provides for almost half the debt capacity as that derived by central and union free school districts based on their 10% allowable calculation when it is considered together with the 7% calculation imposed by its underlying/overlapping towns.

#### **CASH FLOW IMPLICATIONS**

Under the mechanism in place for SIDA financing and as more fully described in Section 2.D., to facilitate the collection of State Aid and payment of installment purchase payments, a Depository, the City, the Trustee and the School District will enter into a State Aid Trust Agreement. In accordance with such Agreement, the City and School District will instruct the State Comptroller to pay all State Aid directly to a State Aid Depository Fund to be held by the Depository under the Agreement. The Agreement provides for the payment of State Aid to the Trustee under the Indenture.

A State Aid set-aside collection period of December 1 to March 31, with installment purchase payments of April 1, is currently being used in our analysis based on the preliminary premise that this time period will have the least adverse impact on City and School District cash flows. In order to enhance coverage and simplify the flow of funds through the Indenture, such payments of State Aid to the Trustee will be for the components of the financing expected to receive State Aid as well as the local share component that would ordinarily have been paid from other sources, i.e. taxes. Mismatches in timing of when the School District would normally have received the State Aid that will now be used to pay local share debt and when it will be receiving the tax or other revenue source payments that will now not be used for the payment of local share debt could create an increased sizing need in the School District's annual cash flow borrowing. While the exact sizing impact, if any, is not currently known, it is estimated that for every incremental increase of \$10 million in RAN borrowing, the School District would need to provide for approximately \$360,000 in interest, based on current market rates of 3.60%.

## 2.G. AVAILABLE RESOURCES TO COVER LOCAL SHARE ON ANNUAL BASIS

An in-depth evaluation and analysis of the overall financial condition of both the School District and the City was taken into account when optimizing a financial model that allowed for proceeds of \$180,000,000 to be available for the completion of the Phase I Projects as well as optimizing the proceeds to be realized for the completion of all the contemplated school buildings in Phases II through IV. More importantly, and of significant focus and concern of the School District and City, was to keep impact for funding local share debt service at current levels when developing a financial strategy to accomplish all that was hoped for in the Master Plan.

### EVALUATION OF CITY DEBT

A debt profile was constructed that allowed for the presentation of all debt currently outstanding for City purposes. (See Exhibit A). This debt (excluding self-supporting and excludable debt), and its scheduled amortization structure, are believed to provide for an expected pattern of debt issuance by the City that allows for no more debt to be issued than meets the current pattern of retirement. While the current Multiyear Financial Plan and Fiscal Performance Plan (FY 2008-2011) of the City (See Exhibit C) does reflect an increase in debt service payments in the General Fund commencing in the 2009 fiscal year, the City has committed to revisiting this Financial Plan and evaluating the need for such debt issuances as currently contemplated.

As a result of the expectation that City General debt will remain at constant levels, it has not been included in the quantitative modelling as presented below.

### EVALUATION OF OUTSTANDING SCHOOL DISTRICT DEBT

A debt profile was also constructed for the presentation of all debt currently outstanding for School District purposes. More relevant, is the extension of this debt that allows for the exclusion of all building aid expected to be received on such debt.

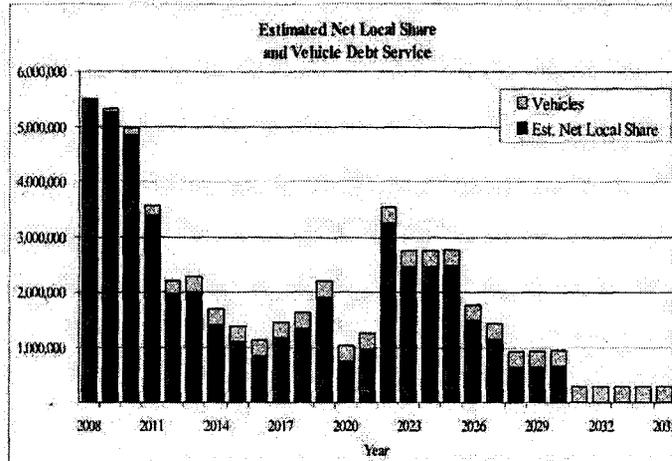

(See Exhibit B). Shown to the right, is the current net debt service, i.e. non-aidable "local share" debt service, expected to be paid by the School District over the life of the outstanding issues. The year in which local share payments are the greatest is the 2008 fiscal year. Since 2008 is the fiscal year in which the School District is currently operating in and this amount has been budgeted and provided for, it was deemed reasonable to assume that this amount of local share could be provided for in each fiscal year moving forward without having to make provisions for budgetary cuts or finding additional revenue sources.

