11/30/06

**Appendix A**

**Consultant Selection Evaluation Criteria and Procedures  
(General)**

1. The JSCB will develop evaluation criteria, and their relative weight, which is used to evaluate and rank the consultant proposals. The criteria shall be based on relevant factors pertaining to the specific request for proposal which may include but not be limited to: the understanding of the proposed scope of work, the experience of the firm, the experience of the proposed staff, the ability to meet the proposed budget and time schedule, the familiarity with similar school renovation projects and experience working with the State Education Department.
2. The evaluation criteria and their relative weight will be included in the RFP. If a cost proposal is requested as part of the RFP, the RFP shall include how the cost proposal will be considered in the selection process (in most cases the costs proposals are always kept separate from the technical proposals. The technical proposals are evaluated first so as to not be influenced by the cost proposals.)
3. The first step in the evaluation process is to determine that each proposal contains all forms and other information required by the advertisement. Submittals may be considered non-responsive if all required information is not provided, and rejected without evaluation. Late submittals, submittals to the wrong location, and submittals with inadequate copies are considered non-responsive and should be rejected. Submittals of additional information after the due date cannot be allowed.
4. The JSCB reviews the submitted proposals according to the published evaluation criteria and weighting factors. They are given an evaluation score sheet to complete their scoring. Scores are given to each consultant based on the information contained in the proposals. Based on scores and a discussion of the firms' proposals, the JSCB establishes a short list of consultants that it determines to be best qualified to perform the contract work. If a cost proposal is requested and is not part of the original evaluation criteria, the JSCB may open the cost proposals for consideration in their ranking of the most qualified proposals.
5. The JSCB will determine whether interviews are warranted and which consultants will be interviewed. After interviews are held, the JSCB will discuss and document the strengths and weaknesses of each consultant on the short list based on the results of the interview (if held) and the evaluation of the proposal and determine the final ranking based on the evaluation criteria.

Encourage, assist and sustain business development of under represented populations (i.e. people of color and women) and maximize the use of Syracuse based labor and local professional and construction-related business enterprises through a progressive and comprehensive Workforce and Business Diversification Plan.
7. Identify and utilize innovative financing techniques to provide sources for the local share – that portion of the cost that is not reimbursable under this project's State Educational Department (SED) reimbursement formula – and to minimize (i) the local share of the costs of the program, (ii) debt incurred by the City for the program and (iii) net debt service and operation and maintenance costs.
8. Find creative solutions to interim school space during project build-out in a manner that minimizes disruption to existing school operations and classroom instruction.

## **Workforce Development and Diversification Principles and Rules**

**Mission Statement: Work for all**

### **I. Statement of Principles**

1. The capital investment represented by the Syracuse Schools Construction Program (the project) requires development of a workforce reflective of the City's population and diversity.
2. The ten-year duration of the Project provides the opportunity for planned development of a workforce, which meets this diversity objective.

3. In order to properly plan the development of a diverse workforce for The Project, the Program Manager shall oversee, facilitate, develop, and/or implement the following:
  - a. A community-wide public relations campaign to provide specific information about the Project's employment opportunities, referral and training programs.
  - b. A methodology which assists contractors, suppliers, professional service firms, or any other businesses providing goods and services to the Project to effectuate the workforce diversity goals of the Project and the minimum standards to be attained when providing such goods and services to The Project. All contracts shall include remedies and sanctions for non-compliance and identify a means by which inquiries and disputes about The Project requirement may be addressed.
  - c. An independent compliance program which monitors performance of contractors, suppliers, and professional service firms.
  - d. Regular monthly reporting to the JSCB setting forth the results of all employment and compliance activity and dispute resolution activities.
  - e. All contractors, suppliers, professional service firms or other businesses providing goods or services with a JSCB contract of \$20,000 or more shall comply with the workforce diversity rules set forth in Section II below. In the case of a contract award where compliance cannot be achieved through no fault and/or by act of omission of the contractor and/or vendor, the party required to comply with the workforce diversification rules shall present a plan to meet the goals of the Project in an alternative manner acceptable to the JSCB. In such case, the alternative plan shall be reviewed by the Program Manager. If the program manager determines, upon review of documented evidence of good faith efforts to meet the original goals, that the alternative plan does/ does not meet the intent and goals of the project, the recommendation of the Program Manager shall be submitted to the JSCB for approval or rejection within 20 workdays from submission of the alternative plan.

## **II. Workforce Development (EEO) and Diversification Rules**

1. In order to achieve the workforce diversification goals of the project, each contractor, supplier, professional service firm or other business providing goods or services is required to ensure that the workforce which it engages to perform work for the project shall demonstrate in terms of the value of the contract and/or contract as amended participation as follows:

Minority Workforce: 10% of project personnel including skilled tradespeople, trainees, journeymen, apprentices, and supervisory staff.

Female Workforce: 10% of project personnel including skilled tradespeople, trainees, journeymen, apprentices, and supervisory staff.

Each contractor, supplier, professional service provider, or other businesses providing goods and services shall also strive to maximize the use of Syracuse based labor, contractors, suppliers, and service providers.

2. In order to achieve such development and diversification in its workforce, each contractor, supplier, professional service firm or other businesses providing goods or services shall:
  - a. Provide the program manager or the designated compliance officer with a monthly workforce census and such other employment and/or payroll records necessary to verify achievement of the workforce diversity goals and demonstrate compliance with the minimum standards.
  - b. Provide access and cooperation to the project compliance officer to review records on-site and/or at work-site premises to validate workforce participation.
  - c. With bid submission, present a written recruiting program directed at attracting candidates to fill positions of employment in order to meet such requirements.
  - d. With bid submission, provide statement committing to training or participation in training provided by a third party to train new employees in meaningful ways to succeed in their employment opportunities and to promote long-term employment within the industry or profession.
3. In the event the prime contractor, supplier, professional service firm or other business providing goods or services fails to maintain minority/women workforce goals through the duration of the project, the contract or purchase order, the JSCB can and shall exercise in a timely manner one or more of the following remedies.

- a. Summon the contractor, supplier, professional service firm or other businesses providing goods or services for a hearing with a JSCB select hearing panel. The hearing shall be held within ten (10) days of notice of non-compliance by the compliance monitor.
- b. Withhold payment of any amounts due pending resolution of the hearing.
- c. Assess liquidated damages in an amount equal to the dollar value that would have been realized if the minority/women workforce has been met.
- d. Withhold, suspend, cancel or terminate the contract or purchase order
- e. Identify such contractor as a non-responsive bidder for future contracts on the project.

## **Business Development and Diversification Principles and Rules**

### **I. Statement of Principles**

1. The capital investment represented by the Syracuse Schools Construction Program creates a unique opportunity for participation of minority-owned business enterprises and women-owned business enterprises. To ensure that contracts for goods and services are placed with qualified minority and women owned business enterprises, the Program Manager will oversee, facilitate, develop and/or implement the following:
  - a. Identify certified MBE and WBE firms available to provide goods and services to the project and to create a reference list for all project participants.
  - b. Identify firms that could/can be certified as MBE or WBE.
  - c. Ensure that contractors and suppliers divide the goods or services to be provided into Scopes, where economically and technically feasible, to create opportunities for participation.
  - d. Coordinate activities and services with organizations such as Chambers of Commerce, Trade groups, and community-based groups/organizations, which promote MBE and/or WBE interests.
  - e. Create the opportunities for mentoring less experiences and/or start-up M/WBE's.
  - f. Encourage the formation of joint ventures, partnerships, or other similar arrangements where feasible.

- g. Create a network for referral for banking and surety credit needs and advocate for the provision of an accelerated payment system, revolving credit and needs for project bonding.
  - h. Develop a methodology which assists contractors, suppliers, professional service firms, or any other business providing goods or services to the project to effectuate the business development and diversification goals of the project and the minimum standards to be attained when providing such goods and services to the project. All contracts shall include remedies and sanctions for non-compliance and identify a means by which inquiries and disputes about the project requirements may be addressed.
2. All contractors, suppliers, professional service firms or other businesses providing goods or services shall comply with the business development and diversification rules set forth in Section II below. In the case of a contract award where compliance cannot be achieved through no fault and/or by act of omission of the contractor, the party required to comply with the workforce diversification rules shall present a plan, to meet the goals of the project in an alternative manner acceptable to the JSCB. In order to present an alternative plan for meeting diversification goals, written evidence must be presented that good faith efforts were made to secure the services of under-represented workers and businesses. In such case, the alternative plan shall be reviewed by the Program Manager and the recommendation of the program manager shall be submitted to the JSCB for approval or rejection within twenty (20) business days from the submission of the alternative plan.

**II. Business Development and Diversification Rules**

- 1. In order to achieve the Business Development goals of the project, each contractor, supplier, professional service firm or other business providing goods or services with a JSCB contract of \$20,000 or more is required to engage a minority and/or women owned business to provide for the following
 

MBE:	9% of each contract or purchase order
WBE	6% of each contract or purchase order
- 2. The value of the work procured from certified MBE's and WBE's to accomplish these goals shall be determined as follows:
  - a. The dollar value of the work contracted to MBE's or WBE's through a purchase order, less any portion of that value paid by the MBE or WBE to any non-MBE or non-WBE manufacturer or producer to provide such goods and services as a subcontractor or sub-supplier to the MBE/WBE.
  - b. The full dollar value of a sub-contract with all M/WBE firms will be counted towards the diversification goals of the project.

- c. In the instance of a joint venture, the percentage of the joint venture's profits (or losses) which are to accrue to the MBE or WBE joint venture partner
  - d. In the case of a certified minority or women owned supplier which is in the business of supplying goods and materials by maintaining accounts with product manufacturers, paying for goods and materials directly, warehouses goods and materials, provide shipping and handling, and conducts its business as an industry supplier and not a broker, the full value of such contract or purchase order shall meet the project goals. In all other instances, only 25% of such contract or purchase order shall meet the project goals.
3. Each contractor, supplier, professional service firm or other businesses providing goods or services shall solicit bids for subcontractors and suppliers from certified MBE's and WBE's including circulation of solicitations to minority contractors, suppliers, trade associations and/or employment and business advocacy groups/organizations. When evaluating bids and/or proposals received, each contractor, supplier, or professional service firm shall act in "good faith" and shall exercise best efforts to assist M/WBE firms to secure such work.
  4. To be deemed an MBE or WBE a certificate and/or letter so designating must be presented prior to contract award. Failure to produce an authentic certificate/letter will result in the firm not receiving an MBE or WBE designation for the project thereby jeopardizing diversification goals.
  5. MBE and WBE designations are honored only for the area/component for which the designation has been provided by an authorizing agent.
  6. The City of Syracuse is the authorizing agent for MBE and WBE designations. The JSCB reserves the right to revise the Diversity plan once the goals of 9% MBE participation and 6% WBE participation are met through City-certified firms.
  7. Each contractor, supplier, professional service firm or other businesses providing goods or service shall provide the Program Manager and the project compliance officer a monthly report demonstrating compliance with the Business Development and Diversification Rules. Reports submitted must provide the data set required by the program manager

8. In the event the prime contractor, supplier, and professional service firm or other business providing goods or service fails to maintain MBE and WBE goals through the duration of the contract, the purchase order of the project, the JSCB can and shall exercise one or more of the following remedies.
  - a. Summon the contractor, supplier or professional service firm or other businesses providing goods or services for a hearing with a JSCB select hearing panel designated by the Board. The hearing shall be held within ten (10) days of notice of non-compliance by the compliance officer.
  - b. Withhold payment of any amounts due pending resolution of the hearing
  - c. Assess liquidated damages in an amount equal to the dollar value that would have been realized if the minority/women workforce had been met.
  - d. Withhold, suspend, cancel or terminate the contract or purchase order.
  - e. Identify such firm as a non-responsive bidder for future contract bids on the project.

WHEREAS, based on preliminary information provided by the Underwriters and the fee to be charged by SIDA, the JSCB made a preliminary comparison of the financing available from SIDA with the financing expected to be available from the New York State Municipal Bond Bank Agency ("MBBA") for the Series 2008 Project and made a preliminary determination that financing the Series 2008 Project through the Series 2008A Bonds may reasonably be expected to result in the lowest cost to the taxpayers of the City and the State; and

WHEREAS, the issuance of the Series 2008A Bonds is subject to the School District, the City, the JSCB and SIDA determining based on pricing and other information furnished by the Underwriters that financing the Series 2008 Project through the Series 2008A Bonds rather than through financing from MBBA results in the lowest cost to the taxpayers of the City and the State; and

WHEREAS, the issuance of the Series 2008A Bonds is subject to approval thereof by SIDA;

NOW THEREFORE, BE IT RESOLVED, that:

1. In consequence of the foregoing, the JSCB hereby determines to:

(b) approve the issuance of the Series 2008A Bonds in accordance with the Indenture on substantially the terms set forth in the form of Indenture attached hereto, with such amendments or modifications as an Authorized Officer deems necessary under the circumstances upon advice of counsel to the JSCB;

(c) approve the Bond Purchase Agreement on such terms and in the form approved by an Authorized Officer upon advice of counsel to the JSCB;

The Series 2008A Bonds are being issued under and pursuant to and in full compliance with the Constitution and laws of the State of New York, particularly the New York State Industrial Development Agency Act (constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York), as amended, Chapter 641 of the 1979 Laws of New York, as amended (collectively, the "*Act*"), and Chapter 58 Part 4-A of the Laws of the State, and as may be amended (collectively, the "*Syracuse Schools Act*"), and under and pursuant to a resolution adopted by the members of the Agency on February \_\_, 2008, authorizing the issuance of the Series 2008A Bonds, and under and pursuant to an Indenture of Trust (Series 2008 Project), dated as of February 1, 2008 (as the same may be amended or supplemented, the "*Indenture*"),

made and entered into between the Agency and Manufacturers and Traders Trust Company, Buffalo, New York, as trustee (said bank and any successor thereto under the Indenture being referred to herein as the "Trustee"), for the purpose of financing a portion of the costs of the acquisition, reconstruction, rehabilitation and/or equipping of certain existing school buildings (collectively, the "Facilities") within the City of Syracuse, New York (the "City") of the City School District of the City of Syracuse, a school district of the State of New York (the "SCSD") (the "Series 2008 Project"). Pursuant to a License Agreement (Series 2008 Project), dated as of February 1, 2008 (as the same may be amended or supplemented, the "License"), among the City, the SCSD and the Agency, the City and the SCSD have granted a license to the Agency in and to the Facilities. The Agency has sold its leasehold interest in the Facilities under the License to the City and the SCSD pursuant to an Installment Sale Agreement (Series 2008 Project), dated as of February 1, 2008 (as the same may be amended or supplemented, the "Series 2008A Installment Sale Agreement"), among the Agency, the City, the Syracuse Joint School Construction Board (the "JSCB") and the SCSD. The Installment Sale Agreement requires the payment by the City and the SCSD of (i) Base Installment Purchase Payments (as defined in the Installment Sale Agreement) as scheduled payments equal to the principal of and interest on the Series 2008A Bonds and any Additional Bonds that may be issued under the Indenture (collectively, the "Bonds") as the same become due, and (ii) Reserve Payments (together with the Base Installment Purchase Payments, the "Installment Purchase Payments") to pay deficiencies in the Debt Service Reserve Fund established under the Indenture.

**Pledge and Security.** The obligation of the City and the SCSD to pay Installment Purchase Payments under the Installment Sale Agreement is executory only to the extent of State Aid Revenues (as defined in the State Aid Trust Agreement referred to below), moneys appropriated by the State and available to the City or the SCSD under the Installment Sale Agreement and the State Aid Trust Agreement, and moneys appropriated by the City and the SCSD for such purpose, and no liability on account thereof is incurred by the City and the SCSD beyond the amount of such moneys, *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the State, the City or the SCSD to appropriate State Aid Revenues) to make an Installment Purchase Payment or an Additional Payment under the Installment Sale Agreement is deemed a failure to make a payment for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the Indenture. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD and neither the faith and credit of the City or the SCSD nor the taxing powers of the City are pledged to the payment of Installment Purchase Payments. The obligations of the City and the SCSD under the Installment Sale Agreement to pay Installment Purchase Payments in any Fiscal Year of the City and the SCSD constitutes a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State of New York (the "State"). The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid Revenues lawfully appropriated by the State and available therefor from time to time for the benefit of the SCSD, and appropriated for such purpose by the City and the SCSD.

Each of the SCSD, the City, the Trustee as a Series Trustee and Manufacturers and Traders Trust Company, Buffalo, New York, as depository bank (together with its successors or

assigns, the "*Depository Bank*"), have entered into a State Aid Trust Agreement, dated as of February 1, 2008 (as the same may be amended or supplemented, the "*State Aid Trust Agreement*"), to provide for, among other things, the payment of all State Aid Revenues into the State Aid Depository Fund maintained with the Depository Bank for periodic transfer to the Bond Fund established under the Indenture (and the equivalent fund established under each other Series Indenture) toward payment of the Bonds and each other Series of Project Bonds issued under a Series Indenture, and to the extent of any deficiency therein, to the Debt Service Reserve Fund established under the Indenture, and the equivalent fund, if any, established under each other Series Indenture, and the balance to the General Fund (as defined in the State Aid Trust Agreement).

Copies of the Indenture, the Installment Sale Agreement, the License and the State Aid Trust Agreement are on file at the principal corporate trust office of the Trustee at One M & T Plaza, Buffalo, New York, and reference is made to such documents for the provisions relating, among other things, to the terms and security of the Series 2008A Bonds, the charging and collection of installment purchase payments for the Facilities, the custody and application of the proceeds of the Series 2008A Bonds, the rights and remedies of the holders of the Series 2008A Bonds, and the rights, duties and obligations of the Agency, the School Parties and the Trustee.

Pursuant to the Indenture, the Agency has assigned to the Trustee substantially all of its right, title and interest in and to the Installment Sale Agreement, including all rights to receive Base Installment Purchase Payments to pay the principal of and interest on the Series 2008A Bonds as the same become due, and of Reserve Payments to pay deficiencies in the Debt Service Reserve Fund, all to be made by the City and the SCSD pursuant to the Installment Sale Agreement, and all executory only to the extent of State Aid Revenues as provided above.

The Series 2008A Bonds are special obligations of the Agency and shall never constitute a debt of the State of New York nor of the City, and neither the State of New York nor the City shall be liable thereon, nor shall the Series 2008A Bonds be payable out of any funds of the Agency other than those pledged therefor. Reference is hereby made to the Indenture for the definition of any capitalized word or term used but not defined herein and for a description of the property pledged, assigned and otherwise available for the payment of the Series 2008A Bonds, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Agency, the Trustee and the holders of the Series 2008A Bonds, and the terms upon which the Series 2008A Bonds are issued and secured.

**Additional Bonds.** As provided in the Indenture, Additional Bonds may be issued from time to time in one or more series for the purpose of financing the Facilities in connection with the Program or refunding outstanding Bonds. All Bonds issued and to be issued under the Indenture are and will be equally secured by the pledge and covenants made therein, except as may otherwise be expressly provided in the Indenture.

#### **Redemption of Series 2008A Bonds.**

(a) *General Optional Redemption.* The Series 2008A Bonds maturing from May 1, 20\_\_ to and including May 1, 20\_\_ are not subject to optional redemption prior to the maturity thereof. The Series 2008A Bonds maturing on and after May 1, 20\_\_ are subject to redemption,

in whole or in part, at any time on or after May 1, 20\_\_ (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by the City of its intention to prepay Base Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus in each case accrued interest to the redemption date.

(b) *Mandatory Redemption from Excess Bond Proceeds.* The Series 2008A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent excess Bond proceeds shall remain after the completion or abandonment of the Series 2008 Project, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2008A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) *Redemption Procedures.* If any of the Series 2008A Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2008A Bond to be redeemed at the address for such owner shown on the registration books. All Series 2008A Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2008A Bonds called for redemption shall become due and payable on the redemption date, provided, however, that with respect to any redemption of the Series 2008A Bonds as provided in paragraph (a) above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on such Series 2008A Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem such Series 2008A Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2008A Bonds so called for redemption at the place or places of payment, such Series 2008A Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2008A Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2008A Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Series 2008A Bond so affected, shall not affect the validity of the redemption of such Series 2008A Bond.

**Payments Due on Saturdays, Sundays and Holidays.** In any case where any payment date of principal or Redemption Price, if any, and/or interest on this bond shall be (i) a Saturday or Sunday, (ii) a day in which banks in the State of New York, or in the city in which the

corporate trust office of the Trustee is located, are authorized or required by law to close, or (iii) a day on which the New York Stock Exchange, Inc. is closed, then payment of such principal or Redemption Price, if any, and/or interest need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the principal and/or Interest Payment Date or the date fixed for redemption, as the case may be, except that interest shall continue to accrue on any unpaid principal.

**Amendment of Indenture.** The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Agency and the rights of the holders of the Bonds at any time by the Agency with the consent of the Trustee, or, where so provided in the Indenture, the holders of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding thereunder; provided, however, that if any such amendment or modification would affect only a single series of Bonds, then the consent of the holders of not less than a majority in aggregate principal amount of such series of Bonds at the time Outstanding thereunder shall instead be required. Any such consent shall be conclusive and binding upon each such holder and upon all future holders of each Bond and of any such Bond issued upon the transfer thereof, whether or not notation of such consent is made thereon.

**Book-Entry System.** The Series 2008A Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate with respect to each date on which the Series 2008A Bonds are stated to mature, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody or its agent. The book-entry system will evidence positions held in the Series 2008A Bonds by the Securities Depository's Participants, beneficial ownership of the Series 2008A Bonds in authorized denominations being evidenced in the records of such Participants. Transfers of ownership shall be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository and its Participants. The Agency and the Trustee will recognize the Securities Depository nominee, while the registered owner of this bond, as the owner of this bond for all purposes, including (i) payments of principal of, redemption premium, if any, and interest on this bond, (ii) notices, and (iii) voting. Transfer of principal, and interest and any redemption premium payments to Participants of the Securities Depository, and transfer of principal, Redemption Price, and interest payments to Beneficial Owners of the Series 2008A Bonds by Participants of the Securities Depository will be the responsibility of such Participants and other nominees of such Beneficial Owners. The Agency and the Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its Participants or persons acting through such Participants. While the Securities Depository nominee is the owner of this bond, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this bond shall be made in accordance with existing arrangements among the Agency, the Trustee and the Securities Depository.

**Denominations.** The Series 2008A Bonds are issuable in the form of fully registered bonds in the minimum denomination of \$5,000 or any integral multiple thereof.

**Exchange of Series 2008A Bonds.** The holder of this bond may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2008A Bonds of any of the authorized denominations of the same maturity and maturities as this bond or the Series 2008A Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to (i) transfer or exchange any Series 2008A Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2008A Bonds to be redeemed, or (ii) transfer or exchange any Series 2008A Bonds selected, called or being called for redemption in whole or in part.

**Transfer of Series 2008A Bonds.** This bond is transferable, as provided in the Indenture, only upon the books of the Agency kept for that purpose at the corporate trust office of the Trustee by the registered owner hereof in person, or by his duly authorized attorney-in-fact, upon surrender of this bond (together with a written instrument of transfer in the form appearing on this bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2008A Bond in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price hereof, and interest due hereon and for all other purposes whatsoever.

**No Acceleration of Series 2008A Bonds.** In no event shall the principal of any Series 2008A Bond be declared due and payable in advance of its final stated maturity.

**Limitation on Bondholder Enforcement Rights.** The holder of this bond shall have no right to enforce the provisions of the Indenture, to institute action to enforce the provisions and covenants thereof or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

**Special Obligation of the Agency.** This bond and the issue of which it forms a part are special obligations of the Agency, payable by the Agency solely out of the installment purchase payments, revenues or other receipts, funds or moneys of the Agency pledged under the Indenture and from any amounts otherwise available under the Indenture for the payment of the Series 2008A Bonds.

**Estoppel Clause.** It is hereby certified, recited and declared that all conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the issuance of this bond and the issue of which it forms a part are within every debt and other limit prescribed by the laws of the State of New York.

**No Personal Liability.** Neither the members, directors, officers or agents of the Agency nor any person executing this bond shall be liable personally or be subject to any personal liability or accountability by reason of the issuance hereof.

**Authentication by Trustee.** This bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been signed by the Trustee.

### III

**Section 2.3. Redemption of Series 2008A Bonds.**

(a) *General Optional Redemption.* The Series 2008A Bonds maturing from May 1, 20\_\_ to and including May 1, 20\_\_ are not subject to optional redemption prior to the maturity thereof. The Series 2008A Bonds maturing on and after May 1, 20\_\_ shall be subject to redemption, in whole or in part at any time on or after May 1, 20\_\_ (but if in part in integral multiples of \$5,000), at the option of the Agency (which option shall be exercised upon the giving of notice by an Authorized Representative of the City of its intention to prepay Base Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to the principal amount thereof to be redeemed, plus accrued interest to the date of redemption.

(b) *Mandatory Redemption.* The Series 2008A Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2008 Project, or (ii) moneys are transferred to the Bond Fund pursuant to Article V hereof or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2008A Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

(c) Redemption of Series 2008A Bonds permitted or required by this Article II shall be made as follows, and the Trustee shall give the notice of redemption required by Section 6.3 hereof in respect of each such redemption:

(1) Redemption shall be made pursuant to the general optional redemption provisions of Section 2.3(a) hereof at such times as are permitted under such Section and in such principal amounts as the City shall request in a written notice to the Trustee in accordance with the Installment Sale Agreement.

(2) Redemption shall be made pursuant to the mandatory redemption provisions of Section 2.3(b) hereof on the dates specified therein, without the necessity of any instructions or further act of the School Parties.

(d) In the event of any redemption in part of the Series 2008A Bonds, in selecting Series 2008A Bonds for redemption, the Trustee shall treat each such Series 2008A Bond as representing that number of Series 2008A Bonds which is obtained by dividing the principal amount of such registered Bond by \$5,000 (referred to below as a "unit") rounded down to the integral multiple of such minimum denomination. If it is determined that one or more, but not all, of the units of principal amount represented by any such Series 2008A Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Series 2008A Bond shall forthwith surrender such Series 2008A Bond to the Trustee for (y) payment to such Holder of the Redemption Price of the unit or units of principal

amount called for redemption and (z) delivery to such Holder of a new Series 2008A Bond or Bonds in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Series 2008A Bond. New Series 2008A Bonds of the same maturity representing the unredeemed balance of the principal amount of such Series 2008A Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Series 2008A Bond of a denomination greater than \$5,000 shall fail to present such Series 2008A Bond to the Trustee for payment and exchange as aforesaid, such Series 2008A Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 2.4. Delivery of Series 2008A Bonds.** The Series 2008A Bonds shall be executed in the form and manner set forth in this Indenture and shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Series 2008A Bonds including the interest, if any, accrued on the Series 2008A Bonds to the date of delivery, the Series 2008A Bonds shall be delivered by the Trustee on behalf of the Agency to or upon the order of the purchaser(s) thereof, but only upon receipt by the Trustee of:

- (a) a copy, duly certified by the Chairman, Vice Chairman or Secretary of the Agency, of the Bond Resolution;
- (b) an original executed counterpart of all Security Documents;
- (c) a written opinion by Hiscock & Barclay, LLP to the effect that the issuance of the Series 2008A Bonds and the execution thereof have been duly authorized and that all conditions precedent to the delivery thereof have been fulfilled; and
- (d) the written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for delivery the Series 2008A Bonds to the purchaser(s) therein identified upon payment to the Trustee for the account of the Agency of the purchase price therein specified, plus accrued interest, if any.

**Section 2.5. Execution of Bonds.** The Bonds shall be executed on behalf of the Agency by the manual or facsimile signature of the Chairman or Vice Chairman of the Agency, and the seal of the Agency shall be affixed thereto or imprinted thereon and attested by the manual or facsimile signature of the Secretary of the Agency. Any facsimile signatures shall have the same force and effect as if the appropriate officers had personally signed each of said Bonds. In case one or any of the officers who shall have signed or attested the Bonds or whose reproduced facsimile signature appears thereon shall cease to be such officer or officers before the Bonds so signed and attested shall have been actually issued and delivered, the Bonds may be issued and delivered as though the person who signed or attested or whose reproduced facsimile signature appears on the Bonds had not ceased to be such officer. Neither the members, directors, officers or agents of the Agency nor any person executing the Bonds shall be liable personally or be subject to any personal liability or accountability by reason of the issuance thereof.

**Section 2.6. Authentication.** Only such Bonds as shall have endorsed thereon a certificate of authentication, in substantially the form set forth in the Form of Bond in the recitals of this Indenture, duly executed by the Trustee, shall be entitled to any right or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until such certificate of authentication on such Bond shall have been duly executed by the Trustee, and such certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Indenture. The Trustee shall note, with respect to each Bond to be authenticated under this Indenture in the space provided in the certificate of authentication for such Bond, the date of the authentication and delivery of such Bond. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds.

**Section 2.7. Additional Bonds.**

(a) So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance for the purpose of (i) financing Facilities in connection with the Program, or (ii) refunding Outstanding Bonds. Such Series of Additional Bonds shall be payable from the Base Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture in connection therewith, (except in the case of Refunding Bonds (as defined herein)) the City, the SCSD and the Agency shall enter into an license agreement or lease agreement to grant an interest in he Facilities to the Agency unless the License shall then be in effect, and each of the School Parties shall enter into an amendment to the Installment Sale Agreement to subject the Facility(ies) to the Installment Sale Agreement and to provide, among other things, that the Base Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the Bonds, including such Series of Additional Bonds. In addition, each of the School Parties and the Agency shall enter into an amendment to the Tax Compliance Certificate.

(b) Each such Series of Additional Bonds shall be deposited with the Trustee and thereupon shall be authenticated by the Trustee. Upon payment to the Trustee of the proceeds of sale of the Additional Bonds, they shall be made available by the Trustee for pick-up by the order of the purchaser or purchasers thereof, but only upon receipt by the Trustee of:

(1) a copy of the resolution, duly certified by the Secretary or Assistant Secretary of the Agency, authorizing, issuing and awarding the Additional Bonds to the purchaser or purchasers thereof and providing the terms thereof and authorizing the execution of any Supplemental Indenture and any amendments of or supplements to the License and the Installment Sale Agreement;

(2) original executed counterparts of the Supplemental Indenture and an amendment of or supplement to the License and the Installment Sale Agreement, expressly providing that, to the extent applicable, for all purposes of

the Supplemental Indenture, the License and the Installment Sale Agreement, the Facilities referred to therein and the premises licensed pursuant to the License, as applicable, and sold under the Installment Sale Agreement, shall include the buildings, structures, improvements, machinery, equipment or other facilities being financed, and the Bonds referred to therein shall mean and include the Additional Bonds being issued as well as the Bonds now being issued and any Additional Bonds theretofore issued;

(3) a written opinion by Nationally Recognized Bond Counsel, to the effect that the issuance of the Additional Bonds and the execution thereof have been duly authorized, that all conditions precedent to the delivery thereof have been fulfilled, and that the issuance of the Additional Bonds will not cause the interest on any Series of Bonds Outstanding to become includable in gross income for federal income tax purposes;

(4) except in the case of Refunding Bonds (defined below) refunding all Outstanding Bonds, a certificate of an Authorized Representative of each of the School Parties to the effect that the License, the Tax Compliance Certificate and the Installment Sale Agreement continues in full force and effect and that there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default;

(5) an amount for deposit in the Debt Service Reserve Fund so as to make the amount on deposit in such Fund equal to the Debt Service Reserve Requirement after taking into account the issuance of such Additional Bonds;

(6) an original, executed counterpart of the amendment, if any, to the Tax Compliance Certificate; and

(7) a written order to the Trustee executed by an Authorized Representative of the Agency to authenticate and make available for pick-up the Series of Additional Bonds to the purchaser or purchasers therein identified upon payment to the Trustee of the purchase price therein specified, plus accrued interest, if any.

(c) (1) Upon the request of the JSCB, one or more Series of Additional Bonds may be authenticated and made available for pick-up upon original issuance to refund ("*Refunding Bonds*") all Outstanding Bonds or any Series of Outstanding Bonds or any part of one or more Series of Outstanding Bonds. Bonds of a Series of Refunding Bonds shall be issued in a principal amount sufficient, together with other moneys available therefor, to accomplish such refunding and to make such deposits required by the provisions of this Indenture and of the resolution authorizing said Series of Refunding Bonds. In the case of the refunding under this Section 2.7 of less than all Bonds Outstanding of any Series or of any maturity within such Series, the Trustee shall proceed to select such Bonds in accordance with Section 6.2 hereof.

(2) Refunding Bonds may be authenticated and made available for delivery only upon receipt by the Trustee (in addition to the receipt by it of the documents required by Section 2.7(b) hereof, as may be applicable) of:

(A) Irrevocable instructions from the Agency to the Trustee, satisfactory to it, to give due notice of redemption pursuant to Section 6.3 hereof to the Holders of all the Outstanding Bonds to be refunded prior to maturity on the redemption date specified in such instructions; and

(B) Either:

(i) moneys in an amount sufficient to effect payment at maturity or upon redemption at the applicable Redemption Price of the Bonds to be refunded, together with accrued interest on such Bonds to the maturity or redemption date, which moneys shall be held by the Trustee or any Paying Agent in a separate account irrevocably in trust for and assigned to the respective Holders of the Outstanding Bonds being refunded, or

(ii) Defeasance Obligations in such principal amounts, having such maturities, bearing such interest, and otherwise having such terms and qualifications, as shall be necessary to comply with the provisions of Section 10.1 hereof, and any moneys required pursuant to said Section (with respect to all Outstanding Bonds or any part of one or more series of Outstanding Bonds being refunded), which Defeasance Obligations and moneys shall be held in trust and used only as provided in said Section 10.1.

(3) The City shall furnish to the Trustee and the Agency at the time of delivery of the Series of Refunding Bonds a certificate of an independent certified public accountant stating that the Trustee and/or the Paying Agent (and/or any escrow agent as shall be appointed in connection therewith) hold in trust the moneys or such Defeasance Obligations and moneys required to effect such payment at maturity or earlier redemption.

(d) Each Series of Additional Bonds issued pursuant to this Section shall be equally and ratably secured under this Indenture with the Series 2008A Bonds and all other Series of Additional Bonds, if any, issued pursuant to this Section, without preference, priority or distinction of any Bond over any other Bonds except as expressly provided in or permitted by this Indenture.

(e) Notwithstanding anything herein to the contrary no Series of Additional Bonds shall be issued unless the State Aid Trust Agreement, the Tax Compliance Certificate and the Installment Sale Agreement are in effect and at the time of issuance there is no Event of Default nor any event which upon notice or lapse of time or both would become an Event of Default. Each Series of Additional Bonds shall be designated by name and by Series and shall have separate funds and accounts.

**Section 2.8. Limitation of Agency's Liability.** Anything in this Indenture, the Bonds, the Installment Sale Agreement or any other Project Document to the contrary notwithstanding, any obligations of the Agency under this Indenture or the Bonds or under the Installment Sale Agreement or under any other Project Document or related document for the payment of money shall not create a debt of the State or the City and neither the State nor the City shall be liable on any obligation so incurred, but any such obligation shall be a special obligation of the Agency secured and payable solely as provided in this Indenture.

**Section 2.9. Book-Entry Bonds.**

(a) Except as provided in subsection (c) below, the Holder of all of the Series 2008A Bonds shall be DTC (the "*Securities Depository*") and the Series 2008A Bonds shall be registered in the name of Cede & Co., as nominee for DTC. Payment of interest for any Series 2008A Bond registered in the name of Cede & Co. shall be made by wire transfer of New York Clearing House or equivalent same day funds to the account of Cede & Co. on the Interest Payment Date for the Series 2008A Bonds at the address indicated for Cede & Co. in the registration books of the Agency kept by the Trustee. It is anticipated that during the term of the Series 2008A Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, Redemption Price of and interest on the Series 2008A Bonds to the Participants until and unless the Trustee authenticates and delivers replacement bonds to the Beneficial Owners as described in paragraph (c) below.

(b) The Series 2008A Bonds shall be initially issued in the form of a separate single authenticated fully registered certificate for each maturity of the Series 2008A Bonds. Upon initial issuance, the ownership of such Series 2008A Bonds shall be registered in the registration books of the Agency kept by the Trustee in the name of Cede & Co., as nominee of DTC. The Trustee, the Bond Registrar, the Paying Agent and the Agency shall treat DTC (or its nominee) as the sole and exclusive Holder of the Series 2008A Bonds registered in its name for the purposes of payment of the principal or Redemption Price of or interest on the Series 2008A Bonds, selecting the Series 2008A Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Holders of Series 2008A Bonds under this Indenture, registering the transfer of Series 2008A Bonds, obtaining any consent or other action to be taken by Holders of the Series 2008A Bonds and for all other purposes whatsoever; and neither the Trustee, the Bond Registrar, the Paying Agent, the School Parties, nor the Agency shall be affected by any notice to the contrary. Neither the Trustee, the Bond Registrar, the Paying Agent nor the Agency shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Series 2008A Bonds under or through DTC or any Participant, or any other Person which is not shown on the registration books of the Trustee as being a Holder, with respect to the accuracy of any records maintained by DTC or any Participant; the payment of DTC or any Participant of any amount in respect of the principal or Redemption Price of or interest on the Series 2008A Bonds; any notice which is permitted or required to be given to Bondholders under this Indenture or any other Security Documents; the selection by DTC or any Participant of any Person to receive payment in the event of a partial redemption of the Series 2008A Bonds; or any consent given or other action taken by DTC as Bondholder. The Trustee shall pay all principal of, redemption premium, if any, and interest on the Series 2008A Bonds only to or "upon the order of" (as that term is used in the Uniform Commercial Code as adopted in the State) DTC, and all such payments shall be valid and

effective to fully satisfy and discharge the Agency's obligations with respect to the principal of, and redemption premium, if any, and interest on the Series 2008A Bonds to the extent of the sum or sums so paid. Except as otherwise provided in subsection (c) below, no Person other than DTC shall receive an authenticated Series 2008A Bond certificate evidencing the obligation of the Agency to make payments of principal of, and redemption premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Indenture with respect to transfers of Bonds, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event the Agency determines that it is in the best interest of the Beneficial Owners that they be able to obtain Series 2008A Bond certificates, the Agency may notify DTC and the Trustee, whereupon DTC will notify the Participants, of the availability through DTC of Series 2008A Bond certificates. In such event, the Trustee shall issue, transfer and exchange Series 2008A Bond certificates as requested by DTC in appropriate amounts within the guidelines set forth in this Indenture. DTC may determine to discontinue providing its services with respect to the Series 2008A Bonds at any time by giving written notice to the Agency and the Trustee and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Agency and the Trustee shall be obligated to deliver Series 2008A Bond certificates as described in this Indenture. In the event Series 2008A Bond certificates are issued, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of, redemption premium, if any, and interest on such certificates. Whenever DTC requests the Agency and the Trustee to do so, the Agency will direct the Trustee (at the sole cost and expense of the SCSD) to cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2008A Bonds to any DTC Participant having Series 2008A Bonds credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2008A Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series 2008A Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, and redemption premium, if any, and interest on such Series 2008A Bond and all notices with respect to such Series 2008A Bond shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture or any other Security Document by the Agency or the Trustee with respect to any consent or other action to be taken by Bondholders, the Agency or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Such notice to DTC shall be given only when DTC is the sole Bondholder.

(f) NEITHER THE AGENCY, THE SCHOOL PARTIES NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE

ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2008A BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2008A BONDS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2008A BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE SERIES 2008A BONDHOLDERS OR REGISTERED HOLDERS OF THE SERIES 2008A BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2008A BONDS.

(g) For so long as the Holder of all of the Series 2008A Bonds shall be DTC, and all Series 2008A Bonds shall be registered in the name of Cede & Co. as nominee for DTC, only DTC may tender Series 2008A Bonds upon redemption or retirement.

(h) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the City, with the consent of the Agency, which shall not be unreasonably withheld, may appoint a successor Securities Depository provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Trustee upon its receipt of a Series 2008A Bond or Bonds for cancellation shall cause the delivery of Series 2008A Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

**Section 2.10. Duties with Respect to the Bond Insurance Policy.** As long as the Bond Insurance Policy shall be in force and effect, the Trustee agrees to comply with the following procedures, and the registered owners of the Series 2008A Bonds irrevocably designate, appoint, direct and authorize the Trustee to act as attorney-in-fact for such owners in connection with the following procedures:

(a) Amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and shall remain Outstanding and continue to be due and owing until paid in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Bond Insurer have been paid in full or duly provided for.

(b) Claims Upon the Insurance Policy and Payments by and to the Bond Insurer: If, on the third Business Day prior to the related scheduled interest payment date or

principal payment date (“*Payment Date*”) there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2008A Bonds due on such Payment Date, the Trustee shall give notice to the Bond Insurer and to its designated agent (if any) (the “*Bond Insurer’s Fiscal Agent*”) by telephone or teletype of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2008A Bonds due on such Payment Date, the Trustee shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and the Bond Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2008A Bonds and the amount required to pay principal of the Series 2008A Bonds, confirmed in writing to the Bond Insurer and the Bond Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

(c) In the event the claim to be made is for a mandatory Sinking Fund Installment redemption, upon receipt of the moneys due, the Trustee shall authenticate and deliver to affected Holders of Series 2008A Bonds who surrender their Series 2008A Bonds a new Series 2008A Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Series 2008A Bond surrendered. The Trustee shall designate any portion of payment of principal on Series 2008A Bonds paid by the Bond Insurer, whether by virtue of mandatory Sinking Fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2008A Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2008A Bond to the Bond Insurer, registered in the name of \*\*, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee’s failure to so designate any payment or issue any replacement Series 2008A Bond shall have no effect on the amount of principal or interest payable by the Agency on any Series 2008A Bond or the subrogation rights of the Bond Insurer.

(d) The Trustee shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal paid in respect of any Series 2008A Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

(e) Upon payment of a claim under the Bond Insurance Policy the Trustee shall establish a separate special purpose trust account for the benefit of Holders of Series 2008A Bonds referred to herein as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Bond Insurance Policy in trust on behalf of the Holders of Series 2008A Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to the Holders of Series 2008A Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2008A Bonds under the sections hereof regarding payment of the Series 2008A Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to

pay debt service with other funds available to make such payments. Notwithstanding anything to the contrary otherwise set forth in the Indenture, and to the extent permitted by law, in the event amounts paid under the Bond Insurance Policy are applied to claims for payment of principal of or interest on the Series 2008A Bonds, interest on such principal of and interest on such Series 2008A Bonds shall, to the extent permitted by law, accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by **[JPMorgan Chase Bank]** or its successor at its principal office in The City of New York, as its prime or base lending rate plus three percent (3%) per annum, and (ii) the then applicable rate of interest on the Series 2008A Bonds provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or similar laws limiting interest rates.

(f) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Series 2008A Bond payment date shall promptly be remitted to the Bond Insurer.

(g) The Bond Insurer shall, to the extent it makes any payment of principal of (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Series 2008A Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy. The obligations to the Bond Insurer shall survive discharge or termination of the Security Documents.

(h) The Bond Insurer shall be entitled to pay principal (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Series 2008A Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Agency (as such terms are defined in the Bond Insurance Policy), whether or not the Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Bond Insurance Policy) or a claim upon the Bond Insurance Policy.

## ARTICLE III

### GENERAL TERMS AND PROVISIONS OF BONDS

**Section 3.1. Date of Bonds.** The Series 2008A Bonds shall be dated their original date of issuance (subject to the provisions set forth below with respect to transfers and exchanges). Bonds authenticated prior to the first Interest Payment Date shall bear interest from their date. Bonds issued in exchange for or upon the registration of transfer of Bonds on or after the first Interest Payment Date thereon shall bear interest from and including the Interest Payment Date next preceding the date of the authentication thereof, unless the date of such authentication shall be an Interest Payment Date to which interest on the Bonds has been paid in full or duly provided for, in which case they shall bear interest from and including such Interest Payment Date; *provided that* if, as shown by the records of the Trustee, interest on the Bonds shall be in default, Bonds issued in exchange for or upon the registration of transfer of Bonds shall bear interest from the date to which interest has been paid in full on the Bonds, or if no interest has been paid on the Bonds, the date of the first delivery of fully executed and authenticated Bonds hereunder.

**Section 3.2. Form and Denominations.** Bonds shall be issued in fully registered form, without coupons, in the minimum denomination of \$5,000 and any integral multiple thereof not exceeding the aggregate principal amount of Bonds of the same series, maturity and interest rate as the Bond for which the denomination is to be specified. Subject to the provisions of Section 3.3 hereof, the Bonds shall be in substantially the form set forth in the recitals to this Indenture, with such variations, omissions and insertions as are permitted or required by this Indenture.

**Section 3.3. Legends.** Each Bond shall contain on the face thereof a statement to the effect that "THIS BOND SHALL NEVER CONSTITUTE A DEBT OR INDEBTEDNESS OF THE STATE OF NEW YORK NOR OF CITY OF SYRACUSE, NEW YORK, AND NEITHER THE STATE OF NEW YORK NOR CITY OF SYRACUSE, NEW YORK SHALL BE LIABLE HEREON, NOR SHALL THIS BOND BE PAYABLE OUT OF ANY FUNDS OF THE CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY OTHER THAN THOSE PLEDGED THEREFOR." The Bonds may in addition contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Indenture as may be necessary or desirable to comply with custom or otherwise as may be determined by the Agency prior to the delivery thereof.

**Section 3.4. Medium of Payment.** The principal or Redemption Price, if any, of, and interest on the Bonds shall be payable in any coin or currency of the United States of America which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts. Such payment may be made as provided in Section 2.2 hereof.

**Section 3.5. Bond Details.** Subject to the provisions hereof, the Bonds shall be dated, shall mature in such years and such amounts, shall bear interest at such rate or rates per annum, shall be subject to redemption on such terms and conditions and shall be payable as to principal or Redemption Price, if any, and interest at such place or places as shall be specified in this

Indenture. All Bonds of a Series maturing in any particular year shall bear interest at the same rate or rates per annum.

**Section 3.6. Interchangeability, Transfer and Registry.**

(a) Each Bond shall be transferable only upon compliance with the restrictions on transfer set forth on such Bond and only upon the books of the Agency, which shall be kept for the purpose at the principal office of the Trustee, by the registered owner thereof in person or by his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, upon presentation thereof together with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact with signature guaranteed. Upon the transfer of any Bond, the Trustee shall prepare and issue in the name of the transferee one or more new Bonds of the same aggregate principal amount, Series and maturity as the surrendered Bond.

(b) Any Bond, upon surrender thereof at the corporate trust office of the Trustee with a written instrument of transfer in the form appearing on such Bond, duly executed by the registered owner or his duly authorized attorney-in-fact, with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, may, at the option of the owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series and maturity of any other authorized denominations. However, the Trustee will not be required to (i) transfer or exchange any Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Bonds to be redeemed, or (ii) transfer or exchange any Bonds selected, called or being called for redemption in whole or in part.

(c) The Agency, the School Parties, the Bond Registrar, the Trustee and any Paying Agent shall deem and treat the Person in whose name any Bond shall be registered as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of, and interest on such Bond and for all other purposes, and all payments made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Agency, the School Parties, the Bond Registrar, the Trustee nor any Paying Agent shall be affected by any notice to the contrary.

**Section 3.7. Bonds Mutilated, Destroyed, Stolen or Lost.** In case any Bond shall become mutilated or be destroyed, stolen or lost, the Agency shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity and unpaid principal amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and in substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee evidence reasonably satisfactory to it that such Bond has been destroyed, stolen or lost, and upon

furnishing the Agency and the Trustee with indemnity (an undertaking from an insurance company acceptable to the Trustee and the Agency) satisfactory to the Trustee and to the Agency and complying with such other reasonable regulations as the Trustee may prescribe and paying such expenses as the Agency and the Trustee may incur. All Bonds so surrendered to the Trustee shall be cancelled by it. Every new Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is destroyed, lost or stolen, shall, with respect to such Bond, constitute an additional contractual obligation of the Agency whether or not the destroyed, lost or stolen Bond shall be found and shall be enforceable at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Bonds duly issued hereunder. In the event any such destroyed, stolen or lost Bond shall have matured, or be about to mature, the Agency may, instead of issuing a new Bond, cause the Trustee to pay the same without surrender thereof upon compliance with the condition in the first sentence of this Section out of moneys held by the Trustee and available for such purpose. All Bonds shall be held and owned upon the express condition (to the extent lawful) that the foregoing provisions are exclusive with respect to the replacement or payment of any mutilated, destroyed or lost or stolen Bond and shall preclude any and all other rights and remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

**Section 3.8. Cancellation and Destruction of Bonds.** All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment or redemption is made, and such Bonds shall thereupon be promptly cancelled. Bonds so cancelled shall be destroyed by the Trustee.

**Section 3.9. Requirements With Respect to Transfers.** In all cases in which the privilege of transferring Bonds is exercised, the Agency shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such transfer shall forthwith be cancelled by the Trustee. For every such transfer of Bonds, the Agency or the Trustee may, as a condition precedent to the privilege of making such transfer, make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer and may charge a sum sufficient to pay the cost of preparing each new Bond issued upon such transfer, which sum or sums shall be paid by the Person requesting such transfer.

**Section 3.10. Bond Registrar.** The Trustee shall also be Bond Registrar for the Bonds, and shall maintain a register showing the names of all registered Holders of Bonds, Bond numbers and amounts, and other information appropriate to the discharge of its duties hereunder. **Section 5.4. State Aid Intercept.** Pursuant to the Syracuse Schools Act, in the event the City or the SCSD shall fail (for any reason, including the failure of the State or appropriate legislative body of the City to appropriate moneys for such purpose) to make a payment under the Installment Sale Agreement in the amount and by the date the same is due, of which failure the Trustee has actual knowledge in the case of a failed Installment Purchase Payment (or other failed payment payable to the Trustee in its capacity as Trustee), or, in the case of any other

failed payment of which the Trustee has received written notice from the party to whom such failed payment is owed under the Installment Sale Agreement, the Agency hereby irrevocably appoints the Trustee to act as its agent for the purpose of delivering a certificate to the State Comptroller (in substantially the form set forth in the appendices attached hereto) by no later than the next Business Day following the Trustee obtaining such actual knowledge or such notice of such failed payment, certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall, in accordance with the Syracuse Schools Act, withhold from the City and the SCSD such State Aid Revenues as are payable to the City for the benefit of the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such State Aid Revenues so withheld. The Trustee hereby accepts such agency and agrees so to act on behalf of the Agency. Notwithstanding anything to the contrary contained herein, any amounts of such State Aid Revenues received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such State Aid Revenues received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Agency.

The Agency covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of State Aid Revenues under the Syracuse Schools Act than the pledge effected pursuant to this Indenture; provided, however, that nothing contained in this Indenture shall be deemed (y) to limit or deny the ability of the Agency or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge State Aid Revenues under the Syracuse Schools Act on a parity with the pledge effected under this Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under this Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

### **Section 5.5. Debt Service Reserve Fund.**

(a) Proceeds of the Series 2008A Bonds shall be deposited in the Debt Service Reserve Fund pursuant to Section 4.1(b) hereof. Upon the issuance of any Series of Additional Bonds, there shall be deposited in the Debt Service Reserve Fund such amount, if any, of the proceeds of such Series of Additional Bonds as may be set forth in the related Supplemental Indenture.

(b) There shall also be deposited in the Debt Service Reserve Fund moneys received (y) from the Depository Bank pursuant to Section 202(g)(ii) of the State Aid Trust Agreement, or (z) from the Trustee pursuant to Section 5.4 hereof or otherwise as provided in this Indenture.

(e) The prior written consent of the Bond Insurer shall be a condition precedent to the deposit of any credit instrument in the Debt Service Reserve Fund in lieu of the deposit of moneys in such Fund.

### **Section 5.6. Application of Bond Fund.**

(a) The Trustee shall (i) on each Interest Payment Date on the Bonds pay or cause to be paid out of the Interest Account in the Bond Fund the interest due on the Bonds, and (ii) further pay out of the Interest Account of the Bond Fund any amounts required for the payment of accrued interest upon any redemption of Bonds.

(b) The Trustee shall on each principal payment date on the Bonds pay or cause to be paid to the respective Paying Agents therefor out of the Principal Account of the Bond Fund, the principal amount, if any, due on the Bonds, upon the presentation and surrender

of the requisite Bonds (such presentation and surrender not being required if Cede & Co. is the Holder of the Bonds).

Any Bonds purchased in lieu of a mandatory redemption shall be surrendered to the Trustee for cancellation. Any amount in the Redemption Account not so applied to the purchase of Bonds by forty-five (45) days prior to the next date on which the Bonds are so redeemable shall be applied to the redemption of Bonds on such redemption date; provided that if such amount aggregates less than \$5,000, it need not be then applied to such redemption. Any amounts deposited in the Redemption Account and not applied within twelve (12) months of their date of deposit to the purchase or redemption of Bonds (except if held in accordance with Section 10.1 hereof) shall be transferred to the Interest Account. The Bonds to be purchased or redeemed shall be selected by the Trustee in the manner provided in Section 6.2 hereof. Amounts in the Redemption Account to be applied to the redemption of Bonds shall be paid to the respective Paying Agents on or before the redemption date and applied by them on such redemption date to the payment of the Redemption Price of the Bonds being redeemed plus interest on such Bonds accrued to the redemption date (accrued interest on such Bonds being payable from the Interest Account of the Bond Fund).

(d) Moneys in the Redemption Account of the Bond Fund which are not set aside or deposited for the redemption or purchase of Bonds shall be transferred by the Trustee to the Interest Account or the Principal Account of the Bond Fund, as directed by an Authorized Representative of the City.

#### **Section 5.7. Investment of Funds and Accounts.**

(a) Amounts in the Bond Fund, the Debt Service Reserve Fund, the Project Fund and the Rebate Fund, may, if and to the extent then permitted by law, be invested only in Qualified Investments; provided, that, Qualified Investments in the Debt Service Reserve Fund shall not have a maturity date greater than ten (10) years from the date of the making of such investment unless such Qualified Investment may be put at par at any time at the option of the holder for the purposes required or permitted pursuant to the Indenture. Any investment herein authorized is subject to the condition that no portion of the proceeds derived from the sale of the Bonds shall be used, directly or indirectly, in such manner as to cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code. Such investments shall be made by the Trustee only at the written request of an Authorized Representative of the City. Any investment hereunder shall be made in accordance with the Tax Compliance Certificate, and the City shall so certify to the Trustee with each such investment direction as referred to below. Such investments shall mature in such amounts and at such times as may be necessary to provide funds when needed to make payments from the applicable Fund. Net income or gain received and collected from such investments shall (y) in the case of the Project Fund or the Bond Fund, be credited and losses charged to such Fund, as applicable, and (z) in the case of the Debt

Service Reserve Fund, be credited and losses charged to such Fund, subject, however, to Section 5.5(d) hereof.

(b) Upon timely request of an Authorized Representative of the City, the Trustee shall notify the City ten (10) days prior to each Base Installment Purchase Payment Date under the Installment Sale Agreement of the amount of such net investment income or gain received and collected subsequent to the last such installment purchase payment and the amount then available in the Project Fund and in each Account of the Bond Fund.

(c) Upon the written direction of an Authorized Representative of the City, the Trustee shall sell at the best price reasonably obtainable, or present for redemption or exchange, any obligations in which moneys shall have been invested to the extent necessary to provide cash in the respective Funds or Accounts, to make any payments required to be made therefrom, or to facilitate the transfers of moneys or securities between various Funds and Accounts as may be required from time to time pursuant to the provisions of this Article. The Trustee shall not be liable for any losses incurred as a result of actions taken in good faith in accordance with this Section 5.7(c). As soon as practicable after any such sale, redemption or exchange, the Trustee shall give notice thereof to the Agency and the City.

(d) In the case of the Debt Service Reserve Fund, a "surplus" means the amount by which the amount on deposit therein is in excess of the Debt Service Reserve Fund Requirement. On the last Business Day of October of each year commencing October, 2008 and upon any withdrawal from the Debt Service Reserve Fund, the Trustee shall determine the amount on deposit in the Debt Service Reserve Fund. If on any such date a deficiency exists, the Trustee shall notify the City and the SCSD of such deficiency and that such deficiency must be replenished by the City and/or the SCSD as required by Section 4.1(b) of the Installment Sale Agreement. If a surplus exists, the Trustee shall notify the City and the SCSD thereof and, subject to the requirements of the Tax Compliance Certificate, shall promptly transfer an amount equal to such surplus to the Project Fund until the completion of the Project and thereafter shall transfer such amount to the Interest Account of the Bond Fund.

(e) In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at fair market value as determined by the Trustee on the last Business Day of each October.

The fair market value of Qualified Investments shall be determined as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in *The New York Times*), the average bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or as quoted in the Interactive Data Service; and

(3) as to certificates of deposit and bankers acceptances and other investments, the face amount thereof, plus accrued interest.

If more than one provision of this definition of "fair market value" shall apply at any time to any particular investment, the fair market value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment.

(f) Neither the Trustee nor the Agency shall be liable for any loss arising from, or any depreciation in the value of any obligations in which moneys of the Funds and Accounts shall be invested. The investments authorized by this Section 5.7 shall at all times be subject to the provisions of applicable law, as amended from time to time.

**Section 5.8. Moneys to Be Held in Trust.** All moneys required to be deposited with or paid to the Trustee for the credit of any Fund or Account under any provision of this Indenture (excluding the Rebate Fund) and all investments made therewith shall be held by the Trustee in trust for the benefit of the Bondholders and while held by the Trustee constitute part of the Trust Estate, and be subject to the lien hereof. Moneys held by the Depository Bank under the State Aid Trust Agreement are not part of the Trust Estate unless and until the same are transferred to the Trustee for deposit in the Bond Fund or the Debt Service Reserve Fund in accordance with the State Aid Trust Agreement. Moneys held by the Trustee in the Rebate Fund are not part of the Trust Estate nor subject to the lien hereof.

**Section 5.9. Repayment to the City for Benefit of SCSD from the Funds.** After payment in full of the Bonds (in accordance with Section 10.1 hereof) and the payment of all fees, charges and expenses of the Agency, the Trustee, the Bond Insurer, the Bond Registrar and the Paying Agents and all other amounts required to be paid hereunder and under each of the Security Documents, and the payment of any amounts are required to be rebated to the federal government pursuant to this Indenture and the Tax Compliance Certificate, all amounts remaining in the Project Fund, the Bond Fund and the Debt Service Reserve Fund shall be paid to the City for the benefit of the SCSD upon the expiration or sooner or later termination of the term of the Installment Sale Agreement.

**Section 5.10. Non-presentment of Bonds.** In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, and funds sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, all liability of the Agency to the Holder thereof for the payment of such Bond shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee to pay such funds to the Person entitled thereto or if the Person is not known to the Trustee, to hold such funds, without liability for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond. Funds remaining with the Trustee as above and unclaimed for the earlier of two (2) years or the applicable statutory escheat period shall be paid to the City for the benefit of the SCSD. After the payment of such unclaimed moneys to the City, the Holder of such Bond shall thereafter look only to the City for the payment thereof, and all obligations of the Trustee or such Paying Agent with respect to such moneys shall thereupon cease.

**Section 5.11. Payments into Rebate Fund; Application of Rebate Fund.**

(a) The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bondholder or any other Person.

(b) The Trustee, following the receipt of a certificate of written direction from an Authorized Representative of the City pursuant to the Tax Compliance Certificate, shall deposit in the Rebate Fund that amount from the Project Fund or the Debt Service Reserve Fund, to the extent available, as shall be so specified in such certificate of written direction as necessary to satisfy the requirements of the Tax Compliance Certificate.

(c) In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Amount as determined in accordance with the Tax Compliance Certificate, the Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall withdraw such excess amount and deposit it (i) to the Debt Service Reserve Fund to the extent of any deficiency therein, or (ii) to the Interest Account of the Bond Fund, as the City shall determine.

(d) The Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series of the Bonds, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Amount with respect to such Series of Bonds as of the date of such payment and (ii) notwithstanding the provisions of Section 10.1 hereof, not later than thirty (30) days after the date on which all Bonds have been paid in full, one hundred percent (100%) of the Rebate Amount as of the date of payment.

(e) The Trustee shall have no obligation under this Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from an Authorized Representative of the City to make such transfer.

## ARTICLE VI

### REDEMPTION OF BONDS

**Section 6.1. Privilege of Redemption and Redemption Price.** Bonds or portions thereof subject to redemption prior to maturity shall be redeemable, upon mailed notice as provided in this Article, at the times, at the Redemption Prices and upon such terms in addition to and consistent with the terms contained in this Article as shall be specified in Section 2.3 of this Indenture and in said Bonds.

**Section 6.2. Selection of Bonds to Be Redeemed.** In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of Series 2008A Bonds in accordance with Section 2.3(b) hereof, the Authorized Representative of the City shall select Series 2008A Bonds to be redeemed only (x) in inverse order of maturity, (y) proportionately to each Outstanding maturity of the Series 2008A Bonds, or (z) in such other order as the Bond Insurer shall consent in writing. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

**Section 6.3. Notice of Redemption.** When redemption of any Bonds is requested or required pursuant to this Indenture, the Trustee shall give notice of such redemption in the name of the Agency, specifying the name of the Series, CUSIP number, Bond numbers, the date of original issue of such Series, the date of mailing of the notice of redemption, maturities, interest rates and principal amounts of the Bonds or portions thereof to be redeemed, the redemption date, the Redemption Price, and the place or places where amounts due upon such redemption will be payable (including the name, address and telephone number of a contact person at the Trustee) and specifying the principal amounts of the Bonds or portions thereof to be payable and, if less than all of the Bonds of any maturity are to be redeemed, the numbers of such Bonds or portions thereof to be so redeemed. Such notice shall further state that on such date there shall

become due and payable upon each Bond or portion thereof to be redeemed the Redemption Price thereof together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice may set forth any additional information relating to such redemption. The Trustee, in the name and on behalf of the Agency, (i) shall mail a copy of such notice by first class mail, postage prepaid, not more than sixty (60) nor less than thirty (30) days prior to the date fixed for redemption, to the registered owners of any Bonds which are to be redeemed, at their last addresses, if any, appearing upon the registration books, but any defect in such notice shall not affect the validity of the proceedings for the redemption of such Series of Bonds with respect to which proper mailing was effected; and (ii) cause notice of such redemption to be sent to at least two (2) of the national information services that disseminate redemption notices. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. In the event of a postal strike, the Trustee shall give notice by other appropriate means selected by the Trustee in its discretion.

If notice of redemption shall have been given as aforesaid, the Bonds of such Series called for redemption shall become due and payable on the redemption date, provided, however, that with respect to any optional redemption of the Bonds of a Series, such notice may state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Bonds of such Series to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Agency shall not be required to redeem the Bonds of such Series. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional, or if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of the Bonds of such Series so called for redemption at the place or places of payment, such Series of Bonds shall be redeemed.

#### **Section 6.4. Payment of Redeemed Bonds.**

(a) Notice having been given in the manner provided in Section 6.3 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption dates so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date, (i) interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable, (ii) the Bonds or portions thereof so called for redemption shall cease to be entitled to any lien, benefit or security under this Indenture, and (iii) the Holders of the Bonds or portions thereof so called for redemption shall have no rights in respect thereof, except to receive payment of the Redemption Price together with interest accrued to the redemption date. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

(b) Payment of the Redemption Price plus interest accrued to the redemption date shall be made to or upon the order of the registered owner only upon presentation of such Bonds for cancellation and exchange as provided in Section 6.5 hereof; provided, however, that any Holder of at least \$1,000,000 in aggregate principal amount of Bonds may, by written request to the Trustee, direct that payments of Redemption Price and accrued interest to the date of redemption be made by wire transfer as soon as practicable in federal funds at such wire transfer address as the owner shall specify to the Trustee in such written request.

**Section 6.5. Cancellation of Redeemed Bonds.**

(a) All Bonds redeemed in full under the provisions of this Article, or purchased in lieu of mandatory redemption, shall forthwith be cancelled and destroyed and no Bonds shall be executed, authenticated or issued hereunder in exchange or substitution therefor, or for or in respect of any paid portion of a Bond.

(b) If there shall be drawn for redemption less than all of a Bond, as described in Section 6.2 hereof, the Agency shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds of like Series and maturity in any of the authorized denominations.

**Section 6.6 No Partial Redemption After Default.** Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default hereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption pursuant to Section 2.3(b) hereof unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of proceeds described in Section 2.3(b) hereof shall not have an adverse effect on the tax-exempt status of interest on the Series 2008A Bonds.

## ARTICLE VII

### PARTICULAR COVENANTS

**Section 7.1. Agency's Obligations Not to Create a Pecuniary Liability.** Each and every covenant herein made, including all covenants made in the various sections of this Article VII, is predicated upon the condition that any obligation for the payment of money incurred by the Agency shall not create a debt of the State nor the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor but shall be payable by the Agency solely from the Installment Purchase Payments pledged to the payment thereof in the manner and to the extent in this Indenture specified and nothing in the Bonds, in the Installment Sale Agreement, in this Indenture or in any other Project Document shall be considered as pledging any other funds or assets of the Agency.

**Section 7.2. Payment of Principal and Interest.** The Agency covenants that it will from the sources herein contemplated promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in this Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon or hereunder against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Agency other than those pledged therefor. The Agency shall not be required under this Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

**Section 7.3. Performance of Covenants; Authority.** The Agency covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings pertaining thereto. The Agency covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act and the Syracuse Schools Act, to issue the Bonds authorized hereby and to execute this Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments hereby pledged in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly

and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Agency according to the import thereof.

**Section 7.4. Books and Records; Certificate as to Defaults.** The Agency and the Trustee each covenants and agrees that, so long as any of the Bonds shall remain Outstanding, proper books of record and account will be kept showing complete and correct entries of all transactions relating to the Series 2008 Project and the Facilities, and that the School Parties and the Holders of any of the Bonds shall have the right at all reasonable times to inspect all records, accounts and data relating thereto. In this regard, so long as the Installment Sale Agreement is in full force and effect, records furnished by the Agency, the School Parties to, or kept by, the Trustee in connection with its duties as such shall be deemed to be in compliance with the Agency's obligations under this Section 7.4. Within thirty (30) days after receiving the certificate from School Parties as provided in Section 7.16(a) of the Installment Sale Agreement, the Trustee shall render to the Agency and the City a statement that moneys received by the Trustee pursuant to the Installment Sale Agreement were applied by it to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds, at the place, on the dates and in the manner provided in this Indenture and that the Trustee has no knowledge of any defaults under this Indenture or the Installment Sale Agreement or any other Security Document or specifying the particulars of such known defaults which may exist.

**Section 7.5. The Installment Sale Agreement.** It is understood and agreed that the Agency's interest in the Facilities has been sold to the City and the SCSD under the Installment Sale Agreement. An executed copy of the Installment Sale Agreement will be on file in the office of the Agency and in the principal corporate trust office of the Trustee. Reference is hereby made to the Installment Sale Agreement for a detailed statement of the terms and conditions thereof and for a statement of the rights and obligations of the parties thereunder. All covenants and obligations of the School Parties under the Installment Sale Agreement shall be enforceable either by the Agency or by the Trustee, to whom, in its own name or in the name of the Agency, is hereby granted the right, to the extent provided therefor in this Section 7.5 and subject to the provisions of Section 9.2 hereof, to enforce all rights of the Agency and all obligations of the School Parties under the Installment Sale Agreement, whether or not the Agency is enforcing such rights and obligations. The Trustee shall take such action in respect of any matter as is provided to be taken by it in the Installment Sale Agreement upon compliance or noncompliance by the School Parties and the Agency to the same.

**Section 7.6. Creation of Liens; Indebtedness; Sale of Facilities.** Except to the extent contemplated in the last paragraph of Section 5.4 hereof with respect to the issuance of Project Bonds under a Series Indenture other than this Indenture, the Agency shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by this Indenture and the Installment Sale Agreement. The Agency further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under this Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Agency shall have no pecuniary liability for its covenants set forth in this Indenture, including under this Section 7.6.

**Section 7.7. Instruments of Further Assurance.** The Agency covenants that it will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such Supplemental Indentures and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Trustee all and singular the property described herein, subject to the liens, pledge and security interests of this Indenture and the Installment Purchase Payments pledged hereby to the payment of the principal or Redemption Price, if any, of, and interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien, pledge and security interest hereof shall ipso facto, and without any further conveyance, assignment or act on the part of the Agency or the Trustee, become and be subject to the liens, pledge and security interests of this Indenture as fully and completely as though specifically described herein and therein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Agency heretofore made by this Section 7.7.

**Section 7.8. Recording and Filing.** The Pledge and Assignment shall be recorded and filed by the Agency in the appropriate office of the Clerk of Onondaga County, New York or in such other office as may be at the time provided by law as the proper place for the recordation thereof. The security interest of the Trustee created by this Indenture in the property, rights and interests herein and therein described, shall be perfected by the filing by the Agency in the office of the Secretary of State of the State in the City of Albany, New York, and in the office of such Clerk, of financing statements which fully comply with the New York State Uniform Commercial Code-Secured Transactions. This Indenture and the Pledge and Assignment shall be re-recorded, re-filed and re-indexed at the written direction of the City whenever in the Opinion of Counsel such action is necessary to preserve the lien and security interest hereof; and in addition, such financing or continuation statements as in the Opinion of Counsel become necessary to preserve the lien and security interest of this Indenture shall be filed by the Trustee at the written direction of the City in said office of the Secretary of State and in the office of such Clerk. Any such re-recordings, re-indexings, filings or re-filings shall be prepared by the City and accompanied with any fees or requisite charges.

The Agency and the Trustee mutually covenant and agree to take such action (including, as applicable, the filing of all New York State Uniform Commercial Code-Secured Transactions financing statements and continuation statements thereof) in accordance with the aforesaid direction of the City as shall be necessary from time to time to preserve the priority of the pledge by the Indenture of the Trust Estate under applicable law. Any action taken by the Agency under this Section 7.8 shall be taken only upon the request of the Trustee and at no cost to the Agency.

All costs (including reasonable attorneys' fees) incurred in connection with the effecting of the requirements specified in this Section shall be paid by the City and/or the SCSD.

**Section 7.9. Records Held by the Trustee.** Upon reasonable written request, the Trustee shall make available to the School Parties for its inspection during normal business hours, its records with respect to the Series 2008 Project and the Facilities.

**Section 7.10. Agency Tax Covenant.** The Agency covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Agency and the only remedy to which the Agency shall be subject shall be specific performance.

**Section 7.11. Annual Report of Trustee.** Within thirty (30) days after the end of each calendar year, the Trustee shall deliver to the Agency a statement of the payment status of the Bonds effective as of February 28 of the calendar year just ended, which statement shall include the then current principal balance of the Bonds, the interest rate accruing thereon, an amortization schedule for the repayment of the balance of the Bonds and such other information as the Agency may reasonably require.

**Section 7.12. Rights of the Bond Insurer.** The Agency and the Trustee hereby agree for the benefit of the Bond Insurer, that:

(a) to the extent the Bond Insurer makes payments under the Bond Insurance Policy on account of the principal or Redemption Price of, Sinking Fund Installments for, or interest on Series 2008A Bonds, the Bond Insurer will be subrogated to the rights of the Holders of the Series 2008A Bonds to receive the amount so paid, solely from the sources provided therefor in the Indenture,

(b) a notice that is required by the Indenture or any other of the Security Documents to be given to the Holders of the Series 2008A Bonds, shall also be given to the Bond Insurer,

(c) any provision of the Indenture or any other Security Document expressly recognizing or granting rights in or to the Bond Insurer may not be amended in any manner which affects the rights or remedies of the Bond Insurer hereunder or thereunder without the prior written consent of the Bond Insurer,

(d) if the consent, approval or direction of the Holders of the Series 2008A Bonds shall be required in connection with any action to be taken under the Indenture or under any other Security Document, then, for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer shall be entitled to deliver such consent, approval or direction on behalf of the Holders of the Series 2008A Bonds (except in connection with those matters referred to in Section 8.11 (with respect to waivers of any default in payment), Section 11.3(a)(i), (ii), (iii), (iv) or (v) hereof, or in Section 12.2(i) or (ii) hereof, with respect to which the consent of one hundred percent (100%) of the Holders of the Series 2008A Bonds, together with the consent of the Bond Insurer, shall be required), *provided, however*, that if a Bond Insurer Disqualification Event shall exist, the Bond Insurer shall nevertheless be able to exercise the rights of the Series 2008A Bonds which it owns (whether by subrogation or otherwise),

(e) if the consent, approval or direction of the Bond Insurer shall be required on its own behalf (as distinguished from a consent, approval or direction on behalf of the

Holders of the Series 2008A Bonds) in connection with any action to be taken under the Indenture or under any other Security Document, the consent, approval or direction of the Bond Insurer shall not be required for so long as a Bond Insurer Disqualification Event shall exist,

(f) to the extent that the principal or Redemption Price of, Sinking Fund Installments for, or interest on the Series 2008A Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, that portion of the Series 2008A Bonds so paid shall remain Outstanding for all purposes and not be considered defeased or otherwise satisfied and paid, and the Bond Insurer shall be deemed to be the Holder of the Series 2008A Bonds to the extent so paid,

(g) if the Bond Insurance Policy shall no longer be in effect, and all amounts owed to the Bond Insurer shall have been paid in full, all approvals, directions or consents of the Bond Insurer required under the Security Documents shall instead be delivered by the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding,

(h) for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer shall be deemed to be the sole Holder of the Series 2008A Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or talking any other action that the Holders of the Series 2008A Bonds are entitled to take pursuant to this Indenture and the Related Security Documents pertaining to defaults and remedies or otherwise under Articles IX, XI and XII of the Indenture (subject in all events to the provisions of paragraph (iv) above),

(i) the rights granted to the Bond Insurer under the Indenture or any Related Security Document to request, consent to or direct any action are rights granted to the Bond Insurer in consideration of its issuance of the Bond Insurance Policy; any exercise by the Bond Insurer of such rights is merely an exercise of the Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the Holders of the Series 2008A Bonds nor does such action evidence any position of the Bond Insurer, positive or negative, as to whether Bondholder consent is required in addition to consent of the Bond Insurer,

(j) amounts paid by the Bond Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of the Indenture and shall remain Outstanding and continue to be due and owing until paid by the Agency in accordance with the Indenture, and

(k) no contract shall be entered into nor any action taken by which the rights of the Bond Insurer or security for or sources of payment of the Series 2008A Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Bond Insurer.

**Section 7.13. Actions by the Trustee.** In the event a Bond Insurer Disqualification Event shall exist, the Trustee shall proceed to protect and enforce its rights and the rights of the

1

Holders of the Series 2008A Bonds under the Bond Insurance Policy by such suits, actions or special proceedings in equity or at law, as the Trustee shall deem necessary and appropriate (subject, however, to the provisions of Section 9.2 hereof).

## ARTICLE VIII

### EVENTS OF DEFAULT; REMEDIES OF BONDHOLDERS

#### Section 8.1. Events of Default; No Acceleration of Due Date.

(a) Each of the following events is hereby defined as and shall constitute an "Event of Default":

(1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;

(2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Agency to observe or perform any covenant, condition or agreement in the Bonds or hereunder on its part to be performed (except as set forth in Section 8.1(a)(1) or (2) hereof) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Agency and the School Parties of written notice specifying the nature of such default from the Trustee, the Bond Insurer or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Agency or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same; provided, however, that unless the Bond Insurer shall consent in writing to a longer period, it shall constitute an Event of Default under this paragraph (3) if such failure shall not be remedied within sixty (60) days after receipt by the Agency and the School Parties of the above written notice; and

(4) The occurrence of an "Event of Default" under Section 8.1(c) of the Installment Sale Agreement.

(b) In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in this Indenture or in any of the Bonds contained to the contrary notwithstanding.

(c) In determining whether any event constitutes an Event of Default under clauses (1) or (2) of Section 8.1(a) above, no effect shall be given to payments made under the Bond Insurance Policy.

## **Section 8.2. Enforcement of Remedies.**

(a) Subject to Section 8.1(a) hereof, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed (with the prior written consent of the Bond Insurer), and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding (with the prior written consent of the Bond Insurer) or the written direction of the Bond Insurer, shall proceed, to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, this Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in this Indenture or in any other Security Document or in aid of the execution of any power granted in this Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under this Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee hereunder or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

(b) In the enforcement of any right or remedy under this Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Agency, for principal, interest, Redemption Price, or otherwise, under any of the provisions of this Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under this Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Agency, but solely as provided in this Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in this Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Agency or their creditors or property.

(c) Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Bond Insurer or the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding (with the consent of the Bond Insurer), and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture or under any other Security Document by any acts which may be unlawful or in violation of this Indenture or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings

as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be otherwise than in accordance with the provisions of law and of this Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

### **Section 8.3. Application of Revenues and Other Moneys After Default.**

(a) All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to Section 9.4 hereof, as follows:

*First:* To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

*Second:* To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this Section 8.3(a), *second*, to replenish any deficiency in the Debt Service Reserve Fund, *third*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Certificate, *fourth*, to satisfy any obligation of the SCSD under Section 4.3 of the Installment Sale Agreement, *fifth*, to satisfy any obligation of the JSCB and the SCSD under Section 5.5 of the Installment Sale Agreement, and *sixth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing contained in this Section 8.3 shall be deemed to modify the application of State Aid Revenues pursuant to Section 5.4 hereof.

(b) Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the

likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 8.4. Actions by Trustee.** All rights of actions under this Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 8.3 hereof, be for the equal benefit of the Holders of the Outstanding Bonds.

**Section 8.5. Bond Insurer or Majority Bondholders Control Proceedings.** The Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

**Section 8.6. Individual Bondholder Action Restricted.**

(a) No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of this Indenture or of any other Security Document or the execution of any trust under this Indenture or for any remedy under this Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in this Article, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and, subject to the provisions of Sections 8.3 and 8.5 hereof, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

(b) Nothing in this Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Agency to pay the principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

**Section 8.7. Effect of Discontinuance of Proceedings.** In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Agency, the Bond Insurer, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights hereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.8. Remedies Not Exclusive.** No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under this Indenture or now or hereafter existing at law or in equity or by statute.

**Section 8.9. Delay or Omission.** No delay or omission of the Trustee, of the Bond Insurer or of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the Trustee, the Bond Insurer and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee, by the Bond Insurer or by the Bondholders.

**Section 8.10. Notice of Default.** The Trustee shall promptly mail to the Agency, to registered Holders of Bonds, to the Bond Insurer, and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this Section.

**Section 8.11. Waivers of Default.** The Trustee shall waive any default hereunder and its consequences only upon the written request of the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Agency, the Bond Insurer, the Trustee and the

Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

**ARTICLE IX**  
**TRUSTEE AND PAYING AGENTS**

**Section 9.1. Appointment and Acceptance of Duties.**

(a) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Trustee. The Trustee shall signify its acceptance of the duties and obligations of the Trustee hereunder and under each Security Document by executing this Indenture and agrees to perform said trusts as a corporate trustee ordinarily would under a corporate mortgage subject to the express terms and conditions herein. All provisions of this Article IX shall be construed as extending to and including all the rights, duties and obligations imposed upon the Trustee under the Installment Sale Agreement and under any other Security Document to which it shall be a party as fully for all intents and purposes as if this Article IX were contained in the Installment Sale Agreement and each such other Security Document.

(b) Manufacturers and Traders Trust Company, Buffalo, New York, is hereby appointed as Paying Agent for the Bonds. The Agency may also from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 9.9 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Agency, and in the case of all Paying Agents other than the Trustee, to the Trustee a written acceptance thereof. The principal offices of the Paying Agents are designated as the respective offices or agencies of the Agency for the payment of the principal or Redemption Price, if any, of, and interest on the Bonds.

**Section 9.2. Indemnity.** The Trustee shall be under no obligation to institute any suit, or to take any remedial action under this Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers under this Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

**Section 9.3. Responsibilities of Trustee.**

(a) The Trustee shall have no responsibility in respect of the validity or sufficiency of this Indenture or of any other Security Document or the security provided hereunder or thereunder or the due execution of this Indenture by the Agency, or the due execution of any other Security Document by any party (other than the Trustee) thereto, or in respect of any interest in or the value of the Facilities, or in respect of the validity of the Bonds authenticated and delivered by the Trustee in accordance with this Indenture or to see to the recording or filing of this Indenture or any other document or instrument whatsoever except as otherwise provided in Section 7.8 hereof. The recitals, statements and representations contained in this Indenture and in the Bonds shall be taken and be construed as made by and on the part of the Agency and not by the Trustee, and the Trustee does not assume any responsibility for the

correctness of the same; provided, however, that the Trustee shall be responsible for its representation contained in its certificate on the Bonds.

(b) The Trustee shall not be liable or responsible because of the failure of the Agency to perform any act required of it by this Indenture or because of the loss of any moneys arising through the insolvency or the act or default or omission of any depository other than itself in which such moneys shall have been deposited under this Indenture or the Tax Compliance Certificate. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with this Indenture or the Tax Compliance Certificate or for any loss resulting from any such investment. The Trustee shall not be liable in connection with the performance of its duties under the Installment Sale Agreement, under this Indenture or the Tax Compliance Certificate or under any other Security Document except for its own willful misconduct or gross negligence. The immunities and exemptions from liability of the Trustee shall extend to its directors, officers, employees, agents and servants and persons under the Trustee's control or supervision.

(c) The Trustee, prior to the occurrence of an Event of Default and after curing of all Events of Default which may have occurred, if any, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent man would exercise under the circumstances in the conduct of his own affairs. The Trustee shall not be charged with knowledge of the occurrence of an Event of Default unless, (i) the Trustee has not received payment of any amount required to be remitted to the Trustee under the Installment Sale Agreement or any other Security Document, (ii) an officer in the corporate trust department of the Trustee has actual knowledge thereof, or (iii) a Responsible Officer of the Trustee has received written notice thereof from the City and/or the SCSD, the Bond Insurer, the Agency or any Bondholder.

(d) The Trustee shall execute all instruments required by it by Section 7.8 hereof at the expense of the SCSD.

(e) The Trustee shall prepare and deliver to the Depository Bank each certificate required of the Trustee pursuant to Sections 202(e) and 202(f) of the State Aid Trust Agreement. The Trustee shall otherwise comply with and perform its obligations under the State Aid Trust Agreement.

(f) The Trustee shall on the same date as it shall render the statement required of it by Section 7.4 of this Indenture, make annual reports to the Agency, the Bond Insurer and the School Parties of all moneys received and expended during the preceding year by it under this Indenture and of any Event of Default known to it under the Installment Sale Agreement or this Indenture or under any other Security Document.

(g) In performing its duties and obligations under the Tax Compliance Certificate, the Trustee shall not be required to make any payment of a Rebate Amount or any transfer of funds or take any other action required to be taken thereunder except upon the receipt

of a written certificate of direction of an Authorized Representative of the City delivered to the Trustee in accordance with the terms of the Tax Compliance Certificate. Notwithstanding any provision of the Tax Compliance Certificate or any other Security Document, nothing in the Tax Compliance Certificate, either expressed or implied, shall be deemed to impose upon the Trustee any responsibility for the legal sufficiency of the Tax Compliance Certificate to effect compliance with the Code.

**Section 9.4. Compensation.** The Trustee, the Bond Registrar and the Paying Agents shall be entitled to receive and collect from the City and/or the SCSD as provided in the Installment Sale Agreement payment or reimbursement for reasonable fees for all services rendered hereunder and under each other Security Document and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee, the Bond Registrar or the Paying Agents in connection therewith. Upon and following an Event of Default, but only while there remains an Event of Default that has not been cured or waived, the Trustee, the Bond Registrar and the Paying Agents shall have a first right of payment prior to payment on account of the principal of or interest on any Bonds, upon the revenues (but not including any amounts derived from the Bond Insurance Policy or held by the Trustee under Sections 5.4, 10.1 or 13.2 hereof) for the foregoing advances, fees, costs and expenses incurred.

**Section 9.5. Evidence on Which Trustee May Act.**

(a) In case at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action, or doing or not doing anything, as such Trustee, and in any case in which this Indenture provides for permitting or taking any action, it may rely upon any certificate required or permitted to be filed with it under the provisions of this Indenture, and any such certificate shall be evidence of such fact to protect it in any action that it may or may not take, or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact.

(b) The Trustee may conclusively rely and shall be fully protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture (except for the Trustee's own willful misconduct, unlawful conduct or gross negligence), upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or, at the sole cost and expense of the City and/or the SCSD, and upon the written opinion of any attorney (who may be an attorney for the Agency or an employee of the City and/or the SCSD), engineer, appraiser, architect or accountant believed by the Trustee to be qualified in relation to the subject matter.

**Section 9.6. Trustee and Paying Agents May Deal in Bonds.** Any national banking association, bank or trust company acting as a Trustee or Paying Agent, and its directors, officers, employees or agents, may in good faith buy, sell, own, hold and deal in any of the Bonds, and may join in any action which any Bondholder may be entitled to take with like effect as if such association, bank or trust company were not such Trustee or Paying Agent.

**Section 9.7. Resignation or Removal of Trustee.** The Trustee may resign and thereby become discharged from the trusts created under this Indenture for any reason by giving written notice by first class mail, postage prepaid, to the Agency, to the Bond Insurer, to the School Parties and to the Holders of all Bonds not less than sixty (60) days before such resignation is to take effect, but such resignation shall not take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing filed with the Trustee and signed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized. Such removal shall become effective either upon the appointment and acceptance of such appointment by a successor Trustee or at the date specified in the instrument of removal. The Trustee shall promptly give notice of such filing to the Agency, the Bond Insurer and the School Parties. No removal shall take effect until the appointment and acceptance thereof of a successor Trustee pursuant to Section 9.8 hereof.

**Section 9.8. Successor Trustee.**

(a) If at any time the Trustee shall resign or shall be removed effective prior to the appointment and acceptance of a successor Trustee, be dissolved or otherwise become incapable of acting or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason or if the Trustee shall resign, the School Parties shall cooperate with the Agency and the Agency shall appoint a successor Trustee and shall use its best efforts to obtain acceptance of such trust by the successor Trustee within sixty (60) days from such vacancy or notice of resignation. Within twenty (20) days after such appointment and acceptance, the Agency shall notify in writing the School Parties, the Bond Insurer and the Holders of all Bonds.

(b) In the event of any such vacancy or resignation and if a successor Trustee shall not have been appointed within sixty (60) days of such vacancy or notice of resignation, the Holders of a majority in aggregate principal amount of the Bonds then Outstanding, by an instrument or concurrent instruments in writing, signed by such Bondholders or their attorneys-in-fact thereunto duly authorized and filed with the Agency, may appoint a successor Trustee which shall, immediately upon its acceptance of such trusts, and without further act, supersede the predecessor Trustee. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 9.8, within 120 days of such vacancy or notice of resignation, the Holder of any Bond then Outstanding, the Agency or any retiring Trustee or the School Parties may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

(c) Any Trustee appointed under this Section shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States authorized to exercise corporate trust powers under the laws of the State and authorized by

law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document. At the time of its appointment, any successor Trustee shall (y) have a capital stock and surplus aggregating not less than \$100,000,000, and (z) have an investment grade rating (y) if the Bonds are rated by Moody's, of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P. Any entity acting as successor Trustee shall also act as Depository Bank under the State Aid Trust Agreement.

(d) Every successor Trustee shall execute, acknowledge and deliver to its predecessor, and also to the Agency, an instrument in writing accepting such appointment, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessor, with like effect as if originally named as such Trustee; but such predecessor shall, nevertheless, on the written request of its successor or of the Agency, and upon payment of the compensation, expenses, charges and other disbursements of such predecessor which are due and payable pursuant to Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the estate, properties, rights, immunities, powers and trusts of such predecessor; and every predecessor Trustee shall deliver all property and moneys, together with a full accounting thereof, held by it under this Indenture to its successor. Should any instrument in writing from the Agency be required by any successor Trustee for more fully and certainly vesting in such Trustee the estate, properties, rights, immunities, powers and trusts vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall, on request, be executed, acknowledged and delivered by the Agency. Any successor Trustee shall promptly notify other Notice Parties of its appointment as Trustee.