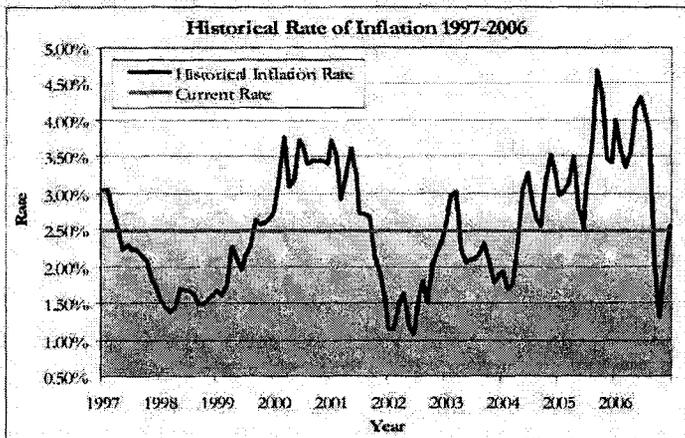

### INCORPORATION OF NEW NON-JSCB DEBT INTO EVALUATION

It was recognized that any additional borrowings contemplated by the School District should be built into the modelling assumptions. The School District currently has plans for a capital financing sized at \$13,235,000, however, it is expected that 100% of this debt will be funded with building aid or the use of excels monies. Therefore, the addition of this issue was deemed to have a "net 0" impact on School District budgetary concerns and it has not been included into our modelling assumptions. No other capital projects are contemplated at this time as the JSCB financing is expected to provide for all foreseeable project needs. Vehicle borrowings are expected at the rate of \$500,000 per year of which \$250,000 for buses is expected to be aided. As shown to the right, we have layered the non-aidable component of the annual vehicle borrowing to our outstanding local share debt service to derive all non-JSCB debt that should be considered when building our model for the Master Plan.

### GROWTH RATE ASSUMPTIONS

Finally, all things being equal, one could argue that most components that make up revenues and expenditures do grow over time, particularly that for debt service. A number of growth measures were

considered for incorporation into the Master Plan model including ten-year historical averages for General City tax rate increase (1.77%), General City School District tax rate increase (3.69%), General Fund City bonded debt (16.04%), School District bonded debt (5.67%), and growth in Assessed Valuation of the City (flat). Wanting to err on the size of conservatism, it was felt prudent to utilize the ten-year historical average for the rate of inflation. This 2.5% ten-year average, coincidentally, is also the current level for such economic predictor.

### FINANCIAL MODELLING OF MASTER PLAN

The final considerations built into the Master Plan model was the recognition that Phase I is just that, Phase I. The Financial Plan presented herein extends well beyond the initial scope expectations of financing the Phase I Projects. Forward thinking consideration was made as to the equal importance of each of the Phases II-IV of the Master Plan to the Syracuse community as well as recognition that the debt model considerations described above need to be adhered to. The following modelling assumptions for each of the four phases of the Master Plan were built into a financial model that provided for \$180 million in proceeds for Phase I to be realized and optimized the proceeds available to be realized in each of Phases II-IV.

<sup>2</sup> Model Optimization of proceeds for Phases II-IV builds in certain assumptions such as (i) interest rates based on current market conditions; (ii) the same pro-rata share of MCA to Master Plan cost estimates are used as in Phase I; (iii) the same pro-rata share of 15 and 20 year projects are used as in Phase I.

\* ½ debt service payment in final year for Institute of Technology coincides with final ½ year payment of State Aid.

The following chart reflects the aggregate expected local share debt service payments of each of Phases I – IV of the Master Plan, together with the existing and other expected local share debt service payments of the School District, providing for a conservative growth equal to the 2.5% rate of inflation.

### Section 3 - SUMMARY

---

The Syracuse City School District has developed a comprehensive Master Plan for addressing the high expectations and demands of the new learning standards and graduation requirement established by the New York State Regents. This Plan calls for the addition of the Institute of Technology @ Syracuse and modifications to existing school facilities to meet the goals listed in Section 2 herein. While the Plan clearly addresses new State requirements, it incorporates support for those instructional programs and student services that are deemed important to the community of Syracuse and support the reduction of dropout rates. Implementation of this Plan and the related facility projects will enable the District to meet the needs of all students.