(e) Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States and shall be authorized by law and its charter to perform all the duties imposed upon it by this Indenture and each other Security Document shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act.

#### **Section 9.9. Resignation or Removal of Paying Agent; Successor.**

(a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' prior written notice to the other Notice Parties. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by the Agency. Any successor Paying Agent shall be appointed by the Agency, with the approval of the Trustee, and shall be a commercial bank or trust company duly organized under the laws of any state of the United States or a national banking association, having a capital stock and surplus aggregating at least \$40,000,000, having an investment grade rating (y) if the Bonds are rated by Moody's of at least "Baa3" or "P-3" or be otherwise acceptable to Moody's, and (z) if the Bonds are rated by S&P, of at least "BBB-" or "A-3" or be otherwise acceptable to S&P, and willing and able to accept the office on

reasonable and customary terms and authorized by law and its charter to perform all the duties imposed upon it by this Indenture.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

#### **Section 9.10. Appointment of Co-Trustee.**

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture or under any other Security Document, and in particular in case of the enforcement of any such documents on default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional institution as a separate trustee or co-trustee at the expense of the City and the SCSO. The following provisions of this Section are adapted to these ends.

(b) In the event that the Trustee appoints an additional institution as a separate trustee or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate trustee or co-trustee but only to the extent necessary to enable such separate trustee or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate trustee or co-trustee shall run to and be enforceable by either of them. Such co-trustee may be removed by the Trustee at any time, with or without cause.

(c) Should any instrument in writing from the Agency be required by the separate trustee or co-trustee so appointed or removed by the Trustee for more fully and certainly vesting in and confirming to it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Agency. In case any separate trustee or co-trustee, or a successor to either, shall become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

**Section 9.11. Approvals or Consents by Trustee.** The Trustee shall grant no approval, request or consent under the Security Documents except at the direction of the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of a majority in aggregate principal amount of the Bonds Outstanding.

**Section 9.12. Notice to Rating Agencies.** The Trustee shall provide the rating agencies, if the Bonds should be rated, with written notice, if possible, in advance or, if impossible, promptly following, the effective date of (i) the appointment of any successor Trustee, (ii) any amendments to the Security Documents, or (iii) the redemption in whole or other payment in full of the Bonds. The Trustee agrees to inform the rating agencies of the above as a matter of courtesy and accommodation. However, the Trustee shall have no liability or obligation to the rating agencies or to any other Person in the event that it should fail to furnish any such information.

**Section 9.13. Notice to the Bond Insurer.** The Trustee shall provide to the Bond Insurer:

(a) Notice of any draw upon the Debt Service Reserve Fund within two (2) Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Debt Service Reserve Fund Requirement and (ii) withdrawals in connection with a refunding of Series 2008A Bonds;

(b) Notice of any default known to the Trustee within five (5) Business Days after knowledge thereof;

(c) Prior notice of the advance refunding or redemption of any of the Series 2008A Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(d) Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(e) Notice of the commencement of any proceeding by or against the Agency or any School Party commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "*Insolvency Proceeding*");

(f) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2008A Bonds;

(g) A full original transcript of all proceedings relating to the execution of any amendment or supplement to any Security Document; and

(h) All reports, notices and correspondence to be delivered to Holders of the Series 2008A Bonds under the terms of the Security Documents.

**Section 9.14. Trustee to Disregard Bond Insurance Policy.** In determining whether any amendment, consent or other action to be taken, or any failure to take action, under the Indenture or any other Security Document would adversely affect the security for the Series 2008A Bonds or the rights of the Holders of the Series 2008A Bonds, the Trustee shall consider the effect of any such amendment, consent, action or inaction as if there were no Bond Insurance Policy.

## ARTICLE X

### DISCHARGE OF INDENTURE

#### Section 10.1. Defeasance.

(a) If the Agency shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, of, interest and all other amounts due or to become due thereon or in respect thereof, at the times and in the manner stipulated therein and in this Indenture, and all fees and expenses and other amounts due and payable under this Indenture and the Installment Sale Agreement, all amounts due or to become due to the Bond Insurer, and any other amounts required to be rebated to the federal government pursuant to the Tax Compliance Certificate or this Indenture, shall be paid in full or duly provided for, then the pledge of the Installment Purchase Payments under this Indenture and the estate and rights hereby granted, and all covenants, agreements and other obligations of the Agency to the Bondholders hereunder shall thereupon cease, terminate and become void and be discharged and satisfied and the Bonds shall thereupon cease to be entitled to any lien, benefit or security hereunder, except as to moneys or securities held by the Trustee or the Paying Agents as provided below in this subsection. At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSO or on its order all moneys or securities held by them pursuant to this Indenture which are not required (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption, (ii) for the payment of all such other amounts due or to become due under the Security Documents or (iii) for the payment of any amounts to the federal government under the Tax Compliance Certificate or this Indenture.

(b) Bonds or interest installments for the payment or redemption of which moneys (and/or Defeasance Obligations which shall not be subject to call or redemption or prepayment prior to maturity and the full and timely payment of the principal of and interest on which when due, together with the moneys, if any, set aside at the same time, will provide funds sufficient for such payment or redemption) shall then be set aside and held in trust by the Trustee or Paying Agents, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section, if (i) in case any such Bonds are to be redeemed prior to the maturity thereof, all action necessary to redeem such Bonds shall have been taken and notice of such redemption shall have been duly given or provision satisfactory under the requirements of this Indenture to the Trustee shall have been made for the giving of such notice, and (ii) if the maturity or redemption date of any such Bond shall not then have arrived, provision shall have been made by deposit with the Trustee or other methods satisfactory to the Trustee for the payment to the Holders of any such Bonds upon surrender thereof of the full amount to which they would be entitled by way of principal or Redemption Price and interest and all other amounts then due under the Security Documents to the date of such maturity or redemption, and provision satisfactory to the Trustee shall have been made for the mailing of a notice to the Holders of such Bonds that such moneys are so available for such payment.

(c) Prior to any defeasance becoming effective as provided in Section 10.1(b) above, there shall have been delivered to the Agency and to the Trustee (A) an opinion of Nationally Recognized Bond Counsel addressed to, and acceptable in form and substance to, the Agency and the Trustee and, in the case of the Series 2008A Bonds, to the Bond Insurer, to the effect that interest on any Bonds being discharged by such defeasance will not become subject to federal income taxation by reason of such defeasance, and that the Bonds being defeased are no longer "Outstanding" under the Indenture, (B) a verification report from an independent certified public accountant or firm of independent certified public accountants or other recognized consultant or verification agent (in each case reasonably acceptable to the Agency and to the Trustee and, in the case of the Series 2008A Bonds, to the Bond Insurer) to the effect that the moneys and/or Defeasance Obligations are sufficient, without reinvestment, to pay the principal of, interest on, and redemption premium, if any, of the Bonds to be defeased on the maturity or redemption date, as applicable, (C) an escrow deposit agreement (reasonably acceptable to the Agency and the Trustee and, in the case of the Series 2008A Bonds, to the Bond Insurer), and (D) a certificate of discharge of the Trustee with respect to the Bonds being defeased. In the case of a defeasance in whole or in part of the Series 2008A Bonds, the Bond Insurer shall be provided with final drafts of the documentation referred to in this paragraph at least five (5) Business Days prior to the funding of the escrow.

No provision of this Section 10.1, including any defeasance of Bonds, shall limit the rights of the Holder of any Bonds under Sections 3.6, 3.7, 3.9 or 5.4 hereof until such Bonds shall have been paid in full.

## ARTICLE XI

### AMENDMENTS OF INDENTURE

**Section 11.1. Limitation on Modifications.** This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article.

**Section 11.2. Supplemental Indentures Without Bondholders' Consent.**

(a) The Agency and the Trustee may, from time to time and at any time, enter into Supplemental Indentures without consent of the Bondholders, but with the prior written consent of the Bond Insurer, for any of the following purposes:

(1) To cure any formal defect, omission or ambiguity in this Indenture or in any description of property subject to the lien hereof, if such action is not materially adverse to the interests of the Bondholders.

(2) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with this Indenture as theretofore in effect.

(3) To add to the covenants and agreements of the Agency in this Indenture other covenants and agreements to be observed by the Agency which are not contrary to or inconsistent with this Indenture as theretofore in effect.

(5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Indenture, of the Installment Purchase Payments or of any other moneys, securities or funds, or to subject to the lien or pledge of this Indenture additional revenues, properties or collateral.

(6) To modify or amend such provisions of this Indenture as shall, in the opinion of Nationally Recognized Bond Counsel, be necessary to assure the federal tax exemption of the interest on the Bonds.

(7) To authorize the issuance of a Series of Additional Bonds and prescribe the terms, forms and details thereof not inconsistent with this Indenture.

(8) To effect any other change herein which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Bondholders.

(9) To effect the delivery of a Credit Facility and/or a Qualified Swap for a Series of Bonds.

(10) To modify, amend or supplement this Indenture or any Supplemental Indenture in such manner as to permit the qualification hereof and thereof under the Trust Indenture Act of 1939 or any similar federal statute hereafter in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to this Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute.

(11) To permit the appointment of a co-trustee under this Indenture.

(b) Before the Agency and the Trustee shall enter into any Supplemental Indenture pursuant to this Section, there shall have been filed with the Trustee an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Notice of the proposed Supplemental Indenture shall be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof.

### **Section 11.3. Supplemental Indentures With Consent of Bondholders and Bond Insurer.**

(a) Subject to the terms and provisions contained in this Article, the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, to consent to and approve the entering into by the Agency and the Trustee of any Supplemental Indenture as shall be deemed necessary or desirable by the Agency for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein; provided, however, that if any such Supplemental Indenture would affect only the Holders of a single Series of Bonds then Outstanding, then only the consent of, (y) if such affected Series of Bonds shall be the Series 2008A Bonds, the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding shall be required, or (z) if such affected Series of Bonds shall *not* be the Series 2008A Bonds, the Holders of a majority in aggregate principal amount of the Bonds Outstanding of such affected Series shall be required. Nothing herein contained shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, or interest on any Outstanding Bonds, a change in the terms of redemption or maturity of the principal of or the interest on any Outstanding Bonds, or a reduction in the principal amount of or the Redemption Price of any Outstanding Bond or the rate of interest thereon, or any extension of the time of payment thereof, or a change in the method of determining the rate of interest on any Bond, without the consent of the Holder of such Bond, (ii) the creation of a lien upon or pledge of Installment Purchase Payments other than the liens or pledge created by this Indenture, except as provided in this Indenture with respect to Additional Bonds, (iii) a preference or priority of any

Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the aggregate principal amount of Bonds required for consent to such Supplemental Indenture, or (v) a modification, amendment or deletion with respect to any of the terms set forth in this Section 11.3(a), without, in the case of items (ii) through and including (v) of this Section 11.3(a), the written consents of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and of one hundred percent (100%) of the Holders of the Outstanding Bonds.

(b) If at any time the Agency shall determine to enter into any Supplemental Indenture for any of the purposes of this Section, it shall cause notice of the proposed Supplemental Indenture to be mailed, postage prepaid, to S&P, Moody's, the Bond Insurer and all Bondholders at least ten (10) days prior to the effective date thereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture, and shall state that a copy thereof is on file at the offices of the Trustee for inspection by the Bond Insurer and all Bondholders.

(c) Within one year after the date of such notice, the Agency and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice only if there shall have first been filed with the Trustee (i) the written consents of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of not less than a majority or 100%, as the case may be, in aggregate principal amount of the Bonds then Outstanding (or, if such Supplemental Indenture shall affect only a single Series of Bonds, (y) and the affected Series of Bonds shall be the Series 2008A Bonds, the Bond Insurer, or if a Bond Insurer Disqualification Event shall exist, the written consents of the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding and (z) the affected Series of Bonds shall *not* be the Series 2008A Bonds, the written consents of the Holders of not less than a majority in aggregate principal amount of such affected Series of Bonds Outstanding) and (ii) an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Agency in accordance with its terms. Each valid consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given. A certificate or certificates by the Trustee that it has examined such proof and that such proof is sufficient in accordance with this Indenture shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to the execution of such Supplemental Indenture.

(d) If the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as herein provided, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Agency from executing the same or from taking any action pursuant to the provisions thereof.

(e) Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Agency, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under this Indenture, subject in all respects to such modifications and amendments.

**Section 11.4. Supplemental Indenture Part of this Indenture.** Any Supplemental Indenture executed in accordance with the provisions of this Article shall thereafter form a part of this Indenture and all the terms and conditions contained in any such Supplemental Indenture as to any provisions authorized to be contained therein shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes. The Trustee shall execute any Supplemental Indenture entered into in accordance with the provisions of Sections 11.2 or 11.3 hereof.

**Section 11.5. Rights of School Parties.** Anything herein to the contrary notwithstanding, any Supplemental Indenture which materially and adversely affects any rights, powers and authority of the School Parties under the Installment Sale Agreement or requires a revision of the Installment Sale Agreement shall not become effective unless and until the School Parties shall have given their written consent to such Supplemental Indenture signed by an Authorized Representative of each of the School Parties.

**Section 11.6. Consent of Bond Insurer.** Notwithstanding any other provisions of this Article XI, for so long as no Bond Insurer Disqualification Event shall exist, the consent of the Holders of the Series 2008A Bonds shall for all purposes of this Indenture be deemed to have been obtained when the consent of the Bond Insurer is obtained, except in those cases where approval of all Holders of the Series 2008A Bonds is required herein, in which case the consents of both the Holders of the Series 2008A Bonds and, for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer, shall be required.

### AMENDMENTS OF RELATED SECURITY DOCUMENTS

**Section 12.1. Amendments of Related Security Documents Not Requiring Consent of Bondholders.** Subject to Section 12.2 hereof, the Agency and the Trustee may, without the consent of or notice to the Bondholders, but with the prior written consent of the Bond Insurer, consent to any amendment, change or modification of any of the Related Security Documents for any of the following purposes: (i) to cure any ambiguity, inconsistency, formal defect or omission therein; (ii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may be lawfully granted or conferred; (iii) to subject thereto additional revenues, properties or collateral; (iv) to provide for the issuance of a Series of Additional Bonds; (v) to evidence the succession of a successor Trustee or to evidence the appointment of a separate or co-Trustee or the succession of a successor separate or co-Trustee; (vi) to make any change required in connection with a permitted amendment to a Related Security Document or a permitted Supplemental Indenture; and (vii) to make any other change that, in the judgment of the Trustee (which, in exercising such judgment, may conclusively rely, and shall be protected in relying, in good faith, upon an Opinion of Counsel or an opinion or report of accountants or other experts) does not materially adversely affect the Bondholders. The Trustee shall have no liability to any Bondholder or any other Person for any action taken by it in good faith pursuant to this Section. Before the Agency or the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exclusion from federal income taxation of interest on any Series of Bonds Outstanding. Notice of the propose amendment, change or modification to any of the Related Security Documents shall be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof.

**Section 12.2. Amendments of Related Security Documents Requiring Consent of the Bondholders and the Bond Insurer.** Except as provided in Section 12.1 hereof, the Agency and the Trustee shall not consent to any amendment, change or modification of any of the Related Security Documents, without mailing of notice and the written approval or consent of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) and the Holders of a majority in aggregate principal amount of the Bonds Outstanding given and procured as in Section 11.03 hereof set forth (or, if such amendment, change or modification shall only affect one Series of Bonds, and (y) the Series 2008A Bonds shall be the affected Series, the consent of the Bond Insurer, or, if a Bond Insurer Disqualification Event shall exist, the consent of the Holders of a majority in aggregate principal amount of the Series 2008A Bonds Outstanding, or (z) the Series 2008A Bonds shall not be the affected Series, the consent of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding); provided, however, there shall be no amendment, change or modification to (i) the obligation of the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement (except as provided therein or in connection with the issuance of a Series of Additional Bonds), without the prior written approval of the Bond Insurer (for so long as no Bond Insurer Disqualification Event shall exist) *and* the Holders of one hundred percent

(100%) in aggregate principal amount of the Bonds at the time Outstanding given and procured as in Section 11.03 hereof provided (or, if such amendment, change or modification shall affect only one Series of Bonds, and (y) the Series 2008A Bonds shall be the affected Series, the consent of the Bond Insurer if a Bond Insurer Disqualification Event shall not exist, and the Holders of one hundred percent (100%) in aggregate principal amount of the Series 2008A Bonds Outstanding, or (z) the Series 2008A Bonds shall *not* be the affected Series, the consent of the Holders of 100% in aggregate principal amount of the affected Series of Bonds Outstanding), (ii) the obligation of the Bond Insurer to make payments under the Bond Insurance Policy without the prior written approval of the Holders of one hundred percent (100%) in aggregate principal amount of the Series 2008A Bonds Outstanding, or (iii) the Tax Compliance Certificate without the delivery of an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change, modification, reduction or postponement will not cause the interest on such Series of Bonds to become includable in gross income for Federal income tax purposes. If at any time the School Parties shall request the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change or modification to be mailed to the same Persons and in the same manner as is provided in Article XI hereof with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal corporate trust office of the Trustee for inspection by the Bond Insurer and all Bondholders. Notice of the proposed amendment, change or modification shall also be mailed, postage prepaid, to S&P and Moody's by the Trustee at least ten (10) days prior to the effective date thereof. Before the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exemption from federal income taxation of interest on any Series of Bonds Outstanding.

**Section 12.3. Consents of the Bond Insurer.** Notwithstanding any other provisions of this Article XII, for so long as no Bond Insurer Disqualification Event shall exist, any amendment, change or modification to a Related Security Document which shall require the consent of the Holders of the Series 2008A Bonds shall instead be deemed to require only the prior written consent of the Bond Insurer, except in the cases where approval of all Holders of the Series 2008A Bonds is required herein, in which case the consents of both the Holders of the Series 2008A Bonds and, for so long as no Bond Insurer Disqualification Event shall exist, the Bond Insurer, shall be required.

Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15, or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. **Section 13.4. Parties Interested Herein.** Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Agency, the School Parties, the Bond Insurer, the Trustee, the Paying Agents and the Holders of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation thereof; and all covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Agency shall be for the sole and exclusive benefit of the Agency, the School Parties, the Bond Insurer, the Trustee, the Paying Agents and the Holders of the Bonds.

**Section 13.5. Partial Invalidity.** In case any one or more of the provisions of this Indenture or of the Bonds shall for any reason be held to be illegal or invalid, such illegality or

In case any covenant, stipulation, obligation or agreement of the Agency contained in the Bonds or in this Indenture shall for any reason be held to be in violation of the law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Agency to the full extent permitted by law.

**Section 13.6. Counterparts.** This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

In making the agreements, provisions and covenants set forth in this Indenture, the Agency has not obligated itself except with respect to the Facilities and the application of the revenues, income and all other property therefrom, as hereinabove provided.

All covenants, stipulations, promises, agreements and obligations of the Agency contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, director, officer, employee or agent of the Agency in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price, if any, of or interest on the Bonds or for any claim based thereon or hereunder against any member, director, officer, employee or agent of the Agency or any natural person executing the Bonds.

**Section 13.9. **Section 13.10. Priority of Indenture Over Liens.** This Indenture is given in order to secure funds to pay for costs of the Series 2008 Project and by reason thereof, it is intended that this Indenture shall be superior to any laborers', mechanics' or materialmen's liens which may be placed upon any of the Facilities subsequent to the recordation thereof. In compliance with Section 13 of the Lien Law, the Agency will receive the advances secured by this Indenture and will hold the right to receive such advances as a trust fund to be applied first for the purpose of paying the cost of improvements and that the Agency will apply the same first to the payment of the costs of improvements before using any part of the total of the same for any other purpose.

(c) The SCSD and the City agree to prepare the Notice of Termination of License and Bill of Sale to City and SCSD and to forward same to the Agency at least thirty (30) days prior to the date that the Facilities or any portion thereof is to be conveyed to the SCSD and the City.

(d) Each of the SCSD and the City hereby agrees to pay all expenses and taxes, if any, applicable to or arising from the transfer contemplated by this Section 2.3.

(e) This Agreement shall survive the transfer of the Agency's interest in the Facilities to the SCSD and the City pursuant to this Section 2.3 and shall remain in full force and effect until all of the principal of, and interest and premium, if any, on the Bonds and all other sums payable by the SCSD and/or the City under the Project Documents shall have been paid in full, and thereafter the obligations of the School Parties shall survive as set forth in Section 4.3 hereof.

(f) Upon the payment in full of all indebtedness under or secured by this Agreement or the other Project Documents, and notwithstanding the survival of certain obligations of the School Parties as described in Section 4.3 hereof, the Agency and the Trustee shall upon the request of the SCSD and the City execute and deliver to the SCSD and the City such documents as the SCSD and the City may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency and the Trustee under the Project Documents.

## ARTICLE III

### SERIES 2008 PROJECT AND ISSUANCE OF SERIES 2008A BONDS

#### Section 3.1. The Series 2008 Project.

(a) Pursuant to the License and the Bill of Sale to the Agency, respectively, the City and the SCSD have vested the Agency with a valid license in and to the Facilities and title to the Equipment, which interest and title the Agency is hereby selling to the SCSD, subject to the terms and conditions herein set forth.

(b) As promptly as practicable after receipt of the proceeds of sale of the Series 2008A Bonds and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Agency to effect the construction, rehabilitation, reconstruction, and/or equipping of the Central Tech Project and the completion of the Design Phase, the costs thereof to be paid from the proceeds of sale of the Series 2008A Bonds deposited in the Project Fund established under the Indenture. The JSCB reasonably believes that the Central Tech Project pursuant to the applicable Plans and Specifications will allow for use of each Facility for its intended purposes. The JSCB agrees that it will use its best efforts to cause the Central Tech Project and the Design Phase to be completed as soon as may be practicable, delays incident to strikes, riots, acts of God, the public enemy or any delay beyond its reasonable control only excepted. The City and the SCSD agree that no delay in the completion of the Central Tech Project or the Design Phase shall be the basis for any diminution in or postponement of the amounts payable hereunder by the City and the SCSD. In order to effect management of such work, the JSCB has entered into the Program Manager Agreement and within thirty (30) days after the Closing Date will enter into one or more Construction Contracts for completion of the Central Tech Project in accordance with the applicable Plans and Specifications and construction schedule approved by the City and SCSD. The Program Manager Agreement, each Construction Contract and each other agreement, contract, purchase order or other obligation entered into by the JSCB as agent for the Agency shall expressly provide that the Agency shall have no liability thereunder, except to the extent of proceeds from the sale of the Series 2008A Bonds which may be available therefor. Within thirty (30) days after the Closing Date, the JSCB shall enter into contracts with one or more architects or engineers licensed in the State for completion of the Design Phase. The Agency shall not be liable in any manner for payment or otherwise to any contractor, subcontractor, laborer or supplier of materials in connection with the purchase of any materials to be incorporated into a Facility or Facilities, except to the extent and solely from the proceeds of sale of the Series 2008A Bonds. In the event that moneys in the Project Fund are not sufficient to pay the costs necessary to complete the work with respect to the Central Tech Project or the Design Phase in full, none of the JSCB, the City or the SCSD shall be entitled to any reimbursement therefor from the Agency, the Bond Insurer, the Trustee or the Holders of any of the Series 2008A Bonds, nor shall the City and SCSD be entitled to any diminution of the Installment Purchase Payments or Additional Payments to be made under this Agreement.

(c) As between the Agency and the JSCB, the JSCB, acting specifically as agent for the benefit of the Agency, shall be responsible for the letting and supervision of contracts for the construction, rehabilitation, reconstruction and equipping of a Facility,

acceptance of a completed Facility or parts thereof, and all other matters incidental thereto. All contractors, materialmen, vendors, suppliers and other companies, firms or persons furnishing labor, services, equipment, furnishings or materials for or in connection with the work with respect to a Facility shall be designated by the JSCB, either on its own or as agent for the Agency.

(d) In order to accomplish the purposes of the Agency, and to assure the effectuation of the Series 2008 Project in conformity with the Plans and Specifications, the School Parties have undertaken to proceed with the design of the Central Tech Project, all either on their own or, in the case of the JSCB, as agent for the Agency.

(e) As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay (i) all of the costs and expenses in connection with the preparation of any instruments of conveyance and transfer of an interest in the Facilities to the Agency pursuant to the License and Bill of Sale to Agency, the delivery of any instruments and documents and their filing and recording, if required, (ii) all taxes and charges payable, if any, in connection with such conveyance and transfer, or attributable to periods prior to such conveyance and transfer, and (iii) all expenses or claims incurred in connection with the Series 2008 Project and not funded from the proceeds of sale of the Series 2008A Bonds.

(f) None of the School Parties will terminate the Intermunicipal Agreement or be excused from performing its obligations thereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement. The City and the SCSD covenant and agree to continue the Intermunicipal Agreement for its entire term and such additional terms as shall be require to complete the Series 2008 Project. The City and SCSD acknowledge that pursuant to the Syracuse Schools Act, all contracts, agreements and obligations of the JSCB are entered into and made on behalf of the City and the SCSD and in the event that the JSCB shall cease to exist for any reason whatsoever during the term of this Agreement, this Agreement, the Program Manager Agreement and any other contract, agreement or obligation of the JSCB relating to the Facilities shall remain in full force and effect and the City and SCSD shall stand jointly in the place and stead of the JSCB thereunder.

(g) The JSCB covenants that, at all times as it shall be effecting the work of the Series 2008 Project, it will comply with all laws, acts, rules, regulations, permits, orders and requirements lawfully made, of any Federal, State, legislative, executive, administrative or judicial body, commission or office exercising any power of regulation or supervision over such work or over the manner of construction or operation thereof and with the conditions and requirements of all policies of liability insurance as provided in Section 5.5 of this Agreement. Upon completion of the work with respect to a Facility, the JSCB will promptly obtain or cause to be obtained all required occupancy and operation permits, authorizations and licenses from appropriate authorities, if any be required, authorizing the occupancy, operation and use of such

Facility for the purposes contemplated by this Agreement and shall furnish copies of same to the Trustee immediately upon receipt thereof.

(h) The JSCB further covenants that all contracts entered into by the JSCB for the Series 2008 Project in connection with the design, construction, rehabilitation, reconstruction and/or equipping of a Facility shall (i) be made in accordance with applicable law, including, but not limited to, the Syracuse Schools Act; (ii) contain a provision that the design and construction standards therefor shall be subject to the review and approval of the New York State Education Department; and (iii) contain a provision that the contractor shall furnish a labor and material bond guaranteeing prompt payment of moneys that are due to all persons furnishing labor or materials pursuant to the related contract and a performance bond, complying with New York General Municipal Law § 103-f.

(i) The JSCB covenants to cause its contractors, architects, consultants and others with whom it contracts with respect to the design, construction, rehabilitation, reconstruction, and/or equipping of a Facility, to provide liability insurance coverage against all forms of risk which are appropriate, including general and professional liability insurance normally associated with the type and nature of the service, product or combination thereof, contracted to be provided by such contractors, architects, consultants and others, and to name the Agency as an additional insured as its interest may appear. The JSCB shall promptly deliver to the Agency appropriate certificates of insurance evidencing the amount and scope of all liability insurance provided by each contractor, architect, consultant or other person pursuant to a contract with the JSCB with respect to the design, construction, rehabilitation, reconstruction, equipping, operation, maintenance and/or repair or otherwise providing work with respect to a Facility.

(j) Upon the completion or abandonment by the JSCB of the Series 2008 Project or any portion thereof, the JSCB shall deliver a certificate of an Authorized Representative of the JSCB approved by the City Engineer to the Agency and the Trustee to such effect.

(k) The City agrees to keep and make open to public inspection copies of all payment and performance bonds required by the Syracuse Schools Act and Section 3.1(h) hereof.

### **Section 3.2. Project Fund.**

(a) The Agency has in the Indenture authorized and directed the Trustee to make payments from the Project Fund from time to time to pay the cost of the construction, rehabilitation, reconstruction, and/or equipping of a Facility upon receipt of a requisition signed by an Authorized Representative of the JSCB, and approved by the City Engineer, in the form set forth in the Indenture, *provided, however*, that for so long as an Event of Default shall exist, no such requisition shall be honored without the prior written consent of the Bond Insurer.

(b) The date of completion of the work for a Facility shall be evidenced to the Agency and the Trustee by a certificate of the JSCB executed by an Authorized Representative of the JSCB and approved by the City Engineer stating, except for any costs not then due and

payable or the liability for payment of which is being contested or disputed in good faith by the JSCB (i) the date of completion of such work; (ii) that the related Facility has been completed substantially in accordance with the Plans and Specifications and all labor, services, Equipment, materials and supplies used therefor have been paid for; (iii) that all other facilities necessary in connection with such Facility have been completed and all costs and expenses incurred in connection therewith have been paid; (iv) that all property of such Facility is subject to this Agreement; (v) that, in accordance with all applicable laws, regulations, ordinances and guidelines, such Facility has been made ready for occupancy, use and operation for its intended purposes; (vi) the amount, if any, required in his opinion for the payment of any remaining part of the costs with respect to such Facility; and (vii) the amount of the proceeds of the Series 2008A Bonds, including the investment earnings thereon, expended with respect to such Facility. The foregoing certificate shall be accompanied by a certificate executed by an Authorized Representative of the City certifying as to the determination of the Rebate Amount as provided in the Tax Compliance Certificate and the Indenture. Notwithstanding the foregoing, such certificate shall state (x) that it is given without prejudice to any rights of the Agency, the Trustee or the School Parties against third parties which exist at the date of such certificate or which may subsequently come into being, (y) that it is given only for the purposes of this Section and Section 5.2 of the Indenture, and (z) that no Person other than the Agency and the Trustee may benefit therefrom. Such certificate of the Authorized Representative of the JSCB shall be accompanied by (i) a temporary or permanent certificate of occupancy and any and all permissions, approvals, licenses or consents required of governmental authorities for the occupancy, operation and use of the completed Facility for the purposes contemplated by this Agreement and the Syracuse Schools Act; (ii) a certificate of the JSCB executed by an Authorized Representative of the JSCB and approved by the City Engineer that all costs of the completed Facility have been paid in full, together with releases of mechanics' liens by all contractors and materialmen who supplied work, labor, services, machinery, equipment, materials or supplies in connection with such Facility (or, to the extent that any such costs shall be the subject of a bona fide dispute in excess of \$100,000, evidence to the Trustee that such costs have been appropriately bonded or that the JSCB shall have or caused to be posted a surety or security at least equal to the amount of such costs); and (iii) such additional documentation, if any, as required by the Indenture.

**Section 3.3. Cooperation in Furnishing Documents.** The JSCB agrees to furnish to the Trustee any documents that are required to effect payments out of the Project Fund in accordance with Section 3.2 hereof. Such obligation is subject to any provisions of the Indenture requiring additional documentation with respect to such payments and shall not extend beyond the moneys in the Project Fund available for payment under the terms of the Indenture.

**Section 3.4. Default in Contractors' Performance.** In the event of default of any contractor or subcontractor under any contract made in connection with a particular Facility or Facilities, each School Party will exhaust its remedies against the contractor or subcontractor so in default and against each surety for the performance of such contractor. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing shall be paid into the Project Fund.

**Section 3.5. Issuance of Bonds.** Contemporaneously with the execution and delivery of this Agreement, the Agency will sell and deliver the Series 2008A Bonds in the aggregate

principal amount of \$47,290,000 under and pursuant to a resolution adopted by the Agency on March 4, 2008, authorizing the issuance of the Series 2008A Bonds under and pursuant to the Indenture for the purpose of financing Project Costs of the Central Tech Project and the Design Phase. After the Closing Date, it is contemplated that Additional Bonds will be issued to finance the remaining Project Costs of the Series 2008 Project and for the other purposes set forth in Section 2.7 of the Indenture. It is contemplated that, thereafter, additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities pursuant to Phases II through IV of the Program. That portion of the proceeds of sale of the Bonds deposited in the Project Fund shall be applied to the payment of Project Costs in accordance with the provisions of the Indenture.

**Section 3.6. [Reserved].**

**Section 3.7. Expenses Chargeable to the JSCB.** As between the Agency on the one hand, and the School Parties on the other hand, the School Parties shall pay or cause to be paid all expenses or other costs incurred in connection with the Series 2008 Project, including, but not limited to:

(a) all charges incurred in connection with the preparation, delivery, filing, recording (if required) or effectuation of any instruments of conveyance or transfer required by this Agreement, the License, Bill of Sale to Agency, the Program Manager Agreement, the Construction Contracts, the Indenture or any other Project Document;

(b) any closing costs or costs relating to issuance of a Series of Bonds other than those costs referenced in paragraph (i) above;

(c) all lawful claims which might or could if unpaid become a lien or charge on any of the Facilities;

(d) all pre-closing and post-closing taxes, assessments or other governmental or utility charges or impositions relating to any of the Facilities;

(e) the Agency's administrative fee;

(f) any legal fees or expenses incurred by the Agency or the Trustee in connection with the foregoing items of costs related to the issuance of a Series of Bonds;

(g) the State bond issuance charge; and

(h) any other costs incurred by the Agency in carrying out the Series 2008 Project.

**Section 3.8. Additional Facilities.** The Agency and the School Parties recognize that, under the provisions of and subject to the conditions set forth in the related Series Indenture, additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of the construction, rehabilitation, reconstruction, and/or equipping of Additional Facilities.

**Section 3.9. Use of Series 2008A Bond Proceeds.** The School Parties shall use, or permit or suffer to be used, the proceeds of the Series 2008A Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Certificate.

**Section 3.10. No Warranty of Condition or Suitability.** THE AGENCY MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION, FITNESS, DESIGN, OPERATION OR WORKMANSHIP OF ANY PART OF ANY OF THE FACILITIES, THEIR FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE MATERIALS IN THE FACILITIES, OR THE SUITABILITY OF ANY OF THE FACILITIES FOR THE PURPOSES OR NEEDS OF THE SCHOOL PARTIES OR THE EXTENT TO WHICH PROCEEDS DERIVED FROM THE SALE OF THE SERIES 2008A BONDS WILL BE SUFFICIENT TO PAY THE COSTS OF THE SERIES 2008 PROJECT AND COMPLETE THE SERIES 2008 PROJECT. EACH SCHOOL PARTY IS SATISFIED THAT EACH OF THE FACILITIES IS SUITABLE AND FIT FOR ITS PURPOSES. THE AGENCY SHALL NOT BE LIABLE IN ANY MANNER WHATSOEVER TO A SCHOOL PARTY OR ANY OTHER PERSON FOR ANY LOSS, DAMAGE OR EXPENSE OF ANY KIND OR NATURE CAUSED, DIRECTLY OR INDIRECTLY, BY THE PROPERTY OF ANY OF THE FACILITIES OR THE USE OR MAINTENANCE THEREOF OR THE FAILURE OF OPERATION THEREOF, OR THE REPAIR, SERVICE OR ADJUSTMENT THEREOF, OR BY ANY DELAY OR FAILURE TO PROVIDE ANY SUCH MAINTENANCE, REPAIRS, SERVICE OR ADJUSTMENT, OR BY ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF OR FOR ANY LOSS OF BUSINESS HOWSOEVER CAUSED.

## ARTICLE IV

### INSTALLMENT PURCHASE PAYMENTS AND OTHER PAYMENTS

#### Section 4.1. Payment of Installment Purchase Payments.

(a) Subject to Section 4.4 hereof, the City and the SCSD agree to pay or cause to be paid, the Base Installment Purchase Payments for the Facilities in the amounts as set forth in Schedule A attached hereto. Base Installment Purchase Payments must be deposited by or on behalf of the City and the SCSD, as provided in the State Aid Trust Agreement, with the Trustee by no later than each Base Installment Purchase Payment Date; *provided, however*, that there shall be credited against any Base Installment Purchase Payments any amounts available for such purpose and on deposit in the Bond Fund, including any amounts deposited to the Bond Fund pursuant to Section 5.4 of the Indenture and any amounts deposited to the Bond Fund pursuant to Section 4.1(a) of the Indenture (such net amount being the "*Net Base Facilities Agreement Payment*").

(b) Upon receipt by the City and the SCSD of notice from the Trustee pursuant to the Indenture that the amount on deposit in the Debt Service Reserve Fund (including any amounts deposited to the Debt Service Reserve Fund pursuant to Section 5.4 of the Indenture) shall be less than the Debt Service Reserve Requirement, the City and the SCSD shall immediately pay to the Trustee, subject to Section 4.4 hereof, for deposit in the Debt Service Reserve Fund, an amount equal to the deficiency.

(c) The City and SCSD (at the direction of an Authorized Representative of the City) shall have the option to make from time to time prepayments in part of payments due as aforesaid of Base Installment Purchase Payments, together with interest accrued and to accrue and premium, if any, to be paid on the Series 2008A Bonds, if, but only if, such prepayment is to be used for the redemption or defeasance of such Series 2008A Bonds. The Trustee shall apply such prepayments in such manner consistent with the provisions of the Indenture as may be specified in writing by an Authorized Representative of the City at the time of making such prepayment. Upon any such prepayment, the Trustee shall, if necessary, recalculate the schedule of Base Installment Purchase Payments set forth in Schedule A attached hereto in accordance with the Indenture and deliver a revised schedule to the City, the SCSD and the Agency, and such revised schedule shall be deemed to replace the then-existing Schedule A attached hereto.

**Section 4.2. Direction as to Payment of Installment Purchase Payments.** Base Installment Purchase Payments shall be paid to the Trustee for credit to the Bond Fund and Reserve Payments shall be paid to the Trustee for deposit to the Debt Service Reserve Fund to the extent of any deficiency therein.

**Section 4.3. Indemnification of the Agency and Trustee and Limitation on Liability.**

(a) The SCSD shall, to the maximum extent permitted by law, at all times protect, defend and hold the Agency, the Trustee, the Bond Registrar, the Paying Agents and the Depository Bank and their respective officers, members, directors, employees and agents

(collectively, the “*Indemnified Parties*”) harmless of, from and against any and all claims (whether in tort, contract or otherwise), demands, expenses and liabilities for losses, damage, injury and liability of every kind and nature and however caused, and taxes (of any kind and by whomsoever imposed), other than, with respect to any Indemnified Party, losses arising from the gross negligence or willful misconduct of such Indemnified Party, arising upon or about any of the Facilities or resulting from, arising out of, or in any way connected with (i) the financing of the costs of the Series 2008 Project and the marketing, remarketing, issuance and sale of the Bonds from time to time for such purpose, (ii) the planning, design, acquisition, site preparation, construction, rehabilitation, equipping, or financing of the Facilities or any part of any thereof or the effecting of any work done in or about any of the Facilities, (iii) title to any Facility or any defects (whether latent or patent) in any of the Facilities, (iv) the maintenance, repair, replacement, restoration, rebuilding, upkeep, use, occupancy, ownership, leasing, subletting or operation of any of the Facilities or any portion thereof, or (v) this Agreement, the Indenture or any other Project Document or other document or instrument delivered in connection herewith or therewith or the enforcement of any of the terms or provisions hereof or thereof or the transactions contemplated hereby or thereby. Such indemnification set forth above shall be binding upon the SCSD for any and all claims, demands, expenses, liabilities and taxes set forth herein and shall survive the termination of this Agreement. Except as provided above, no Indemnified Party shall be liable for any damage or injury to the person or property of any School Party or its officials, members, directors, officers, employees, agents or servants or persons under the control or supervision of any School Party or any other Person who may be about any of the Facilities, due to any act or negligence of any Person other than for the gross negligence or willful misconduct of such Indemnified Party.

(b) Each School Party hereby releases each Indemnified Party from, and agrees, to the maximum extent permitted by law, that no Indemnified Party shall be liable for and the SCSD agrees to defend, indemnify and hold each Indemnified Party harmless against any expense, loss, damage, injury or liability incurred because of any lawsuit commenced as a result of action taken by such Indemnified Party with respect to any of the matters set forth in subdivision (i) through (v) of Section 4.3(a) hereof or at the direction of any School Party with respect to any of such matters above referred to; *provided, however*, that such indemnification by the SCSD shall not extend to any Indemnified Party whose gross negligence or willful misconduct resulted in such expense, loss, damage, injury or liability. An Indemnified Party shall promptly notify the SCSD in writing of any claim or action brought against such Indemnified Party in which indemnity may be sought against the SCSD pursuant to this Section 4.3; such notice shall be given in sufficient time to allow the SCSD to defend or participate in such claim or action, but the failure to give such notice in sufficient time shall not constitute a defense hereunder nor in any way impair the obligations of the SCSD under this Section 4.3, except that if (i) the Indemnified Party shall have had knowledge or notice of such claim or action but shall not have timely notified the SCSD of any such claim or action, (ii) the SCSD shall have had no knowledge or notice of such claim or action, and (iii) the SCSD’s ability to defend or participate in such claim or action is materially impaired by reason of not having received timely notice thereof from the Indemnified Party, then the SCSD’s obligation to so defend and indemnify such Indemnified Party shall be qualified to the extent (and only to the extent) of such material impairment.

(c) The indemnifications and protections set forth in this Section 4.3 shall be extended, with respect to each Indemnified Party, to its members, directors, officers, employees, agents and servants and persons under its control or supervision.

(d) Anything to the contrary in this Agreement notwithstanding, the covenants of the School Parties contained in this Section 4.3 shall remain in full force and effect after the termination of this Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought and (ii) payment in full or the satisfaction of such claim or cause of action and of all expenses and charges incurred by the Indemnified Party relating to the enforcement of the provisions herein specified.

(e) For the purposes of this Section 4.3, none of the School Parties shall be deemed an employee, agent or servant of the Agency or a person under the Agency's control or supervision.

(f) The obligations of the SCSD to the Indemnified Parties under this Section 4.3 and to the Trustee under Section 4.8 hereof shall survive the resignation or removal of the Trustee and the satisfaction and discharge of the Indenture.

#### **Section 4.4. Nature of Obligations of the City and SCSD.**

(a) Except as hereinafter provided in this Section 4.4, the obligation of the City and SCSD to pay Installment Purchase Payments and Additional Payments shall be absolute and unconditional, and such Installment Purchase Payments and Additional Payments shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Agency, the Trustee, the Bond Insurer, any purchaser of any Bond or any other person, and whether or not the Facilities or any of them are used or occupied by the School Parties or available for use or occupancy by the School Parties.

(b) The obligation of the City and SCSD to pay Installment Purchase Payments shall be deemed executory only to the extent of State Aid Revenues appropriated by the State and available to the City and/or the SCSD for the purpose of this Agreement and the State Aid Trust Agreement, moneys budgeted by the SCSD and appropriated by the City for such purpose and approval by the SCSD of payment thereof after appropriation by the City therefor, and no liability on account thereof shall be incurred by the SCSD or the City beyond the amount of such moneys; *provided, however*, that the failure of the City and the SCSD for any reason (including a failure by the SCSD to budget for Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for payment of Installment Purchase Payments or a failure by the State to appropriate State Aid Revenues) to make an Installment Purchase Payment or an Additional Payment shall be deemed a failure to make a payment for purposes of this Agreement and the Syracuse Schools Act, and in such event, the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. Further, the obligation of the SCSD and the City to pay Installment Purchase Payments is not a general obligation of the SCSD or the City. Neither the faith and credit of the City or the SCSD nor the taxing power of the City are pledged to the payment of any Installment Purchase

Payment or Additional Payment due under this Agreement. However, the obligations of the SCSD and the City under this Agreement to pay Additional Payments shall be a general obligation of the City and SCSD, executory, however, only to the extent of moneys budgeted by the SCSD and approved and appropriated therefor by the City. It is understood that neither this Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make moneys available for the purposes of this Agreement.

(c) The obligations of the City and the SCSD under this Agreement, including its obligation to pay the Installment Purchase Payments and Additional Payments in any Fiscal Year for which this Agreement is in effect, shall constitute a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due hereunder shall be moneys comprising State Aid Revenues lawfully appropriated by the State and available therefor from time to time to or for the benefit of the SCSD, and approved and appropriated for such purpose by the City.

(d) The SCSD agrees that (i) its proposed expense budget for each ensuing Fiscal Year commencing with the Fiscal Year ending June 30, 2009 shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City therefor. The City agrees that it shall approve a budget for the SCSD containing such item of expenditure or budget item and appropriate sufficient funds each ending Fiscal Year commencing with the Fiscal Year ending June 30, 2009 to make the Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year, *provided, however,* that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid Revenues, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved by the City.

(e) Subject to the limitations contained in Section 4.4(b) hereof, none of the School Parties will terminate this Agreement (other than such termination as is provided for hereunder) or be excused from performing its obligations hereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Agency to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agreement.

(f) The School Parties presently intend to continue this Agreement for its entire term, and the City and the SCSD presently intend to pay all Base Installment Purchase Payments specified in Schedule A as such Base Installment Purchase Payments come due under the terms and provisions of this Agreement.

(g) No provision contained in this Section 4.4 shall be deemed to limit, impair or modify the State Aid Revenues intercept provisions of the Syracuse Schools Act or the application of the provisions of Section 5.4 of the Indenture.

(h) For purposes of this Section 4.4, references to the "approval" of the SCSD budget by the City shall include the affirmative approval of the SCSD budget by ordinance of the City's Common Council approved by the Mayor of the City or, in the absence of such an ordinance, the effectiveness by the passage of time of an SCSD budget pursuant to the charter of the City.

#### **Section 4.5. Directed State Aid Revenues.**

(a) Pursuant to instructions, the Commissioner of Finance of the City and the President of the Board of Education have directed the State Comptroller's Office to deposit all State Aid Revenues into the State Aid Depository Fund established under the State Aid Trust Agreement, and the Commissioner of Finance of the City and the President of the Board of Education have further instructed the Depository Bank, pursuant to the terms and provisions of the State Aid Trust Agreement, to transfer State Aid Revenues to the Trustee and each other Series Trustee in accordance with the State Aid Trust Agreement for the purpose of, in the case of the Indenture, making deposits in the Bond Fund with respect to amounts due on the Bonds and for replenishing deficiencies in the Debt Service Reserve Fund. The City and SCSD agree not to modify the procedures set forth in the State Aid Trust Agreement for the collection, deposit or disbursement of State Aid Revenues, except as and to the extent permitted under the State Aid Trust Agreement.

(b) Each of the City and the SCSD acknowledge that, pursuant to Section 5.4 of the Indenture (and the Syracuse Schools Act), in the event of a failure to make a payment under this Agreement in the amount and by the date the same is due (for any reason, including the failure of the SCSD or the City to budget for, appropriate moneys for such purpose and approve payment thereof with moneys appropriated therefor), the Agency has appointed the Trustee to act as its agent under the Indenture for the purpose of delivering a certificate to the State Comptroller certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall be authorized to withhold from the City and the SCSD such State Aid Revenues as is payable to the City and/or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Agency, the amount of such State Aid Revenues so withheld. Notwithstanding anything to the contrary contained herein, amounts of such State Aid Revenues received by the Trustee on behalf of the Agency and applied to the Installment Purchase Payments or Additional Payments shall be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received.

**Section 4.6. Assignment of Installment Purchase Payments by the Agency.** It is understood that this Agreement and all Installment Purchase Payments by the City and the SCSD hereunder (except Additional Payments pursuant to Sections 4.3 and 4.8 hereof and other Additional Payments and/or rights comprising the Reserved Rights) are to be pledged and assigned by the Agency to the Trustee pursuant to the Indenture, and the City and the SCSD

hereby consent thereto. Except as provided in this Section 4.6 and the Indenture, the Agency shall not assign this Agreement or any Installment Purchase Payments hereunder.

**Section 4.7. [Reserved].**

**Section 4.8. **Section 5.1. Operation, Maintenance and Repair.** During the Agreement Term, the SCSD shall be responsible for, and pay all costs of, operating the Facilities, maintaining the same in good and safe condition, and making all necessary repairs and replacements, interior and exterior, structural and non-structural. All replacements, renewals and repairs shall be equal in quality, class and value to the original work and be made and installed in compliance with the requirements of all governmental bodies. The Agency shall be under no obligation to replace, service, test, adjust, erect, maintain or effect replacements, renewals or repairs of any of the Facilities, to effect the replacement of any inadequate, obsolete, worn-out or unsuitable parts of any of the Facilities, or to furnish any utilities or services for any of the Facilities and the SCSD hereby agrees to assume full responsibility therefor.

#### **Section 5.2. Utilities, Taxes and Governmental Charges.**

(a) The SCSD will pay or cause to be paid all charges for water, electricity, light, heat or power, sewage, telephone and other utility service, rendered or supplied upon or in connection with the Facilities during the Agreement Term.

(b) In addition, the SCSD shall (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any Federal, state or any municipal government upon the Agency, the City or the SCSD with respect to or upon any of the Facilities or any part thereof or upon any payments hereunder when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities; (iii) not create or suffer to be created any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon the payments in respect thereof pursuant hereto; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon any payments hereunder and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments hereunder.

**Section 5.3. Additions, Enlargements and Improvements.** The SCSD shall have the right at any time and from time to time during the Agreement Term, at its own cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, any of the Facilities, as the SCSD shall deem necessary or desirable in connection with the use of such Facilities. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the value of the related Facility or the rental value thereof. The cost of any such additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so that the affected Facility shall at all times be free of liens for labor and materials supplied thereto.

**Section 5.4. Additional Rights of SCSD.** The Agency agrees that the SCSD shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense equipment (not constituting part of the Series 2008 Project) in or upon any Facility as may in the SCSD's judgment be necessary for its purposes. It is further understood and agreed that any equipment erected or installed under the provisions of this Section shall be and remain the personal property of the SCSD and, if not constituting part of the Series 2008 Project, shall not become subject to the this Agreement, and may be removed, altered or otherwise changed, upon or before the termination hereof.

**Section 5.5. Liability Insurance.**

(a) The JSCB shall maintain or cause to be maintained with responsible insurers, for the benefit of the Agency and the Trustee until completion of the Series 2008 Project in accordance with Section 3.2(b) hereof, the following kinds and the following amounts of insurance with respect to the Facilities, with such variations as shall reasonably be required to conform to customary insurance practice:

(i) During any period of construction or reconstruction of any of the Facilities, Builders' Special Form Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include coverage for removal of debris, insuring the buildings, structures, facilities, machinery, equipment, fixtures and other property included within reconstruction of any of the Facilities against loss or damage by fire, lightning, vandalism, malicious mischief and other casualties, with standard extended coverage endorsement covering perils of windstorm, hail, explosion, aircraft, vehicles and smoke (except as limited in the standard form of extended coverage endorsement at the time in use in the State) at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the School Parties, the Agency or the Trustee from becoming a co-insurer of any loss under the insurance policies; any such insurance may limit coverage to \$20,000,000 for any one Facility;

(ii) During any period of construction or reconstruction of any of the Facilities, commercial public liability insurance with respect to the construction activities at the Facilities in a minimum amount of \$[26,000,000] per occurrence and aggregate, which insurance may be effected under overall blanket or excess coverage policies, *provided, however*, that at least \$1,000,000 is effected by a comprehensive liability insurance policy; and

(iii) Workers' compensation insurance and such other forms of insurance which the City, the SCSD or the Agency is required by law to provide covering loss resulting from injury, sickness, disability or death of the employees of any contractor or subcontractor performing work with respect to any of the Facilities included within the Project; the JSCB shall require that all said contractors and subcontractors shall maintain all forms or types of insurance with respect to their employees required by laws.

(b) Prior to the commencement of construction of the Facilities (and in any event on or before March 31, 2008), the JSCB shall deliver or cause to be delivered to the Agency and to the Trustee duplicate copies of insurance policies obtained by the JSCB hereunder and/or binders evidencing compliance with the insurance requirements of this Section 5.5. If any change shall be made in any such insurance, a description and written notice of such change shall be furnished by the JSCB to the Agency and the Trustee thirty (30) days in advance of such change.

(c) At least thirty (30) days prior to the expiration of any insurance policy required under this Section 5.5, the JSCB shall furnish the Agency and the Trustee with evidence that such policy has been renewed or replaced or is no longer required by this Agreement.

(d) All insurance required by Section 5.5(a) above shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State. Each of the policies or binders evidencing the insurance required above to be obtained shall:

(i) provide that there shall be no recourse against the Agency or the Trustee for the payment of premiums or commissions or (if such policies or binders provide for the payment thereof) additional premiums or assessments;

(ii) provide that in respect of the interests of the Agency and the Trustee in such policies, the insurance shall not be invalidated by any action or inaction of a School Party or any other Person and shall insure the Agency and the Trustee regardless of, and any losses shall be payable notwithstanding, any such action or inaction;

(iii) provide that such insurance shall be primary insurance without any right of contribution from any other insurance carried by the Agency or the Trustee to the extent that such other insurance provides the Agency or the Trustee with contingent and/or excess liability insurance with respect to its interest as such in the Facilities;

(iv) provide that if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or there be any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency or the Trustee until at least thirty (30) days after receipt by the Agency and the Trustee of written notice by such insurers of such cancellation, lapse, expiration, reduction or change;

(v) waive any right of subrogation of the insurers thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of any Person insured under such policy; and

(vi) contain such other terms and provisions as any owner or operator of facilities similar to the Facilities would, in the prudent management of its properties,

require to be contained in policies, binders or interim insurance contracts with respect to facilities similar to the Facilities owned or operated by it.

(e) The JSCB shall, at the cost and expense of the SCSD and the City, make all proofs of loss and take all other steps necessary or reasonably requested by the Agency or the Trustee to collect from insurers for any loss covered by any insurance required to be obtained by this Section 5.5. A School Party shall not do any act, or suffer or permit any act to be done, whereby any insurance required by this Section 5.5 would or might be suspended or impaired.

(f) The SCSD hereby assumes all risks that the proceeds of any insurance may be inadequate to fully indemnify the Agency and the Trustee against, or to reimburse the Agency and the Trustee for, any loss, liability, claim or judgment arising out of any risk, peril or insurable loss under the insurance required hereby. The SCSD acknowledges that the SCSD shall be solely responsible for the payment of any loss, liability, claim or judgment, or any portion thereof, falling within any deductible or self insured retention or which is in excess of any available insurance coverage.

#### **Section 5.6. Damage or Destruction.**

(a) The SCSD agrees to notify the Agency and the Trustee immediately in the case of damage to or destruction of any Facility or any portion thereof in an amount exceeding \$100,000 resulting from fire or other casualty, and shall state the plans of the SCSD with respect to the repair, reconstruction and restoration of the affected Facility.

(b) If any Facility or portion thereof shall be condemned or taken by eminent domain, this Agreement (with respect to the affected Facility or portion thereof) and the interest of the City and the SCSD hereunder shall terminate when title to such Facility or portion thereof vests in the party condemning or taking the same (hereinafter referred to as the "*termination date*"), and the SCSD will promptly give notice thereof to the Agency and the Trustee, and shall state the plans of the SCSD with respect to the replacement or restoration of the affected Facility.

(c) If any Facility shall be damaged or destroyed (in whole or in part), or the whole or any part of any Facility shall be taken or condemned by a competent authority or by agreement between the City and/or the SCSD and those authorized to exercise such right or if the temporary use of any Facility or any part thereof shall be so taken by condemnation or agreement (a "*Loss Event*") at any time while this Agreement is in effect:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the affected Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the City and the SCSD under this Agreement (whether or not the affected Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) the proceeds derived from the insurance (after payment of all reasonable expenses, costs and taxes (including attorneys' fees) incurred in obtaining such proceeds) shall be deposited in the Project, and, subject to the provisions of Section 5.6(a)(iv) below, at the option of the SCSD, shall be applied to either (A) replace, repair, rebuild,

restore or relocate the affected Facility, or (B) redeem a principal amount of Bonds equal to such proceeds in accordance with the Indenture; and

(iv) If the SCSD replaces, repairs, rebuilds, restores or relocates the affected Facility, the Trustee shall disburse such proceeds from the Project Fund in the manner set forth in Section 5.2 of the Indenture to pay or reimburse the SCSD for the cost of such replacement, repair, rebuilding, restoration or relocation. Notwithstanding anything to the contrary in Section 5.1(a) (iii) hereof, if (A) the aggregate net proceeds derived from insurance with respect to a particular loss are less than \$50,000, and (B) no Event of Default then exists under the Indenture or this Sale Agreement; the SCSD shall be entitled to withdraw such proceeds from the Project Fund for application to Project Costs in accordance herewith and with the Tax Compliance Agreement.

(b) Any such replacements, repairs, rebuilding, restorations or relocations shall be subject to the following conditions:

(i) the restored Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the restored Facility shall continue to constitute a "project" as such term is defined in the Syracuse Schools Act, and the tax-exempt status of the interest on the Bonds shall not, in the opinion of Bond Counsel, be adversely affected; and

(iii) the restored Facility will be subject to no Liens other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of a Facility shall be affected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements and shall be promptly and fully paid for by the SCSD and/or the City in accordance with the terms of the applicable contracts.

(d) In the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, restoration or relocation, the City and the SCSD shall nonetheless complete the work and pay from its own moneys or from proceeds of Additional Bonds, if any, issued for such purpose that portion of the costs thereof in excess of such proceeds. All such replacements, repairs, rebuilding, restoration or relocations made pursuant to this Section, whether or not requiring the expenditure of the money of the City and/or the SCSD, shall automatically become a part of a Facility as if the same were specifically described herein.

(e) Any balance of such proceeds remaining in the Project Fund after payment of all costs of replacement, repair, rebuilding, restoration or relocation of an affected Facility shall, subject to any rebate required to be made to the federal government pursuant to the Indenture or the Tax Compliance Agreement, be used to redeem the Bonds as provided in the Indenture. If the entire amount of the Bonds and interest thereon has been fully paid, or provision therefor has been made in accordance with the Indenture, all such remaining proceeds shall be paid to the City for the benefit of the SCSD.

liability for any of its obligations hereunder, and in the event of any such assignment the School Parties shall continue to remain primarily liable for the payments specified herein and the SCSD, the City and/or the JSCB, as applicable, for performance and observance of the other agreements on its part herein provided.

**Section 7.8. Use of the Facilities.** Except as provided in Section 7.9 hereof, each Facility shall be used by the SCSD or any other governmental agency, department, division, commission or board thereof and used for public purposes of the SCSD or such agency, department, division, commission or board, and as a "project" under the IDA Act and as a Project as provided in the Syracuse Schools Act.

**Section 7.9. [Reserved].**

**Section 7.10. Compliance With Laws.** The parties hereto agree to comply with all laws, rules, regulations, orders and decrees applicable to the Facilities or the performance hereof.

**Section 7.11. Covenant Not to Affect the Tax-Exempt Status of the Bonds.** The School Parties each agree that throughout the Agreement Term, it will comply with the Tax Compliance Certificate and it will take no action, or permit any action to be taken, with respect to any Facility which will impair the exemption of interest on any Outstanding Bonds from Federal income taxes.

**Section 7.12. Covenants as to State Aid Trust Agreement.** The City and the SCSD agree not to revoke the instructions furnished to the State Comptroller's office to forward all State Aid Revenues payments to the Depository Bank. The City and the SCSD also agree to comply with and not to terminate the State Aid Trust Agreement or materially modify the terms and provisions thereof, except as may be permitted under the terms of the State Aid Trust Agreement.

**Section 7.13. Filings.** The City shall be responsible for the filing of financing statements (including continuation statements) in connection with and in order to continue the security interest created by the Indenture.

**Section 7.14. Equal Employment Opportunities.**

(a) The SCSD shall ensure that all employees and applicants for employment with regard to each of the Facilities are afforded equal employment opportunities without discrimination.

(b) Except as is otherwise provided by collective bargaining contracts or agreements, new employment opportunities created as a result of the Series 2008 Project (whether by the SCSD or any other occupant of a Facility) shall be listed by the SCSD (or, if applicable, such other occupant) with the New York State Department of Labor Community Services Division, and with the administrative entity of each service delivery area created by the Workforce Investment Act of 1998 (P.L. No. 05-220) in which each of the Facilities is located. Except as is otherwise provided by collective bargaining contracts or agreements, the SCSD agrees, and shall cause any other occupant of a Facility to agree, where practicable, to first consider persons eligible to participate in the Workforce Investment Act of 1998 (P.L. No.

105-220) programs who shall be referred by administrative entities of service delivery areas created pursuant to such act or by the Community Services Division of the New York State Department of Labor for such new employment opportunities.

**Section 7.15. Release of Facilities.** Notwithstanding any other provision of this Agreement, so long as there exists no event of default hereunder, nor any event which upon the giving of notice or the passage of time or both, would constitute an event of default, the SCSD may, upon written notice to the Agency and the Trustee and compliance with the following, effect the release of a Facility, to no longer be used by the SCSD as a public school, or the costs with respect to which have been financed with the Bonds which are no longer Outstanding, from this Agreement and the License. Upon receipt of such notice, the Agency and the Trustee shall, at the sole cost and expense of the SCSD, execute and deliver any and all instruments necessary or appropriate to so release and remove such Facility from the Facilities subject to this Agreement and the License; *provided, however*, that in the event the release is of the last remaining Facility, the SCSD must further pay Base Installment Purchase Payments necessary to effect the redemption in whole of the Bonds.

No conveyance or release effected under the provisions of this Section 7.15 shall entitle the SCSD or the City to any abatement or diminution of the Installment Purchase Payments payable under Section 4.1 hereof or the Additional Payments required to be made by the SCSD and the City under this Agreement.

**Section 7.16. No-Default Certificates.**

(a) Each School Party shall deliver to the Agency, the Bond Insurer and the Trustee within one hundred and twenty (120) days after the close of each Fiscal Year, a certificate of an Authorized Representative thereof as to whether or not, as of the close of such preceding Fiscal Year, and at all times during such Fiscal Year, the School Party was in compliance with all the provisions which relate to it in this Agreement and in any other Project Document to which it shall be a party, and if such Authorized Representative shall have obtained knowledge of any default in such compliance or notice of such default, he shall disclose in such certificate such default or defaults or notice thereof and the nature thereof, whether or not the same shall constitute an event of default hereunder, and any action proposed to be taken by the SCSD, the City and/or the JSCB, as applicable, with respect thereto, and, until such time as the Series 2008 Project has been completed and a certificate evidencing the same pursuant to Section 3.2(b) of this Agreement has been delivered to the Agency and the Trustee, a certificate of an Authorized Representative of the JSCB that the insurance it maintains and/or is required to provide complies with the provisions of Section 5.5 of this Agreement, that such insurance has been in full force and effect at all times during the preceding Fiscal Year, and that duplicate copies of all policies or certificates thereof have been filed with the Agency and the Trustee and are in full force and effect. In addition, upon twenty (20) days' prior request by the Agency, the Bond Insurer or the Trustee, each School Party will execute, acknowledge and deliver to the Agency, the Bond Insurer and the Trustee a certificate of an Authorized Representative thereof either stating that to his knowledge no default or breach exists hereunder or specifying each such default or breach of which he has knowledge.

(b) Each School Party shall immediately notify the Agency, the Bond Insurer and the Trustee of the occurrence of any event of default or any event which with notice and/or lapse of time would constitute an event of default under any Project Document of which it has knowledge. Any notice required to be given pursuant to this subsection shall be signed by an Authorized Representative of the appropriate School Party and set forth a description of the default and the steps, if any, being taken to cure said default. If no steps have been taken, the notice shall state this fact.

**Section 7.17. Further Assurances.** Each School Party will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such further acts, instruments, conveyances, transfers and assurances, at the sole cost and expense of the SCSD and the City, as the Agency or the Trustee deems reasonably necessary or advisable for the implementation, effectuation, correction, confirmation or perfection of this Agreement and any rights of the Agency or the Trustee hereunder, under the Indenture or under any other Project Documents.

**Section 7.18. Recording and Filing.** The Pledge and Assignment and this Agreement as originally executed or a memorandum thereof shall be recorded by the SCSD in the appropriate office of the Clerk of the County, or in such other office as may at the time be provided by law as the proper place for the recordation thereof. The security interest of the Trustee created under the Indenture shall be perfected by the filing of financing statements by the SCSD which fully comply with the New York State Uniform Commercial Code - Secured Transactions in the office of the Secretary of State of the State, in the City of Albany, New York. The City shall file or cause to be filed all necessary continuation statements (and additional financing statements) within the time prescribed by the New York State Uniform Commercial Code - Secured Transactions in order to continue (or attach and perfect) the security interest created by the Indenture, to the end that the rights of the Agency, the Holders of the Bonds and the Trustee in this Agreement, in the Installment Purchase Payments payable under this Agreement and in the Trust Estate, shall be fully preserved as against creditors or purchasers for value from the Agency, the City or the SCSD. The Agency and the Trustee are authorized, if permitted by applicable law, to file one or more Uniform Commercial Code financing statements disclosing any security interest in this Agreement and the Installment Purchase Payments due under this Agreement.

**Section 7.19. Furnishing of Information.** Each School Party shall promptly furnish to the Agency and the Trustee such information, in such form and supported by such certifications as the Agency or the Trustee shall reasonably request, relating to such School Party and the Facilities, and the past, present and future employment by the SCSD at the Facilities.

**Section 7.20. Use of Bond Proceeds.** Each School Party shall use, or permit or suffer to be used, the proceeds of the Bonds only for the purposes and costs permitted therefor under this Agreement, the Indenture and the Tax Compliance Certificate.

**Section 7.21. Compliance With Requirements for State Aid Revenues.** The School Parties will comply with all requirements necessary to ensure receipt of State Aid Revenues over the term of this Agreement.

**Section 7.22. No Impairment of Pledge of State Aid Revenues.** Each of the SCSD and the City covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Facilities Agreement, in connection with a Series of Project Bonds under a Series Indenture, which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of State Aid Revenues under the Syracuse Schools Act than the pledge effected pursuant to the Indenture; *provided, however*, that nothing contained in this Agreement shall be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid Revenues on a parity with the pledge effected by the Agency under the Indenture, or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any lease rental payment dates or installment purchase payment dates, as applicable, under a Series Facilities Agreement be the same as provided for hereunder.

**Section 7.23. Financial and Other Information to the Bond Insurer.** Each of the SCSD and the City agrees, for the benefit of the Bond Insurer, to deliver to the Bond Insurer (w) its annual unaudited financial statements as soon as available, (x) its annual audited financial statements as soon as available but not later than three hundred sixty (360) days after the end of the Fiscal Year, (y) its annual budget within thirty (30) days after the approval thereof, and (z) such other information, data or reports as the Bond Insurer shall reasonably request from time to time.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

**Section 8.1. Events of Default.** An "event of default" or a "default" shall mean, whenever they are used herein, any one or more of the following events:

(a) Default in the due and punctual payment of any Installment Purchase Payment (other than failure to pay as a result of an Event of Nonappropriation);

(b) Default in the due and punctual payment of any Additional Payment, which default shall continue for a period of thirty (30) days after payment thereof was due;

(c) Failure by any School Party to observe and perform any of the terms and covenants on its part to be observed or performed set forth in Section 4.4(d), 4.4(e), 4.4(f), 7.12 or 7.21 hereof;

(d) Failure of the SCSD to observe and perform the covenants set forth in Section 4.3 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the SCSD of written notice specifying the nature of such default from the Agency or the Trustee;

(e) Failure of the JSCB to observe and perform the covenants set forth in Section 5.5 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the JSCB of written notice specifying the nature of such default from the Agency or the Trustee;

(f) Failure by any School Party to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in subparagraphs (a), (b), (c), (d) and (e) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the defaulting party and the other School Parties by the Agency, the Bond Insurer, the Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, unless by reason of the nature of such failure the same can not be remedied within such thirty (30) day period and the defaulting party has within such period commenced to take appropriate actions to remedy such failure and is diligently prosecuting such actions; *provided, however*, that unless the Bond Insurer shall consent in writing to a longer period, it shall constitute an Event of Default under this paragraph (e) if such failure shall not be remedied within sixty (60) days after receipt by the defaulting party of the above written notice;

(g) The City or the SCSD shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the City or the SCSD seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver; trustee, or other

similar official for it for any substantial part of its property; or the City or the SCSD shall authorize any of the actions set forth above in this subparagraph (f); or

(h) The entering of an order or decree appointing a receiver of the Facilities or any thereof with the consent or acquiescence of the City or the SCSD or the entering of such order or decree without the acquiescence or consent of the City or the SCSD if it shall not be vacated, discharged or stayed within ninety (90) days after entry.

Notwithstanding anything contained in this Section to the contrary, a failure by the City or the SCSD to pay when due any payment required to be made hereunder or a failure by the City or the SCSD to observe and perform any covenant, condition or agreement on its part to be observed or performed hereunder, resulting from a failure by the Board of Education to include such payment obligation and moneys for such purposes in the annual budget for the SCSD, failure by the City to approve such budget and appropriate moneys for such purpose, or a failure by the SCSD to approve payment thereof after appropriation by the City therefor shall not constitute an event of default hereunder. However, the failure by the City or the SCSD to pay when due any payment required to be made by it under this Agreement shall constitute a failure to make a payment under this Agreement for purposes of the Syracuse Schools Act, and in such event the Agency has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. The City and the SCSD agree to provide written notice to the Trustee indicating either (i) the Board of Education submitted an annual budget for the SCSD to the Mayor of the City that fails to include a separate line item representing the full amount of Installment Purchase Payments payable during the applicable Fiscal Period, (ii) the City approved an annual budget for the SCSD that fails to include such a separate line item, or (iii) the SCSD failed to approve payment of such full amount after appropriation by the City therefor.

**Section 8.2. Remedies.** Whenever any event of default referred to in Section 8.1 hereof shall have happened and be continuing, or whenever an Event of Nonappropriation shall have occurred and be continuing, the Agency (with the prior written consent of the Trustee) or the Trustee, subject in all respects to Section 4.4 hereof, may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the School Parties hereunder. Notwithstanding the foregoing, for so long as any of the Bonds are Outstanding or any amounts remain due and payable by the City or the SCSD under this Agreement, neither the Agency nor the Trustee shall take any action which shall have the effect of terminating this Agreement or the interest in or rights of possession of the City or the SCSD in the Facilities, *provided, however*, that in addition to any other rights or remedies granted by this section to the Agency, the Agency may enforce any of the Agency's Reserved Rights without the consent of the Trustee or any other person, by an action for damages, injunction or specific performance.

No action taken pursuant to this Section 8.2 shall relieve any School Parties from its obligations hereunder, all of which shall survive any such action.

**Section 8.3. Cure.** Notwithstanding any remedy taken by the Agency or the Trustee pursuant to Section 8.2 hereof, if all arrears of Installment Purchase Payments, and all other

Additional Payments, shall have been paid, all other things shall have been performed in respect of which there was an event of default or Event of Nonappropriation and there shall have been paid the reasonable fees and expenses, including expenses of the Trustee (including reasonable attorneys' fees paid or incurred), then the event of default or Event of Nonappropriation shall be waived without further action by the Trustee or the Agency.

**Section 8.4. No Remedy Exclusive.** Subject to the provisions of the second sentence of Section 8.2 hereof, no remedy herein conferred upon or reserved to the Agency or the Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency or the Trustee to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

**Section 8.5. Waiver and Non-Waiver.** In the event any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**Section 8.6. Effect on Discontinuance of Proceedings.** In case any proceeding taken by the Trustee under the Indenture or this Agreement or under any other Security Document on account of any event of default or Event of Nonappropriation hereunder or under the Indenture shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then, and in every such case, the Agency, the Trustee, the Bond Insurer and the Holders of the Bonds shall be restored, respectively, to their former positions and rights hereunder and thereunder, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

**Section 8.7. Agreement to Pay Attorneys' Fees and Expenses.** In the event the Agency, the Bond Insurer or the Trustee should employ attorneys or incur other expenses for the collection of Installment Purchase Payments or Additional Payments payable hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the School Parties herein contained or contained in any other Project Document, each of the City or the SCSD agree that it will on demand therefor pay to the Agency, the Bond Insurer or the Trustee the reasonable fees and disbursements of such attorneys and such other expenses so incurred.

## ARTICLE IX

### LIMITATIONS ON TERMINATION OF AGREEMENT

**Section 9.1. Limitations on Termination of Agreement.** Notwithstanding any provisions of this Agreement to the contrary, neither the Agency, the Trustee nor any School Party shall take or fail to take any action which would cause this Agreement to terminate while any Bonds remain Outstanding or any amounts remain due and payable under this Agreement or prior to the discharge of the lien of the Indenture.

## ARTICLE X

**Section 10.3. Severability.** In the event any one or more of the covenants, stipulations, promises, obligations and agreements herein on the part of the Agency or a School Party to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, obligation or obligations, or agreement or agreements shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, obligations and agreements herein contained and shall in no way affect the validity or enforceability of the other provisions hereof.

**Section 10.4. Amendments, Changes and Modifications.** Except as otherwise provided herein or in the Indenture, subsequent to the issuance of Series 2008A Bonds, and prior to payment or provision for the payment of the Bonds in full, and payment or provision for the payment of all amounts due and payable to the Agency pursuant hereto or to any indemnity, this Agreement may not be amended, changed, modified, altered or terminated except as provided in the Indenture.

**Section 10.5. Amounts Remaining Under the Indenture.** It is agreed by the parties hereto that any amounts remaining in any fund or account created under the Indenture, upon expiration or sooner termination of the Agreement Term, as provided herein, after payment in full of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture) and the fees, charges, indemnities and expenses of the Trustee, the Paying Agents, the Bond Insurer and the Agency in accordance herewith and with the Indenture, shall belong to and be paid to the City for the benefit of the SCSD.

**Section 10.6. Compliance with Indenture.** Each School Party hereby approves of and agrees to the provisions of the Indenture. Each School Party agrees to do all things within its

**Section 10.7. Investment of Moneys.** The Agency hereby acknowledges that the City may in its sole discretion direct the investment of certain moneys held under the Indenture as provided therein. Disclaimer of Personal Liability.** No recourse shall be had against or liability incurred by any official or member of any School Party or any officer or employee of any School Party, or any person executing this Agreement for any covenants and provisions hereof or for any claims based thereon, and no recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any official, member, officer or employee of a School Party.

All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency, and not of any member, director, officer, employee or agent of the Agency in his individual capacity, and no recourse shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or for any claim based thereon or hereunder against any member, director, officer, employee or agent of the Agency or any natural person executing the Bonds.

**Section 10.9. Effective Date; Counterparts.** This Agreement shall become effective upon its delivery. This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 10.10. The provisions of this Agreement relating to waiver of a jury trial shall survive the termination or expiration of this Agreement.

**Section 10.17. Non-Discrimination.**

(a) At all times during the maintenance and operation of the Facilities, the SCSD shall not discriminate against any employee or applicant for employment because of race, color, creed, age, sex or national origin. **Section 10.18. Limitation on Liability of the Agency or the State.** The liability of the Agency to the School Parties under this Agreement and to the Trustee and the Holders of the Bonds shall be enforceable only out of, and limited to, the Agency's interest under this Agreement and under the License and the security interest created by the Indenture. There shall be no other recourse against the Agency, its members, directors, officers, agents, servants and employees and persons under the Agency's control or supervision, past, present or future, or against any of the property now or hereafter owned by it or them. Any obligation the Agency may incur for the payment of money in the performance of this Agreement shall not create a debt of the State, and the State shall be not liable on any obligation so incurred. Any such obligation shall be payable solely out of any payments or other proceeds or funds derived from this Agreement. All obligations of the Agency under this Agreement shall be deemed to be the obligation of the Agency, and not of any member, director, officer, servant, employee or agent of the Agency or person under the Agency's control or supervision, past, present or future, in his individual capacity. No recourse shall be had against any such persons, or against any natural person executing the Bonds, for any claim against the Agency arising under this Agreement, including, without limitation, any claim for the payment of the principal of, redemption premium, if any, or interest on the Bonds.

WHEREAS, the City Engineer has prepared a Full Environmental Assessment Form ("FEAF") for the JSCB's review and consideration regarding the environmental impact of the Project (attached hereto as Appendix "A");

WHEREAS, the JSCB, pursuant to SEQRA has considered the significance of the potential environmental impacts of the of the Project by (a) using the criteria specified in Section 617.7 of the Regulations, and (b) examining the FEAF for the Project, together with other available supporting information, to identify the relevant areas of environmental concerns, and (c) thoroughly analyzing the identified areas of relevant environmental concern;

NOW THEREFORE, BE IT RESOLVED, that;

Appendix A  
State Environmental Quality Review  
FULL ENVIRONMENTAL ASSESSMENT FORM

*Purpose:* The full EAF is designed to help applicants and agencies determine, in an orderly manner, whether a project or action may be significant. The question of whether an action may be significant is not always easy to answer. Frequently, there are aspects of a project that are subjective or unmeasurable. It is also understood that those who determine significance may have little or no formal knowledge of the environment or may not be technically expert in environmental analysis. In addition, many who have knowledge in one particular area may not be aware of the broader concerns affecting the question of significance.

The full EAF is intended to provide a method whereby applicants and agencies can be assured that the determination process has been orderly, comprehensive in nature, yet flexible enough to allow introduction of information to fit a project or action.

Full EAF Components: The full EAF is comprised of three parts:

- Part 1 Provides objective data and information about a given project and its site. By identifying basic project data, it assists a reviewer in the analysis that takes place in Parts 2 and 3.
- Part 2 Focuses on identifying the range of possible impacts that may occur from a project or action. It provides guidance as to whether an impact is likely to be considered small to moderate or whether it is a potentially-large impact. The form also identifies whether an impact can be mitigated or reduced.
- Part 3 If any impact in Part 2 is identified as potentially-large, then Part 3 is used to evaluate whether or not the impact is actually important.

**THIS AREA FOR LEAD AGENCY USE ONLY**

**DETERMINATION OF SIGNIFICANCE -- Type 1 and Unlisted Actions**

Identify the portions of EAF completed for this project:  Part 1  Part 2  Part 3  
Upon review of the information recorded on this EAF (Parts 1 and 2 and 3 if appropriate), and any other supporting information, and considering both the magnitude and importance of each impact, it is reasonably determined by the lead agency that:

- A. The project will not result in any large and important impact(s) and, therefore, is one which will not have a significant impact on the environment, therefore a negative declaration will be prepared.
- B. Although the project could have a significant effect on the environment, there will not be a significant effect for this Unlisted Action because the mitigation measures described in PART 3 have been required, therefore a CONDITIONED negative declaration will be prepared.\*
- C. The project may result in one or more large and important impacts that may have a significant impact on the environment, therefore a positive declaration will be prepared.

\*A Conditioned Negative Declaration is only valid for Unlisted Actions

**PART 2 - PROJECT IMPACTS AND THEIR MAGNITUDE**  
 Responsibility of Lead Agency

**General Information (Read Carefully)**

in completing the form the reviewer should be guided by the question: Have my responses and determinations been reasonable? The reviewer is not expected to be an expert environmental analyst. The Examples provided are to assist the reviewer by showing types of impacts and wherever possible the threshold of magnitude that would trigger a response in column 2. The examples are generally applicable throughout the State and for most situations. But, for any specific project or site other examples and/or lower thresholds may be appropriate for a Potential Large Impact response, thus requiring evaluation in Part 3. The impacts of each project, on each site, in each locality, will vary. Therefore, the examples are illustrative and have been offered as guidance. They do not constitute an exhaustive list of impacts and thresholds to answer each question. The number of examples per question does not indicate the importance of each question. In identifying impacts, consider long term, short term and cumulative effects.

**Instructions (Read carefully)**

- a. Answer each of the 20 questions in PART 2. Answer **Yes** if there will be any impact.
- b. **Maybe** answers should be considered as **Yes** answers.
- c. If answering **Yes** to a question then check the appropriate box (column 1 or 2) to indicate the potential size of the impact. If impact threshold equals or exceeds any example provided, check column 2. If impact will occur but threshold is lower than example, check column 1.
- d. Identifying that an impact will be potentially large (column 2) does not mean that it is also necessarily significant. Any large impact must be evaluated in PART 3 to determine significance. Identifying an impact in column 2 simply asks that it be looked at further.
- e. If reviewer has doubt about size of the impact then consider the impact as potentially large and proceed to PART 3.
- f. If a potentially large impact checked in column 2 can be mitigated by change(s) in the project to a small to moderate impact, also check the **Yes** box in column 3. A **No** response indicates that such a reduction is not possible. This must be explained in Part 3.

**If Any Action in Part 2 Is Identified as a Potential Large Impact or If you Cannot Determine the Magnitude of Impact, Proceed to Part 3**

## Part 3 - EVALUATION OF THE IMPORTANCE OF IMPACTS

### Responsibility of Lead Agency

Part 3 must be prepared if one or more impact(s) is considered to be potentially large, even if the impact(s) may be mitigated

Instructions (If you need more space, attach additional sheets)

Discuss the following for each impact identified in Column 2 of Part 2:

- 1 Briefly describe the impact.
- 2 Describe (if applicable) how the impact could be mitigated or reduced to a small to moderate impact by project change(s).
- 3 Based on the information available, decide if it is reasonable to conclude that this impact is **important**.

To answer the question of importance, consider:

- ! The probability of the impact occurring
- ! The duration of the impact
- ! Its irreversibility, including permanently lost resources of value
- ! Whether the impact can or will be controlled
- ! The regional consequence of the impact
- ! Its potential divergence from local needs and goals
- ! Whether known objections to the project relate to this impact.

**CERTIFICATE OF DETERMINATION  
BY THE CHAIR OF THE JOINT SCHOOLS CONSTRUCTION BOARD  
AS TO FINANCING COST AND INTEREST RATE**

I, Stephanie A. Miner, Mayor of the City of Syracuse, New York on behalf of the Joint Schools Construction Board (hereinafter called the "JSCB"), **HEREBY CERTIFY** that, pursuant to the powers and duties delegated to me, as the Chair of the JSCB and in accordance with Chapter 58 Pt. A-4 of the 2006 Laws of the State of New York, as amended (the "Syracuse Schools Act") and subject to the limitations prescribed therein, I have made the following determinations:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act to compare refinancing through the Syracuse Industrial Development Agency ("SIDA") with refinancing available through the State of New York Municipal Bond Bank Agency ("MBBA"), I have caused such a comparison to be made as to the interest rate for the refinancing of the Syracuse Schools Reconstruction Project through the issuance by SIDA of its \$29,260,000 aggregate principal amount of School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 ("Series 2017 Bonds") against the interest rate that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA.

2. Based on such comparison, I have determined that the refinancing mechanism utilized by SIDA in the issuance of the Series 2017 Bonds for the Syracuse Schools Reconstruction Project results in the lowest cost to the state and city taxpayers.

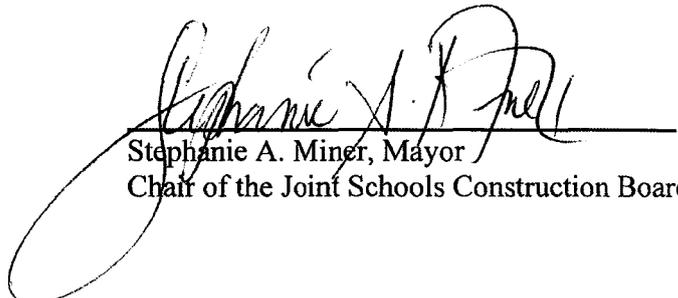

3. The relevant information, as referenced above, in our possession was transmitted to a duly authorized officer of the MBBA.

4. The cost information and other financial information contained in Exhibit "A" (Certificate of Public Resources Advisory Group) annexed hereto with attached Schedules is sufficient to conclude that the interest rate related to the issuance of the Series 2017 Bonds through the SIDA would not be greater than the interest rate applicable had the Series 2017 Bonds been issued by the MBBA.

5. I attach hereto as Exhibit "B" a form of the Certificate of the Chief Operating Officer of the MBBA, stating that such Chief Operating Officer received all requested and required information from the City School District of the City of Syracuse, the City, SIDA and the Joint Schools Construction Board of the City of Syracuse and determined that the interest rate on April 6, 2017 that would have been applicable to a like purpose, bond structure, method of sale, security and amount bond issuance by the MBBA would be approximately 2.14% on a true interest cost basis.

6. The Record of the Proceedings in this matter, with sufficient information to make the necessary determinations required by the Syracuse Schools Act, is annexed hereto collectively in Exhibits "A" and "B" as fully described above in the preceding paragraphs.

**IN WITNESS WHEREOF**, I have hereunto set my signature and the official seal of the City this 6th day of April, 2017.

Chair of the Joint Schools Construction Board

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in Exhibit A, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "Underwriter"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "Bonds"), I am of the opinion that, on April 5, 2017 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 2.14%.
3. Based on my examination, my knowledge and experience, and conversations with, the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as Exhibit A certain financial information on which I have based the opinions set forth herein.

THE STATE OF NEW YORK MUNICIPAL BOND BANK  
AGENCY**

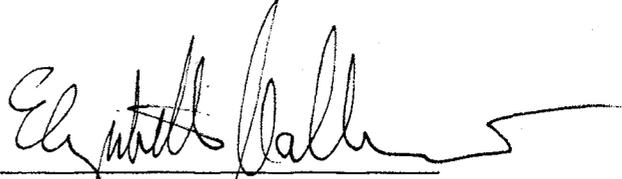

I, Elizabeth Mallow, Chief Operating Officer of the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY DETERMINE, pursuant to the powers and duties delegated to me and in accordance with the applicable provisions set forth in Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, as follows:

1. Pursuant to the statutory requirement set forth in the Syracuse Schools Act, as of March 28, 2017, I have received all the information required by the MBBA under the Syracuse Schools Act from the City of Syracuse (the "City"), the City School District of the City of Syracuse (the "School District"), the Syracuse Industrial Development Agency (the "SIDA") and the Joint Schools Construction Board of the City of Syracuse (the "JSCB"); and have accordingly determined that the interest rate on April 5, 2017 that would have been applicable to a bond issue sold by the MBBA of similar purpose, structure, method of sale, security and amount to the SIDA's School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 would be 2.14% on a true interest cost basis, and am so certifying to the Commissioner of the New York State Department of Education.

2. In making these financial determinations, I am relying upon the Certificate made by an authorized officer of Public Resources Advisory Group, financial advisor to the MBBA, appended hereto as **Exhibit A**.

3. A copy of the information received from the School District, the City, the SIDA and the JSCB in compliance with the Syracuse Schools Act is collectively annexed hereto as **Exhibit B**.

IN WITNESS WHEREOF, I have hereunto set my signature this 6th day of April,  
2017.

A handwritten signature in black ink, appearing to read "Elizabeth Mallow", written over a horizontal line.

CERTIFICATE OF PUBLIC RESOURCES ADVISORY GROUP

I, Steven Peyser, President of Public Resources Advisory Group (hereinafter called "PRAG"), financial advisor to the State of New York Municipal Bond Bank Agency (hereinafter called the "MBBA"), HEREBY CERTIFY that, in my role as financial advisor to the MBBA and in accordance with Chapter 58-A Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act"), and subject to the limitations prescribed therein, I have reviewed pertinent documentation and analyzed certain financial and related information and state the following:

1. PRAG is registered as a municipal advisor with the U.S. Securities and Exchange Commission and the Municipal Securities Rulemaking Board and is qualified to act as financial advisor to the MBBA, and I, Steven Peyser, am a duly authorized signatory and make this certification in such capacity.
2. Pursuant to the statutory requirements set forth in the Syracuse Schools Act that the Joint Schools Construction Board, the City School District of the City of Syracuse, and the City of Syracuse compare financing available through the Syracuse Industrial Development Agency ("SIDA") with financing available through the MBBA, based on financial information in **Exhibit A**, based on my knowledge and experience and conversations with Raymond James & Associates, Inc. (the "**Underwriter**"), and assuming the same bond structure and method of sale as for the proposed SIDA's \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project), Series 2017 (the "**Bonds**"), I am of the opinion that, on April 5, 2017 the true interest cost for a bond issue of like purpose, structure, method of sale, security, and amount if issued by the MBBA would be approximately 2.14%.
3. Based on my examination, my knowledge and experience, and conversations with, the Underwriter, I am of the opinion that the identity of the issuer of the proposed Bonds would have no material bearing on the marketing of the Bonds.
4. I attach hereto as **Exhibit A** certain financial information on which I have based the opinions set forth herein.

(g) Nothing in this subdivision shall authorize the Agency to indemnify or save harmless any Member with respect to punitive or exemplary damages, fines or penalties; provided, however, that the Agency shall indemnify and save harmless its Members in the amount of any costs, attorneys' fees, damages, fines or penalties which may be imposed by reason of an adjudication that the Member, acting within the scope of the Member's public employment or duties, has, without willfulness or intent on the Member's part, violated a prior order, judgment, consent decree or stipulation of settlement entered in any court of the State or of the United States.

(h) Upon entry of a final judgment against the Member, or upon the settlement of the claim, the Member shall serve a copy of such judgment or settlement, personally or by certified or registered mail within thirty (30) days of the date of entry or settlement, upon the Chairman and the chief administrative officer of the Agency; and if not inconsistent with the provisions of this Section 2, the amount of such judgment or settlement shall be paid by the Agency.

(j) The benefits of this Section shall inure only to Members as defined in subdivision (a) of this Section 2 and shall not enlarge or diminish the rights of any other party.

**WHEREAS**, the City and the School District may enter into a Third Amendment to State Aid Depository Agreement (as amended the “**State Aid Depository Agreement**”) with Manufacturers and Traders Trust Company, acting as Depository Bank (the “**Depository**”), to provide for, among other things, the payment of all State Aid Revenues (as defined therein) into the State Aid Depository Fund (also as defined therein) maintained with the Depository for periodic transfer to the Bond Fund (as defined in the Indenture) toward payment of the Series 2017 Bonds; and, to the extent of any deficiency therein, to the Debt Service Reserve Fund (as

defined in the Indenture), if any, and the balance to the General Fund (as defined in the State Aid Depository Agreement); and

**WHEREAS**, pursuant to the Syracuse Schools Act, the City and the School District have given, or will give, an irrevocable written direction to the Office of the Comptroller of the State of New York (the "**OSC**") to pay all State Aid Revenues to the Depository for deposit into the State Aid Depository Fund; and

**WHEREAS**, pursuant to the Syracuse Schools Act, in the event that the City and the School District shall fail to make a payment due under the Installment Sale Agreement, the Agency (or the Trustee acting on its behalf) shall so certify the amount not paid to the OSC who shall thereupon withhold such amount from any State Aid Revenues and other state and/or school aid payable to the City or the School District and immediately pay over same to the Agency (or the Trustee); and

**WHEREAS**, the terms and conditions of the proposed purchase of the Series 2017 Bonds by the Underwriters will be set forth in a Purchase Contract (the "**Bond Purchase Agreement**") to be entered into by Agency, the JSCB and the Underwriters; and

**WHEREAS**, based on preliminary information provided by the Underwriters and the fee to be charged by the Agency, if any, the JSCB made a preliminary comparison of the financing available from the Agency with the financing expected to be available from the New York State Municipal Bond Bank Agency ("**MBBA**") for the Series 2017 Project and made a preliminary determination that financing the Series 2017 Project through the Series 2017 Bonds may reasonably be expected to result in the lowest cost to the taxpayers of the City and the State; and

**WHEREAS**, the issuance of the Series 2017 Bonds is subject to the School District, the City, the JSCB and the Agency determining based on pricing and other information furnished by the Underwriters that financing the Series 2017 Project through the Series 2017 Bonds rather than through financing from MBBA results in the lowest cost to the taxpayers of the City and the State; and

**WHEREAS**, the JSCB has proposed that the Agency issue its Series 2017 Bonds in the aggregate principal amount not to exceed \$53,000,000 as herein provided; and

**WHEREAS**, the undertaking of the Series 2017 Project and the issuance of the Series 2017 Bonds is for a proper purpose; to wit, to promote the health and the general prosperity and economic welfare of the inhabitants of the State pursuant to the provisions of the Act; and

**WHEREAS**, in accordance with the New York State Public Authorities Law, the Finance & Audit Committee of the Agency reviewed the proposed issuance of the Refunding Bonds at a meeting thereof on November 15, 2016 and made recommendations to the Agency with respect to the aforementioned issuance.

Section 8. Amendments and Supplements to Final Official Statement. The “end of the underwriting period” for the Series 2017 Bonds for all purposes of the Rule is the Closing Date. In the event the Underwriter requests an extension of the underwriting period, SIDA in its sole discretion may agree to or deny such request, which discretion shall not be exercised in an arbitrary or capricious manner. The “end of the underwriting period” for the Series 2017 Bonds, as used in this Purchase Contract, shall mean the Closing Date or such later date as to which SIDA has consented in accordance with the preceding sentence. During the period from the date hereof to and including a date which is 25 days following the end of the underwriting period for the Series 2017 Bonds, as determined in accordance with this Section 8, (a) SIDA will not adopt either on its own initiative or at the request or direction of the JSCB any amendment of or supplement to the Final Official Statement to which, after having been furnished with a copy, the Underwriter shall reasonably object in writing, unless SIDA or the JSCB has obtained the opinion of Bond Counsel, stating that such amendment or supplement is necessary in order to make the Final Official Statement not misleading in the light of the circumstances existing at the time that it is delivered to a purchaser, and (b) if any event relating to or affecting SIDA, the SCSD, the City, the Facilities, the Refunding Project, the Program Manager, the JSCB, State Aid to Education (as such term is defined in the Final Official Statement) or the Series 2017 Bonds shall occur as a result of which it is necessary, in the opinion of Counsel to the Underwriter, to amend or supplement the Final Official Statement in order to make the Final Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, SIDA and the JSCB shall at the SCSD’s sole expense, forthwith prepare and furnish to the Underwriter a reasonable number of copies of an amendment of or supplement to the Final Official Statement (in form and substance satisfactory to the Underwriter, SIDA and the JSCB) such that the Final Official Statement, as amended or supplemented, will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Final Official Statement is delivered to a purchaser, not misleading. For the purpose of this Section 8, SIDA and the JSCB will each furnish such information with respect to itself as the Underwriter may from time to time reasonably request.

Section 9. Expenses. The Underwriter, whether or not the transactions contemplated hereby shall be consummated, shall not be under any obligation to SIDA or the JSCB to pay any expenses incident to the performance of the obligations of SIDA or the JSCB hereunder, including expenses of their respective counsel or Bond Counsel, or the expenses of the City, the JSCB, or their respective counsels, accountants or advisors. It is understood and agreed that if the Closing occurs such expenses shall be paid out of the proceeds of the sale of the Series 2017

Bonds on the Closing Date. Such expenses to be paid out of the proceeds of the Series 2017 Bonds include: (a) the cost of the preparation, printing and delivery of a reasonable number of copies of the Project Documents, the Preliminary Official Statement and the Final Official Statement, (b) the cost of the preparation of the Series 2017 Bonds, (c) the fees and disbursements of Bond Counsel and the Trustee, including the fees and disbursements of counsel to the Trustee, (d) the fees and disbursements of any consultants retained by the SC SD, the City or the JSCB, (e) the issuance fee and any administrative fee charged by SIDA, including the fees and disbursements of SIDA's counsel, (f) the Depository Bank's fees and disbursements, (g) the fees for rating the Series 2017 Bonds, (h) the State Bond fee, and (i) all registration or filing fees and related costs and expenses incurred in connection with the qualification of the Series 2017 Bonds under state security laws and the preparation and printing of a blue sky survey relating to the Series 2017 Bonds. The Underwriter's compensation hereunder shall be the Underwriter's discount described in Section 1 hereof. The SCSD and the City agree to reimburse SIDA for all costs actually incurred by it to the extent of the expenses described above in the event that SIDA or the Underwriter terminate their respective obligations pursuant to the terms of this Purchase Contract to deliver and purchase the Series 2017 Bonds under this Purchase Contract.

Section 10. Notices. Any notice or other communication to be given to SIDA or the JSCB under this Purchase Contract may be given by delivering the same in writing at their respective addresses set forth above, and any such notice or other communication to be given to the Underwriter may be given by delivering the same in writing to Raymond James & Associates, Inc., 535 Madison Avenue - 9th floor, New York, New York 10022, Attention: Susan C. Schmelzer, Managing Director. The approval of the Underwriter, when required hereunder or the determination of its satisfaction as to any document referred to herein, shall be evidenced in writing signed by the Underwriter and delivered to SIDA.

Section 11. Indemnification. (a) The JSCB, on behalf of itself, the SCSD and the City (to the extent permitted by law) agrees to indemnify and hold harmless the Underwriter, the directors, officers, employees and agents of the Underwriter and each person who controls the Underwriter within the meaning of either the Securities Act or the Exchange Act (collectively, the "Underwriter Indemnified Parties") and SIDA, its officials, directors, members, officers, agents or employees (collectively, the "SIDA Indemnified Parties"), against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Official Statement, the Final Official Statement (or in any supplement or amendment thereto), or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any reasonable legal or

other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the JSCB will not be liable in any such case to the Underwriter Indemnified Parties to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made in the Preliminary Official Statement or the Final Official Statement, or in any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished to either the JSCB, the City or the SCSD by or on behalf of the Underwriter specifically for inclusion therein. This indemnity agreement will be in addition to any liability which either of the JSCB, the City or the SCSD may otherwise have.

(b) The Underwriter agrees to indemnify and hold harmless SIDA and the JSCB, and each of their respective officials, directors, officers, employees and agents, and each person who controls the JSCB or SIDA within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the JSCB to each of the Underwriter Indemnified Parties and SIDA Indemnified Parties, but only with reference to written information relating to the Underwriter furnished to SIDA and the JSCB by or on behalf of the Underwriter specifically for inclusion in the Preliminary Official Statement or the Final Official Statement (or in any amendment or supplement thereto). This indemnity agreement will be in addition to any liability which the Underwriter may otherwise have. SIDA and the JSCB acknowledge that the statements set forth on the cover page regarding the delivery of the Series 2017 Bonds, the legend in block capital letters in the inside cover and the related disclosure concerning stabilization, syndicate covering transactions and penalty bids in the Preliminary Official Statement and the Final Official Statement, constitute the only information furnished in writing by or on behalf of the Underwriter for inclusion in the Preliminary Official Statement or the Final Official Statement (or in any amendment or supplement thereto).

(c) Promptly after receipt by an indemnified party under this Section 11 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 11, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party

and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 11 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the JSCB, on behalf of itself, the SCSD and the City, and the Underwriter agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which the JSCB and one or more of the Underwriter may be subject in such proportion as is appropriate to reflect the relative benefits received by the JSCB, the SCSD and/or the School SCSD on the one hand and by the Underwriter on the other from the offering of the Series 2017 Bonds. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the JSCB, on behalf of itself, the SCSD and the City and the Underwriter shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the JSCB, with respect to itself, the SCSD and/or the City, on the one hand and of the Underwriter on the other in connection with the statements or omissions which resulted in such Losses, as well as any other relevant equitable considerations. In no case shall the Underwriter be responsible for any amount in excess of the purchase discount or commission applicable to the Series 2017 Bonds purchased by such Underwriter hereunder. Benefits received by the JSCB, with respect to itself, the SCSD and/or the City, shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriter shall be deemed to be equal to the total purchase discounts and commissions in each case set forth in the Final Official Statement under the heading, "UNDERWRITING." Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the JSCB, the SCSD and/or the City on the one hand or the Underwriter on the other, the intent of the parties and their relative knowledge, information and opportunity to correct or prevent such untrue statement or omission. The JSCB and the Underwriter agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 11, each person who controls an Underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer,

employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the JSCB within the meaning of either the Securities Act or the Exchange Act and each official, director, officer and employee of the JSCB shall have the same rights to contribution as the JSCB, the SC SD and/or the City, subject in each case to the applicable terms and conditions of this paragraph (d).

Section 12. Benefit. This Purchase Contract is made solely for the benefit of SIDA, the Underwriter, the SCSD and the City (including the successors or assigns thereof) and no other person, partnership, association, or corporation shall acquire or have any right hereunder or by virtue hereof. All representations and agreements by SIDA, the JSCB and the Underwriter in this Purchase Contract shall remain operative and in full force and effect except as otherwise provided herein, regardless of any investigation made by or on behalf of the Underwriter and shall survive the delivery of and payment for the Series 2017 Bonds.

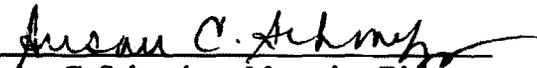

Section 13. Counterparts. This Purchase Contract may be executed in multiple counterparts each of which shall be regarded for all purposes as an original and shall constitute one and the same instrument.

Section 14. Survival. The representations, warranties, agreements, and indemnities of SIDA, the JSCB, with respect to itself, the SCSD and/or the City and the Underwriter contained in this Purchase Contract shall survive the Closing under this Purchase Contract and any investigation made by or on behalf of SIDA, or the Underwriter or any person who controls the Underwriter, of any matters described in or related to the transactions contemplated hereby and by the Project Documents.

Section 15. Severability of Invalid Provision. If any one or more of the covenants, agreements or provisions of this Purchase Contract shall be determined by a court of competent jurisdiction to be invalid, the invalidity of such covenants, agreements, and provisions shall in no way affect the validity or effectiveness of the remainder of this Purchase Contract, and this Purchase Contract shall continue in full force and effect to the fullest extent permitted by law.

Section 16. Governing Law. This Purchase Contract shall be governed by the laws of the State determined without regard to principles of conflict of law.

Re: City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2017

Ladies and Gentlemen:

In connection with the issuance by the City of Syracuse Industrial Development Agency (the "**Agency**") of its \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "**Series 2017 Bonds**"), which are being delivered today pursuant to a Bond Purchase Agreement, dated April 6, 2017 (the "**Purchase Agreement**") by and among the Agency, the Syracuse Joint Schools Construction Board (the "**JSCB**"), on behalf of itself, the City School District of the City of Syracuse (the "**SCSD**") and the City of Syracuse, New York (the "**City**") and Raymond James & Associates, Inc., as the Underwriter (the "**Underwriter**") named in the Official Statement, dated April 6, 2017 (the "**Official Statement**"), we have examined: (a) the Indenture of Trust (Series 2017 Project), dated as of April 1, 2017, by and between the Agency and Manufacturers and Traders Trust Company, as trustee (the "**Trustee**"); (b) the Official Statement; (c) an executed copy of the Purchase Agreement; and (d) certain portions of the record of proceedings relating to the issuance and delivery of the Series 2017 Bonds.

As bond counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates, opinions and documents as we have deemed necessary or appropriate for the purposes of the opinions rendered herein. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion we have relied, without having made any independent investigation, upon the aforesaid instruments, certificates, opinions and documents.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Official Statement (except to the

extent set forth in the following paragraph) and make no representation that we have undertaken to determine independently the accuracy, completeness or fairness of such statements.

Based upon and subject to the foregoing, although we assume no responsibility for the accuracy or completeness of factual information contained in the Preliminary Official Statement and the Official Statement, we are of the opinion that the information contained in the Preliminary Official Statement and the Official Statement (other than financial and statistical data contained therein, as to which no opinion is expressed), under the headings “**THE SERIES 2017 BONDS**” (other than under (i) the last paragraph under the sub-heading “Redemption Procedures” and (ii) the sub-heading “Registration and Payment-Book-Entry System,”) and “**SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS**” (except that no opinion is expressed with respect to (i) the 5<sup>th</sup> and last sentence under the sub-heading “General”; (ii) the last sentence in the first paragraph under the subheading “The Installment Sale Agreement”; (iii) the first and second sentences in the fifth paragraph under the subheading “The Indenture;” (iv) the subheading “State Aid Depository Agreement”; (v) the first and second and 5<sup>th</sup> sentences under the subheading “Timing of Payments”; and (vi) the subheading “State Aid to Education”; and in Appendices B, C, D and E to the Official Statement, insofar as such statements contained under such headings and Appendices purport to summarize certain provisions of the referenced documents, present a fair summary of such provisions, and the statements contained under the caption “TAX MATTERS” present a fair description of the matters set forth therein. Except with respect to those portions of the Official Statement described in the preceding sentence, we express no opinion as to any material, information or statistics contained in the Official Statement, including Appendices A and F thereto.

We are of the opinion that the Official Statement has been duly authorized, executed and delivered by the Agency, and that the Agency has authorized the distribution of the Preliminary Official Statement dated March 28, 2017 relating to the Series 2017 Bonds and the use of said Preliminary Official Statement and the Official Statement by the Underwriters in connection with the public offering of the Series 2017 Bonds.

We are further of the opinion that the Purchase Contract has been duly authorized, executed and delivered by the Agency and, assuming due authorization, execution and delivery of the Purchase Contract by the other parties thereto and the enforceability of the same against such other parties, constitutes the binding agreement of the Agency, except to the extent that the enforceability of the Purchase Contract may be limited by bankruptcy, moratorium or insolvency or other laws affecting creditors’ rights generally and is subject to general principles or equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We are additionally of the opinion that the Series 2017 Bonds constitute exempted securities within the meaning of the Securities Act of 1933, as amended, and the Trust Indenture Act of 1939, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2017 Bonds, to register the Series 2017 Bonds under such Securities Act or to qualify the Indenture under such Trust Indenture Act.

We have, as counsel to the Agency, examined original or certified copies of the proceedings of the Agency taken with respect to the Agency Documents, as well as certificates of the Agency's members, a certified copy of the Bond Resolution, specimen bonds and executed counterparts of the Agency Documents. We have also examined such statutes, court decisions, proceedings and other documents as we have considered necessary or appropriate in the circumstances to render the following opinions.

In our examination, we have assumed the genuineness of all signatures (other than those of the Agency), the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as copies. Furthermore, in rendering the following opinions, we have assumed that all documents executed by a person or persons other than the Agency have been duly executed and delivered by said other person or persons and that said documents, to the extent they create obligations, constitute legal, valid and binding obligations of said person or persons enforceable against said person or persons in accordance with their terms.

Based upon our examination of the foregoing, and in reliance upon the matters and subject to the limitations contained in the concluding paragraphs of this opinion, we are of the opinion (except that no opinion is given with respect to any federal or state securities law or any law concerning zoning or subdivision matters or as to the law of any jurisdiction other than the State of New York) that:

1. The Agency is a corporate governmental agency constituting a public benefit corporation duly established and validly existing under Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended, and Chapter 641 of the Laws of 1979 of the State, as amended (collectively, the "Act").

2. Under the Act, it is the purpose of the Agency to promote, develop, encourage and assist in acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing, among others, industrial, manufacturing, warehousing, commercial and research facilities, and the Agency has the power to acquire, hold and dispose of real and personal property for its corporate purposes. Under Chapter 5 Part A-4 of the Laws of 2006 of the State (the “*Syracuse Schools Act*”), the Series 2017 Project undertaken pursuant to the Syracuse Schools Act constitutes a qualified “project” under the Act, which the Agency may finance and in which it may have a license interest. In accordance with the Act, the Agency has determined to issue its Bonds pursuant to the Indenture.

3. The members and officers of the Agency identified in the Agency's general certificate delivered on this date to the Trustee have been duly appointed as such members (and/or

duly elected by the members as such officers) and, to the best of our knowledge, are qualified to serve as such.

4. The Agency has power and lawful authority under the Act to execute and deliver the Agency Documents; to issue its Bonds and appoint the JSCB as its agent to complete the Series 2017 Project; to sell its interest in and to the Facilities to the City and the SCSD pursuant to the Installment Sale Agreement; and to perform and observe the provisions of the Agency Documents and the Bonds on its part to be performed and observed.

5. The Bond Resolution has been duly adopted by the members of the Agency, complies with the procedural rules of the Agency and the requirements of the laws of New York, and the Bond Resolution has not been supplemented, amended, or repealed and remains in full force and effect on the date hereof.

6. By the Bond Resolution, the Agency has duly authorized the issuance of the Bonds and the execution and delivery of the Agency Documents.

7. The Agency has the right and power to execute, where applicable, and deliver the Agency Documents, each of which (other than the Preliminary Official Statement) has been duly authorized, executed and delivered by or on behalf of the Agency, is in full force and effect, and (other than the Preliminary Official Statement and the Final Official Statement) is a legal, valid and binding obligation of the Agency and is enforceable against the Agency in accordance with its terms.

8. The making and performance by the Agency of the Agency Documents and the consummation of the transactions on the part of the Agency therein contemplated will not violate any applicable provision of the Act or any other law, regulation, decree, writ, order or injunction applicable to the Agency, and will not contravene the provisions of or constitute a default under any material term of any agreement, indenture, or other instrument to which the Agency is a party or by which the Agency is bound.

9. No additional or further consent, authorization or approval of, or filing or registration with, any governmental or regulatory body not already obtained is required for the making and performance by the Agency of the Agency Documents or for the performance by the Agency of the transactions contemplated thereby.

10. There is no action, suit, proceeding or investigation at law or in equity by or before any court, public board or body pending, or, to the best of our knowledge, threatened against or affecting the Agency, wherein an unfavorable decision, ruling or finding would affect the transactions contemplated by the Agency Documents or the validity or the enforceability of any of the Agency Documents

11. No legislation has been enacted by the Legislature of the State of New York which in any way adversely affects the issuance or delivery of the Series 2017 Bonds or the payment, collection or application of the proceeds thereof or the moneys and securities pledged or to be pledged under the Indenture, or the creation, organization or existence of the Agency or the title to office of any officers thereof, or the power of the Agency to acquire a license interest in, reconstruct, rehabilitate, equip, install, sell or assign the Facilities referred to in the Indenture..

11. We have no reason to believe and nothing has come to our attention that would lead us to believe that, as of the date of the Final Official Statement and as of the date hereof, the information contained in the Final Official Statement under the headings "THE ISSUER" and "NO LITIGATION" (but only with regard to the Agency) contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Any opinion concerning the enforceability of any document (A) means that: (1) such document constitutes an effective contract under applicable law; (2) such document is not invalid in its entirety under applicable law because of a specific statutory prohibition or public policy and is not subject in its entirety to a contractual defense under applicable law; and (3) subject to the following sentence, some remedy is available under applicable law if the person concerning whom such opinion is given is in material default under such document but; (B) does not mean that: (1) any particular remedy is available under applicable law upon such material default; or (2) every provision of such document will be upheld or enforced in any or each circumstance by a court applying applicable law. Furthermore, the enforceability of any document may be limited to or otherwise affected by: (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally; or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

We express no opinion with respect to: (A) title to all or any portion of the Facilities; (B) the priority of any liens, charges, security interests or encumbrances affecting the Facilities or any part thereof (or the effectiveness of any remedy which is dependent upon the existence of title to the Facilities, or the priority of any such lien, charge, security interest or encumbrance); (C) any laws, regulations, judgments, permits or orders with respect to the requirement of filing or recording of any of the Agency Documents; or (D) the laws of any jurisdiction other than the State of New York and the United States of America.

This opinion is rendered as of the date hereof, and no opinion is expressed as to matters referred to herein on any subsequent date.

Very truly yours,

Re: \$29,260,000  
City of Syracuse Industrial Development Agency

(Syracuse City School District Project) Series 2017

Ladies and Gentlemen:

I am Corporation Counsel of the City of Syracuse (“the City”) and I serve as counsel to the City and to the City School District of the City of Syracuse (“the SCSD”).

In connection with the above-entitled issuance and sale by the City of Syracuse Industrial Development Agency (“SIDA”) of its \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the “Series 2017 Bonds”), I have been requested to state my opinion as to certain matters referred to below. For that purpose I have reviewed the following documents (documents 1 through 11 below being referred to as the “SCSD Documents”; and each of documents listed below executed by the City collectively being referred to as “the City Documents”; and documents 1 through 12 below being referred to as the “Project Documents”).

1. The Preliminary Official Statement, dated March 28, 2017 (the "Preliminary Official Statement"), and the final Official Statement dated April 6, 2017 with respect to the offering and sale of the Series 2017 Bonds (to be executed by SIDA, the SCSD and the City (the "Official Statement")).

2. The Purchase Contract, dated April 6, 2017, relating to the sale of the Series 2017 Bonds among the Syracuse Joint Schools Construction Board (the "JSCB"), on behalf of itself, the SCSD and the City, SIDA and Raymond James & Associates, Inc., as Underwriter named therein (the "Purchase Contract").

3. The Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017 between the City and the SCSD, as Lessors, and SIDA, as Lessee, (the "License Agreement").

4. The Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, as amended by Amendment No. 1, dated as of July 1, 2009, and as further amended by Amendment No. 2 to the Installment Sale Agreement (Series 2010 Project), dated as of December 1, 2010, Amendment No. 3 to the Installment Sale Agreement (Series 2011 Project), dated as of July 1, 2011, and Amendment No. 4 to the Installment Sale Agreement (Series 2017 Project), dated as of April 1, 2017, and among SIDA, the SCSD, the City and the JSCB (the "Installment Sale Agreement").

5. The Pledge and Assignment, dated as of April 1, 2017 (the "**Pledge and Assignment**"), by the Agency in favor of the Trustee acknowledged by the City, the SCSD and the JSCB;

6. The Continuing Disclosure Agreement among the City, the JSCB, the SCSD, and Manufacturers and Traders Trust Company, as trustee (the "Trustee"), dated as of April 1, 2017, for the Series 2017 Bonds.

7. The State Aid Depository Agreement, dated as of March 1, 2008, as amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "State Aid Depository Agreement") among the SCSD, the City and Manufacturers and Traders Trust Company, as Depository Bank.

8. The Environmental Compliance and Indemnification Agreement, dated as of March 1, 2008, as amended by the First Supplemental Environmental Compliance and Indemnification Agreement, dated as of December 1, 2010, and as further amended by the Second Supplemental Environmental Compliance and Indemnification Agreement, dated as of July 1, 2011, from the SCSD and the City to SIDA.

9. Letter of Instruction dated as March 12, 2008, from the Commissioner of Finance of the City and the SCSD to the State Comptroller in relation to payment of State Aid to Education to the Depository Bank.

10. The Arbitrage and Use of Proceeds Certificate from the SCSD, the City and the JSCB, dated the date hereof.

11. The Refunding Escrow Trust Agreement providing for the defeasance of the Refunded Series 2008A Bonds, dated as of April 1, 2017, among SIDA, the SCSD and the Trustee, as Escrow Agent thereunder.

12. The Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (the "Indenture") between SIDA and Manufacturers and Traders Trust Company, as trustee (the "Trustee").

In rendering this opinion, I have also reviewed: (a) Chapter 58, Part A-4 of the Laws of 2006 of the State of New York, as amended ("the Syracuse Schools Act"); (b) Ordinance No. 113-2017 adopted by the Common Council of the City on February 6, 2017; (c) Resolution No. 0217-091 of the Board of Education adopted on February 8, 2017, authorizing the SCSD Documents; and (d) Resolution No. 11 of 2017 adopted by the JSCB on January 26, 2017 (items (b), (c) and (d) being collectively referred to hereinafter as the "Approving Resolutions.").

In rendering this opinion, I have further reviewed and relied upon a certificate of the President of the Board of Education and Superintendent of the SCSD, in respect to compliance by the SCSD with the requirements of the New York Education Law and the regulations of the New York Department of Education for state building aid and operating aid to the SCSD.

All capitalized terms used in this opinion and not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

Subject to the foregoing, it is my opinion that:

1. The SCSD is a duly organized and validly existing school district of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement, the Purchase Contract and the other SCSD Documents, and to consummate the transactions contemplated by the SCSD Documents and the other Project Documents, and to execute, deliver and perform its obligations under the SCSD Documents.

2. The City is a duly organized and validly existing municipal corporation of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement and the City Documents, and to consummate the transactions contemplated by the City Documents and the other Project Documents, and to execute, deliver and perform its obligations under the City Documents.

3. Each of the SCSD Documents and the City Documents conform in all material respects to the descriptions thereof contained in the Official Statement.

4. Each of the SCSD Documents has been duly authorized, executed and delivered by the SCSD. Assuming the due and valid execution and delivery of the SCSD Documents by the other parties thereto (other than the City), each of the SCSD Documents is the legal, valid and binding obligation of the SCSD, enforceable against the SCSD in accordance with its terms, except to the extent that the enforceability thereof may be limited or otherwise affected by (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and

       City of Syracuse Industrial Development Agency  
       School Facility Revenue Refunding Bonds  
       (Syracuse City School District Project) Series 2017

Ladies and Gentlemen:

We have acted as counsel to the Joint Schools Construction Board (“JSCB”) in relation to the above-entitled financing for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2008A; and (ii) financing certain costs of issuance of the Series 2017 Bonds (collectively, the “Refunding Project”) for a comprehensive program (“the Program”) for the development of the educational facilities of the Syracuse City School District (“the SCSD”). In that capacity, we have been requested to state our opinion as to certain matters referred to below. In the course of our representation of the JSCB, we have made all necessary inquiries of representatives of JSCB authorized to make representations on behalf of the SCSD and the City of Syracuse (the “City”), and having knowledge of the Refunding Project and the transaction contemplated by the following documents. For that purpose, we have reviewed the following documents to which the JSCB is a party:

(a)     The Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, as amended by Amendment No. 1, dated as of July 1, 2009, and as further amended by

Amendment No. 2 to Installment Sale Agreement (Series 2010 Project), dated as of December 1, 2010 and by Amendment No. 3 to Installment Sale Agreement (Series 2011 Project), dated as July 1, 2011 and by Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as April 1, 2017 (the "Installment Sale Agreement"), among Syracuse Industrial Development Agency ("SIDA") and the City, the SCSD and the JSCB.

(b) The Pledge and Assignment, dated as of April 1, 2017 (the "***Pledge and Assignment***"), by the Agency in favor of the Trustee acknowledged by the City, the SCSD and the JSCB;

(c) The State Aid Depository Agreement, dated as of March 1, 2008, as amended by First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "State Aid Depository Agreement"), among the SCSD, Manufacturers and Traders Trust Company, as "Trustee"), Manufactures and Traders Trust Company, as depository, the City and the JSCB.

(d) The resolution of the JSCB authorizing the execution, delivery and performance of the Bond Documents and directing that its authorized officer do and cause to be done any such other acts and things as he or she determines may be necessary or desirable to consummate the transactions contemplated by the bond documents, including determining that the cost to the taxpayers of the City of Syracuse and State of New York of the above-entitled financing through SIDA is less than the cost would be if the financing of the Project were effected by the New York State Municipal Bond Bank Agency.

(e) The Tax Certificate.

(f) The Purchase Contract, dated April 6, 2017 among Raymond James & Associates, as Underwriter (the "Underwriter"), and the JSCB, on behalf of itself, the City and the SCSD, and SIDA (the "Purchase Contract").

(g) The Continuing Disclosure Agreement, dated as of April 1, 2017, between the JSCB, on behalf of the City and the SCSD, and the Trustee (the "Continuing Disclosure Agreement").

(h) The Preliminary Official Statement, dated March 28, 2017 (the "Preliminary Official Statement"), and the final Official Statement dated April 6, 2017 with respect to the offering and sale of the Series 2017 Bonds (to be executed by SIDA and the JSCB (the "Official Statement").

(i) The Syracuse Joint School Construction Agreement, dated as of April 1, 2004 (the "JSCB Agreement"), between the City and the SCSD.

(j) The Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (the "Indenture") between SIDA and Manufacturers and Traders Trust Company, as trustee (the "Trustee").

(k) The Environmental Compliance and Indemnification Agreement, dated as of March 1, 2008, as amended by the First Supplemental Environmental Compliance and Indemnification Agreement, dated as of December 1, 2010, and as further amended by the Second Supplemental Environmental Compliance and Indemnification Agreement, dated as of July 1, 2011, from the SCSD and the City to SIDA.

The JSCB is an inter-municipal board created by an ordinance of the City to assist in the planning and development of the Program. It has been assigned additional functions by Chapter 58, part 4-A of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act").

Any opinion in this letter concerning the validity, binding effect or enforceability of any document may be limited or otherwise affected by (a) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (b) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

Subject to the foregoing, it is our opinion that:

1. The JSCB is a validly existing inter-municipal board and has all requisite power and authority to adopt the Resolution and to execute, deliver and perform its obligations under the JSCB Documents.

2. The Resolution was duly adopted by the JSCB at a meeting held on January 26, 2017.

3. The Installment Sale Agreement, the Tax Certificate, the Purchase Contract and the Continuing Disclosure Agreement have each been duly authorized, executed and delivered by the JSCB. Assuming the due and valid execution and delivery by the other parties thereto, and assuming each to be a legal, valid and binding obligation of the SCSD (as to which we refer you to the opinion of the Corporation Counsel of the SCSD, and express no independent opinion), each of the Installment Sale Agreement, the Continuing Disclosure Agreement, the Tax Certificate Agreement and the Purchase Contract are the legal, valid and binding obligations of the JSCB, enforceable against the JSCB in accordance with their respective terms.

4. The Refunding Project is not within the type of actions or classes of actions identified by the New York State Department of Environmental Conservation under the State Environmental Quality Review Act, being Article 8 of the New York State Environmental Conservation Law, which will in almost every instance have a significant effect on the environment and are therefore likely to require the preparation of environmental impact statements.

We express no opinion with respect to the effect of any law other than the law of the State of New York.

This opinion letter has been prepared, and is intended to be construed, in accordance with the customary practice of lawyers who regularly give, and lawyers who regularly advise opinion recipients concerning, opinions of the type contained herein.

Only the parties to whom this opinion is addressed and their counsel may rely on this opinion. This opinion speaks only as of the date hereof and is limited to present laws and regulations and the facts as they currently exist and have been represented to us. We assume no obligation to revise, update or supplement this opinion.

Yours very truly,

School Facility Revenue Refunding Bonds,  
(Syracuse City School District Project) Series 2017**

March 28, 2017

In connection with the proposed sale by the Underwriter of \$29,400,000\* City of Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds, (Syracuse City School District Project) Series 2017 (the "Bonds"), this survey has been prepared which indicates, in summary form, the jurisdictions in which the Bonds may be sold by the Underwriter and other dealers or brokers in compliance with the "blue sky" or securities laws of such jurisdictions.

We have prepared this survey as attorneys admitted to practice in the State of New York and we do not purport to be experts in the laws of the other jurisdictions involved. Our survey is based upon an examination of the statutes and regulations, if any, of the various jurisdictions as reported in standard compilations customarily relied upon in this connection. We have also relied upon interpretive advice obtained from administrative authorities in certain instances and upon information set forth in the official statement relating to the Bonds, in the form initially distributed to the public. We have not, however, obtained special rulings of the securities commissions or other administrative bodies or officials charged with the administration of the respective securities or "blue sky" laws, nor have we obtained opinions of local counsel.

This survey does not purport to cover the requirements under any of the laws of the jurisdictions enumerated herein or under Federal law with respect to the registration or licensing of dealers, brokers or salesmen, the form or substance of advertising or the legality of investments in the Bonds by any institutional investor which is subject to statutory or other restrictions as to its investments.

\* Preliminary, subject to change.

The statements made or conclusions expressed herein are subject to change upon the exercise of broad discretionary powers vested by statute in securities commissions and other authorities, authorizing such commissions or authorities to withdraw or deny the exempt status offered by statute or by administrative interpretations thereof to a particular class of securities, to require additional information, to issue stop orders, to revoke or suspend permits where they have been granted, to refuse registration, or to impose additional requirements or restrictions in respect of any offering of securities.

Very truly yours,

**CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2017**

**Dated: Delivery Date**

**Due: as shown on inside cover**

The School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "**Series 2017 Bonds**") are being issued by the City of Syracuse Industrial Development Agency (the "**Issuer**") in accordance with Chapter 58 Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "**Syracuse Schools Act**"). The Series 2017 Bonds will be issued pursuant to an Indenture of Trust (Series 2017 Project) dated as of April 1, 2017 (the "**Indenture**") between the Issuer and Manufacturers and Traders Trust Company, as Trustee (the "**Trustee**"), to provide money to refinance a portion of the costs of design, reconstruction, rehabilitation, and/or equipping of certain existing school buildings for use by the City School District of the City of Syracuse (the "**SCSD**"). The Series 2017 Bonds are special limited obligations of the Issuer payable from amounts due solely from the SCSD and the City of Syracuse (the "**City**") under an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the "**2008 Original Installment Sale Agreement**"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "**First Amended Agreement**"); Amendment No. 2 to the Installment Sale Agreement dated as of December 1, 2010 (the "**Second Amended Agreement**"); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the "**Third Amended Agreement**"); and Amendment No. 4 to Installment Sale Agreement dated April 1, 2017 (the "**Fourth Amended Agreement**"), together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, the "**Installment Sale Agreement**" or "**Agreement**"), each among the Issuer, the City, the SCSD and the Syracuse Joint Schools Construction Board (the "**JSCB**").

The obligation of the SCSD and the City to pay installment purchase payments under the Installment Sale Agreement are deemed executory only to the extent of New York State building and operating aid, which aid does not include Expanding our Children's Education and Learning aid, that is appropriated by the New York State Legislature and paid to the SCSD or the City or any officer thereof, for the provision of public educational instruction for the City ("**State Aid to Education**"). Payment of State Aid to Education to the SCSD and the City is subject to annual appropriation of the State of New York (the "**State**"). Pursuant to a State Aid Depository Agreement, dated as of March 1, 2008 (the "**Depository Agreement**"), as previously amended by a First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to State Aid Depository Agreement**" and together with the Depository Agreement collectively, the "**State Aid Depository Agreement**"), each among the SCSD, the City and Manufacturers and Traders Trust Company, as depository (the "**Depository**"), all State Aid to Education made payable to the SCSD or the City will be deposited into a State Aid Depository Fund with the Depository and, upon appropriation by the City and the SCSD, such State Aid to Education will be disbursed for the payment of principal and interest on the Series 2017 Bonds, Series 2011 Bonds (as defined herein), the Series 2010 Bonds (as defined herein) and other purposes of the SCSD.

The Series 2017 Bonds are special limited obligations of the Issuer payable solely from: (i) the payment of installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (ii) the pledge of certain funds, including a bond fund, under the Indenture. In the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement, it is provided in the Syracuse Schools Act and the Indenture that, upon receipt by the New York State Comptroller (the "**State Comptroller**") of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold any state and/or school aid payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The obligation of the SCSD and the City under the Installment Sale Agreement to pay installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of installment purchase payments under the Installment Sale Agreement. The obligation of the SCSD and the City under the Installment Sale Agreement to pay installment purchase payments in any fiscal year of the SCSD or the City constitutes a current expense of the SCSD for such fiscal year and shall not constitute an indebtedness or moral obligation of the SCSD, the City or the State within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available for the payment of the principal of and interest on the Series 2017 Bonds is installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such payments, and the intercept by the State Comptroller of any other state and/or school aid payable to the City or the SCSD to the extent of any installment purchase payment deficiency. The Series 2017 Bonds are neither a general obligation of the Issuer, nor a debt or indebtedness of the City or the State and neither the City nor the State shall be liable thereon. The Issuer has no taxing power. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS" herein.

The Series 2017 Bonds will be issued in fully registered form registered in the name of Cede & Co., as nominee for The Depository Trust Company ("**DTC**"). See "THE SERIES 2017 BONDS—Registration and Payment — Book-Entry System" herein.

The Series 2017 Bonds will bear interest payable semiannually on May 1 and November 1 of each year commencing May 1, 2017 and are subject to redemption prior to maturity as described herein. See "THE SERIES 2017 BONDS—Redemption of Series 2017 Bonds" herein.

*In the opinion of Barclay Damon, LLP, Bond Counsel to the Issuer, under existing law and assuming continuing compliance by the Issuer, the SCSD and the City with certain covenants and the accuracy and completeness of certain representations made by the Issuer, the SCSD and the City, interest on the Series 2017 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that, under existing statutes, interest on the Series 2017 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). See "TAX MATTERS" herein.*

*The Series 2017 Bonds are offered when, as, and if issued and received by the Underwriter subject to the approval of legality by Bond Counsel to the Issuer. Certain legal matters will be passed upon for the Issuer by Corporation Counsel of the City; for the Underwriter by its counsel, Harris Beach PLLC, Syracuse, New York; for the Syracuse Joint Schools Construction Board by its counsel, Trespasz & Marquardt, LLP, Syracuse, New York; for the SCSD and the City by the Corporation Counsel of the City. **INTRODUCTION**

**General**

This Official Statement sets forth certain information concerning the issuance and sale by the City of Syracuse Industrial Development Agency (the "*Issuer*") of \$29,400,000\* School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "*Series 2017 Bonds*"). The Series 2017 Bonds will be secured by and issued pursuant to an Indenture of Trust (Series 2017 Project) dated as of April 1, 2017 (the "*Indenture*" or the "*Series 2017 Indenture*") between the Issuer and Manufacturers and Traders Trust Company, as Trustee (the "*Trustee*").

Certain capitalized terms used in this Official Statement which are not defined herein shall have the meanings assigned to them in APPENDIX B - "Summary of Definitions" attached hereto.

**Authorization**

The Series 2017 Bonds will be issued pursuant to the Issuer's enabling legislation constituting Title I of Article 18-A of the General Municipal Law of the State of New York (the "*State*") (enacted into law as Chapter 1030 of the Laws of 1969 of the State), and Title II of Article 18-A § 926 of the General Municipal Law of the State enacted into law as Chapter 641 of the Laws of 1979 of the State (collectively, the "*Act*"); and Chapter 58 Part A-4 of the Laws of 2006, as amended (the "*Syracuse Schools Act*"); and a resolution of the Issuer adopted January 24, 2017.

**Purpose of the Series 2017 Bonds**

The Series 2017 Bonds are being issued under the Series 2017 Indenture for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A (the "*Series 2008A Bonds*" or the "*Refunded Bonds*"), of which \$34,780,000 principal amount is currently outstanding; and (ii) financing certain costs of issuance of the Series 2017 Bonds and paying the redemption costs of the Refunded Bonds. The Refunded Bonds were originally issued pursuant to the Indenture of Trust (Series 2008 Project), dated as of March 1, 2008 (the "*Series 2008 Indenture*"), between the Issuer and Manufacturers and Traders Trust Company, as trustee under the Series 2008 Indenture. The Series 2017 Bonds are payable from amounts due from the City School District of the City of Syracuse (the "*SCSD*") pursuant to an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the "*Original Installment Sale Agreement*"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "*First Amended Agreement*"); Amendment No. 2 to the Installment Sale Agreement dated as of December 1, 2010 (the "*Second Amended Agreement*"); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the "*Third Amended Agreement*"); and Amendment No. 4 to Installment Sale Agreement dated as of April 1, 2017 (the "*Fourth Amended Agreement*"), together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, the "*Installment Sale Agreement*" or "*Agreement*"), each between the Issuer and the SCSD. See "PLAN OF FINANCING."

## **The Program**

The Syracuse Schools Act was enacted and became legally effective April 1, 2006, authorizing Phase I of a comprehensive redevelopment program (“the **Program**”) for public school buildings of the City School District of the City of Syracuse (the “**SCSD**”), at a cost not to exceed \$225 million. The Program was adopted by the Syracuse Joint Schools Construction Board (the “**JSCB**”) on February 28, 2008, amended on April 17, 2009 and approved by the Office of the State Comptroller on June 24, 2009 in accordance with §6 of the Syracuse Schools Act. Prior to the commencement of the Program, the facilities of the SCSD had not been updated or improved in a number of years. The Syracuse Schools Act was enacted to encourage the City of Syracuse (the “**City**”) and the SCSD to cooperatively undertake new and innovative ways of renovating, rehabilitating and financing public schools within the City. The plans and specifications for the Program are being developed by the JSCB, which is acting on behalf of the City and the SCSD, pursuant to the aforementioned Syracuse Schools Act and an intermunicipal agreement dated April 1, 2004. Pursuant to the Syracuse Schools Act, the JSCB has been authorized to manage the design, reconstruction, and financing of the rehabilitation of existing public school facilities in the City, and to coordinate efforts for compliance with, the monitoring of, and the reporting on, a program-wide diversity plan for the Program. The JSCB retained the Gilbane Building Company, a privately held family run construction company founded in 1873 in Providence, Rhode Island, to be the independent program/construction management firm (“**Phase I Program Manager**”) for Phase I of the Program, and to assist in the management of Phase I of the Program under the supervision of the City Engineer. A portion of Phase I of the Program was financed by the issuance of the Refunded Bonds. The Gilbane Building Company is one of the nation’s largest providers of construction expertise with annual revenues in excess of \$4 billion and more than 2,000 employees. The Gilbane Building Company, a corporation organized in the State of Rhode Island, is a subsidiary of Gilbane Inc., a holding company formed in 1998 to be the parent company for Gilbane Building Company and Gilbane Properties (Inc).

Legislation authorizing Phase II of the Program at a cost not to exceed \$300 million was enacted on October 25, 2013. Such legislation authorized the City to provide interim financing for project costs from the proceeds of City obligations issued in anticipation of permanent financing from any source provided under the Syracuse Schools Act, and the reimbursement to the City for the payment of such obligations from any such source (including permanent financing issued through the Issuer for such purpose). The City currently has \$9.9 million total principal amount of its bond anticipation notes outstanding which were issued to provide such initial funding and which are scheduled to mature on June 23, 2017. The City will renew such notes and continue to provide such interim financing for an additional portion of project costs until permanent financing is completed in late 2017 or early 2018.

Legislation was subsequently enacted on March 17, 2014 specifying 15 buildings to be included in Phase II. Currently, renovations are being designed for the first seven school buildings of Phase II: Bellevue Elementary, Ed Smith K-8, Fowler High, Frazer K-8, Grant Middle, Huntington K-8, and Westside Academy at Blodgett.

The JSCB selected Turner Construction Company (“**Phase II Program Manager**”) as the Program Manager for Phase II of the Program on September 2, 2015. Turner Construction was founded 113 years ago and is a North America-based, international construction services company. With a staff of over 5,200 employees, the company completes \$10 billion of construction on 1,500 projects each year. Phase II of the Program is currently at the design development stage of the first seven school buildings.

The Phase I Program Manager and Phase II Program Manager are collectively referred to hereinafter as the “**Program Manager**”.

A full copy of the Phase I and Phase II legislation may be obtained by visiting the JSCB's official website: <http://www.jsCBSyracuse.us/>.

### **Program Financings**

On March 1, 2008, the Issuer issued \$49,230,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A (the "**Series 2008A Bonds**") to finance the following: (i) rehabilitation of, and the acquisition of equipment and furnishings for, Central Technical High School; and (ii) preparation of designs and specifications for reconstruction and rehabilitation of Blodgett School, Shea Middle School, Dr. Weeks Elementary, Clary Middle School, Fowler High School and H.W. Smith Elementary School (the Central Tech Project and the Design Phase, are herein collectively referred to as the "**Original Series 2008 Project**"). On July 6, 2009, the Issuer amended the scope of the Series 2008 Project to include the payment of costs associated with the acquisition, construction, and installation of various improvements to the Fowler High School, H.W. Smith Pre-K-8 School, Dr. Weeks Elementary School, Clary Middle School and Shea Middle School (the "**Amended Series 2008 Project**"), and together with the Original Series 2008 Project, the "**Series 2008 Project**").

On December 23, 2010, the Issuer issued \$31,470,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 ( the "**Series 2010 Bonds**") to finance an additional portion of the costs of the Phase I of the Program. The proceeds of the Series 2010 Bonds financed site work, exterior and interior building improvements and additions, and mechanical and electrical upgrades.

On July 12, 2011, the Issuer issued \$31,860,000 aggregate principal amount of its School Facility Revenue Bonds (Tax Exempt Bonds) (Syracuse City School District Project) Series 2011A and \$15,000,000 aggregate principal amount of its School Facility Revenue Bonds (Federally Taxable Qualified School Construction Bonds) (Syracuse City School District Project) Series 2011B (collectively, the "**Series 2011 Bonds**") to finance an additional portion of the costs of the Phase I of the Program, including the completion of the Dr. Weeks Elementary School, the H.W. Smith Pre-K to 8 School and the Fowler Energy Performance Contract Project at Fowler High School.

It is anticipated that funds required to complete Phase II and future phases of the Program will be derived, in part, through the issuance and sale from time to time of other series of bonds (together with the Series 2008A Bonds, the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds collectively referred to hereinafter as "**Project Bonds**") issued by the Issuer or other authorized issuer pursuant to separate indentures of trust or bond resolutions (each, including the Indenture, being a "**Series Indenture**," and the trustee under each Series Indenture, including the Trustee, being a "**Series Trustee**"). It is further anticipated that the additional facilities to be financed from further series of Project Bonds will be made subject to a separate or amended license agreement or ground lease and a separate or amended lease agreement or an installment sale agreement or similar instrument (each such separate lease agreement or installment sale agreement, including the Installment Sale Agreement, being a "**Series Facilities Agreement**").

### **Structure of the Series 2017 Bonds**

Pursuant to the License Agreement, dated as of March 1, 2008, between the City and the SCSD, as licensor, and the Issuer, as licensee (the "**License Agreement**"), which was previously amended pursuant to an Amendatory License Agreement, dated as of December 1, 2010 (the "**Amendatory License Agreement**"); a Second Amendatory License Agreement dated as of July 1, 2011

(the "**Second Amendatory License Agreement**"), and a Third Amendatory License Agreement dated as of April 1, 2017, (the "**Third Amendatory License Agreement**" and together with the License Agreement, the Amendatory License Agreement, and the Second Amendatory License Agreement, collectively, the "**License Agreement**"), each among the Issuer, City and the SCSD, the City and the SCSD licensed to the Issuer certain existing school buildings within the SCSD and, pursuant to a bill of sale, conveyed title to the equipment (collectively, the "**Series 2008 Facilities**"). The Third Amendatory License Agreement will be entered into concurrently with the issuance of the Series 2017 Bonds and will have a term ending upon the later of completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project. Concurrently therewith, the Issuer will sell and assign its license interest under the License Agreement and a bill of sale in the Series 2008 Facilities to the SCSD and the City pursuant to the Installment Sale Agreement. Base installment purchase payments due from the SCSD and the City under the Installment Sale Agreement related to the Series 2017 Bonds, will equal principal and interest due on the Series 2017 Bonds, including the mandatory principal payments. Pursuant to §14(a) of the Syracuse Schools Act, the Board of Education for the SCSD shall be responsible for the maintenance and operation of the Series 2008 Facilities.

Pursuant to the Indenture, the Issuer will issue the Series 2017 Bonds for the benefit of the JSCB, to refund the Refunded Bonds, and reserves the right, upon request of the JSCB, to issue one or more Series of Additional Bonds under the Indenture. To accomplish the refunding, substantially all of the proceeds from the sale of the Series 2017 Bonds will be deposited into one or more separate special trust fund(s) created under that certain Refunding Escrow Trust Agreement dated as of April 1, 2017 entered into among the Issuer, the SCSD and Manufacturers and Traders Trust Company, as Escrow Agent providing for the defeasance of the Refunded Bonds (the "**Refunding Escrow Trust Agreement**"). See "PLAN OF FINANCING."

#### **Security for the Series 2017 Bonds**

Principal of and interest on the Series 2017 Bonds will be secured by: (i) installment purchase payments ("**Installment Purchase Payments**") made by the SCSD and the City under the Installment Sale Agreement; and (ii) the pledge of certain funds, including the Bond Fund under the Indenture. In the event the SCSD or the City fails to make an Installment Purchase Payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that, upon receipt by the New York State Comptroller (the "**State Comptroller**") of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold from the SCSD and the City any state and/or school aid payable to the City or the SCSD to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS—State Aid Intercept" and "State Aid". The Syracuse Schools Act further provides that (x) any amount of state and/or school aid so paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD or the City to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid, and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

The obligations of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement are deemed executory only to the extent of State Aid to Education appropriated by the New York State Legislature (the "**State Legislature**") and available to the SCSD and/or the City and appropriated by the City and approved by the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof shall be

incurred by the SCSD or the City beyond the amount of such State Aid to Education so available and appropriated; *provided, however*, the failure of the SCSD and the City, for any reason (including a failure by the SCSD to budget and appropriate funds for Installment Purchase Payments, a failure by the City to approve a budget and appropriate funds for the SCSD providing for Installment Purchase Payments or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment under the Installment Sale Agreement is deemed a failure to make a payment thereunder for purposes of the state and/or school aid intercept implementing provisions of the Syracuse Schools Act and the intercept provisions of the Indenture. Payment of State Aid to Education to the SCSD and/or the City is subject to annual appropriation by the State Legislature. Except to the extent limited as provided above, the obligation of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement and to perform their obligations thereunder shall be absolute and unconditional; and such Installment Purchase Payments and other amounts shall be payable without any rights of set-off, or recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction they might otherwise have against the Issuer, the Trustee, any purchaser of any Series 2017 Bond or any other person and whether or not any or all of the facilities financed or refinanced with the proceeds of the Series 2017 Bonds are used or occupied by the City, the JSCB or the SCSD or available for use or occupancy by the City, the JSCB or the SCSD. See "SECURITY AND SOURCE OF PAYMENT FOR THE SERIES 2017 BONDS," "BONDHOLDERS' RISKS - Additional Series of Project Bonds" and APPENDIX D — "Summary of Certain Provisions of the Installment Sale Agreement."

The SCSD, the City and Manufacturers and Traders Trust Company, as depository bank (the "**Depository**"), have entered into a State Aid Depository Agreement, dated as of March 1, 2008 (the "**Depository Agreement**"), as previously amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to State Aid Depository Agreement**") and together with the Depository Agreement, collectively, the "**State Aid Depository Agreement**"). In accordance with the State Aid Depository Agreement, the Commissioner of Finance of the City (the "**Commissioner of Finance**") and the President of the Board of Education of the SCSD have instructed the State Comptroller to pay all State Aid to Education directly to a designated fund (the "**State Aid Depository Fund**") held with the Depository. Provided the City and the SCSD have made an appropriation for the payment of Installment Purchase Payments under the Installment Sale Agreement, amounts in the State Aid Depository Fund will be transferred periodically to the Trustee for deposit in the Bond Fund established under the Indenture (and to each equivalent fund under each other Series Indenture), on a Ratable Basis, toward the payment of the Series 2017 Bonds and other series of Project Bonds outstanding under each other Series Indenture, and any balance remaining will be transferred to the SCSD. Amounts in the State Aid Depository Fund will be transferred by the Depository to the Bond Fund periodically on a Ratable Basis from each December 1 until each March 31 of each Fiscal Year (the "**Collection Period**") and will be credited against the obligation of the SCSD and the City to pay annual Installment Purchase Payments under the Installment Sale Agreement due on April 1 of each year. Although the State Aid Depository Agreement requires an immediate transfer of State Aid to Education from the State Aid Depository Fund to the Bond Fund during the Collection Period, amounts held in the State Aid Depository Fund are not subject to the lien of the Indenture and are not pledged as security for the payment of the Series 2017 Bonds until such amounts have been transferred by the Depository to the Trustee and deposited in the Bond Fund under the Indenture.

Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payment Date under the Installment Sale Agreement, said agreement provides that if the SCSD fails to appropriate by November 1, 2017 (or by any subsequent November 1 that the Series 2017 Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on

deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment Date and Base Installment Purchase Payment Date shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment and Base Installment Purchase Payments due on such November 15 are not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the Indenture.

The State Legislature adopted the currently effective State budget on March 31, 2016. The budget included an increase of \$991 million in State aid for school districts over the 2015-16 budget, \$863 million of which consisted of traditional operating aid. In addition to the \$408 million of expense based aid, the Governor's budget included a \$266 million increase in Foundation Aid and a \$189 million restoration to the Gap Elimination Adjustment. The majority of the remaining increase included \$100 million in Community Schools Aid, a newly adopted aid category, to support school districts that wish to create community schools. The funds may only be used for certain purposes such as providing health, mental health and nutritional services to students and their families. The amount of total State Aid to Education projected to be received by the SCSD in its current fiscal year (ending June 30, 2017) is \$321.5, which is an increase of \$26.6 million, or 9.0%, compared to the amount budgeted for the 2015-16 fiscal year.

The Governor's proposed 2017-18 Budget, released on January 17, 2017, includes an increase of \$961 million in State aid for school districts over the 2016-17 budget, including \$428 million increase in Foundation Aid. The majority of the remaining increase included \$178 million in Building Aid, \$96 million increase in Transportation Aid and \$50 million in Community Schools Aid to support school districts that wish to create community schools. The amount of total State Aid to Education projected to be received by the SCSD in the fiscal year (ending June 30, 2018) is \$336 million, which is an increase of \$8 million, or 2.4%, compared to the amount budgeted for the 2016-17 fiscal year.

Pursuant to the Indenture and the Pledge and Assignment, the Issuer has also pledged and assigned to the Trustee for the benefit of the holders of the Series 2017 Bonds, substantially all of its right, title and interest in and to State Aid to Education and the funds, monies or securities held under the Indenture (other than amounts set aside and transferred to the Rebate Fund), including amounts held in the Bond Fund.

The Series 2017 Bonds are subject to optional redemption in accordance with the provisions of the Indenture. See "THE SERIES 2017 BONDS - Redemption of the Series 2017 Bonds."

THE SERIES 2017 BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM STATE AID TO EDUCATION PAYABLE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT AND THE PLEDGE OF CERTAIN FUNDS INCLUDING THE BOND FUND UNDER THE INDENTURE. THE OBLIGATION OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IS NOT A GENERAL OBLIGATION OF THE SCSD OR THE CITY AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWERS OF THE CITY IS PLEDGED TO THE PAYMENT OF INSTALLMENT PURCHASE PAYMENTS UNDER THE INSTALLMENT SALE AGREEMENT. THE OBLIGATIONS OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IN ANY FISCAL YEAR OF THE SCSD OR THE CITY CONSTITUTE A CURRENT EXPENSE OF THE SCSD FOR SUCH FISCAL YEAR AND SHALL NOT CONSTITUTE AN INDEBTEDNESS OR MORAL OBLIGATION OF THE SCSD, THE CITY OR THE STATE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR OTHER LAWS OF THE STATE. THE ONLY SOURCE OF MONEYS AVAILABLE FOR THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2017 BONDS IS INSTALLMENT PURCHASE PAYMENTS MADE BY THE SCSD OR THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO THE EXTENT OF STATE AID TO EDUCATION APPROPRIATED BY THE STATE AND AVAILABLE TO THE SCSD AND/OR THE CITY AND APPROPRIATED BY THE CITY AND THE SCSD TO MAKE SUCH PAYMENTS, AND THE INTERCEPT BY THE STATE COMPTROLLER OF ANY STATE AND/OR SCHOOL AID PAYABLE TO THE CITY OR THE SCSD TO THE EXTENT OF ANY INSTALLMENT PURCHASE PAYMENT DEFICIENCY.

## **THE PROGRAM**

### **Authorization**

The Program has been developed by the JSCB, pursuant to the Syracuse Schools Act and the April 1, 2004 intermunicipal agreement between the City and the SCSD, and encompasses a multi-phase

comprehensive redevelopment program for the reconstruction of existing public schools for the SCSD. There have been no new public schools built in the City during the past 30 years, and prior to Phase I of the Program many elementary and secondary schools in the City were in extremely poor physical condition. The Syracuse Schools Act was enacted to encourage the City and the SCSD to cooperatively undertake new and innovative ways of renovating, rehabilitating and financing existing public schools within the City. The Syracuse Schools Act authorized Phase I of the Program for various schools at a cost not to exceed \$225,000,000. The JSCB has made the determination that a finance plan consisting of approximately \$145,000,000 of project funds for Phase I is sufficient for the projects to be undertaken in such Phase I. Legislation authorizing Phase II of the Program at a cost not to exceed \$300 million was enacted on October 25, 2013. Legislation was subsequently enacted on March 17, 2014 specifying 15 buildings to be included in Phase II.

Phase I included extensive renovations to four SCSD school buildings (Central Tech, Fowler, HW Smith and Dr. Weeks), and minor renovations at two other SCSD buildings (Clary and Bellevue Academy at Shea). The JSCB is presently in the process of closing out Phase I projects. For Phase II projects, renovations are being designed for the first seven buildings: Bellevue Elementary, Ed Smith K-8, Fowler High, Frazer K-8, Grant Middle, Huntington K-8, and Westside Academy at Blodgett, which are commonly referred to as the Phase II Tranche 1 projects. The JSCB anticipates addition tranches of Phase II projects.

### **Program Overview**

The JSCB, with the assistance of the Program Manager, is in the process of closing out Phase I of the Program for various schools identified herein and as authorized by the Syracuse Schools Act. Phase II of the Program is presently in process. It is anticipated that ongoing costs of subsequent phases of the Program will be funded by the issuance of one or more series of Project Bonds under separate Series Indentures. The total cost to complete all Phases of the Program (I-IV) is currently estimated to be approximately \$926 million. Phases III and IV will be subject to future authorization by the State Legislature.

The public school facilities of the SCSD have not been updated or improved in a number of years. While in generally sound structural condition, many of the school buildings are currently inadequate to meet current instructional requirements for delivering a 21st century education.

It is the expectation of the City and the SCSD that through the payment of a portion of State Aid to Education constituting building aid ("**State Building Aid**"), the State will reimburse a substantial portion of the cost to reconstruct existing schools, including costs associated with the Series 2011 Project. For information regarding projection assumptions see "PROGRAM PARTICIPANTS - SCSD Financial Plan."

### **The Series 2008 Project**

A portion of the Series 2008A Bonds financed the following: (i) rehabilitation of, and the acquisition of equipment and furnishings for, Central Technical High School (the "**Central Tech Project**") and (ii) preparation of designs and specifications (the "**Design Phase**") for reconstruction and rehabilitation of Blodgett School, Shea Middle School, Dr. Weeks Elementary, Clary Middle School, Fowler High School and H.W. Smith Elementary School (the Central Tech Project and the Design Phase, are herein collectively referred to as the "**Original Series 2008 Project**"). On July 6, 2009, the Issuer amended the purposes to be financed with the proceed of the Series 2008A Bonds to include the acquisition, construction, and installation of various improvements to the Dr. Weeks Elementary School, Clary Middle School, Shea Middle School, H.W. Smith Elementary School and Fowler High School (the

*“Amended Series 2008 Project”* and together with the Original Series 2008 Project, the *“Series 2008 Project”*).

### **The Series 2010 Project**

A portion of the Series 2010 Bonds financed the general reconstruction of various school facilities, including site work, exterior and interior building improvements and additions, and mechanical and electrical upgrades.

### **The Series 2011 Project**

The Series 2011 Project, shall include the completion of the 2011 Dr. Weeks Project, the 2011 H.W. Smith Project and the 2011 Fowler Project (collectively the “Series 2011 Project”). The construction start date for the Phase I of the Project was July 2009, and the construction completion date was December 2013. The total estimated cost of Phase I is approximately \$150,000,000. All contracts are closed with the exception of one construction contract, one architect contract and the program manager contract.

### **Phase II of the Program**

Phase II is currently at the Design Development stage for the first seven projects. It is anticipated that permanent financing and construction will begin in the first quarter of 2018 with a projected completion date of the fourth quarter of 2019. The total estimated project cost is \$135,200,000.

It is anticipated that construction will begin for the second set of projects in the fourth quarter of 2018 with a projected completion date in the second quarter of 2021. The total estimated project cost is \$156,300,000.

## **PROGRAM PARTICIPANTS**

### **The City**

The City is a municipal corporation and the fifth largest city in the State. The City encompasses a land area of 26 square miles in the north central portion of the State near Lake Ontario. According to 2015 interim data released by the U.S. Census Bureau, the City’s population is 144,564 (a decline of 606 persons since the 2010 census).

The City, which was incorporated in 1848, operates under a Charter adopted in 1960 (the “Charter”). In accordance with its Charter, the City has a strong Mayor-Council form of government. The Mayor, as chief executive officer, is the head of the Executive Department and oversees all administrative functions. The Common Council performs all legislative duties.

The City is responsible for and provides the following general municipal services: police, fire, sanitation, street maintenance, parks and recreation, and property assessment. Air transportation is available at the Hancock International Airport which is owned by the City and operated by the Syracuse Regional Airport Authority. The City operates a water system and is responsible for sewage collection. The County of Onondaga (the “County”) provides sewage treatment. The City supports the cost of primary and secondary education expenditures, however, the SCSD is governed by an independently elected Board of Education whose members oversee the administration of the City’s school system.

The Mayor is elected at a general election to serve a four-year term and may succeed himself / herself for one additional term. The current Mayor was elected in November 2009, reelected in November 2013, and began her second four-year term on January 1, 2014. According to the City Charter, the Mayor is the chief executive officer of the City and appoints all department heads (except the City Auditor, who is elected) to serve at her pleasure. The Mayor is responsible for the day-to-day operations of the City government. The Common Council may override a mayoral veto subject to the terms and conditions specified in the Charter.

The Common Council is the legislative body of the City and consists of a Council President, four members elected at-large to serve four-year terms and five district members elected to serve two-year terms. It is the responsibility of the Common Council to approve all legislation, including ordinances and local laws, adopt and modify as required the City's operating and capital budgets, levy real property taxes and authorize the issuance of all indebtedness.

### **The SCSD and Board of Education**

The SCSD is governed by an independently elected seven-member Board of Education. Members are elected at-large to serve four-year terms; there is no restriction as to the number of terms that may be served. The Board of Education is responsible for managing the school system in accordance with the provisions of the State Education Law. A Superintendent of Schools is appointed by the Board of Education to administer policy and supervise the day-to-day activities of the SCSD. The SCSD prepares its own financial statements, which are audited separately from the financial statements of the City (the City and the SCSD utilize the same independent auditors). However, the City includes certain of the SCSD's statements in its financial statements.

The SCSD is primarily dependent upon the City for taxation and debt issuance. See "BONDHOLDER'S RISKS - Tax Levy Limitation Bill" herein. However, the SCSD receives significant portions of its operating budget from the State, the federal government and local sales tax collections. The Common Council of the City approves the budget of the SCSD but does not otherwise control the budget of the SCSD. According to the New York State Education Department ("NYSED") 2015-16 School Report Card of the SCSD, student enrollment for 2015-16 was 19,851 in grades k-12, which included ungraded elementary and ungraded secondary enrollments. In addition, for 2015-16 there were 1,381 students reported by the NYSED to be enrolled in the District's Pre-Kindergarten program. The SCSD operates 41 buildings, including 35 school buildings, and currently employs approximately 4,549 persons in full and part-time capacities, with 3,782 of these individuals represented through a collective bargaining unit. The following table sets forth certain statistics relating to the school system.

### **Charter Schools**

A charter school can be a public school and is financed through public, local, State, or federal funds but is independent of local school boards. The authority of the charter school to provide education is through a “charter,” a type of contract, between the charter school board of trustees and one of the chartering entities that has been approved and issued by the Board of Regents. School districts in the State are required to pay an amount to the charter school for each resident pupil so enrolled that is equal to the approved operating expense per pupil of the school district. The exact amount payable for each pupil equals the product of the approved operating expense per pupil and the full-time-equivalent enrollment of the students in the charter school.

There are currently two charter schools operating in the City and two new charters have been approved by the Board of Regents to open in the fall of 2017. Enrollments at these schools increased from 1,458 students in the 2014-15 school year to 1,478 in 2015-16, and then to 1,565 (projected) for the 2016-17 school year. In 2015-16, charter school funding was \$12,430 per student for regular education, \$6,458 for 20% special education, and \$11,840 per student for 60% special education. For 2016-17, charter school funding for regular education was held constant at \$12,430 per student, 20% and 60% special education increased to \$6,572 and \$12,048 per student, respectively. According to School District Officials, for the 2015-16 school year the School District spent a total of \$18,496,226 on charter school tuitions. The 2016-17 adopted budget of the School District includes \$20,078,540 for charter school tuitions.

### **SCSD Budget — Year Ending June 30, 2017**

The SCSD general fund budget for fiscal year ending June 30, 2017 which was submitted to the Mayor for inclusion in the Citywide budget, requested approval for total spending of \$417.9 million. Such budget was approved on May 9, 2016 by the Common Council at the City, which made certain line item changes and decreased the aggregate spending amount to \$407.1 million. The Mayor approved the SCSD 2016-17 budget on May 11, 2016.

The SCSD 2016-17 general fund budget provides for total appropriations for operations of \$407.1 million, including other financing sources. Estimated revenue and financing sources for the budget with applicable percentages are as follows: State Aid to Education of \$321.6 million (79.0%); the City provides \$58.6 million, derived from property tax collections (14.5%) and \$6.5 million from STAR (1.6%); federal aid of \$2.2 million (includes \$1.5 million Medicaid/Medicare reimbursements) (0.5%); sales tax collections of \$0.9 million (0.2%) and miscellaneous revenue of \$5.9 million (1.5%). The 2016-17 general fund budget of SCSD also includes an \$11.0 million appropriation of fund balance, 2.7% of total appropriations for the year.

The SCSD applies for, and historically has received, approval for a significant number of categorical State and federal grants. For 2015-16 the School District received \$71,738,556 in grants, while School District officials expect \$72,200,000 in such funds during 2016-17. These grants are accounted for in the SCSD's "Special Revenue Fund" and are not part of the SCSD's general fund budget. Of the \$71,738,556 in grants received in 2015-16, \$41,522,802 was from federal sources. School District officials expect that of the \$72,200,000 projected to be received during 2016-17, \$38,988,000 will be from federal sources. (see "BONDHOLDERS' RISKS – Executive Order on Sanctuary Cities")

## **SCSD Financial Plan.**

The following section relating to the SCSD's financial plan was provided by SCSD officials.

The SCSD maintains a 5-year financial plan for the General and Special Aid Funds. Such plan includes projections for the fiscal years 2015-16 through 2019-20.

General Fund revenue is projected to grow in each year of the forecast. Revenue is projected to increase by \$27.2 million (7.4%) in 2016-17 and \$19.6 million (5.0%) in 2017-18. Thereafter annual revenue growth is projected at \$12.4 million (3%) in fiscal year 2018-19, and \$5.2 million (1.2%) in fiscal year 2019-20. Real property tax revenues are projected to remain relatively flat through fiscal year 2019-20. See "Tax Levy Limitation," herein. State Aid to Education, which currently makes up 79% of estimated revenue for the SCSD's General Fund budget, is projected to increase 9% in fiscal year 2016-17. Thereafter, State Aid is projected increase 6.1% in 2017-18, 3.6% in 2018-19, and 1.5% in fiscal year 2019-20, based upon the SCSD's expectation that it will receive such aid. Based on the SCSD's assumptions, State Aid to Education would constitute approximately 83% of total general fund revenue by fiscal year 2019-20.

Funding for special aid programs is projected to be \$71.7 million in fiscal year 2015-16, decline to \$72.2 million in fiscal year 2016-17 and decline to \$69.3 million in 2017-18. Special aid revenue is projected to increase to \$70.7 in 2018-19 and \$72.1 in 2019-20.

The SCSD plans to closely manage contractual services and health care expenses in order control costs during the five years of the financial plan. Total full-time employment is anticipated to increase by 33 positions in fiscal year 2016-17, and remain constant for the remainder of the forecast. The SCSD financial plan projects that \$11 million in fund balance will be used to balance the budget in 2016-17. Assigned and unassigned fund balance as of June 30, 2016 was \$34.9 million, and is projected decline to \$23.9 million as of June 30, 2017 and remain constant for the remainder of the forecast.

Such statements should not be construed as statements of fact and actual results may differ materially from the projections of SCSD officials.

**2015-16 SCSD Budget Amendment.**

On May 6, 2015 the Common Council of the City of Syracuse approved the 2015-16 General Fund operating budget of the SCSD. The approved budget included a spending Limit of approximately \$392.7 million. On February 10, 2016, the Board of Education of the SCSD adopted a resolution requesting an amendment of the previously approved budget in the amount of \$3.5 million. The amendment correlated to purchase orders for the provision of goods and services during the 2014-15 fiscal year, which were not fully expended at the end of the year. As result, good and services continued to be received and paid on these purchase orders during the 2015-16 fiscal year. The amendment was requested to align the budgets and expenses of the 2014-15 and 2015-16 fiscal years.

**Employee Benefit Plans**

*General Information*

SCSD participates in the State and Local Employees' Retirement System ("ERS") and the State Teachers' Retirement System ("TRS"). Obligations of employers and employees to contribute and benefits to employees are governed by the New York State Retirement and Social Security Law ("NYSRSSL"). The systems offer a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability benefits and optional methods

of benefit payments. All benefits generally vest after five years of credited service and are based on the projected unit credit method of valuation (see discussion of recently implemented Tier V, which increases vesting period to 10 years).

NYSRSSL provides that participating employers in each system are jointly and severally liable for any actuarial unfounded amounts. Such amounts are collected through annual billings to all participating employers (See below). Generally, all employees, except certain part-time employees, participate in the systems. ERS and TRS are generally noncontributory systems except that members with less than 10 years of credited service must contribute 3% of their salary for retirement benefits (However, see below for information on the recently implemented Tier V for new TRS and ERS members).

### **Retirement System Billing Procedures**

#### *TRS*

TRS contributions are paid as a reduction in State Aid to Education payments due September 15, October 15 and November 15 of the succeeding fiscal year. Any deficiency or excess in TRS contributions are settled on a current basis in the month of January.

#### *ERS*

The City's contributions to ERS historically were due on or before December 15 of each year, however legislation changed the date to February 1, effective February 2005 (see below). Such contributions are based on salary estimates for the fiscal year ending on March 31 of the next calendar year.

### **Pension Reform**

The State enacted pension reform legislation in 2003 and 2004, which changed the methods for determining contributions to ERS by participating member employers such as the SCSD and enacted certain other changes described herein.

Chapter 49 of the Laws of 2003 established minimum annual contributions to ERS and modified the billing cycles to better match the budget cycles of participating members. The valuation date for ERS was changed from April 1 in the year of contribution to April 1 of the second calendar year preceding the contribution due date. Employers now have better information for budgeting retirement costs as a result of the change in the valuation date. The legislation provided that minimum retirement contributions will be made by employers each year including for those years in which favorable investment returns would permit lower contributions.

Chapter 260 of the Laws of 2004 changed the due date for ERS contributions from December 15 to February 1, effective for contributions scheduled for payment on December 15, 2004 and thereafter. The period for amortizing excess contributions was increased from five years to ten years. ERS contributions were amortized through the State at market rates of interest determined by the State Comptroller. Alternatively, employers were authorized to issue taxable bonds to finance their eligible excess contributions. ERS members were authorized to amortize contributions due in 2006 and 2007 if such contributions exceed 9.5% and 10.5% of payroll, respectively. SCSD officials have indicated that all ERS contributions which were eligible for amortization were paid in full.

On December 10, 2009, then Governor Paterson signed into law a new Tier 5. The law is effective for new ERS and TRS employees hired after January 1, 2010. New ERS employees will now contribute 3% of their salaries and new TRS employees will contribute 3.5% of their salaries. There is no provision for these contributions to cease after a certain period of service.

For State Fiscal Year 2016-17, the average contribution rates will decrease for the third year in a row. ERS will decrease by 2.7% of payroll, from 18.2% to 15.5% and the average contribution rate for PFRS will decrease by .3% of payroll from 24.7% to 24.3%. Projections of required contributions will vary by employer depending on factors such as retirement plans, salaries and the distribution of their employees among the six retirement tiers. The employer contribution rates announced will apply to each employer's salary base during the period of April 1, 2016 through March 31, 2017.

### **Retirement Contributions**

The SCSD adopted GASB Statement No. 68, Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27. Statement No. 68 establishes accounting and financial reporting requirements related to pensions for governments whose employees are provided with pensions through pension plans that are covered by the scope of Statement No. 68, as well as for non-employer governments that have a legal obligation to contribute to those plans. This statement required the addition of several lines to the SCSD government-wide financial statements and a cumulative change in accounting principle adjustment to net position as shown on page 20 of the audited financial statements for the fiscal year ended June 30, 2016.

The SCSD also adopted GASB Statement No. 71, Pension Transitions for Contributions Made Subsequent to the Transition Date – an amendment of GASB Statement No. 68. The objective of this Statement is to address an issue regarding application of the transition provisions of Statement No. 68, Accounting and Financial Reporting for Pensions. The issue relates to amounts associated with contributions, if any, made by a state or local government employer or non-employer contributing entity to a defined benefit pension plan after the measurement date of the government's beginning net pension liability. This Statement required accounting for the impact of the payment the SCSD made to the New York State Retirement Systems during the fiscal year on the SCSD's portion of net pension asset from TRS.

Deferred outflows of \$44.8 million and deferred inflows of \$40.5 million, an increase of \$13.4 million and a decrease of \$41.9 million, respectively from the prior year, were also recognized this year in accordance with GASB Statement No. 68 and 71 for the SCSD's share of the ERS and TRS pensions.

See "Notes to Financial Statements" in the SCSD's audited financial statements for the fiscal year ended June 30, 2016.

For the years ended June 30, 2012 through 2016 and the amounts budgeted for 2017, the SCSD's contributions to the SRS are as follows:

<b>Fiscal Year Ended June 30:</b>	<b>SCSD Contributions <sup>(1)</sup></b>	
	<b>ERS</b>	<b>TRS</b>
2012	\$6,989,809	\$15,543,706
2013	6,596,280	21,252,794
2014	6,769,452	19,671,858
2015	5,816,753	27,027,205

### **Accounting for Retirement Costs**

Effective for the fiscal year ended June 30, 2005, the City and the SCSD changed the method of accounting for retirement costs from a cash basis to an accrual basis.

In connection with the conversion to full accrual accounting for retirement benefits, the SCSD received a \$5 million special apportionment of State Aid to Education provided to mitigate the effects of this change. The SCSD repaid the special apportionment of State Aid to Education in September 2005 and no further aid apportionments were required to make the transition to accrual accounting for retirement expenses.

### **Postemployment Benefits**

In addition to providing pension benefits, the SCSD provides certain health care benefits to retired employees. The various collective bargaining agreements stipulate the employees covered and the percentage of contribution. Contributions by SCSD may vary according to length of service. Substantially all of the SCSD’s employees may become eligible for those benefits if they reach normal retirement age while working for SCSD. The cost of retiree health care benefits is recognized as an expenditure as claims are paid.

In June 2004, the Government Accounting Standards Board (“GASB”) has issued its Statement No. 45 entitled “Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions” (the “GASB 45 Statement”) which requires governmental employers to measure and disclose an amount for annual other postemployment benefits (“OPEB”) on an accrual basis of accounting. Under the proposed new standards, annual OPEB costs would be equal to the employer’s required annual contribution (“ARC”), with certain adjustments for past under-or over OPEB contributions. The ARC is defined as the required contribution including normal costs and charges for unfunded actuarial liabilities, which may be amortized over a period not to exceed thirty years. The GASB 45 Statement first applied to the SCSD for the fiscal year ended June 30, 2008.

#### *Actuarial Valuation Report*

The SCSD separately engaged an actuarial firm to value the other postemployment benefits with respect to their employees. Such valuation was completed and the actuary’s report issued. The report

was prepared as of July 1, 2015 and forms the basis of the information required by GASB 45 to be reported in the SCSD's entity wide statements for the year ended June 30, 2016. Pursuant to the valuation, the SCSD's accrued actuarial liability ("AAL") is approximately \$552,793,454 and there were no plan assets. The covered payroll (annual payroll of active employees covered by the plan) was \$226,894,926 and the ratio of the liability to the covered payroll was 243.54%. The SCSD's ARC for 2016 was \$49,031,149. The annual OPEB cost for fiscal 2016, which includes the ARC, interest on net OPEB obligations (\$17,776,509) and an adjustment to the ARC (minus \$25,700,432), was \$41,107,226. After deducting contributions made of \$23,433,674, the net increase in the SCSD net OPEB obligation for the year was \$17,673,552. See "Notes to Financial Statements- Note 8" (page 49) in the audited financial statements of the SCSD for the fiscal year ended June 30, 2016.

In the most recent actuarial valuation the projected unit credit cost method was used. The actuarial assumptions included a 4.00% investment rate of return, which is based on the portfolio of the SCSD's general assets used to pay these benefits and an annual health care cost trend rate of 7.50% initially, decreasing to 3.89% after sixty years for Pre-65 individuals and 6.00% initially, decreasing to 3.89% for Post-65 individuals after sixty years. The prescription cost trend begins at 10.50% initially and decreases to 3.89% after sixty years. The Medicare Part B cost trend begins at 6.00% initially and decreases to 3.89% after sixty years. Both rates include a 2.25% inflation assumption. The UAAL is being amortized based on a level percentage of projected payroll on an open basis. The remaining amortization period as of June 30, 2016 was 30 years.

The funding status of the SCSD's retiree medical program is as follows:

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Unit Credit (b)	Unfunded AAL (UAAL) (b-a)	Funded Ratio (a/b)
07-01-15	\$ -0-	\$552.8 M	\$552.8 M	0.0%

See "Schedule Of Funding Progress For Postemployment Benefits For The Year Ended June 30, 2016" (page 53) in the audited financial statements of the SCSD for the fiscal year ended June 30, 2016.

### The JSCB

The JSCB has been authorized by the Syracuse Schools Act, in conjunction with the Issuer, to assist in the reconstruction, equipping and furnishing of public schools in the City which is commonly referred to as the planned comprehensive SCSD wide reconstruction program. The JSCB is presently in the process of completing Phase I of this program and undertaking Phase II. Phases III-IV of the reconstruction program are contingent upon State authorization. (See "The Program" herein)

The JSCB is comprised of seven (7) Board Members, consisting of: the Mayor, the Superintendent of the SCSD, three (3) additional members appointed by the Mayor, and two (2) additional members appointed by the Superintendent of the SCSD.

## **New York State Education Department**

The management, regulation and funding of the SCSD is subject to the review of the New York State Education Department (the "SED"). The SED has also determined State Building Aid reimbursement for improvements to school facilities undertaken in accordance with the Program. The SED is the administrative agency of the Board of Regents (the "Board of Regents") of the University of the State of New York (the "University"). The Board of Regents was established by an act of the State Legislature in 1784 and is vested with constitutional responsibility for determining and formulating State educational policy. The University, over which the Board of Regents presides, is a corporation authorized to charter, review and regulate educational institutions and activities within the State. The University encompasses all State educational programs, from kindergarten through graduate and professional schools and includes libraries, museums and other related cultural and educational institutions as may be admitted to the University or incorporated by the Regents. It consists of almost 6,000 elementary and secondary public and private schools and 250 independent and public colleges and universities.

### **The Program Manager**

Pursuant to the provisions of the Syracuse Schools Act, the Program Manager was selected by the JSCB to implement the Program under the supervision of the City Engineer. Pursuant to the Program Manager Agreement, the Program Manager is obligated and is required to provide construction consulting and oversight services for the JSCB with respect to all stages of predevelopment, development and reconstruction with regard to Phase I of the Program. Specifically, the Program Manager has the duty to manage and oversee all aspects of all projects undertaken pursuant to the Syracuse Schools Act, to wit: (1) develop and implement procedures for projects undertaken and contracted for by the JSCB; (2) review plans and specifications for such projects; (3) develop project budgets and assist the JSCB; (4) create a training program to ensure a supply of skilled labor for the Program; (5) execute and manage a project labor agreement if required by the JSCB; and (6) provide construction management services for the Program. The Program Manager will present all contract or payment requests to the City Engineer for preliminary review and approval. The City Engineer will then, after being satisfied that all contract conditions have been met, forward each requisition with respect to the Program to the JSCB for approval in summary form.

### **State Aid to Education**

#### *General*

The SCSD receives substantial financial assistance from the State. For the 2016-17 fiscal year, the SCSD's general fund budget includes approximately 79.0% of its estimated revenues in the form of State Aid to Education, including other financing sources. State Aid to Education for public schools comes primarily from the State's general fund wherein the major revenue source is the State income and sales taxes. The balance of State Aid to Education for public schools comes from a special revenue fund account supported by lottery receipts.

The following table sets forth the total amount of State Aid to Education received by the SCSD for fiscal years ended June 30, 2006 through 2016 and the amount included in the budget for the 2016-17 fiscal year:

State Aid to Education  
For Fiscal Years June 30:

(1) Excludes School Tax Relief ("STAR") aid.

The aggregate of estimated maximum annual Installment Purchase Payments with respect to all Project Bonds outstanding and the Series 2017 Bonds (after giving effect to the refunding of the 2008 Refunded Bonds) is \$ \_\_\_\_\_.

The amount of State Aid to Education estimated to be received by the SCSD in its current fiscal year (ending June 30, 2017) is \$321.5 million and has averaged approximately \$281.3 million over the five fiscal years ended June 30, 2016.

No assurance can be given that the amount of State Aid to Education will continue or be available in these amounts in future fiscal years. (See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment" and "APPENDIX A — Certain Financial Information and Audited Financial Statements of the Board of Education of the City School District of the City of Syracuse.")

Beginning with the 2007-08 fiscal year, the majority of State Aid to Education received by the SCSD has been "Foundation Aid." Foundation Aid was established by the 2007-08 State budget and combined four categorical aid grants with certain other formula aids. Formula aids consist of State Aid to Education determined in accordance with an application submitted to SED, which incorporates required data concerning district enrollment, attendance and approved expenditures. As a result of poor economic conditions then affecting the State, no increase in Foundation Aid was received by the SCSD in fiscal years 2009-10, 2010-11, or 2011-12. The SCSD received its first increase in Foundation Aid since 2008--09 with the adoption of the 2012-13 New York State Budget and has since received increases each year. Foundation Aid may decline in the future and no assurance can be given that Foundation Aid will continue at its current level. In addition, no assurance can be given that other categories of State Aid to Education will continue at current levels or will increase in the future. See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment."

The receipt of Foundation Aid is dependent upon, among others, satisfaction of certain monitoring and expenditure requirements. In addition, within Foundation Aid there are stipulations that the SCSD must use a formula-based amount on new programs, or expansion of existing programs, to

improve student achievement, as outlined in the Contract for Excellence ("CFE"). For fiscal years 2015-16 and 2016-17, the total CFE set-aside is expected to be \$12.7 million for each fiscal year. In addition to the CFE set aside, the SCSD 2016-17 budget includes a new component of Foundation Aid which includes a \$10.2 million set aside for community schools. Such set aside contains spending requirements and restrictions similar to the Contract for Excellence.

Another State Aid to Education category, Charter School Transitional Aid, was established in the 2007-08 State Budget to help provide relief from the financial drain caused by the significant number of charter school students in certain school districts, including the SCSD. This aid continues on a rolling basis so long as charter school enrollment continues to increase. The following table indicated the amount of Charter School Transition received by the District in each of the fiscal years ended June 30, 2012 through 2016, and as budgeted for 2017.

<u>Fiscal Year:</u>	<u>Charter School Transitional Aid:</u>
2012	\$1,708,376
2013	2,488,598
2014	2,238,068
2015	1,453,074
2016	2,152,172
2017 (Budget)	1,543,742

In addition to Charter School Transition Aid, beginning with the fiscal year 2015-16, the State established another aid category called Charter School Supplemental Tuition Reimbursement, which reimburses the SCSD for any amounts in base tuition paid in the prior year that exceed the 2010-11 base tuition of \$11,930 per pupil. The SCSD received Charter School Supplemental Tuition Reimbursement in the amount of \$0.4 million in fiscal year 2015-16 or \$256 per charter school pupil. In 2016-17 this aid is budgeted to be \$0.5 million or \$350 per charter school pupil.

The SCSD receives State Aid to Education in multiple installments throughout its fiscal year based on a formula established by SED. Cash distributions of this aid are net of the SCSD's required contributions to TRS, which are generally withheld for distributions in the months of September, October and November.

The 2016-17 Enacted State Budget included a provision linking the payment of additional State Aid to compliance with a modified teacher evaluation process which provides that school districts will not be eligible for aid unless they have negotiated the optional components of evaluations with their local unions and obtained State approval by December 1, 2016. The SCSD is conducting ongoing negotiations with its local unions in order to comply with the modified teacher evaluation process.

Payment of State Aid to the SCSD may be withheld due to the failure of the City or the Board of Education to comply with various requirements of State law or the regulations of the Commissioner of Education relating to instructional programs, programs for the handicapped or other matters or the failure of the City to pay debt service on obligations issued for school purposes. In addition, the State may withhold aid if the SCSD fails to meet the deadline for submitting its independent audit report to the State Education Department. Pursuant to Section 2116-a of the Education Law, the SCSD must file such report no later than January 1<sup>st</sup>, however, the State has granted school districts a 30-day "grace period" before aid is withheld. The SCSD filed its report for fiscal year 2015-16 within such grace period. The City and the Board of Education believe that they are in material compliance with all other requirements and have made the necessary debt service appropriations.