Schools have been prioritized into Phases I, II, III and IV based on the condition of the building's existing physical plant and the need to geographically balance improvements across each quadrant of the School District. Many factors were considered in developing this Financial Plan for the Phase I Projects, many of which extend well beyond the scope expectations of Phase I. Forward thinking consideration was made as to the financing requirements of Phases II-IV of the Master Plan, as well as how the overall Master Plan fits within the confines and abilities of the City and School District to finance such overall needs and to provide for the payment of non-aidable costs. Some important factors that integrally determined how most prudently to proceed include:

- **Issuing bonds for the Phase I Projects in a two tranche approach.** Issuing Tranche 1 near term will allow for the commencement of project construction for the Institute of Technology as well as provide for \$10 million of monies to pay certain soft costs relative to the remaining schools in this Phase. Allowing for the Program Manager and Architects and Engineers to commence work in preparing plans and specifications for the remaining schools will better allow the School District to finetune cost estimates and SED Maximum Cost Allowances in preparation for the Tranche 2 issuance.
- **Issuing the Phase I Bonds through SIDA rather than the MBBA.** An evaluation of issuing bonds through SIDA and the MBBA was completed and cost savings are expected to be recognized by issuing the bonds through SIDA in the form of reduced borrowing costs and lower overall debt service payments.
- **Issuing the Bonds through SIDA rather than through City GOs.** Careful consideration was made as to the City's limited available debt contracting margin and the recognition, because of this limitation, that City GOs really is not a feasible option based on the financial objectives of Phase I as well as the rest of the Master Plan.
- **Evaluation of Outstanding City debt.** A review of the City's existing debt profile was completed as well as any financing expectations built into the City's Multiyear Financial Plan. The City has committed to revisiting its Multiyear Financial Plan and evaluating the need for any new debt issuances beyond the capacity freed up as a result of outstanding debt amortization.
- **Evaluation of Outstanding School District debt.** A debt profile was constructed for the presentation of all debt currently outstanding for School District purposes. This debt profile provided for the exclusion of all building aid to be received on such debt. Further, any expected borrowings that were earmarked as local share debt was added to the debt profile. It is the intention of the School District to not pay any additional local share debt beyond the current fiscal year level, providing for only a reasonable 2.5% increase each year based on the ten-year historical average of the rate of inflation.
- **Optimization of all debt issued in the Master Plan.** An quantitative optimization model was constructed that allows for \$180 million of proceeds to be available in the project construction fund to pay the Phase I Project costs after all other bonding costs of issuance have been paid, as well as the optimization of proceeds for Phases II-IV, all while adhering to local share debt issuance thresholds.

**Fiscal Improvement Plan – Narrative:**

## **Fiscal Improvement Plan – Narrative**

The City of Syracuse closed out fiscal year 2006/07 without tapping into its Designated Fund Balance Account as was planned when the 2006/07 Budget was prepared. Each year the City maximizes its revenue opportunities and controls expenditures to set the basis for the current and future spending plans. Through out the year our Syrastat program utilizes current financial and program data to measure the effectiveness of our service delivery systems, so improvements can be made immediately and costs are controlled. During the Capital Improvement Planning process projects are prioritized, other funding sources identified and limits are set to minimize the impact on future budgets.

The gap projections are based upon current trends and assumptions and illustrate the challenges to Syracuse's fiscal condition over the next four years. Ultimately, each year it is the examination and prioritization of each of these assumptions that creates the next spending plan for the City of Syracuse. Those decisions shape the challenges and opportunities for Syracuse's future. To close future years' budget gaps contained in our multi-year projections, the City will have to continue to grow its revenue base and achieve spending targets below the levels contained in these projections.

### **Revenue Possibilities**

On the revenue side, available options for gap closing include raising departmental charges, seeking new revenue authorizations from the State, increasing special funds rates, creating new service charges, lobbying for changes in local tax distributions and increases in local property taxes through growth in the tax base and/or changes in tax rates.

### **Revenue Possibilities Requiring Other Governmental Approvals**

In many areas, the cost of local government is impacted by existing State laws and regulations. We remain committed to identifying ways in which these costs can be reduced. We support such statewide initiatives as mandate relief, early retirement incentive programs that trim the workforce without layoffs and retirement system proposals that change the cost sharing formula for new employees. We will continue to focus our greatest effort in partnership with the State and other urban cities to create innovative programs for cities with dependent school districts.