As stated below under "State Aid Intercept," in the event the SCSD and the City fail to make an installment payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that upon receipt by the State Comptroller of a certificate from the Trustee on behalf of the Issuer stating the amount of such failed payment, the State Comptroller shall withhold any State and/or school aid from the SCSD and the City payable thereto to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The Syracuse Schools Act provides that (x) any amount of State and/or school aid paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD to receive, any additional amounts of State and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of State and/or school aid, and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain State and/or school aid at any particular level or amount. No assurance can be given that present State and/or school aid levels will be maintained in the future. State budgetary restrictions which eliminate or substantially reduce State and/or school aid could have a material adverse effect upon the SCSD, requiring either a counterbalancing increase in revenues from other sources to the extent available, or a curtailment of expenditures. If in any year the State fails to adopt its budget in a timely manner, municipalities and school districts in the State, including the City and the SCSD, may be adversely affected by a delay in the payment of State and/or school aid.

#### *State Building Aid*

A portion of State Aid received each year by the SCSD constitutes State Building Aid. State Building Aid is available for certain approved capital improvements to school buildings housing elementary and/or secondary students, and for school bus garages. A project is not eligible for aid unless the construction costs of the project are equal to or exceed \$10,000, excluding incidental costs. Consistent with Section 3602, subdivision 6 of the Education Law, construction may include the construction of new buildings or additions, alterations and the reconstruction of existing facilities.

The purpose of State Building Aid is to assure that each school district provides for suitable and adequate facilities to accommodate its students and programs. To this end, new facilities, new buildings, additions, major alterations must meet specific standards pertaining to the type, size and number of teaching stations, as well as building code requirements. Existing facilities must meet health and safety regulations, and reconstruction of existing facilities must meet building code requirements.

The Commissioner of Education must approve plans and specifications for the capital construction projects undertaken by the SCSD. This charge is administered by the Office of Facilities Planning pursuant to Section 408 of the Education Law and Part 155.2 of the Regulations of the Commissioner of Education.

Eligibility for new construction is determined through an assessment of information contained in the SCDC's long-range plan, and includes educational need, a comparison of pupil enrollment projections, and the rated pupil capacity of existing buildings. In the case of school buildings, State Building Aid is a function of the pupil capacity assigned to the capital construction project.

The SCSD received a building aid ratio of 98% from the State on eligible expenses for Phase I projects. State Building Aid fluctuates from year to year based on a number of factors, including the ratio of the City's wealth to the State's average wealth. Currently, SCSD State Building Aid is at 98% for new projects, which SCSD officials anticipate will be the building aid ratio for eligible Phase II projects.

**The State is not obligated to continue to make State Building Aid payments. No assurance can be given that State Building Aid will continue to be received by the SCSD or the City or, if received, will be in amounts comparable to the amounts of State Building Aid received by the SCSD or the City in the past. State budgetary restrictions could eliminate or substantially reduce State Building Aid in the future. See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment."**

Pursuant to Chapter 383 of the Laws of 2001 ("Chapter 383"), certain provisions of the Education Law have been amended to impose an "assumed amortization schedule" on certain debt incurred by the City for school construction purposes and to thereby revise the manner in which State Building Aid is to be paid to the SCSD with respect to school debt in fiscal years commencing July 1, 2002. Chapter 383 requires that the State Education Department reset the interest rate used to calculate the "assumed amortization schedule" at least once every 10 years. The State's 2016-17 Enacted Budget provides for the reset to be postponed until the States' 2017-18 Fiscal Year. The SCSD anticipates that it will apply for a waiver from the interest rate reset for the 2017-18 fiscal year.

Subject to certain limited exceptions, assumed amortization for capital construction projects approved by the Commissioner of SED on and after July 1, 2011, will begin the later of 18 months after SED approval or when the final cost report and certificate of substantial completion have been received by SED.

### **New York State Budget Process**

*The following discussion is included because all payments under the Installment Sale Agreement will be derived from State Aid to Education, which State Aid to Education is subject to annual appropriation by the State Legislature.*

The State's budget process is based on an executive budget system under which the Governor is required by the State Constitution to seek and coordinate requests from agencies of the State government, develop a "complete" plan of proposed expenditures and the revenues available to support them (a "balanced budget"), and submit a budget to the State Legislature along with the appropriation bills and other legislation required to carry out budgetary recommendations. The Governor is also required by the State Finance Law to manage the budget through administrative actions during the fiscal year.

The State's fiscal year begins April 1 and ends on March 31. However, the actual "budget cycle," representing the time between early budget preparation and last-minute disbursements, begins some nine months earlier and lasts approximately 27 months, until the expiration of the State Comptroller's authority to honor vouchers against the previous fiscal year's appropriations.

#### *Agency Budget Preparation (June–September/October)*

The formal budget cycle begins when the Budget Director (the "Budget Director") of the Division of the Budget of the State (the "Division of the Budget") issues a policy memorandum — the "call letter" — to agency heads. The call letter outlines, in general terms, the Governor's priorities for the coming year, alerts the Issuer heads to expected fiscal constraints and informs agencies of the schedule for submitting requests to the Division of the Budget.

#### *Division of the Budget Review (September/October–December)*

Agencies typically submit their budget requests to the Division of the Budget in September or October, with copies provided to the legislative fiscal committees. Examination units within the Division

then analyze the requests of agencies for which they have responsibility. In November, the Budget Director conducts a series of constitutionally authorized “formal” budget hearings, giving agency heads an opportunity to present and discuss their budget requests and giving the staff of the Division of the Budget and the Governor’s office an “on-the-record” opportunity to raise critical questions on programs, policies and priorities.

Through late November, the Division of the Budget’s examiners transform agency requests into preliminary budget and personnel recommendations which are reviewed in detail with the Budget Director. The staff also prepares the appropriation bills and any other legislation required to carry out these recommendations. By early December, the Division of the Budget will normally have completed its recommendations on both revenues and expenditures, and presented them to the Governor and the Governor’s staff. Budget staff then prepares the tables and the narrative that accompany each agency budget, and the descriptions and forecasts of individual revenue sources.

*The Governor’s Decisions (November–January)*

The Governor and staff, who are also preparing the annual message to the State Legislature (the “State-of-the-State” message which the Governor presents to the State Legislature when it convenes in January), are conversant with the budget throughout its development.

*Legislative Action (January–March)*

The Governor typically submits the Executive Budget to the Legislature in mid-January or following a gubernatorial election year, by February 1, along with the related appropriation, revenue and other budget bills concerning State operations, aid to localities, capital projects and debt service. The State’s Five-Year Capital and Financing Plan is also submitted with the Executive Budget. Within 10 days, the Division of the Budget provides the State Legislature with additional financial information supporting the Executive Budget. A three-year financial projection is submitted no later than 30 days following submission of the Executive Budget.

The Legislature, primarily through its fiscal committees - Senate Finance and Assembly Ways and Means - then analyzes the Executive spending proposals and revenue estimates, holding public hearings on major programs and seeking further information from the staffs of the Division of the Budget and other State agencies. Following that review, the State Legislature acts on the appropriation bill submitted with the Executive Budget to reflect its decisions.

The appropriation bills, except for those items which were added by the State Legislature and the appropriation for the State Legislature and Judiciary, become law without further action by the Governor. The Governor must approve or disapprove all or parts of the appropriation bills covering the State Legislature and Judiciary and may use the line item veto to disapprove items added by the State Legislature. As provided in the Constitution, the State Legislature may override the Governor’s veto by the vote of two-thirds of the members of each house. The passage of the appropriation bills provides a legal foundation for the disbursement of funds during the new fiscal year.

*Budget Execution (March)*

At this point the budget process enters a new phase-budget execution. As a first step, the Division of the Budget approves “certificates of allocation” informing the State Comptroller that accounts may be established as specified in the certificates and that vouchers drawn against the accounts may be honored.

In addition, the Division of the Budget keeps a close watch throughout the year on the flow of revenue and the pattern of expenditures against its projections. This information is reflected in quarterly updates of the Financial Plan which are provided to the State Legislature, as required by law, in April (or as soon as practicable after budget enactment), July, October and with the Executive Budget for the ensuing year.

#### *Possible Delays in Budget Enactment*

While the Enacted State Budgets were timely adopted, in the past, adoption of State budgets for the last five State fiscal years has been significantly delayed beyond the time frames outlined above. Any delay in adoption of the State budget could delay the payment of State Aid to Education to municipalities and school districts in the State, including the SCSD and the City, which could, in turn, adversely affect the ability of the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement. See “BONDHOLDERS’ RISKS — The State’s Financial Condition, Reduced State Aid, Delayed Payment.”

#### *Revenue Anticipation Notes*

The City issues revenue anticipation notes each year on behalf of the SCSD. Such notes are issued in anticipation of State Aid to Education estimated in the general fund budget of the SCSD. Proceeds of revenue anticipation notes may be used only for operating purposes and may be used to redeem or renew outstanding notes.

Pursuant to Section 25.00(g) of the Local Finance Law, generally, whenever the amount of revenue anticipation notes outstanding equals the amount of revenue remaining to be received, the City is required to set aside in a special bank account all of such moneys as received thereafter, and to use the amounts so set aside only for the purpose of paying such notes. Interest on the notes is provided from budget appropriations.

Revenue anticipation notes may be renewed from time to time, however, such renewals may not be extended beyond the close of the second fiscal year succeeding the fiscal year in which the notes were originally issued. In the event such revenue has not been fully received by the final maturity dates of the notes issued in anticipation thereof, the principal of and interest on the notes is required to be paid from other available City moneys. The faith and credit of the City are required to be pledged to the payment of principal of and interest on these notes.

The City issued \$68,439,000 revenue anticipation notes on behalf of the SCSD on October 6, 2016 in anticipation of State Aid to Education for the 2016-17 fiscal year. Such notes are payable on June 30, 2017. The SCSD anticipates another cash flow borrowing in the fall of 2017. Over the past five fiscal years, including 2016-17, the City has issued an average of \$57.7 million revenue anticipation notes each year for SCSD purposes.

The State Aid Depository Agreement provides that notwithstanding the provisions of the State Aid Depository Agreement providing for the flow of State Aid to Education to the Series Trustee and the Trustee, upon receipt of written instructions from the City together with an accompanying monthly payment schedule indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the repayment of the outstanding revenue anticipation notes issued by the City on behalf of the SCSD (the “RAN Repayment Requirement”), then each month the Depository shall immediately withdraw from the State Aid Depository Fund all State Aid to Education that is received and cause the amounts so withdrawn to be immediately paid, before any

further withdrawal or payment under the State Aid Depository Agreement, to the special bank account until the total amount of such withdrawals is equal to the principal amount of such RAN Repayment Requirement then outstanding. Notwithstanding the foregoing, in the event the SCSD or the City shall fail to pay an Installment Purchase Payment under the Installment Sale Agreement, the intercept provisions of the Syracuse Schools Act and the Indenture will operate to intercept any state and/or school aid payable to the City or the SCSD to the extent of such deficiency prior to the payment of such state and/or school aid to the SCSD or the City in accordance with the State Aid Depository Agreement. Accordingly, such state and/or school aid will be intercepted to pay Installment Purchase Payments under the Installment Sale Agreement prior to its application by the City to the payment of outstanding revenue anticipation notes of the City.

## PLAN OF FINANCING

The Series 2017 Bonds are being issued, and the proceeds used, for the purpose of: (i) refunding or paying at maturity all of the outstanding 2008 Refunded Bonds; and (ii) financing certain costs of issuance of the Series 2017 Bonds and paying the redemption costs of the Refunded Bonds.

The 2008 Refunded Bonds being refunded from the proceeds of the Series 2017 Bonds will mature, or be redeemed prior to maturity, in the respective principal amounts on the dates and at the prices as set forth below:

<sup>1</sup> CUSIP is a registered trademark of the American Bankers Association. CUSIP Global Services is managed on behalf of the American Bankers Association by S&P Global Market Intelligence. The CUSIP numbers listed above are being provided solely for the convenience of bondholders only at the time of issuance of such series of bonds and the Issuer and the Underwriter do not make any representation with respect to such numbers or undertake any responsibility for their accuracy now or at any time in the future. The CUSIP number for a specific maturity is subject to being changed after the issuance of such series of bonds as a result of various subsequent actions including, but not limited to, a refunding in whole or in part of such maturity or as a result of the procurement of secondary market portfolio insurance or other similar enhancement by investors that is applicable to all or a portion of certain maturities of such series of bonds.

\*\* Bonds paid at maturity.

The redemption or payment at maturity of all or a portion of the Refunded Bonds will achieve debt service savings for the SCSD. In order to accomplish the refunding of the Refunded Bonds, substantially all of the proceeds from the sale of the Series 2017 Bonds will be deposited into: (i) a separate special trust fund for the benefit of the Holders of the Refunded Bonds (the "**Escrow Fund**") created by a Refunding Escrow Trust Agreement (the "**Refunding Escrow Trust Agreement**"); to be entered into on the date of issuance of the Series 2017 Bonds among the Issuer, the SCSD and Manufacturers and Traders Trust Company, as Escrow Agent under each Refunding Escrow Trust Agreement.

The moneys deposited in the Escrow Fund will be held in cash and used to acquire Defeasance Obligations (as defined in the Series 2008 Indenture), the principal of and interest on which when due, together with the amount held in cash and uninvested, will provide moneys sufficient for the payment of the principal or Redemption Price of, as the case may be, and the interest accrued and to accrue when due on the Refunded Bonds.

The accuracy of the arithmetical computations of the adequacy of the amounts of maturing principal of and interest on the Defeasance Obligations, together with the amount held in cash and uninvested, to pay when due the principal and Redemption Price of, as the case may be, and interest on the Refunded Bonds will be verified by Causey Demgen & Moore, certified public accountants and consultants. In the opinion of Bond Counsel, and in reliance upon such verification of mathematical computations, upon making such deposit with the Escrow Agent pursuant to the Series 2008 Indenture, and upon the issuance of certain irrevocable instructions to the Escrow Agent, the Refunded Bonds, under the terms of the Series 2008 Indenture, will be deemed to have been paid, and the covenants, agreements, and other obligations of the Issuer to the holders of the Refunded Bonds will be discharged and satisfied, except as to those provisions under Sections 3.6 (Interchangeability, Transfer and Registry), 3.7 (Bonds Mutilated, Destroyed, Stolen or Lost), 3.9 (Requirements With Respect to Transfers) and 5.4 (State or School Aid Intercept) of the Series 2008 Indenture which provisions survive until the Refunded Bonds have been paid in full.

**THE SERIES 2017 BONDS**

**General**

The Series 2017 Bonds will be initially issued in book-entry-only form as a single authenticated fully registered certificate for each maturity of each series of the Series 2017 Bonds. See "THE SERIES 2017 BONDS—Registration and Payment—Book-Entry System."

The Series 2017 Bonds shall be dated, mature on the dates and in the principal amounts, and bear interest payable on the dates and at the annual rates, as set forth on the inside cover page hereto.

Interest on the Series 2017 Bonds shall be payable on each Interest Payment Date and shall be computed on the basis of a 360-day year of twelve 30-day months. Notwithstanding anything herein to the contrary, the interest rate borne by the Series 2017 Bonds shall not exceed the maximum permitted by, or enforceable under, applicable law.

The principal or Redemption Price of the Series 2017 Bonds shall be payable at the principal corporate trust office of the Trustee in Buffalo, New York or at the corporate trust office of any successor Paying Agent. Interest on the Series 2017 Bonds shall be payable to the Person whose name appears on the registration books of the Trustee as the registered owner thereof on the Record Date next preceding the Interest Payment Date: (1) by check or draft mailed on the Interest Payment Date to the registered owner; or (2) by wire or bank transfer on the Interest Payment Date to any owner of at least \$1,000,000 in original aggregate principal amount of the Series 2017 Bonds, upon written notice provided by the owner to the Trustee not later than five (5) days prior to the Record Date for such interest payment (which request will remain in effect until revoked); except that, if and to the extent there shall be a default in the payment of the interest due on any Interest Payment Date with respect to the Series 2017 Bonds, the defaulted interest shall be paid to the owners in whose names the Series 2017 Bonds are registered at the close of business on a special record date to be fixed by the Trustee, which date shall not be more than fifteen (15) nor less than ten (10) days next preceding the date of payment of the defaulted interest. Interest payments made by check or draft shall be mailed to each owner at his or her address as it appears on the registration books of the Trustee on the applicable Record Date or at such other address as he or she may have filed with the Trustee for that purpose and appearing on the registration books of the Trustee on the applicable Record Date. Wire transfer payments of interest shall be made at such wire transfer address as the owner shall specify in his or her notice requesting payment by wire transfer.

#### **Exchange of Series 2017 Bonds**

The holders of any Series 2017 Bonds may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2017 Bonds of any of the authorized denominations of the same maturity and maturities as the Series 2017 Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to: (i) transfer or exchange any Series 2017 Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2017 Bonds to be redeemed; or (ii) transfer or exchange any Series 2017 Bonds selected, called or being called for redemption in whole or in part.

#### **Transfer of Series 2017 Bonds**

Each of the Series 2017 Bonds is transferable, as provided in the Indenture, only upon the books of the Issuer kept for that purpose at the principal corporate trust office of the Trustee by the registered owner thereof in person, or by his duly authorized attorney-in-fact, upon surrender of such Series 2017 Bond (together with a written instrument of transfer in the form appearing on such Series 2017 Bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2017 Bond in the same aggregate principal amount and maturity shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Issuer, the SCSD, the City, the JSCB, the Bond Registrar, the Trustee and the Paying Agent may deem and treat the person in whose name a Series 2017 Bond is registered as the absolute owner thereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price thereof and interest due thereon and for all other purposes whatsoever.

## **Redemption of the Series 2017 Bonds**

### *Optional Redemption of the Series 2017 Bonds*

The Series 2017 Bonds maturing on or prior to May 1, 2027 are not subject to redemption prior to the maturity thereof.

The Series 2017 Bonds maturing on and after May 1, 2028 are subject to redemption, in whole or in part, at any time on or after May 1, 2027 (but if in part in integral multiples of \$5,000), at the option of the Issuer (which option shall be exercised upon the giving of notice by an Authorized Representative of the City of its intention to prepay Base Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2017 Bonds to be redeemed, together with interest accrued to the date of redemption.

### **Selection of Series 2017 Bonds to be Redeemed**

If the Series 2017 Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of the Series 2017 Bonds, the Issuer will cause notice of redemption to be given in accordance with the provisions of the Indenture. The selection of the book-entry interests within each Series 2017 Bond maturity to be redeemed will be done in accordance with the provisions of the Indenture and DTC procedures.

### **Redemption Procedures**

If any of the Series 2017 Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2017 Bond to be redeemed at the address for such owner shown on the registration books. All Series 2017 Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2017 Bonds called for redemption shall become due and payable on the redemption date, *provided, however*, that with respect to any general optional redemption as described above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Series 2017 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem the Series 2017 Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional or, if the conditions of a conditional notice of redemption shall have been satisfied, then upon presentation and surrender of Series 2017 Bonds so called for redemption at the place or places of payment, such Series 2017 Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2017 Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2017 Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise), to notify the Beneficial Owner of the Series 2017 Bond so affected shall not affect the validity of the redemption of such Series 2017 Bond.

## Registration and Payment — Book-Entry System

Beneficial ownership interests in the Series 2017 Bonds will be available in book-entry-only form, in the principal amount of \$5,000 or integral multiples thereof. Purchasers of beneficial ownership interests in the Series 2017 Bonds will not receive certificates representing their interests in the Series 2017 Bonds purchased.

DTC will act as securities depository for the Series 2017 Bonds. The Series 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One or more fully-registered Bond certificates will be issued and deposited with DTC for each principal amount of each series of Series 2017 Bonds maturing on a specified date and bearing interest at a specified interest rate, each in the aggregate principal amount of such quantity of Series 2017 Bonds.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Series 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2017 Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchases. Beneficial Owners are, however, expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017 Bonds are to be accomplished by entries made on the books of Direct or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive bond certificates representing their ownership interests in Series 2017 Bonds, except in the event that use of the book-entry system for the Series 2017 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2017 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2017 Bonds with DTC and their registration in the name of Cede & Co. or such other nominee effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017 Bonds are credited, which may or may not be the Beneficial Owners. The Direct or Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2017 Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Series 2017 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2017 Bonds. For example, Beneficial Owners of Series 2017 Bonds may wish to ascertain that the nominee holding the Series 2017 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices will be sent to DTC. If less than all of the Series 2017 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Series 2017 Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2017 Bonds, are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption, distributions, and interest payments on the Series 2017 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest and redemption proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference will only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they will be sent by the Trustee to DTC only.

The Issuer and the Trustee may treat DTC (or its nominee) as the sole and exclusive registered owner of the Series 2017 Bonds registered in its name for the purpose of payment of the principal of,

or interest on such Series 2017 Bonds, giving any notice permitted or required to be given to registered owners under the Indenture, registering the transfer of the Series 2017 Bonds, or other action to be taken by registered owners and for all other purposes whatsoever. The Issuer and the Trustee will not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Series 2017 Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Issuer (kept by the Trustee) as being a registered owner, with respect to: the accuracy of any records maintained by DTC or any Participant; the payment by DTC or any Participant of any amount in respect of the principal or interest on the Series 2017 Bonds; any notice which is permitted or required to be given to registered owners thereunder or under the conditions to transfers or exchanges provided in the Indenture; or other action taken by DTC as a registered owner. The Trustee will forward interest and principal payments to DTC, or its nominee. Disbursement of such payments to the Participants is the responsibility of DTC and disbursement of such payments to the Beneficial Owners is the responsibility of the Participants or the Indirect Participants.

SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF ALL OF THE SERIES 2017 BONDS, REFERENCES HEREIN TO THE OWNERS, HOLDERS OR BONDHOLDERS OF THE SERIES 2017 BONDS (OTHER THAN UNDER THE CAPTIONS "TAX MATTERS" AND "SECONDARY MARKET DISCLOSURE" HEREIN) WILL MEAN CEDE & CO. AND WILL NOT MEAN THE BENEFICIAL OWNERS.

For every transfer and exchange of beneficial ownership of the Series 2017 Bonds, a Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

DTC may discontinue providing its services as depository with respect to the Series 2017 Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2017 Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2017 Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Each person for whom a Participant acquires an interest in the Series 2017 Bonds, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications of DTC, which may affect such persons, to be forwarded in writing by such Participant and to have notification made of all interest payments. NONE OF THE ISSUER, THE UNDERWRITER, OR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2017 BONDS.

NEITHER THE ISSUER, THE SCSD NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE

TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2017 BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO HOLDERS OF THE SERIES 2017 BONDS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2017 BONDS.

## **SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS**

### **General**

The City and the SCSD will grant a license interest to the Series 2008 Facilities to the Issuer pursuant to the Third Amendatory License Agreement, to permit the Issuer to enter upon the Series 2008 Facilities for the purpose of completing the Series 2017 Project, and, pursuant to a bill of sale, will convey title to the equipment comprising the Series 2008 Facilities to the Issuer. The Issuer will sell its interest in the Series 2008 Facilities to the SCSD and the City pursuant to the Installment Sale Agreement and will appoint the JSCB as agent of the Issuer with respect to the Series 2017 Project. Pursuant to the Indenture, the Issuer has assigned to the Trustee substantially all of its right, title and interest in and to State Aid to Education and in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments thereunder with respect to the Series 2017 Bonds (other than in respect of the Issuer's Reserved Rights). Under the State Aid Depository Agreement, the City, the SCSD and the Depository have agreed to direct the State Comptroller to pay all State Aid to Education directly to the State Aid Depository Fund established and held under the State Aid Depository Agreement, all for the benefit on a Ratable Basis of the Series 2017 Bonds and each other series of Project Bonds outstanding, including the Series 2008A Bonds, the Series 2010 Bonds and the Series 2011 Bonds. In the event the SCSD or the City fails to make a payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that, upon receipt by the State Comptroller of a certificate from or on behalf of the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold any state and/or school aid from the SCSD and the City payable thereto to the extent of the amount so stated in each such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld.

### **The License Agreement**

Pursuant to a Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017, between the City and the SCSD, as licensors, and the Issuer, as licensee, the City and the SCSD will license to the Issuer the Series 2008 Facilities to the Issuer. The License Agreement will be entered into concurrently with the issuance of the Series 2017 Bonds and will have a term ending upon the later of the completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project.

### **The Installment Sale Agreement**

The Issuer will sell its interest in the Series 2008 Facilities to the SCSD and the City pursuant to the Installment Sale Agreement. The Installment Sale Agreement provides for the appointment of the JSCB as the agent of the Issuer to complete the Series 2017 Project, provides the SCSD with the right to use, occupy and operate the Series 2008 Facilities, obligates the SCSD to maintain and manage the Series 2008 Facilities, and obligates the SCSD and the City to pay all costs related to operation of the Series 2008 Facilities. Base Installment Purchase Payments due under the Installment Sale Agreement will equal principal and interest due on the Series 2017 Bonds. Installment Purchase Payments due under the Installment Sale Agreement will equal principal and interest due on the Series 2017 Bonds and are

payable on each April 1. Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payment Date under the Installment Sale Agreement, said agreement provides that if the SCSD fails to appropriate by November 1, 2017 (or by any subsequent November 1 that the Series 2017 Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment Date and Base Installment Purchase Payment Date shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment and Base Installment Purchase Payments due on such November 15 are not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the Indenture, as well as of the Series 2008 Indenture and the Series 2010 Indenture.

Except for funds, investments and other amounts held under the Indenture, the Issuer has pledged no other assets to the payment of the Series 2017 Bonds, and except for the intercept of any state and/or school aid payable to the City or the SCSD by the State Comptroller as herein described, it is anticipated that the Issuer's sole source of payment for the Series 2017 Bonds will be derived from Installment Purchase Payments made by the SCSD and the City under the Installment Sale Agreement. The obligation of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement are deemed executory only to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City, and budgeted by the SCSD and appropriated by the City and SCSD to the payment of Installment Purchase Payments under the Installment Sale Agreement. In the event State Aid to Education is not appropriated to the SCSD or the City, neither the SCSD nor the City will be obligated to pay any amounts due under the Installment Sale Agreement; *provided, however*, the failure of the SCSD or the City for any reason (including a failure by the SCSD to budget Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for such Installment Purchase Payments, a failure by the City or the SCSD to appropriate such payments, or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment under any Installment Sale Agreement is nevertheless deemed a failure to make a payment thereunder for purposes of such Installment Sale Agreement, the Syracuse Schools Act, and the state and/or school aid intercept implementing provisions of the Indenture. In the event State Aid to Education is appropriated by the State to the SCSD or the City and the SCSD and the City do not appropriate such State Aid to Education to make Installment Purchase Payments under the Installment Sale Agreement, the Trustee (as well as the Series Trustee) on behalf of the Issuer shall direct the State Comptroller to intercept state and/or school aid payable to the City or the SCSD for the payment of such Installment Purchase Payments. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS—State Aid Intercept." Subject to the foregoing limitation, the obligation of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement and to perform their obligations thereunder shall be absolute and unconditional, and such Installment Purchase Payments and other amounts shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Issuer, the Trustee, any purchaser of the Series 2017 Bonds, or any other person, and whether or not any or all of the Series 2008 Facilities are used or occupied by the City, the JSCB or the SCSD or are available for use or occupancy by the City, the JSCB or the SCSD.

In order to protect the priority of the rights of the Trustee to state and/or school aid under the Syracuse Schools Act, the SCSD and the City have covenanted and agreed in the Installment Sale

Agreement that they will not enter into any agreement, indenture or other instrument, including any Series Facilities Agreement in connection with a Series of Project Bonds under a Series Indenture, which will have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state aid and/or school aid under the Syracuse Schools Act than the pledge effected pursuant to the Indenture. The foregoing covenant shall not be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid to Education on a parity with the pledge effected by the Issuer under the Indenture or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture or that any payment dates under a Series Facilities Agreement be the same as provided for in the Installment Sale Agreement.

In order to provide for the obligation to make payments under the Installment Sale Agreement, the SCSD has agreed that: (i) the proposed expense budget for each ensuing fiscal year of the SCSD, commencing July 1, 2017, shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments due under the Installment Sale Agreement to come due in such next fiscal year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City thereof. The City agrees that it shall approve a budget for the SCSD containing such items of expenditure and appropriate sufficient funds at each ending fiscal year commencing with the fiscal year ending June 30, 2018 to make the Installment Purchase Payments and Additional Payments to come due in such next fiscal year, *provided, however*, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid to Education, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved and appropriated by the City. See “BONDHOLDERS’ RISKS — Appropriation of Installment Purchase Payments by the City and the SCSD” and “— Appropriation of and Possible Changes to State Aid.”

Upon the occurrence of an “Event of Nonappropriation” (i.e., the failure by the City or the SCSD to pay or cause to be paid, when due, the Installment Purchase Payments or Additional Payments to be paid under the Installment Sale Agreement, as a result of: (i) the failure by the SCSD to include in the annual SCSD budget submitted to the Mayor of the City line items for the Installment Purchase Payments or Additional Payments to be paid under the Installment Sale Agreement or to approve such payments after appropriation by the City therefor; (ii) the failure by the City to approve and appropriate the annual SCSD budget containing line items for the Installment Purchase Payments or Additional Payments to be paid under the Installment Sale Agreement and thereby appropriate funds for the payment thereof; or (iii) the failure by the SCSD to approve payment of Installment Purchase Payments or Additional Payments after appropriation by the City therefor) or an “event of default” under the Installment Sale Agreement, there is no acceleration of the obligation of the SCSD and the City to pay all future Installment Purchase Payments under the Installment Sale Agreement.

### **State Aid Intercept**

Statutory provisions currently exist or may hereafter be enacted which permit State aid and/or school aid otherwise payable to the SCSD or the City to be diverted or intercepted and applied in satisfaction of indebtedness or obligations issued or incurred for school purposes or otherwise. In addition, at the present time, other than as provided in the State Aid Depository Agreement with respect to Project Bonds, there is no stated priority for the various multiple state aid diversion and intercept claims. See “BONDHOLDERS’ RISKS—Competing Claims to State Aid.”

In the event the SCSD or the City fail to make an Installment Purchase Payment under the Installment Sale Agreement as a result of an Event of Nonappropriation or otherwise pursuant to the Indenture, the Issuer has appointed the Trustee as its agent and the Issuer (acting through the Trustee) shall, in accordance with the Syracuse Schools Act and the Indenture, certify such nonpayment to the State Comptroller. Such certification shall specify the amount by which such Installment Purchase Payment shall have been deficient. The Syracuse Schools Act and the Indenture provide that the State Comptroller shall, upon receipt of such certification, withhold from the SCSD and the City any state and/or school aid otherwise payable to the SCSD or the City to the extent of the amount so stated in such certification as not being made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld based upon the Trustee's Certification. Such amounts will be applied by the Trustee to the payment of Installment Purchase Payments under the Installment Sale Agreement in the priority set forth below under "The Indenture" herein. It is further provided in the Syracuse Schools Act that (x) any amount of state and/or school aid so paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD or the City to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

#### **The Indenture**

Pursuant to the Indenture, the Issuer has assigned to the Trustee substantially all of its right, title and interest in and to the State Aid to Education and the Installment Sale Agreement (excluding the Issuer's Reserved Rights), including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2017 Bonds as the same become due, all to be made by the SCSD or the City pursuant to the Installment Sale Agreement and the State Aid Depository Agreement, and all deemed executory only to the extent of State Aid to Education, as provided above under the subheading "The Installment Sale Agreement."

A portion of the Series 2017 Bond proceeds shall be deposited in the Series 2017 Project Account (the "***Series 2017 Project Account***") of the Project Fund held under the Indenture. The amounts in the Series 2017 Project Account in the Project Fund shall be subject to a security interest, lien and charge in favor of the Trustee, for the benefit of the Series 2017 Bondholders until disbursed as provided in the Indenture. The Trustee shall apply the amounts on deposit in the Series 2017 Project Account of the Project Fund to the payment, or reimbursement, to the extent the same have been paid by or on behalf of the SCSD, of Project Costs for the Series 2017 Project. Pursuant to the Indenture, the Trustee is authorized to disburse from the Project Fund the amount required for the payment of Project Costs for the Series 2017 Project and is directed to issue its checks (or make wire transfers if requested by the City) for each disbursement from the Project Fund, upon a requisition submitted to the Trustee, signed by an authorized representative of the JSCB. In the event the City shall be required to or shall elect to cause the Series 2017 Bonds to be redeemed in whole, the balance in the Series 2017 Project Account in the Project Fund shall be deposited in the Bond Fund for application to the redemption of Series 2017 Bonds.

Notwithstanding the occurrence of an Event of Default under the Indenture, in no event shall the Series 2017 Bonds be accelerated or declared due and payable in advance of their final stated maturity.

All state and/or school aid received by the Trustee pursuant to the state and/or school aid intercept shall be ratably applied in accordance with the Indenture in the following order of priority:

*first*, to deposit in the Applicable Interest Account of the Bond Fund established under the Indenture to the extent of any deficiency therein,

*second*, to deposit in the Applicable Principal Account of the Bond Fund established under the Indenture to the extent of any deficiency therein,

*third*, to deposit in the Applicable Redemption Account of the Bond Fund established under the Indenture to the extent of any deficiency therein,

*fourth*, to satisfy any indemnification obligations of the SCSD under the Installment Sale Agreement,

*fifth*, to satisfy any liability insurance obligations of the JSCB or the SCSD under the Installment Sale Agreement, and

*sixth*, to satisfy any other obligations of the JSCB, the SCSD or the City under the Installment Sale Agreement.

In addition to the Series 2008 Bonds, the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds, it is also anticipated that future Series of Project Bonds will be ratably secured by the pledge of State Aid to Education and will be separately secured and issued pursuant to one or more Series Indentures. In order to protect the pledge of State Aid to Education by the Issuer to the Trustee pursuant to the Indenture, except with respect to the issuance of Project Bonds under a Series Indenture, the Issuer has covenanted in a Series Indenture not to create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by the Indenture and the Installment Sale Agreement. The Issuer further covenants and agrees pursuant to the Indenture that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid under the Syracuse Schools Act; *provided, however*, that nothing contained in the Indenture shall be deemed (y) to limit or deny the ability of the Issuer or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge State Aid to Education on a parity with the pledge effected under the Indenture or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

#### **Debt Service Reserve Fund Not Applicable to the Series 2017 Bonds**

A Debt Service Reserve Fund is not being established for the Series 2017 Bonds. The Debt Service Reserve Fund established for the Series 2008A Bonds is not available to pay debt service on the Series 2010 Bonds, the Series 2011 Bonds or the Series 2017 Bonds.

#### **Additional Bonds**

So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance under the Indenture for the purpose of: (i) financing Facilities in connection with the Program; (ii) providing funds to repair, relocate, replace, rebuild or restore an affected Facility in the event of damage, destruction or taking by eminent domain; (iii) providing extensions, additions, rehabilitation or

recreational facilities to one or more Facilities, provided such additions, rehabilitation or recreational facilities constitute a “project” within the meaning of the Act and the Syracuse Schools Act; or (iv) refunding Outstanding Bonds. Such series of Additional Bonds shall be payable from the Base Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture to the Indenture in connection therewith, the City, the SCSD and the Issuer shall enter into a license agreement or lease agreement or an amendment to the License Agreement, as applicable, and the Issuer, the JSCB, the SCSD and the City shall enter into an amendment to the Installment Sale Agreement to subject the Facility to the Installment Sale Agreement and to provide, among other things, that the Base Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the bonds outstanding under the Indenture including such series of Additional Bonds. In addition, the SCSD, the City, the JSCB and the Issuer shall enter into an amendment to the Tax Compliance Documents.

### **State Aid Depository Agreement**

To facilitate the collection of State Aid and payment of Installment Purchase Payments under the Installment Sale Agreement, the Depository, the City and the SCSD have entered into the State Aid Depository Agreement. In accordance with the State Aid Depository Agreement, the City and the SCSD have instructed the State Comptroller to pay all State Aid to Education otherwise payable to SCSD or the City directly to the State Aid Depository Fund held by the Depository under the State Aid Depository Agreement. The State Aid Depository Agreement provides for the payment of State Aid to the Trustee and each other Series Trustee, including the Series 2017 Trustee, on a Ratable Basis pursuant to which Project Bonds are outstanding under a Series Indenture.

On or before July 15 of each Fiscal Year, the City and the SCSD are required to prepare and deliver to the Depository, the Series 2017 Trustee and the Trustee a certificate (the “*State Aid Payment Certificate*”) setting forth: (i) a statement that the SCSD and the City have appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations (as defined in “APPENDIX B — “Summary of Definitions”) of the SCSD and the City for such Fiscal Year; (ii) an estimate of the total amount of State Aid to Education expected to be received during the next Collection Period and the Collection Percentage applicable to each month of such Collection Period (as such terms are defined in Appendix B hereof); and (iii) a statement, developed with the assistance of the Financial Advisor to the SCSD or a nationally recognized municipal securities underwriting firm, setting forth the long-term debt rating of each provider of a Qualified Debt Service Reserve Fund Investment Agreement by each of Fitch Ratings, Moody’s and S&P. However, in the event that the SCSD and the City have not appropriated such amount of State Aid to Education in their respective adopted budgets for such Fiscal Year, the State Aid Payment Certificate for such Fiscal Year shall set forth a statement to such effect and shall not include any information regarding the collection of State Aid to Education during the Collection Period. Thereafter and not later than the end of the third business day immediately preceding March 31 of such Fiscal Year, if circumstances warrant, the City and the SCSD shall from time to time prepare and deliver to the Depository a revised State Aid Payment Certificate setting forth, as appropriate, (i) a statement that the SCSD and the City have, subsequent to adoption of the SCSD’s budget for such Fiscal Year, appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations of the SCSD and the City for such Fiscal Year; or (ii) a revised total amount of State Aid to Education expected to be received during the next Collection Period for such Fiscal Year and, in either case, if applicable, Collection Percentages or revised Collection Percentages applicable to the remainder of such Collection Period.

On or before November 10 of each Fiscal Year, the Trustee shall, in accordance with the provisions of the Indenture, prepare and deliver to the City, the SCSD and the Depository a certificate (the "**Base Facilities Agreement Payment Certificate**") setting forth the Net Base Facilities Agreement Payment (computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due on the following April 1.

During each Collection Period, if the Depository has received a State Aid Payment Certificate with respect to such Collection Period that sets forth the statements required by clauses (i) and (ii) of the first sentence of the second paragraph under this sub-heading, the Depository shall, immediately upon receipt of any payment of State Aid to Education, withdraw such State Aid to Education from the State Aid Depository Fund and cause the amounts so withdrawn to be immediately paid in the following order of priority:

*first*, to the Applicable Trustee for deposit in the Bond Fund established pursuant to the Applicable Indenture until the total amount of such withdrawals during each month of such Collection Period shall equal the sum of (A) the product of the Collection Percentage for such month multiplied by the Net Base Facilities Payment due the immediately following April 1 as set forth in the Base Facilities Payment Certificate most recently received by the Depository, plus (B) during the months of January, February and March, the excess of the amount that should have been deposited in the Bond Fund in the immediately preceding month of the Collection Period pursuant to the provisions of this paragraph, over the amount in fact so deposited; and

*second*, thereafter during each month of such Collection Period, to an Applicable Trustee, if any, for deposit in the Debt Service Reserve Fund established pursuant to the related Series Indenture until the total amount of such withdrawals is equal to the Reserve Payment due, if any, as set forth in the Reserve Payment Certificate most recently received by the Depository; and

*third*, thereafter during each month of such Collection Period, to the General Fund of the SCSD.

In the event that any amount on deposit in the State Aid Depository Fund in any month of the Collection Period, at any time, shall be less than the amount required to be paid to a Series Trustee under the first clause or second clause above, the Depository shall make payment to the Trustee, the Series 2008A Trustee and any other Series Trustee on a Ratable Basis, in the priority indicated above. For purposes of the preceding sentence, "Ratable Basis" shall be first computed based on amounts payable to each Series Trustee under the first clause above if there is not enough in the State Aid Depository Fund to pay to each Series Trustee what is payable under the first clause above, and, if the amounts payable under the first clause have been paid in full, then computed based on the amount payable to each Series Trustee under the second clause.

Thereafter, from April 1 until the commencement of the next Collection Period, immediately upon receipt of any payment of State Aid to Education, the Depository shall withdraw such State Aid to Education from the State Aid Depository Fund and cause the amounts so withdrawn to be immediately paid to the General Fund of the SCSD.

If the Depository has not received with respect to a Collection Period for any reason a State Aid Payment Certificate that includes the statements required by clauses (i) and (ii) of the first sentence of the second paragraph under this sub-heading, the Depository, both during and after such Collection Period until the next Collection Period, shall withdraw any State Aid to Education from the State Aid Depository Fund and cause the amounts so withdrawn to be immediately paid to the General Fund of the SCSD.

Notwithstanding the provisions of the State Aid Depository Agreement providing for the flow of State Aid to Education to the Series Trustees, if the Depository receives written instructions from the Commissioner of Finance, together with an accompanying monthly payment schedule from the Commissioner of Finance indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the payment in accordance with such payment schedule for the RAN Repayment Requirement, then each month the Depository shall immediately withdraw from the State Aid Depository Fund all State Aid to Education that is received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under the State Aid Depository Agreement, to the special bank account until the total amount of such withdrawals is equal to the portion of such RAN Repayment Requirement required, in accordance with such payment schedule, to be withdrawn and paid to such special bank account for such month or any prior month to the extent not paid.

Although the State Aid Depository Agreement requires an immediate transfer of State Aid to Education from the State Aid Depository Fund to the Bond Fund established under the Indenture, during the Collection Period, amounts held in the State Aid Depository Fund are not subject to the lien of the Indenture and are not pledged as security for the payment of the Series 2017 Bonds until such amounts have been transferred by the Depository to the Trustee and deposited in the Bond Fund.

Nothing shall prevent the SCSD, the City, the Depository, the Series Trustee, or the Trustee from adopting amendments or modifying the procedures for the collection, deposit and disbursement of State Aid to Education as set forth in the State Aid Depository Agreement; *provided, however*, that: (i) prior to making any such change, the SCSD shall notify any rating agency then rating the Series 2017 Bonds or any other Series of Project Bonds of such change and that, prior to any such change becoming effective, there shall be delivered to the Depository a rating confirmation of such rating agency that the then current unenhanced rating of the Series 2017 Bonds or any other Series of Project Bonds Outstanding will not be withdrawn or reduced as a result of such change; and (ii) any change or alteration of the procedure for collection and deposit of State Aid to Education would not result in insufficient State Aid to Education being available to timely pay Facilities Payment Obligations under the Installment Sale Agreement or under any other Series Facilities Agreement.

#### **Timing of Payments under State Aid Trust Agreement**

In order to assure the timely payment of debt service on the Series 2017 Bonds, the City and the SCSD have agreed during each year to certify certain information to the Depository, and the SCSD and the City have directed the Depository to pay certain amounts to the Trustee in advance of the payment of debt service on the Series 2017 Bonds. On or before July 15 of each Fiscal Year, the City and the SCSD are required to certify to the Depository under the State Aid Depository Agreement; (i) that the SCSD and the City have appropriated funds necessary to pay the annual Installment Purchase Payment under the Installment Sale Agreement due on the next succeeding April 1 (which covers the debt service on the Series 2017 Bonds on the following May 1 and November 1); and (ii) the State Aid to Education expected to be received by the SCSD and the City during the next succeeding December 1 to March 31. In the event the City shall not have appropriated such amount, the foregoing certificate shall state that the appropriation has not been made. On or before November 10 of each year, the Trustee shall prepare and deliver to the City, the SCSD and the Depository a certificate setting forth the Net Base Facilities Agreement Payment due on the following April 1. On a monthly basis beginning on December 1 through the next succeeding March 31 the Depository will, in accordance with the State Aid Depository Agreement, transfer a portion of State Aid to Education to the Trustee sufficient to pay the annual Installment Purchase Payment under the Installment Sale Agreement due on the next succeeding April 1.

In the event payments made by the Depository to the Trustee during the preceding December 1 to March 31 are not sufficient to pay the annual Installment Purchase Payment under the Installment Sale Agreement due on April 1, the Trustee will immediately certify such deficiency to the State Comptroller. The State Comptroller is then required to pay such amounts to the Trustee in accordance with the state and/or school aid intercept provisions of the Indenture and the Syracuse Schools Act in order to provide payment of debt service on the Series 2017 Bonds on the next succeeding May 1 and November 1. Installment Purchase Payments due under the Installment Sale Agreement will equal principal and interest due on the Series 2017 Bonds and are payable on each April 1. Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payments under the Installment Sale Agreement, said agreement provides that if the SCSD fails to appropriate by November 1, 2011 (or by any subsequent November 1 that the Series 2017 Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment and Base Installment Purchase Payments shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment Due and Base Installment Purchase Payment Date on such November 15 is not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the 2017 Indenture.

## **DISCUSSION OF FINANCIAL OPERATIONS OF THE CITY AND THE SCSD**

### **Budget Procedures and Plans**

The Director of the Office of Management and Budget (the "Budget Director") has the primary responsibility for preparing the City's annual operating budget, supervising the execution of the operating budget and reporting budgetary variances to the Mayor. The SCSD proposes a separate budget that is approved by the Board of Education after a public hearing. Thereafter, the SCSD's budget is transmitted to the City's Budget Director for inclusion in the Citywide budget.

CERTAIN FINANCIAL INFORMATION FOR THE SCSD FOR THE FISCAL YEAR ENDED JUNE 30, 2016 IS PRESENTED IN APPENDIX A HERETO. A SUMMARY OF THE SCSD'S FINANCIAL RESULTS FOR THE YEAR ENDING JUNE 30, 2016 AND DISCUSSIONS OF THE 2016-17 BUDGET ARE PRESENTED HEREIN BELOW.

### **Accounting and Financial Reporting**

In accordance with the State Education Law, the accounts of the SCSD are maintained independently of the City. The SCSD is responsible for managing, controlling and accounting for its own budget appropriations approved by the City's Common Council. The SCSD prepares and issues separately audited financial statements which statements are also included in the financial statements of the City. The City levies and collects real property taxes for general City and the SCSD purposes and remits to the SCSD its share of collections. The SCSD receives 100% of its annual tax levy by October 31 of the fiscal year following the year of levy.

The City accounts for the SCSD as a blended component unit in its financial statements. The SCSD is accounted for in this manner because the SCSD is not a separate legal entity and does not have

the power to levy taxes or issue bonds. The SCSD's budget is subject to approval by the City Common Council. The City is financially accountable for the SCSD and funds any operating deficits of the SCSD. The SCSD is included in the basic financial statements as a special revenue fund in the fund financial statements of the City. Financial Statements of SCSD are presented in a discrete (*i.e.*, separate) column in the City's Annual Financial Statements, when issued, in accordance with the Governmental Accounting Standards Board, Statement #14. In the government-wide statements of the City, the SCSD is included in the governmental activities.

### **Summary of Significant Accounting Policies**

See APPENDIX A – “Certain Financial Information and Audited Financial Statements of the Board of Education of the City School District of the City of Syracuse - Notes to the Financial Statements, for the year ended June 30, 2016, Note 1,” hereto.

### **SCSD General Fund Results of Operations – Year Ended June 30, 2016**

The audited financial statements of the SCSD show that the general fund had an operating deficit of \$8,783,367 for the year ended June 30, 2016. Total fund balance of the general fund at June 30, 2016 was \$34,869,323 including \$17,946,971 in unassigned funds, \$15,297,073 in assigned funds, and \$1,625,279 in non-spendable funds. The SCSD's 2016-17 adopted budget includes the use of fund balance in the amount of \$11,000,000.

Total revenue for the general fund for fiscal 2015-16 was \$365,240,040, excluding other financing sources. Real property taxes and State Aid to Education (excluding \$6,375,977 in STAR revenue) for the year were \$57,308,195 and \$296,186,556 respectively. Other financing sources for the year were \$3,637,847. Overall, total revenue and other financing sources showed a positive budgetary variance of \$1,194,063 for 2015-16. Positive budgetary variances were reported in the following revenue categories: nonproperty taxes (+\$24,956), sale of property and compensation for loss (+\$185,072), State and local sources (+\$1,602,452), and transfers in (+\$1,137,847). Negative budgetary variances were

reported in the following revenue categories: general property taxes (-\$552,983), charges for services (-\$17,386), use of money and property (-\$322,368), miscellaneous (-\$481,183), and Federal sources (-\$382,344).

General fund expenditures including encumbrances were \$374,123,650 for the year ended June 30, 2016. In addition, \$7,834,677 in transfers out were reported as other financing uses. Actual expenditures, including encumbrances and other financing uses, were \$14,231,126 less than the budget of the SCSD general fund for fiscal 2015-16.

The sum of the budgetary variances for revenue and other financing sources (+\$1,194,063), expenditures and other financing sources and uses (+\$14,231,126), the effects of encumbrance adjustments (+\$4,297,073) and the appropriation of the fund balance (-\$28,505,629) results in the reported operating surplus of \$8,783,367. See page 52 of the audited financial statements for the fiscal year ended June 30, 2016.

### **Anticipated SCSD General Fund Results of Operations – Year Ended June 30, 2017**

SCSD officials expect that the SCSD General Fund will conclude the year within the spending limit of \$407.1 million set by the Common Council, and that the full fund balance appropriation of \$11.0 million will be used. Unrestricted fund balance at June 30, 2017 is anticipated to be \$12.4 million.

## BONDHOLDERS' RISKS

The discussion herein of risks to holders of the Series 2017 Bonds is not intended as dispositive, comprehensive or definitive, but rather is intended only to summarize certain matters which could affect payment on the Series 2017 Bonds. However, holders of the Series 2017 Bonds should be aware that these matters and other potential risks and factors could materially adversely affect the receipt by the holders of payments on the Series 2017 Bonds. Other sections of this Official Statement should be referred to for a more detailed description of risks described in this Section, which descriptions are qualified by reference to any documents discussed therein. Copies of all such documents are available for inspection at the principal corporate trust office of the Trustee.

### **The State's Financial Condition, Reduced State Aid, Delayed Payment**

The amount of State Aid paid to the SCSD is dependent in large measure upon the financial condition of the State. The State regularly publishes its Annual Information Statement relating to its financial condition, as well as quarterly updates and supplements thereto.

The State's 2015-16 and 2016-17 Enacted Budgets each provide for an increase of \$1.5 billion and \$1.3 billion in school aid for the 2015-16 and 2016-17 school years, respectively.

The SCSD depends on substantial financial assistance from the State. SCSD General Fund operations for its 2015-16 fiscal year were funded 81.1% from State Aid. State aid for the SCSD's General Fund for fiscal year 2016-17 was budgeted at \$321.5 million, which represents an increase of \$26.6 million compared to the budgeted adopted for the previous fiscal year.

The total amount of State Aid for all funds is comprised of Foundation Aid and a number of other State Aid categories. Foundation Aid is the largest component of State Aid for the SCSD. The SCSD received Foundation Aid in the amount of \$221.5 million in 2013-14, \$227.9 million in 2014-15, \$238.4 \$238.2 million for the 2015-16 fiscal year and expects \$259.1 million for the 2016-17 fiscal year, respectively. Future reductions in Foundation Aid or other aid categories of State Aid to the SCSD could adversely affect the financial condition of the SCSD.

Principal of and interest on the Project Bonds, including the Series 2017 Bonds, will be paid from State Aid payable through (i) installment purchase payments made by the SCSD under the Series Facilities Agreements, including the Installment Sale Agreement or (ii) from the intercept of State Aid by the State Comptroller. Both methods of payment are dependent upon lawful appropriations of State Aid being made each year by the State to the SCSD. No assurance can be given that present State Aid levels will be maintained in the future. The Syracuse Schools Act provides that (x) any amount of State Aid paid by the State Comptroller pursuant to the State Aid intercept provisions of the Syracuse Schools Act shall not obligate the State to make, nor entitle the SCSD to receive, any additional amounts of State Aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of State Aid and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain State Aid at any particular level or amount. Financial difficulties of the State could result in reduced payments of State Aid to municipalities and school districts in the State (including the SCSD) in future fiscal years. Given the SCSD's dependence on State Aid (the only source of funds to make the installment purchase payments payable by the SCSD pursuant to the Series Facilities Agreements, including the Installment Sale Agreement), substantial reductions in the payment of State Aid could adversely impact the SCSD's ability to pay, or timely pay, installment purchase payments under the Series Facilities Agreements, including the Installment Sale Agreement, and accordingly, the payment of debt service on the Project Bonds, including the Series 2017 Bonds.

State financial difficulties may result in protracted and delayed State budget negotiations which may result in delays in the adoption of the State budget. Delays in adoption of the State budget could result in delayed payment of State Aid to school districts in the State, including the SCSD. During the State's 2011-12 to 2015-16 fiscal years, State Aid to school districts was paid in a timely manner; however, during the State's 2009-10 fiscal year, State budgeting restrictions resulted in delayed payments of State Aid to school districts in the State. In the past, adoption of a State budget has been delayed as long as four and a half months. There can be no assurance that (y) the State Legislature will continue to adopt State budgets in a timely fashion, or that (z) in the absence of such budget adoption, that the State Legislature will provide on a continuing resolution or other basis State Aid to the SCSD on an interim basis.

Delay in the receipt of State Aid by the SCSD could have a material adverse financial impact on the SCSD and result in a delay in the application of such State Aid to the payment of installment purchase payments under the Series Facilities Agreements, including the Installment Sale Agreement.

### **Appropriation of and Possible Changes to State Aid**

Statutory provisions currently exist or may hereafter be enacted which permit state and/or school aid otherwise payable to the SCSD and/or the City to be diverted or intercepted and applied in satisfaction of indebtedness or obligations issued or incurred for school purposes or otherwise. In addition, at the present time, other than as provided in the State Aid Depository Agreement with respect to Project Bonds, there is no stated priority for the various multiple state and/or school aid diversion and intercept claims.

Principal of and interest on the Series 2017 Bonds will be paid from State Aid to Education payable through (i) Installment Purchase Payments made by the SCSD and the City under the Installment Sale Agreement or (ii) from the intercept of state and/or school aid payable to the SCSD or the City by the State Comptroller. Both methods of payment are dependent upon lawful appropriations of State Aid to Education being made each year by the State to the SCSD and the City. No assurance can be given that present state and/or school aid levels will be maintained in the future. State budgetary restrictions which eliminate or substantially reduce state and/or school aid could have a material adverse effect upon the SCSD, requiring either a counterbalancing increase in revenues from other sources, to the extent available, or a curtailment of expenditures. Although the State has over the past five years provided State Aid to Education at levels averaging 79.2% per year of the SCSD's annual budget, neither this nor any other percentage of annual State Aid to Education is guaranteed. In the event that state and/or school aid is reduced by the State in the future, such reduction would result in a diminished flow of revenues for the payment of Installment Purchase Payments by the SCSD and the City under the Installment Sale Agreement, as well as diminished state and/or school aid available to be intercepted from the State Comptroller under the Syracuse Schools Act. Further, the Syracuse Schools Act provides that (x) any amount of state and/or school aid paid by the State Comptroller pursuant to the intercept provisions of the Syracuse Schools Act shall not obligate the State to make, nor entitle the SCSD to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

### **Default by the SCSD and the City**

No representations or assurances can be given that the SCSD or the City will perform their obligations under the Installment Sale Agreement. The obligation of the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement is executory and dependent upon the receipt of State Aid to Education and the appropriation of such State Aid to Education by the SCSD and the City for the payment of Installment Purchase Payments under the Installment Sale Agreement. In the event State Aid to Education has been appropriated by the State to the SCSD and/or the City and either the SCSD has failed to provide for Installment Purchase Payments necessary for a fiscal year its budget, or the City has failed to appropriate such State Aid to Education, for the payment of the Installment Sale Agreement, there is no right to accelerate payments due under the Series 2017 Bonds and the sole source of payment for the Series 2017 Bonds will be the intercept of state and/or school aid by the State Comptroller. The failure of the SCSD to budget for, or the City to appropriate amounts necessary, to make Installment Purchase Payments due under the Installment Sale Agreement may result in the failure of the Issuer to make required debt service payments under the Series 2017 Bonds. In such event, the sole remedy available to the Bondholders will be the intercept of state and/or school aid by the State Comptroller.

## **Appropriation of Installment Purchase Payments by the City and the SCSD**

The availability of Installment Purchase Payments under the Installment Sale Agreement are subject to and dependent upon lawful appropriations of State Aid to Education being made each year by the State Legislature and the City for such purposes. The Installment Sale Agreement is not a general obligation of the SCSD or the City. The obligations of the SCSD and the City under the Installment Sale Agreement to pay Installment Purchase Payments in any fiscal year of the SCSD or the City constitute a current expense of the SCSD and the City for such fiscal year and shall not constitute an indebtedness of the SCSD or the City within the meaning of any constitutional or statutory provision or other laws of the State. Neither the Installment Sale Agreement nor any representation by any public employee or officer creates any legal or moral obligation of the City to appropriate or the SCSD or the City make moneys available for the purposes of the Installment Sale Agreement. The failure of the SCSD and the City to pay Installment Purchase Payments due under the Installment Sale Agreement may result in the failure of the Issuer to make required debt service payments under the Series 2017 Bonds. In such event, there is no right to accelerate payments due under the Series 2017 Bonds and the sole remedy available to the Bondholders will be the intercept of state and/or school aid by the State Comptroller.

## **Competing Claims to State Aid**

### *Direct Claims*

Revenue Anticipation Notes. Revenue anticipation notes are issued by the City on behalf of the SCSD in anticipation of the receipt of State Aid to Education. Such notes are payable in the first instance from State Aid to Education in anticipation of which such revenue anticipation notes were issued. State law requires that whenever the amount of the revenue anticipation notes issued by the City on behalf of the SCSD equals the amount of State Aid to Education remaining uncollected, the City is required to set aside in an account all of such State Aid to Education thereafter received by the SCSD to retire such revenue anticipation notes. Currently, the City has \$103,439,000 revenue anticipation notes outstanding of which \$68,439,000 were issued in anticipation of the receipt of State Aid to Education. Such notes will mature on June 30, 2017. The State Aid Depository Agreement provides that, notwithstanding the provisions of the State Aid Depository Agreement providing for the flow of State Aid to Education to the Series Trustee, upon receipt of written instructions to the Depository from the City indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education revenues paid to the SCSD or the City must be set aside in a special bank account designated in such instructions to be used only for the payment of the revenue anticipation notes Repayment Requirement. Upon receiving such instructions, the Depository shall immediately withdraw from the State Aid Depository Fund all State Aid to Education that is received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under the State Aid Depository Agreement, to the special bank account until the total amount of such withdrawals is equal to the portion of such revenue anticipation notes Repayment Requirement required to be withdrawn and paid to such special bank account for such month or any prior month to the extent not paid. Notwithstanding the foregoing, in the event the SCSD or the City shall fail to pay an Installment Purchase Payment under the Installment Sale Agreement, the intercept provisions of the Syracuse Schools Act and the Indenture will operate to intercept state and/or school aid payable to the SCSD or the City prior to the payment of such aid to the SCSD and/or the City in accordance with the State Aid Depository Agreement. Accordingly, such state and/or school aid will be intercepted to pay Installment Purchase Payments under the Installment Sale Agreement prior to its application by the City to the payment of outstanding revenue anticipation notes of the City. In accordance with the requirements of the Local Finance Law, it is the City's current practice to set aside in a special account the last State Aid to Education money received

during the fiscal year. Payments to the special bank account are generally made in May and the June of each year.

Expenses for Handicapped Children. The State Comptroller deducts from State Aid to Education due to the SCSD amounts required by statute to reimburse the State for certain expenditures made by the State for the education of certain blind, deaf and handicapped children in the City. Such expenditures were approximately \$0.4 million for the SCSD 2015-16 fiscal year and \$0.4 million is also budgeted for this purpose in the 2016-17 fiscal year.

Deductions for TRS Payments. TRS contributions are paid as a reduction in State Aid to Education payments due September 15, October 15 and November 15 of the succeeding fiscal year. Any deficiency or excess in TRS contributions are settled on a current basis in the month of January. For the 2015-16 fiscal year, TRS expenditures were approximately \$29.2 million. For 2016-17, SCSD officials have indicated that \$20.2 million was budgeted for this purpose.

#### *Contingent Claims*

State Finance Law Section 99-b. In the event of a default in the payment of the principal of and/or interest on outstanding general obligation indebtedness of the SCSD, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the State Finance Law, State Aid to Education and assistance to the SCSD and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State with the holders from time to time of such general obligation indebtedness for SCSD purposes. The SCSD is wholly dependent upon the City for taxation and debt issuance. As measured by the State Constitution and the Local Finance Law, as of January 16, 2017, the City has a total outstanding net indebtedness of \$182,887,357 (excluding \$62,381,163 in water debt, \$13,172,133 in budgetary appropriations, \$35,000,000 revenue anticipation notes issued against City revenues, \$68,439,000 revenue anticipation notes issued against SCSD revenues, and \$3,409,751 in debt reserves), which represents 43.94% of the City's debt limit. Excluding revenue anticipation notes, the SCSD's share of outstanding City net debt is \$39,085,746 (or 21.4%), as of January 16, 2017. In addition, the net indebtedness of the City at January 16, 2017 includes \$9,905,000 in outstanding bond anticipation notes which were issued by the City to commence work on Phase II of the JSCB renovation project. As of January 16, 2017, \$39,085,746 outstanding bonds, \$9,905,000 bond anticipation notes and \$68,439,000 outstanding revenue anticipation notes issued for school purposes benefit from the Section 99-b statutory intercept mechanism for State Aid to Education.

*The Series 2017 Bonds are not general obligation indebtedness of the City and accordingly do not benefit from the Section 99-b intercept.*

Charter School Delinquencies. Pursuant to the Charter Schools Act, the SCSD is required to pay for the maintenance and operation of charter schools in the City. There are currently two charter schools operating in the City. Enrollments at these schools increased from 1,478 students in the 2015-016 school year to 1,565 (projected) in the 2016-17 school year. According to District officials, in 2016-17 charter school funding is \$12,430 per student for regular education, \$6,572 per student for 20% special education, and \$12,048 per student for 60% special education, for a projected total of approximately \$20.1 million. In the 2015-16 school year, the amount of charter school funding was \$12,430 per student for regular education, \$6,458 per student for 20% special education, and \$11,840 per student for 60% special education, for a total of \$18.5 million. Increases are due to increases in expected charter school enrollment. In the event the SCSD fails to make any required payment for the maintenance or operation of

charter schools, the State Comptroller may deduct such delinquent amounts from State Aid to Education otherwise payable to the SCSD and pay such amount to the charter schools.

Failure to Comply with Regulations. Payment of State Aid to Education may be withheld due to the failure of the City or the SCSD to comply with various requirements of State law or the regulations of the Commissioner of Education relating to instructional programs, programs for the handicapped or other matters or the failure of the City to pay debt service on obligations issued for school purposes.

The 2016-17 Enacted State Budget included a provision linking the payment of additional State Aid to compliance with a modified teacher evaluation process which provides that school districts will not be eligible for aid unless they have negotiated the optional components of evaluations with their local unions and obtained State approval by December 1, 2016. The SCSD has completed negotiations with its local unions and is in compliance with the modified teacher evaluation process.

#### *Effect on State Aid*

Statutory application and intercept of State Aid to Education for any of the above purposes or any other purpose would have the result of diminishing the flow of State Aid to Education to the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement as well as possibly diminishing state and/or school aid subject to be intercepted by the State Comptroller under the Syracuse Schools Act. Furthermore, other State financing programs incorporate similar procedures for the application or withholding of State Aid to Education as security for the repayment of obligations, or the repayment of financial assistance provided to school districts in the State. Moreover, the State has the power to (i) create additional state and/or school aid intercept provisions, (ii) reduce or eliminate state and/or school aid paid to school districts and cities in the State and (iii) create state and/or school aid intercept provisions having a prior right to intercept state and/or school aid senior to the intercept of state and/or school aid provided by the Syracuse Schools Act. If the SCSD or the City is or becomes a participant in any such State financing program or otherwise pledges state and/or school aid, the extent to which State Aid to Education would be available (x) to pay Installment Purchase Payments under the Installment Sale Agreement or (y) to be intercepted by the State Comptroller and paid to the Trustee, could be adversely affected. No assurance is given that the SCSD or the City will not participate in any such State financing programs in the future.

In addition to the foregoing, it is important to note that State Aid may, after the payment of Base Installment Purchase Payments, be applied to the payment of Additional Payments under the Installment Sale Agreement for, among other things, casualty and indemnity obligations of the SCSD, in the event of a shortfall in the insurance coverage furnished by the SCSD to the Issuer. Accordingly, a significant casualty or indemnity event could substantially reduce State Aid coverage levels in relation to Base Installment Payment obligations of the SCSD and the City.

#### **Additional Series of Project Bonds or Series of Additional Bonds**

The SCSD currently intends to finance the completion of the Program with the issuance of additional Series of Project Bonds or Series of Additional Bonds under either the Indenture and/or separate Series Indentures which will rank on a Ratable Basis with the claims of the Series 2017 Bonds to State Aid to Education under the State Aid Depository Agreement or from the State Comptroller as an intercept of state and/or school aid under the Syracuse Schools Act. See APPENDIX D — “Summary of Certain Provisions of the Installment Sale Agreement” and APPENDIX C — “Summary of Certain Provisions of the Indenture of Trust.”

The issuance of additional Series of Project Bonds or Series of Additional Bonds will dilute the amount of State Aid to Education available to make Installment Purchase Payments with respect to the Series 2017 Bonds and the amount of state and/or school aid subject to intercept by the State Comptroller and payable to the Trustee. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS." No limitation exists upon the principal amount of Project Bonds that may be issued, nor upon their payment dates or rate of amortization. This could result in a reduction in the funds available to make payments of principal of and interest on the Series 2017 Bonds.

### **Insurance**

The City funds a self-insurance program from operating funds to protect itself against various forms of risks. Under the program, the City is self-insured for employee medical and dental benefits, unemployment benefits, workers' compensation and general liability claims. According to City officials, for the fiscal years ended June 30, 2015 and 2016, the City and SCSD paid \$1,812,893 and \$157,392 from operating funds to settle various judgments and claims, respectively. For the current fiscal year, as of January 9, 2017, the City and SCSD have paid \$340,662 to settle various judgments and claims.

The City purchases commercial insurance for various risks and liabilities. Property insurance is utilized to protect all City and SCSD Buildings for losses in excess of \$100,000.

For additional information concerning claims and insurance, see "Notes to Basic Financial Statements," Note 10, in the City's audited financial statements as of and for the year ended June 30, 2015, and "Notes to Basic Financial Statements," Note 10, in the SCSD audited financial statements as of and for the year ended June 30, 2016.

### **Enforceability of Remedies**

The remedies available to the holders of the Series 2017 Bonds upon an event of default under the Indenture or other documents described herein are in many respects dependent upon judicial actions which are often subject to discretion and delay. Existing constitutional and statutory law and judicial decisions, including Title 11 of the United States Code, affect the payment rights of Bondholders, and the remedies specified by the federal bankruptcy laws, the Indenture and the various documents referred to herein may not be readily available or may be limited. The legal opinions to be delivered concurrently with the delivery of the Series 2017 Bonds will be qualified as to enforceability of the legal instruments by limitations imposed by bankruptcy, reorganization, insolvency, or other similar laws affecting the rights of creditors generally. In addition, such opinions will state that the availability of remedies may be limited by judicial application of principles of equity which may delay or preclude the exercise of remedies, including mortgage foreclosure.

### **State Aid Depository Agreement**

Amounts held in the State Aid Depository Fund under the State Aid Depository Agreement are not pledged to the repayment of the Series 2017 Bonds. The State Aid Depository Fund is not a trust fund held under the Indenture and the Trustee does not and will not have a security interest in amounts held therein. In addition, the obligations of the City, the SCSD and the Depository relating to the collection, deposit and disbursement of State Aid contained in the State Aid Depository Agreement are not statutory obligations but contractual obligations of the Depository, the City, the SCSD and failure of such parties to comply with the provisions of the State Aid Depository Agreement would be actionable solely as a breach of contract matter. See also "Additional Series of Project Bonds or Series of Additional Bonds" above.

### **Statutory Interpretation**

The City, the JSCB and the SCSD are subject to the limitations imposed by State law including, but not limited to, the Education Law, the General Municipal Law and the Local Finance Law. Generally, such laws limit the power of the City to incur indebtedness, as well as the powers of the City and the SCSD to lease or purchase facilities and enter into installment purchase agreements similar to the Installment Sale Agreement. Notwithstanding such limitations, the Corporation Counsel of the City will provide an opinion to be delivered at the Series 2017 Bond closing to the effect that the Installment Sale Agreement is valid, binding and enforceable against the City, the JSCB and the SCSD in accordance with its terms subject to certain limitations (bankruptcy, discretion as to remedies, etc.). The Syracuse Schools Act has not been subjected to judicial review and the legal authority provided to the City, the JSCB and the SCSD by the Syracuse Schools Act could be subject to differing interpretation. Reference is hereby made to the form of opinion of Corporation Counsel of the City to be delivered upon issuance of the Series 2017 Bonds, a copy of which will be on file with the Trustee.

### **Limited Obligations of the Issuer**

THE SERIES 2017 BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM STATE AID PAYABLE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT AND THE PLEDGE OF CERTAIN FUNDS INCLUDING THE BOND FUND UNDER THE INDENTURE. IN THE EVENT THE SCSD OR THE CITY FAILS TO MAKE AN INSTALLMENT PURCHASE PAYMENT UNDER THE INSTALLMENT SALE AGREEMENT (AND UPON ANY FAILURE TO BUDGET OR APPROPRIATE STATE AID TO EDUCATION), THE SYRACUSE SCHOOLS ACT AND THE INDENTURE PROVIDE THAT, UPON RECEIPT BY THE STATE COMPTROLLER OF A CERTIFICATE FROM THE TRUSTEE ON BEHALF OF THE ISSUER AS TO THE AMOUNT OF SUCH FAILED PAYMENT, THE STATE COMPTROLLER SHALL WITHHOLD ANY STATE AND/OR SCHOOL AID FROM THE SCSD AND/OR THE CITY PAYABLE THERETO TO THE EXTENT OF THE AMOUNT SO STATED IN SUCH CERTIFICATE AS NOT HAVING BEEN MADE, AND SHALL IMMEDIATELY PAY OVER TO THE TRUSTEE ON BEHALF OF THE ISSUER THE AMOUNT SO WITHHELD. THE OBLIGATION OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IS NOT A GENERAL OBLIGATION OF THE SCSD OR THE CITY AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWERS OF THE CITY IS PLEDGED TO THE PAYMENT OF INSTALLMENT PURCHASE PAYMENTS UNDER THE INSTALLMENT SALE AGREEMENT. THE OBLIGATIONS OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IN ANY FISCAL YEAR OF THE SCSD OR THE CITY CONSTITUTE A CURRENT EXPENSE OF THE SCSD FOR SUCH FISCAL YEAR AND SHALL NOT CONSTITUTE AN INDEBTEDNESS OR MORAL OBLIGATION OF THE SCSD, THE CITY OR THE STATE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR OTHER LAWS OF THE STATE OF NEW YORK. THE ONLY SOURCE OF MONEYS AVAILABLE FOR THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2017 BONDS IS INSTALLMENT PURCHASE PAYMENTS MADE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO THE EXTENT OF STATE AID APPROPRIATED BY THE STATE AND AVAILABLE TO THE SCSD OR THE CITY AND APPROPRIATED BY THE CITY AND SCSD TO MAKE SUCH PAYMENTS, AND THE INTERCEPT BY THE STATE COMPTROLLER OF ANY STATE AND/OR SCHOOL AID PAYABLE TO THE CITY OR THE SCSD TO THE EXTENT OF ANY INSTALLMENT PAYMENT DEFICIENCY.

### **Absence of Public Market for the Series 2017 Bonds**

The SCSD has been advised by the Underwriter that the Underwriter presently intends to make a secondary market in the Series 2017 Bonds. The Underwriter, however, is not obligated to do so, and any secondary market-making activities with respect to the Series 2017 Bonds may be discontinued at any time without notice. No assurance is given that an active public or other market will develop for the Series 2017 Bonds or as to liquidity of or the trading market for the Series 2017 Bonds. If a trading market does not develop or is not maintained, holders of the Series 2017 Bonds may experience difficulty in reselling the Series 2017 Bonds or may be unable to sell them at all. If a market for the Series 2017 Bonds develops, any such market may be discontinued at any time. If a public trading market develops for the Series 2017 Bonds, future trading prices of the Series 2017 Bonds will depend on many factors, including, among other things, prevailing interest rates, State Aid to Education paid to the SCSD and the market for similar securities. Depending on prevailing interest rates, the market for similar securities and other factors, including the financial condition of the SCSD, the Series 2017 Bonds may trade at a discount from their principal amount. DEFICIENCY.

### **Executive Order on Sanctuary Cities**

On January 25, 2017, President Trump signed an executive order directing the Attorney General and the Secretary of Homeland Security to ensure that state and local jurisdictions that willfully refuse to comply with federal law concerning the provision of information on individuals' immigration status will not be eligible to receive federal grants except as deemed necessary for law enforcement purposes. It is the City's position that controlling legal authority limits funding reductions to grants directly related to federal immigration law enforcement. If implementation of the executive order results in the reduction of federal aid to the City and/or the SCSD, the City expects that it would mount a vigorous legal challenge. However, there can be no guarantee that implementation of the executive order will not result in a significant reduction or delay in receiving such aid.

## **TAX MATTERS**

### **Series 2017 Bonds**

In the opinion of Barclay Damon, LLP, Bond Counsel to the Issuer, under existing law and assuming compliance by the Issuer, the SCSD and the City with certain covenants and the accuracy and completeness of certain representations made by the Issuer, the SCSD and the City, interest on the Series 2017 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "*Code*"), and is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that, under existing statutes, interest on the Series 2017 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). See APPENDIX E — "Form of Opinion of Bond Counsel for the Series 2017 Bonds."

The Code imposes various requirements that must be met in order that interest on the Series 2017 Bonds be and remain excluded from gross income for Federal income tax purposes. Failure to comply with the requirements of the Code may cause interest on the Series 2017 Bonds to be included in gross income for purposes of Federal income tax retroactive to the date of original execution and delivery of the Series 2017 Bonds, regardless of the date on which the event causing such inclusion occurs. The Issuer, the SCSD and the City have covenanted in the Indenture, the Installment Sale Agreement and the Tax

Compliance Agreement to comply with the requirements of the Code and have made representations in such documents addressing various matters relating to the requirements of the Code. The opinion of Bond Counsel assumes continuing compliance with such covenants as well as the accuracy of such representations made by the Issuer, the SCSD and the City.

Certain requirements and procedures contained or referred to in the Indenture, the Installment Sale Agreement, the Tax Compliance Agreement and other relevant documents may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of Bond Counsel. The opinion of Barclay Damon, LLP states that such firm, as Bond Counsel, expresses no opinion as to any Series 2017 Bond or the interest thereon if any such change occurs or action is taken upon the advice or approval of Bond Counsel other than Barclay Damon, LLP.

The excess of the principal amount of a maturity of a Series 2017 Bond over the issue price of such maturity of Series 2017 Bond (a “*Discount Bond*”) constitutes “original issue discount,” the accrual of which, to the extent properly allocable to the Beneficial Owner thereof, constitutes “original issue discount” which is excluded from gross income for Federal income tax purposes. For this purpose, the issue price of a maturity of Series 2017 Bonds is the first price at which a substantial amount of such maturity of Series 2017 Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). Further, such original issue discount accrues actuarially on a constant yield basis over the term of each Discount Bond and the basis of such Discount Bond acquired at such initial offering price by an initial purchaser of each Discount Bond will be increased by the amount of such accrued discount. Beneficial Owners of Discount Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Discount Bonds.

Series 2017 Bonds purchased, whether at original issuance or otherwise, at prices greater than the stated principal amount thereof are “*Premium Bonds*.” Premium Bonds will be subject to requirements under the Code relating to tax cost reduction associated with the amortization of bond premium and, under certain circumstances, the Beneficial Owner of Premium Bonds may realize taxable gain upon disposition of such Premium Bonds even though sold or redeemed for an amount less than or equal to such owner’s original cost of acquiring Premium Bonds. The amortization requirements may also result in the reduction of the amount of stated interest that a Beneficial Owner of Premium Bonds is treated as having received for Federal tax purposes (and an adjustment to basis). Beneficial Owners of Premium Bonds are advised to consult with their own tax advisors with respect to the tax consequences of ownership of Premium Bonds.

Prospective purchasers of the Series 2017 Bonds should be aware that ownership of, accrual or receipt of interest on, or disposition of, the Series 2017 Bonds may have collateral Federal income tax consequences for certain taxpayers, including financial corporations, insurance companies, Subchapter S corporations, certain foreign corporations, individual recipients of social security or railroad retirement benefits, individuals benefiting from the earned income credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations.

Interest paid on tax-exempt obligations is subject to information reporting to the Internal Revenue Service (the “IRS”) in a manner similar to interest paid on taxable obligations. Interest on the Series 2017 Bonds may be subject to backup withholding if such interest is paid to a registered owner who or which (i) fails to provide certain identifying information (such as the registered owner’s taxpayer identification number) in the manner required by the IRS, or (ii) has been identified by the IRS as being subject to backup withholding.

Prospective purchasers should consult their tax advisors as to any possible collateral consequences of their ownership of, accrual or receipt of interest on, or disposition of the Series 2017 Bonds. Bond Counsel expresses no opinion regarding any such collateral Federal income tax consequences.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authority and represents Bond Counsel's judgment as to the proper treatment of the Series 2017 Bonds for Federal income tax purposes. It is not binding on the IRS or the courts. Current and future legislative proposals, if enacted into law, administrative actions or court decisions, at either the Federal or state level, may cause interest on the Series 2017 Bonds to be subject, directly or indirectly, to Federal income taxation or to be subjected to state income taxation, or otherwise have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series 2017 Bonds for Federal or state income tax purposes. The introduction or enactment of any such legislative proposals, administrative actions or court decisions may also affect, perhaps significantly, the value or marketability of the Series 2017 Bonds. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the Federal or state income tax treatment of holders of the Series 2017 Bonds may occur. Prospective purchasers of the Series 2017 Bonds should consult their own advisors regarding any pending or proposed Federal or state tax legislation, regulations or litigation, and regarding the impact of future legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

Bond Counsel's engagement with respect to the Series 2017 Bonds ends with the issuance of the Series 2017 Bonds and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer, the SCSD, the City or the Beneficial Owners of Series 2017 Bonds regarding the tax-exempt status of the Series 2017 Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Issuer and its appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Issuer legitimately disagrees may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2017 Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2017 Bonds, and may cause the Issuer, the SCSD, the City or the Beneficial Owners to incur significant expense.

#### **APPROVAL OF LEGAL MATTERS**

All legal matters incident to the authorization, issuance and delivery of the Series 2017 Bonds by the Issuer are subject to the approving opinion of Barclay Damon, LLP, Syracuse, New York, Bond Counsel to the Issuer. A copy of the opinion of Bond Counsel will be available at the time of delivery of the Series 2017 Bonds, the form of which is set forth in APPENDIX E — "Form of Opinion of Bond Counsel for the Series 2017 Bonds" hereto. Certain legal matters will be passed upon for Issuer by Corporation Counsel of the City. Legal matters pertaining to the JSCB will be passed upon by its special finance counsel, Trespasz & Marquardt, LLP, Syracuse, New York, and for the SCSD and the City by the Corporation Counsel of the City. Certain legal matters will be passed upon for the Underwriter by its counsel, Harris Beach PLLC, Syracuse, New York.

## **FINANCIAL ADVISOR**

Capital Markets Advisors, LLC (the “*Financial Advisor*”) serves as independent financial advisor to the City and the SCSD on matters relating to debt management. The Financial Advisor is a financial advisory and consulting organization and is not engaged in the business of underwriting, marketing or trading municipal securities or any other negotiated instruments. The Financial Advisor has provided advice as to the plan of financing and the structuring of the Series 2017 Bonds and has reviewed and commented on certain legal documentation, including this Official Statement. The advice on the plan of financing and the structuring of the Series 2017 Bonds was based on materials provided by the City and the SCSD and other sources of information believed to be reliable. The Financial Advisor has not audited, authenticated or otherwise verified the information provided by the City or the SCSD or the information set forth in this Official Statement or any other information available to the City or the SCSD with respect to the appropriateness, accuracy or completeness of disclosure of such information or other information and no guarantee, warranty or other representation is made by the Financial Advisor respecting the accuracy and completeness of or any other matter related to such information and this Official Statement.

As of the date of this Official Statement, the SCSD and the City have certified that they do not know of any fact or set of facts from which liability might arise which individually or collectively would materially and adversely affect the business or operations of the SCSD, the City or the Series 2017 Project.

## **RATINGS**

The Series 2017 Bonds have been given unenhanced ratings (i) by Moody’s Investors Service, Inc. of “Aa2”, (ii) by Standard & Poor’s of “AA” and (iii) by Fitch Ratings of “AA”.

Generally, a rating agency bases its rating on information and materials furnished to it and on investigations, studies and assumptions by such rating agency. A rating is not a recommendation to buy, sell or hold the Series 2017 Bonds. There is no assurance that a rating will continue for any given period of time or will not be revised downward, suspended or withdrawn entirely by the rating agency, if, in its judgment, circumstances so warrant. Any such lowering, suspension or withdrawal of a rating might have an adverse effect upon the market price or marketability of the Series 2017 Bonds. The Underwriter, the

Issuer, the SCSD and the City undertake no responsibility after the issuance of the Series 2017 Bonds to assure the maintenance of any of the ratings or to oppose any revision or withdrawal thereof.

## **UNDERWRITING**

Raymond James & Associates, Inc. (the "Underwriter") under a Purchase Contract between the Issuer and the Underwriter (the "Purchase Contract"), has agreed, subject to certain conditions, to purchase the Series 2017 Bonds from the Issuer at a purchase price of \$ \_\_\_\_\_, being the par amount of the Series 2017 Bonds, plus a premium of \$ \_\_\_\_\_ less an underwriter's discount of \$ \_\_\_\_\_, and to make a public offering of the Series 2017 Bonds. The Underwriter will be obligated to purchase all such Series 2017 Bonds if any are purchased.

The Underwriter's obligation under the Purchase Contract to accept delivery of the Series 2017 Bonds is subject to certain terms and conditions, including the approval of certain legal matters by counsel. The public offering price set forth on the cover page hereof may be changed from time to time at the discretion of the Underwriter.

Pursuant to the Purchase Contract, the SCSD and the City have agreed to indemnify the Underwriter and the Issuer against certain liabilities to the extent permitted by law.

## **SECONDARY MARKET DISCLOSURE**

In order to assist the Underwriter in complying with the provisions of paragraph (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule"), the JSCB will undertake, on behalf of the City and the SCSD, in a written agreement for the benefit of the holders and beneficial owners of the Series 2017 Bonds (the "Continuing Disclosure Agreement") to electronically file with the Municipal Securities Rulemaking Board ("MSRB"), as the sole nationally recognized securities repository through the MSRB's Electronic Municipal Market Access ("EMMA") System, on an annual basis no later than one calendar year after the end of each respective Fiscal Year of the City and the SCSD, commencing with the Fiscal Year ending June 30, 2017, certain financial and operating data concerning the City and the SCSD of the type included in this Official Statement and as specified in the Continuing Disclosure Agreement. In addition, the JSCB will undertake, on behalf of the City and the SCSD, for the benefit of the holders and beneficial owners of the Series 2017 Bonds, to electronically file with the MSRB through EMMA, in a timely manner, not in excess of ten (10) business days after the occurrence, notices of any of the events enumerated in the Rule. Any filing to be made under the Continuing Disclosure Agreement may be made solely by transmitting such filing to the MSRB through EMMA as provided at <http://emma.msrb.org>. See APPENDIX F — "Form of Continuing Disclosure Agreement."

Continuing disclosure agreements which were executed by the SCSD with respect to each series of Project Bonds outstanding require the filing with each Nationally Recognized Municipal Securities Information Depository ("*NRMSIR*") or EMMA, as the case may be, of audited financial statements of the SCSD and certain financial and operating data of the type contained in the respective official statements relating to each of the respective Project Bonds outstanding no later than 360 days after the end of each respective fiscal year of the City and the SCSD. Audited financial statements for the SCSD were filed in a timely manner by the JSCB for each of the fiscal years ended June 30, 2012, 2015, and 2016. The JSCB filed a copy of the SCSD's 2013 audited financial statements on June 29, 2014, which was 4 days late. However, due to an administrative oversight, for the fiscal year ended June 30, 2014 a copy of the audited financial statements of the City and not

the SCSD was filed on May 8, 2015. Although the audited financial statements of the City included information relating to the SCSD and the JSCB, a full copy of the SCSD's audited financial statements did not accompany the filing. The JSCB subsequently filed a full copy of the SCSD's 2014 audited financial statements on July 29, 2015, which was 34 days late. In addition, annual financial information and operating data for the fiscal years ended June 30, 2011, 2012, 2013, and 2014 were filed late by 4, 3, 4, and 5 days, respectively. The late filings for the 2011 through 2014 fiscal years were due to a misunderstanding as to the required filing date, which was believed to be not later than the end of succeeding fiscal year. In addition, due to an administrative oversight, annual financial information and operating data for the fiscal years ended June 30, 2015 was filed on February 13, 2017 which was 233 days late. Aside from the foregoing, the JSCB is in compliance with all existing continuing disclosure agreements during the previous five years. The JSCB has established procedures to insure that future filings of continuing disclosure information will be complete and will be undertaken in a timely manner in compliance with existing continuing disclosure obligations, including transmitting such filings to the MSRB through EMMA.

## INDEPENDENT AUDITOR'S REPORT

December 15, 2016

To the Board of Education  
City School District of Syracuse, New York:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City School District of Syracuse, New York (the District), a blended component unit of the City of Syracuse, New York, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the Table of Contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City School District of Syracuse, New York, as of June 30, 2016, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Report on Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, Schedule of Revenues, Expenditures and Encumbrances - Budget and Actual - General Fund, Schedule of Funding Progress for Postemployment Benefits, Schedule of Proportionate Share of Net Pension Liability (Asset) and Schedule of Contributions-Pension Plans be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City School District of Syracuse, New York's basic financial statements as a whole. The supplementary information on pages 58-59, as required by New York State Education Department and the combining and individual nonmajor fund financial statements on pages 56-57, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The supplementary information on pages 58-59 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2016, on our consideration of the City School District of Syracuse, New York's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City School District of Syracuse, New York's internal control over financial reporting and compliance.

## **USING THIS ANNUAL REPORT**

This annual report consists of three components: MD&A (this section), the basic financial statements, and required supplementary information. The basic financial statements include two kinds of statements that present different views of the District:

- Government-wide financial statements that include the Statement of Net Position and the Statement of Activities and Changes in Net Position. These statements provide both short-term and long-term information about the activities of the District as a whole as well as the District's blended component unit, JSCB.
- Fund financial statements that focus on individual parts of the District, reporting the District's operations in more detail than the government-wide financial statements. The fund financial statements concentrate on the District's most significant funds with all other non-major funds listed in total in one column. JSCB, a discretely presented component unit of the District, is presented as a major component unit in the governmental fund financial statements.
- The governmental fund financial statements show how basic services such as general and special education were financed in the short-term as well as how much remains for future spending.
- Fiduciary funds statements provide information about the financial relationships in which the District acts solely as a trustee or agent for the benefit of those outside the District.