### **Expenditure Possibilities**

On the expense side, the City of Syracuse will continue to improve productivity and control costs without reducing services through our comprehensive SyraStat accountability management program. Where possible, we seek out opportunities to consolidate services with our school district and other local governments if savings can be demonstrated. We will continue our efforts to integrate technology and

energy efficiency initiatives into the work place to reduce future operating costs. We have reduced our planned borrowing for capital projects and will look for ways to reduce the burden of health care costs.

Salaries, wages and benefits are by far the greatest cost in any municipal budget. Through the collective bargaining process, the City will continue to negotiate for productivity savings and adjustments to costly contract provisions. In instances when negotiations may move to the compulsory arbitration level, we will provide these certified multi-year projections to the arbitrator as independent evidence of the City's ability to pay.

### **General Fund**

The 2007-08 City of Syracuse approved spending plan included several new policy initiatives that will have a long term positive effect on future budgets. Summarizing the initiatives into strategic goals, their commongality places them into three broad goals.

1. Maximizing local revenues sources to reduce the burden on property taxpayers.
2. Reduction of annual operating costs
3. Community Cooperation to explore future opportunities to expand revenues, reduce cost or expand services.

#### **Goal 1: Maximizing Local Revenues**

##### **Local Actions:**

- By completing the financing for the expansion of the Carousel Mall, the project will provide both the City and County additional fee revenue over the next 12 years and when completed, the City will receive an increased percentage of the Sales Tax generated at the Mall. This project should stimulate additional investment in the area.

*Performance Measures:* The fee agreement is in place, the success in achieving this action is to monitor the project's schedule to ensure the timely opening of the expansion and the receipt of the additional sales tax revenues that are planned for fiscal year 2010-11. Another measurement will be the number of new permits issued for projects near the mall.

- By finalizing an agreement with Onondaga County over the construction of a new hotel adjacent to the County owned convention center

*Performance Measures:* Both sales tax revenue and parking revenue will increase with the completion of the hotel. Capital investment in the surrounding area which includes the Hotel Syracuse should increase building permit revenue.

- By implementing a new fee based residential inspection program for one and two family homes that are non-owner occupied, housing deficiencies can be identified sooner and corrective action taken. The city will have better information on its housing stock condition and can manage code compliance.

*Performance Measures:* The number of permits issued and inspection completed. The city has targeted to inspect all non-owner occupied homes over a four year period.

- By selling the City's Tax liens to a third party for collection.

*Performance Measures:* The performance measure will be the percentage bid between the face value of the tax liens and the actual value paid for the liens.

- By increasing our collection of unpaid parking ticket.

*Performance Measures:* The net revenue received from parking tickets that are over 120 days delinquent. The City will explore a booting system and public information program to stimulate people to pay their outstanding tickets.

## **Goal 2: Operating Costs Reduction**

### **Local Actions:**

- By purchasing a new asphalt plant.

*Performance Measures:* The project is expected to save the annual debt service costs from having a greater storage capacity, improved emissions control, reduction of operating time of the plant, improved quality of asphalt it produces and the flexible work scheduling of production and work crews. The DPW operating budget will see a reduction in consumption of 6,000 therms of natural gas saved from burner efficiency.

- By procuring and implementing an electronic time and attendance program at the Department of Public Works to provide better attendance records, less payroll mistakes and reduce the cost of producing the payroll.

*Performance Measures:* Will be a reduction in man hours needed to produce the weekly payroll.

## **Goal 3: Community Cooperation**

**Local Actions:**

- The City and Onondaga County will explore jointly the possibility of building an energy plant that would provide sufficient electricity for the County, City and the City School District.

*Performance Measures:* The City and County agreeing to a project that would stabilize future electric costs for the City and School District.

- The City will pursue grant funding to explore the feasibility of constructing a regional indoor firing range that would service law enforcement in and around Onondaga County. The City's plans to manage the facility and would construct the facility on City property.

*Performance Measures:* Securing State funding to hire a consultant to complete the study.

- The 2007-08 City Budget has set aside funding of \$150,000 for a feasibility study of public power for city taxpayers. The scope of the study will be finalized in 2007-08 and a vendor selected through the RFP bidding process.

*Performance Measures:* The measurable result will be the effective communication of the feasibility study results, the public dialogue from the community and any new public policy that materializes.

**Water Fund**

The 2007-08 City of Syracuse Water Fund Budget included two initiatives targeting operating cost reduction.

**Goal: Operating Costs Reduction**

**Local Actions:**

- By applying for and receiving grants to assist in financing and reconstruction of a \$40.4m water reservoir that is currently offline, yet important to the City's water distribution system. The Water Department will work with the design engineering firm to control project costs.

*Performance Measures:* Should the grants be secured project costs will be reduced by \$3.4m and therefore future water rate increases will be less than currently projected.

- By replacing all residential water meters over the next five years with the capability to read the meters remotely and collect the data electronically operating costs will be reduced. The savings will reduce two positions and accurate billing will generate additional revenue from error minimization and a reduction in accounts receivable.

*Performance Measures:* As meters are replaced billing information and meter locations will be updated resulting in fewer errors and improved collections resulting in a drop in our accounts receivable. Remote readers will eliminate human error and increase the number of meter that can be read in a day, thus reducing the number of meter-reader employees.

### **Sewer Fund**

The 2007-08 City of Syracuse Sewer Fund Budget has no unique initiative planned.

**Fiscal Improvement Plan – Worksheet:**

**Fiscal Accountability Report – Narrative:**

## Fiscal Accountability Report – Narrative

- The City of Syracuse closed out fiscal year 2006/07 without tapping into its Designated Fund Balance Account (\$9.3m) as was planned when the 2006/07 Budget was prepared. Each year the City maximizes its revenue opportunities and controls expenditures to set the basis for the current and future spending plans.
- The City of Syracuse used its AIM Program aid to reduce the property tax burden of Syracuse residents by setting the 2007/08 City and School District tax rate at the 2006/07 level.
- During the Capital Improvement Planning process projects are prioritized, other funding sources identified, and limits are set to minimize the impact on future budgets.
- By effectively using overtime and holding vacancies in the Fire Department \$1.1m was generated in salary savings.
- SyraStat compiled and analyzed the costs that the City spends to support downtown festivals and events, including regular time, overtime, fringe, and other costs by department. This was done to determine an adequate fee structure that could be implemented to cover all or a portion of City costs thereby reducing the burden on taxpayers.
- Like many other rustbelt cities, Syracuse has been experiencing population decline over the past three decades. Our existing waste collection routes were originally designed to accommodate the substantially higher population of the 1970's. SyraStat recommended a route optimization study which is currently being undertaken by the Syracuse Metropolitan Transportation Council. SMTC is bearing the entire cost of the \$75,000 study. The city is only responsible for in-kind services such as assisting in data collection efforts. This has been implemented and is nearing completion.
- SyraStat continues to track the projects and expenses of Operation CUSE (Clean Up Syracuse Everyday). Under this complaint-driven program, the City removes trash and debris from problematic properties that are threatening the quality of life in our neighborhoods. The City then bills the property owners for any costs incurred from the effort. SyraStat has recommended a new approach that will result in a higher collection rate than had been the case, thereby reducing the burden on taxpayers.

- Through the ProjectStat management system of capital projects and federal earmarks, the City has closed approximately 15 projects during FY06-07. To date, more than 120 projects have been completed through this system. At fiscal year end, there were 129 projects currently being tracked.
- Through municipal cooperation with Onondaga County three key agreements will have a major impact on future budgets, local employment opportunities, and the quality of life that Syracuse residents experience:
  1. The expansion of the Carousel Mall will provide both the City and County \$60m in additional fee revenue over the next 12 years and when completed, provide an increased local share of the Sales Tax generated at the Mall for the City of Syracuse.
  2. The City and Onondaga County have reached an agreement that is integral to the cleanup of Onondaga Lake. Syracuse will sell the County certain pieces of land that are needed for the project and effected neighborhoods will receive capital investment.
  3. The construction of a new Convention Center Hotel to stimulate our convention business.

## Financial Forecast

*2007-08 to 2010-11*

*Daniel G. Lowengard, Superintendent*  
*Joseph L. Rufo, Chief Financial Officer*

## Purpose

The primary purpose of this analysis is to:

- 1) Assist in determining how, over the next 4 years, to apportion the District's limited funding in such a way as to facilitate increased student achievement, higher test scores and improved graduation rates; and,
- 2) Help determine what size organization can be reasonably sustained given various assumptions of future revenue and expenditures.

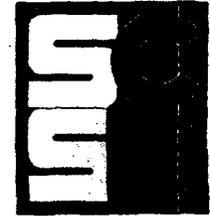

Absent an increase in revenue and/or a reduction in spending the District will continue to face significant annual deficits. Given that approximately 80% of the District's funding is for personnel related costs, any effort to reduce spending to eliminate projected deficits will need to include a reduction in the number of positions.