The financial statements also include notes that explain some of the information in the statements and provide more detailed data. The statements are followed by a section of required supplementary information that further explains and supports the financial statements including a comparison of the District's General Fund budget to actual for the year.

Table 1 below summarizes the major features of the District's financial statements, including the portion of the District's activities covered and the types of information contained. The remainder of this overview section of the MD&A highlights the structure and contents of each of the statements.

## **USING THIS ANNUAL REPORT (Continued)**

### **Government-wide Financial Statements**

One of the most fundamental and key questions relative to any School District is *How did we do financially during the course of this past year?* To help answer this question, the Statement of Net Position and the Statement of Activities and Changes in Net Position provide information on the School District as a whole using accounting methods similar to those used by private-sector companies. These statements present a summary of assets, deferred outflows of resources, liabilities and deferred inflows of resources as well as revenues and expenses using the accrual basis of accounting similar to those methods used by private-sector companies. All of the current year's revenues and expenses are accounted for in the Statement of Activities and Changes in Net Position regardless of when cash is received or paid.

The two government-wide statements report the District's net position and how it has changed. Net Position - the difference between the District's assets and deferred outflows of resources and the District's liabilities and deferred inflows of resources - is one way to measure the District's financial health or position.

- Over time, increases or decreases in the School District's net position are an indicator of whether its financial situation is improving or deteriorating, respectively.
- To assess the School District's overall health, you need to consider additional non-financial factors such as changes in the School District's property tax base and the condition of school buildings and other facilities.

In the Government-wide Statement of Net Position and the Statement of Activities and Changes in Net Position, the District's activities are shown as Governmental Activities. The majority of the District's basic programs and services are reported here, including general and special education, pupil transportation, and administration. Property taxes and State formula aid finance most of these activities.

### **Fund Financial Statements**

The Fund Financial Statements provide more detailed information about the District's funds, focusing on the most significant or "major" funds, rather than the District as a whole. Funds are accounting devices the School District uses to keep track of specific sources of funding and spending on particular programs:

- Some funds are required by State law and by bond covenants.
- The School District establishes other funds to control and to manage money for particular purposes (such as repaying its long-term debts) or to show that it is properly using certain revenues (such as Federal grants).

## **USING THIS ANNUAL REPORT (Continued)**

### **Fund Financial Statements - (Continued)**

The District has three types of activities:

- **Governmental Funds:** Most of the District's basic services are included in governmental funds, which generally focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances left at year end that are available for spending. Consequently, the governmental funds statements provide a detailed short-term view that helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the School District's programs. Because this information does not encompass the additional long-term focus of the district-wide statements, additional information at the bottom of the governmental funds statements explains the relationship (or differences) between them.
- **Fiduciary Funds:** The District is the trustee, or fiduciary, for assets that belong to others, such as the scholarship fund and the student activities fund. The District is responsible for ensuring that the assets reported in these funds are used only for their intended purposes and by those to whom the assets belong. These funds are not reflected in the government-wide financial statements because these assets are not available to finance the District's operations.
- **Blended Component Unit:** The District includes one separate legal entity in this report - the Joint Schools Construction Board (JSCB). The JSCB is a joint venture between the District and the City. The JSCB is authorized to act as an agent to enter into contracts on behalf of the District and the Common Council of the City of Syracuse, New York (the Council) for the design, construction, reconstruction and financing of educational facilities in the City in accordance with applicable state and local laws. JSCB has a fiscal year which ends June 30.

### **FINANCIAL ANALYSIS OF THE SCHOOL DISTRICT AS A WHOLE**

Our analysis below focuses on the net position (Table 2) and the changes in net position (Table 3) of the District's governmental activities.

In Table 2, total governmental assets decreased by approximately 6.4% mainly due to the decrease of the District's proportionate share of the NYSTRS' net pension asset from \$119 million to \$109 million and the use of cash to fund the District's operations.

Total liabilities increased by approximately 1.0% with Other Liabilities increasing \$20.5 million and Bonds Payable decreasing by \$12.7 million for the current year debt service payments. The increase in the Other Liabilities category is mainly attributable to the growing liability for other postemployment benefits (OPEB) that rose by \$17.7 million this year.

Deferred outflows of \$44.8 million and deferred inflows of \$40.5 million, an increase of \$13.4 million and a decrease of \$41.9 million, respectively from the prior year, were also recognized this year in accordance with GASB Statement No. 68 and 71 for the District's share of the ERS and TRS pensions.

The District's combined governmental net deficit decreased approximately \$15.0 million or 5.1%. At June 30, 2016, the total liabilities exceeded the total assets by \$281.5 million (net deficit).

As shown on the next page in Table 3, the District's total revenues from governmental activities remained stable decreasing only slightly by 0.9% or \$4.3 million. In the prior year, the District received a one-time award of \$1.3 million through the New York State School Technology Voucher Program as reimbursement for qualified technology purchases made over the past few years that enhanced computer-based testing and supported a technology-rich learning environment.

The cost of all governmental programs and services decreased by 5.4% or \$24.8 million with Instructional expenses decreasing \$23.2 million mainly due to the impact of the second year of implementing GASB Statement No. 68 and 71 with the District's share of the NYSTRS' and NYSERS' net pension asset of \$109.2 million and liability of \$21.2 million, respectively.

When expenses are reviewed without this impact, salaries increased \$11.9 million over the prior year mainly due to the retroactive wage increases negotiated during bargaining unit contract settlements with current year salary expenditures reflecting the impact of up to two years of retroactive salary increases.

Contract services expenses increased \$8.1 million over the prior year as the District continued to implement the Assurance of Discontinuance initiatives as well as enrichment and alternative programs, school reviews, technical assistance to strengthen educator evaluation and classroom coaching. The District also completed a successful mid-year implementation of Centro transportation for high school students within the 1.5 to 2.0 mile radius and incorporated additional routes and bus aides, and changes in bus types to meet student transportation needs.

Also, actively managing health and prescription costs including the first full year of the new prescription drug contract pricing and high deductible health plan implementation resulted in these costs decreasing slightly this year.

Charter School tuition expense increased \$1.0 million in the current year when compared with the prior year due to increases in the billing rate and charter school enrollment.

Finally, the mild weather combined with natural gas rates that remained at 10-year record lows throughout the year resulted in utilities expenses that were \$918 thousand less than in the prior year.

**FINANCIAL ANALYSIS OF THE SCHOOL DISTRICT AS A WHOLE (Continued)**

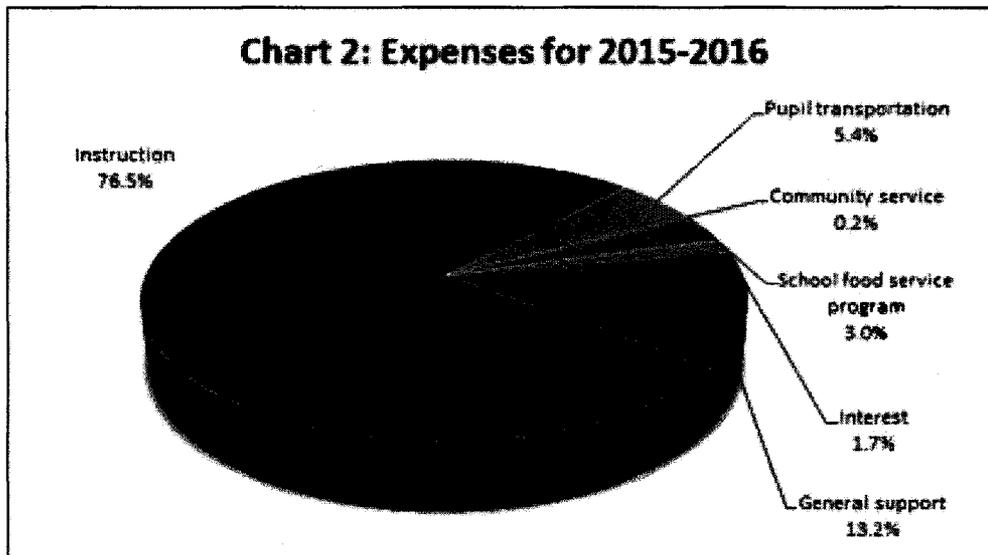

The District is dependent on New York State and Federal sources for financing day to day operations with these two funding sources comprising 86.7% of total Governmental Activities revenue as shown in Chart 1 below. This dependency results in sensitivity to changes in the State's fiscal condition as well as changes in the State and Federal governments' funding priorities.

The District spent 76.5% of total expenditures on Instruction including salaries and benefits for Teachers and Teaching Assistants and instructional supplies and 3.0% providing meals to students through the School Food Service Program as shown in Chart 2 below.

Pupil Transportation services to transport all students who are residents of the District to sites both within and outside of the District utilized 5.4% of total expenditures.

General Support services such as custodial, maintenance, accounting and administrative services made up approximately 13.2% of total expenditures.

## **FINANCIAL ANALYSIS OF THE DISTRICT'S FUNDS**

At June 30, 2016, the District's governmental funds reported a combined fund balance of \$51.4 million, which is a decrease of \$12.9 million from the prior year combined fund balance of \$64.3 million. The fund balance represents the accumulated results of the current and all previous years' operations.

The total fund balance is segregated into non-spendable, restricted, committed, assigned and unassigned amounts based on nature of the restriction imposed on the District's ability to use those net assets for day-to-day operations. More detailed information on the nature of each category of fund balance is presented in Note 1 to the financial statements. As a measure of each fund's liquidity, it may be useful to compare both its unassigned fund balance and total fund balance to total fund expenditures.

### **General Fund**

The General Fund's fund balance at June 30, 2016, is \$34.9 million, which is a decrease of \$8.8 million from the prior year fund balance of \$43.7 million. Of the balance at June 30, 2016, \$17.9 million was unassigned. The unassigned fund balance represents 4.7% of the total current year General Fund expenditures, while total fund balance represents 9.2% of that same amount.

### **JSCB**

At June 30, 2016, the Joint Schools Construction Board (JSCB), a blended component unit reported a fund balance of \$5.7 million, which is a decrease of \$0.8 million from the prior year fund balance of \$6.5 million. The entire amount of the fund balance is reserved for use in the related JSCB construction and renovation projects to be completed throughout the District.

## **GENERAL FUND BUDGETARY HIGHLIGHTS**

The District's original adopted General Fund budget was \$396.2 million

The actual charges to appropriations (expenditures) were \$18.6 million or 4.7% less than the final budget amount of \$396.2 million mainly due to lower than budgeted health and prescription costs from the new prescription drug contract pricing and lower claim volume and severity. Contract service costs were also less with actual contract amounts being less than budgeted estimates, the availability of grant funding for budgeted services and delayed implementation of some initiatives. Additionally, utilities costs were lower with the mild seasons and low natural gas prices. Unemployment costs also were lower due to the improving economy.

Resources available for appropriation (revenues) excluding the use of fund balance were \$1.2 million more than the final budgeted amount of \$367.7 million. The District had higher than anticipated operating transfers in for indirect cost allocations from the School Food Service program and grants as the District received more grants with an indirect cost allocation than anticipated. This allocation is designed to help support the administrative costs associated with operating the School Food Service and grant funded programs.

For a more detailed comparison of budget to actual operating results by category, refer to the Required Supplementary Information Schedule of Revenues, Expenditures and Encumbrances – Budget and Actual for the Year Ended June 30, 2016.

## CAPITAL ASSETS

At June 30, 2016, the District had \$249.8 million, net of depreciation and amortization, invested in a broad range of capital assets, including land, buildings, athletic facilities, vehicles, software and other equipment for governmental activities. This amount represents a net decrease of \$1.7 million or 0.7% from last year. The decrease is primarily due current year depreciation of \$6.1 million which was offset by the addition of construction in progress for major renovations at various schools throughout the District implemented under Phase II of the Joint Schools Construction Board school reconstruction program, the Building Condition Survey and the purchase of replacement vehicles for the District's aging fleet.

**Table 4 - Capital Assets at Year End

More detailed information about the District's capital assets is presented in Note 4 to the financial statements.

## DEBT ADMINISTRATION

At June 30, 2016, the District had \$143.6 million of bonds payable outstanding compared to \$156.3 million last year, a decrease of \$12.7 million or 8.1% for the principal payments made during the year. As the District continues to renovate aging facilities, it is anticipated debt will increase in future years.

More detailed information about the District's long-term liabilities is presented in Note 5 to the financial statements.

## CHALLENGES FACING THE DISTRICT

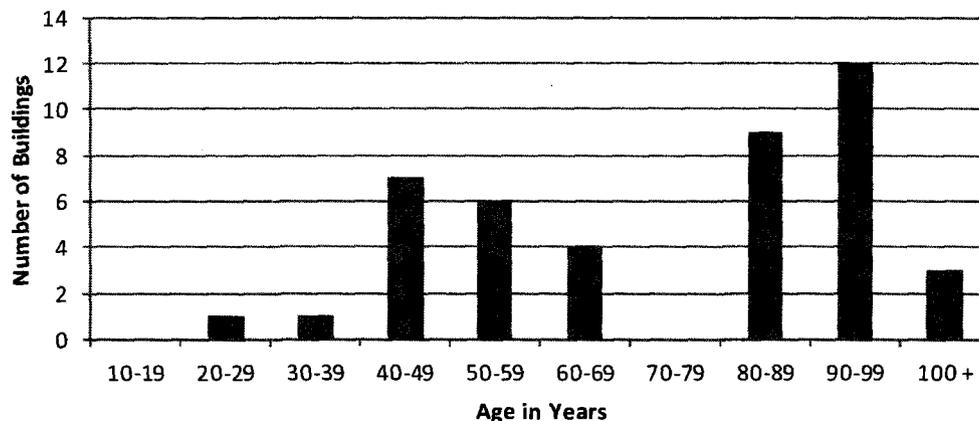

As a dependent school district without the authority to raise taxes or issue debt, the District is directly affected by local and State economic conditions. Like many urban based districts, the Syracuse City School District operates in an environment of fluctuating enrollment, increasing costs of operations (primarily salary, wages and employee benefits), an aging infrastructure and decreasing property tax valuations.

Maintaining and operating District facilities presents a significant challenge, one which is made more difficult given the age of the school buildings. Nearly 60% of the District's facilities are 80 years or older (see Table 5). In response to the need to allocate funds to meet the increasing costs of instructional activities, funding routine maintenance has been curtailed. Consequently, the amount of deferred maintenance continues to increase.

All these challenges impact the District's ability to both attract and retain a high quality instructional and administrative workforce.

**Table 5**  
**Age of Active Buildings**

### Age of Active School Buildings

As we look forward there are, however, some notable initiatives that will have a positive impact on the District's ability to achieve its mission.

In January 2006, the New York State Legislature authorized the Syracuse Cooperative School Reconstruction Act and the Joint City Schools Construction Board to act as an agent of the City and the Board of Education to implement various school reconstruction projects.

The State has authorized the total cost of this initial group of projects not to exceed \$225,000,000. However, JSCB has elected to limit the cost impact of these projects by reducing the size of the initial phase to \$150,000,000. During the 2009-2010 fiscal year, the first phase of roof replacement projects at Clary and Bellevue Academy at Shea were completed. During 2010-2011, the second phase of the roof replacement projects for Clary and Bellevue Academy at Shea were completed. In 2011-2012, construction began on major renovation projects at Central Tech, Dr. Weeks, H.W. Smith, and Fowler. During 2012-13, the Fowler, Dr. Weeks, and Central Tech project reached the substantial completion stage of construction. The H.W. Smith project was substantially complete in December 2013.

## **CHALLENGES FACING THE DISTRICT (Continued)**

In May 2013, the Legislature approved an amended version of the Syracuse Cooperative School Reconstruction Act ("JSCB Phase II") that authorizes a second phase of up to twenty school reconstruction projects for an amount not to exceed \$300,000,000. The JSCB Phase II bill was signed into law by the Governor in October 2013. Specific schools to be renovated are named in the legislation. Projects for these schools were to be recommended as part of a comprehensive planning process to be undertaken by the District. The planning process is completed with the JSCB approving the Comprehensive Plan in December 2014 and the Office of the State Comptroller approving in June 2015. Design for the first seven Phase II projects is underway and is expected to be completed in Spring 2017.

The District has created the Syracuse City School District Education Foundation. The Foundation was established to help respond to the rapidly expanding cost of technology, unfunded government mandates and revenue sources which have not kept pace with the ever increasing cost of operations.

The City of Syracuse and County of Onondaga entered into an inter-municipal agreement on March 27, 2012 for the purpose of creating the Greater Syracuse Property Development Corporation, a not-for-profit corporation, operating as the Greater Syracuse Land Bank (Land Bank) under the New York Land Bank Act of 2011. The purpose of the Land Bank is to address problems regarding vacant and abandoned property in a coordinated manner and to further foster the development of such property and promote economic growth through the return of vacant, abandoned, and tax-delinquent properties to productive use. In the long term, the improvement of these properties has the potential to increase property tax assessment values and increase the related property tax levy revenue for the District. In the short term, when a property is purchased and ownership transferred to the Land Bank, the property becomes tax exempt and the value of the property is removed from the tax levy reducing the District's property tax revenue. The District's property tax revenue was reduced by approximately \$500 thousand in the current fiscal year for these transfers and other adjustments.

In New York, adequate and equitable funding has been challenged, resulting in a school based funding lawsuit specifically addressing the adequacy of funding for New York City based schools. Several courts, including the New York State Court of Appeals, have determined that the current funding formula in New York State does not provide adequate funding for New York City and therefore students are unable to receive a sound basic education. On November 20, 2006 the New York State Court of Appeals issued a decision indicating a lack of adequate funding for New York City Schools. While at this time the District is unable to predict the ultimate outcome of this case, we do believe that some form of the final New York City based solution will also be applied to other districts in the State.

In April 2007, the New York State Legislature enacted the State Education Budget and Reform Act of 2007 ("Education Act") to offer resources and aid to the highest-need students in the lowest-performing schools. The Legislature passed a budget for the 2008-09 school year that fully funded the aid increases contained in the Education Act. However, school aid was frozen in the 2009-10 budget due to the state's fiscal challenges, and remained frozen in the 2010-11 and 2011-12 school years. Modest increases in school aid were provided beginning in 2012-13 and have carried through to the 2016-17 school year.

## **NEXT YEAR'S BUDGET**

In preparing the 2016-17 operating budget, the District faced several challenges including implementation of the State mandated Common Core standards, school receivership requirements, Assurance of Discontinuance recommendations, extended learning time, alternative education programming and systems of support, enhanced career and technical education programs, an increase in educational accountability and an overall increase in the District's operating costs.

The District's portion of the Property Tax Levy increased by 1% over the 2015-16 adopted budget and state aid increased by approximately 9%. Sales tax revenues are projected to decrease by 30%. The budget includes \$11 million in appropriated fund balance.

In order to balance the budget, the District will apply for a special apportionment provided pursuant to Chapter 57 of the Laws of 2016 which allows school districts to accrue a portion of their subsequent year's state aid into the current fiscal year.

The District, in conjunction with the City of Syracuse, continues to aggressively manage its spending and evaluate opportunities for increased efficiency, consolidation and cost reduction.

**NOTES TO BASIC FINANCIAL STATEMENTS  
JUNE 30, 2016**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The basic financial statements of the City School District of Syracuse, New York (the "District") have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") as applied to government units. The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Significant accounting principles and policies used by the District are described below.

**A. Financial Reporting Entity**

The City School District of Syracuse, New York is governed by the Education Law and other laws of the State of New York. The governing body is the Board of Education. The scope of activities included within the accompanying basic financial statements are those transactions which comprise school district operations, and are governed by, or significantly influenced by, the Board of Education. Essentially, the primary function of the District is to provide education for pupils. Services such as transportation of pupils, administration, finance, and plant maintenance support the primary function. The financial reporting entity includes all funds, functions and organizations over which the School District Officials exercise oversight responsibility and the activities of a blended component unit, the Joint Schools Construction Board.

The reporting entity of the District is based upon criteria set forth by GASB Statement 61, *The Financial Reporting Entity: Omnibus - an amendment of GASB Statements No. 14 and No. 34*. Under GASB Statement 61, the District is a blended component unit of the City of Syracuse, New York (the "City").

The accompanying financial statements present the activities of the District including the Extraclassroom Activity Funds (the "ECA Funds").

The ECA Funds are independent of the District with respect to financial transactions and the designation of student management, however, the Board of Education exercises general oversight of these funds. The District accounts for the ECA Funds in the Agency Fund. Separate audited financial statements (cash basis) of the ECA Funds can be found at the District's business office.

*Joint Schools Construction Board Blended Component Unit (JSCB)*

Under GASB Statement 61, the JSCB is a blended component unit of the District based on the criteria that the JSCB provides services almost exclusively to the District. Separate audited financial statements are prepared for JSCB and reports may be obtained by writing to Joint Schools Construction Board, City Hall, Syracuse, New York 13202. JSCB has a fiscal year which ends June 30.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### B. Basis of Presentation

#### *Government-wide Financial Statements:*

The Statement of Net Position and the Statement of Activities and Changes in Net Position present financial information about the reporting government as a whole. These statements include the financial activities of the overall government in its entirety, except those that are fiduciary. Eliminations have been made to minimize the double counting of internal transactions. Governmental activities generally are financed through taxes, state aid, intergovernmental revenues, and other non-exchange transactions. Operating grants include operating-specific and discretionary (either operating or capital) grants.

The Statement of Activities and Changes in Net Position presents a comparison between program expenses and revenues for each function of the District's governmental activities. Direct expenses are those that are specifically associated with and are clearly identifiable to a particular function. Indirect expenses, principally employee benefits, are allocated to functional areas in proportion to the payroll expended for those areas. Program revenues include charges paid by the recipients of goods or services offered by the programs, and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

#### *Fund Financial Statements:*

The fund financial statements provide information about the District's funds and blended component unit, including fiduciary funds. Separate statements for each fund category (governmental and fiduciary) are presented. The emphasis of fund financial statements is on major funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major governmental funds.

The District reports the following major governmental funds and blended component unit:

#### **General Fund**

This is the District's primary operating fund. It accounts for all financial transactions that are not required to be accounted for in another fund.

#### **Special Aid Fund**

This fund accounts for the proceeds of specific revenue sources, such as federal and state grants, that are legally restricted to expenditures for specified purposes. These legal restrictions may be imposed either by governments that provide the funds or by outside parties.

#### **Joint Schools Construction Board ("JSCB") Blended Component Unit**

The JSCB is a joint venture between the District and the City. This blended component unit is used to account for transactions associated with the design, construction, reconstruction, and financing of public educational facilities in the City. The JSCB is authorized to act as an agent to enter into contracts on behalf of the District and the Common Council of the City of Syracuse, New York (the "Council") for the construction of new educational facilities in accordance with applicable state and local laws.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**B. Basis of Presentation (Continued)**

The District reports the following governmental funds as nonmajor governmental funds:

**School Food Service Fund**

This fund accounts for the financial transactions related to the food service operations of the District.

**Capital Projects Fund**

This fund is used to account for the financial resources used for acquisition, construction, or major repair of capital facilities. The principal sources of financing are from the sale of bonds or issuance of bond anticipation notes.

**Debt Service Fund**

This fund accounts for the accumulation of resources and the payment of principal and interest on long-term general obligation debt of governmental activities. Financing is provided by transfers from the General Fund and the Capital Projects Fund.

**Permanent Fund**

This fund is used to account for trust arrangements in which the District is the beneficiary of the earnings on the principal.

Fiduciary activities are those in which the District acts as trustee or agent for resources that belong to others. These activities are not included in the government-wide financial statements, because their resources do not belong to the District, and are not available to be used. The District reports the following fiduciary funds:

**Private Purpose Trusts Fund**

This fund is used to account for assets held by the District under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the District's own programs.

**Agency Fund**

This fund is strictly custodial in nature and does not involve the measurement of results of operations. Assets are held by the District as agent for various student groups or ECA Funds and for payroll or employee withholding.

**C. Measurement Focus and Basis of Accounting**

The government-wide and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash transaction takes place. Non-exchange transactions, in which the District gives or receives value without directly receiving or giving equal value in exchange, include property taxes, grants and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

The governmental fund statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues reported in the governmental funds to be available if the revenues are collected within ninety days after the end of the fiscal year.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Measurement Focus and Basis of Accounting (Continued)**

Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

**D. Revenue, Expenditures and Expenses**

**Property Taxes**

Real property taxes are levied annually by the Council. Uncollected real property taxes are subsequently enforced by the City. An amount representing uncollected real property taxes must be transmitted by the City to the District within two years from the return of unpaid taxes to the City.

**Intergovernmental Revenues - Grants**

Revenues and expenditures from federal and state grants are typically recorded in the general and special revenue funds. The District follows the policy that an expenditure of funds is the prime factor for determining the release of grant funds; revenue is recognized at the time of the expenditure of funds. If release of grant funds is not contingent upon expenditure of funds, revenue is recorded when received or when the grant becomes an obligation of the grantor.

**Program Revenues**

Program revenues include charges for services, and operating/capital grants and contributions that directly relate to a function such as general support, instruction, etc.

**Expenditures/Expenses**

In the government-wide financial statements, expenses are classified by function for governmental activities.

In the fund financial statements, expenditures are classified as follows:

Governmental Funds - By Character:                      Current (further classified by function)

Debt Service  
Cost of Sales  
Capital Outlay

**Indirect Expenses**

Indirect expenses are allocated based upon a percentage of governmental fund expenditures by function.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### D. Revenue, Expenditures and Expenses (Continued)

#### **Interfund Transfers and Interfund Receivables and Payables**

The operations of the District include transactions between funds. These transactions may be temporary in nature, such as with interfund borrowing. The District typically loans resources between funds for the purpose of providing cash flow. These interfund receivables and payables are expected to be repaid within one year. Permanent transfers of funds include the transfer of expenditures and revenues to provide financing or other services.

In the government-wide statements, the amounts reported on the Statement of Net Position for interfund receivables and payables represent amounts due between different fund types (governmental activities and fiduciary funds). Eliminations have been made for all interfund receivables and payables between the funds, with the exception of those due from or to fiduciary funds.

The governmental funds report all interfund transactions as originally recorded. Interfund receivables and payables may be netted on the accompanying governmental funds balance sheet when it is the District's practice to settle these amounts at a net balance based upon the right of legal offset.

Refer to Note 3 for a detailed disclosure by individual fund for interfund receivables, payables, expenditures and revenues activity.

#### **Restricted and Unrestricted Resources**

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

### E. Cash and Cash Equivalents

The District's cash and cash equivalents consist of cash on hand, demand deposits, cash held by the City, cash held by fiscal agents, and short-term investments with original maturities of three months or less from the date of acquisition.

New York State (the "State") law governs the District's investment policies. Resources must be deposited in FDIC-insured commercial banks or trust companies located within the State. Permissible investments include obligations of the United States Treasury, United States Agencies, repurchase agreements and obligations of New York State or its localities.

Collateral is required for demand and time deposits and certificates of deposit at commercial banks not covered by FDIC insurance. Obligations that may be pledged as collateral are obligations of the United States and its agencies and obligations of the State and its municipalities and school districts.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **E. Cash and Cash Equivalents (Continued)**

Custodial Credit Risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. GASB Statement No. 40 directs that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either uncollateralized, collateralized by securities held by the pledging financial institution or collateralized by securities held by the pledging financial institution's trust department but not in the District's name. The District's aggregate bank balances that were not covered by depository insurance were not exposed to custodial credit risk at June 30, 2016.

The District was invested only in the above-mentioned obligations and, accordingly, was not exposed to any interest rate risk.

All cash and equivalents restricted by external sources are held by the City for the benefit of the District and are reflected on the books and records of the City.

### **F. Restricted Assets**

Certain assets are classified on the balance sheet as restricted because their use is limited. The proceeds from bond sales can only be used for the stated purpose of the borrowing. Donations to be used toward scholarships in the Private Purpose Trusts Fund and funds supporting ECA Funds in the Agency Fund are restricted specifically for those purposes.

### **G. Receivables**

In the government-wide statements, receivables consist of all revenues earned at year-end but not yet received. Major receivable balances for the governmental activities include grants.

In the fund financial statements, receivables in governmental funds include revenue accruals such as grants and other similar intergovernmental revenues since they are usually both measurable and available. Non-exchange transactions collectible but not available are deferred in the fund financial statements in accordance with the modified accrual basis, but not deferred in the government-wide financial statements in accordance with the accrual basis. Interest and investment earnings are recorded when earned only if paid within ninety days since they would be considered both measurable and available.

### **H. Inventory and Prepaid Items**

Inventories of food and/or supplies in the School Food Service Fund are recorded at cost on a first-in, first-out basis or, in the case of surplus food, at stated value that approximates market. Purchases of inventoriable items in other funds are recorded at cost on an average cost basis.

Prepaid items represent payments made by the District for which benefits extend beyond year-end. These payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. These items are reported as assets on the Statement of Net Position and Balance Sheet using the consumption method. A current asset for the prepaid amounts is recorded at the time of purchase and an expense/expenditure is reported in the year the goods or services are consumed.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**I. Capital Assets (Fixed Assets)**

Capital assets, which include land and land improvements, buildings and improvements, furniture and equipment and vehicles as well as intangibles such as software, are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the District as assets with an initial cost of \$5,000 or more and an estimated useful life in excess of two years.

Capital assets are reported at actual cost or estimated historical costs if purchased or constructed. Donated assets are reported at estimated fair market value at the time received.

The District depreciates/amortizes capital assets using the straight-line method over the estimated useful life of the asset beginning in the first month after completion or acquisition of the asset. The range of estimated useful lives by type of asset is as follows:

<u>Type of Asset</u>	<u>Estimated Useful Lives</u>
Land improvements	20 years
Buildings and improvements	39 years
Furniture and equipment	6 -10 years
Vehicles	3 - 9 years
Software	5 -10 years

**J. Deferred Outflows and Inflows of Resources**

In addition to assets, the Statement of Net Position includes a separate section for deferred outflows of resources. This financial statement element represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The District has \$44,825,900 in deferred outflows of resources which is comprised of TRS and ERS Pension amounts and deferred losses on the early retirement of debt at June 30, 2016 as described in Note 5 and Note 7, respectively. The District has \$40,487,212 in deferred inflows of resources which is comprised of TRS and ERS Pension amounts at June 30, 2016 as described in Note 7.

**K. Compensated Absences**

Compensated absences consist of unpaid vested annual sick leave and vacation time. Sick leave eligibility and accumulation is specified in negotiated labor contracts and in individual employment contracts. Upon retirement, employees may contractually receive a payment based on unused accumulated sick leave. District employees are granted vacation in varying amounts, based primarily on length of service and service position. Some earned benefits may be forfeited if not taken within varying time periods.

Consistent with governmental accounting standards, an accrual for vested sick leave and vacation time is included in the compensated absences liability at year-end. The compensated absences liability is calculated based on contractual provisions.

The liability for these compensated absences is recorded as long-term debt in the government-wide statements. In the fund financial statements, the General Fund reports only the compensated absence liability payable from expendable available financial resources. These amounts are expensed on a pay-as-you-go basis.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**L. Other Benefits**

District employees participate in the New York State Employees' Retirement System ("NYSERS") and the New York State Teachers' Retirement System ("NYSTRS").

In addition to providing pension benefits, the District provides postemployment health insurance coverage and survivor benefits to retired employees and their survivors in accordance with the provisions of various employment contracts in effect at the time of retirement. Substantially all of the District's employees may become eligible for these benefits if they reach normal retirement age while working for the District. Health care benefits are provided through plans whose premiums are based on the benefits paid during the year. The cost of providing postemployment benefits is shared between the District and the retired employee. See Note 8 for further information. There are currently approximately 7,100 individuals receiving benefits under the plan.

**M. Long-Term Obligations**

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities statement of net position. Bond premiums, if any, are deposited in the Debt Service Fund or JSCB, a blended component unit, and used to retire debt in the respective fund or unit. Bond issuance costs are expensed.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources.

**N. Equity Classifications**

*Government-wide Statements*

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets - consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position - reports net position when constraints placed on the assets or deferred outflows of resources either by (1) external groups such as creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Restricted net position includes the following:

Special Aid Fund	\$ (340,434)
Joint Schools Construction Board (JSCB)	5,652,948
School Food Service Fund	8,255,160
Permanent Fund	16,983
Capital Projects	1,810,135
Debt Service	<u>165,225</u>
Total restricted net position	<u>\$ 15,560,017</u>

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**N. Equity Classifications (Continued)**

*Government-wide Statements (Continued)*

- c. Unrestricted net position - reports the balance of net position that does not meet the definition of "restricted" or "net investment in capital assets" and is deemed to be available for general use by the District.

*Fund Statements*

Classification of fund balance reflects spending constraints on resources, rather than availability for appropriation to provide users more consistent and understandable information about a governmental fund's net resources. Constraints are broken down into five different classifications: non-spendable, restricted, committed, assigned and unassigned. The classifications serve to inform readers of the financial statements of the extent to which the government is bound to honor constraints on the specific purposes for which resources in a fund can be spent. In the fund basis statements, there are five classifications of fund balance:

- a. Non-spendable - Includes amounts that cannot be spent because they are either not in spendable form or legally or contractually required to be maintained intact. Non-spendable fund balance includes the inventory and prepaid expenses recorded in the General Fund of \$1,047,571 and \$577,708, prepaid expenses in the Special Aid Fund of \$707,828, and inventory in the School Food Service Fund of \$270,603.
- b. Restricted - Includes amounts with constraints placed on the use of resources either externally imposed by creditors, grantors, contributors or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation. The definition of restricted fund balance is the same as restricted net position.
- c. Committed - Includes amounts that can only be used for the specific purposes pursuant to constraints imposed by formal action of the school district's highest level of decision making authority, i.e., the Board of Education. The District has no committed fund balances as of June 30, 2016.
- d. Assigned - Includes amounts that are constrained by the District's intent to be used for specific purposes, but are neither restricted nor committed. The Chief Financial Officer has been authorized by the Board of Education to assign fund balance. All encumbrances of the General Fund are classified as Assigned Fund Balance in the General Fund. Encumbrances reported in the General Fund amounted to \$4,297,073. Appropriated fund balance designated during the budgetary process for use to fund operating expenditures in the next fiscal year is also included in Assigned Fund Balance. The District appropriated \$11,000,000 of fund balance to be used to fund fiscal year 2016-2017 operating expenditures. As of June 30, 2016, the District's general fund encumbrances were classified as follows:

General Support	\$2,446,740
Instruction	1,802,133
Transportation	48,200
Total General fund encumbrances	<u>\$4,297,073</u>

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**N. Equity Classifications (Continued)**

- e. Unassigned - Includes all other General Fund fund balance that does not meet the definition of the above four classifications and are deemed to be available for general use by the District. In addition, unassigned fund balance includes any remaining negative fund balance for funds other than the General Fund.

*Order of Use of Fund Balance*

The District's policy is to apply expenditures against non-spendable fund balance, restricted fund balance, committed fund balance, assigned fund balance and unassigned fund balance at the end of the fiscal year. For all funds, non-spendable fund balances are determined first and then restricted fund balances for specific purposes are determined. In the General Fund, committed fund balance is determined next and then assigned. The remaining amounts are reported as unassigned. Assignments of fund balance cannot cause a negative unassigned fund balance.

**O. Economic Dependency**

The District receives significant funding from the U.S. Department of Agriculture, the U.S. Department of Education and other Federal, State, and Local sources. Curtailment of such revenue would have a significant impact on the District's programs.

**P. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates. Estimates and assumptions are made in a variety of areas, including computation of encumbrances, compensated absences, potential contingent liabilities and useful lives of long-lived assets.

## 2. BUDGETS AND BUDGETARY ACCOUNTING

### Budget Policies

- a. The District administration prepares a proposed budget for approval by the Board of Education and the City for the following governmental fund for which legal (appropriated) budgets are adopted: General Fund.
- b. A public hearing is held upon completion and filing of the tentative budget. Subsequent to such public hearing, the budget is adopted by the Board of Education.
- c. Appropriations are adopted at the program level.
- d. Appropriations established by adoption of the budget constitute a limitation on expenditures (and encumbrances) which may be incurred. Appropriations lapse at the fiscal year end unless expended or encumbered. Encumbrances lapse if not expended in the subsequent year. Supplemental appropriations may occur subject to legal restrictions, if the Board approves them because of a need that exists which was not determined at the time the budget was adopted.

An annual budget is not adopted for the Special Aid Fund. Budgetary controls are established in accordance with grant agreements

## 3. INTERFUND TRANSACTIONS

To improve cash management, most disbursements are made from a pooled account in the General Fund. Interfund receivables and payables exist primarily due to this cash management practice, as well as normal delays in processing interfund transfers and reimbursement. Interfund balances and transfers are short term in nature and are typically repaid in less than one year. The following schedule summarizes interfund transactions during the year ended June 30, 2016 and balances at June 30, 2016:

## 5. CAPITAL INDEBTEDNESS

The District borrows money in order to meet current operating requirements and to acquire or construct buildings and improvements. For acquisition or construction of buildings and improvements this enables the cost of these capital assets to be borne by the present and future taxpayers receiving the benefit of the capital assets. The provision to be made in future budgets for capital indebtedness represents the amount authorized to be collected in future years from taxpayers and others for liquidation of both current and long-term liabilities.

Payments on bonds payable, with the exception of the JSCB, that pertain to the District's governmental activities are made by the Debt Service Fund. Liabilities for compensated absences, retirement, self-insurance claims, environmental remediation and judgments and claims will be liquidated by the General Fund.

### Revenue and Bond Anticipation Notes Payable

The District and the JSCB may issue revenue anticipation notes, bond anticipation notes and tax anticipation notes, in anticipation of the receipt of revenues. For governmental funds, these notes are recorded as a liability of the fund that will actually receive the proceeds from the issuance of the notes. Revenue anticipation and tax anticipation notes represent a liability that will be extinguished by the use of expendable, available resources of the fund. Bond anticipation notes represent a liability that will be extinguished by the use of bond proceeds when bonds are issued.

**7. PENSION PLANS**

New York State Employee Retirement System (NYSERS)

The District participates in the New York State and Local Employee's Retirement System (ERS) also referred to as New York State and Local Retirement System (the NYSERS). This is a cost-sharing multiple-employer retirement system, providing retirement benefits as well as death and disability benefits. The net position of the NYSERS is held in the New York State Common Retirement Fund (the Fund), established to hold all net position and record changes in plan net position allocated to the NYSERS. The NYSERS benefits are established under the provisions of the New York State Retirement and Social Security Law (NYS RSSL). Once an employer elects to participate in the NYSERS, the election is irrevocable.

## 7. PENSION PLANS (Continued)

### New York State Employee Retirement System (NYSERS) (Continued)

The New York State Constitution provides that pension membership is a contractual relationship and plan benefits cannot be diminished or impaired. Benefits can be changed for future members only by enactment of a State statute. The District also participates in the Public Employees' Group Life Insurance Plan (GLIP), which provides death benefits in the form of life insurance. The system is included in the State's financial report as a pension trust fund. That report, including information with regard to benefits provided, may be found at [www.osc.state.ny.us/retire/publications/index.php](http://www.osc.state.ny.us/retire/publications/index.php) or obtained by writing to the New York State and Local Retirement System, 110 State Street, Albany, NY 12244.

#### **Contributions**

The NYSERS is noncontributory except for employees who joined the NYSERS after July 27<sup>th</sup>, 1976, who contribute 3.0% percent of their salary for the first ten years of membership, and employees who joined on or after January 1, 2010 who generally contribute 3.0% percent of their salary for their entire length of service. Under the authority of the NYSRSSL, the Comptroller annually certifies the actuarially determined rates expressly used in computing the employers' contributions based on salaries paid during the NYSERS' fiscal year ending March 31. Contributions for the current year and two preceding years were equal to 100 percent of the contributions required, and were as follows:

	<u>NYSERS</u>
2016	\$ 5,655,864
2015	\$ 5,816,753
2014	\$ 6,769,452

Chapter 260 of the Laws of 2004 of the State of New York allows local employers to bond or amortize a portion of their retirement bill for up to 10 years in accordance with the following schedule:

- For State fiscal year (SFY) 2004-05, the amount in excess of 7 percent of employees' covered pensionable salaries, with the first payment of those pensions' costs not due until the fiscal year succeeding that fiscal year in which the bonding/amortization was instituted.
- For SFY 2005-06, the amount in excess of 9.5 percent of employees' covered pensionable salaries.
- For SFY 2007-08, the amount in excess of 10.5 percent of the employee's covered pensionable salaries.

This law requires all participating employers to make payments on the current basis, while bonding or amortizing existing unpaid amounts relating to the System's fiscal years ending March 31, 2005 through 2008.

## 7. PENSION PLANS (Continued)

### New York State Employee Retirement System (NYSERS) (Continued)

Chapter 57 of the Laws of 2010 of the State of New York allows local employers to amortize a portion of their retirement bill for 10 years in accordance with the following stipulations:

- For state fiscal year 2010-11, the amount in excess of the graded rate of 9.5 percent of employees' covered pensionable salaries, with the first payment of those pension costs not due until the fiscal year succeeding that fiscal year in which the amortization was instituted.
- For subsequent State fiscal years, the graded rate will increase or decrease by up to one percent depending on the gap between the increase or decrease in the System's average rate and the previous graded rate.
- For subsequent State fiscal years in which the System's average rates are lower than the graded rates, the employer will be required to pay the graded rate. Any additional contributions made will first be used to pay off existing amortizations, and then any excess will be deposited into a reserve account and will be used to offset future increases in contribution rates.

This law requires participating employers to make payments on the current basis while amortizing existing unpaid amounts relating to the System's fiscal years when the local employer opts to participate in the program. All amounts due were remitted in full to NYSERS. No portion of the District's retirement bill was amortized or bonded as of June 30, 2016.

#### **Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions**

At June 30, 2016, the District reported a net pension liability of \$21,238,050 for its proportionate share of the NYSERS net pension liability. The net pension liability was measured as of March 31, 2016, and the total pension liability used to calculate the net pension liability was determined by the actuarial valuation as of that date. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined.

At June 30, 2016, the District's proportion was 0.1323220% percent.

**Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)**

For the year ended June 30, 2016, the District recognized pension expense of \$7,461,458. At June 30, 2016, the District reported deferred outflows/inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
	<u>Resources</u>	<u>Resources</u>
Differences between expected and actual experience	\$ 107,321	\$ 2,517,417
Changes in assumptions	5,663,547	
Net difference between projected and actual earnings on pension plan investments	12,599,576	-
Changes in proportion and differences between the District's contributions and proportionate share of contributions	58,755	391,789
Contributions subsequent to the measurement date	1,352,217	-
Total	<u>\$ 19,781,416</u>	<u>\$ 2,909,206</u>

The other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

2017	\$ 3,911,285
2018	3,911,285
2019	3,911,285
2020	<u>3,786,140</u>
	<u>\$ 15,519,995</u>

**Actuarial Assumptions**

The total pension liability at March 31, 2016 was determined by using an actuarial valuation as of April 1, 2015, with update procedures used to roll forward the total pension liability to March 31, 2016.

The actuarial valuation used the following actuarial assumptions:

Actuarial cost method	Entry age normal
Inflation	2.50%
Salary scale	3.8 percent indexed by service
Projected COLAs	1.3% compounded annually
Decrements	Developed from the Plan's 2015 experience study of the period April 1, 2010 through March 31, 2015
Mortality improvement	Society of Actuaries Scale MP-2014
Investment rate of return	7.0% compounded annually, net of investment expenses

## 7. PENSION PLANS (Continued)

### New York State Employee Retirement System (NYSERS) (Continued)

#### **Actuarial Assumptions (Continued)**

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected return, net of investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation as of March 31, 2016 are summarized below:

#### **Long Term Expected Rate of Return**

<u>Asset Type</u>	<u>Target Allocations in %</u>	<u>Long-Term expected real rate of return in %</u>
Domestic Equity	38.0	7.30
International Equity	13.0	8.55
Private Equity	10.0	11.00
Real Estate	8.0	8.25
Absolute Return	3.0	6.75
Opportunistic Portfolio	3.0	8.60
Real Assets	3.0	8.65
Bonds & Mortgages	18.0	4.00
Cash	2.0	2.25
Inflation-Indexed Bonds	<u>2.0</u>	4.00
	<u>100%</u>	

#### **Discount Rate**

The discount rate used to calculate the total pension liability was 7.0%. The projection of cash flows used to determine the discount rate assumes that contributions from plan members will be made at the current contribution rates and that contributions from employers will be made at statutorily required rates, actuarially. Based upon the assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore the long term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

#### **Sensitivity of the Proportionate Share of the Net Pension Liability to the Discount Rate Assumption**

The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 7.0%, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% lower (6.0%) or 1% higher (8.0%) than the current rate:

	1% Decrease <u>6.00%</u>	Current Discount <u>7.00%</u>	1% Increase <u>8.00%</u>
Proportionate Share of Net Pension liability (asset)	\$ 47,890,260	\$ 21,238,050	\$ (1,281,929)

Total pension liability	\$ 172,303,544,000	\$ 227,995,495	0.1323220%

The District participates in the New York State Teachers' Retirement System (NYSTRS). This is a cost-sharing, multiple employer public employee retirement system. NYSTRS offers a wide range of plans and benefits, which are related to years of service and final average salary, vesting of retirement benefits, death, and disability.

The New York State Teachers' Retirement Board administers NYSTRS. NYSTRS provides benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York. NYSTRS issues a publicly available financial report that contains financial statements and required supplementary information for the system. The report may be obtained by writing to NYSTRS, 10 Corporate Woods Drive, Albany, New York 12211-2395.

**Contributions**

NYSTRS is noncontributory for employees who joined prior to July 27, 1976. For employees who joined NYSTRS after July 27, 1976, and prior to January 1, 2010, employees contribute 3% of their salary, except that employees in the NYSTRS for more than ten years are no longer required to contribute. For employees who joined after January 1, 2010 and prior to April 1, 2012, contributions of 3.5% are paid throughout their active membership.

For employees who joined after April 1, 2012, required contributions of 3.5% of their salary are paid until April 1, 2013 and they then contribute 3% to 6% of their salary throughout their active membership. Pursuant to Article 11 of the Education Law, the New York State Teachers' Retirement Board establishes rates annually for NYSTRS.

**7. PENSION PLANS (Continued)**

New York State Teacher Retirement System (NYSTRS) (Continued)

**Contributions (Continued)**

The District is required to contribute at an actuarially determined rate. The District contributions made to NYSTRS were equal to 100% of the contributions required for each year. The required contributions for the current year and two preceding years were:

	<u>NYSTRS</u>
2016	\$ 29,174,990
2015	\$ 27,027,205
2014	\$ 19,671,858

**Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions**

At June 30, 2016, the District reported net pension asset of \$109,230,979 for its proportionate share of the NYSTRS net pension asset. The net pension asset was measured as of June 30, 2015, and the total pension liability used to calculate the net pension asset was determined by the actuarial valuation as of that date. The District's proportion of the net pension asset was based on a projection of the Districts' long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined.

At June 30, 2016 the District's proportionate share was 1.051631%, which was a decrease from the 1.072093% proportionate share measured at June 30, 2015.

For the year ended June 30, 2016, the District recognized pension income of \$7,499,440. At June 30, 2016 the District reported deferred outflows/inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 3,027,257
Net difference between projected and actual earnings on pension plan investments	-	34,528,481

**Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)**

The District recognized \$23,254,436 as a deferred outflow of resources related to pensions resulting from the District's contributions subsequent to the measurement date which are recognized as a reduction of the net pension liability for the year ended June 30, 2016. Other amounts reported as deferred outflows/ (inflows) of resources related to pensions will be recognized in pension expense as follows:

Plan's Year Ended June 30:

2016	\$	(13,855,557)
2017		(13,855,557)
2018		(13,855,557)
2019		5,813,372
2020		(306,204)
Thereafter		(879,398)
	\$	<u>(36,938,901)</u>

**Actuarial Assumptions**

The total pension liability at the June 30, 2015 measurement date was determined by an actuarial valuation as of June 30, 2014, with update procedures used to roll forward the total pension liability to June 30, 2015. Total pension liability at the June 30, 2014 measurement date, was determined by an actuarial valuation as of June 30, 2013, with update procedures used to roll forward the total pension liability to June 30, 2014. These actuarial valuations used the following actuarial assumptions:

Inflation	3.00%
Projected Salary Increases	Rates of increase differ based on age and gender. They have been calculated based upon recent NYSTRS member experience.

<u>Age</u>	<u>Female</u>	<u>Male</u>
25	10.35%	10.91%
35	6.26%	6.27%
45	5.39%	5.04%
55	4.42%	4.01%

Projected COLAs	1.625% compounded annually
Investment Rate of Return	8.0% compounded annually, net of pension plan investment expense, including inflation.

Mortality rates are based on plan member experience, with adjustments for mortality improvements based on society of Actuaries Scale AA.

The actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period July 1, 2005 to June 30, 2010.

**7. PENSION PLANS (Continued)**

New York State Teacher Retirement System (NYSTRS) (Continued)

**Actuarial Assumptions (Continued)**

The long-term expected rate of return on pension plan investments was determined in accordance with Actuarial Standard of Practice (ASOP) No. 27, *Selection of Economic Assumptions for Measuring Pension Obligations*. ASOP No. 27 provides guidance on the selection of an appropriate assumed investment rate of return. Consideration was given to expected future real rates of return (expected returns, net of pension plan investment expense and inflation) for each major asset class as well as historical investment data and plan performance.

Best estimates of arithmetic real rates of return for each major asset class included in the Systems target asset allocation as of the valuation date of June 30, 2014 (see the discussion of the pension plan's investment policy) are summarized in the following table:

<u>Asset Type</u>	<u>Target Allocations in %</u>	<u>Long-term expected expected real rate of return in %</u>
Domestic Equity	37.0	6.5
International Equity	18.0	67.7
Real Estate	10.0	4.6
Alternative Investments	7.0	9.9
Domestic Fixed Income Securities	17.0	2.1
Global Fixed Income Securities	2.0	1.9
Mortgages	8.0	3.4
Short-term fixed income	<u>1.0</u>	1.2
	<u>100%</u>	

**Discount Rate**

The discount rate used to measure the total pension liability was 8.0%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from school districts will be made at statutorily required rates, actuarially determined. Based on those assumptions, the NYSTRS' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**Sensitivity of the Proportionate Share of the Net Pension Liability (Asset) to the Discount Rate Assumption**

The following presents the net pension liability (asset) of the District using the discount rate of 8.0 percent, as well as what the school districts' net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (7.0 percent) or 1-percentage-point higher (9.0 percent) than the current rate:

	1% Decrease	Current Discount	1% Increase
	<u>7.00%</u>	<u>8.00%</u>	<u>9.00%</u>
Proportionate Share of Net Pension liability (asset)	\$ 7,450,961	\$ (109,230,979)	\$(208,736,173)

**Pension Plan Fiduciary Net Position**

The components of the collective net pension liability (asset) of the participating school districts as of June 30, 2015, were as follows:

	Pension Plan's Fiduciary Net Position	District's proportionate share of Plan's Fiduciary Net Position	District's allocation percentage as determined by the Plan
Total pension liability	\$ 99,332,103,743	\$ 1,044,607,494	1.0516313%
Net position	(109,718,916,659)	(1,153,838,473)	1.0516313%
Net pension liability (asset)	\$ (10,386,812,916)	\$ (109,230,979)	1.0516330%
Fiduciary net position as a percentage of total pension liability	110.5%	110.5%	

**8. OTHER POSTEMPLOYMENT BENEFITS**

The District calculates and records a net other postemployment benefit obligation (OPEB) at year-end. The net OPEB is basically the cumulative difference between the actuarially required contribution and the actual contribution made. Prior to adoption, the District reported the cost of retiree benefits on a pay-as-you-go basis.

**Plan Description**

The District provides OPEB to its employees under a single-employer, self-insured, defined benefit healthcare plan administered by a third-party. The healthcare plan provides medical and prescription drug coverage to eligible retirees and their spouses.

Benefit provisions are established and amended through negotiations between the District and the respective unions.

Employees may become eligible for benefits based on the following criteria:

- Age 55 with 10 years of service if hired after January 1, 1980 or
- Age 55 with 5 years of service if hired before January 1, 1980.

Retiree benefits continue for the life of the retiree. The retiree's survivor(s) have the option to continue to receive health insurance coverage benefits by paying for the coverage at the District's full premium rate.

**8. OTHER POSTEMPLOYMENT BENEFITS (Continued)**

**Funding Policy**

The contribution requirements of plan members and the District are established on an annual premium equivalent rate calculated by an actuarial firm based on an actuarial valuation of projected financing requirements.

For the year ended June 30, 2016, District contributions for retiree healthcare plan costs, net of retiree contributions of \$1.5 million, amounted to approximately \$22.8 million.

**Annual OPEB Cost**

The District's annual OPEB cost is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and the amortized amount of any unfunded actuarial liabilities (UAAL) over a period of thirty years. The following table shows the components of the District's annual OPEB cost for the year ended June 30, 2016, the amounts actually contributed to the plan, and changes in the District's net OPEB obligation:

Annual required contribution	\$ 49,031,149
Interest on net OPEB obligations	17,776,509
Adjustment to annual required contribution	<u>(25,700,432)</u>
Annual OPEB cost	41,107,226
Contributions made	<u>(23,433,674)</u>
Increase in net OPEB obligation	17,673,552
Net OPEB obligation - beginning of year	<u>444,412,719</u>
Net OPEB obligation - end of year	<u>\$ 462,086,271</u>

The District's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 2016 and the preceding two years were as follows:

<u>Fiscal Year Ended</u>	<u>Annual OPEB Cost</u>	<u>Percentage of Annual OPEB Cost Contributed</u>	<u>Net OPEB Obligation</u>
June 30, 2014	\$ 77,585,062	28.89%	\$ 388,941,936
June 30, 2015	\$ 80,461,994	31.06%	\$ 444,412,719
June 30, 2016	\$ 41,107,227	57.01%	\$ 462,086,271

**Funded Status and Funding Progress**

As of June 30, 2016, the most recent actuarial valuation date, the actuarial accrued liability for benefits was \$553 million and there were no plan assets. The covered payroll (annual payroll of active employees covered by the plan) was \$227 million, and the ratio of the liability to the annual covered payroll was 244%.

## **8. OTHER POSTEMPLOYMENT BENEFITS (Continued)**

### **Funded Status and Funding Progress (Continued)**

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial liability for benefits.

### **Actuarial Methods and Assumptions**

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits at the time of each valuation and on the historical pattern of cost sharing benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the June 30, 2016 actuarial valuation the projected unit credit cost method was used. The actuarial assumptions included a 4.00% investment rate of return, which is based on the portfolio of the District's general assets used to pay these benefits and an annual health care cost trend rate of 7.50% initially, decreasing to 3.89% after sixty years for Pre-65 individuals and 6.00% initially, decreasing to 3.89% for Post-65 individuals after sixty years. The prescription cost trend begins at 10.50% initially and decreases to 3.89% after sixty years. The Medicare Part B cost trend begins at 6.00% initially and decreases to 3.89% after sixty years. Both rates include a 2.25% inflation assumption. The UAAL is being amortized based on a level percentage of projected payroll on an open basis. The remaining amortization period as of June 30, 2016 was 30 years.

## **9. CONTINGENCIES AND COMMITMENTS**

The District may be subject to lawsuits in the ordinary conduct of its affairs. The District does not believe any outstanding items are likely to have a material, adverse effect on the financial statements at June 30, 2016.

Numerous real estate tax certiorari proceedings are presently pending against the City of Syracuse, New York on grounds of alleged inequality of assessment. Adverse decisions to the City could have a substantial impact through the reduction of assessments and tax refunds to successful litigants. The District is a principal recipient of property taxes levied by the City. Since the outcome of these proceedings cannot presently be determined, no provision for this exposure, if any, has been included in the accompanying basic financial statements.

The District has a potential liability for employees who have not entered into the Retirement System due to the fact that they were never offered the right to join. Any potential liability relating to this contingency is not determinable at June 30, 2016.

The District has received grants, which are subject to audit by agencies of the State and federal governments. Such audits may result in disallowances and a request for a return of funds. Based on prior years' experience, the District's administration believes disallowances, if any, will be immaterial.

**10. SELF-INSURANCE**

The District is primarily self-insured for medical, dental, workers' compensation and general liability claims. Property coverage exists for all City Schools for losses in excess of \$100,000 per occurrence. Self-insured expenditures are expensed when paid. All future liabilities for employee health, dental, workers' compensation and judgments and claims are recorded as liabilities. Liabilities accrued include an estimate of pending claims and claims incurred but not reported.

The following represents changes in those aggregate liabilities for the year ended June 30, 2016:

	<u>Medical</u>	<u>Workers' Compensation</u>
July 1, 2015	\$ 1,640,767	\$ 37,304,287
Claims in current year, net of payments for all claims	<u>(246,365)</u>	<u>800,130</u>
June 30, 2016	<u>\$ 1,394,402</u>	<u>\$ 38,104,417</u>

The District believes the provisions, as described in Note 5, are adequate to cover the liability for claims based upon current available information but these estimates may be more or less than the amount ultimately paid when claims are settled.

**11. FUTURE CHANGES IN ACCOUNTING STANDARDS**

In June 2015, the GASB issued Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Statement No. 75 replaces the requirements of Statements No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as amended, and No. 57, *OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans*, for OPEB. Statement No. 74, *Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans*, establishes new accounting and financial reporting requirements for OPEB plans. The District is required to adopt the provisions of these Statements for the year ending June 30, 2018, with early adoption encouraged.

The District has not assessed the impact of these statements on its future financial statements.

**12. SUBSEQUENT EVENTS**

On August 5, 2016, \$2,103,461 in Qualified School Construction Bond (QSCB) subsidy receipts were transferred from the JSCB to the Syracuse City School District. The interest payments made by the JSCB that generated the QSCB subsidies were funded with New York State Education Department funding that is passed through the District to the JSCB. The QSCB subsidy receipts were transferred to the District at the request of the District and the Commissioner of Finance of the City of Syracuse, New York.

On October 6, 2016, the District issued \$68,439,000 in Revenue Anticipation Notes at 1.09% maturing on June 30, 2017 to cover an expected cash flow shortage due to the timing of cash receipts from all sources. The request was approved by the City of Syracuse, New York Common Council in September 2016.

On October 6, 2016, JSCB issued an additional \$2,000,000 BAN with a stated interest rate of 2.0% that will become due on June 23, 2017.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

December 15, 2016

To the Board of Education  
City School District of Syracuse, New York:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City School District of Syracuse, New York (the "District"), a blended component unit of the City of Syracuse, New York, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated December 15, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

December 15, 2016

To the Board of Education  
City School District of Syracuse, New York:

**Report on Compliance for Each Major Federal Program**

We have audited the City School District of Syracuse, New York's (the "District"), a blended component unit of the City of Syracuse, New York, compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the District's major federal program for the year ended June 30, 2016. The District's major federal program is identified in the Summary of Auditor's Results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for the District's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the District's compliance.

**Opinion on Major Federal Program**

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2016.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND  
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**  
(Continued)

***Other Matters***

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as items 2006-001. Our opinion on the major federal program is not modified with respect to this matter.

The District's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The District's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

**Report on Internal Control Over Compliance**

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Criteria: In accordance with the Uniform Guidance and federal regulations 7 CFR Section 210.14(b), the School Food Service fund balance may not be in excess of three months average expenditure level.

Condition: The District's School Food Service fund balance was in excess of three months average expenditure level for the year ended June 30, 2016.

This plan was approved by NYSED as proposed. Currently, the District is in the process of finalizing the design and budget for the upgrade of its equipment under this plan. Once the plan is finalized, the District will get formal approval from its Board of Education, and if required from NYSED. Once all approvals have been received the District should follow the NYS procurement regulations in the implementation of the plan.

View of Responsible Officials and Planned Corrective Action: The District submitted an excess fund balance plan to New York State which was approved in July, 2015. The District is in the process of finalizing the detail design and budget of this plan, once completed, the District will get all necessary approvals and follow NYS procurement regulations. Agreement, the Issuer irrevocably appoints the Trustee to act as its agent for the purpose of delivering a certificate to the State Comptroller (in substantially the form set forth in the appendices attached to the Indenture) and to any other Series Trustee, by no later than the next Business Day following the Trustee obtaining such actual knowledge or such notice of such failed payment, certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall, in accordance with the Syracuse Schools Act, withhold from the City and the SCSD any state and/or school aid payable to the City or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Issuer, the amount of such state and/or school aid so withheld. In the event that the State Comptroller should receive more than one such certificate from one or more Series Trustee, the Comptroller shall disburse such amounts so withheld on a *pari passu* basis with respect to any and all outstanding Series of Bonds. All such state and/or school aid so received shall be applied, *first*, to deposit in the Interest Account of the Bond Fund to the extent of any deficiency therein, *second*, to deposit in the Principal Account of the Bond Fund to the extent of any deficiency therein, *third*, to deposit in the Redemption Account of the Bond Fund to the extent of any deficiency therein, *fourth*, to satisfy any obligation of the SCSD under certain indemnification provisions of the Installment Sale Agreement, *fifth* to satisfy any obligation of the JSCB on the SCSD under the liability insurance provisions of the Installment Sale Agreement, and *sixth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement.

For the avoidance of any doubt, if the Trustee is a party to the Intercept Procedures Agreement, the delivery of the certificate to the State Comptroller shall be governed by the terms of the Intercept Procedures Agreement, such agreement intended to maintain the equal and ratable treatment of the pledge of the intercept, for the benefit of the Bondholders, under the Indenture and any other Series Indenture, including but not limited to the Series 2008 Indenture (as that term is defined in the Installment Sale Agreement), as contemplated in the Indenture.

The appointment by the Issuer of the Trustee as agent as above-described shall be deemed a non-exclusive but irrevocable appointment (coupled with an interest) and the Issuer may appoint any other Series Trustee to similar purpose under the related Series Indenture. The Trustee accepts such agency and agrees so to act on behalf of the Issuer. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Issuer.

The Issuer covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept under the Syracuse Schools Act of state and/or school aid payable to the City or the SCSD than the pledge effected pursuant to the Indenture; provided, however, that nothing contained in the Indenture shall be deemed (y) to limit or deny the ability of the Issuer or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge such State Aid to Education on a parity with the pledge effected under the Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

Application of Bond Fund. The Trustee shall: (i) on each Interest Payment Date on the Bonds pay or cause to be paid out of the Interest Account in the Bond Fund the interest due on the Bonds; and (ii) further pay out of the Interest Account of the Bond Fund any amounts required for the payment of accrued interest upon any redemption of Bonds.

The Trustee shall on each principal payment date on the Bonds pay or cause to be paid to the respective Paying Agents therefor out of the Principal Account of the Bond Fund, the principal amount, if any, due on the Bonds, upon the presentation and surrender of the requisite Bonds (such presentation and surrender not being required if Cede & Co. is the Holder of the Bonds).

Amounts in the Redemption Account of the Bond Fund shall be applied, at the written direction of the City, as promptly as practicable, to the purchase of Bonds of a Series as directed by the City at prices not exceeding the Redemption Price thereof applicable on the earliest date upon such Series of Bonds are next subject to optional redemption, plus in each case accrued interest to the date of redemption (accrued interest on such Bonds being payable out of the Interest Account of the Bond Fund). Any Bonds purchased in lieu of a mandatory redemption shall be surrendered to the Trustee for cancellation. Any amount in the Redemption Account not so applied to the purchase of Bonds by forty-five (45) days prior to the next date on which the Bonds are so redeemable shall be applied to the redemption of Bonds on such redemption date; provided that if such amount aggregates less than \$5,000, it need not be then applied to such redemption. Any amounts deposited in the Redemption Account and not applied within twelve (12) months of their date of deposit to the purchase or redemption of Bonds (except if held in accordance with the section under the heading "Defeasance" below) shall be transferred to the Interest Account. The Bonds to be purchased or redeemed shall be selected by the Trustee in the manner provided in the section under the heading "Selection of Bonds to be Redeemed" below. Amounts in the Redemption Account to be applied to the redemption of Bonds shall be paid to the respective Paying Agents on or before the redemption date and applied by them on such redemption date to the payment of the Redemption Price of the Bonds being redeemed plus interest on such Bonds accrued to the redemption date (accrued interest on such Bonds being payable from the Interest Account of the Bond Fund).

(a) Moneys in the Redemption Account of the Bond Fund which are not set aside or deposited for the redemption or purchase of Bonds shall be transferred by the Trustee to the Interest Account or the Principal Account of the Bond Fund, as directed by an Authorized Representative of the City.

(b) In the event of the issuance of a Series of Refunding Bonds pursuant to the section under the heading "Additional Bonds" above, the Trustee shall, upon the written direction of the City, withdraw from the specified Accounts of the Bond Fund those amounts deposited in each such Account so specified held for the payment of the principal, Sinking Fund Installments, Redemption Price and interest on the Series of Bonds or principal portion thereof to be refunded, provided, however, that such withdrawal shall not be made unless (i) immediately thereafter, the Series of Bonds or principal portion thereof being refunded shall be deemed to have been paid pursuant to the section under the heading "Defeasance" below, and (ii) the amount remaining in each Account of the Bond Fund after such withdrawal shall not be less than that amount otherwise then required to be on deposit in each such Account to pay the principal, Sinking Fund Installments, Redemption Price and interest of those Series of Bonds or principal portions thereof not being refunded.

Investment of Funds and Accounts. Amounts in the Bond Fund, the Project Fund, the Refunded Proceeds Fund and the Rebate Fund, may, if and to the extent then permitted by law, be invested only in

Qualified Investments. Any investment authorized by the Indenture is subject to the condition that no portion of the proceeds derived from the sale of the Bonds shall be used, directly or indirectly, in such manner as to cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code. Such investments shall be made by the Trustee only at the written request of an Authorized Representative of the City. Any investment under the Indenture shall be made in accordance with the Tax Compliance Documents, and the City shall so certify to the Trustee with each such investment direction as referred to below. Such investments shall mature in such amounts and at such times as may be necessary to provide funds when needed to make payments from the applicable Fund. Net income or gain received and collected from such investments shall in the case of the Project Fund, the Refunded Proceeds Fund or the Bond Fund, be credited and losses charged to such Fund, as applicable, subject however to Section 5.11 of the Indenture.

Upon timely request of an Authorized Representative of the City, the Trustee shall notify the City ten (10) days prior to each Installment Purchase Payment Date under the Installment Sale Agreement of the amount of such net investment income or gain received and collected subsequent to the last such Installment Purchase Payment and the amount then available in the Project Fund, the Refunded Proceeds Fund and in each Account of the Bond Fund.

Upon the written direction of an Authorized Representative of the City, the Trustee shall sell at the best price reasonably obtainable, or present for redemption or exchange, any obligations in which moneys shall have been invested to the extent necessary to provide cash in the respective Funds or Accounts, to make any payments required to be made therefrom, or to facilitate the transfers of moneys or securities between various Funds and Accounts as may be required from time to time pursuant to the provisions of this Article. The Trustee shall not be liable for any losses incurred as a result of actions taken in good faith in accordance with Section 5.7(c) of the Indenture. As soon as practicable after any such sale, redemption or exchange, the Trustee shall give notice thereof to the Agency and the City.

In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at fair market value as determined by the Trustee on the last Business Day of each October.

The fair market value of Qualified Investments shall be determined as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in *The New York Times*), the average bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or as quoted in the Interactive Data Service; and

(3) as to certificates of deposit and bankers acceptances and other investments, the face amount thereof, plus accrued interest.

If more than one provision of this definition of "fair market value" shall apply at any time to any particular investment, the fair market value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment.

Neither the Trustee nor the Agency shall be liable for any loss arising from, or any depreciation in the value of any obligations in which moneys of the Funds and Accounts shall be invested. The investments authorized by Section 5.7 of the Indenture shall at all times be subject to the provisions of applicable law, as amended from time to time.

Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the credit of any Fund or Account under any provision of the Indenture (excluding the Rebate Fund) and all investments made therewith shall be held by the Trustee in trust for the benefit of the Bondholders and while held by the Trustee constitute part of the Trust Estate, and be subject to the lien of the Indenture, but subject to the Granting Clauses thereof. Moneys held by the Depository Bank under the State Aid Depository Agreement are not part of the Trust Estate unless and until the same are transferred to the Trustee for deposit in the Bond Fund in accordance with the State Aid Depository Agreement. Moneys held by the Trustee in the Rebate Fund are not part of the Trust Estate nor subject to the lien of the Indenture.

Repayment to the City For the Benefit of the SCS D from the Funds. After payment in full of the Bonds (in accordance with the defeasance provisions of the Indenture) and the payment of all fees, charges and expenses of the Issuer, the Trustee, the Bond Registrar and the Paying Agents and all other amounts required to be paid under the Indenture and under each of the Security Documents, and the payment of any amounts are required to be rebated to the federal government pursuant to the Indenture and the Tax Compliance Documents, all amounts remaining in the Project Fund and the Bond Fund shall be paid to the City for the SCS D upon the expiration or sooner or later termination of the term of the Installment Sale Agreement.

Payments into Rebate Fund; Application of Rebate Fund. The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bondholder or any other Person.

The Trustee, following the receipt of a certificate of written direction from an Authorized Representative of the City pursuant to the Tax Compliance Documents, shall deposit in the Rebate Fund that amount from the Project Fund, as shall be so specified in such certificate of written direction as necessary to satisfy the requirements of the Tax Compliance Documents. In the case of the Project Fund, the City shall so direct the Trustee no less frequently than quarterly, until the Trustee shall receive the Project Fund Sufficiency Certificates as to all funded Accounts of the Project Fund and no less frequently than semi-annually thereafter.

In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Requirement as determined in accordance with the Tax Compliance Documents, the Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall withdraw such excess amount and deposit it: (i) to any Account of the Project Fund with respect to which no Project Fund Sufficiency Certificate shall yet have been delivered; or (ii) to the Interest Account of the Bond Fund, as the City shall determine.

The Trustee, upon receipt of written instructions from an Authorized Representative of the City, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series of the Bonds, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Requirement with respect to such Series of Bonds as of the date of such payment and (ii) notwithstanding the provisions of the section under the heading "Defeasance" below, not later than thirty

(30) days after the date on which all Bonds have been paid in full, 100% of the Rebate Requirement as of the date of payment.

The Trustee shall have no obligation under the Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from an Authorized Representative of the City to make such transfer.

Selection of Bonds to Be Redeemed. In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of a Series of Bonds in accordance with the Indenture, the Authorized Representative of the City shall select the Bonds to be redeemed only (x) in inverse order of maturity, or (y) proportionately to each Outstanding maturity of the Bonds of such Series. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for: (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption; and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

No Partial Redemption After Default. Anything in the Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default thereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption required with respect to excess bond proceeds or insurance or condemnation proceeds unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of such proceeds shall not have an adverse effect on the tax-exempt status of interest on the Bonds.

Payment of Principal and Interest. The Issuer covenants that it will from the sources contemplated by the Indenture promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in the Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Issuer contained in the Indenture shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Issuer and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the

date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Issuer other than those pledged therefor. The Issuer shall not be required under the Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

Performance of Covenants; Authority. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in the Indenture, in any and every Bond executed, authenticated and delivered under the Indenture and in all proceedings pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act, and the Syracuse Schools Act, to issue the Bonds authorized by the Indenture and to execute the Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments pledged in the manner and to the extent set forth in the Indenture; that all action on its part for the issuance of the Bonds and the execution and delivery of the Indenture have been duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Issuer according to the import thereof.

Creation of Liens; Indebtedness; Sale of Facilities. Except to the extent contemplated in the last paragraph under the heading "State and/or School Aid Intercept" above with respect to the issuance of Project Bonds under a Series Indenture other than the Indenture, the Issuer shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by the Indenture, the Pledge and Assignment and the Installment Sale Agreement. The Issuer further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, sublease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under the Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Issuer shall have no pecuniary liability for its covenants set forth in the Indenture, including those described under this heading.

Issuer Tax Covenant. The Issuer covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Issuer and the only remedy to which the Issuer shall be subject shall be specific performance.

Events of Default; No Acceleration of Due Date. Each of the following events shall constitute an "Event of Default":

- (1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;
- (2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Issuer to observe or perform any covenant, condition or agreement in the Bonds or under the Indenture on its part to be performed (except as set forth in subparagraphs (1) and (2) above) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Issuer and the School Parties of written notice specifying the nature of such default from the Trustee, or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Issuer or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same;; and

(4) The occurrence of an “Event of Default” under the Installment Sale Agreement, relating to continuing the Installment Sale Agreement and the provisions of the Installment Sale Agreement relating to compliance with the State Aid Depository Agreement, the intercept and requirements necessary to ensure receipt of state and/or school aid payable to the City or the SCSD.

In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in the Indenture or in any of the Bonds contained to the contrary notwithstanding.

Enforcement of Remedies. Subject to the last paragraph of the immediately preceding heading, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, the Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Indenture or in any other Security Document or in aid of the execution of any power granted in the Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under the Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee under the Indenture or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

In the enforcement of any right or remedy under the Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Issuer, for principal, interest, Redemption Price, or otherwise, under any of the provisions of the Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under the Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Issuer, but solely as provided in the Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in the Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be

necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Issuer or their creditors or property.

Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under the Indenture or under any other Security Document by any acts which may be unlawful or in violation of the Indenture or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be otherwise than in accordance with the provisions of law and of the Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

Application of Revenues and Other Moneys After Default. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to the provisions of the Indenture relating to compensation of the Trustee, the Bond Registrar and the Paying Agents, as follows:

First: To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

Second: To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of the Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this heading; *second*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Documents; *third*, to satisfy any obligation of the SCSD regarding indemnification of the Issuer and the Trustee; *fourth*, to satisfy any obligation of the JSCB and the SCSD regarding the maintenance of liability insurance; and *fifth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing outlined under this heading shall be deemed to modify the application of state and/or school aid payable to City or the SCSD pursuant to the provisions outlined above under the heading "State and/or School Aid Intercept."

Whenever moneys are to be applied pursuant to the above provisions, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Actions by Trustee. All rights of actions under the Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions outlined above under the heading "Application of Revenues and Other Moneys After Default," be for the equal benefit of the Holders of the Outstanding Bonds.

Majority Bondholders Control Proceedings. The Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings under the Indenture; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of the Indenture.

Individual Bondholder Action Restricted. No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of the Indenture or of any other Security Document or the execution of any trust under the Indenture or for any remedy under the Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in the Indenture, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in the Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their action to affect, disturb or prejudice the pledge created by the Indenture, or to enforce any right under the Indenture except in the manner therein provided; and that all proceedings at law or in equity to enforce any provision of the Indenture shall be instituted, had and maintained in the manner provided in the Indenture and, subject to the provisions described under the headings "Application of Revenues and Other Moneys After Default" and "Bond Insurer or Majority Bondholders Control Proceedings" above, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

Nothing in the Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the

principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner provided in the Indenture and in said Bonds expressed.

Effect of Discontinuance of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Issuer, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights under the Indenture, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Indenture or existing at law or in equity or by statute.

Delay or Omission. No delay or omission of the Trustee, of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by the Indenture to the Trustee, the Bond Insurer and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee or by the Bondholders.

Notice of Default. The Trustee shall promptly mail to the Issuer, to registered Holders of Bonds and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required under this heading.

Waivers of Default. The Trustee shall waive any default under the Indenture and its consequences only upon the written request of the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial action under the Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts created or in the enforcement of any rights and powers under the Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

Approvals or Consents by Trustee. The Trustee shall grant no approval, request or consent under the Security Documents except at the direction of the Holders of a majority in aggregate principal amount of the affected Series of Bonds Outstanding.

Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, of, interest and all other amounts due or to become due thereon or in respect thereof, at the times and in the manner stipulated therein and in the Indenture, and all fees and expenses and other amounts due and payable under the Indenture and the Installment Sale Agreement and any other amounts required to be rebated to the federal government pursuant to the Tax Compliance Documents or the Indenture, shall be paid in full or duly provided for, then the pledge of the Installment Purchase Payments under the Indenture and the estate and rights thereby granted, and all covenants, agreements and other obligations of the Issuer to the Bondholders under the Indenture shall thereupon cease, terminate and become void and be discharged and satisfied and the Bonds shall thereupon cease to be entitled to any lien, benefit or security under the Indenture, except as to moneys or securities held by the Trustee or the Paying Agents as provided below. At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSD or on its order all moneys or securities held by them pursuant to the Indenture which are not required: (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption; (ii) for the payment of all such other amounts due or to become due under the Security Documents; or (iii) for the payment of any amounts to the federal government under the Tax Compliance Documents or the Indenture.

Bonds or interest installments for the payment or redemption of which moneys (and/or Defeasance Obligations which shall not be subject to call or redemption or prepayment prior to maturity and the full and timely payment of the principal of and interest on which when due, together with the moneys, if any, set aside at the same time, will provide funds sufficient for such payment or redemption) shall then be set aside and held in trust by the Trustee or Paying Agents, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in first paragraph under this heading, if: (i) in case any such Bonds are to be redeemed prior to the maturity thereof, all action necessary to redeem such Bonds shall have been taken and notice of such redemption shall have been duly given or provision satisfactory under the requirements of the Indenture to the Trustee shall have been made for the giving of such notice; and (ii) if the maturity or redemption date of any such Bond shall not then have arrived, provision shall have been made by deposit with the Trustee or other methods satisfactory to the Trustee for the payment to the Holders of any such Bonds upon surrender thereof of the full amount to which they would be entitled by way of principal or Redemption Price and interest and all other amounts then due under the Security Documents to the date of such maturity or redemption, and provision satisfactory to the Trustee shall have been made for the mailing of a notice to the Holders of such Bonds that such moneys are so available for such payment.

Prior to any defeasance becoming effective as provided in the immediately preceding paragraph, there shall have been delivered to the Issuer and to the Trustee (A) an opinion of Nationally Recognized Bond Counsel addressed to, and acceptable in form and substance to, the Issuer and the Trustee to the effect that interest on any Bonds being discharged by such defeasance will not become subject to federal income taxation by reason of such defeasance, and that the Bonds being defeased are no longer "Outstanding" under the Indenture; (B) a verification report from an independent certified public accountant or firm of independent certified public accountants or other recognized consultant or verification agent (in each case reasonably acceptable to the Issuer and to the Trustee) to the effect that the moneys and/or Defeasance Obligations are sufficient, without reinvestment, to pay the principal of,

interest on, and redemption premium, if any, of the Bonds to be defeased on the maturity or redemption date, as applicable; (C) an escrow deposit agreement (reasonably acceptable to the Issuer and the Trustee); and (D) a certificate of discharge of the Trustee with respect to the Bonds being defeased.

Supplemental Indentures Without Bondholders' Consent. The Issuer and the Trustee may, from time to time and at any time, enter into Supplemental Indentures without consent of the Bondholders, for any of the following purposes:

(1) To cure any formal defect, omission or ambiguity in the Indenture or in any description of property subject to the lien of the Indenture, if such action is not materially adverse to the interests of the Bondholders.

(2) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with the Indenture as theretofore in effect.

(3) To add to the covenants and agreements of the Issuer in the Indenture other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with the Indenture as theretofore in effect.

(4) To add to the limitations and restrictions in the Indenture other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with the Indenture as theretofore in effect.

(5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, the Indenture, of the Installment Purchase Payments or of any other moneys, securities or funds, or to subject to the lien or pledge of the Indenture additional revenues, properties or collateral.

(6) To modify or amend such provisions of the Indenture as shall, in the opinion of Nationally Recognized Bond Counsel, be necessary to assure the federal tax exemption of the interest on the Bonds.

(7) To authorize the issuance of a Series of Additional Bonds and prescribe the terms, forms and details thereof not inconsistent with the Indenture.

(8) To effect any other change in the Indenture which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Bondholders.

(9) To effect the delivery of a Credit Facility and/or a Qualified Swap for a Series of Bonds.

(10) To modify, amend or supplement the Indenture or any Supplemental Indenture in such manner as to permit the qualification of either thereof under the Trust Indenture Act of 1939 or any similar federal statute in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to the Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute.

- (11) To permit the appointment of a co-trustee under the Indenture.

Before the Issuer and the Trustee shall enter into any Supplemental Indenture pursuant to the Indenture, there shall have been filed with the Trustee an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by the Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Issuer in accordance with its terms.

Supplemental Indentures With Consent of Bondholders. Subject to the terms and provisions contained in the Indenture, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, to consent to and approve the entering into by the Issuer and the Trustee of any Supplemental Indenture as shall be deemed necessary or desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture; provided, however, that if any such Supplemental Indenture would affect only the Holders of a single Series of Bonds then Outstanding, then only the consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding of such affected Series of Bonds shall be required. Nothing contained in the Indenture shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, or interest on any Outstanding Bonds, a change in the terms of redemption or maturity of the principal of or the interest on any Outstanding Bonds, or a reduction in the principal amount of or the Redemption Price of any Outstanding Bond or the rate of interest thereon, or any extension of the time of payment thereof, or a change in the method of determining the rate of interest on any Bond, without the consent of the Holder of such Bond, (ii) the creation of a lien upon or pledge of Installment Purchase Payments other than the liens or pledge created by the Indenture, except as provided in the Indenture with respect to Additional Bonds, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the aggregate principal amount of Bonds required for consent to such Supplemental Indenture, or (v) a modification, amendment or deletion with respect to any of the terms set forth in this paragraph, without, in the case of items (ii) through and including (v) of this paragraph, the written consents of one hundred percent (100%) of the Holders of the Outstanding Bonds.

If at any time the Issuer shall determine to enter into any Supplemental Indenture for any of the purposes of this heading, it shall cause notice of the proposed Supplemental Indenture to be mailed, postage prepaid, to S&P, Moody's and all Bondholders at least ten (10) days prior to the effective date thereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture, and shall state that a copy thereof is on file at the offices of the Trustee for inspection by all Bondholders.

Within one year after the date of such notice, the Issuer and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice only if there shall have first been filed with the Trustee (i) the written consents of the Holders of not less than a majority, or one hundred percent (100%), as the case may be, in aggregate principal amount of the Bonds then Outstanding (or, if such Supplemental Indenture shall affect only a single Series of Bonds, then only the written consent of the written consents of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding); and (ii) an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by the Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Issuer in accordance with its terms. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to the execution of such Supplemental Indenture.

The Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as provided in the Indenture, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from executing the same or from taking any action pursuant to the provisions thereof.

Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, the Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Issuer, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under the Indenture, subject in all respects to such modifications and amendments.

**Rights of School Parties.** Any Supplemental Indenture which materially and adversely affects any rights, powers and authority of the School Parties under the Installment Sale Agreement or requires a revision of the Installment Sale Agreement shall not become effective unless and until the School Parties shall have given their written consent to such Supplemental Indenture signed by an Authorized Representative of each of the School Parties.

**Amendments of Related Security Documents Not Requiring Consent of Bondholders.** Subject to the heading immediately below, the Issuer and the Trustee may, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of any of the Related Security Documents for any of the following purposes: (i) to cure any ambiguity, inconsistency, formal defect or omission therein; (ii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may be lawfully granted or conferred; (iii) to subject thereto additional revenues, properties or collateral; (iv) to provide for the issuance of a Series of Additional Bonds; (v) to evidence the succession of a successor Trustee or to evidence the appointment of a separate or co-Trustee or the succession of a successor separate or co-Trustee; (vi) to make any change required in connection with a permitted amendment to a Related Security Document or a permitted Supplemental Indenture; and (vii) to make any other change that, in the judgment of the Trustee (which, in exercising such judgment, may conclusively rely, and shall be protected in relying, in good faith, upon an Opinion of Counsel or an opinion or report of accountants or other experts) does not materially adversely affect the Bondholders. The Trustee shall have no liability to any Bondholder or any other Person for any action taken by it in good faith pursuant to the Indenture. Before the Issuer or the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exclusion from federal income taxation of interest on any Series of Bonds Outstanding.

**Amendments of Related Security Documents Requiring Consent of the Bondholders.** Except as provided in the immediately preceding heading, the Issuer and the Trustee shall not consent to any amendment, change or modification of any of the Related Security Documents, without mailing of notice and the written approval or consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding given and procured as provided in the heading "Supplemental Indentures with Consent of Bondholders" above (or, if such amendment, change or modification shall only affect one Series of Bonds, the consent of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding); provided, however, there shall be no amendment, change or modification to (i) the obligation of the City and the SCSB to make Installment Purchase Payments under the Installment Sale Agreement (except as provided therein or in connection with the issuance of a Series

of Additional Bonds), without the prior written approval of the Holders of 100% in aggregate principal amount of the Bonds at the time Outstanding given and procured as provided in the heading "Supplemental Indentures With Consent of Bondholders" above (or, if such amendment, change or modification shall affect only one Series of Bonds, the consent of the Holders of one hundred percent (100%) in aggregate principal amount of the affected Series of Bonds Outstanding), or (ii) the Tax Compliance Documents without the delivery of an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change, modification, reduction or postponement will not cause the interest on such Series of Bonds to become includable in gross income for Federal income tax purposes. If at any time the School Parties shall request the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change or modification to be mailed to the same Persons and in the same manner as is provided in the Indenture with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. Before the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exemption from federal income taxation of interest on any Series of Bonds Outstanding.

## APPENDIX D

### SUMMARY OF CERTAIN PROVISIONS OF THE INSTALLMENT SALE AGREEMENT

*The following is a summary of certain provisions of the Installment Sale Agreement. This summary is qualified in its entirety by reference to the document itself.*

Sale of the Facilities. The Issuer sells to the City and the SCSD, and the City and the SCSD purchase from the Issuer, the Issuer's interest in the existing school buildings and existing school building sites comprising the Facilities and Equipment in their "as is," "where is" and "subject to all faults condition" and upon and subject to the terms and conditions set forth in the Installment Sale Agreement. The SCSD shall at all times during the Agreement Term occupy, maintain, use and operate each of the Facilities, or cause each of the Facilities to be occupied, maintained, used and operated, in the same manner as existing school buildings owned by the City and operated and maintained by the SCSD as of the Closing Date and as a "project" in accordance with the provisions of the Syracuse Schools Act and the IDA Act and for the general purposes specified in the recitals to the Installment Sale Agreement. The SCSD shall not occupy, use or operate any of the Facilities or allow any of the Facilities or any part thereof to be occupied, used or operated for any unlawful purpose or in violation of any certificate of occupancy affecting any of the Facilities or which may constitute a nuisance, public or private.

Agreement Term. The Agreement Term shall commence on March 26, 2008, and shall expire on midnight (New York City time) on May 1, 2038 (but in no event sooner than the date upon which the Series 2008A Bonds, the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds shall cease to be Outstanding and the lien of the Series 2008 Indenture, the Series 2010 Indenture, the First Supplemental Indenture and the Series 2017 Indenture shall have been discharged) or such earlier date as the Bonds shall cease to be Outstanding and all amounts payable by the SCSD and/or the City under the Installment Sale Agreement have been paid in full. The Issuer hereby delivers to the SCSD and the SCSD hereby accepts sole and exclusive possession of the Facilities, subject to the terms and conditions set forth in the Installment Sale Agreement. The Issuer makes no representations whatsoever in connection with the condition of any of the Facilities, and the Issuer shall not be liable for any defects therein.

Termination of License. The Issuer's interest in the Facilities shall be conveyed (subject to the terms of the Security Documents) from the Issuer to the SCSD and the City upon the date of completion or abandonment of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project as evidenced by the certificate of the JSCB in accordance with the Installment Sale Agreement. The Installment Sale Agreement shall survive the transfer of the Issuer's interest in the Facilities to the SCSD and the City and shall remain in full force and effect until all of the principal of, and interest and premium, if any, on the Bonds and all other sums payable by the SCSD and/or the City under the Project Documents shall have been paid in full, and thereafter the indemnification obligations of the SCSD and release by the School Parties shall survive as set forth in the Installment Sale Agreement.

The Series 2008 Project; Series 2010 Project; Series 2011 Project; Series 2017 Project. Pursuant to the License and the Bill of Sale to Issuer, respectively, the City and the SCSD have vested the Issuer with a valid license in the Facilities and title to the Equipment, which interest and title the Issuer is selling to the SCSD and the City, subject to the terms and conditions set forth in the Installment Sale Agreement.

As promptly as practicable after receipt of the proceeds of sale of the: (w) Series 2008A Bonds, and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Issuer to effect the construction, rehabilitation, reconstruction, and/or equipping of the Central Tech Project and the

completion of the Design Phase, the costs thereof to be paid from the proceeds of sale of the Series 2008A Bonds deposited in the Project Fund established under the Series 2008 Indenture; (x) Series 2010 Bonds, and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Issuer to effect the acquisition, construction, renovation, reconstruction, improvement, equipping and/or furnishing of those Facilities to be financed in whole or in part from the proceeds of sale of the Series 2010 Bonds, the costs thereof to be paid from the proceeds of sale of the Series 2010 Bonds deposited in the Project Fund established under the Series 2010 Indenture; (y) Series 2011 Bonds, and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Issuer to effect the acquisition, construction, renovation, reconstruction, improvement, equipping and/or furnishing of those Facilities to be financed in whole or in part from the proceeds of sale of the Series 2011 Bonds, the costs thereof to be paid from the proceeds of sale of the Series 2011 Bonds deposited in the Project Fund established under the First Supplemental Indenture; and (z) the Series 2017 Bonds, and out of said proceeds of sale, the JSCB will proceed to refinance the costs of the Series 2008 Project and effectuate the redemption in whole or part of the Issuer's outstanding Series 2008A Bonds in the principal amount of \$34,780,000; and to pay permitted issuance costs, if any, costs of credit enhancement, if any, and fund a debt service reserve fund, if any, all with respect to the Series 2017 Bonds and pay the redemption costs of the Series 2008A Bonds. The JSCB reasonably believes that the Series 2008 Project, the Series 2010 Project and the Series 2011 Project, pursuant to the applicable Plans and Specifications, will allow for use of each Facility for its intended purposes. The JSCB reasonably believes that the Series 2017 Project will provide significant cost savings to the SCSD and the City. The JSCB agrees that it will use its best efforts to cause the Series 2008 Project, the Series 2010 Project, the Series 2011 Project and the Series 2017 Project to be completed as soon as may be practicable, delays incident to strikes, riots, acts of God, the public enemy or any delay beyond its reasonable control (as applicable) only excepted. The City and the SCSD agree that no delay in the completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project shall be the basis for any diminution in or postponement of the amounts payable under the Installment Sale Agreement by the City and the SCSD. In order to effect management of such work, with respect to the Series 2008 Project, the Series 2010 Project and the Series 2011 Project, the JSCB has entered into the Program Manager Agreement and as soon as practicable after the applicable Closing Date entered into one or more Construction Contracts for completion of the Central Tech Project, the Series 2008 Project, the Series 2010 Project and the Series 2011 Project in accordance with the applicable Plans and Specifications and construction schedule approved by the City Engineer. The Program Manager Agreement, each Construction Contract and each other agreement, contract, purchase order or other obligation entered into by the JSCB as agent for the Issuer shall expressly provide that the Issuer shall have no liability thereunder, except to the extent of proceeds from the sale of the Series 2008A Bonds, the Series 2010 Bonds and the Series 2011 Bonds which may be available therefor. As soon as practicable after the Closing Date, the JSCB shall enter into contracts with one or more Architects for completion of the Design Phase. The Issuer shall not be liable in any manner for payment or otherwise to any contractor, subcontractor, laborer or supplier of materials in connection with the purchase of any materials to be incorporated into a Facility or Facilities, except to the extent and solely from the proceeds of sale of the Series 2008A Bonds, the Series 2010 Bonds and the Series 2011 Bonds. In the event that moneys in the applicable Accounts within the Project Fund are not sufficient to pay the costs necessary to complete the work with respect to the Series 2008 Project, the Series 2010 Project or the Series 2011 Project, or pay applicable Costs or Project Costs with respect to the Series 2017 Project in full, none of the School Parties shall be entitled to any reimbursement therefor from the Issuer, the Series Trustee or the Holders of any of the Series 2008A Bonds, Series 2010 Bonds, Series 2011 Bonds or the Series 2017 Bonds (except from proceeds of Additional Bonds which may be issued for that purpose), nor shall the City and SCSD be entitled to any diminution of the Base Installment Purchase Payments, Installment Purchase Payments or Additional Payments to be made under this Agreement.

As between the Issuer and the JSCB, the JSCB, acting specifically as agent for the benefit of the Issuer, shall be responsible for the letting and supervision of contracts for the acquisition, construction, reconstruction, and equipping of a Facility, acceptance of a completed Facility or parts thereof, and all other matters incidental thereto. All contractors, materialmen, vendors, suppliers and other companies, firms or persons furnishing labor, services, equipment, furnishings or materials for or in connection with the work with respect to a Facility shall be designated by the JSCB, either on its own or as agent for the Issuer.

As between the Issuer on the one hand, and the School Parties on the other hand, the School Parties shall pay: (i) all of the costs and expenses in connection with the preparation of any instruments of conveyance and transfer of an interest in the Facilities to the Issuer pursuant to the License, the Bill of Sale to Agency, the delivery of any instruments and documents and their filing and recording, if required; (ii) all taxes and charges payable, if any, in connection with such conveyance and transfer, or attributable to periods prior to such conveyance and transfer; and (iii) all expenses or claims incurred in connection with the Series 2008 Project and not funded from the proceeds of sale of the Series 2008A Bonds; all expenses or claims incurred in connection with the Series 2010 Project and not funded from the proceeds of sale of the Series 2010 Bonds; all expenses or claims incurred in connection with the Series 2011 Project and not funded from the proceeds of sale of the Series 2011 Bonds (or any other Series of Additional Bonds); and all expenses or claims incurred in connection with the Series 2017 Project and not funded from the proceeds of the sale of the Series 2017 Bonds (or any other Series of Additional Bonds).

None of the School Parties will terminate the Intermunicipal Agreement or be excused from performing its obligations thereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Issuer to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with the Installment Sale Agreement. The City and the SCSD covenant and agree to continue the Intermunicipal Agreement for its entire term and such additional terms as shall be required to complete the Series 2008 Project, the Series 2010 Project, the Series 2011 Project and the Series 2017 Project. The City and SCSD acknowledge that pursuant to the Syracuse Schools Act, all contracts, agreements and obligations of the JSCB are entered into and made on behalf of the City and the SCSD and in the event that the JSCB shall cease to exist for any reason whatsoever during the term of the Installment Sale Agreement, the Program Manager Agreement and any other contract, agreement or obligation of the JSCB relating to the Facilities shall remain in full force and effect and the City and SCSD shall stand jointly in the place and stead of the JSCB thereunder.

The JSCB covenants that, at all times as it shall be effecting the work of the Series 2008 Project, the Series 2010 Project and the Series 2011 Project, it will comply with all laws, acts, rules, regulations, permits, orders and requirements lawfully made, of any Federal, State, legislative, executive, administrative or judicial body, commission or office exercising any power of regulation or supervision over such work or over the manner of construction or operation thereof and with the conditions and requirements of all policies of liability insurance as specified in the Installment Sale Agreement. Upon completion of the work with respect to the Facilities, the JSCB will promptly obtain or cause to be obtained all required occupancy and operation permits, authorizations and licenses from appropriate authorities, if any be required, authorizing the occupancy, operation and use of such Facility for the purposes contemplated by the Installment Sale Agreement and shall furnish copies of same to the Applicable Trustee, immediately upon receipt thereof.

The JSCB further covenants that all contracts entered into by the JSCB for the Series 2008 Project, the Series 2010 Project and the Series 2011 Project in connection with the design, construction, rehabilitation, reconstruction and/or equipping of a Facility shall (i) be made in accordance with applicable law, including, but not limited to, the Syracuse Schools Act; (ii) contain a provision that the design and construction standards therefor shall be subject to the review and approval of the New York State Education Department; and (iii) contain a provision that the contractor shall furnish a labor and material bond guaranteeing prompt payment of moneys that are due to all persons furnishing labor or materials pursuant to the related contract and a performance bond, complying with New York General Municipal Law § 103-f.

The JSCB also covenants to cause its contractors, architects, consultants and others with whom it contracts with respect to the design, construction, rehabilitation, reconstruction, and/or equipping of a Facility, to provide liability insurance coverage against all forms of risk which are appropriate, including general and professional liability insurance normally associated with the type and nature of the service, product or combination thereof, contracted to be provided by such contractors, architects, consultants and others, and to name the Issuer as an additional insured as its interest may appear. The JSCB shall promptly deliver to the Issuer appropriate certificates of insurance evidencing the amount and scope of all liability insurance provided by each contractor, architect, consultant or other person pursuant to a contract with the JSCB with respect to the design, construction, rehabilitation, reconstruction, equipping, operation, maintenance and/or repair or otherwise providing work with respect to a Facility.

Upon the completion or abandonment by the JSCB of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project, the Series 2017 Project or any portions of either thereof, the JSCB shall deliver a certificate of an Authorized Representative of the JSCB to the Issuer and the Applicable Trustee to such effect.

Additional Facilities. The Issuer and the School Parties recognize that, under the provisions of and subject to the conditions set forth in the Series 2008 Indenture, the Series 2010 Indenture, the First Supplemental Indenture, the Series 2017 Indenture or a related Series Indenture, a Series of Additional Bonds or additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of the acquisition, construction, renovation, reconstruction, improvement, equipping and/or furnishing of Facilities and/or Additional Facilities.

Payment of Installment Purchase Payments. Subject to the provisions described under the heading "Nature of Obligations of the City and the SCSD" below, the City and the SCSD agree to pay or cause to be paid, the Base Installment Purchase Payments, with respect to the Series 2008 Bonds, as originally reflected on Schedule A to the Original Agreement, and the Installment Purchase Payments, with respect to the Series 2010 Bonds as originally reflected on Schedule A of the Second Amended Agreement; Installment Purchase Payments with respect to the Series 2011 Bonds in the amounts as set forth in Schedule A attached to the Third Amended Agreement; and Installment Purchase Payments with respect to the Series 2017 Bonds in the amounts set forth in the Installment Sale Agreement. Base Installment Purchase Payments and Installment Purchase Payments must be deposited by or on behalf of the City and the SCSD, as provided in the State Aid Depository Agreement, with the Applicable Trustee by no later than each Base Installment Purchase Payment Date and Installment Purchase Payment Date, as applicable; *provided, however*, that there shall be credited against any Base Installment Purchase Payments and Installment Purchase Payments any amounts available for such purposes and on deposit in the applicable Bond Fund, including any amounts deposited to a Bond Fund pursuant to Section 5.4 of each Series Indenture and any amounts deposited to a Bond Fund pursuant to Section 4.1(a) of each Series Indenture, with respect to the Series 2008 Bonds, and any Scheduled Debt Service Reserve Fund Earnings to the extent any such Scheduled Debt Service Reserve Fund Earnings shall not first be required

when received to be deposited in any Account of the Project Fund of the Series 2008 Indenture or to satisfy any deficiency in the Debt Service Reserve Fund as required by Section 5.5 of the Series 2008 Indenture (such net amount being the “*Net Base Facilities Agreement Payment*”); provided, however, that upon receipt by the City and the SCSD of written notice from the Series 2008 Trustee that the Scheduled Debt Service Reserve Fund Earnings were not received in whole or in part, the City and the SCSD shall immediately pay to the Series 2008 Trustee, subject to the provisions described under the heading “Nature of Obligations of the City and the SCSD” below, an amount equal to the deficiency (the City and the SCSD hereby acknowledging that such payment obligation is subject to the Intercept provisions of the Syracuse Schools Act).

Notwithstanding the foregoing and schedule of Base Installment Purchase Payments and Installment Purchase Payments, in the event the SCSD shall have failed to appropriate by November 1, commencing November 1, 2017, that amount of State Aid to Education required to make (less any amount on deposit in a Bond Fund on such November 1 and available on such date), and for the stated purpose of making, the Base Installment Purchase Payment and/or the Installment Purchase Payment due on the immediately succeeding April 1 as set forth on Schedule A attached to the Instalment Sale Agreement, then: (y) the SCSD shall promptly deliver written notice of such failure to the Issuer and each Applicable Trustee, and (z) that Base Installment Purchase Payment and/or Installment Purchase Payment next due on such immediately succeeding April 1 (less any amount on deposit in the applicable Bond Fund on such November 1 and available on such date) shall instead be due on the November 15 immediately following such November 1 as if that November 15 were the originally scheduled Base Installment Purchase Payment Date and/or Installment Purchase Payment Date. Base Installment Purchase Payments and Installment Purchase Payments must be deposited by or on behalf of the SCSD, as provided in the State Aid Depository Agreement, with the Applicable Trustee by no later than each Base Installment Purchase Payment Date and Installment Purchase Payment Date, respectively; provided, however, that there shall be credited against any Base Installment Purchase Payment and Installment Purchase Payment, as applicable, any amounts available for such purpose and on deposit in each Bond Fund, including any amounts deposited to the Bond Fund pursuant to Section 5.4 of each Applicable Indenture, and any amounts deposited to the Bond Fund pursuant to Section 4.1(a) of each Applicable Indenture.

Upon receipt by the City and the SCSD of notice from the Series 2008 Trustee pursuant to the Series 2008 Indenture that the amount on deposit in the Debt Service Reserve Fund (including any amounts deposited to the Debt Service Reserve Fund pursuant to Section 5.4 of the Series 2008 Indenture) shall be less than the Debt Service Reserve Requirement or upon receipt of notice that the provider of a Reserve Fund Credit Facility is owed any amounts in connection with a draw on such Reserve Account Credit Facility, the City and the SCSD shall immediately pay to the Series 2008 Trustee, subject to the provisions described under the heading “Nature of Obligations of the City and the SCSD” below, for deposit in the Debt Service Reserve Fund, an amount equal to the deficiency or the amount so owed the provider of such Reserve Fund Credit Facility.

The SCSD shall have the option to make from time to time prepayments in part of payments due as aforesaid of Base Installment Purchase Payments, with respect to the Series 2008 Bonds, and the applicable Installment Purchase Payments, with respect to the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds, together with interest accrued and to accrue and premium, if any, to be paid on the applicable Series of Bonds, if, but only if, such prepayment is to be used for the redemption or defeasance of such Series of Bonds. The Trustee shall apply such prepayments in such manner consistent with the provisions of the Applicable Indenture as may be specified in writing by an Authorized Representative of the SCSD at the time of making such prepayment. Upon any such prepayment, the Applicable Trustee shall, if necessary, and as applicable, recalculate the schedule of Base

Installment Purchase Payments or Installment Purchase Payments, as applicable as set forth in the applicable Schedule A with respect to the applicable Series of Bonds, in accordance with the Applicable Indenture and deliver a revised schedule to the SCSD and the Issuer, and such revised schedule shall be deemed to replace the then-existing applicable Schedule A.

Direction as to Payment of Base Installment Purchase Payments and Installment Purchase Payments. Base Installment Purchase Payments shall be paid to the Series 2008 Trustee for credit to the Bond Fund and Reserve Payments shall be paid to the Series 2008 Trustee for deposit to the Debt Service Reserve Fund under the Series 2008 Indenture to the extent of any deficiency therein. Installment Purchase Payments shall be paid to the Series 2010 Trustee for credit to the Applicable Bond Fund under the Series 2010 Indenture and the First Supplemental Indenture; and to the Series 2017 Trustee for credit to the Applicable Bond Fund under the Series 2017 Indenture.

Indemnification of the Issuer and Applicable Trustee and Limitation on Liability. The SCSD shall, to the maximum extent permitted by law, at all times protect, defend and hold the Issuer, the Applicable Trustee, the Bond Registrar, the Paying Agents and the Depository Bank and their respective officers, members, directors, employees and agents (collectively, the "**Indemnified Parties**") harmless of, from and against any and all claims (whether in tort, contract or otherwise), demands, expenses and liabilities for losses, damage, injury and liability of every kind and nature and however caused, and taxes (of any kind and by whomsoever imposed), other than, with respect to any Indemnified Party, losses arising from the gross negligence or willful misconduct of such Indemnified Party, arising upon or about any of the Facilities or resulting from, arising out of, or in any way connected with (i) the financing of the costs of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project and the Series 2017 Project and the marketing, remarketing, issuance and sale of the Bonds from time to time for such purpose, (ii) the planning, design, acquisition, site preparation, construction, renovation, equipping, furnishing, installation or financing of the Facilities or any part of any thereof or the effecting of any work done in or about any of the Facilities, (iii) any defects (whether latent or patent) in any of the Facilities, (iv) the maintenance, repair, replacement, restoration, rebuilding, upkeep, use, occupancy, ownership, leasing, subletting or operation of any of the Facilities or any portion thereof, or (v) this Agreement, the Series 2008 Indenture, the Series 2010 Indenture, the First Supplemental Indenture, the Series 2017 Indenture or any other Project Document or other document or instrument delivered in connection herewith or therewith or the enforcement of any of the terms or provisions hereof or thereof or the transactions contemplated hereby or thereby. Such indemnification set forth above shall be binding upon the SCSD for any and all claims, demands, expenses, liabilities and taxes set forth herein and shall survive the termination of this Agreement. Except as provided above, no Indemnified Party shall be liable for any damage or injury to the person or property of the any School Party or its officials, members, directors, officers, employees, agents or servants or persons under the control or supervision of any School Party, or any other Person who may be about any of the Facilities, due to any act or negligence of any Person other than for the gross negligence or willful misconduct of such Indemnified Party.

Each School Party releases each Indemnified Party from, and agrees, to the maximum extent permitted by law, that no Indemnified Party shall be liable for and agrees to defend, indemnify and hold each Indemnified Party harmless against any expense, loss, damage, injury or liability incurred because of any lawsuit commenced as a result of action taken by such Indemnified Party with respect to any of the matters set forth in the Installment Sale Agreement or at the direction of any School Party with respect to any of such matters above referred to; provided, however, that such indemnification by the SCSD shall not extend to any Indemnified Party whose gross negligence or willful misconduct resulted in such expense, loss, damage, injury or liability. An Indemnified Party shall promptly notify the SCSD in writing of any claim or action brought against such Indemnified Party in which indemnity may be sought

against the SCSD pursuant to the Installment Sale Agreement; such notice shall be given in sufficient time to allow the SCSD to defend or participate in such claim or action, but the failure to give such notice in sufficient time shall not constitute a defense under the Installment Sale Agreement nor in any way impair the obligations of the SCSD under the Installment Sale Agreement, except that if (i) the Indemnified Party shall have had knowledge or notice of such claim or action but shall not have timely notified the SCSD of any such claim or action, (ii) the SCSD shall have had no knowledge or notice of such claim or action, and (iii) the SCSD's ability to defend or participate in such claim or action is materially impaired by reason of not having received timely notice thereof from the Indemnified Party, then the SCSD's obligation to so defend and indemnify such Indemnified Party shall be qualified to the extent (and only to the extent) of such material impairment.

The indemnifications and protections set forth in the Installment Sale Agreement shall be extended, with respect to each Indemnified Party, to its members, directors, officers, employees, agents and servants and persons under its control or supervision.

Anything to the contrary in the Installment Sale Agreement notwithstanding, the indemnification, hold harmless and release covenants of the School Parties contained in the Installment Sale Agreement shall remain in full force and effect after the termination of the Installment Sale Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought and (ii) payment in full or the satisfaction of such claim or cause of action and of all expenses and charges incurred by the Indemnified Party relating to the enforcement of the provisions therein specified.

None of the School Parties shall be deemed an employee, agent or servant of the Issuer or under the Issuer's control or supervision.

Nature of Obligations of the City and the SCSD. Except as otherwise provided under this heading, the obligation of the City and the SCSD to pay Installment Purchase Payments and Additional Payments shall be absolute and unconditional, and such Installment Purchase Payments and Additional Payments shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Issuer, the Applicable Trustee, any purchaser of any Bond or any other person, and whether or not the Facilities or any of them are used or occupied by the School Parties or available for use or occupancy by the School Parties.

The obligation of the SCSD to pay Installment Purchase Payments shall be deemed executory only to the extent of State Aid to Education appropriated by the State and available to the City and/or the SCSD for the purpose of the Installment Sale Agreement and the State Aid Depository Agreement, and moneys budgeted by the SCSD and appropriated by the City for such purpose, and no liability on account thereof shall be incurred by the City and the SCSD beyond the amount of such moneys; *provided however*, that the failure of the City and the SCSD for any reason (including a failure by the SCSD to budget for Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for payment of Installment Purchase Payments or a failure by the State to appropriate State Aid Revenues) to make an Installment Purchase Payment or an Additional Payment shall be deemed a failure to make a payment for purposes of the Installment Sale Agreement and the Syracuse Schools Act, and in such event, the Issuer has appointed the Applicable Trustee to act as its agent for purposes of taking action under the intercept provisions of the Syracuse Schools Act. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD. Neither the full faith and credit of the City or the SCSD nor the taxing power of the City is pledged to the payment of any Installment Purchase Payment or Additional Payment due under the Installment Sale

Agreement. However, the obligations of the SCSD and the City under the Installment Sale Agreement to pay Additional Payments shall be a general obligation of the City and the SCSD, executory, however, only to the extent of moneys budgeted by the SCSD and approved and appropriated therefor by the City. It is understood that neither the Installment Sale Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make moneys available for the purposes of the Installment Sale Agreement.

The obligations of the City and the SCSD under the Installment Sale Agreement, including their respective obligation to pay the Installment Purchase Payments and Additional Payments in any Fiscal Year for which the Installment Sale Agreement is in effect, shall constitute a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time to or for the benefit of the SCSD, and approved and appropriated for such purpose by the City.

The SCSD agrees that (i) its proposed expense budget for each ensuing Fiscal Year commencing with the Fiscal Year ending June 30, 2009 shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City therefor. The City agrees that it shall approve a budget for the SCSD containing such item of expenditure or budget item and appropriate sufficient funds each ending Fiscal Year commencing with the Fiscal Year ending June 30, 2009 to make the Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year, provided, however, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid Revenues, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved by the City.

Subject to the limitations contained in the second paragraph under this heading, none of the School Parties will terminate the Installment Sale Agreement (other than such termination as is provided for therein) or be excused from performing its obligations therein for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Issuer to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with the Installment Sale Agreement.

The School Parties presently intend to continue the Installment Sale Agreement for its entire term and to pay all Base Installment Purchase Payments specified in the schedule attached to the Installment Sale Agreement as such Base Installment Purchase Payments come due under the terms and provisions of the Installment Sale Agreement.

No provision contained above shall be deemed to limit, impair or modify the intercept provisions of the Syracuse Schools Act or the application of the implementing provisions of the Applicable Indenture.

For purposes of this heading, references to the “approval” of the SCSD budget by the City shall include the affirmative approval of the SCSD budget by ordinance of the City’s Common Council approved by the Mayor of the City or, in the absence of such an ordinance, the effectiveness by the passage of time of an SCSD budget pursuant to the charter of the City.

Directed State Aid Revenues. Pursuant to instructions, the Commissioner of Finance of the City and the President of the Board of Education have directed the State Comptroller’s Office to deposit all State Aid to Education into the State Aid Depository Fund established under the State Aid Depository Agreement, and the Commissioner of Financer of the City and the President of the Board of Education have further instructed the Depository Bank, pursuant to the terms and provisions of the State Aid Depository Agreement, to transfer State Aid to Education to the Applicable Trustee and each other Series Trustee in accordance with the State Aid Depository Agreement for the purpose of, in the case of the Applicable Indenture, making deposits in the Bond Fund with respect to amounts due on the Bonds and for replenishing deficiencies in the Debt Service Reserve Fund. The City and the SCSD agree not to modify the procedures set forth in the State Aid Depository Agreement for the collection, deposit or disbursement of State Aid Revenues, except as and to the extent permitted under the State Aid Depository Agreement.

Each of the City and the SCSD acknowledges that, pursuant to the intercept provisions of the Applicable Indenture (and the Syracuse Schools Act), in the event of a failure to make a payment under the Installment Sale Agreement in the amount and by the date the same is due (for any reason, including the failure of the SCSD or the City to budget for and appropriate moneys for such purpose and approve payment thereof with moneys appropriated therefor), the Issuer has appointed the Applicable Trustee to act as its agent under the Applicable Indenture for the purpose of delivering a certificate to the State Comptroller certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall be authorized to withhold from the City and the SCSD such state and/or school aid as is payable to the City or the SCSD to the extent of the amount so stated in such certificate of the Applicable Trustee as not having been made, and the State Comptroller shall immediately pay over to the Applicable Trustee on behalf of the Issuer, the amount of such state and/or school aid so withheld. Notwithstanding anything to the contrary contained in the Installment Sale Agreement, amounts of such state and/or school aid received by the Applicable Trustee on behalf of the Issuer and applied to the Installment Purchase Payments or Additional Payments shall be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received.

Operation, Maintenance and Repair. During the Agreement Term, the SCSD shall be responsible for, and pay all costs of, operating the Facilities, maintaining the same in good and safe condition, and making all necessary repairs and replacements, interior and exterior, structural and non-structural. All replacements, renewals and repairs shall be equal in quality, class and value to the original work and be made and installed in compliance with the requirements of all governmental bodies. The Issuer shall be under no obligation to replace, service, test, adjust, erect, maintain or effect replacements, renewals or repairs of any of the Facilities, to effect the replacement of any inadequate, obsolete, worn-out or unsuitable parts of any of the Facilities, or to furnish any utilities or services for any of the Facilities and the SCSD agrees to assume full responsibility therefor.

Utilities, Taxes and Governmental Charges. The SCSD will pay or cause to be paid all charges for water, electricity, light, heat or power, sewage, telephone and other utility service, rendered or supplied upon or in connection with the Facilities during the Agreement Term.

In addition, the SCSD shall (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any Federal, state or any municipal government upon the Issuer, the City or the SCSD with respect to or upon any of the Facilities or any part thereof or upon any payments under the Installment Sale Agreement when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities; (iii) not create or suffer to be created any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon the payments in respect thereof under the Installment Sale Agreement; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon any payments under the Installment Sale Agreement and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments under the Installment Sale Agreement.

Additions, Enlargements and Improvements. The SCSD shall have the right at any time and from time to time during the Agreement Term, at its own cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, any of the Facilities, as the SCSD shall deem necessary or desirable in connection with the use of such Facilities. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the value of the related Facility or the rental value thereof. The cost of any such additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so that the affected Facility shall at all times be free of liens for labor and materials supplied thereto other than Permitted Encumbrances.

Additional Rights of SCSD. The Issuer agrees that the SCSD shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense equipment (not constituting part of the Series 2008 Project, the Series 2010 Project or of the Series 2011 Project) in or upon any Facility as may in the SCSD's judgment be necessary for its purposes. It is further understood and agreed that any equipment erected or installed under the provisions described under this heading shall be and remain the personal property of SCSD and, if not constituting part of the Series 2008 Project, the Series 2010 Project or of the Series 2011 Project, shall not become subject to the Installment Sale Agreement, and may be removed, altered or otherwise changed, upon or before the termination of the Installment Sale Agreement.

Liability Insurance. The JSCB shall maintain or cause to be maintained with responsible insurers, for the benefit of the Issuer and the Applicable Trustee until the later of the completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project in accordance with the provisions of the Installment Sale Agreement set forth under the heading "The Project Fund", the following kinds and the following amounts of insurance with respect to the Facilities, with such variations as shall reasonably be required to conform to customary insurance practice:

During any period of construction or reconstruction of any of the Facilities, Builders' Special Form Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include coverage for removal of debris, insuring the buildings, structures, facilities, machinery, equipment, fixtures and other property included within reconstruction of any of the Facilities against loss or damage by fire, lightning, vandalism, malicious mischief and other casualties, with standard extended coverage endorsement covering perils of windstorm, hail, explosion,

aircraft, vehicles and smoke (except as limited in the standard form of extended coverage endorsement at the time in use in the State) at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the School Parties, the Issuer or the Applicable Trustee from becoming a co-insurer of any loss under the insurance policies; any such insurance may limit coverage to \$20,000,000 for any one Facility;

During any period of construction or reconstruction of any of the Facilities, commercial public liability insurance with respect to the construction activities at the Facilities in a minimum amount of \$26,000,000 per occurrence and aggregate, which insurance may be effected under overall blanket or excess coverage policies, provided, however, that at least \$1,000,000 is effected by a comprehensive liability insurance policy; and

Workers' compensation insurance and such other forms of insurance which the City, the SCSD or the Issuer is required by law to provide covering loss resulting from injury, sickness, disability or death of the employees of any contractor or subcontractor performing work with respect to any of the Facilities included within the Series 2008 Project, the Series 2010 Project and the Series 2011 Project; the JSCB shall require that all said contractors and subcontractors shall maintain all forms or types of insurance with respect to their employees required by law.

Prior to the commencement of construction of the Facilities, the JSCB shall deliver or cause to be delivered to the Issuer and to the Applicable Trustee duplicate copies of insurance policies obtained by the JSCB under the Installment Sale Agreement and/or binders evidencing compliance with the insurance requirements of the Installment Sale Agreement. If any change shall be made in any such insurance, a description and written notice of such change shall be furnished by the JSCB to the Issuer and the Applicable Trustee thirty (30) days in advance of such change.

At least thirty (30) days prior to the expiration of any insurance policy required under the Installment Sale Agreement, the JSCB shall furnish the Issuer and the Applicable Trustee with evidence that such policy has been renewed or replaced or is no longer required by the Installment Sale Agreement.

All insurance required by the Installment Sale Agreement above shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State.

The JSCB shall, at its own cost and expense of the SCSD and the City, make all proofs of loss and take all other steps necessary or reasonably requested by the Issuer or the Applicable Trustee to collect from insurers for any loss covered by any insurance required to be obtained under this heading. A School Party shall not do any act, or suffer or permit any act to be done, whereby any insurance required under this heading would or might be suspended or impaired. The SCSD assumes all risks that the proceeds of any insurance may be inadequate to fully indemnify the Issuer and the Applicable Trustee against, or to reimburse the Issuer and the Applicable Trustee for, any loss, liability, claim or judgment arising out of any risk, peril or insurable loss under the insurance required by the Installment Sale Agreement. The SCSD acknowledges that the SCSD shall be solely responsible for the payment of any loss, liability, claim or judgment, or any portion thereof, falling within any deductible or self insured retention or which is in excess of any available insurance coverage.

Damage, Destruction or Condemnation. The School Parties agree to notify the Issuer and the Applicable Trustee immediately in the case of damage to or destruction of any Facility or any portion thereof in an amount exceeding \$100,000 resulting from fire or other casualty, and shall state the plans of the School Parties with respect to the repair, reconstruction and restoration of the affected Facility.

If any Facility or portion thereof shall be condemned or taken by eminent domain, the Installment Sale Agreement (with respect to the affected Facility or portion thereof) and the interest of the City and the SCSD thereunder shall terminate when title to such Facility or portion thereof vests in the party condemning or taking the same (hereinafter referred to as the "*termination date*"), and the School Parties will promptly give notice thereof to the Issuer and the Applicable Trustee, and shall state the plans of the School Parties with respect to the replacement or restoration of the affected Facility.

If any Facility shall be damaged or destroyed (in whole or in part), or the whole or any part of any Facility shall be taken or condemned by a competent authority or by agreement between the City and/or the SCSD and those authorized to exercise such right or if the temporary use of any Facility or any part thereof shall be so taken by condemnation or agreement (a "*Loss Event*") at any time while the Installment Sale Agreement is in effect:

(i) the Issuer shall have no obligation to replace, repair, rebuild, restore or relocate the affected Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the City and the SCSD under the Installment Sale Agreement (whether or not the affected Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) the proceeds derived from the insurance (after payment of all reasonable expenses, costs and taxes (including attorneys' fees) (the "*Net Proceeds*") incurred in obtaining such proceeds) shall be deposited in the Project Fund, and, subject to the provisions clause (iv) below, at the option of the City, shall be applied to either (A) replace, repair, rebuild, restore or relocate the affected Facility, or (B) redeem a principal amount of Bonds equal to such proceeds in accordance with the Applicable Indenture; and

(iv) If the School Parties replace, repair, rebuild, restore or relocate the affected Facility, the Applicable Trustee shall disburse such proceeds from the Project Fund in the manner set forth in the Applicable Indenture to pay or reimburse the School Parties for the cost of such replacement, repair, rebuilding, restoration or relocation. Notwithstanding anything to the contrary in clause (iii) above, if (A) the aggregate net proceeds derived from insurance with respect to a particular loss are less than \$50,000, and (B) no Event of Default then exists under the Applicable Indenture or the Installment Sale Agreement; the School Parties shall be entitled to withdraw such proceeds from the Project Fund for application to Project Costs in accordance with the Installment Sale Agreement and with the Tax Compliance Documents.

Any such replacements, repairs, rebuilding, restorations or relocations shall be subject to the following conditions:

(i) the restored Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the restored Facility shall continue to constitute a "project" as such term is defined in the Syracuse Schools Act, and the tax-exempt status of the interest on the Bonds shall not, in the opinion of Nationally Recognized Bond Counsel, be adversely affected; and

(iii) the restored Facility will be subject to no Liens other than Permitted Encumbrances.

All such repair, replacement, rebuilding, restoration or relocation of a Facility shall be affected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements and shall be promptly and fully paid for by the School Parties in accordance with the terms of the applicable contracts.

In the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, restoration or relocation, the School Parties shall nonetheless complete the work and pay from its own moneys or from proceeds of Additional Bonds, if any, issued for such purpose that portion of the costs thereof in excess of such proceeds. All such replacements, repairs, rebuilding, restoration or relocations made, whether or not requiring the expenditure of the money of the School Parties, shall automatically become a part of a Facility as if the same were specifically described in the Installment Sale Agreement.

Any balance of such proceeds remaining in the Project Fund after payment of all costs of replacement, repair, rebuilding, restoration or relocation of an affected Facility shall, subject to any rebate required to be made to the federal government pursuant to the Applicable Indenture or the Tax Compliance Documents, be used to redeem the Bonds as provided in the Applicable Indenture. If the entire amount of the Bonds and interest thereon has been fully paid, or provision therefor has been made in accordance with the Applicable Indenture, all such remaining proceeds shall be paid to the City for the benefit of the SCSD.

Compliance with Laws and Regulations. Each of the JSCB and the SCSD will, at its own cost and expense, promptly comply with, or cause to be complied with, all laws, rules, regulations and other governmental requirements, whether or not the same require structural repairs or alterations, which may be applicable to the School Parties and any of the Facilities or the use or manner of use of any of the Facilities; provided, however, the obligation of the JSCB or the SCSD to comply with any such law, rule, regulation or governmental requirement shall be suspended during any contest thereof in good faith by the JSCB or the SCSD, which contest is being diligently prosecuted. Each of the JSCB and the SCSD will also observe and comply with the requirements of all policies and arrangements of insurance at any time in force with respect to the Facilities.

Assignment and Sale by the School Parties. The School Parties will not sell, lease, transfer or otherwise dispose of or encumber any of their interest in any of the Facilities except in the case of Permitted Encumbrances or as provided under the heading "Release of Facilities" below; provided, however, that the SCSD may lease or license part of any Facility (x) for a purpose and use consistent with the License and the Installment Sale Agreement, (y) upon delivery to the Applicable Trustee of an Opinion of Counsel to the effect that such lease or license shall neither limit nor impair the obligations of the School Parties under the Installment Sale Agreement, and (z) upon delivery to the Applicable Trustee of an opinion of Nationally Recognized Bond Counsel to the effect that such lease or license will not cause interest on any of the Bonds to become includable in gross income for federal income tax purposes. The Installment Sale Agreement may be assigned in whole or in part by one or more of the School Parties upon written consent of the Issuer, the other School Parties and the Applicable Trustee (which consent may be unreasonably withheld) but no assignment shall relieve the School Parties from primary liability for any of its obligations under the Installment Sale Agreement, and in the event of any such assignment each of the School Parties shall continue to remain primarily liable for the respective payments specified in the Installment Sale Agreement and for performance and observance of the other agreements provided on its part in the Installment Sale Agreement.

Covenant not to Affect the Tax-Exempt Status of the Bonds. The School Parties each agree that throughout the Agreement Term, it will comply with the Tax Compliance Documents and it will take no

action, or permit any action to be taken, with respect to any Facility which will impair the exemption of interest on any Outstanding Bonds from Federal income taxes.

Covenants as to State Aid Depository Agreement. The City and the SCSD agree not to revoke the instructions furnished to the State Comptroller's office to forward all State Aid to Education payments to the Depository Bank. The City and the SCSD also agree to comply with and not to terminate the State Aid Depository Agreement or materially modify the terms and provisions thereof, except as may be permitted under the terms of the State Aid Depository Agreement.

Release of Facilities. So long as there exists no event of default under the Installment Sale Agreement, nor any event which upon the giving of notice or the passage of time or both, would constitute an event of default, the SCSD may, upon written notice to the Issuer and the Applicable Trustee and compliance with the following, effect the release of a Facility, to no longer be used by the SCSD as a public school, or the costs with respect to which have been financed with the Bonds which are no longer Outstanding, from the Installment Sale Agreement and the License. Upon receipt of such notice, the Issuer and the Applicable Trustee shall, at the sole cost and expense of the SCSD, execute and deliver any and all instruments necessary or appropriate to so release and remove such Facility from the Facilities subject to the Installment Sale Agreement and the License; provided, however, that in the event the release is of the last remaining Facility, the SCSD and the City must further pay Base Installment Purchase Payments necessary to effect the redemption in whole of the Bonds.

No conveyance or release effected under the provisions described under this heading shall entitle the SCSD or the City to any abatement or diminution of the Installment Purchase Payments or the Additional Payments required to be made by the SCSD and the City under the Installment Sale Agreement.

Compliance with Requirements for State Aid to Education and Other State and/or School Aid. The City and the SCSD will comply with all requirements necessary to ensure receipt of State Aid to Education and other state and/or school aid payable to the City or the SCSD over the term of the Installment Sale Agreement.

No Impairment of Pledge of State Aid to Education and Other State and/or School Aid. Each of the School Parties covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Facilities Agreement, in connection with a Series of Project Bonds under a Series Indenture, which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid payable to the City or the SCSD under the Syracuse Schools Act; provided, however, that nothing contained in the Installment Sale Agreement shall be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid to Education on a parity with the pledge effected by the Issuer under the Applicable Indenture, or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Applicable Indenture, or that any lease rental payment dates or installment purchase payment dates, as applicable, under a Series Facilities Agreement be the same as provided for under the Installment Sale Agreement.

Events of Default. An "event of default" or a "default" shall mean, whenever they are used herein, any one or more of the following events:

(a) Default in the due and punctual payment of any Installment Purchase Payment (other than failure to pay as a result of an Event of Nonappropriation);

(b) Default in the due and punctual payment of any Additional Payment, which default shall continue for a period of thirty (30) days after payment thereof was due;

(c) Failure by any School Party to observe and perform any of the terms and covenants on its part to be observed or performed set forth in Section 4.4(d), 4.4(e), 4.4(f), 7.12 or 7.21 hereof;

(d) Failure of the SCSD to observe and perform the covenants set forth in Section 4.3 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the SCSD of written notice specifying the nature of such default from the Issuer or the Trustee;

(e) Failure of the JSCB to observe and perform the covenants set forth in Section 5.5 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the JSCB of written notice specifying the nature of such default from the Issuer or the Trustee;

(f) Failure by any School Party to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in paragraphs (a), (b), (c), (d) and (e) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the defaulting party and the other School Parties by the Issuer, the Applicable Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, unless by reason of the nature of such failure the same cannot be remedied within such thirty (30) day period and the defaulting party has within such period commenced to take appropriate actions to remedy such failure and is diligently prosecuting such actions.

(g) The City or the SCSD shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the City or the SCSD seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver; trustee, or other similar official for it for any substantial part of its property; or the City or the SCSD shall authorize any of the actions set forth above in this paragraph (g); or

(h) The entering of an order or decree appointing a receiver of the Facilities or any thereof with the consent or acquiescence of the City or the SCSD or the entering of such order or decree without the acquiescence or consent of the City or the SCSD if it shall not be vacated, discharged or stayed within ninety (90) days after entry.

Notwithstanding anything contained in this Section to the contrary, a failure by the City or the SCSD to pay when due any payment required to be made hereunder or a failure by the City or the SCSD to observe and perform any covenant, condition or agreement on its part to be observed or

performed hereunder, resulting from a failure by the Board of Education to include such payment obligation and moneys for such purposes in the annual budget for the SCSD, failure by the City to approve such budget and appropriate moneys for such purpose, or a failure by the SCSD to approve payment thereof after appropriation by the City therefor shall not constitute an event of default hereunder. However, the failure by the City or the SCSD to pay when due any payment required to be made by it under this Agreement shall constitute a failure to make a payment under this Agreement for purposes of the Syracuse Schools Act, and in such event the Issuer has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. The City and the SCSD agree to provide written notice to the Trustee indicating either (i) the Board of Education submitted an annual budget for the SCSD to the Mayor of the City that fails to include a separate line item representing the full amount of Installment Purchase Payments payable during the applicable Fiscal Year, (ii) the City approved an annual budget for the SCSD that fails to include such a separate line item, or (iii) the SCSD failed to approve payment of such full amount after appropriation by the City therefor.

Remedies. Whenever any event of default as provided above shall have happened and be continuing, or whenever an Event of Nonappropriation shall have occurred and be continuing, the Issuer (with the prior written consent of the Applicable Trustee) or the Applicable Trustee, subject in all respects to the provisions under the heading “Nature of Obligations of the City and the SCSD” above, may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the School Parties under the Installment Sale Agreement. For so long as any of the Bonds are Outstanding or any amounts remain due and payable by the School Parties under the Installment Sale Agreement, neither the Issuer nor the Applicable Trustee shall take any action which shall have the effect of terminating the Installment Sale Agreement or the interest in or rights of possession of the City or the SCSD in the Facilities, provided, however, that in addition to any other rights or remedies granted under this heading to the Issuer, the Issuer may enforce any of the Issuer’s Reserved Rights without the consent of the Applicable Trustee or any other person, by an action for damages, injunction or specific performance.

No action taken pursuant to provisions under this heading shall relieve any School Party from the its obligations under the Installment Sale Agreement, all of which shall survive any such action.

Cure. Notwithstanding any remedy taken by the Issuer or the Applicable Trustee pursuant to the provisions described under the immediately preceding heading, if all arrears of Installment Purchase Payments, and all other Additional Payments, shall have been paid, all other things shall have been performed in respect of which there was an event of default or Event of Nonappropriation and there shall have been paid the reasonable fees and expenses, including expenses of the Applicable Trustee (including reasonable attorneys’ fees paid or incurred), then the event of default or Event of Nonappropriation shall be waived without further action by the Applicable Trustee or the Issuer.

No Remedy Exclusive. Subject to the provisions of the second sentence under the heading “Remedies” above, no remedy conferred in the Installment Sale Agreement upon or reserved to the Issuer or the Applicable Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given in the Installment Sale Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Applicable Trustee to exercise any remedy reserved to it in the Installment Sale Agreement it shall not be necessary to give any notice, other than such notice as may be expressly required in the Installment Sale Agreement.

Effect on Discontinuance of Proceedings. In case any proceeding taken by the Applicable Trustee under the Applicable Indenture or the Installment Sale Agreement or under any other Security Document on account of any event of default or Event of Nonappropriation under the Installment Sale Agreement or the Applicable Indenture shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Applicable Trustee, then, and in every such case, the Issuer, the Applicable Trustee and the Holders of the Bonds shall be restored, respectively, to their former positions and rights thereunder, and all rights, remedies, powers and duties of the Applicable Trustee shall continue as in effect prior to the commencement of such proceedings.

Limitations on Termination of Agreement. Neither the Issuer, the Applicable Trustee nor any School Party shall take or fail to take any action which would cause the Installment Sale Agreement to terminate while any Bonds remain Outstanding or any amounts remain due and payable under the Installment Sale Agreement or prior to the discharge of the lien of the Applicable Indenture.

Re: City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project), Series 2017

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance on the date hereof by the City of Syracuse Industrial Development Agency (the “*Issuer*”) of its School Facility Revenue Refunding Bonds, Series 2017 (Syracuse City School District Project) in the aggregate principal amount of \$29,400,000 (the “*Series 2017 Bonds*”).

The Series 2017 Bonds are authorized to be issued pursuant to (i) Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, and Section 926 of the State’s General Municipal Law, as amended from time to time (collectively, the “*IDA Act*”) and Chapter 58, Part A-4 of the Laws of 2006 of the State, as amended (the “*Syracuse Schools Act*”); (ii) a certain Indenture of Trust (Series 2017 Project) dated as of April 1, 2017 (the “*Indenture*”) by and between the Issuer and Manufacturers and Traders Trust Company, as trustee (the “*Trustee*”); and (iii) a resolution adopted by the Issuer on January 24, 2017 (the “*Resolution*”). Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Indenture.

The Series 2017 Bonds are being issued to finance a project (the “*Series 2017 Project*”) undertaken by the Issuer at the request of the Syracuse Joint Schools Construction Board (the “*JSCB*”), acting as agent of the City of Syracuse, New York (the “*City*”) and the City School District of the City of Syracuse (the “*SCSD*”), consisting of: (a) the refunding of the Issuer’s outstanding School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A (the “*Series 2008A Bonds*” or the “*Refunded Bonds*”) in the principal amount of \$34,780,000, which were each issued to finance a portion of the cost of the acquisition, renovation, reconstruction, improvement, equipping and furnishing of certain public schools (collectively, the “*Facilities*”) for use by the SCSD; and (b) the payment of permitted issuance costs, if any, costs of credit enhancement, if any, and funding a debt service reserve fund, if any, all with respect to the Series 2017 Bonds and pay associated redemption costs of the Refunded Bonds.

The Series 2017 Bonds are dated the date hereof, are issued as fully registered bonds without coupons and mature and bear interest as set forth therein. The Series 2017 Bonds are subject to redemption prior to maturity upon the terms and conditions set forth therein and in the Indenture.

The SCSD, the City and Manufacturers and Traders Trust Company, as Depository Bank (as the "**Depository Bank**") have entered into a certain State Aid Depository Agreement, dated as of March 1, 2008, as amended by the First Amended and Restated State Aid Depository Agreement, dated as of December 1, 2010 (as the same may be further amended or supplemented from time to time, collectively the "**State Aid Depository Agreement**"), pursuant to and with respect to which each of the Commissioner of Finance of the City and the SCSD have instructed the State Comptroller to pay all New York State building and operating aid appropriated by the State for the SCSD directly to the State Aid Depository Fund established with and held by the Depository Bank pursuant to the State Aid Depository Agreement.

The City and the SCSD have granted a license to the Issuer in and to the Facilities pursuant to a License Agreement (Series 2008 Project), dated as of March 1, 2008, among the City, the SCSD and the Agency (the "**Original License**"), which was previously amended by the City and the SCSD pursuant to an Amendatory License Agreement, dated as of December 1, 2010 (the "**Amendatory License Agreement**"); and further amended by the City and the SCSD pursuant to a Second Amendatory License Agreement dated as of July 1, 2011 (the "**Second Amendatory License Agreement**"), and as further amended by the City and SCSD pursuant to a Third Amendatory License Agreement dated as of April 1, 2017, (the "**Third Amendatory License Agreement**" and together with the Original License, the Amendatory License Agreement, and the Second Amendatory License Agreement, collectively, the "**License**"); and conveyed title to the Equipment (as defined in the Installment Sale Agreement as defined hereinbelow) comprising a portion of the Facilities to the Issuer pursuant to a Bill of Sale to Agency, dated as of March 1, 2008, as amended by an Amendatory Bill of Sale dated December 1, 2010 (collectively, the "**Bill of Sale**"). The Issuer has sold its interest in the Facilities to the City and the SCSD pursuant to an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, (the "**Original Agreement**"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "**First Amended Agreement**"); Amendment No. 2 to the Installment Sale Agreement dated as of December 1, 2010 (the "**Second Amended Agreement**"); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the "**Third Amended Agreement**"); and Amendment No. 4 to Installment Sale Agreement dated April 1, 2017 (the "**Fourth Amended Agreement**"), together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, the "**Installment Sale Agreement**" or "**Agreement**") as same may further be amended or supplemented from time to time, each between the Agency, the City, the JSCB and the SCSD. Pursuant to the Installment Sale Agreement, the SCSD and the City have agreed to pay scheduled Installment Purchase Payments in amounts equal to the principal of and interest on the Series 2017 Bonds, *provided, however*, that such Installment Purchase Payment obligation of the SCSD and the City are executory only to the extent of State Aid to Education (as defined in the State Aid Trust Agreement) available for such payment from the State Aid Depository Fund and transferred therefrom to the Trustee by the Depository Bank, and further subject to budgeting by the SCSD, appropriation by the City for such purpose and approval by the SCSD of payment thereof after appropriation by the City therefor.

Pursuant to the Indenture and the Pledge and Assignment dated as of April 1, 2017, by the Issuer to the Trustee, acknowledged by the City, the SCSD and the JSCB, the Issuer has assigned to the Trustee substantially all of the Issuer's right, title and interest in, to and under the Installment Sale Agreement, including the foregoing Installment Purchase Payments to be made by the SCSD and the City.

It is provided in the Indenture that, upon satisfying certain conditions, the Issuer may issue one or more series of additional bonds (the “*Additional Bonds*”) from time to time on the terms and conditions and for the purposes stated in the Applicable Indenture, and the Additional Bonds, if issued, will be equally and ratably secured under the Applicable Indenture with the Series 2017 Bonds. The Indenture further provides that the amount of Installment Purchase Payments required to be paid under the Installment Sale Agreement shall be re-calculated so as to provide money for the full and timely payment of the principal of and interest on the Series 2017 Bonds and any such series of Additional Bonds.

We have reviewed an opinion of even date herewith of Trespasz & Marquardt LLP, counsel to the JSCB, upon which we are relying as to the due authorization, validity and enforceability of the Installment Sale Agreement and any other documents executed by the JSCB, as they relate to the JSCB; an opinion of even date herewith of the Corporation Counsel of the City of Syracuse, counsel to the City and the SCSD, upon which we are relying as to the due authorization, validity and enforceability of the License, the Installment Sale Agreement and any other documents executed by each party as they relate to the City and the SCSD; and an opinion of even date herewith of Hodgson Russ LLP, counsel to the Trustee and the Depository Bank upon which we are relying as to the due authorization, validity and enforceability of the Indenture by the Trustee. No opinion as to such matters is expressed herein.

As Bond Counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates and documents (including documents contained in the record of proceedings with respect to the issuance of the Series 2017 Bonds) as we have deemed necessary or appropriate for the purposes of the opinions rendered below. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion, without having any independent investigation, we have relied upon, and assumed the accuracy and truthfulness of, the aforesaid instruments, certificates and documents.

For purposes of the opinions set forth in paragraph (vii), we have assumed: (a) the accuracy of certain factual certifications of the Issuer, the JSCB, the SCSD and the City; and (b) continuing compliance by the Issuer, the JSCB, the SCSD and the City with their respective tax-related covenants in the Indenture, the Installment Sale Agreement, the Tax Certificate, dated the date hereof, of the Issuer and the Arbitrage and Use of Proceeds Certificate dated the date hereof of the JSCB, the SCSD and the City. In the event of the inaccuracy or incompleteness of any of such certifications or of the failure by the Issuer, the JSCB, the SCSD or the City to comply with such covenants, the interest on the Series 2017 Bonds could become includable in gross income for federal income tax purposes retroactive to the date of original execution and delivery of the Series 2017 Bonds, regardless of the date on which the event causing such inclusion occurs. Further, although such interest on the Series 2017 Bonds is excludable from gross income for federal income tax purposes, receipt or accrual of such interest may otherwise affect the tax liability of a holder of a Series 2017 Bond. The tax effect of receipt or accrual of the interest will depend upon the tax status of a holder of a Series 2017 Bond and such holder’s other items of income, deduction or credit. We express no opinion with respect to any such effect.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of any offering material relating to the Series 2017 Bonds, and we express no opinion relating thereto. We have not been requested to examine and have not examined any documents or information relating to the JSCB, the City or the SCSD other than the record of proceedings hereinabove referred to, and no opinion is expressed as to any financial or other information, or the adequacy thereof, which has been or may be supplied to any purchaser of the Series 2017 Bonds.

Based upon the foregoing, it is our opinion that:

- (i) The Issuer is a duly created and validly existing corporate governmental agency constituting a public benefit corporation under the laws of the State.
- (ii) The Series 2017 Project constitutes a “project” under and as defined in the IDA Act and the Syracuse Schools Act.
- (iii) The Issuer has the right and power under the IDA Act and the Syracuse Schools Act: (a) to acquire a license interest in Facilities and title to the Equipment; (b) to undertake the Series 2017 Project and to issue, execute, sell and deliver the Series 2017 Bonds in connection with the Series 2017 Project; (c) to assign its interest in the Installment Sale Agreement to the Trustee as provided in the Indenture and the Installment Sale Agreement; and (d) to enter into the Indenture, the License, the Installment Sale Agreement, the Pledge and Assignment, the Bond Purchase Agreement and the Tax Compliance Agreement.
- (iv) The Resolution has been duly and lawfully adopted by the Issuer and is in full force and effect.
- (v) The Indenture, the License, the Installment Sale Agreement, the Pledge and Assignment, the Bond Purchase Agreement and the Tax Compliance Agreement the have been duly authorized and lawfully executed and delivered by the Issuer and (assuming the authorization, execution and delivery by the other respective parties thereto) are valid and legally binding obligations of the Issuer enforceable against it in accordance with their respective terms.
- (vi) Pursuant to the Section 12.1 of the Series 2008 Indenture, neither Bondholder nor Bond Insurer consent was required with respect to the amendments embodied in the Fourth Amended Agreement;
- (vii) The Series 2017 Bonds have been duly authorized, executed, delivered and issued for value by the Issuer in conformity with all applicable laws and the provisions of the Indenture and the Resolution and constitute valid and legally binding special obligations of the Issuer enforceable against it in accordance with their terms and are entitled to the benefits of the Indenture. The Indenture creates a valid pledge of and a valid lien upon the Trust Estate, except as set forth therein, and subject only to the provisions of the Indenture permitting the use and payment thereof for the purposes and on the terms and conditions set forth in the Indenture.
- (viii) Under existing law and assuming the accuracy of certain representations and compliance with certain tax covenants described herein: (a) interest on the Series 2017 Bonds is excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”); and (b) interest on the Series 2017 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporation for purposes of calculating the alternative minimum tax on such corporations. Interest on the Series 2017 Bonds is exempt from personal income taxes imposed by the State and the political subdivisions thereof (including the City of New York).

[The Series 2017 Bonds maturing on \_\_\_\_\_ (collectively the “*Premium Bonds*”) have been initially offered to the public at prices greater than the amount payable with respect to such Premium Bonds at maturity. As a result of requirements under the Code relating to tax cost reduction associated with the amortization of bond premium, under certain circumstances the initial purchaser of such Premium Bond may realize taxable gain upon disposition thereof even though sold or redeemed for an amount less than or equal to such purchaser’s original acquisition cost. The amortization requirements may also result in the reduction of the amount of stated interest which an initial purchaser of such Premium Bond is treated as having received for federal tax purposes.]

[The Series 2017 Bonds maturing on \_\_\_\_\_ (collectively the “*Discounted Bonds*”) have been initially offered to the public at prices less than the amount payable with respect to such Discounted Bonds at maturity. The difference between the stated principal amount of such Discounted Bonds and the initial offering price of such Discounted Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Discounted Bonds of the same maturity were sold constitutes original issue discount. Such original issue discount is excluded from gross income for Federal income tax purposes to the same extent as interest on such Discounted Bonds. Further, such original issue discount accrues actuarially on a constant yield basis over the term of such Discounted Bond and the basis of such Discounted Bond acquired at such initial offering price by an initial purchaser of such Discounted Bond will be increased by the amount of such accrued discount. The accrual of original income discount may be taken into account as an increase in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Discounted Bonds, even though there will not be a corresponding cash payment.]

In rendering our opinion, we wish to advise you that:

(a) The enforceability against the Issuer of the Series 2017 Bonds, the Indenture, the License, the Installment Sale Agreement, the Intercept Procedures Agreement and the Pledge and Assignment may be limited by any applicable bankruptcy, insolvency or other similar law or enactment now existing or hereafter enacted by the State or the federal government affecting the enforcement of creditors’ rights generally.

(b) Equitable remedies with respect to any of the documents described in paragraph (a) above (and with respect to any other documents) lie in the discretion of a court and may not be available.

(c) We express no opinion as to the priority of the fee interest or the ownership of any other interest in any parcel of the land included within the Series 2017 Project, or the sufficiency of the description of any such parcel in the Indenture, the License, the Installment Sale Agreement and the Pledge and Assignment or the existence of any liens or encumbrances on any property.

(d) Certain requirements and procedures contained or referred to in the Indenture and certain other documents delivered in connection with the issuance of the Series 2017 Bonds may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of Bond Counsel. We express no opinion as to any series of the Series 2017 Bonds or the interest thereon, if any, with respect to any change or action taken upon the advice or approval of bond counsel other than Barclay Damon, LLP.

(e) We have assumed the due filing and sufficiency of financing statements under the State Uniform Commercial Code.

We have examined the executed Bond numbered RA-1 through RA - \_\_\_\_, in fully registered form and, in our opinion, the form of the Bond and the execution thereof are regular and proper.

Very truly yours,

If the Dissemination Agent has not received on or before the last business day of a Fiscal Year, an Annual Report from the JSCB, on behalf of the SCSD, for the preceding Fiscal Year, and the Dissemination Agent does not have actual knowledge that the Annual Report has been provided to the Repository, the Dissemination Agent shall send a notice to the Repository in substantially the form attached hereto as Exhibit A, with a copy to the SCSD and the City.

The Dissemination Agent shall file a report with the JSCB and (if the Dissemination Agent is not the Trustee) with the Trustee, certifying that the Annual Report has been provided to the Repository to this Disclosure Agreement, stating the date it was so provided.

SECTION 4. Content of Annual Report. The Annual Report shall contain or include by reference the following core financial information and operating data:

(i) Specified Information.

(a) The audited financial statements of the SCSD for the most recently ended Fiscal Year prepared in accordance with generally accepted accounting principles consistently applied, as promulgated from time to time by the Government Accounting Standards Board. (c) A report consolidating the information required from the SCSD under subsection 4(i)(a) above.

(ii) Cross-Reference. All or any portion of the Annual Report may be incorporated in the Annual Report by cross-reference to any other documents which were and are being filed under the Rule with the Repository, through and in accordance with EMMA. The audited or unaudited financial statements of the SCSD may be provided in the same manner.

(iii) Information Categories. The requirements contained in this Disclosure Agreement under Section 4(i)(b) are intended to set forth a general description of the type of financial information and operating data to be provided; such descriptions are not intended to state more than general categories of financial information and operating data; and where the provisions of Section 4(i)(b) call for information that no longer can be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be provided.

If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee. For so long as the Trustee shall be the Dissemination Agent, the JSCB shall pay the Dissemination Agent an annual fee of \$500.00 upon the execution of this Disclosure Agreement and on each anniversary thereof.

SECTION 8. Amendments. An amendment to the requirements set forth in this Disclosure Agreement (the “Requirements”) may only take effect if:

(a) The amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the SCSD, or type of business conducted; the Requirements, as amended, would have complied with the requirements of the Rule at the time of sale of the Series 2017 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and the amendment does not materially impair the interests of Bondholders and/or Beneficial Owners, as determined by parties unaffiliated with the SCSD (such as, but without limitation, the SCSD’s financial advisor or transaction counsel) and the annual financial information containing (if applicable) the amended operating

data or financial information will explain, in narrative form, the reasons for the amendment and the “impact” (as that word is used in the letter from the SEC staff to the National Association of Bond Lawyers dated June 23, 1995) of the change in the type of operating data or financial information being provided; or

(b) All or any part of the Rule, as interpreted by the staff of the SEC at the date of the Series 2017 Bonds, ceases to be in effect for any reason, and the SCSD elects that the Requirements shall be deemed terminated or amended (as the case may be) accordingly.

(c) In addition to subsections (a) and (b) above, this Disclosure Agreement may be amended by written agreement of the parties, without the consent of the Bondholders and/or Beneficial Owners, of the Bonds, if all of the following conditions are satisfied: (1) the JSCB, on behalf of the SCSD, shall have delivered to the Trustee an opinion of Counsel, addressed to the SCSD, the City, the JSCB, the Issuer and the Trustee, to the effect that the amendment is permitted by rule, order or other official pronouncement, or is consistent with any interpretive advice or no-action positions of Staff of the SEC, and (2) the Trustee shall have delivered copies of such opinion and amendment to (i) the MSRB and (ii) the Issuer. The Trustee shall so deliver such opinion and amendment within one Business Day after receipt by the Trustee.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the JSCB from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the JSCB, at the direction of the SCSD or the City, chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the JSCB shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default: Venue. No Bondholder may institute any suit, action or proceeding at law or in equity (“Proceeding”) for the enforcement of the Requirements (the “Undertaking”) or for any remedy for breach thereof, unless such Bondholder shall have filed with the SCSD evidence of ownership and a written notice of and request to cure such breach, and the SCSD shall have refused to comply within a reasonable time. All Proceedings shall be instituted only as specified herein, in any federal or state court located in the State and for the equal benefit of all holders of the outstanding bonds benefited by the same or a substantially similar covenant, and no remedy shall be sought or granted other than specific performance of the covenant at issue.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. The Dissemination Agent (if other than the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and the SCSD agrees to release the Dissemination Agent and the Trustee from any claim arising out of the discharge of any duties hereunder and to defend, indemnify and save the Trustee and the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney’s fees) of defending against any claim of liability, but excluding liabilities due to the Trustee and the Dissemination Agent’s negligence or willful misconduct. The obligations of SCSD under this Section 11 shall survive resignation or removal of the Dissemination Agent and payment of the Series 2017 Bonds.

**CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2017**

**Dated: Delivery Date**

**Due: as shown on inside cover**

The School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "**Series 2017 Bonds**") are being issued by the City of Syracuse Industrial Development Agency (the "**Issuer**") in accordance with Chapter 58 Pt. A-4 of the Laws of 2006 of the State of New York, as amended (the "**Syracuse Schools Act**"). The Series 2017 Bonds will be issued pursuant to an Indenture of Trust (Series 2017 Project) dated as of April 1, 2017 (the "**Indenture**") between the Issuer and Manufacturers and Traders Trust Company, as Trustee (the "**Trustee**"), to provide money to refinance a portion of the costs of design, reconstruction, rehabilitation, and/or equipping of certain existing school buildings for use by the City School District of the City of Syracuse (the "**SCSD**"). The Series 2017 Bonds are special limited obligations of the Issuer payable from amounts due solely from the SCSD and the City of Syracuse (the "**City**") under an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the "**2008 Original Installment Sale Agreement**"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "**First Amended Agreement**"); Amendment No. 2 to the Installment Sale Agreement dated as of December 1, 2010 (the "**Second Amended Agreement**"); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the "**Third Amended Agreement**"); and Amendment No. 4 to Installment Sale Agreement dated April 1, 2017 (the "**Fourth Amended Agreement**"), together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, the "**Installment Sale Agreement**" or "**Agreement**"), each among the Issuer, the City, the SCSD and the Syracuse Joint Schools Construction Board (the "**JSCB**").

The obligation of the SCSD and the City to pay installment purchase payments under the Installment Sale Agreement are deemed executory only to the extent of New York State building and operating aid, which aid does not include Expanding our Children's Education and Learning aid, that is appropriated by the New York State Legislature and paid to the SCSD or the City or any officer thereof, for the provision of public educational instruction for the City ("**State Aid to Education**"). Payment of State Aid to Education to the SCSD and the City is subject to annual appropriation of the State of New York (the "**State**"). Pursuant to a State Aid Depository Agreement, dated as of March 1, 2008 (the "**Depository Agreement**"), as previously amended by a First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to State Aid Depository Agreement**") and together with the Depository Agreement collectively, the "**State Aid Depository Agreement**"), each among the SCSD, the City and Manufacturers and Traders Trust Company, as depository (the "**Depository**"), all State Aid to Education made payable to the SCSD or the City will be deposited into a State Aid Depository Fund with the Depository and, upon appropriation by the City and the SCSD, such State Aid to Education will be disbursed for the payment of principal and interest on the Series 2017 Bonds, Series 2011 Bonds (as defined herein), the Series 2010 Bonds (as defined herein) and other purposes of the SCSD.

The Series 2017 Bonds are special limited obligations of the Issuer payable solely from: (i) the payment of installment purchase payments by the SCSD and the City under the Installment Sale Agreement; and (ii) the pledge of certain funds, including a bond fund, under the Indenture. In the event the SCSD and the City fail to make an installment purchase payment under the Installment Sale Agreement, it is provided in the Syracuse Schools Act and the Indenture that, upon receipt by the New York State Comptroller (the "**State Comptroller**") of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold any state and/or school aid payable to the SCSD or the City to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The obligation of the SCSD and the City under the Installment Sale Agreement to pay installment purchase payments is not a general obligation of the SCSD or the City and neither the faith and credit nor the taxing powers of the City is pledged to the payment of installment purchase payments under the Installment Sale Agreement. The obligation of the SCSD and the City under the Installment Sale Agreement to pay installment purchase payments in any fiscal year of the SCSD or the City constitutes a current expense of the SCSD for such fiscal year and shall not constitute an indebtedness or moral obligation of the SCSD, the City or the State within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available for the payment of the principal of and interest on the Series 2017 Bonds is installment purchase payments made by the SCSD and the City under the Installment Sale Agreement to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City and appropriated by the City and the SCSD to make such payments, and the intercept by the State Comptroller of any other state and/or school aid payable to the City or the SCSD to the extent of any installment purchase payment deficiency. The Series 2017 Bonds are neither a general obligation of the Issuer, nor a debt or indebtedness of the City or the State and neither the City nor the State shall be liable thereon. The Issuer has no taxing power. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS" herein.

The Series 2017 Bonds will be issued in fully registered form registered in the name of Cede & Co., as nominee for The Depository Trust Company ("**DTC**"). See "THE SERIES 2017 BONDS—Registration and Payment — Book-Entry System" herein.

The Series 2017 Bonds will bear interest payable semiannually on May 1 and November 1 of each year commencing May 1, 2017 and are subject to redemption prior to maturity as described herein. See "THE SERIES 2017 BONDS—Redemption of Series 2017 Bonds" herein.

*In the opinion of Barclay Damon, LLP, Bond Counsel to the Issuer, under existing law and assuming continuing compliance by the Issuer, the SCSD and the City with certain covenants and the accuracy and completeness of certain representations made by the Issuer, the SCSD and the City, interest on the Series 2017 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that, under existing statutes, interest on the Series 2017 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). See "TAX MATTERS" herein.*

*The Series 2017 Bonds are offered when, as, and if issued and received by the Underwriter subject to the approval of legality by Bond Counsel to the Issuer. Certain legal matters will be passed upon for the Issuer by Corporation Counsel of the City; for the Underwriter by its counsel, Harris Beach PLLC, Syracuse, New York; for the Syracuse Joint Schools Construction Board by its counsel, Trespasz & Marquardt, LLP, Syracuse, New York; for the SCSD and the City by the Corporation Counsel of the City. Capital Markets Advisors, LLC serves as independent financial advisor to the SCSD and the City. It is expected that the Series 2017 Bonds will be available for delivery through the facilities of DTC in New York, New York on or about April 20, 2017.*

**\$29,260,000**  
**CITY OF SYRACUSE INDUSTRIAL DEVELOPMENT AGENCY**  
**SCHOOL FACILITY REVENUE REFUNDING BONDS**  
**(SYRACUSE CITY SCHOOL DISTRICT PROJECT) SERIES 2017**

**INTRODUCTION**

**General**

This Official Statement sets forth certain information concerning the issuance and sale by the City of Syracuse Industrial Development Agency (the "*Issuer*") of \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "*Series 2017 Bonds*"). The Series 2017 Bonds will be secured by and issued pursuant to an Indenture of Trust (Series 2017 Project) dated as of April 1, 2017 (the "*Indenture*" or the "*Series 2017 Indenture*") between the Issuer and Manufacturers and Traders Trust Company, as Trustee (the "*Trustee*").

Certain capitalized terms used in this Official Statement which are not defined herein shall have the meanings assigned to them in APPENDIX B - "Summary of Definitions" attached hereto.

**Authorization**

The Series 2017 Bonds will be issued pursuant to the Issuer's enabling legislation constituting Title I of Article 18-A of the General Municipal Law of the State of New York (the "*State*") (enacted into law as Chapter 1030 of the Laws of 1969 of the State), and Title II of Article 18-A § 926 of the General Municipal Law of the State enacted into law as Chapter 641 of the Laws of 1979 of the State (collectively, the "*Act*"); and Chapter 58 Part A-4 of the Laws of 2006, as amended (the "*Syracuse Schools Act*"); and a resolution of the Issuer adopted January 24, 2017.

**Purpose of the Series 2017 Bonds**

The Series 2017 Bonds are being issued under the Series 2017 Indenture for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A (the "*Series 2008A Bonds*" or the "*Refunded Bonds*"), of which \$34,780,000 principal amount is currently outstanding; and (ii) financing certain costs of issuance of the Series 2017 Bonds and paying the redemption costs of the Refunded Bonds. The Refunded Bonds were originally issued pursuant to the Indenture of Trust (Series 2008 Project), dated as of March 1, 2008 (the "*Series 2008 Indenture*"), between the Issuer and Manufacturers and Traders Trust Company, as trustee under the Series 2008 Indenture. The Series 2017 Bonds are payable from amounts due from the City School District of the City of Syracuse (the "*SCSD*") pursuant to an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008 (the "*Original Installment Sale Agreement*"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "*First Amended Agreement*"); Amendment No. 2 to the Installment Sale Agreement dated as of December 1, 2010 (the "*Second Amended Agreement*"); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the "*Third Amended Agreement*"); and Amendment No. 4 to Installment Sale Agreement dated as of April 1, 2017 (the "*Fourth Amended Agreement*"), together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, the "*Installment Sale Agreement*" or "*Agreement*"), each between the Issuer and the SCSD. See "PLAN OF FINANCING."

## **The Program**

The Syracuse Schools Act was enacted and became legally effective April 1, 2006, authorizing Phase I of a comprehensive redevelopment program (“the **Program**”) for public school buildings of the City School District of the City of Syracuse (the “**SCSD**”), at a cost not to exceed \$225 million. The Program was adopted by the Syracuse Joint Schools Construction Board (the “**JSCB**”) on February 28, 2008, amended on April 17, 2009 and approved by the Office of the State Comptroller on June 24, 2009 in accordance with §6 of the Syracuse Schools Act. Prior to the commencement of the Program, the facilities of the SCSD had not been updated or improved in a number of years. The Syracuse Schools Act was enacted to encourage the City of Syracuse (the “**City**”) and the SCSD to cooperatively undertake new and innovative ways of renovating, rehabilitating and financing public schools within the City. The plans and specifications for the Program are being developed by the JSCB, which is acting on behalf of the City and the SCSD, pursuant to the aforementioned Syracuse Schools Act and an intermunicipal agreement dated April 1, 2004. Pursuant to the Syracuse Schools Act, the JSCB has been authorized to manage the design, reconstruction, and financing of the rehabilitation of existing public school facilities in the City, and to coordinate efforts for compliance with, the monitoring of, and the reporting on, a program-wide diversity plan for the Program. The JSCB retained the Gilbane Building Company, a privately held family run construction company founded in 1873 in Providence, Rhode Island, to be the independent program/construction management firm (“**Phase I Program Manager**”) for Phase I of the Program, and to assist in the management of Phase I of the Program under the supervision of the City Engineer. A portion of Phase I of the Program was financed by the issuance of the Refunded Bonds. The Gilbane Building Company is one of the nation’s largest providers of construction expertise with annual revenues in excess of \$4 billion and more than 2,000 employees. The Gilbane Building Company, a corporation organized in the State of Rhode Island, is a subsidiary of Gilbane Inc., a holding company formed in 1998 to be the parent company for Gilbane Building Company and Gilbane Properties (Inc).

Legislation authorizing Phase II of the Program at a cost not to exceed \$300 million was enacted on October 25, 2013. Such legislation authorized the City to provide interim financing for project costs from the proceeds of City obligations issued in anticipation of permanent financing from any source provided under the Syracuse Schools Act, and the reimbursement to the City for the payment of such obligations from any such source (including permanent financing issued through the Issuer for such purpose). The City currently has \$9.9 million total principal amount of its bond anticipation notes outstanding which were issued to provide such initial funding and which are scheduled to mature on June 23, 2017. The City will renew such notes and continue to provide such interim financing for an additional portion of project costs until permanent financing is completed in late 2017 or early 2018.

Legislation was subsequently enacted on March 17, 2014 specifying 15 buildings to be included in Phase II. Currently, renovations are being designed for the first seven school buildings of Phase II: Bellevue Elementary, Ed Smith K-8, Fowler High, Frazer K-8, Grant Middle, Huntington K-8, and Westside Academy at Blodgett.

The JSCB selected Turner Construction Company (“**Phase II Program Manager**”) as the Program Manager for Phase II of the Program on September 2, 2015. Turner Construction was founded 113 years ago and is a North America-based, international construction services company. With a staff of over 5,200 employees, the company completes \$10 billion of construction on 1,500 projects each year. Phase II of the Program is currently at the design development stage of the first seven school buildings.

The Phase I Program Manager and Phase II Program Manager are collectively referred to hereinafter as the “**Program Manager**”.

A full copy of the Phase I and Phase II legislation may be obtained by visiting the JSCB's official website: <http://www.jsbcsyracuse.us/>.

### **Program Financings**

On March 1, 2008, the Issuer issued \$49,230,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A (the "**Series 2008A Bonds**") to finance the following: (i) rehabilitation of, and the acquisition of equipment and furnishings for, Central Technical High School; and (ii) preparation of designs and specifications for reconstruction and rehabilitation of Blodgett School, Shea Middle School, Dr. Weeks Elementary, Clary Middle School, Fowler High School and H.W. Smith Elementary School (the Central Tech Project and the Design Phase, are herein collectively referred to as the "**Original Series 2008 Project**"). On July 6, 2009, the Issuer amended the scope of the Series 2008 Project to include the payment of costs associated with the acquisition, construction, and installation of various improvements to the Fowler High School, H.W. Smith Pre-K-8 School, Dr. Weeks Elementary School, Clary Middle School and Shea Middle School (the "**Amended Series 2008 Project**", and together with the Original Series 2008 Project, the "**Series 2008 Project**").

On December 23, 2010, the Issuer issued \$31,470,000 aggregate principal amount of its School Facility Revenue Bonds (Syracuse City School District Project) Series 2010 ( the "**Series 2010 Bonds**") to finance an additional portion of the costs of the Phase I of the Program. The proceeds of the Series 2010 Bonds financed site work, exterior and interior building improvements and additions, and mechanical and electrical upgrades.

On July 12, 2011, the Issuer issued \$31,860,000 aggregate principal amount of its School Facility Revenue Bonds (Tax Exempt Bonds) (Syracuse City School District Project) Series 2011A and \$15,000,000 aggregate principal amount of its School Facility Revenue Bonds (Federally Taxable Qualified School Construction Bonds) (Syracuse City School District Project) Series 2011B (collectively, the "**Series 2011 Bonds**") to finance an additional portion of the costs of the Phase I of the Program, including the completion of the Dr. Weeks Elementary School, the H.W. Smith Pre-K to 8 School and the Fowler Energy Performance Contract Project at Fowler High School.

It is anticipated that funds required to complete Phase II and future phases of the Program will be derived, in part, through the issuance and sale from time to time of other series of bonds (together with the Series 2008A Bonds, the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds collectively referred to hereinafter as "**Project Bonds**") issued by the Issuer or other authorized issuer pursuant to separate indentures of trust or bond resolutions (each, including the Indenture, being a "**Series Indenture**," and the trustee under each Series Indenture, including the Trustee, being a "**Series Trustee**"). It is further anticipated that the additional facilities to be financed from further series of Project Bonds will be made subject to a separate or amended license agreement or ground lease and a separate or amended lease agreement or an installment sale agreement or similar instrument (each such separate lease agreement or installment sale agreement, including the Installment Sale Agreement, being a "**Series Facilities Agreement**").

### **Structure of the Series 2017 Bonds**

Pursuant to the License Agreement, dated as of March 1, 2008, between the City and the SCSD, as licensor, and the Issuer, as licensee (the "**License Agreement**"), which was previously amended pursuant to an Amendatory License Agreement, dated as of December 1, 2010 (the "**Amendatory License Agreement**"); a Second Amendatory License Agreement dated as of July 1, 2011

(the “*Second Amendatory License Agreement*”), and a Third Amendatory License Agreement dated as of April 1, 2017, (the “*Third Amendatory License Agreement*” and together with the License Agreement, the Amendatory License Agreement, and the Second Amendatory License Agreement, collectively, the “*License Agreement*”), each among the Issuer, City and the SCSD, the City and the SCSD licensed to the Issuer certain existing school buildings within the SCSD and, pursuant to a bill of sale, conveyed title to the equipment (collectively, the “*Series 2008 Facilities*”). The Third Amendatory License Agreement will be entered into concurrently with the issuance of the Series 2017 Bonds and will have a term ending upon the later of completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project. Concurrently therewith, the Issuer will sell and assign its license interest under the License Agreement and a bill of sale in the Series 2008 Facilities to the SCSD and the City pursuant to the Installment Sale Agreement. Base installment purchase payments due from the SCSD and the City under the Installment Sale Agreement related to the Series 2017 Bonds, will equal principal and interest due on the Series 2017 Bonds, including the mandatory principal payments. Pursuant to §14(a) of the Syracuse Schools Act, the Board of Education for the SCSD shall be responsible for the maintenance and operation of the Series 2008 Facilities.

Pursuant to the Indenture, the Issuer will issue the Series 2017 Bonds for the benefit of the JSCB, to refund the Refunded Bonds, and reserves the right, upon request of the JSCB, to issue one or more Series of Additional Bonds under the Indenture. To accomplish the refunding, substantially all of the proceeds from the sale of the Series 2017 Bonds will be deposited into one or more separate special trust fund(s) created under that certain Refunding Escrow Trust Agreement dated as of April 1, 2017 entered into among the Issuer, the SCSD and Manufacturers and Traders Trust Company, as Escrow Agent providing for the defeasance of the Refunded Bonds (the “*Refunding Escrow Trust Agreement*”). See “PLAN OF FINANCING.”

#### **Security for the Series 2017 Bonds**

Principal of and interest on the Series 2017 Bonds will be secured by: (i) installment purchase payments (“*Installment Purchase Payments*”) made by the SCSD and the City under the Installment Sale Agreement; and (ii) the pledge of certain funds, including the Bond Fund under the Indenture. In the event the SCSD or the City fails to make an Installment Purchase Payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that, upon receipt by the New York State Comptroller (the “*State Comptroller*”) of a certificate from the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold from the SCSD and the City any state and/or school aid payable to the City or the SCSD to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS—State Aid Intercept” and “State Aid”. The Syracuse Schools Act further provides that (x) any amount of state and/or school aid so paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD or the City to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid, and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

The obligations of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement are deemed executory only to the extent of State Aid to Education appropriated by the New York State Legislature (the “*State Legislature*”) and available to the SCSD and/or the City and appropriated by the City and approved by the SCSD for the payment of Installment Purchase Payments under the Installment Sale Agreement, and no liability on account thereof shall be

incurred by the SCSD or the City beyond the amount of such State Aid to Education so available and appropriated; *provided, however*, the failure of the SCSD and the City, for any reason (including a failure by the SCSD to budget and appropriate funds for Installment Purchase Payments, a failure by the City to approve a budget and appropriate funds for the SCSD providing for Installment Purchase Payments or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment under the Installment Sale Agreement is deemed a failure to make a payment thereunder for purposes of the state and/or school aid intercept implementing provisions of the Syracuse Schools Act and the intercept provisions of the Indenture. Payment of State Aid to Education to the SCSD and/or the City is subject to annual appropriation by the State Legislature. Except to the extent limited as provided above, the obligation of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement and to perform their obligations thereunder shall be absolute and unconditional; and such Installment Purchase Payments and other amounts shall be payable without any rights of set-off, or recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction they might otherwise have against the Issuer, the Trustee, any purchaser of any Series 2017 Bond or any other person and whether or not any or all of the facilities financed or refinanced with the proceeds of the Series 2017 Bonds are used or occupied by the City, the JSCB or the SCSD or available for use or occupancy by the City, the JSCB or the SCSD. See "SECURITY AND SOURCE OF PAYMENT FOR THE SERIES 2017 BONDS," "BONDHOLDERS' RISKS - Additional Series of Project Bonds" and APPENDIX D — "Summary of Certain Provisions of the Installment Sale Agreement."

The SCSD, the City and Manufacturers and Traders Trust Company, as depository bank (the "**Depository**"), have entered into a State Aid Depository Agreement, dated as of March 1, 2008 (the "**Depository Agreement**"), as previously amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "**First Amendment to State Aid Depository Agreement**") and together with the Depository Agreement, collectively, the "**State Aid Depository Agreement**"). In accordance with the State Aid Depository Agreement, the Commissioner of Finance of the City (the "**Commissioner of Finance**") and the President of the Board of Education of the SCSD have instructed the State Comptroller to pay all State Aid to Education directly to a designated fund (the "**State Aid Depository Fund**") held with the Depository. Provided the City and the SCSD have made an appropriation for the payment of Installment Purchase Payments under the Installment Sale Agreement, amounts in the State Aid Depository Fund will be transferred periodically to the Trustee for deposit in the Bond Fund established under the Indenture (and to each equivalent fund under each other Series Indenture), on a Ratable Basis, toward the payment of the Series 2017 Bonds and other series of Project Bonds outstanding under each other Series Indenture, and any balance remaining will be transferred to the SCSD. Amounts in the State Aid Depository Fund will be transferred by the Depository to the Bond Fund periodically on a Ratable Basis from each December 1 until each March 31 of each Fiscal Year (the "**Collection Period**") and will be credited against the obligation of the SCSD and the City to pay annual Installment Purchase Payments under the Installment Sale Agreement due on April 1 of each year. Although the State Aid Depository Agreement requires an immediate transfer of State Aid to Education from the State Aid Depository Fund to the Bond Fund during the Collection Period, amounts held in the State Aid Depository Fund are not subject to the lien of the Indenture and are not pledged as security for the payment of the Series 2017 Bonds until such amounts have been transferred by the Depository to the Trustee and deposited in the Bond Fund under the Indenture.

Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payment Date under the Installment Sale Agreement, said agreement provides that if the SCSD fails to appropriate by November 1, 2017 (or by any subsequent November 1 that the Series 2017 Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on

deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment Date and Base Installment Purchase Payment Date shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment and Base Installment Purchase Payments due on such November 15 are not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the Indenture.

The State Legislature adopted the currently effective State budget on March 31, 2016. The budget included an increase of \$991 million in State aid for school districts over the 2015-16 budget, \$863 million of which consisted of traditional operating aid. In addition to the \$408 million of expense based aid, the Governor's budget included a \$266 million increase in Foundation Aid and a \$189 million restoration to the Gap Elimination Adjustment. The majority of the remaining increase included \$100 million in Community Schools Aid, a newly adopted aid category, to support school districts that wish to create community schools. The funds may only be used for certain purposes such as providing health, mental health and nutritional services to students and their families. The amount of total State Aid to Education projected to be received by the SCSD in its current fiscal year (ending June 30, 2017) is \$321.5, which is an increase of \$26.6 million, or 9.0%, compared to the amount budgeted for the 2015-16 fiscal year.

The Governor's proposed 2017-18 Budget, released on January 17, 2017, includes an increase of \$961 million in State aid for school districts over the 2016-17 budget, including \$428 million increase in Foundation Aid. The majority of the remaining increase included \$178 million in Building Aid, \$96 million increase in Transportation Aid and \$50 million in Community Schools Aid to support school districts that wish to create community schools. The amount of total State Aid to Education projected to be received by the SCSD in the fiscal year (ending June 30, 2018) is \$336 million, which is an increase of \$8 million, or 2.4%, compared to the amount budgeted for the 2016-17 fiscal year.

No assurance can be given that the foregoing amounts of State Aid to Education will continue or be appropriated by the State in such amounts in future fiscal years. See "PROGRAM PARTICIPANTS - The SCSD and Board of Education," "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS," - State Aid - *Enacted 2015-16 and 2016-17 State Budgets*" and "BONDHOLDERS' RISKS — Competing Claims to State Aid," and APPENDIX A — "Certain Financial Information and Audited Financial Statements of the Board of Education of the City School District of the City of Syracuse."

The amount of State Aid to Education paid to the SCSD is also dependent, in part, upon the financial condition of the State. See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment."

Pursuant to the Indenture and the Pledge and Assignment, the Issuer has assigned to the Trustee substantially all of its rights under the Installment Sale Agreement with respect to the Series 2017 Bonds, including the right to receive and collect the Installment Purchase Payments with respect to the Series 2017 Bonds (other than moneys payable for the Issuer's Reserved Rights) payable by the SCSD and the City thereunder. Pursuant to the Indenture and the Pledge and Assignment, the Issuer has also pledged and assigned to the Trustee for the benefit of the holders of the Series 2017 Bonds, substantially all of its right, title and interest in and to State Aid to Education and the funds, monies or securities held under the Indenture (other than amounts set aside and transferred to the Rebate Fund), including amounts held in the Bond Fund.

## **THE PROGRAM**

### **Authorization**

The Program has been developed by the JSCB, pursuant to the Syracuse Schools Act and the April 1, 2004 intermunicipal agreement between the City and the SCSD, and encompasses a multi-phase

comprehensive redevelopment program for the reconstruction of existing public schools for the SCSD. There have been no new public schools built in the City during the past 30 years, and prior to Phase I of the Program many elementary and secondary schools in the City were in extremely poor physical condition. The Syracuse Schools Act was enacted to encourage the City and the SCSD to cooperatively undertake new and innovative ways of renovating, rehabilitating and financing existing public schools within the City. The Syracuse Schools Act authorized Phase I of the Program for various schools at a cost not to exceed \$225,000,000. The JSCB has made the determination that a finance plan consisting of approximately \$145,000,000 of project funds for Phase I is sufficient for the projects to be undertaken in such Phase I. Legislation authorizing Phase II of the Program at a cost not to exceed \$300 million was enacted on October 25, 2013. Legislation was subsequently enacted on March 17, 2014 specifying 15 buildings to be included in Phase II.

Phase I included extensive renovations to four SCSD school buildings (Central Tech, Fowler, HW Smith and Dr. Weeks), and minor renovations at two other SCSD buildings (Clary and Bellevue Academy at Shea). The JSCB is presently in the process of closing out Phase I projects. For Phase II projects, renovations are being designed for the first seven buildings: Bellevue Elementary, Ed Smith K-8, Fowler High, Frazer K-8, Grant Middle, Huntington K-8, and Westside Academy at Blodgett, which are commonly referred to as the Phase II Tranche 1 projects. The JSCB anticipates addition tranches of Phase II projects.

### **Program Overview**

The JSCB, with the assistance of the Program Manager, is in the process of closing out Phase I of the Program for various schools identified herein and as authorized by the Syracuse Schools Act. Phase II of the Program is presently in process. It is anticipated that ongoing costs of subsequent phases of the Program will be funded by the issuance of one or more series of Project Bonds under separate Series Indentures. The total cost to complete all Phases of the Program (I-IV) is currently estimated to be approximately \$926 million. Phases III and IV will be subject to future authorization by the State Legislature.

The public school facilities of the SCSD have not been updated or improved in a number of years. While in generally sound structural condition, many of the school buildings are currently inadequate to meet current instructional requirements for delivering a 21st century education.

It is the expectation of the City and the SCSD that through the payment of a portion of State Aid to Education constituting building aid ("*State Building Aid*"), the State will reimburse a substantial portion of the cost to reconstruct existing schools, including costs associated with the Series 2011 Project. For information regarding projection assumptions see "PROGRAM PARTICIPANTS - SCSD Financial Plan."

### **The Series 2008 Project**

A portion of the Series 2008A Bonds financed the following: (i) rehabilitation of, and the acquisition of equipment and furnishings for, Central Technical High School (the "*Central Tech Project*") and (ii) preparation of designs and specifications (the "*Design Phase*") for reconstruction and rehabilitation of Blodgett School, Shea Middle School, Dr. Weeks Elementary, Clary Middle School, Fowler High School and H.W. Smith Elementary School (the Central Tech Project and the Design Phase, are herein collectively referred to as the "*Original Series 2008 Project*"). On July 6, 2009, the Issuer amended the purposes to be financed with the proceed of the Series 2008A Bonds to include the acquisition, construction, and installation of various improvements to the Dr. Weeks Elementary School, Clary Middle School, Shea Middle School, H.W. Smith Elementary School and Fowler High School (the

*“Amended Series 2008 Project”* and together with the Original Series 2008 Project, the *“Series 2008 Project”*).

### **The Series 2010 Project**

A portion of the Series 2010 Bonds financed the general reconstruction of various school facilities, including site work, exterior and interior building improvements and additions, and mechanical and electrical upgrades.

### **The Series 2011 Project**

The Series 2011 Project, shall include the completion of the 2011 Dr. Weeks Project, the 2011 H.W. Smith Project and the 2011 Fowler Project (collectively the “Series 2011 Project”). The construction start date for the Phase I of the Project was July 2009, and the construction completion date was December 2013. The total estimated cost of Phase I is approximately \$150,000,000. All contracts are closed with the exception of one construction contract, one architect contract and the program manager contract.

### **Phase II of the Program**

Phase II is currently at the Design Development stage for the first seven projects. It is anticipated that permanent financing and construction will begin in the first quarter of 2018 with a projected completion date of the fourth quarter of 2019. The total estimated project cost is \$135,200,000.

It is anticipated that construction will begin for the second set of projects in the fourth quarter of 2018 with a projected completion date in the second quarter of 2021. The total estimated project cost is \$156,300,000.

## **PROGRAM PARTICIPANTS**

### **The City**

The City is a municipal corporation and the fifth largest city in the State. The City encompasses a land area of 26 square miles in the north central portion of the State near Lake Ontario. According to 2015 interim data released by the U.S. Census Bureau, the City’s population is 144,564 (a decline of 606 persons since the 2010 census).

The City, which was incorporated in 1848, operates under a Charter adopted in 1960 (the “Charter”). In accordance with its Charter, the City has a strong Mayor-Council form of government. The Mayor, as chief executive officer, is the head of the Executive Department and oversees all administrative functions. The Common Council performs all legislative duties.

The City is responsible for and provides the following general municipal services: police, fire, sanitation, street maintenance, parks and recreation, and property assessment. Air transportation is available at the Hancock International Airport which is owned by the City and operated by the Syracuse Regional Airport Authority. The City operates a water system and is responsible for sewage collection. The County of Onondaga (the “County”) provides sewage treatment. The City supports the cost of primary and secondary education expenditures, however, the SCSD is governed by an independently elected Board of Education whose members oversee the administration of the City’s school system.

The Mayor is elected at a general election to serve a four-year term and may succeed himself / herself for one additional term. The current Mayor was elected in November 2009, reelected in November 2013, and began her second four-year term on January 1, 2014. According to the City Charter, the Mayor is the chief executive officer of the City and appoints all department heads (except the City Auditor, who is elected) to serve at her pleasure. The Mayor is responsible for the day-to-day operations of the City government. The Common Council may override a mayoral veto subject to the terms and conditions specified in the Charter.

The Common Council is the legislative body of the City and consists of a Council President, four members elected at-large to serve four-year terms and five district members elected to serve two-year terms. It is the responsibility of the Common Council to approve all legislation, including ordinances and local laws, adopt and modify as required the City's operating and capital budgets, levy real property taxes and authorize the issuance of all indebtedness.

### **The SCSD and Board of Education**

The SCSD is governed by an independently elected seven-member Board of Education. Members are elected at-large to serve four-year terms; there is no restriction as to the number of terms that may be served. The Board of Education is responsible for managing the school system in accordance with the provisions of the State Education Law. A Superintendent of Schools is appointed by the Board of Education to administer policy and supervise the day-to-day activities of the SCSD. The SCSD prepares its own financial statements, which are audited separately from the financial statements of the City (the City and the SCSD utilize the same independent auditors). However, the City includes certain of the SCSD's statements in its financial statements.

The SCSD is primarily dependent upon the City for taxation and debt issuance. See "BONDHOLDER'S RISKS - Tax Levy Limitation Bill" herein. However, the SCSD receives significant portions of its operating budget from the State, the federal government and local sales tax collections. The Common Council of the City approves the budget of the SCSD but does not otherwise control the budget of the SCSD. According to the New York State Education Department ("NYSED") 2015-16 School Report Card of the SCSD, student enrollment for 2015-16 was 19,851 in grades k-12, which included ungraded elementary and ungraded secondary enrollments. In addition, for 2015-16 there were 1,381 students reported by the NYSED to be enrolled in the District's Pre-Kindergarten program. The SCSD operates 41 buildings, including 35 school buildings, and currently employs approximately 4,549 persons in full and part-time capacities, with 3,782 of these individuals represented through a collective bargaining unit. The following table sets forth certain statistics relating to the school system.

**Charter Schools**

A charter school can be a public school and is financed through public, local, State, or federal funds but is independent of local school boards. The authority of the charter school to provide education is through a “charter,” a type of contract, between the charter school board of trustees and one of the chartering entities that has been approved and issued by the Board of Regents. School districts in the State are required to pay an amount to the charter school for each resident pupil so enrolled that is equal to the approved operating expense per pupil of the school district. The exact amount payable for each pupil equals the product of the approved operating expense per pupil and the full-time-equivalent enrollment of the students in the charter school.

There are currently two charter schools operating in the City and two new charters have been approved by the Board of Regents to open in the fall of 2017. Enrollments at these schools increased from 1,458 students in the 2014-15 school year to 1,478 in 2015-16, and then to 1,565 (projected) for the 2016-17 school year. In 2015-16, charter school funding was \$12,430 per student for regular education, \$6,458 for 20% special education, and \$11,840 per student for 60% special education. For 2016-17, charter school funding for regular education was held constant at \$12,430 per student, 20% and 60% special education increased to \$6,572 and \$12,048 per student, respectively. According to School District Officials, for the 2015-16 school year the School District spent a total of \$18,496,226 on charter school tuitions. The 2016-17 adopted budget of the School District includes \$20,078,540 for charter school tuitions.

**SCSD Budget — Year Ending June 30, 2017**

The SCSD general fund budget for fiscal year ending June 30, 2017 which was submitted to the Mayor for inclusion in the Citywide budget, requested approval for total spending of \$417.9 million. Such budget was approved on May 9, 2016 by the Common Council at the City, which made certain line item changes and decreased the aggregate spending amount to \$407.1 million. The Mayor approved the SCSD 2016-17 budget on May 11, 2016.

The SCSD 2016-17 general fund budget provides for total appropriations for operations of \$407.1 million, including other financing sources. Estimated revenue and financing sources for the budget with applicable percentages are as follows: State Aid to Education of \$321.6 million (79.0%); the City provides \$58.6 million, derived from property tax collections (14.5%) and \$6.5 million from STAR (1.6%); federal aid of \$2.2 million (includes \$1.5 million Medicaid/Medicare reimbursements) (0.5%); sales tax collections of \$0.9 million (0.2%) and miscellaneous revenue of \$5.9 million (1.5%). The 2016-17 general fund budget of SCSD also includes an \$11.0 million appropriation of fund balance, 2.7% of total appropriations for the year.

The SCSD applies for, and historically has received, approval for a significant number of categorical State and federal grants. For 2015-16 the School District received \$71,738,556 in grants, while School District officials expect \$72,200,000 in such funds during 2016-17. These grants are accounted for in the SCSD's "Special Revenue Fund" and are not part of the SCSD's general fund budget. Of the \$71,738,556 in grants received in 2015-16, \$41,522,802 was from federal sources. School District officials expect that of the \$72,200,000 projected to be received during 2016-17, \$38,988,000 will be from federal sources. (see "BONDHOLDERS' RISKS – Executive Order on Sanctuary Cities")

**SCSD Financial Plan.**

The following section relating to the SCSD's financial plan was provided by SCSD officials.

The SCSD maintains a 5-year financial plan for the General and Special Aid Funds. Such plan includes projections for the fiscal years 2015-16 through 2019-20.

General Fund revenue is projected to grow in each year of the forecast. Revenue is projected to increase by \$27.2 million (7.4%) in 2016-17 and \$19.6 million (5.0%) in 2017-18. Thereafter annual revenue growth is projected at \$12.4 million (3%) in fiscal year 2018-19, and \$5.2 million (1.2%) in fiscal year 2019-20. Real property tax revenues are projected to remain relatively flat through fiscal year 2019-20. See "Tax Levy Limitation," herein. State Aid to Education, which currently makes up 79% of estimated revenue for the SCSD's General Fund budget, is projected to increase 9% in fiscal year 2016-17. Thereafter, State Aid is projected increase 6.1% in 2017-18, 3.6% in 2018-19, and 1.5% in fiscal year 2019-20, based upon the SCSD's expectation that it will receive such aid. Based on the SCSD's assumptions, State Aid to Education would constitute approximately 83% of total general fund revenue by fiscal year 2019-20.

Funding for special aid programs is projected to be \$71.7 million in fiscal year 2015-16, decline to \$72.2 million in fiscal year 2016-17 and decline to \$69.3 million in 2017-18. Special aid revenue is projected to increase to \$70.7 in 2018-19 and \$72.1 in 2019-20.

The SCSD plans to closely manage contractual services and health care expenses in order control costs during the five years of the financial plan. Total full-time employment is anticipated to increase by 33 positions in fiscal year 2016-17, and remain constant for the remainder of the forecast. The SCSD financial plan projects that \$11 million in fund balance will be used to balance the budget in 2016-17. Assigned and unassigned fund balance as of June 30, 2016 was \$34.9 million, and is projected decline to \$23.9 million as of June 30, 2017 and remain constant for the remainder of the forecast.

#### **2015-16 SCSD Budget Amendment.**

On May 6, 2015 the Common Council of the City of Syracuse approved the 2015-16 General Fund operating budget of the SCSD. The approved budget included a spending Limit of approximately \$392.7 million. On February 10, 2016, the Board of Education of the SCSD adopted a resolution requesting an amendment of the previously approved budget in the amount of \$3.5 million. The amendment correlated to purchase orders for the provision of goods and services during the 2014-15 fiscal year, which were not fully expended at the end of the year. As result, good and services continued to be received and paid on these purchase orders during the 2015-16 fiscal year. The amendment was requested to align the budgets and expenses of the 2014-15 and 2015-16 fiscal years.

## **Employee Benefit Plans**

### *General Information*

SCSD participates in the State and Local Employees' Retirement System ("ERS") and the State Teachers' Retirement System ("TRS"). Obligations of employers and employees to contribute and benefits to employees are governed by the New York State Retirement and Social Security Law ("NYSRSSL"). The systems offer a wide range of plans and benefits which are related to years of service and final average salary, vesting of retirement benefits, death and disability benefits and optional methods of benefit payments. All benefits generally vest after five years of credited service and are based on the projected unit credit method of valuation (see discussion of recently implemented Tier V, which increases vesting period to 10 years).

NYSRSSL provides that participating employers in each system are jointly and severally liable for any actuarial unfounded amounts. Such amounts are collected through annual billings to all participating employers (See below). Generally, all employees, except certain part-time employees, participate in the systems. ERS and TRS are generally noncontributory systems except that members with less than 10 years of credited service must contribute 3% of their salary for retirement benefits (However, see below for information on the recently implemented Tier V for new TRS and ERS members).

### **Retirement System Billing Procedures**

#### *TRS*

TRS contributions are paid as a reduction in State Aid to Education payments due September 15, October 15 and November 15 of the succeeding fiscal year. Any deficiency or excess in TRS contributions are settled on a current basis in the month of January.

#### *ERS*

The City's contributions to ERS historically were due on or before December 15 of each year, however legislation changed the date to February 1, effective February 2005 (see below). Such contributions are based on salary estimates for the fiscal year ending on March 31 of the next calendar year.

### **Pension Reform**

The State enacted pension reform legislation in 2003 and 2004, which changed the methods for determining contributions to ERS by participating member employers such as the SCSD and enacted certain other changes described herein.

Chapter 49 of the Laws of 2003 established minimum annual contributions to ERS and modified the billing cycles to better match the budget cycles of participating members. The valuation date for ERS was changed from April 1 in the year of contribution to April 1 of the second calendar year preceding the contribution due date. Employers now have better information for budgeting retirement costs as a result of the change in the valuation date. The legislation provided that minimum retirement contributions will be made by employers each year including for those years in which favorable investment returns would permit lower contributions.

Chapter 260 of the Laws of 2004 changed the due date for ERS contributions from December 15 to February 1, effective for contributions scheduled for payment on December 15, 2004 and thereafter. The period for amortizing excess contributions was increased from five years to ten years. ERS contributions were amortized through the State at market rates of interest determined by the State Comptroller. Alternatively, employers were authorized to issue taxable bonds to finance their eligible excess contributions. ERS members were authorized to amortize contributions due in 2006 and 2007 if such contributions exceed 9.5% and 10.5% of payroll, respectively. SCSD officials have indicated that all ERS contributions which were eligible for amortization were paid in full.

On December 10, 2009, then Governor Paterson signed into law a new Tier 5. The law is effective for new ERS and TRS employees hired after January 1, 2010. New ERS employees will now contribute 3% of their salaries and new TRS employees will contribute 3.5% of their salaries. There is no provision for these contributions to cease after a certain period of service.

For State Fiscal Year 2016-17, the average contribution rates will decrease for the third year in a row. ERS will decrease by 2.7% of payroll, from 18.2% to 15.5% and the average contribution rate for PFRS will decrease by .3% of payroll from 24.7% to 24.3%. Projections of required contributions will vary by employer depending on factors such as retirement plans, salaries and the distribution of their employees among the six retirement tiers. The employer contribution rates announced will apply to each employer's salary base during the period of April 1, 2016 through March 31, 2017.

### **Retirement Contributions**

The SCSD adopted GASB Statement No. 68, Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27. Statement No. 68 establishes accounting and financial reporting requirements related to pensions for governments whose employees are provided with pensions through pension plans that are covered by the scope of Statement No. 68, as well as for non-employer governments that have a legal obligation to contribute to those plans. This statement required the addition of several lines to the SCSD government-wide financial statements and a cumulative change in accounting principle adjustment to net position as shown on page 20 of the audited financial statements for the fiscal year ended June 30, 2016.

The SCSD also adopted GASB Statement No. 71, Pension Transitions for Contributions Made Subsequent to the Transition Date - an amendment of GASB Statement No. 68. The objective of this Statement is to address an issue regarding application of the transition provisions of Statement No. 68, Accounting and Financial Reporting for Pensions. The issue relates to amounts associated with contributions, if any, made by a state or local government employer or non-employer contributing entity to a defined benefit pension plan after the measurement date of the government's beginning net pension liability. This Statement required accounting for the impact of the payment the SCSD made to the New York State Retirement Systems during the fiscal year on the SCSD's portion of net pension asset from TRS.

Deferred outflows of \$44.8 million and deferred inflows of \$40.5 million, an increase of \$13.4 million and a decrease of \$41.9 million, respectively from the prior year, were also recognized this year in accordance with GASB Statement No. 68 and 71 for the SCSD's share of the ERS and TRS pensions.

See "Notes to Financial Statements" in the SCSD's audited financial statements for the fiscal year ended June 30, 2016.

For the years ended June 30, 2012 through 2016 and the amounts budgeted for 2017, the SCSD's contributions to the SRS are as follows:

### **Accounting for Retirement Costs**

Effective for the fiscal year ended June 30, 2005, the City and the SCSD changed the method of accounting for retirement costs from a cash basis to an accrual basis.

In connection with the conversion to full accrual accounting for retirement benefits, the SCSD received a \$5 million special apportionment of State Aid to Education provided to mitigate the effects of this change. The SCSD repaid the special apportionment of State Aid to Education in September 2005 and no further aid apportionments were required to make the transition to accrual accounting for retirement expenses.

### **Postemployment Benefits**

In addition to providing pension benefits, the SCSD provides certain health care benefits to retired employees. The various collective bargaining agreements stipulate the employees covered and the percentage of contribution. Contributions by SCSD may vary according to length of service. Substantially all of the SCSD’s employees may become eligible for those benefits if they reach normal retirement age while working for SCSD. The cost of retiree health care benefits is recognized as an expenditure as claims are paid.

In June 2004, the Government Accounting Standards Board (“GASB”) has issued its Statement No. 45 entitled “Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions” (the “GASB 45 Statement”) which requires governmental employers to measure and disclose an amount for annual other postemployment benefits (“OPEB”) on an accrual basis of accounting. Under the proposed new standards, annual OPEB costs would be equal to the employer’s required annual contribution (“ARC”), with certain adjustments for past under-or over OPEB contributions. The ARC is defined as the required contribution including normal costs and charges for unfunded actuarial liabilities, which may be amortized over a period not to exceed thirty years. The GASB 45 Statement first applied to the SCSD for the fiscal year ended June 30, 2008.

*Actuarial Valuation Report*

The SCSD separately engaged an actuarial firm to value the other postemployment benefits with respect to their employees. Such valuation was completed and the actuary's report issued. The report was prepared as of July 1, 2015 and forms the basis of the information required by GASB 45 to be reported in the SCSD's entity wide statements for the year ended June 30, 2016. Pursuant to the valuation, the SCSD's accrued actuarial liability ("AAL") is approximately \$552,793,454 and there were no plan assets. The covered payroll (annual payroll of active employees covered by the plan) was \$226,894,926 and the ratio of the liability to the covered payroll was 243.54%. The SCSD's ARC for 2016 was \$49,031,149. The annual OPEB cost for fiscal 2016, which includes the ARC, interest on net OPEB obligations (\$17,776,509) and an adjustment to the ARC (minus \$25,700,432), was \$41,107,226. After deducting contributions made of \$23,433,674, the net increase in the SCSD net OPEB obligation for the year was \$17,673,552. See "Notes to Financial Statements- Note 8" (page 49) in the audited financial statements of the SCSD for the fiscal year ended June 30, 2016.

In the most recent actuarial valuation the projected unit credit cost method was used. The actuarial assumptions included a 4.00% investment rate of return, which is based on the portfolio of the SCSD's general assets used to pay these benefits and an annual health care cost trend rate of 7.50% initially, decreasing to 3.89% after sixty years for Pre-65 individuals and 6.00% initially, decreasing to 3.89% for Post-65 individuals after sixty years. The prescription cost trend begins at 10.50% initially and decreases to 3.89% after sixty years. The Medicare Part B cost trend begins at 6.00% initially and decreases to 3.89% after sixty years. Both rates include a 2.25% inflation assumption. The UAAL is being amortized based on a level percentage of projected payroll on an open basis. The remaining amortization period as of June 30, 2016 was 30 years.

The funding status of the SCSD's retiree medical program is as follows:

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Unit Credit (b)	Unfunded AAL (UAAL) (b-a)	Funded Ratio (a/b)
07-01-15	\$ -0-	\$552.8 M	\$552.8 M	0.0%

See "Schedule Of Funding Progress For Postemployment Benefits For The Year Ended June 30, 2016" (page 53) in the audited financial statements of the SCSD for the fiscal year ended June 30, 2016.

## **The JSCB**

The JSCB has been authorized by the Syracuse Schools Act, in conjunction with the Issuer, to assist in the reconstruction, equipping and furnishing of public schools in the City which is commonly referred to as the planned comprehensive SCSD wide reconstruction program. The JSCB is presently in the process of completing Phase I of this program and undertaking Phase II. Phases III-IV of the reconstruction program are contingent upon State authorization. (See "The Program" herein)

The JSCB is comprised of seven (7) Board Members, consisting of: the Mayor, the Superintendent of the SCSD, three (3) additional members appointed by the Mayor, and two (2) additional members appointed by the Superintendent of the SCSD.

## **New York State Education Department**

The management, regulation and funding of the SCSD is subject to the review of the New York State Education Department (the "SED"). The SED has also determined State Building Aid reimbursement for improvements to school facilities undertaken in accordance with the Program. The SED is the administrative agency of the Board of Regents (the "Board of Regents") of the University of the State of New York (the "University"). The Board of Regents was established by an act of the State Legislature in 1784 and is vested with constitutional responsibility for determining and formulating State educational policy. The University, over which the Board of Regents presides, is a corporation authorized to charter, review and regulate educational institutions and activities within the State. The University encompasses all State educational programs, from kindergarten through graduate and professional schools and includes libraries, museums and other related cultural and educational institutions as may be admitted to the University or incorporated by the Regents. It consists of almost 6,000 elementary and secondary public and private schools and 250 independent and public colleges and universities.

## **The Program Manager**

Pursuant to the provisions of the Syracuse Schools Act, the Program Manager was selected by the JSCB to implement the Program under the supervision of the City Engineer. Pursuant to the Program Manager Agreement, the Program Manager is obligated and is required to provide construction consulting and oversight services for the JSCB with respect to all stages of predevelopment, development and reconstruction with regard to Phase I of the Program. Specifically, the Program Manager has the duty to manage and oversee all aspects of all projects undertaken pursuant to the Syracuse Schools Act, to wit: (1) develop and implement procedures for projects undertaken and contracted for by the JSCB; (2) review plans and specifications for such projects; (3) develop project budgets and assist the JSCB; (4) create a training program to ensure a supply of skilled labor for the Program; (5) execute and manage a project labor agreement if required by the JSCB; and (6) provide construction management services for the Program. The Program Manager will present all contract or payment requests to the City Engineer for preliminary review and approval. The City Engineer will then, after being satisfied that all contract conditions have been met, forward each requisition with respect to the Program to the JSCB for approval in summary form.

## State Aid to Education

### *General*

The SCSD receives substantial financial assistance from the State. For the 2016-17 fiscal year, the SCSD's general fund budget includes approximately 79.0% of its estimated revenues in the form of State Aid to Education, including other financing sources. State Aid to Education for public schools comes primarily from the State's general fund wherein the major revenue source is the State income and sales taxes. The balance of State Aid to Education for public schools comes from a special revenue fund account supported by lottery receipts.

The following table sets forth the total amount of State Aid to Education received by the SCSD for fiscal years ended June 30, 2006 through 2016 and the amount included in the budget for the 2016-17 fiscal year:

State Aid to Education For Fiscal Years June 30: (000's)	
Year	State Aid to Education Received <sup>(1)</sup>
2007	\$190,955
2008	246,283
2009	267,367
2010	251,804
2011	245,158
2012	254,117
2013	285,209
2014	285,290
2015	285,722
2016	296,187
2017 (Budget)	321,515

*Source: SCSD Officials*

(1) Excludes School Tax Relief ("STAR") aid.

The aggregate of estimated maximum annual Installment Purchase Payments with respect to all Project Bonds outstanding and the Series 2017 Bonds (after giving effect to the refunding of the 2008 Refunded Bonds) is \$ 11,541,515.63

The amount of State Aid to Education estimated to be received by the SCSD in its current fiscal year (ending June 30, 2017) is \$321.5 million and has averaged approximately \$281.3 million over the five fiscal years ended June 30, 2016.

No assurance can be given that the amount of State Aid to Education will continue or be available in these amounts in future fiscal years. (See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment" and "APPENDIX A — Certain Financial Information and Audited Financial Statements of the Board of Education of the City School District of the City of Syracuse.")

Beginning with the 2007-08 fiscal year, the majority of State Aid to Education received by the SCSD has been "Foundation Aid." Foundation Aid was established by the 2007-08 State budget and combined four categorical aid grants with certain other formula aids. Formula aids consist of State Aid to Education determined in accordance with an application submitted to SED, which incorporates required data concerning district enrollment, attendance and approved expenditures. As a result of poor economic conditions then affecting the State, no increase in Foundation Aid was received by the SCSD in fiscal years 2009-10, 2010-11, or 2011-12. The SCSD received its first increase in Foundation Aid since 2008--09 with the adoption of the 2012-13 New York State Budget and has since received increases each year. Foundation Aid may decline in the future and no assurance can be given that Foundation Aid will continue at its current level. In addition, no assurance can be given that other categories of State Aid to Education will continue at current levels or will increase in the future. See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment."

The receipt of Foundation Aid is dependent upon, among others, satisfaction of certain monitoring and expenditure requirements. In addition, within Foundation Aid there are stipulations that the SCSD must use a formula-based amount on new programs, or expansion of existing programs, to improve student achievement, as outlined in the Contract for Excellence ("CFE"). For fiscal years 2015-16 and 2016-17, the total CFE set-aside is expected to be \$12.7 million for each fiscal year. In addition to the CFE set aside, the SCSD 2016-17 budget includes a new component of Foundation Aid which includes a \$10.2 million set aside for community schools. Such set aside contains spending requirements and restrictions similar to the Contract for Excellence.

Another State Aid to Education category, Charter School Transitional Aid, was established in the 2007-08 State Budget to help provide relief from the financial drain caused by the significant number of charter school students in certain school districts, including the SCSD. This aid continues on a rolling basis so long as charter school enrollment continues to increase. The following table indicated the amount of Charter School Transition received by the District in each of the fiscal years ended June 30, 2012 through 2016, and as budgeted for 2017.

<u>Fiscal Year:</u>	<u>Charter School Transitional Aid:</u>
2012	\$1,708,376
2013	2,488,598
2014	2,238,068
2015	1,453,074
2016	2,152,172
2017 (Budget)	1,543,742

In addition to Charter School Transition Aid, beginning with the fiscal year 2015-16, the State established another aid category called Charter School Supplemental Tuition Reimbursement, which reimburses the SCSD for any amounts in base tuition paid in the prior year that exceed the 2010-11 base tuition of \$11,930 per pupil. The SCSD received Charter School Supplemental Tuition Reimbursement in the amount of \$0.4 million in fiscal year 2015-16 or \$256 per charter school pupil. In 2016-17 this aid is budgeted to be \$0.5 million or \$350 per charter school pupil.

The SCSD receives State Aid to Education in multiple installments throughout its fiscal year based on a formula established by SED. Cash distributions of this aid are net of the SCSD's required contributions to TRS, which are generally withheld for distributions in the months of September, October and November.

The 2016-17 Enacted State Budget included a provision linking the payment of additional State Aid to compliance with a modified teacher evaluation process which provides that school districts will not be eligible for aid unless they have negotiated the optional components of evaluations with their local unions and obtained State approval by December 1, 2016. The SCSD is conducting ongoing negotiations with its local unions in order to comply with the modified teacher evaluation process.

Payment of State Aid to the SCSD may be withheld due to the failure of the City or the Board of Education to comply with various requirements of State law or the regulations of the Commissioner of Education relating to instructional programs, programs for the handicapped or other matters or the failure of the City to pay debt service on obligations issued for school purposes. In addition, the State may withhold aid if the SCSD fails to meet the deadline for submitting its independent audit report to the State Education Department. Pursuant to Section 2116-a of the Education Law, the SCSD must file such report no later than January 1<sup>st</sup>, however, the State has granted school districts a 30-day "grace period" before aid is withheld. The SCSD filed its report for fiscal year 2015-16 within such grace period. The City and the Board of Education believe that they are in material compliance with all other requirements and have made the necessary debt service appropriations.

As stated below under "State Aid Intercept," in the event the SCSD and the City fail to make an installment payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that upon receipt by the State Comptroller of a certificate from the Trustee on behalf of the Issuer stating the amount of such failed payment, the State Comptroller shall withhold any State and/or school aid from the SCSD and the City payable thereto to the extent of the amount so stated in such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld. The Syracuse Schools Act provides that (x) any amount of State and/or school aid paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD to receive, any additional amounts of State and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of State and/or school aid, and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain State and/or school aid at any particular level or amount. No assurance can be given that present State and/or school aid levels will be maintained in the future. State budgetary restrictions which eliminate or substantially reduce State and/or school aid could have a material adverse effect upon the SCSD, requiring either a counterbalancing increase in revenues from other sources to the extent available, or a curtailment of expenditures. If in any year the State fails to adopt its budget in a timely manner, municipalities and school districts in the State, including the City and the SCSD, may be adversely affected by a delay in the payment of State and/or school aid.

#### *State Building Aid*

A portion of State Aid received each year by the SCSD constitutes State Building Aid. State Building Aid is available for certain approved capital improvements to school buildings housing elementary and/or secondary students, and for school bus garages. A project is not eligible for aid unless the construction costs of the project are equal to or exceed \$10,000, excluding incidental costs. Consistent with Section 3602, subdivision 6 of the Education Law, construction may include the construction of new buildings or additions, alterations and the reconstruction of existing facilities.

The purpose of State Building Aid is to assure that each school district provides for suitable and adequate facilities to accommodate its students and programs. To this end, new facilities, new buildings, additions, major alterations must meet specific standards pertaining to the type, size and number of teaching stations, as well as building code requirements. Existing facilities must meet health and safety regulations, and reconstruction of existing facilities must meet building code requirements.

The Commissioner of Education must approve plans and specifications for the capital construction projects undertaken by the SCSD. This charge is administered by the Office of Facilities Planning pursuant to Section 408 of the Education Law and Part 155.2 of the Regulations of the Commissioner of Education.

Eligibility for new construction is determined through an assessment of information contained in the SCDC's long-range plan, and includes educational need, a comparison of pupil enrollment projections, and the rated pupil capacity of existing buildings. In the case of school buildings, State Building Aid is a function of the pupil capacity assigned to the capital construction project.

The SCSD received a building aid ratio of 98% from the State on eligible expenses for Phase I projects. State Building Aid fluctuates from year to year based on a number of factors, including the ratio of the City's wealth to the State's average wealth. Currently, SCSD State Building Aid is at 98% for new projects, which SCSD officials anticipate will be the building aid ratio for eligible Phase II projects.

**The State is not obligated to continue to make State Building Aid payments. No assurance can be given that State Building Aid will continue to be received by the SCSD or the City or, if received, will be in amounts comparable to the amounts of State Building Aid received by the SCSD or the City in the past. State budgetary restrictions could eliminate or substantially reduce State Building Aid in the future. See "BONDHOLDERS' RISKS - The State's Financial Condition, Reduced State Aid, Delayed Payment."**

Pursuant to Chapter 383 of the Laws of 2001 ("Chapter 383"), certain provisions of the Education Law have been amended to impose an "assumed amortization schedule" on certain debt incurred by the City for school construction purposes and to thereby revise the manner in which State Building Aid is to be paid to the SCSD with respect to school debt in fiscal years commencing July 1, 2002. Chapter 383 requires that the State Education Department reset the interest rate used to calculate the "assumed amortization schedule" at least once every 10 years. The State's 2016-17 Enacted Budget provides for the reset to be postponed until the States' 2017-18 Fiscal Year. The SCSD anticipates that it will apply for a waiver from the interest rate reset for the 2017-18 fiscal year.

Subject to certain limited exceptions, assumed amortization for capital construction projects approved by the Commissioner of SED on and after July 1, 2011, will begin the later of 18 months after SED approval or when the final cost report and certificate of substantial completion have been received by SED.

### **New York State Budget Process**

*The following discussion is included because all payments under the Installment Sale Agreement will be derived from State Aid to Education, which State Aid to Education is subject to annual appropriation by the State Legislature.*

The State's budget process is based on an executive budget system under which the Governor is required by the State Constitution to seek and coordinate requests from agencies of the State government, develop a "complete" plan of proposed expenditures and the revenues available to support them (a "balanced budget"), and submit a budget to the State Legislature along with the appropriation bills and other legislation required to carry out budgetary recommendations. The Governor is also required by the State Finance Law to manage the budget through administrative actions during the fiscal year.

The State's fiscal year begins April 1 and ends on March 31. However, the actual "budget cycle," representing the time between early budget preparation and last-minute disbursements, begins some nine

months earlier and lasts approximately 27 months, until the expiration of the State Comptroller's authority to honor vouchers against the previous fiscal year's appropriations.

*Agency Budget Preparation (June–September/October)*

The formal budget cycle begins when the Budget Director (the “Budget Director”) of the Division of the Budget of the State (the “Division of the Budget”) issues a policy memorandum — the “call letter” — to agency heads. The call letter outlines, in general terms, the Governor's priorities for the coming year, alerts the Issuer heads to expected fiscal constraints and informs agencies of the schedule for submitting requests to the Division of the Budget.

*Division of the Budget Review (September/October–December)*

Agencies typically submit their budget requests to the Division of the Budget in September or October, with copies provided to the legislative fiscal committees. Examination units within the Division then analyze the requests of agencies for which they have responsibility. In November, the Budget Director conducts a series of constitutionally authorized “formal” budget hearings, giving agency heads an opportunity to present and discuss their budget requests and giving the staff of the Division of the Budget and the Governor's office an “on-the-record” opportunity to raise critical questions on programs, policies and priorities.

Through late November, the Division of the Budget's examiners transform agency requests into preliminary budget and personnel recommendations which are reviewed in detail with the Budget Director. The staff also prepares the appropriation bills and any other legislation required to carry out these recommendations. By early December, the Division of the Budget will normally have completed its recommendations on both revenues and expenditures, and presented them to the Governor and the Governor's staff. Budget staff then prepares the tables and the narrative that accompany each agency budget, and the descriptions and forecasts of individual revenue sources.

*The Governor's Decisions (November–January)*

The Governor and staff, who are also preparing the annual message to the State Legislature (the “State-of-the-State” message which the Governor presents to the State Legislature when it convenes in January), are conversant with the budget throughout its development.

*Legislative Action (January–March)*

The Governor typically submits the Executive Budget to the Legislature in mid-January or following a gubernatorial election year, by February 1, along with the related appropriation, revenue and other budget bills concerning State operations, aid to localities, capital projects and debt service. The State's Five-Year Capital and Financing Plan is also submitted with the Executive Budget. Within 10 days, the Division of the Budget provides the State Legislature with additional financial information supporting the Executive Budget. A three-year financial projection is submitted no later than 30 days following submission of the Executive Budget.

The Legislature, primarily through its fiscal committees - Senate Finance and Assembly Ways and Means - then analyzes the Executive spending proposals and revenue estimates, holding public hearings on major programs and seeking further information from the staffs of the Division of the Budget and other State agencies. Following that review, the State Legislature acts on the appropriation bill submitted with the Executive Budget to reflect its decisions.

The appropriation bills, except for those items which were added by the State Legislature and the appropriation for the State Legislature and Judiciary, become law without further action by the Governor. The Governor must approve or disapprove all or parts of the appropriation bills covering the State Legislature and Judiciary and may use the line item veto to disapprove items added by the State Legislature. As provided in the Constitution, the State Legislature may override the Governor's veto by the vote of two-thirds of the members of each house. The passage of the appropriation bills provides a legal foundation for the disbursement of funds during the new fiscal year.

#### *Budget Execution (March)*

At this point the budget process enters a new phase-budget execution. As a first step, the Division of the Budget approves "certificates of allocation" informing the State Comptroller that accounts may be established as specified in the certificates and that vouchers drawn against the accounts may be honored.

In addition, the Division of the Budget keeps a close watch throughout the year on the flow of revenue and the pattern of expenditures against its projections. This information is reflected in quarterly updates of the Financial Plan which are provided to the State Legislature, as required by law, in April (or as soon as practicable after budget enactment), July, October and with the Executive Budget for the ensuing year.

#### *Possible Delays in Budget Enactment*

While the Enacted State Budgets were timely adopted, in the past, adoption of State budgets for the last five State fiscal years has been significantly delayed beyond the time frames outlined above. Any delay in adoption of the State budget could delay the payment of State Aid to Education to municipalities and school districts in the State, including the SCSD and the City, which could, in turn, adversely affect the ability of the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement. See "BONDHOLDERS' RISKS — The State's Financial Condition, Reduced State Aid, Delayed Payment."

#### *Revenue Anticipation Notes*

The City issues revenue anticipation notes each year on behalf of the SCSD. Such notes are issued in anticipation of State Aid to Education estimated in the general fund budget of the SCSD. Proceeds of revenue anticipation notes may be used only for operating purposes and may be used to redeem or renew outstanding notes.

Pursuant to Section 25.00(g) of the Local Finance Law, generally, whenever the amount of revenue anticipation notes outstanding equals the amount of revenue remaining to be received, the City is required to set aside in a special bank account all of such moneys as received thereafter, and to use the amounts so set aside only for the purpose of paying such notes. Interest on the notes is provided from budget appropriations.

Revenue anticipation notes may be renewed from time to time, however, such renewals may not be extended beyond the close of the second fiscal year succeeding the fiscal year in which the notes were originally issued. In the event such revenue has not been fully received by the final maturity dates of the notes issued in anticipation thereof, the principal of and interest on the notes is required to be paid from other available City moneys. The faith and credit of the City are required to be pledged to the payment of principal of and interest on these notes.

The City issued \$68,439,000 revenue anticipation notes on behalf of the SCSD on October 6, 2016 in anticipation of State Aid to Education for the 2016-17 fiscal year. Such notes are payable on June 30, 2017. The SCSD anticipates another cash flow borrowing in the fall of 2017. Over the past five fiscal years, including 2016-17, the City has issued an average of \$57.7 million revenue anticipation notes each year for SCSD purposes.

The State Aid Depository Agreement provides that notwithstanding the provisions of the State Aid Depository Agreement providing for the flow of State Aid to Education to the Series Trustee and the Trustee, upon receipt of written instructions from the City together with an accompanying monthly payment schedule indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the repayment of the outstanding revenue anticipation notes issued by the City on behalf of the SCSD (the "RAN Repayment Requirement"), then each month the Depository shall immediately withdraw from the State Aid Depository Fund all State Aid to Education that is received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under the State Aid Depository Agreement, to the special bank account until the total amount of such withdrawals is equal to the principal amount of such RAN Repayment Requirement then outstanding. Notwithstanding the foregoing, in the event the SCSD or the City shall fail to pay an Installment Purchase Payment under the Installment Sale Agreement, the intercept provisions of the Syracuse Schools Act and the Indenture will operate to intercept any state and/or school aid payable to the City or the SCSD to the extent of such deficiency prior to the payment of such state and/or school aid to the SCSD or the City in accordance with the State Aid Depository Agreement. Accordingly, such state and/or school aid will be intercepted to pay Installment Purchase Payments under the Installment Sale Agreement prior to its application by the City to the payment of outstanding revenue anticipation notes of the City.

<sup>1</sup> CUSIP is a registered trademark of the American Bankers Association. CUSIP Global Services is managed on behalf of the American Bankers Association by S&P Global Market Intelligence. The CUSIP numbers listed above are being provided solely for the convenience of bondholders only at the time of issuance of such series of bonds and the Issuer and the Underwriter do not make any representation with respect to such numbers or undertake any responsibility for their accuracy now or at any time in the future. The CUSIP number for a specific maturity is subject to being changed after the issuance of such series of bonds as a result of various subsequent actions including, but not limited to, a refunding in whole or in part of such maturity or as a result of the procurement of secondary market portfolio insurance or other similar enhancement by investors that is applicable to all or a portion of certain maturities of such series of bonds.

\*\* Bonds paid at maturity.

The redemption or payment at maturity of all or a portion of the Refunded Bonds will achieve debt service savings for the SCSD. In order to accomplish the refunding of the Refunded Bonds, substantially all of the proceeds from the sale of the Series 2017 Bonds will be deposited into: (i) a separate special trust fund for the benefit of the Holders of the Refunded Bonds (the "*Escrow Fund*") created by a Refunding Escrow Trust Agreement (the "*Refunding Escrow Trust Agreement*"); to be entered into on the date of issuance of the Series 2017 Bonds among the Issuer, the SCSD and Manufacturers and Traders Trust Company, as Escrow Agent under each Refunding Escrow Trust Agreement.

The moneys deposited in the Escrow Fund will be held in cash and used to acquire Defeasance Obligations (as defined in the Series 2008 Indenture), the principal of and interest on which when due, together with the amount held in cash and uninvested, will provide moneys sufficient for the payment of the principal or Redemption Price of, as the case may be, and the interest accrued and to accrue when due on the Refunded Bonds.

The accuracy of the arithmetical computations of the adequacy of the amounts of maturing principal of and interest on the Defeasance Obligations, together with the amount held in cash and uninvested, to pay when due the principal and Redemption Price of, as the case may be, and interest on the Refunded Bonds will be verified by Causey Demgen & Moore, certified public accountants and consultants. In the opinion of Bond Counsel, and in reliance upon such verification of mathematical computations, upon making such deposit with the Escrow Agent pursuant to the Series 2008 Indenture, and upon the issuance of certain irrevocable instructions to the Escrow Agent, the Refunded Bonds, under the terms of the Series 2008 Indenture, will be deemed to have been paid, and the covenants, agreements, and other obligations of the Issuer to the holders of the Refunded Bonds will be discharged and satisfied, except as to those provisions under Sections 3.6 (Interchangeability, Transfer and Registry), 3.7 (Bonds Mutilated, Destroyed, Stolen or Lost), 3.9 (Requirements With Respect to Transfers) and 5.4 (State or School Aid Intercept) of the Series 2008 Indenture which provisions survive until the Refunded Bonds have been paid in full.

### **THE SERIES 2017 BONDS**

#### **General**

The Series 2017 Bonds will be initially issued in book-entry-only form as a single authenticated fully registered certificate for each maturity of each series of the Series 2017 Bonds. See "THE SERIES 2017 BONDS—Registration and Payment—Book-Entry System."

The Series 2017 Bonds shall be dated, mature on the dates and in the principal amounts, and bear interest payable on the dates and at the annual rates, as set forth on the inside cover page hereto.

Interest on the Series 2017 Bonds shall be payable on each Interest Payment Date and shall be computed on the basis of a 360-day year of twelve 30-day months. Notwithstanding anything herein to the contrary, the interest rate borne by the Series 2017 Bonds shall not exceed the maximum permitted by, or enforceable under, applicable law.

The principal or Redemption Price of the Series 2017 Bonds shall be payable at the principal corporate trust office of the Trustee in Buffalo, New York or at the corporate trust office of any successor Paying Agent. Interest on the Series 2017 Bonds shall be payable to the Person whose name appears on the registration books of the Trustee as the registered owner thereof on the Record Date next preceding the Interest Payment Date: (1) by check or draft mailed on the Interest Payment Date to the registered owner; or (2) by wire or bank transfer on the Interest Payment Date to any owner of at least \$1,000,000 in original aggregate principal amount of the Series 2017 Bonds, upon written notice provided by the owner to the Trustee not later than five (5) days prior to the Record Date for such interest payment (which request will remain in effect until revoked); except that, if and to the extent there shall be a default in the payment of the interest due on any Interest Payment Date with respect to the Series 2017 Bonds, the defaulted interest shall be paid to the owners in whose names the Series 2017 Bonds are registered at the close of business on a special record date to be fixed by the Trustee, which date shall not be more than fifteen (15) nor less than ten (10) days next preceding the date of payment of the defaulted interest. Interest payments made by check or draft shall be mailed to each owner at his or her address as it appears on the registration books of the Trustee on the applicable Record Date or at such other address as he or she may have filed with the Trustee for that purpose and appearing on the registration books of the Trustee on the applicable Record Date. Wire transfer payments of interest shall be made at such wire transfer address as the owner shall specify in his or her notice requesting payment by wire transfer.

#### **Exchange of Series 2017 Bonds**

The holders of any Series 2017 Bonds may surrender the same, at the principal corporate trust office of the Trustee, in exchange for an equal aggregate principal amount of Series 2017 Bonds of any of the authorized denominations of the same maturity and maturities as the Series 2017 Bonds so surrendered, subject to the conditions and upon payment of the charges provided in the Indenture. However, the Trustee will not be required to: (i) transfer or exchange any Series 2017 Bonds during the period between a Record Date and the following Interest Payment Date or during the period of fifteen (15) days next preceding any day for the selection of Series 2017 Bonds to be redeemed; or (ii) transfer or exchange any Series 2017 Bonds selected, called or being called for redemption in whole or in part.

#### **Transfer of Series 2017 Bonds**

Each of the Series 2017 Bonds is transferable, as provided in the Indenture, only upon the books of the Issuer kept for that purpose at the principal corporate trust office of the Trustee by the registered owner thereof in person, or by his duly authorized attorney-in-fact, upon surrender of such Series 2017 Bond (together with a written instrument of transfer in the form appearing on such Series 2017 Bond duly executed by the registered owner or his duly authorized attorney-in-fact with a guaranty of the signature thereon by a member of the Stock Exchanges Medallion Program or the New York Stock Exchange, Inc. Medallion Signature Program in accordance with Securities and Exchange Commission Rule 17Ad-15), and thereupon a new fully registered Series 2017 Bond in the same aggregate principal amount and maturity shall be issued to the transferee in exchange therefor as provided in the Indenture and upon payment of the charges therein prescribed. The Issuer, the SCSD, the City, the JSCB, the Bond Registrar, the Trustee and the Paying Agent may deem and treat the person in whose name a Series 2017 Bond is registered as the absolute owner thereof for the purpose of receiving payment of, or on account of, the principal or Redemption Price thereof and interest due thereon and for all other purposes whatsoever.

## **Redemption of the Series 2017 Bonds**

### *Optional Redemption of the Series 2017 Bonds*

The Series 2017 Bonds maturing on or prior to May 1, 2027 are not subject to redemption prior to the maturity thereof.

The Series 2017 Bonds maturing on and after May 1, 2028 are subject to redemption, in whole or in part, at any time on or after May 1, 2027 (but if in part in integral multiples of \$5,000), at the option of the Issuer (which option shall be exercised upon the giving of notice by an Authorized Representative of the City of its intention to prepay Base Installment Purchase Payments due under the Installment Sale Agreement), at the Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2017 Bonds to be redeemed, together with interest accrued to the date of redemption.

### *Mandatory Redemption of the Series 2017 Bonds*

The Series 2017 Bonds shall be redeemed at any time in whole or in part (but if in part in integral multiples of \$5,000) by lot prior to maturity in the event and to the extent: (i) excess Bond proceeds shall remain after the completion or abandonment of the Series 2017 Project; or (ii) moneys are transferred to the Bond Fund pursuant to Article V of the Indenture or paid to the Trustee pursuant to the Installment Sale Agreement for deposit into the Bond Fund upon receipt of property insurance or condemnation proceeds or proceeds of a conveyance of one or more Facilities in lieu of condemnation, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2017 Bonds to be redeemed, together with interest accrued thereon to the date of redemption.

## **Selection of Series 2017 Bonds to be Redeemed**

If the Series 2017 Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of the Series 2017 Bonds, the Issuer will cause notice of redemption to be given in accordance with the provisions of the Indenture. The selection of the book-entry interests within each Series 2017 Bond maturity to be redeemed will be done in accordance with the provisions of the Indenture and DTC procedures.

## **Redemption Procedures**

If any of the Series 2017 Bonds are to be called for redemption, the Indenture requires a copy of the redemption notice to be mailed at least thirty (30) days prior to such redemption date to the registered owner of each Series 2017 Bond to be redeemed at the address for such owner shown on the registration books. All Series 2017 Bonds so called for redemption will cease to bear interest after the date fixed for redemption if funds for their redemption are on deposit at the place of payment at that time. If notice of redemption shall have been given as aforesaid, the Series 2017 Bonds called for redemption shall become due and payable on the redemption date, *provided, however*, that with respect to any general optional redemption as described above, such notice shall state that such redemption shall be conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, redemption premium, if any, and interest on the Series 2017 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Issuer shall not be required to redeem the Series 2017 Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received. If a notice of redemption shall be unconditional or, if the conditions of a conditional notice of redemption shall have been satisfied, then

upon presentation and surrender of Series 2017 Bonds so called for redemption at the place or places of payment, such Series 2017 Bonds shall be redeemed.

So long as the Securities Depository is effecting book-entry transfers of the Series 2017 Bonds, the Trustee shall provide the notices specified in the paragraph above only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Series 2017 Bond (having been mailed notice from the Trustee, the Securities Depository, a Participant or otherwise), to notify the Beneficial Owner of the Series 2017 Bond so affected shall not affect the validity of the redemption of such Series 2017 Bond.

### **Registration and Payment — Book-Entry System**

Beneficial ownership interests in the Series 2017 Bonds will be available in book-entry-only form, in the principal amount of \$5,000 or integral multiples thereof. Purchasers of beneficial ownership interests in the Series 2017 Bonds will not receive certificates representing their interests in the Series 2017 Bonds purchased.

DTC will act as securities depository for the Series 2017 Bonds. The Series 2017 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One or more fully-registered Bond certificates will be issued and deposited with DTC for each principal amount of each series of Series 2017 Bonds maturing on a specified date and bearing interest at a specified interest rate, each in the aggregate principal amount of such quantity of Series 2017 Bonds.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Series 2017 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2017 Bonds on DTC's records. The ownership

interest of each actual purchaser of each Series 2017 Bond ("**Beneficial Owner**") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchases. Beneficial Owners are, however, expected to receive written confirmations providing details of the transactions, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2017 Bonds are to be accomplished by entries made on the books of Direct or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive bond certificates representing their ownership interests in Series 2017 Bonds, except in the event that use of the book-entry system for the Series 2017 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2017 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2017 Bonds with DTC and their registration in the name of Cede & Co. or such other nominee effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2017 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2017 Bonds are credited, which may or may not be the Beneficial Owners. The Direct or Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2017 Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Series 2017 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2017 Bonds. For example, Beneficial Owners of Series 2017 Bonds may wish to ascertain that the nominee holding the Series 2017 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices will be sent to DTC. If less than all of the Series 2017 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series to be redeemed.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Series 2017 Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2017 Bonds, are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption, distributions, and interest payments on the Series 2017 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest and redemption proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative

of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference will only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they will be sent by the Trustee to DTC only.

The Issuer and the Trustee may treat DTC (or its nominee) as the sole and exclusive registered owner of the Series 2017 Bonds registered in its name for the purpose of payment of the principal of, or interest on such Series 2017 Bonds, giving any notice permitted or required to be given to registered owners under the Indenture, registering the transfer of the Series 2017 Bonds, or other action to be taken by registered owners and for all other purposes whatsoever. The Issuer and the Trustee will not have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Series 2017 Bonds under or through DTC or any Participant, or any other person which is not shown on the registration books of the Issuer (kept by the Trustee) as being a registered owner, with respect to: the accuracy of any records maintained by DTC or any Participant; the payment by DTC or any Participant of any amount in respect of the principal or interest on the Series 2017 Bonds; any notice which is permitted or required to be given to registered owners thereunder or under the conditions to transfers or exchanges provided in the Indenture; or other action taken by DTC as a registered owner. The Trustee will forward interest and principal payments to DTC, or its nominee. Disbursement of such payments to the Participants is the responsibility of DTC and disbursement of such payments to the Beneficial Owners is the responsibility of the Participants or the Indirect Participants.

SO LONG AS CEDE & CO., AS NOMINEE OF DTC, IS THE REGISTERED OWNER OF ALL OF THE SERIES 2017 BONDS, REFERENCES HEREIN TO THE OWNERS, HOLDERS OR BONDHOLDERS OF THE SERIES 2017 BONDS (OTHER THAN UNDER THE CAPTIONS "TAX MATTERS" AND "SECONDARY MARKET DISCLOSURE" HEREIN) WILL MEAN CEDE & CO. AND WILL NOT MEAN THE BENEFICIAL OWNERS.

For every transfer and exchange of beneficial ownership of the Series 2017 Bonds, a Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

DTC may discontinue providing its services as depository with respect to the Series 2017 Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2017 Bond certificates are required to be printed and delivered.

The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2017 Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Each person for whom a Participant acquires an interest in the Series 2017 Bonds, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of

such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications of DTC, which may affect such persons, to be forwarded in writing by such Participant and to have notification made of all interest payments. NONE OF THE ISSUER, THE UNDERWRITER, OR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE SERIES 2017 BONDS.

NEITHER THE ISSUER, THE SCSD NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO THE PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT; (2) THE PAYMENT BY DTC OR ANY PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT, REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2017 BONDS; (3) THE DELIVERY BY DTC OR ANY PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO HOLDERS OF THE SERIES 2017 BONDS; OR (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2017 BONDS.

#### **SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS**

##### **General**

The City and the SCSD will grant a license interest to the Series 2008 Facilities to the Issuer pursuant to the Third Amendatory License Agreement, to permit the Issuer to enter upon the Series 2008 Facilities for the purpose of completing the Series 2017 Project, and, pursuant to a bill of sale, will convey title to the equipment comprising the Series 2008 Facilities to the Issuer. The Issuer will sell its interest in the Series 2008 Facilities to the SCSD and the City pursuant to the Installment Sale Agreement and will appoint the JSCB as agent of the Issuer with respect to the Series 2017 Project. Pursuant to the Indenture, the Issuer has assigned to the Trustee substantially all of its right, title and interest in and to State Aid to Education and in and to the Installment Sale Agreement, including all rights to receive Installment Purchase Payments thereunder with respect to the Series 2017 Bonds (other than in respect of the Issuer's Reserved Rights). Under the State Aid Depository Agreement, the City, the SCSD and the Depository have agreed to direct the State Comptroller to pay all State Aid to Education directly to the State Aid Depository Fund established and held under the State Aid Depository Agreement, all for the benefit on a Ratable Basis of the Series 2017 Bonds and each other series of Project Bonds outstanding, including the Series 2008A Bonds, the Series 2010 Bonds and the Series 2011 Bonds. In the event the SCSD or the City fails to make a payment under the Installment Sale Agreement, the Syracuse Schools Act and the Indenture provide that, upon receipt by the State Comptroller of a certificate from or on behalf of the Trustee on behalf of the Issuer as to the amount of such failed payment, the State Comptroller shall withhold any state and/or school aid from the SCSD and the City payable thereto to the extent of the amount so stated in each such certificate as not having been made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld.

##### **The License Agreement**

Pursuant to a Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017, between the City and the SCSD, as licensors, and the Issuer, as licensee, the City and the SCSD will license to the Issuer the Series 2008 Facilities to the Issuer. The License Agreement will be entered into concurrently with the issuance of the Series 2017 Bonds and will have a term ending upon the later of the completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project.

## **The Installment Sale Agreement**

The Issuer will sell its interest in the Series 2008 Facilities to the SCSD and the City pursuant to the Installment Sale Agreement. The Installment Sale Agreement provides for the appointment of the JSCB as the agent of the Issuer to complete the Series 2017 Project, provides the SCSD with the right to use, occupy and operate the Series 2008 Facilities, obligates the SCSD to maintain and manage the Series 2008 Facilities, and obligates the SCSD and the City to pay all costs related to operation of the Series 2008 Facilities. Base Installment Purchase Payments due under the Installment Sale Agreement will equal principal and interest due on the Series 2017 Bonds. Installment Purchase Payments due under the Installment Sale Agreement will equal principal and interest due on the Series 2017 Bonds and are payable on each April 1. Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payment Date under the Installment Sale Agreement, said agreement provides that if the SCSD fails to appropriate by November 1, 2017 (or by any subsequent November 1 that the Series 2017 Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment Date and Base Installment Purchase Payment Date shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment and Base Installment Purchase Payments due on such November 15 are not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the Indenture, as well as of the Series 2008 Indenture and the Series 2010 Indenture.

Except for funds, investments and other amounts held under the Indenture, the Issuer has pledged no other assets to the payment of the Series 2017 Bonds, and except for the intercept of any state and/or school aid payable to the City or the SCSD by the State Comptroller as herein described, it is anticipated that the Issuer's sole source of payment for the Series 2017 Bonds will be derived from Installment Purchase Payments made by the SCSD and the City under the Installment Sale Agreement. The obligation of the SCSD and the City to pay Installment Purchase Payments under the Installment Sale Agreement are deemed executory only to the extent of State Aid to Education appropriated by the State and available to the SCSD and/or the City, and budgeted by the SCSD and appropriated by the City and SCSD to the payment of Installment Purchase Payments under the Installment Sale Agreement. In the event State Aid to Education is not appropriated to the SCSD or the City, neither the SCSD nor the City will be obligated to pay any amounts due under the Installment Sale Agreement; *provided, however*, the failure of the SCSD or the City for any reason (including a failure by the SCSD to budget Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for such Installment Purchase Payments, a failure by the City or the SCSD to appropriate such payments, or a failure by the State to appropriate State Aid to Education) to make an Installment Purchase Payment under any Installment Sale Agreement is nevertheless deemed a failure to make a payment thereunder for purposes of such Installment Sale Agreement, the Syracuse Schools Act, and the state and/or school aid intercept implementing provisions of the Indenture. In the event State Aid to Education is appropriated by the State to the SCSD or the City and the SCSD and the City do not appropriate such State Aid to Education to make Installment Purchase Payments under the Installment Sale Agreement, the Trustee (as well as the Series Trustee) on behalf of the Issuer shall direct the State Comptroller to intercept state and/or school aid payable to the City or the SCSD for the payment of such Installment Purchase Payments. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS—State Aid Intercept." Subject to the foregoing limitation, the obligation of the SCSD and the City to pay Installment Purchase

Payments under the Installment Sale Agreement and to perform their obligations thereunder shall be absolute and unconditional, and such Installment Purchase Payments and other amounts shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Issuer, the Trustee, any purchaser of the Series 2017 Bonds, or any other person, and whether or not any or all of the Series 2008 Facilities are used or occupied by the City, the JSCB or the SCSD or are available for use or occupancy by the City, the JSCB or the SCSD.

In order to protect the priority of the rights of the Trustee to state and/or school aid under the Syracuse Schools Act, the SCSD and the City have covenanted and agreed in the Installment Sale Agreement that they will not enter into any agreement, indenture or other instrument, including any Series Facilities Agreement in connection with a Series of Project Bonds under a Series Indenture, which will have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid under the Syracuse Schools Act than the pledge effected pursuant to the Indenture. The foregoing covenant shall not be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid to Education on a parity with the pledge effected by the Issuer under the Indenture or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture or that any payment dates under a Series Facilities Agreement be the same as provided for in the Installment Sale Agreement.

In order to provide for the obligation to make payments under the Installment Sale Agreement, the SCSD has agreed that: (i) the proposed expense budget for each ensuing fiscal year of the SCSD, commencing July 1, 2017, shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments due under the Installment Sale Agreement to come due in such next fiscal year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City thereof. The City agrees that it shall approve a budget for the SCSD containing such items of expenditure and appropriate sufficient funds at each ending fiscal year commencing with the fiscal year ending June 30, 2018 to make the Installment Purchase Payments and Additional Payments to come due in such next fiscal year, *provided, however*, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid to Education, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved and appropriated by the City. See “BONDHOLDERS’ RISKS — Appropriation of Installment Purchase Payments by the City and the SCSD” and “— Appropriation of and Possible Changes to State Aid.”

Upon the occurrence of an “Event of Nonappropriation” (i.e., the failure by the City or the SCSD to pay or cause to be paid, when due, the Installment Purchase Payments or Additional Payments to be paid under the Installment Sale Agreement, as a result of: (i) the failure by the SCSD to include in the annual SCSD budget submitted to the Mayor of the City line items for the Installment Purchase Payments or Additional Payments to be paid under the Installment Sale Agreement or to approve such payments after appropriation by the City therefor; (ii) the failure by the City to approve and appropriate the annual SCSD budget containing line items for the Installment Purchase Payments or Additional Payments to be paid under the Installment Sale Agreement and thereby appropriate funds for the payment thereof; or (iii) the failure by the SCSD to approve payment of Installment Purchase Payments or Additional Payments after appropriation by the City therefor) or an “event of default” under the Installment Sale Agreement, there is no acceleration of the obligation of the SCSD and the City to pay all future Installment Purchase Payments under the Installment Sale Agreement.

## **State Aid Intercept**

Statutory provisions currently exist or may hereafter be enacted which permit State and/or school aid otherwise payable to the SCSD or the City to be diverted or intercepted and applied in satisfaction of indebtedness or obligations issued or incurred for school purposes or otherwise. In addition, at the present time, other than as provided in the State Aid Depository Agreement with respect to Project Bonds, there is no stated priority for the various multiple state aid diversion and intercept claims. See “BONDHOLDERS’ RISKS—Competing Claims to State Aid.”

In the event the SCSD or the City fail to make an Installment Purchase Payment under the Installment Sale Agreement as a result of an Event of Nonappropriation or otherwise pursuant to the Indenture, the Issuer has appointed the Trustee as its agent and the Issuer (acting through the Trustee) shall, in accordance with the Syracuse Schools Act and the Indenture, certify such nonpayment to the State Comptroller. Such certification shall specify the amount by which such Installment Purchase Payment shall have been deficient. The Syracuse Schools Act and the Indenture provide that the State Comptroller shall, upon receipt of such certification, withhold from the SCSD and the City any state and/or school aid otherwise payable to the SCSD or the City to the extent of the amount so stated in such certification as not being made, and shall immediately pay over to the Trustee on behalf of the Issuer the amount so withheld based upon the Trustee’s Certification. Such amounts will be applied by the Trustee to the payment of Installment Purchase Payments under the Installment Sale Agreement in the priority set forth below under “The Indenture” herein. It is further provided in the Syracuse Schools Act that (x) any amount of state and/or school aid so paid by the State Comptroller shall not obligate the State to make, nor entitle the SCSD or the City to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

## **The Indenture**

Pursuant to the Indenture, the Issuer has assigned to the Trustee substantially all of its right, title and interest in and to the State Aid to Education and the Installment Sale Agreement (excluding the Issuer’s Reserved Rights), including all rights to receive Installment Purchase Payments to pay the principal of and interest on the Series 2017 Bonds as the same become due, all to be made by the SCSD or the City pursuant to the Installment Sale Agreement and the State Aid Depository Agreement, and all deemed executory only to the extent of State Aid to Education, as provided above under the subheading “The Installment Sale Agreement.”

A portion of the Series 2017 Bond proceeds shall be deposited in the Series 2017 Project Account (the “**Series 2017 Project Account**”) of the Project Fund held under the Indenture. The amounts in the Series 2017 Project Account in the Project Fund shall be subject to a security interest, lien and charge in favor of the Trustee, for the benefit of the Series 2017 Bondholders until disbursed as provided in the Indenture. The Trustee shall apply the amounts on deposit in the Series 2017 Project Account of the Project Fund to the payment, or reimbursement, to the extent the same have been paid by or on behalf of the SCSD, of Project Costs for the Series 2017 Project. Pursuant to the Indenture, the Trustee is authorized to disburse from the Project Fund the amount required for the payment of Project Costs for the Series 2017 Project and is directed to issue its checks (or make wire transfers if requested by the City) for each disbursement from the Project Fund, upon a requisition submitted to the Trustee, signed by an authorized representative of the JSCB. In the event the City shall be required to or shall elect to cause the

Series 2017 Bonds to be redeemed in whole, the balance in the Series 2017 Project Account in the Project Fund shall be deposited in the Bond Fund for application to the redemption of Series 2017 Bonds.

Notwithstanding the occurrence of an Event of Default under the Indenture, in no event shall the Series 2017 Bonds be accelerated or declared due and payable in advance of their final stated maturity.

All state and/or school aid received by the Trustee pursuant to the state and/or school aid intercept shall be ratably applied in accordance with the Indenture in the following order of priority:

*first*, to deposit in the Applicable Interest Account of the Bond Fund established under the Indenture to the extent of any deficiency therein,

*second*, to deposit in the Applicable Principal Account of the Bond Fund established under the Indenture to the extent of any deficiency therein,

*third*, to deposit in the Applicable Redemption Account of the Bond Fund established under the Indenture to the extent of any deficiency therein,

*fourth*, to satisfy any indemnification obligations of the SCSD under the Installment Sale Agreement,

*fifth*, to satisfy any liability insurance obligations of the JSCB or the SCSD under the Installment Sale Agreement, and

*sixth*, to satisfy any other obligations of the JSCB, the SCSD or the City under the Installment Sale Agreement.

In addition to the Series 2008 Bonds, the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds, it is also anticipated that future Series of Project Bonds will be ratably secured by the pledge of State Aid to Education and will be separately secured and issued pursuant to one or more Series Indentures. In order to protect the pledge of State Aid to Education by the Issuer to the Trustee pursuant to the Indenture, except with respect to the issuance of Project Bonds under a Series Indenture, the Issuer has covenanted in a Series Indenture not to create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by the Indenture and the Installment Sale Agreement. The Issuer further covenants and agrees pursuant to the Indenture that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid under the Syracuse Schools Act; *provided, however*, that nothing contained in the Indenture shall be deemed (y) to limit or deny the ability of the Issuer or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge State Aid to Education on a parity with the pledge effected under the Indenture or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

### **Debt Service Reserve Fund Not Applicable to the Series 2017 Bonds**

A Debt Service Reserve Fund is not being established for the Series 2017 Bonds. The Debt Service Reserve Fund established for the Series 2008A Bonds is not available to pay debt service on the Series 2010 Bonds, the Series 2011 Bonds or the Series 2017 Bonds.

### **Additional Bonds**

So long as the Installment Sale Agreement is in effect and no Event of Default exists thereunder, one or more Series of Additional Bonds may be issued, authenticated and delivered upon original issuance under the Indenture for the purpose of: (i) financing Facilities in connection with the Program; (ii) providing funds to repair, relocate, replace, rebuild or restore an affected Facility in the event of damage, destruction or taking by eminent domain; (iii) providing extensions, additions, rehabilitation or recreational facilities to one or more Facilities, provided such additions, rehabilitation or recreational facilities constitute a “project” within the meaning of the Act and the Syracuse Schools Act; or (iv) refunding Outstanding Bonds. Such series of Additional Bonds shall be payable from the Base Installment Purchase Payments under the Installment Sale Agreement. Prior to the issuance of a Series of Additional Bonds and the execution of a Supplemental Indenture to the Indenture in connection therewith, the City, the SCSD and the Issuer shall enter into a license agreement or lease agreement or an amendment to the License Agreement, as applicable, and the Issuer, the JSCB, the SCSD and the City shall enter into an amendment to the Installment Sale Agreement to subject the Facility to the Installment Sale Agreement and to provide, among other things, that the Base Installment Purchase Payments payable under the Installment Sale Agreement shall be increased and computed so as to amortize in full the principal of and interest on the bonds outstanding under the Indenture including such series of Additional Bonds. In addition, the SCSD, the City, the JSCB and the Issuer shall enter into an amendment to the Tax Compliance Documents.

### **State Aid Depository Agreement**

To facilitate the collection of State Aid and payment of Installment Purchase Payments under the Installment Sale Agreement, the Depository, the City and the SCSD have entered into the State Aid Depository Agreement. In accordance with the State Aid Depository Agreement, the City and the SCSD have instructed the State Comptroller to pay all State Aid to Education otherwise payable to SCSD or the City directly to the State Aid Depository Fund held by the Depository under the State Aid Depository Agreement. The State Aid Depository Agreement provides for the payment of State Aid to the Trustee and each other Series Trustee, including the Series 2017 Trustee, on a Ratable Basis pursuant to which Project Bonds are outstanding under a Series Indenture.

On or before July 15 of each Fiscal Year, the City and the SCSD are required to prepare and deliver to the Depository, the Series 2017 Trustee and the Trustee a certificate (the “*State Aid Payment Certificate*”) setting forth: (i) a statement that the SCSD and the City have appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations (as defined in “APPENDIX B — “Summary of Definitions”) of the SCSD and the City for such Fiscal Year; (ii) an estimate of the total amount of State Aid to Education expected to be received during the next Collection Period and the Collection Percentage applicable to each month of such Collection Period (as such terms are defined in Appendix B hereof); and (iii) a statement, developed with the assistance of the Financial Advisor to the SCSD or a nationally recognized municipal securities underwriting firm, setting forth the long-term debt rating of each provider of a Qualified Debt Service Reserve Fund Investment Agreement by each of Fitch Ratings, Moody’s and S&P. However, in the event that the SCSD and the City have not appropriated such amount of State Aid to Education in their respective adopted budgets for such Fiscal

Year, the State Aid Payment Certificate for such Fiscal Year shall set forth a statement to such effect and shall not include any information regarding the collection of State Aid to Education during the Collection Period. Thereafter and not later than the end of the third business day immediately preceding March 31 of such Fiscal Year, if circumstances warrant, the City and the SCSD shall from time to time prepare and deliver to the Depository a revised State Aid Payment Certificate setting forth, as appropriate, (i) a statement that the SCSD and the City have, subsequent to adoption of the SCSD's budget for such Fiscal Year, appropriated an amount of State Aid to Education necessary to fund the Aggregate Facilities Payment Obligations of the SCSD and the City for such Fiscal Year; or (ii) a revised total amount of State Aid to Education expected to be received during the next Collection Period for such Fiscal Year and, in either case, if applicable, Collection Percentages or revised Collection Percentages applicable to the remainder of such Collection Period.

On or before November 10 of each Fiscal Year, the Trustee shall, in accordance with the provisions of the Indenture, prepare and deliver to the City, the SCSD and the Depository a certificate (the "**Base Facilities Agreement Payment Certificate**") setting forth the Net Base Facilities Agreement Payment (computed as of the immediately preceding last business day of October of such Fiscal Year) portion of the Facilities Payment Obligations due on the following April 1.

During each Collection Period, if the Depository has received a State Aid Payment Certificate with respect to such Collection Period that sets forth the statements required by clauses (i) and (ii) of the first sentence of the second paragraph under this sub-heading, the Depository shall, immediately upon receipt of any payment of State Aid to Education, withdraw such State Aid to Education from the State Aid Depository Fund and cause the amounts so withdrawn to be immediately paid in the following order of priority:

*first*, to the Applicable Trustee for deposit in the Bond Fund established pursuant to the Applicable Indenture until the total amount of such withdrawals during each month of such Collection Period shall equal the sum of (A) the product of the Collection Percentage for such month multiplied by the Net Base Facilities Payment due the immediately following April 1 as set forth in the Base Facilities Payment Certificate most recently received by the Depository, plus (B) during the months of January, February and March, the excess of the amount that should have been deposited in the Bond Fund in the immediately preceding month of the Collection Period pursuant to the provisions of this paragraph, over the amount in fact so deposited; and

*second*, thereafter during each month of such Collection Period, to an Applicable Trustee, if any, for deposit in the Debt Service Reserve Fund established pursuant to the related Series Indenture until the total amount of such withdrawals is equal to the Reserve Payment due, if any, as set forth in the Reserve Payment Certificate most recently received by the Depository; and

*third*, thereafter during each month of such Collection Period, to the General Fund of the SCSD.

In the event that any amount on deposit in the State Aid Depository Fund in any month of the Collection Period, at any time, shall be less than the amount required to be paid to a Series Trustee under the first clause or second clause above, the Depository shall make payment to the Trustee, the Series 2008A Trustee and any other Series Trustee on a Ratable Basis, in the priority indicated above. For purposes of the preceding sentence, "Ratable Basis" shall be first computed based on amounts payable to each Series Trustee under the first clause above if there is not enough in the State Aid Depository Fund to pay to each Series Trustee what is payable under the first clause above, and, if the amounts payable under the first clause have been paid in full, then computed based on the amount payable to each Series Trustee under the second clause.

Thereafter, from April 1 until the commencement of the next Collection Period, immediately upon receipt of any payment of State Aid to Education, the Depository shall withdraw such State Aid to Education from the State Aid Depository Fund and cause the amounts so withdrawn to be immediately paid to the General Fund of the SCSD.

If the Depository has not received with respect to a Collection Period for any reason a State Aid Payment Certificate that includes the statements required by clauses (i) and (ii) of the first sentence of the second paragraph under this sub-heading, the Depository, both during and after such Collection Period until the next Collection Period, shall withdraw any State Aid to Education from the State Aid Depository Fund and cause the amounts so withdrawn to be immediately paid to the General Fund of the SCSD.

Notwithstanding the provisions of the State Aid Depository Agreement providing for the flow of State Aid to Education to the Series Trustees, if the Depository receives written instructions from the Commissioner of Finance, together with an accompanying monthly payment schedule from the Commissioner of Finance indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education must be set aside in a special bank account designated in such instructions to be used only for the payment in accordance with such payment schedule for the RAN Repayment Requirement, then each month the Depository shall immediately withdraw from the State Aid Depository Fund all State Aid to Education that is received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under the State Aid Depository Agreement, to the special bank account until the total amount of such withdrawals is equal to the portion of such RAN Repayment Requirement required, in accordance with such payment schedule, to be withdrawn and paid to such special bank account for such month or any prior month to the extent not paid.

Although the State Aid Depository Agreement requires an immediate transfer of State Aid to Education from the State Aid Depository Fund to the Bond Fund established under the Indenture, during the Collection Period, amounts held in the State Aid Depository Fund are not subject to the lien of the Indenture and are not pledged as security for the payment of the Series 2017 Bonds until such amounts have been transferred by the Depository to the Trustee and deposited in the Bond Fund.

Nothing shall prevent the SCSD, the City, the Depository, the Series Trustee, or the Trustee from adopting amendments or modifying the procedures for the collection, deposit and disbursement of State Aid to Education as set forth in the State Aid Depository Agreement; *provided, however*, that: (i) prior to making any such change, the SCSD shall notify any rating agency then rating the Series 2017 Bonds or any other Series of Project Bonds of such change and that, prior to any such change becoming effective, there shall be delivered to the Depository a rating confirmation of such rating agency that the then current unenhanced rating of the Series 2017 Bonds or any other Series of Project Bonds Outstanding will not be withdrawn or reduced as a result of such change; and (ii) any change or alteration of the procedure for collection and deposit of State Aid to Education would not result in insufficient State Aid to Education being available to timely pay Facilities Payment Obligations under the Installment Sale Agreement or under any other Series Facilities Agreement.

#### **Timing of Payments under State Aid Trust Agreement**

In order to assure the timely payment of debt service on the Series 2017 Bonds, the City and the SCSD have agreed during each year to certify certain information to the Depository, and the SCSD and the City have directed the Depository to pay certain amounts to the Trustee in advance of the payment of debt service on the Series 2017 Bonds. On or before July 15 of each Fiscal Year, the City and the SCSD are required to certify to the Depository under the State Aid Depository Agreement; (i) that the SCSD and

the City have appropriated funds necessary to pay the annual Installment Purchase Payment under the Installment Sale Agreement due on the next succeeding April 1 (which covers the debt service on the Series 2017 Bonds on the following May 1 and November 1); and (ii) the State Aid to Education expected to be received by the SCSD and the City during the next succeeding December 1 to March 31. In the event the City shall not have appropriated such amount, the foregoing certificate shall state that the appropriation has not been made. On or before November 10 of each year, the Trustee shall prepare and deliver to the City, the SCSD and the Depository a certificate setting forth the Net Base Facilities Agreement Payment due on the following April 1. On a monthly basis beginning on December 1 through the next succeeding March 31 the Depository will, in accordance with the State Aid Depository Agreement, transfer a portion of State Aid to Education to the Trustee sufficient to pay the annual Installment Purchase Payment under the Installment Sale Agreement due on the next succeeding April 1. In the event payments made by the Depository to the Trustee during the preceding December 1 to March 31 are not sufficient to pay the annual Installment Purchase Payment under the Installment Sale Agreement due on April 1, the Trustee will immediately certify such deficiency to the State Comptroller. The State Comptroller is then required to pay such amounts to the Trustee in accordance with the state and/or school aid intercept provisions of the Indenture and the Syracuse Schools Act in order to provide payment of debt service on the Series 2017 Bonds on the next succeeding May 1 and November 1. Installment Purchase Payments due under the Installment Sale Agreement will equal principal and interest due on the Series 2017 Bonds and are payable on each April 1. Notwithstanding the April 1 Installment Purchase Payment Date and Base Installment Purchase Payments under the Installment Sale Agreement, said agreement provides that if the SCSD fails to appropriate by November 1, 2011 (or by any subsequent November 1 that the Series 2017 Bonds remain Outstanding) State Aid Revenues in an amount sufficient to pay the Installment Purchase Payment and Base Installment Purchase Payments due on the immediately succeeding April 1 (less any amounts on deposit in the Bond Fund and available on such November 1), then: (y) the SCSD shall promptly deliver written notice of such failure to appropriate to the Issuer and the Trustee, and (z) the next succeeding April 1 payment date for the annual Installment Purchase Payment and Base Installment Purchase Payments shall instead be the November 15 immediately preceding such April 1 payment date as if that November 15 were the originally scheduled annual Installment Purchase Payment Date; and if for any reason the Installment Purchase Payment Due and Base Installment Purchase Payment Date on such November 15 is not made by such date, any such failed payment shall constitute a failure to make a payment under the Installment Sale Agreement for purposes of the Installment Sale Agreement, the Syracuse Schools Act and the State Aid intercept implementing provisions of the 2017 Indenture.

## **DISCUSSION OF FINANCIAL OPERATIONS OF THE CITY AND THE SCSD**

### **Budget Procedures and Plans**

The Director of the Office of Management and Budget (the "Budget Director") has the primary responsibility for preparing the City's annual operating budget, supervising the execution of the operating budget and reporting budgetary variances to the Mayor. The SCSD proposes a separate budget that is approved by the Board of Education after a public hearing. Thereafter, the SCSD's budget is transmitted to the City's Budget Director for inclusion in the Citywide budget.

CERTAIN FINANCIAL INFORMATION FOR THE SCSD FOR THE FISCAL YEAR ENDED JUNE 30, 2016 IS PRESENTED IN APPENDIX A HERETO. A SUMMARY OF THE SCSD'S FINANCIAL RESULTS FOR THE YEAR ENDING JUNE 30, 2016 AND DISCUSSIONS OF THE 2016-17 BUDGET ARE PRESENTED HEREIN BELOW.

## **Accounting and Financial Reporting**

In accordance with the State Education Law, the accounts of the SCSD are maintained independently of the City. The SCSD is responsible for managing, controlling and accounting for its own budget appropriations approved by the City's Common Council. The SCSD prepares and issues separately audited financial statements which statements are also included in the financial statements of the City. The City levies and collects real property taxes for general City and the SCSD purposes and remits to the SCSD its share of collections. The SCSD receives 100% of its annual tax levy by October 31 of the fiscal year following the year of levy.

The City accounts for the SCSD as a blended component unit in its financial statements. The SCSD is accounted for in this manner because the SCSD is not a separate legal entity and does not have the power to levy taxes or issue bonds. The SCSD's budget is subject to approval by the City Common Council. The City is financially accountable for the SCSD and funds any operating deficits of the SCSD. The SCSD is included in the basic financial statements as a special revenue fund in the fund financial statements of the City. Financial Statements of SCSD are presented in a discrete (*i.e.*, separate) column in the City's Annual Financial Statements, when issued, in accordance with the Governmental Accounting Standards Board, Statement #14. In the government-wide statements of the City, the SCSD is included in the governmental activities.

### **Summary of Significant Accounting Policies**

See page 52 of the audited financial statements for the fiscal year ended June 30, 2016.

**Anticipated SCSD General Fund Results of Operations – Year Ended June 30, 2017**

SCSD officials expect that the SCSD General Fund will conclude the year within the spending limit of \$407.1 million set by the Common Council, and that the full fund balance appropriation of \$11.0 million will be used. Unrestricted fund balance at June 30, 2017 is anticipated to be \$12.4 million.

## BONDHOLDERS' RISKS

The discussion herein of risks to holders of the Series 2017 Bonds is not intended as dispositive, comprehensive or definitive, but rather is intended only to summarize certain matters which could affect payment on the Series 2017 Bonds. However, holders of the Series 2017 Bonds should be aware that these matters and other potential risks and factors could materially adversely affect the receipt by the holders of payments on the Series 2017 Bonds. Copies of all such documents are available for inspection at the principal corporate trust office of the Trustee.

## **The State's Financial Condition, Reduced State Aid, Delayed Payment**

The amount of State Aid paid to the SCSD is dependent in large measure upon the financial condition of the State. The State regularly publishes its Annual Information Statement relating to its financial condition, as well as quarterly updates and supplements thereto.

The State's 2015-16 and 2016-17 Enacted Budgets each provide for an increase of \$1.5 billion and \$1.3 billion in school aid for the 2015-16 and 2016-17 school years, respectively.

The SCSD depends on substantial financial assistance from the State. SCSD General Fund operations for its 2015-16 fiscal year were funded 81.1% from State Aid. State aid for the SCSD's General Fund for fiscal year 2016-17 was budgeted at \$321.5 million, which represents an increase of \$26.6 million compared to the budgeted adopted for the previous fiscal year.

The total amount of State Aid for all funds is comprised of Foundation Aid and a number of other State Aid categories. Foundation Aid is the largest component of State Aid for the SCSD. The SCSD received Foundation Aid in the amount of \$221.5 million in 2013-14, \$227.9 million in 2014-15, \$238.4 million for the 2015-16 fiscal year and expects \$259.1 million for the 2016-17 fiscal year, respectively. Future reductions in Foundation Aid or other aid categories of State Aid to the SCSD could adversely affect the financial condition of the SCSD.

Principal of and interest on the Project Bonds, including the Series 2017 Bonds, will be paid from State Aid payable through (i) installment purchase payments made by the SCSD under the Series Facilities Agreements, including the Installment Sale Agreement or (ii) from the intercept of State Aid by the State Comptroller. Both methods of payment are dependent upon lawful appropriations of State Aid being made each year by the State to the SCSD. No assurance can be given that present State Aid levels will be maintained in the future. The Syracuse Schools Act provides that (x) any amount of State Aid paid by the State Comptroller pursuant to the State Aid intercept provisions of the Syracuse Schools Act shall not obligate the State to make, nor entitle the SCSD to receive, any additional amounts of State Aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of State Aid and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain State Aid at any particular level or amount. Financial difficulties of the State could result in reduced payments of State Aid to municipalities and school districts in the State (including the SCSD) in future fiscal years. Given the SCSD's dependence on State Aid (the only source of funds to make the installment purchase payments payable by the SCSD pursuant to the Series Facilities Agreements, including the Installment Sale Agreement), substantial reductions in the payment of State Aid could adversely impact the SCSD's ability to pay, or timely pay, installment purchase payments under the Series Facilities Agreements, including the Installment Sale Agreement, and accordingly, the payment of debt service on the Project Bonds, including the Series 2017 Bonds.

State financial difficulties may result in protracted and delayed State budget negotiations which may result in delays in the adoption of the State budget. Delays in adoption of the State budget could result in delayed payment of State Aid to school districts in the State, including the SCSD. During the State's 2011-12 to 2015-16 fiscal years, State Aid to school districts was paid in a timely manner; however, during the State's 2009-10 fiscal year, State budgeting restrictions resulted in delayed payments of State Aid to school districts in the State. In the past, adoption of a State budget has been delayed as long as four and a half months. There can be no assurance that (y) the State Legislature will continue to adopt State budgets in a timely fashion, or that (z) in the absence of such budget adoption, that the State Legislature will provide on a continuing resolution or other basis State Aid to the SCSD on an interim basis.

Delay in the receipt of State Aid by the SCSD could have a material adverse financial impact on the SCSD and result in a delay in the application of such State Aid to the payment of installment purchase payments under the Series Facilities Agreements, including the Installment Sale Agreement.

### **Appropriation of and Possible Changes to State Aid**

Statutory provisions currently exist or may hereafter be enacted which permit state and/or school aid otherwise payable to the SCSD and/or the City to be diverted or intercepted and applied in satisfaction of indebtedness or obligations issued or incurred for school purposes or otherwise. In addition, at the present time, other than as provided in the State Aid Depository Agreement with respect to Project Bonds, there is no stated priority for the various multiple state and/or school aid diversion and intercept claims.

Principal of and interest on the Series 2017 Bonds will be paid from State Aid to Education payable through (i) Installment Purchase Payments made by the SCSD and the City under the Installment Sale Agreement or (ii) from the intercept of state and/or school aid payable to the SCSD or the City by the State Comptroller. Both methods of payment are dependent upon lawful appropriations of State Aid to Education being made each year by the State to the SCSD and the City. No assurance can be given that present state and/or school aid levels will be maintained in the future. State budgetary restrictions which eliminate or substantially reduce state and/or school aid could have a material adverse effect upon the SCSD, requiring either a counterbalancing increase in revenues from other sources, to the extent available, or a curtailment of expenditures. Although the State has over the past five years provided State Aid to Education at levels averaging 79.2% per year of the SCSD's annual budget, neither this nor any other percentage of annual State Aid to Education is guaranteed. In the event that state and/or school aid is reduced by the State in the future, such reduction would result in a diminished flow of revenues for the payment of Installment Purchase Payments by the SCSD and the City under the Installment Sale Agreement, as well as diminished state and/or school aid available to be intercepted from the State Comptroller under the Syracuse Schools Act. Further, the Syracuse Schools Act provides that (x) any amount of state and/or school aid paid by the State Comptroller pursuant to the intercept provisions of the Syracuse Schools Act shall not obligate the State to make, nor entitle the SCSD to receive, any additional amounts of state and/or school aid, (y) nothing contained in the Syracuse Schools Act shall be deemed to prevent the State from modifying, reducing or eliminating any program or programs of state and/or school aid and (z) the State shall not be obligated by the terms of the Syracuse Schools Act to maintain state and/or school aid at any particular level or amount.

### **Default by the SCSD and the City**

No representations or assurances can be given that the SCSD or the City will perform their obligations under the Installment Sale Agreement. The obligation of the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement is executory and dependent upon the receipt of State Aid to Education and the appropriation of such State Aid to Education by the SCSD and the City for the payment of Installment Purchase Payments under the Installment Sale Agreement. In the event State Aid to Education has been appropriated by the State to the SCSD and/or the City and either the SCSD has failed to provide for Installment Purchase Payments necessary for a fiscal year its budget, or the City has failed to appropriate such State Aid to Education, for the payment of the Installment Sale Agreement, there is no right to accelerate payments due under the Series 2017 Bonds and the sole source of payment for the Series 2017 Bonds will be the intercept of state and/or school aid by the State Comptroller. The failure of the SCSD to budget for, or the City to appropriate amounts necessary, to make Installment Purchase Payments due under the Installment Sale Agreement may result in the failure of the Issuer to make required debt service payments under the Series 2017 Bonds. In such

event, the sole remedy available to the Bondholders will be the intercept of state and/or school aid by the State Comptroller.

### **Appropriation of Installment Purchase Payments by the City and the SCSD**

The availability of Installment Purchase Payments under the Installment Sale Agreement are subject to and dependent upon lawful appropriations of State Aid to Education being made each year by the State Legislature and the City for such purposes. The Installment Sale Agreement is not a general obligation of the SCSD or the City. The obligations of the SCSD and the City under the Installment Sale Agreement to pay Installment Purchase Payments in any fiscal year of the SCSD or the City constitute a current expense of the SCSD and the City for such fiscal year and shall not constitute an indebtedness of the SCSD or the City within the meaning of any constitutional or statutory provision or other laws of the State. Neither the Installment Sale Agreement nor any representation by any public employee or officer creates any legal or moral obligation of the City to appropriate or the SCSD or the City make moneys available for the purposes of the Installment Sale Agreement. The failure of the SCSD and the City to pay Installment Purchase Payments due under the Installment Sale Agreement may result in the failure of the Issuer to make required debt service payments under the Series 2017 Bonds. In such event, there is no right to accelerate payments due under the Series 2017 Bonds and the sole remedy available to the Bondholders will be the intercept of state and/or school aid by the State Comptroller.

### **Competing Claims to State Aid**

#### *Direct Claims*

Revenue Anticipation Notes. Revenue anticipation notes are issued by the City on behalf of the SCSD in anticipation of the receipt of State Aid to Education. Such notes are payable in the first instance from State Aid to Education in anticipation of which such revenue anticipation notes were issued. State law requires that whenever the amount of the revenue anticipation notes issued by the City on behalf of the SCSD equals the amount of State Aid to Education remaining uncollected, the City is required to set aside in an account all of such State Aid to Education thereafter received by the SCSD to retire such revenue anticipation notes. Currently, the City has \$103,439,000 revenue anticipation notes outstanding of which \$68,439,000 were issued in anticipation of the receipt of State Aid to Education. Such notes will mature on June 30, 2017. The State Aid Depository Agreement provides that, notwithstanding the provisions of the State Aid Depository Agreement providing for the flow of State Aid to Education to the Series Trustee, upon receipt of written instructions to the Depository from the City indicating that, pursuant to applicable State law and, if applicable, any credit enhancement agreement to which the City is a party, State Aid to Education revenues paid to the SCSD or the City must be set aside in a special bank account designated in such instructions to be used only for the payment of the revenue anticipation notes Repayment Requirement. Upon receiving such instructions, the Depository shall immediately withdraw from the State Aid Depository Fund all State Aid to Education that is received and cause the amounts so withdrawn to be immediately paid, before any further withdrawal or payment under the State Aid Depository Agreement, to the special bank account until the total amount of such withdrawals is equal to the portion of such revenue anticipation notes Repayment Requirement required to be withdrawn and paid to such special bank account for such month or any prior month to the extent not paid. Notwithstanding the foregoing, in the event the SCSD or the City shall fail to pay an Installment Purchase Payment under the Installment Sale Agreement, the intercept provisions of the Syracuse Schools Act and the Indenture will operate to intercept state and/or school aid payable to the SCSD or the City prior to the payment of such aid to the SCSD and/or the City in accordance with the State Aid Depository Agreement. Accordingly, such state and/or school aid will be intercepted to pay Installment Purchase Payments under the Installment Sale Agreement prior to its application by the City to the payment of outstanding revenue

anticipation notes of the City. In accordance with the requirements of the Local Finance Law, it is the City's current practice to set aside in a special account the last State Aid to Education money received during the fiscal year. Payments to the special bank account are generally made in May and the June of each year.

Expenses for Handicapped Children. The State Comptroller deducts from State Aid to Education due to the SCSD amounts required by statute to reimburse the State for certain expenditures made by the State for the education of certain blind, deaf and handicapped children in the City. Such expenditures were approximately \$0.4 million for the SCSD 2015-16 fiscal year and \$0.4 million is also budgeted for this purpose in the 2016-17 fiscal year.

Deductions for TRS Payments. TRS contributions are paid as a reduction in State Aid to Education payments due September 15, October 15 and November 15 of the succeeding fiscal year. Any deficiency or excess in TRS contributions are settled on a current basis in the month of January. For the 2015-16 fiscal year, TRS expenditures were approximately \$29.2 million. For 2016-17, SCSD officials have indicated that \$20.2 million was budgeted for this purpose.

#### *Contingent Claims*

State Finance Law Section 99-b. In the event of a default in the payment of the principal of and/or interest on outstanding general obligation indebtedness of the SCSD, the State Comptroller is required to withhold, under certain conditions prescribed by Section 99-b of the State Finance Law, State Aid to Education and assistance to the SCSD and to apply the amount thereof so withheld to the payment of such defaulted principal and/or interest, which requirement constitutes a covenant by the State with the holders from time to time of such general obligation indebtedness for SCSD purposes. The SCSD is wholly dependent upon the City for taxation and debt issuance. As measured by the State Constitution and the Local Finance Law, as of January 16, 2017, the City has a total outstanding net indebtedness of \$182,887,357 (excluding \$62,381,163 in water debt, \$13,172,133 in budgetary appropriations, \$35,000,000 revenue anticipation notes issued against City revenues, \$68,439,000 revenue anticipation notes issued against SCSD revenues, and \$3,409,751 in debt reserves), which represents 43.94% of the City's debt limit. Excluding revenue anticipation notes, the SCSD's share of outstanding City net debt is \$39,085,746 (or 21.4%), as of January 16, 2017. In addition, the net indebtedness of the City at January 16, 2017 includes \$9,905,000 in outstanding bond anticipation notes which were issued by the City to commence work on Phase II of the JSCB renovation project. As of January 16, 2017, \$39,085,746 outstanding bonds, \$9,905,000 bond anticipation notes and \$68,439,000 outstanding revenue anticipation notes issued for school purposes benefit from the Section 99-b statutory intercept mechanism for State Aid to Education.

*The Series 2017 Bonds are not general obligation indebtedness of the City and accordingly do not benefit from the Section 99-b intercept.*

Charter School Delinquencies. Pursuant to the Charter Schools Act, the SCSD is required to pay for the maintenance and operation of charter schools in the City. There are currently two charter schools operating in the City. Enrollments at these schools increased from 1,478 students in the 2015-016 school year to 1,565 (projected) in the 2016-17 school year. According to District officials, in 2016-17 charter school funding is \$12,430 per student for regular education, \$6,572 per student for 20% special education, and \$12,048 per student for 60% special education, for a projected total of approximately \$20.1 million. In the 2015-16 school year, the amount of charter school funding was \$12,430 per student for regular education, \$6,458 per student for 20% special education, and \$11,840 per student for 60% special education, for a total of \$18.5 million. Increases are due to increases in expected charter school

enrollment. In the event the SCSD fails to make any required payment for the maintenance or operation of charter schools, the State Comptroller may deduct such delinquent amounts from State Aid to Education otherwise payable to the SCSD and pay such amount to the charter schools.

Failure to Comply with Regulations. Payment of State Aid to Education may be withheld due to the failure of the City or the SCSD to comply with various requirements of State law or the regulations of the Commissioner of Education relating to instructional programs, programs for the handicapped or other matters or the failure of the City to pay debt service on obligations issued for school purposes.

The 2016-17 Enacted State Budget included a provision linking the payment of additional State Aid to compliance with a modified teacher evaluation process which provides that school districts will not be eligible for aid unless they have negotiated the optional components of evaluations with their local unions and obtained State approval by December 1, 2016. The SCSD has completed negotiations with its local unions and is in compliance with the modified teacher evaluation process.

#### *Effect on State Aid*

Statutory application and intercept of State Aid to Education for any of the above purposes or any other purpose would have the result of diminishing the flow of State Aid to Education to the SCSD and the City to make Installment Purchase Payments under the Installment Sale Agreement as well as possibly diminishing state and/or school aid subject to be intercepted by the State Comptroller under the Syracuse Schools Act. Furthermore, other State financing programs incorporate similar procedures for the application or withholding of State Aid to Education as security for the repayment of obligations, or the repayment of financial assistance provided to school districts in the State. Moreover, the State has the power to (i) create additional state and/or school aid intercept provisions, (ii) reduce or eliminate state and/or school aid paid to school districts and cities in the State and (iii) create state and/or school aid intercept provisions having a prior right to intercept state and/or school aid senior to the intercept of state and/or school aid provided by the Syracuse Schools Act. If the SCSD or the City is or becomes a participant in any such State financing program or otherwise pledges state and/or school aid, the extent to which State Aid to Education would be available (x) to pay Installment Purchase Payments under the Installment Sale Agreement or (y) to be intercepted by the State Comptroller and paid to the Trustee, could be adversely affected. No assurance is given that the SCSD or the City will not participate in any such State financing programs in the future.

In addition to the foregoing, it is important to note that State Aid may, after the payment of Base Installment Purchase Payments, be applied to the payment of Additional Payments under the Installment Sale Agreement for, among other things, casualty and indemnity obligations of the SCSD, in the event of a shortfall in the insurance coverage furnished by the SCSD to the Issuer. Accordingly, a significant casualty or indemnity event could substantially reduce State Aid coverage levels in relation to Base Installment Payment obligations of the SCSD and the City.

#### **Additional Series of Project Bonds or Series of Additional Bonds**

The SCSD currently intends to finance the completion of the Program with the issuance of additional Series of Project Bonds or Series of Additional Bonds under either the Indenture and/or separate Series Indentures which will rank on a Ratable Basis with the claims of the Series 2017 Bonds to State Aid to Education under the State Aid Depository Agreement or from the State Comptroller as an intercept of state and/or school aid under the Syracuse Schools Act. See APPENDIX D — “Summary of Certain Provisions of the Installment Sale Agreement” and APPENDIX C — “Summary of Certain Provisions of the Indenture of Trust.”

The issuance of additional Series of Project Bonds or Series of Additional Bonds will dilute the amount of State Aid to Education available to make Installment Purchase Payments with respect to the Series 2017 Bonds and the amount of state and/or school aid subject to intercept by the State Comptroller and payable to the Trustee. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS." No limitation exists upon the principal amount of Project Bonds that may be issued, nor upon their payment dates or rate of amortization. This could result in a reduction in the funds available to make payments of principal of and interest on the Series 2017 Bonds.

### **Insurance**

The City funds a self-insurance program from operating funds to protect itself against various forms of risks. Under the program, the City is self-insured for employee medical and dental benefits, unemployment benefits, workers' compensation and general liability claims. According to City officials, for the fiscal years ended June 30, 2015 and 2016, the City and SCSD paid \$1,812,893 and \$157,392 from operating funds to settle various judgments and claims, respectively. For the current fiscal year, as of January 9, 2017, the City and SCSD have paid \$340,662 to settle various judgments and claims.

The City purchases commercial insurance for various risks and liabilities. Property insurance is utilized to protect all City and SCSD Buildings for losses in excess of \$100,000.

For additional information concerning claims and insurance, see "Notes to Basic Financial Statements," Note 10, in the City's audited financial statements as of and for the year ended June 30, 2015, and "Notes to Basic Financial Statements," Note 10, in the SCSD audited financial statements as of and for the year ended June 30, 2016.

### **Enforceability of Remedies**

The remedies available to the holders of the Series 2017 Bonds upon an event of default under the Indenture or other documents described herein are in many respects dependent upon judicial actions which are often subject to discretion and delay. Existing constitutional and statutory law and judicial decisions, including Title 11 of the United States Code, affect the payment rights of Bondholders, and the remedies specified by the federal bankruptcy laws, the Indenture and the various documents referred to herein may not be readily available or may be limited. The legal opinions to be delivered concurrently with the delivery of the Series 2017 Bonds will be qualified as to enforceability of the legal instruments by limitations imposed by bankruptcy, reorganization, insolvency, or other similar laws affecting the rights of creditors generally. In addition, such opinions will state that the availability of remedies may be limited by judicial application of principles of equity which may delay or preclude the exercise of remedies, including mortgage foreclosure.

### **State Aid Depository Agreement**

Amounts held in the State Aid Depository Fund under the State Aid Depository Agreement are not pledged to the repayment of the Series 2017 Bonds. The State Aid Depository Fund is not a trust fund held under the Indenture and the Trustee does not and will not have a security interest in amounts held therein. In addition, the obligations of the City, the SCSD and the Depository relating to the collection, deposit and disbursement of State Aid contained in the State Aid Depository Agreement are not statutory obligations but contractual obligations of the Depository, the City, the SCSD and failure of such parties to comply with the provisions of the State Aid Depository Agreement would be actionable solely as a breach of contract matter. See also "Additional Series of Project Bonds or Series of Additional Bonds" above.

### **Statutory Interpretation**

The City, the JSCB and the SCSD are subject to the limitations imposed by State law including, but not limited to, the Education Law, the General Municipal Law and the Local Finance Law. Generally, such laws limit the power of the City to incur indebtedness, as well as the powers of the City and the SCSD to lease or purchase facilities and enter into installment purchase agreements similar to the Installment Sale Agreement. Notwithstanding such limitations, the Corporation Counsel of the City will provide an opinion to be delivered at the Series 2017 Bond closing to the effect that the Installment Sale Agreement is valid, binding and enforceable against the City, the JSCB and the SCSD in accordance with its terms subject to certain limitations (bankruptcy, discretion as to remedies, etc.). The Syracuse Schools Act has not been subjected to judicial review and the legal authority provided to the City, the JSCB and the SCSD by the Syracuse Schools Act could be subject to differing interpretation. Reference is hereby made to the form of opinion of Corporation Counsel of the City to be delivered upon issuance of the Series 2017 Bonds, a copy of which will be on file with the Trustee.

### **Limited Obligations of the Issuer**

THE SERIES 2017 BONDS ARE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM STATE AID PAYABLE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT AND THE PLEDGE OF CERTAIN FUNDS INCLUDING THE BOND FUND UNDER THE INDENTURE. IN THE EVENT THE SCSD OR THE CITY FAILS TO MAKE AN INSTALLMENT PURCHASE PAYMENT UNDER THE INSTALLMENT SALE AGREEMENT (AND UPON ANY FAILURE TO BUDGET OR APPROPRIATE STATE AID TO EDUCATION), THE SYRACUSE SCHOOLS ACT AND THE INDENTURE PROVIDE THAT, UPON RECEIPT BY THE STATE COMPTROLLER OF A CERTIFICATE FROM THE TRUSTEE ON BEHALF OF THE ISSUER AS TO THE AMOUNT OF SUCH FAILED PAYMENT, THE STATE COMPTROLLER SHALL WITHHOLD ANY STATE AND/OR SCHOOL AID FROM THE SCSD AND/OR THE CITY PAYABLE THERETO TO THE EXTENT OF THE AMOUNT SO STATED IN SUCH CERTIFICATE AS NOT HAVING BEEN MADE, AND SHALL IMMEDIATELY PAY OVER TO THE TRUSTEE ON BEHALF OF THE ISSUER THE AMOUNT SO WITHHELD. THE OBLIGATION OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IS NOT A GENERAL OBLIGATION OF THE SCSD OR THE CITY AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWERS OF THE CITY IS PLEDGED TO THE PAYMENT OF INSTALLMENT PURCHASE PAYMENTS UNDER THE INSTALLMENT SALE AGREEMENT. THE OBLIGATIONS OF THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO PAY INSTALLMENT PURCHASE PAYMENTS IN ANY FISCAL YEAR OF THE SCSD OR THE CITY CONSTITUTE A CURRENT EXPENSE OF THE SCSD FOR SUCH FISCAL YEAR AND SHALL NOT CONSTITUTE AN INDEBTEDNESS OR MORAL OBLIGATION OF THE SCSD, THE CITY OR THE STATE WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR OTHER LAWS OF THE STATE OF NEW YORK. THE ONLY SOURCE OF MONEYS AVAILABLE FOR THE PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2017 BONDS IS INSTALLMENT PURCHASE PAYMENTS MADE BY THE SCSD AND THE CITY UNDER THE INSTALLMENT SALE AGREEMENT TO THE EXTENT OF STATE AID APPROPRIATED BY THE STATE AND AVAILABLE TO THE SCSD OR THE CITY AND APPROPRIATED BY THE CITY AND SCSD TO MAKE SUCH PAYMENTS, AND THE INTERCEPT BY THE STATE COMPTROLLER OF ANY STATE AND/OR SCHOOL AID PAYABLE TO THE CITY OR THE SCSD TO THE EXTENT OF ANY INSTALLMENT PAYMENT DEFICIENCY.

### **Absence of Public Market for the Series 2017 Bonds**

The SCSD has been advised by the Underwriter that the Underwriter presently intends to make a secondary market in the Series 2017 Bonds. The Underwriter, however, is not obligated to do so, and any secondary market-making activities with respect to the Series 2017 Bonds may be discontinued at any time without notice. No assurance is given that an active public or other market will develop for the Series 2017 Bonds or as to liquidity of or the trading market for the Series 2017 Bonds. If a trading market does not develop or is not maintained, holders of the Series 2017 Bonds may experience difficulty in reselling the Series 2017 Bonds or may be unable to sell them at all. If a market for the Series 2017 Bonds develops, any such market may be discontinued at any time. If a public trading market develops for the Series 2017 Bonds, future trading prices of the Series 2017 Bonds will depend on many factors, including, among other things, prevailing interest rates, State Aid to Education paid to the SCSD and the market for similar securities. Depending on prevailing interest rates, the market for similar securities and other factors, including the financial condition of the SCSD, the Series 2017 Bonds may trade at a discount from their principal amount. DEFICIENCY.

### **Executive Order on Sanctuary Cities**

On January 25, 2017, President Trump signed an executive order directing the Attorney General and the Secretary of Homeland Security to ensure that state and local jurisdictions that willfully refuse to comply with federal law concerning the provision of information on individuals' immigration status will not be eligible to receive federal grants except as deemed necessary for law enforcement purposes. It is the City's position that controlling legal authority limits funding reductions to grants directly related to federal immigration law enforcement. If implementation of the executive order results in the reduction of federal aid to the City and/or the SCSD, the City expects that it would mount a vigorous legal challenge. However, there can be no guarantee that implementation of the executive order will not result in a significant reduction or delay in receiving such aid.

## **TAX MATTERS**

### **Series 2017 Bonds**

In the opinion of Barclay Damon, LLP, Bond Counsel to the Issuer, under existing law and assuming compliance by the Issuer, the SCSD and the City with certain covenants and the accuracy and completeness of certain representations made by the Issuer, the SCSD and the City, interest on the Series 2017 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "*Code*"), and is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel is also of the opinion that, under existing statutes, interest on the Series 2017 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). See APPENDIX E — "Form of Opinion of Bond Counsel for the Series 2017 Bonds."

The Code imposes various requirements that must be met in order that interest on the Series 2017 Bonds be and remain excluded from gross income for Federal income tax purposes. Failure to comply with the requirements of the Code may cause interest on the Series 2017 Bonds to be included in gross income for purposes of Federal income tax retroactive to the date of original execution and delivery of the Series 2017 Bonds, regardless of the date on which the event causing such inclusion occurs. The Issuer, the SCSD and the City have covenanted in the Indenture, the Installment Sale Agreement and the Tax

Compliance Agreement to comply with the requirements of the Code and have made representations in such documents addressing various matters relating to the requirements of the Code. The opinion of Bond Counsel assumes continuing compliance with such covenants as well as the accuracy of such representations made by the Issuer, the SCSD and the City.

Certain requirements and procedures contained or referred to in the Indenture, the Installment Sale Agreement, the Tax Compliance Agreement and other relevant documents may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of Bond Counsel. The opinion of Barclay Damon, LLP states that such firm, as Bond Counsel, expresses no opinion as to any Series 2017 Bond or the interest thereon if any such change occurs or action is taken upon the advice or approval of Bond Counsel other than Barclay Damon, LLP.

The excess of the principal amount of a maturity of a Series 2017 Bond over the issue price of such maturity of Series 2017 Bond (a "**Discount Bond**") constitutes "original issue discount," the accrual of which, to the extent properly allocable to the Beneficial Owner thereof, constitutes "original issue discount" which is excluded from gross income for Federal income tax purposes. For this purpose, the issue price of a maturity of Series 2017 Bonds is the first price at which a substantial amount of such maturity of Series 2017 Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). Further, such original issue discount accrues actuarially on a constant yield basis over the term of each Discount Bond and the basis of such Discount Bond acquired at such initial offering price by an initial purchaser of each Discount Bond will be increased by the amount of such accrued discount. Beneficial Owners of Discount Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Discount Bonds.

Series 2017 Bonds purchased, whether at original issuance or otherwise, at prices greater than the stated principal amount thereof are "**Premium Bonds**." Premium Bonds will be subject to requirements under the Code relating to tax cost reduction associated with the amortization of bond premium and, under certain circumstances, the Beneficial Owner of Premium Bonds may realize taxable gain upon disposition of such Premium Bonds even though sold or redeemed for an amount less than or equal to such owner's original cost of acquiring Premium Bonds. The amortization requirements may also result in the reduction of the amount of stated interest that a Beneficial Owner of Premium Bonds is treated as having received for Federal tax purposes (and an adjustment to basis). Beneficial Owners of Premium Bonds are advised to consult with their own tax advisors with respect to the tax consequences of ownership of Premium Bonds.

Prospective purchasers of the Series 2017 Bonds should be aware that ownership of, accrual or receipt of interest on, or disposition of, the Series 2017 Bonds may have collateral Federal income tax consequences for certain taxpayers, including financial corporations, insurance companies, Subchapter S corporations, certain foreign corporations, individual recipients of social security or railroad retirement benefits, individuals benefiting from the earned income credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry such obligations.

Interest paid on tax-exempt obligations is subject to information reporting to the Internal Revenue Service (the "IRS") in a manner similar to interest paid on taxable obligations. Interest on the Series 2017 Bonds may be subject to backup withholding if such interest is paid to a registered owner who or which (i) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (ii) has been identified by the IRS as being subject to backup withholding.

Prospective purchasers should consult their tax advisors as to any possible collateral consequences of their ownership of, accrual or receipt of interest on, or disposition of the Series 2017 Bonds. Bond Counsel expresses no opinion regarding any such collateral Federal income tax consequences.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authority and represents Bond Counsel's judgment as to the proper treatment of the Series 2017 Bonds for Federal income tax purposes. It is not binding on the IRS or the courts. Current and future legislative proposals, if enacted into law, administrative actions or court decisions, at either the Federal or state level, may cause interest on the Series 2017 Bonds to be subject, directly or indirectly, to Federal income taxation or to be subjected to state income taxation, or otherwise have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Series 2017 Bonds for Federal or state income tax purposes. The introduction or enactment of any such legislative proposals, administrative actions or court decisions may also affect, perhaps significantly, the value or marketability of the Series 2017 Bonds. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the Federal or state income tax treatment of holders of the Series 2017 Bonds may occur. Prospective purchasers of the Series 2017 Bonds should consult their own advisors regarding any pending or proposed Federal or state tax legislation, regulations or litigation, and regarding the impact of future legislation, regulations or litigation, as to which Bond Counsel expresses no opinion

Bond Counsel's engagement with respect to the Series 2017 Bonds ends with the issuance of the Series 2017 Bonds and, unless separately engaged, Bond Counsel is not obligated to defend the Issuer, the SCSD, the City or the Beneficial Owners of Series 2017 Bonds regarding the tax-exempt status of the Series 2017 Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Issuer and its appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Issuer legitimately disagrees may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2017 Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2017 Bonds, and may cause the Issuer, the SCSD, the City or the Beneficial Owners to incur significant expense.

#### **APPROVAL OF LEGAL MATTERS**

All legal matters incident to the authorization, issuance and delivery of the Series 2017 Bonds by the Issuer are subject to the approving opinion of Barclay Damon, LLP, Syracuse, New York, Bond Counsel to the Issuer. A copy of the opinion of Bond Counsel will be available at the time of delivery of the Series 2017 Bonds, the form of which is set forth in APPENDIX E — "Form of Opinion of Bond Counsel for the Series 2017 Bonds" hereto. Certain legal matters will be passed upon for Issuer by Corporation Counsel of the City. Legal matters pertaining to the JSCB will be passed upon by its special finance counsel, Trespasz & Marquardt, LLP, Syracuse, New York, and for the SCSD and the City by the Corporation Counsel of the City. Certain legal matters will be passed upon for the Underwriter by its counsel, Harris Beach PLLC, Syracuse, New York.

As of the date of this Official Statement, the SCSD and the City have certified that they do not know of any fact or set of facts from which liability might arise which individually or collectively would materially and adversely affect the business or operations of the SCSD, the City or the Series 2017 Project.

## RATINGS

The Series 2017 Bonds have been given unenhanced ratings (i) by Moody’s Investors Service, Inc. of “Aa2”, (ii) by Standard & Poor’s of “AA” and (iii) by Fitch Ratings of “AA”.

Generally, a rating agency bases its rating on information and materials furnished to it and on investigations, studies and assumptions by such rating agency. A rating is not a recommendation to buy, sell or hold the Series 2017 Bonds. There is no assurance that a rating will continue for any given period of time or will not be revised downward, suspended or withdrawn entirely by the rating agency, if, in its judgment, circumstances so warrant. Any such lowering, suspension or withdrawal of a rating might have an adverse effect upon the market price or marketability of the Series 2017 Bonds. The Underwriter, the

Issuer, the SCSD and the City undertake no responsibility after the issuance of the Series 2017 Bonds to assure the maintenance of any of the ratings or to oppose any revision or withdrawal thereof.

## **UNDERWRITING**

Raymond James & Associates, Inc. (the "Underwriter") under a Purchase Contract between the Issuer and the Underwriter (the "Purchase Contract"), has agreed, subject to certain conditions, to purchase the Series 2017 Bonds from the Issuer at a purchase price of \$33,844,438.34, being the par amount of the Series 2017 Bonds, plus a premium of \$4,663,314.10 less an underwriter's discount of \$78,875.76, and to make a public offering of the Series 2017 Bonds. The Underwriter will be obligated to purchase all such Series 2017 Bonds if any are purchased.

The Underwriter's obligation under the Purchase Contract to accept delivery of the Series 2017 Bonds is subject to certain terms and conditions, including the approval of certain legal matters by counsel. The public offering price set forth on the cover page hereof may be changed from time to time at the discretion of the Underwriter.

Pursuant to the Purchase Contract, the SCSD and the City have agreed to indemnify the Underwriter and the Issuer against certain liabilities to the extent permitted by law.

## **SECONDARY MARKET DISCLOSURE**

In order to assist the Underwriter in complying with the provisions of paragraph (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule"), the JSCB will undertake, on behalf of the City and the SCSD, in a written agreement for the benefit of the holders and beneficial owners of the Series 2017 Bonds (the "Continuing Disclosure Agreement") to electronically file with the Municipal Securities Rulemaking Board ("MSRB"), as the sole nationally recognized securities repository through the MSRB's Electronic Municipal Market Access ("EMMA") System, on an annual basis no later than one calendar year after the end of each respective Fiscal Year of the City and the SCSD, commencing with the Fiscal Year ending June 30, 2017, certain financial and operating data concerning the City and the SCSD of the type included in this Official Statement and as specified in the Continuing Disclosure Agreement. In addition, the JSCB will undertake, on behalf of the City and the SCSD, for the benefit of the holders and beneficial owners of the Series 2017 Bonds, to electronically file with the MSRB through EMMA, in a timely manner, not in excess of ten (10) business days after the occurrence, notices of any of the events enumerated in the Rule. Any filing to be made under the Continuing Disclosure Agreement may be made solely by transmitting such filing to the MSRB through EMMA as provided at <http://emma.msrb.org>. See APPENDIX F — "Form of Continuing Disclosure Agreement."

Continuing disclosure agreements which were executed by the SCSD with respect to each series of Project Bonds outstanding require the filing with each Nationally Recognized Municipal Securities Information Depository ("*NRMSIR*") or EMMA, as the case may be, of audited financial statements of the SCSD and certain financial and operating data of the type contained in the respective official statements relating to each of the respective Project Bonds outstanding no later than 360 days after the end of each respective fiscal year of the City and the SCSD. Audited financial statements for the SCSD were filed in a timely manner by the JSCB for each of the fiscal years ended June 30, 2012, 2015, and 2016. The JSCB filed a copy of the SCSD's 2013 audited financial statements on June 29, 2014, which was 4 days late. However, due to an administrative oversight, for the fiscal year ended June 30, 2014 a copy of the audited financial statements of the City and not

the SCSD was filed on May 8, 2015. Although the audited financial statements of the City included information relating to the SCSD and the JSCB, a full copy of the SCSD's audited financial statements did not accompany the filing. The JSCB subsequently filed a full copy of the SCSD's 2014 audited financial statements on July 29, 2015, which was 34 days late. In addition, annual financial information and operating data for the fiscal years ended June 30, 2011, 2012, 2013, and 2014 were filed late by 4, 3, 4, and 5 days, respectively. The late filings for the 2011 through 2014 fiscal years were due to a misunderstanding as to the required filing date, which was believed to be not later than the end of succeeding fiscal year. In addition, due to an administrative oversight, annual financial information and operating data for the fiscal years ended June 30, 2015 was filed on March 29, 2017 which was 269 days late. Aside from the foregoing, the JSCB is in compliance with all existing continuing disclosure agreements during the previous five years. The JSCB has established procedures to insure that future filings of continuing disclosure information will be complete and will be undertaken in a timely manner in compliance with existing continuing disclosure obligations, including transmitting such filings to the MSRB through EMMA.

**INDEPENDENT AUDITOR'S REPORT**

December 15, 2016

To the Board of Education  
City School District of Syracuse, New York:

**Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City School District of Syracuse, New York (the District), a blended component unit of the City of Syracuse, New York, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the Table of Contents.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City School District of Syracuse, New York, as of June 30, 2016, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Report on Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, Schedule of Revenues, Expenditures and Encumbrances - Budget and Actual - General Fund, Schedule of Funding Progress for Postemployment Benefits, Schedule of Proportionate Share of Net Pension Liability (Asset) and Schedule of Contributions-Pension Plans be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City School District of Syracuse, New York's basic financial statements as a whole. The supplementary information on pages 58-59, as required by New York State Education Department and the combining and individual nonmajor fund financial statements on pages 56-57, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The supplementary information on pages 58-59 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2016, on our consideration of the City School District of Syracuse, New York's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City School District of Syracuse, New York's internal control over financial reporting and compliance.

## USING THIS ANNUAL REPORT

This annual report consists of three components: MD&A (this section), the basic financial statements, and required supplementary information. The basic financial statements include two kinds of statements that present different views of the District:

- Government-wide financial statements that include the Statement of Net Position and the Statement of Activities and Changes in Net Position. These statements provide both short-term and long-term information about the activities of the District as a whole as well as the District's blended component unit, JSCB.
- Fund financial statements that focus on individual parts of the District, reporting the District's operations in more detail than the government-wide financial statements. The fund financial statements concentrate on the District's most significant funds with all other non-major funds listed in total in one column. JSCB, a discretely presented component unit of the District, is presented as a major component unit in the governmental fund financial statements.
- The governmental fund financial statements show how basic services such as general and special education were financed in the short-term as well as how much remains for future spending.
- Fiduciary funds statements provide information about the financial relationships in which the District acts solely as a trustee or agent for the benefit of those outside the District.

The financial statements also include notes that explain some of the information in the statements and provide more detailed data. The statements are followed by a section of required supplementary information that further explains and supports the financial statements including a comparison of the District's General Fund budget to actual for the year.

Table 1 below summarizes the major features of the District's financial statements, including the portion of the District's activities covered and the types of information contained. The remainder of this overview section of the MD&A highlights the structure and contents of each of the statements.

## **USING THIS ANNUAL REPORT (Continued)**

### **Government-wide Financial Statements**

One of the most fundamental and key questions relative to any School District is *How did we do financially during the course of this past year?* To help answer this question, the Statement of Net Position and the Statement of Activities and Changes in Net Position provide information on the School District as a whole using accounting methods similar to those used by private-sector companies. These statements present a summary of assets, deferred outflows of resources, liabilities and deferred inflows of resources as well as revenues and expenses using the accrual basis of accounting similar to those methods used by private-sector companies. All of the current year's revenues and expenses are accounted for in the Statement of Activities and Changes in Net Position regardless of when cash is received or paid.

The two government-wide statements report the District's net position and how it has changed. Net Position - the difference between the District's assets and deferred outflows of resources and the District's liabilities and deferred inflows of resources - is one way to measure the District's financial health or position.

- Over time, increases or decreases in the School District's net position are an indicator of whether its financial situation is improving or deteriorating, respectively.
- To assess the School District's overall health, you need to consider additional non-financial factors such as changes in the School District's property tax base and the condition of school buildings and other facilities.

In the Government-wide Statement of Net Position and the Statement of Activities and Changes in Net Position, the District's activities are shown as Governmental Activities. The majority of the District's basic programs and services are reported here, including general and special education, pupil transportation, and administration. Property taxes and State formula aid finance most of these activities.

### **Fund Financial Statements**

The Fund Financial Statements provide more detailed information about the District's funds, focusing on the most significant or "major" funds, rather than the District as a whole. Funds are accounting devices the School District uses to keep track of specific sources of funding and spending on particular programs:

- Some funds are required by State law and by bond covenants.
- The School District establishes other funds to control and to manage money for particular purposes (such as repaying its long-term debts) or to show that it is properly using certain revenues (such as Federal grants).

## **USING THIS ANNUAL REPORT (Continued)**

### **Fund Financial Statements - (Continued)**

The District has three types of activities:

- **Governmental Funds:** Most of the District's basic services are included in governmental funds, which generally focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances left at year end that are available for spending. Consequently, the governmental funds statements provide a detailed short-term view that helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the School District's programs. Because this information does not encompass the additional long-term focus of the district-wide statements, additional information at the bottom of the governmental funds statements explains the relationship (or differences) between them.
- **Fiduciary Funds:** The District is the trustee, or fiduciary, for assets that belong to others, such as the scholarship fund and the student activities fund. The District is responsible for ensuring that the assets reported in these funds are used only for their intended purposes and by those to whom the assets belong. These funds are not reflected in the government-wide financial statements because these assets are not available to finance the District's operations.
- **Blended Component Unit:** The District includes one separate legal entity in this report - the Joint Schools Construction Board (JSCB). The JSCB is a joint venture between the District and the City. The JSCB is authorized to act as an agent to enter into contracts on behalf of the District and the Common Council of the City of Syracuse, New York (the Council) for the design, construction, reconstruction and financing of educational facilities in the City in accordance with applicable state and local laws. JSCB has a fiscal year which ends June 30.

### **FINANCIAL ANALYSIS OF THE SCHOOL DISTRICT AS A WHOLE**

Our analysis below focuses on the net position (Table 2) and the changes in net position (Table 3) of the District's governmental activities.

In Table 2, total governmental assets decreased by approximately 6.4% mainly due to the decrease of the District's proportionate share of the NYSTRS' net pension asset from \$119 million to \$109 million and the use of cash to fund the District's operations.

Total liabilities increased by approximately 1.0% with Other Liabilities increasing \$20.5 million and Bonds Payable decreasing by \$12.7 million for the current year debt service payments. The increase in the Other Liabilities category is mainly attributable to the growing liability for other postemployment benefits (OPEB) that rose by \$17.7 million this year.

Deferred outflows of \$44.8 million and deferred inflows of \$40.5 million, an increase of \$13.4 million and a decrease of \$41.9 million, respectively from the prior year, were also recognized this year in accordance with GASB Statement No. 68 and 71 for the District's share of the ERS and TRS pensions.

The District's combined governmental net deficit decreased approximately \$15.0 million or 5.1%. At June 30, 2016, the total liabilities exceeded the total assets by \$281.5 million (net deficit).

As shown on the next page in Table 3, the District's total revenues from governmental activities remained stable decreasing only slightly by 0.9% or \$4.3 million. In the prior year, the District received a one-time award of \$1.3 million through the New York State School Technology Voucher Program as reimbursement for qualified technology purchases made over the past few years that enhanced computer-based testing and supported a technology-rich learning environment.

The cost of all governmental programs and services decreased by 5.4% or \$24.8 million with Instructional expenses decreasing \$23.2 million mainly due to the impact of the second year of implementing GASB Statement No. 68 and 71 with the District's share of the NYSTRS' and NYSERS' net pension asset of \$109.2 million and liability of \$21.2 million, respectively.

When expenses are reviewed without this impact, salaries increased \$11.9 million over the prior year mainly due to the retroactive wage increases negotiated during bargaining unit contract settlements with current year salary expenditures reflecting the impact of up to two years of retroactive salary increases.

Contract services expenses increased \$8.1 million over the prior year as the District continued to implement the Assurance of Discontinuance initiatives as well as enrichment and alternative programs, school reviews, technical assistance to strengthen educator evaluation and classroom coaching. The District also completed a successful mid-year implementation of Centro transportation for high school students within the 1.5 to 2.0 mile radius and incorporated additional routes and bus aides, and changes in bus types to meet student transportation needs.

Also, actively managing health and prescription costs including the first full year of the new prescription drug contract pricing and high deductible health plan implementation resulted in these costs decreasing slightly this year.

Charter School tuition expense increased \$1.0 million in the current year when compared with the prior year due to increases in the billing rate and charter school enrollment.

Finally, the mild weather combined with natural gas rates that remained at 10-year record lows throughout the year resulted in utilities expenses that were \$918 thousand less than in the prior year.

**FINANCIAL ANALYSIS OF THE SCHOOL DISTRICT AS A WHOLE (Continued)**

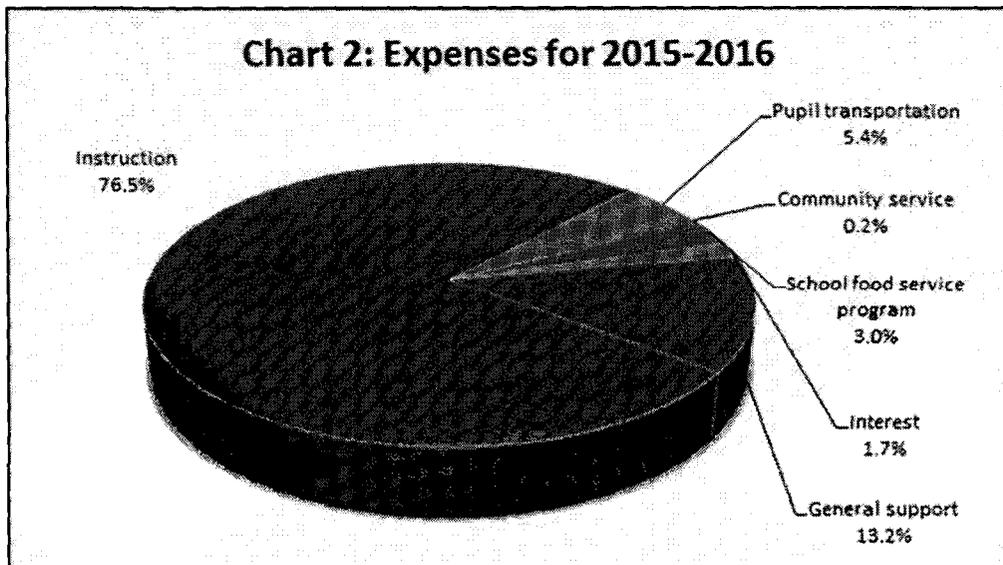

The District is dependent on New York State and Federal sources for financing day to day operations with these two funding sources comprising 86.7% of total Governmental Activities revenue as shown in Chart 1 below. This dependency results in sensitivity to changes in the State's fiscal condition as well as changes in the State and Federal governments' funding priorities.

The District spent 76.5% of total expenditures on Instruction including salaries and benefits for Teachers and Teaching Assistants and instructional supplies and 3.0% providing meals to students through the School Food Service Program as shown in Chart 2 below.

Pupil Transportation services to transport all students who are residents of the District to sites both within and outside of the District utilized 5.4% of total expenditures.

General Support services such as custodial, maintenance, accounting and administrative services made up approximately 13.2% of total expenditures.

## **FINANCIAL ANALYSIS OF THE DISTRICT'S FUNDS**

At June 30, 2016, the District's governmental funds reported a combined fund balance of \$51.4 million, which is a decrease of \$12.9 million from the prior year combined fund balance of \$64.3 million. The fund balance represents the accumulated results of the current and all previous years' operations.

The total fund balance is segregated into non-spendable, restricted, committed, assigned and unassigned amounts based on nature of the restriction imposed on the District's ability to use those net assets for day-to-day operations. More detailed information on the nature of each category of fund balance is presented in Note 1 to the financial statements. As a measure of each fund's liquidity, it may be useful to compare both its unassigned fund balance and total fund balance to total fund expenditures.

### **General Fund**

The General Fund's fund balance at June 30, 2016, is \$34.9 million, which is a decrease of \$8.8 million from the prior year fund balance of \$43.7 million. Of the balance at June 30, 2016, \$17.9 million was unassigned. The unassigned fund balance represents 4.7% of the total current year General Fund expenditures, while total fund balance represents 9.2% of that same amount.

### **JSCB**

At June 30, 2016, the Joint Schools Construction Board (JSCB), a blended component unit reported a fund balance of \$5.7 million, which is a decrease of \$0.8 million from the prior year fund balance of \$6.5 million. The entire amount of the fund balance is reserved for use in the related JSCB construction and renovation projects to be completed throughout the District.

## **GENERAL FUND BUDGETARY HIGHLIGHTS**

The District's original adopted General Fund budget was \$396.2 million

The actual charges to appropriations (expenditures) were \$18.6 million or 4.7% less than the final budget amount of \$396.2 million mainly due to lower than budgeted health and prescription costs from the new prescription drug contract pricing and lower claim volume and severity. Contract service costs were also less with actual contract amounts being less than budgeted estimates, the availability of grant funding for budgeted services and delayed implementation of some initiatives. Additionally, utilities costs were lower with the mild seasons and low natural gas prices. Unemployment costs also were lower due to the improving economy.

Resources available for appropriation (revenues) excluding the use of fund balance were \$1.2 million more than the final budgeted amount of \$367.7 million. The District had higher than anticipated operating transfers in for indirect cost allocations from the School Food Service program and grants as the District received more grants with an indirect cost allocation than anticipated. This allocation is designed to help support the administrative costs associated with operating the School Food Service and grant funded programs.

For a more detailed comparison of budget to actual operating results by category, refer to the Required Supplementary Information Schedule of Revenues, Expenditures and Encumbrances – Budget and Actual for the Year Ended June 30, 2016.

**CAPITAL ASSETS**

At June 30, 2016, the District had \$249.8 million, net of depreciation and amortization, invested in a broad range of capital assets, including land, buildings, athletic facilities, vehicles, software and other equipment for governmental activities. This amount represents a net decrease of \$1.7 million or 0.7% from last year. The decrease is primarily due current year depreciation of \$6.1 million which was offset by the addition of construction in progress for major renovations at various schools throughout the District implemented under Phase II of the Joint Schools Construction Board school reconstruction program, the Building Condition Survey and the purchase of replacement vehicles for the District's aging fleet.

**Table 4 - Capital Assets at Year End

More detailed information about the District's capital assets is presented in Note 4 to the financial statements.

**DEBT ADMINISTRATION**

At June 30, 2016, the District had \$143.6 million of bonds payable outstanding compared to \$156.3 million last year, a decrease of \$12.7 million or 8.1% for the principal payments made during the year. As the District continues to renovate aging facilities, it is anticipated debt will increase in future years.

More detailed information about the District's long-term liabilities is presented in Note 5 to the financial statements.

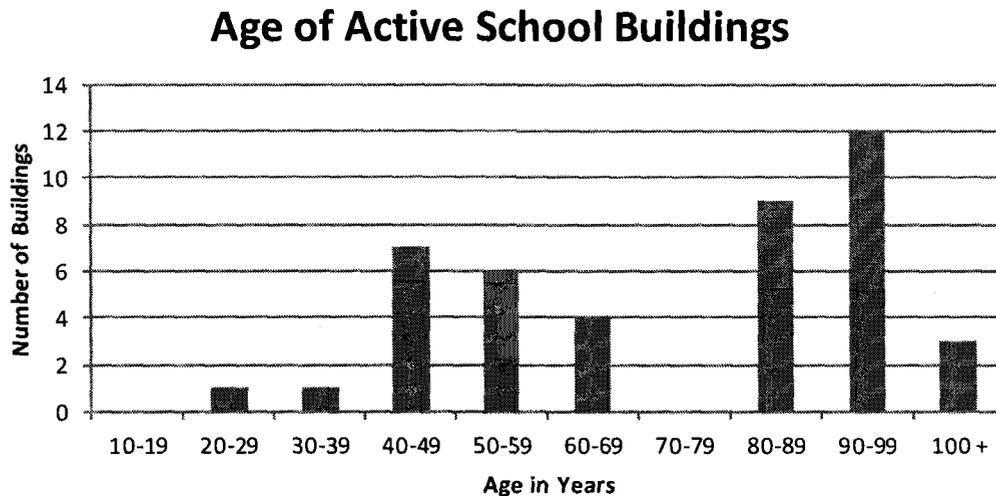

## CHALLENGES FACING THE DISTRICT

As a dependent school district without the authority to raise taxes or issue debt, the District is directly affected by local and State economic conditions. Like many urban based districts, the Syracuse City School District operates in an environment of fluctuating enrollment, increasing costs of operations (primarily salary, wages and employee benefits), an aging infrastructure and decreasing property tax valuations.

Maintaining and operating District facilities presents a significant challenge, one which is made more difficult given the age of the school buildings. Nearly 60% of the District's facilities are 80 years or older (see Table 5). In response to the need to allocate funds to meet the increasing costs of instructional activities, funding routine maintenance has been curtailed. Consequently, the amount of deferred maintenance continues to increase.

All these challenges impact the District's ability to both attract and retain a high quality instructional and administrative workforce.

**Table 5**  
**Age of Active Buildings**

As we look forward there are, however, some notable initiatives that will have a positive impact on the District's ability to achieve its mission.

In January 2006, the New York State Legislature authorized the Syracuse Cooperative School Reconstruction Act and the Joint City Schools Construction Board to act as an agent of the City and the Board of Education to implement various school reconstruction projects.

The State has authorized the total cost of this initial group of projects not to exceed \$225,000,000. However, JSCB has elected to limit the cost impact of these projects by reducing the size of the initial phase to \$150,000,000. During the 2009-2010 fiscal year, the first phase of roof replacement projects at Clary and Bellevue Academy at Shea were completed. During 2010-2011, the second phase of the roof replacement projects for Clary and Bellevue Academy at Shea were completed. In 2011-2012, construction began on major renovation projects at Central Tech, Dr. Weeks, H.W. Smith, and Fowler. During 2012-13, the Fowler, Dr. Weeks, and Central Tech project reached the substantial completion stage of construction. The H.W. Smith project was substantially complete in December 2013.

## **CHALLENGES FACING THE DISTRICT (Continued)**

In May 2013, the Legislature approved an amended version of the Syracuse Cooperative School Reconstruction Act ("JSCB Phase II") that authorizes a second phase of up to twenty school reconstruction projects for an amount not to exceed \$300,000,000. The JSCB Phase II bill was signed into law by the Governor in October 2013. Specific schools to be renovated are named in the legislation. Projects for these schools were to be recommended as part of a comprehensive planning process to be undertaken by the District. The planning process is completed with the JSCB approving the Comprehensive Plan in December 2014 and the Office of the State Comptroller approving in June 2015. Design for the first seven Phase II projects is underway and is expected to be completed in Spring 2017.

The District has created the Syracuse City School District Education Foundation. The Foundation was established to help respond to the rapidly expanding cost of technology, unfunded government mandates and revenue sources which have not kept pace with the ever increasing cost of operations.

The City of Syracuse and County of Onondaga entered into an inter-municipal agreement on March 27, 2012 for the purpose of creating the Greater Syracuse Property Development Corporation, a not-for-profit corporation, operating as the Greater Syracuse Land Bank (Land Bank) under the New York Land Bank Act of 2011. The purpose of the Land Bank is to address problems regarding vacant and abandoned property in a coordinated manner and to further foster the development of such property and promote economic growth through the return of vacant, abandoned, and tax-delinquent properties to productive use. In the long term, the improvement of these properties has the potential to increase property tax assessment values and increase the related property tax levy revenue for the District. In the short term, when a property is purchased and ownership transferred to the Land Bank, the property becomes tax exempt and the value of the property is removed from the tax levy reducing the District's property tax revenue. The District's property tax revenue was reduced by approximately \$500 thousand in the current fiscal year for these transfers and other adjustments.

In New York, adequate and equitable funding has been challenged, resulting in a school based funding lawsuit specifically addressing the adequacy of funding for New York City based schools. Several courts, including the New York State Court of Appeals, have determined that the current funding formula in New York State does not provide adequate funding for New York City and therefore students are unable to receive a sound basic education. On November 20, 2006 the New York State Court of Appeals issued a decision indicating a lack of adequate funding for New York City Schools. While at this time the District is unable to predict the ultimate outcome of this case, we do believe that some form of the final New York City based solution will also be applied to other districts in the State.

In April 2007, the New York State Legislature enacted the State Education Budget and Reform Act of 2007 ("Education Act") to offer resources and aid to the highest-need students in the lowest-performing schools. The Legislature passed a budget for the 2008-09 school year that fully funded the aid increases contained in the Education Act. However, school aid was frozen in the 2009-10 budget due to the state's fiscal challenges, and remained frozen in the 2010-11 and 2011-12 school years. Modest increases in school aid were provided beginning in 2012-13 and have carried through to the 2016-17 school year.

## **NEXT YEAR'S BUDGET**

In preparing the 2016-17 operating budget, the District faced several challenges including implementation of the State mandated Common Core standards, school receivership requirements, Assurance of Discontinuance recommendations, extended learning time, alternative education programming and systems of support, enhanced career and technical education programs, an increase in educational accountability and an overall increase in the District's operating costs.

The District's portion of the Property Tax Levy increased by 1% over the 2015-16 adopted budget and state aid increased by approximately 9%. Sales tax revenues are projected to decrease by 30%. The budget includes \$11 million in appropriated fund balance.

In order to balance the budget, the District will apply for a special apportionment provided pursuant to Chapter 57 of the Laws of 2016 which allows school districts to accrue a portion of their subsequent year's state aid into the current fiscal year.

The District, in conjunction with the City of Syracuse, continues to aggressively manage its spending and evaluate opportunities for increased efficiency, consolidation and cost reduction.

**NOTES TO BASIC FINANCIAL STATEMENTS  
JUNE 30, 2016**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The basic financial statements of the City School District of Syracuse, New York (the "District") have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") as applied to government units. The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Significant accounting principles and policies used by the District are described below.

**A. Financial Reporting Entity**

The City School District of Syracuse, New York is governed by the Education Law and other laws of the State of New York. The governing body is the Board of Education. The scope of activities included within the accompanying basic financial statements are those transactions which comprise school district operations, and are governed by, or significantly influenced by, the Board of Education. Essentially, the primary function of the District is to provide education for pupils. Services such as transportation of pupils, administration, finance, and plant maintenance support the primary function. The financial reporting entity includes all funds, functions and organizations over which the School District Officials exercise oversight responsibility and the activities of a blended component unit, the Joint Schools Construction Board.

The reporting entity of the District is based upon criteria set forth by GASB Statement 61, *The Financial Reporting Entity: Omnibus - an amendment of GASB Statements No. 14 and No. 34*. Under GASB Statement 61, the District is a blended component unit of the City of Syracuse, New York (the "City").

The accompanying financial statements present the activities of the District including the Extraclassroom Activity Funds (the "ECA Funds").

The ECA Funds are independent of the District with respect to financial transactions and the designation of student management, however, the Board of Education exercises general oversight of these funds. The District accounts for the ECA Funds in the Agency Fund. Separate audited financial statements (cash basis) of the ECA Funds can be found at the District's business office.

*Joint Schools Construction Board Blended Component Unit (JSCB)*

Under GASB Statement 61, the JSCB is a blended component unit of the District based on the criteria that the JSCB provides services almost exclusively to the District. Separate audited financial statements are prepared for JSCB and reports may be obtained by writing to Joint Schools Construction Board, City Hall, Syracuse, New York 13202. JSCB has a fiscal year which ends June 30.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**B. Basis of Presentation**

*Government-wide Financial Statements:*

The Statement of Net Position and the Statement of Activities and Changes in Net Position present financial information about the reporting government as a whole. These statements include the financial activities of the overall government in its entirety, except those that are fiduciary. Eliminations have been made to minimize the double counting of internal transactions. Governmental activities generally are financed through taxes, state aid, intergovernmental revenues, and other non-exchange transactions. Operating grants include operating-specific and discretionary (either operating or capital) grants.

The Statement of Activities and Changes in Net Position presents a comparison between program expenses and revenues for each function of the District's governmental activities. Direct expenses are those that are specifically associated with and are clearly identifiable to a particular function. Indirect expenses, principally employee benefits, are allocated to functional areas in proportion to the payroll expended for those areas. Program revenues include charges paid by the recipients of goods or services offered by the programs, and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

*Fund Financial Statements:*

The fund financial statements provide information about the District's funds and blended component unit, including fiduciary funds. Separate statements for each fund category (governmental and fiduciary) are presented. The emphasis of fund financial statements is on major funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major governmental funds.

The District reports the following major governmental funds and blended component unit:

**General Fund**

This is the District's primary operating fund. It accounts for all financial transactions that are not required to be accounted for in another fund.

**Special Aid Fund**

This fund accounts for the proceeds of specific revenue sources, such as federal and state grants, that are legally restricted to expenditures for specified purposes. These legal restrictions may be imposed either by governments that provide the funds or by outside parties.

**Joint Schools Construction Board ("JSCB") Blended Component Unit**

The JSCB is a joint venture between the District and the City. This blended component unit is used to account for transactions associated with the design, construction, reconstruction, and financing of public educational facilities in the City. The JSCB is authorized to act as an agent to enter into contracts on behalf of the District and the Common Council of the City of Syracuse, New York (the "Council") for the construction of new educational facilities in accordance with applicable state and local laws.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### B. Basis of Presentation (Continued)

The District reports the following governmental funds as nonmajor governmental funds:

#### **School Food Service Fund**

This fund accounts for the financial transactions related to the food service operations of the District.

#### **Capital Projects Fund**

This fund is used to account for the financial resources used for acquisition, construction, or major repair of capital facilities. The principal sources of financing are from the sale of bonds or issuance of bond anticipation notes.

#### **Debt Service Fund**

This fund accounts for the accumulation of resources and the payment of principal and interest on long-term general obligation debt of governmental activities. Financing is provided by transfers from the General Fund and the Capital Projects Fund.

#### **Permanent Fund**

This fund is used to account for trust arrangements in which the District is the beneficiary of the earnings on the principal.

Fiduciary activities are those in which the District acts as trustee or agent for resources that belong to others. These activities are not included in the government-wide financial statements, because their resources do not belong to the District, and are not available to be used. The District reports the following fiduciary funds:

#### **Private Purpose Trusts Fund**

This fund is used to account for assets held by the District under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the District's own programs.

#### **Agency Fund**

This fund is strictly custodial in nature and does not involve the measurement of results of operations. Assets are held by the District as agent for various student groups or ECA Funds and for payroll or employee withholding.

### C. Measurement Focus and Basis of Accounting

The government-wide and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash transaction takes place. Non-exchange transactions, in which the District gives or receives value without directly receiving or giving equal value in exchange, include property taxes, grants and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

The governmental fund statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues reported in the governmental funds to be available if the revenues are collected within ninety days after the end of the fiscal year.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Measurement Focus and Basis of Accounting (Continued)**

Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

**D. Revenue, Expenditures and Expenses**

**Property Taxes**

Real property taxes are levied annually by the Council. Uncollected real property taxes are subsequently enforced by the City. An amount representing uncollected real property taxes must be transmitted by the City to the District within two years from the return of unpaid taxes to the City.

**Intergovernmental Revenues - Grants**

Revenues and expenditures from federal and state grants are typically recorded in the general and special revenue funds. The District follows the policy that an expenditure of funds is the prime factor for determining the release of grant funds; revenue is recognized at the time of the expenditure of funds. If release of grant funds is not contingent upon expenditure of funds, revenue is recorded when received or when the grant becomes an obligation of the grantor.

**Program Revenues**

Program revenues include charges for services, and operating/capital grants and contributions that directly relate to a function such as general support, instruction, etc.

**Expenditures/Expenses**

In the government-wide financial statements, expenses are classified by function for governmental activities.

In the fund financial statements, expenditures are classified as follows:

Governmental Funds - By Character:                      Current (further classified by function)

Debt Service  
Cost of Sales  
Capital Outlay

**Indirect Expenses**

Indirect expenses are allocated based upon a percentage of governmental fund expenditures by function.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### D. Revenue, Expenditures and Expenses (Continued)

#### **Interfund Transfers and Interfund Receivables and Payables**

The operations of the District include transactions between funds. These transactions may be temporary in nature, such as with interfund borrowing. The District typically loans resources between funds for the purpose of providing cash flow. These interfund receivables and payables are expected to be repaid within one year. Permanent transfers of funds include the transfer of expenditures and revenues to provide financing or other services.

In the government-wide statements, the amounts reported on the Statement of Net Position for interfund receivables and payables represent amounts due between different fund types (governmental activities and fiduciary funds). Eliminations have been made for all interfund receivables and payables between the funds, with the exception of those due from or to fiduciary funds.

The governmental funds report all interfund transactions as originally recorded. Interfund receivables and payables may be netted on the accompanying governmental funds balance sheet when it is the District's practice to settle these amounts at a net balance based upon the right of legal offset.

Refer to Note 3 for a detailed disclosure by individual fund for interfund receivables, payables, expenditures and revenues activity.

#### **Restricted and Unrestricted Resources**

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed.

### E. Cash and Cash Equivalents

The District's cash and cash equivalents consist of cash on hand, demand deposits, cash held by the City, cash held by fiscal agents, and short-term investments with original maturities of three months or less from the date of acquisition.

New York State (the "State") law governs the District's investment policies. Resources must be deposited in FDIC-insured commercial banks or trust companies located within the State. Permissible investments include obligations of the United States Treasury, United States Agencies, repurchase agreements and obligations of New York State or its localities.

Collateral is required for demand and time deposits and certificates of deposit at commercial banks not covered by FDIC insurance. Obligations that may be pledged as collateral are obligations of the United States and its agencies and obligations of the State and its municipalities and school districts.

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **E. Cash and Cash Equivalents (Continued)**

Custodial Credit Risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. GASB Statement No. 40 directs that deposits be disclosed as exposed to custodial credit risk if they are not covered by depository insurance and the deposits are either uncollateralized, collateralized by securities held by the pledging financial institution or collateralized by securities held by the pledging financial institution's trust department but not in the District's name. The District's aggregate bank balances that were not covered by depository insurance were not exposed to custodial credit risk at June 30, 2016.

The District was invested only in the above-mentioned obligations and, accordingly, was not exposed to any interest rate risk.

All cash and equivalents restricted by external sources are held by the City for the benefit of the District and are reflected on the books and records of the City.

### **F. Restricted Assets**

Certain assets are classified on the balance sheet as restricted because their use is limited. The proceeds from bond sales can only be used for the stated purpose of the borrowing. Donations to be used toward scholarships in the Private Purpose Trusts Fund and funds supporting ECA Funds in the Agency Fund are restricted specifically for those purposes.

### **G. Receivables**

In the government-wide statements, receivables consist of all revenues earned at year-end but not yet received. Major receivable balances for the governmental activities include grants.

In the fund financial statements, receivables in governmental funds include revenue accruals such as grants and other similar intergovernmental revenues since they are usually both measurable and available. Non-exchange transactions collectible but not available are deferred in the fund financial statements in accordance with the modified accrual basis, but not deferred in the government-wide financial statements in accordance with the accrual basis. Interest and investment earnings are recorded when earned only if paid within ninety days since they would be considered both measurable and available.

### **H. Inventory and Prepaid Items**

Inventories of food and/or supplies in the School Food Service Fund are recorded at cost on a first-in, first-out basis or, in the case of surplus food, at stated value that approximates market. Purchases of inventoriable items in other funds are recorded at cost on an average cost basis.

Prepaid items represent payments made by the District for which benefits extend beyond year-end. These payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. These items are reported as assets on the Statement of Net Position and Balance Sheet using the consumption method. A current asset for the prepaid amounts is recorded at the time of purchase and an expense/expenditure is reported in the year the goods or services are consumed.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**I. Capital Assets (Fixed Assets)**

Capital assets, which include land and land improvements, buildings and improvements, furniture and equipment and vehicles as well as intangibles such as software, are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the District as assets with an initial cost of \$5,000 or more and an estimated useful life in excess of two years.

Capital assets are reported at actual cost or estimated historical costs if purchased or constructed. Donated assets are reported at estimated fair market value at the time received.

The District depreciates/amortizes capital assets using the straight-line method over the estimated useful life of the asset beginning in the first month after completion or acquisition of the asset. The range of estimated useful lives by type of asset is as follows:

<u>Type of Asset</u>	<u>Estimated Useful Lives</u>
Land improvements	20 years
Buildings and improvements	39 years
Furniture and equipment	6 -10 years
Vehicles	3 - 9 years
Software	5 -10 years

**J. Deferred Outflows and Inflows of Resources**

In addition to assets, the Statement of Net Position includes a separate section for deferred outflows of resources. This financial statement element represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The District has \$44,825,900 in deferred outflows of resources which is comprised of TRS and ERS Pension amounts and deferred losses on the early retirement of debt at June 30, 2016 as described in Note 5 and Note 7, respectively. The District has \$40,487,212 in deferred inflows of resources which is comprised of TRS and ERS Pension amounts at June 30, 2016 as described in Note 7.

**K. Compensated Absences**

Compensated absences consist of unpaid vested annual sick leave and vacation time. Sick leave eligibility and accumulation is specified in negotiated labor contracts and in individual employment contracts. Upon retirement, employees may contractually receive a payment based on unused accumulated sick leave. District employees are granted vacation in varying amounts, based primarily on length of service and service position. Some earned benefits may be forfeited if not taken within varying time periods.

Consistent with governmental accounting standards, an accrual for vested sick leave and vacation time is included in the compensated absences liability at year-end. The compensated absences liability is calculated based on contractual provisions.

The liability for these compensated absences is recorded as long-term debt in the government-wide statements. In the fund financial statements, the General Fund reports only the compensated absence liability payable from expendable available financial resources. These amounts are expensed on a pay-as-you-go basis.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**L. Other Benefits**

District employees participate in the New York State Employees' Retirement System ("NYSERS") and the New York State Teachers' Retirement System ("NYSTRS").

In addition to providing pension benefits, the District provides postemployment health insurance coverage and survivor benefits to retired employees and their survivors in accordance with the provisions of various employment contracts in effect at the time of retirement. Substantially all of the District's employees may become eligible for these benefits if they reach normal retirement age while working for the District. Health care benefits are provided through plans whose premiums are based on the benefits paid during the year. The cost of providing postemployment benefits is shared between the District and the retired employee. See Note 8 for further information. There are currently approximately 7,100 individuals receiving benefits under the plan.

**M. Long-Term Obligations**

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities statement of net position. Bond premiums, if any, are deposited in the Debt Service Fund or JSCB, a blended component unit, and used to retire debt in the respective fund or unit. Bond issuance costs are expensed.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources.

**N. Equity Classifications**

*Government-wide Statements*

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets - consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position - reports net position when constraints placed on the assets or deferred outflows of resources either by (1) external groups such as creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

Restricted net position includes the following:

Special Aid Fund	\$ (340,434)
Joint Schools Construction Board (JSCB)	5,652,948
School Food Service Fund	8,255,160
Permanent Fund	16,983
Capital Projects	1,810,135
Debt Service	<u>165,225</u>
Total restricted net position	<u>\$ 15,560,017</u>

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**N. Equity Classifications (Continued)**

*Government-wide Statements (Continued)*

- c. Unrestricted net position - reports the balance of net position that does not meet the definition of "restricted" or "net investment in capital assets" and is deemed to be available for general use by the District.

*Fund Statements*

Classification of fund balance reflects spending constraints on resources, rather than availability for appropriation to provide users more consistent and understandable information about a governmental fund's net resources. Constraints are broken down into five different classifications: non-spendable, restricted, committed, assigned and unassigned. The classifications serve to inform readers of the financial statements of the extent to which the government is bound to honor constraints on the specific purposes for which resources in a fund can be spent. In the fund basis statements, there are five classifications of fund balance:

- a. Non-spendable - Includes amounts that cannot be spent because they are either not in spendable form or legally or contractually required to be maintained intact. Non-spendable fund balance includes the inventory and prepaid expenses recorded in the General Fund of \$1,047,571 and \$577,708, prepaid expenses in the Special Aid Fund of \$707,828, and inventory in the School Food Service Fund of \$270,603.
- b. Restricted - Includes amounts with constraints placed on the use of resources either externally imposed by creditors, grantors, contributors or laws or regulations of other governments; or imposed by law through constitutional provisions or enabling legislation. The definition of restricted fund balance is the same as restricted net position.
- c. Committed - Includes amounts that can only be used for the specific purposes pursuant to constraints imposed by formal action of the school district's highest level of decision making authority, i.e., the Board of Education. The District has no committed fund balances as of June 30, 2016.
- d. Assigned - Includes amounts that are constrained by the District's intent to be used for specific purposes, but are neither restricted nor committed. The Chief Financial Officer has been authorized by the Board of Education to assign fund balance. All encumbrances of the General Fund are classified as Assigned Fund Balance in the General Fund. Encumbrances reported in the General Fund amounted to \$4,297,073. Appropriated fund balance designated during the budgetary process for use to fund operating expenditures in the next fiscal year is also included in Assigned Fund Balance. The District appropriated \$11,000,000 of fund balance to be used to fund fiscal year 2016-2017 operating expenditures. As of June 30, 2016, the District's general fund encumbrances were classified as follows:

General Support	\$2,446,740
Instruction	1,802,133
Transportation	<u>48,200</u>
Total General fund encumbrances	<u>\$4,297,073</u>

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**N. Equity Classifications (Continued)**

- e. Unassigned - Includes all other General Fund fund balance that does not meet the definition of the above four classifications and are deemed to be available for general use by the District. In addition, unassigned fund balance includes any remaining negative fund balance for funds other than the General Fund.

*Order of Use of Fund Balance*

The District's policy is to apply expenditures against non-spendable fund balance, restricted fund balance, committed fund balance, assigned fund balance and unassigned fund balance at the end of the fiscal year. For all funds, non-spendable fund balances are determined first and then restricted fund balances for specific purposes are determined. In the General Fund, committed fund balance is determined next and then assigned. The remaining amounts are reported as unassigned. Assignments of fund balance cannot cause a negative unassigned fund balance.

**O. Economic Dependency**

The District receives significant funding from the U.S. Department of Agriculture, the U.S. Department of Education and other Federal, State, and Local sources. Curtailment of such revenue would have a significant impact on the District's programs.

**P. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates. Estimates and assumptions are made in a variety of areas, including computation of encumbrances, compensated absences, potential contingent liabilities and useful lives of long-lived assets.

**2. BUDGETS AND BUDGETARY ACCOUNTING**

**Budget Policies**

- a. The District administration prepares a proposed budget for approval by the Board of Education and the City for the following governmental fund for which legal (appropriated) budgets are adopted: General Fund.
- b. A public hearing is held upon completion and filing of the tentative budget. Subsequent to such public hearing, the budget is adopted by the Board of Education.
- c. Appropriations are adopted at the program level.
- d. Appropriations established by adoption of the budget constitute a limitation on expenditures (and encumbrances) which may be incurred. Appropriations lapse at the fiscal year end unless expended or encumbered. Encumbrances lapse if not expended in the subsequent year. Supplemental appropriations may occur subject to legal restrictions, if the Board approves them because of a need that exists which was not determined at the time the budget was adopted.

An annual budget is not adopted for the Special Aid Fund. Budgetary controls are established in accordance with grant agreements

**3. INTERFUND TRANSACTIONS**

To improve cash management, most disbursements are made from a pooled account in the General Fund. Interfund receivables and payables exist primarily due to this cash management practice, as well as normal delays in processing interfund transfers and reimbursement. Interfund balances and transfers are short term in nature and are typically repaid in less than one year. The following schedule summarizes interfund transactions during the year ended June 30, 2016 and balances at June 30, 2016:

<u>Fund</u>	<u>Interfund</u>		<u>Interfund</u>

## 5. CAPITAL INDEBTEDNESS

The District borrows money in order to meet current operating requirements and to acquire or construct buildings and improvements. For acquisition or construction of buildings and improvements this enables the cost of these capital assets to be borne by the present and future taxpayers receiving the benefit of the capital assets. The provision to be made in future budgets for capital indebtedness represents the amount authorized to be collected in future years from taxpayers and others for liquidation of both current and long-term liabilities.

Long-term liability activity for the year ended June 30, 2016:

Payments on bonds payable, with the exception of the JSCB, that pertain to the District's governmental activities are made by the Debt Service Fund. Liabilities for compensated absences, retirement, self-insurance claims, environmental remediation and judgments and claims will be liquidated by the General Fund.

### Revenue and Bond Anticipation Notes Payable

The District and the JSCB may issue revenue anticipation notes, bond anticipation notes and tax anticipation notes, in anticipation of the receipt of revenues. For governmental funds, these notes are recorded as a liability of the fund that will actually receive the proceeds from the issuance of the notes. Revenue anticipation and tax anticipation notes represent a liability that will be extinguished by the use of expendable, available resources of the fund. Bond anticipation notes represent a liability that will be extinguished by the use of bond proceeds when bonds are issued.

**7. PENSION PLANS**

New York State Employee Retirement System (NYSERS)

The District participates in the New York State and Local Employee's Retirement System (ERS) also referred to as New York State and Local Retirement System (the NYSERS). This is a cost-sharing multiple-employer retirement system, providing retirement benefits as well as death and disability benefits. The net position of the NYSERS is held in the New York State Common Retirement Fund (the Fund), established to hold all net position and record changes in plan net position allocated to the NYSERS. The NYSERS benefits are established under the provisions of the New York State Retirement and Social Security Law (NYS RSSL). Once an employer elects to participate in the NYSERS, the election is irrevocable.

**7. PENSION PLANS (Continued)**

New York State Employee Retirement System (NYSERS) (Continued)

The New York State Constitution provides that pension membership is a contractual relationship and plan benefits cannot be diminished or impaired. Benefits can be changed for future members only by enactment of a State statute. The District also participates in the Public Employees' Group Life Insurance Plan (GLIP), which provides death benefits in the form of life insurance. The system is included in the State's financial report as a pension trust fund. That report, including information with regard to benefits provided, may be found at [www.osc.state.ny.us/retire/publications/index.php](http://www.osc.state.ny.us/retire/publications/index.php) or obtained by writing to the New York State and Local Retirement System, 110 State Street, Albany, NY 12244.

**Contributions**

The NYSERS is noncontributory except for employees who joined the NYSERS after July 27<sup>th</sup>, 1976, who contribute 3.0% percent of their salary for the first ten years of membership, and employees who joined on or after January 1, 2010 who generally contribute 3.0% percent of their salary for their entire length of service. Under the authority of the NYSRSSL, the Comptroller annually certifies the actuarially determined rates expressly used in computing the employers' contributions based on salaries paid during the NYSERS' fiscal year ending March 31. Contributions for the current year and two preceding years were equal to 100 percent of the contributions required, and were as follows:

	<u>NYSERS</u>
2016	\$ 5,655,864
2015	\$ 5,816,753
2014	\$ 6,769,452

Chapter 260 of the Laws of 2004 of the State of New York allows local employers to bond or amortize a portion of their retirement bill for up to 10 years in accordance with the following schedule:

- For State fiscal year (SFY) 2004-05, the amount in excess of 7 percent of employees' covered pensionable salaries, with the first payment of those pensions' costs not due until the fiscal year succeeding that fiscal year in which the bonding/amortization was instituted.
- For SFY 2005-06, the amount in excess of 9.5 percent of employees' covered pensionable salaries.
- For SFY 2007-08, the amount in excess of 10.5 percent of the employee's covered pensionable salaries.

This law requires all participating employers to make payments on the current basis, while bonding or amortizing existing unpaid amounts relating to the System's fiscal years ending March 31, 2005 through 2008.

## 7. PENSION PLANS (Continued)

### New York State Employee Retirement System (NYSERS) (Continued)

Chapter 57 of the Laws of 2010 of the State of New York allows local employers to amortize a portion of their retirement bill for 10 years in accordance with the following stipulations:

- For state fiscal year 2010-11, the amount in excess of the graded rate of 9.5 percent of employees' covered pensionable salaries, with the first payment of those pension costs not due until the fiscal year succeeding that fiscal year in which the amortization was instituted.
- For subsequent State fiscal years, the graded rate will increase or decrease by up to one percent depending on the gap between the increase or decrease in the System's average rate and the previous graded rate.
- For subsequent State fiscal years in which the System's average rates are lower than the graded rates, the employer will be required to pay the graded rate. Any additional contributions made will first be used to pay off existing amortizations, and then any excess will be deposited into a reserve account and will be used to offset future increases in contribution rates.

This law requires participating employers to make payments on the current basis while amortizing existing unpaid amounts relating to the System's fiscal years when the local employer opts to participate in the program. All amounts due were remitted in full to NYSERS. No portion of the District's retirement bill was amortized or bonded as of June 30, 2016.

#### **Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions**

At June 30, 2016, the District reported a net pension liability of \$21,238,050 for its proportionate share of the NYSERS net pension liability. The net pension liability was measured as of March 31, 2016, and the total pension liability used to calculate the net pension liability was determined by the actuarial valuation as of that date. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined.

At June 30, 2016, the District's proportion was 0.1323220% percent.

**Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)**

For the year ended June 30, 2016, the District recognized pension expense of \$7,461,458. At June 30, 2016, the District reported deferred outflows/inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 107,321	\$ 2,517,417
Changes in assumptions	5,663,547	
Net difference between projected and actual earnings on pension plan investments	12,599,576	-
Changes in proportion and differences between the District's contributions and proportionate share of contributions	58,755	391,789
Contributions subsequent to the measurement date	1,352,217	-
Total	<u>\$ 19,781,416</u>	<u>\$ 2,909,206</u>

The other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

2017	\$ 3,911,285
2018	3,911,285
2019	3,911,285
2020	<u>3,786,140</u>
	<u>\$ 15,519,995</u>

**Actuarial Assumptions**

The total pension liability at March 31, 2016 was determined by using an actuarial valuation as of April 1, 2015, with update procedures used to roll forward the total pension liability to March 31, 2016.

The actuarial valuation used the following actuarial assumptions:

Actuarial cost method	Entry age normal
Inflation	2.50%
Salary scale	3.8 percent indexed by service
Projected COLAs	1.3% compounded annually
Decrement	Developed from the Plan's 2015 experience study of the period April 1, 2010 through March 31, 2015
Mortality improvement	Society of Actuaries Scale MP-2014
Investment rate of return	7.0% compounded annually, net of investment expenses

**7. PENSION PLANS (Continued)**

New York State Employee Retirement System (NYSERS) (Continued)

**Actuarial Assumptions (Continued)**

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected return, net of investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation as of March 31, 2016 are summarized below:

**Long Term Expected Rate of Return**

<u>Asset Type</u>	<u>Target Allocations in %</u>	<u>Long-Term expected real rate of return in %</u>
Domestic Equity	38.0	7.30
International Equity	13.0	8.55
Private Equity	10.0	11.00
Real Estate	8.0	8.25
Absolute Return	3.0	6.75
Opportunistic Portfolio	3.0	8.60
Real Assets	3.0	8.65
Bonds & Mortgages	18.0	4.00
Cash	2.0	2.25
Inflation-Indexed Bonds	<u>2.0</u>	4.00
	<u>100%</u>	

**Discount Rate**

The discount rate used to calculate the total pension liability was 7.0%. The projection of cash flows used to determine the discount rate assumes that contributions from plan members will be made at the current contribution rates and that contributions from employers will be made at statutorily required rates, actuarially. Based upon the assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore the long term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**Sensitivity of the Proportionate Share of the Net Pension Liability to the Discount Rate Assumption**

The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 7.0%, as well as what the District's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% lower (6.0%) or 1% higher (8.0%) than the current rate:

New York State Teacher Retirement System (NYSTRS)

The District participates in the New York State Teachers' Retirement System (NYSTRS). This is a cost-sharing, multiple employer public employee retirement system. NYSTRS offers a wide range of plans and benefits, which are related to years of service and final average salary, vesting of retirement benefits, death, and disability.

The New York State Teachers' Retirement Board administers NYSTRS. NYSTRS provides benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York. NYSTRS issues a publicly available financial report that contains financial statements and required supplementary information for the system. The report may be obtained by writing to NYSTRS, 10 Corporate Woods Drive, Albany, New York 12211-2395.

**Contributions**

NYSTRS is noncontributory for employees who joined prior to July 27, 1976. For employees who joined NYSTRS after July 27, 1976, and prior to January 1, 2010, employees contribute 3% of their salary, except that employees in the NYSTRS for more than ten years are no longer required to contribute. For employees who joined after January 1, 2010 and prior to April 1, 2012, contributions of 3.5% are paid throughout their active membership.

For employees who joined after April 1, 2012, required contributions of 3.5% of their salary are paid until April 1, 2013 and they then contribute 3% to 6% of their salary throughout their active membership. Pursuant to Article 11 of the Education Law, the New York State Teachers' Retirement Board establishes rates annually for NYSTRS.

**7. PENSION PLANS (Continued)**

New York State Teacher Retirement System (NYSTRS) (Continued)

**Contributions (Continued)**

The District is required to contribute at an actuarially determined rate. The District contributions made to NYSTRS were equal to 100% of the contributions required for each year. The required contributions for the current year and two preceding years were:

	<u>NYSTRS</u>
2016	\$ 29,174,990
2015	\$ 27,027,205
2014	\$ 19,671,858

**Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions**

At June 30, 2016, the District reported net pension asset of \$109,230,979 for its proportionate share of the NYSTRS net pension asset. The net pension asset was measured as of June 30, 2015, and the total pension liability used to calculate the net pension asset was determined by the actuarial valuation as of that date. The District's proportion of the net pension asset was based on a projection of the Districts' long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined.

At June 30, 2016 the District's proportionate share was 1.051631%, which was a decrease from the 1.072093% proportionate share measured at June 30, 2015.

For the year ended June 30, 2016, the District recognized pension income of \$7,499,440. At June 30, 2016 the District reported deferred outflows/inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	\$ 3,027,257
Net difference between projected and actual earnings on pension plan investments	-	34,528,481

**Pension Liabilities, Pension Expense, and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)**

The District recognized \$23,254,436 as a deferred outflow of resources related to pensions resulting from the District's contributions subsequent to the measurement date which are recognized as a reduction of the net pension liability for the year ended June 30, 2016. Other amounts reported as deferred outflows/ (inflows) of resources related to pensions will be recognized in pension expense as follows:

Plan's Year Ended June 30:

2016	\$	(13,855,557)
2017		(13,855,557)
2018		(13,855,557)

2020		(306,204)
Thereafter		(879,398)
	\$	<u>(36,938,901)</u>

**Actuarial Assumptions**

The total pension liability at the June 30, 2015 measurement date was determined by an actuarial valuation as of June 30, 2014, with update procedures used to roll forward the total pension liability to June 30, 2015. Total pension liability at the June 30, 2014 measurement date, was determined by an actuarial valuation as of June 30, 2013, with update procedures used to roll forward the total pension liability to June 30, 2014. These actuarial valuations used the following actuarial assumptions:

Inflation	3.00%
Projected Salary Increases	Rates of increase differ based on age and gender. They have been calculated based upon recent NYSTRS member experience.

<u>Age</u>	<u>Female</u>	<u>Male</u>
25	10.35%	10.91%
35	6.26%	6.27%
45	5.39%	5.04%
55	4.42%	4.01%

Projected COLAs	1.625% compounded annually
Investment Rate of Return	8.0% compounded annually, net of pension plan investment expense, including inflation.

Mortality rates are based on plan member experience, with adjustments for mortality improvements based on society of Actuaries Scale AA.

The actuarial assumptions used in the June 30, 2014 valuation were based on the results of an actuarial experience study for the period July 1, 2005 to June 30, 2010.

**7. PENSION PLANS (Continued)**

New York State Teacher Retirement System (NYSTRS) (Continued)

**Actuarial Assumptions (Continued)**

The long-term expected rate of return on pension plan investments was determined in accordance with Actuarial Standard of Practice (ASOP) No. 27, *Selection of Economic Assumptions for Measuring Pension Obligations*. ASOP No. 27 provides guidance on the selection of an appropriate assumed investment rate of return. Consideration was given to expected future real rates of return (expected returns, net of pension plan investment expense and inflation) for each major asset class as well as historical investment data and plan performance.

Best estimates of arithmetic real rates of return for each major asset class included in the Systems target asset allocation as of the valuation date of June 30, 2014 (see the discussion of the pension plan's investment policy) are summarized in the following table:

<u>Asset Type</u>	<u>Target Allocations in %</u>	<u>Long-term expected expected real rate of return in %</u>
Domestic Equity	37.0	6.5
International Equity	18.0	67.7
Real Estate	10.0	4.6
Alternative Investments	7.0	9.9
Domestic Fixed Income Securities	17.0	2.1
Global Fixed Income Securities	2.0	1.9
Mortgages	8.0	3.4
Short-term fixed income	<u>1.0</u>	1.2
	<u>100%</u>	

**Discount Rate**

The discount rate used to measure the total pension liability was 8.0%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from school districts will be made at statutorily required rates, actuarially determined. Based on those assumptions, the NYSTRS' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**Sensitivity of the Proportionate Share of the Net Pension Liability (Asset) to the Discount Rate Assumption**

The following presents the net pension liability (asset) of the District using the discount rate of 8.0 percent, as well as what the school districts' net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (7.0 percent) or 1-percentage-point higher (9.0 percent) than the current rate:

	1% Decrease <u>7.00%</u>	Current Discount <u>8.00%</u>	1% Increase <u>9.00%</u>
Proportionate Share of Net Pension liability (asset)	\$ 7,450,961	\$ (109,230,979)	\$(208,736,173)

The components of the collective net pension liability (asset) of the participating school districts as of June 30, 2015, were as follows:

	Pension Plan's Fiduciary Net Position	District's proportionate share of Plan's Fiduciary Net Position	District's allocation percentage as determined by the Plan
Total pension liability	\$ 99,332,103,743	\$ 1,044,607,494	1.0516313%

Fiduciary net position as a percentage of total pension liability	110.5%	110.5%	

8. **OTHER POSTEMPLOYMENT BENEFITS**

The District calculates and records a net other postemployment benefit obligation (OPEB) at year-end. The net OPEB is basically the cumulative difference between the actuarially required contribution and the actual contribution made. Prior to adoption, the District reported the cost of retiree benefits on a pay-as-you-go basis.

**Plan Description**

The District provides OPEB to its employees under a single-employer, self-insured, defined benefit healthcare plan administered by a third-party. The healthcare plan provides medical and prescription drug coverage to eligible retirees and their spouses.

Benefit provisions are established and amended through negotiations between the District and the respective unions.

Employees may become eligible for benefits based on the following criteria:

- Age 55 with 10 years of service if hired after January 1, 1980 or
- Age 55 with 5 years of service if hired before January 1, 1980.

Retiree benefits continue for the life of the retiree. The retiree's survivor(s) have the option to continue to receive health insurance coverage benefits by paying for the coverage at the District's full premium rate.

**8. OTHER POSTEMPLOYMENT BENEFITS (Continued)**

**Funding Policy**

The contribution requirements of plan members and the District are established on an annual premium equivalent rate calculated by an actuarial firm based on an actuarial valuation of projected financing requirements.

For the year ended June 30, 2016, District contributions for retiree healthcare plan costs, net of retiree contributions of \$1.5 million, amounted to approximately \$22.8 million.

**Annual OPEB Cost**

The District's annual OPEB cost is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and the amortized amount of any unfunded actuarial liabilities (UAAL) over a period of thirty years. The following table shows the components of the District's annual OPEB cost for the year ended June 30, 2016, the amounts actually contributed to the plan, and changes in the District's net OPEB obligation:

Annual required contribution	\$ 49,031,149
Interest on net OPEB obligations	17,776,509
Adjustment to annual required contribution	<u>(25,700,432)</u>
Annual OPEB cost	41,107,226
Contributions made	<u>(23,433,674)</u>
Increase in net OPEB obligation	17,673,552
Net OPEB obligation - beginning of year	<u>444,412,719</u>
Net OPEB obligation - end of year	<u>\$ 462,086,271</u>

The District's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for 2016 and the preceding two years were as follows:

<u>Fiscal Year Ended</u>	<u>Annual OPEB Cost</u>	<u>Percentage of Annual OPEB Cost Contributed</u>	<u>Net OPEB Obligation</u>
June 30, 2014	\$ 77,585,062	28.89%	\$ 388,941,936
June 30, 2015	\$ 80,461,994	31.06%	\$ 444,412,719
June 30, 2016	\$ 41,107,227	57.01%	\$ 462,086,271

**Funded Status and Funding Progress**

As of June 30, 2016, the most recent actuarial valuation date, the actuarial accrued liability for benefits was \$553 million and there were no plan assets. The covered payroll (annual payroll of active employees covered by the plan) was \$227 million, and the ratio of the liability to the annual covered payroll was 244%.

## 8. OTHER POSTEMPLOYMENT BENEFITS (Continued)

### **Funded Status and Funding Progress (Continued)**

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial liability for benefits.

### **Actuarial Methods and Assumptions**

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits at the time of each valuation and on the historical pattern of cost sharing benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the June 30, 2016 actuarial valuation the projected unit credit cost method was used. The actuarial assumptions included a 4.00% investment rate of return, which is based on the portfolio of the District's general assets used to pay these benefits and an annual health care cost trend rate of 7.50% initially, decreasing to 3.89% after sixty years for Pre-65 individuals and 6.00% initially, decreasing to 3.89% for Post-65 individuals after sixty years. The prescription cost trend begins at 10.50% initially and decreases to 3.89% after sixty years. The Medicare Part B cost trend begins at 6.00% initially and decreases to 3.89% after sixty years. Both rates include a 2.25% inflation assumption. The UAAL is being amortized based on a level percentage of projected payroll on an open basis. The remaining amortization period as of June 30, 2016 was 30 years.

## 9. CONTINGENCIES AND COMMITMENTS

The District may be subject to lawsuits in the ordinary conduct of its affairs. The District does not believe any outstanding items are likely to have a material, adverse effect on the financial statements at June 30, 2016.

Numerous real estate tax certiorari proceedings are presently pending against the City of Syracuse, New York on grounds of alleged inequality of assessment. Adverse decisions to the City could have a substantial impact through the reduction of assessments and tax refunds to successful litigants. The District is a principal recipient of property taxes levied by the City. Since the outcome of these proceedings cannot presently be determined, no provision for this exposure, if any, has been included in the accompanying basic financial statements.

The District has a potential liability for employees who have not entered into the Retirement System due to the fact that they were never offered the right to join. Any potential liability relating to this contingency is not determinable at June 30, 2016.

The District has received grants, which are subject to audit by agencies of the State and federal governments. Such audits may result in disallowances and a request for a return of funds. Based on prior years' experience, the District's administration believes disallowances, if any, will be immaterial.

**10. SELF-INSURANCE**

The District is primarily self-insured for medical, dental, workers' compensation and general liability claims. Property coverage exists for all City Schools for losses in excess of \$100,000 per occurrence. Self-insured expenditures are expensed when paid. All future liabilities for employee health, dental, workers' compensation and judgments and claims are recorded as liabilities. Liabilities accrued include an estimate of pending claims and claims incurred but not reported.

The following represents changes in those aggregate liabilities for the year ended June 30, 2016:

	<u>Medical</u>	<u>Workers' Compensation</u>
July 1, 2015	\$ 1,640,767	\$ 37,304,287
Claims in current year, net of payments for all claims	<u>(246,365)</u>	<u>800,130</u>
June 30, 2016	<u>\$ 1,394,402</u>	<u>\$ 38,104,417</u>

The District believes the provisions, as described in Note 5, are adequate to cover the liability for claims based upon current available information but these estimates may be more or less than the amount ultimately paid when claims are settled.

**11. FUTURE CHANGES IN ACCOUNTING STANDARDS**

In June 2015, the GASB issued Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Statement No. 75 replaces the requirements of Statements No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as amended, and No. 57, *OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans*, for OPEB. Statement No. 74, *Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans*, establishes new accounting and financial reporting requirements for OPEB plans. The District is required to adopt the provisions of these Statements for the year ending June 30, 2018, with early adoption encouraged.

The District has not assessed the impact of these statements on its future financial statements.

**12. SUBSEQUENT EVENTS**

On August 5, 2016, \$2,103,461 in Qualified School Construction Bond (QSCB) subsidy receipts were transferred from the JSCB to the Syracuse City School District. The interest payments made by the JSCB that generated the QSCB subsidies were funded with New York State Education Department funding that is passed through the District to the JSCB. The QSCB subsidy receipts were transferred to the District at the request of the District and the Commissioner of Finance of the City of Syracuse, New York.

On October 6, 2016, the District issued \$68,439,000 in Revenue Anticipation Notes at 1.09% maturing on June 30, 2017 to cover an expected cash flow shortage due to the timing of cash receipts from all sources. The request was approved by the City of Syracuse, New York Common Council in September 2016.

On October 6, 2016, JSCB issued an additional \$2,000,000 BAN with a stated interest rate of 2.0% that will become due on June 23, 2017.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

December 15, 2016

To the Board of Education  
City School District of Syracuse, New York:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City School District of Syracuse, New York (the "District"), a blended component unit of the City of Syracuse, New York, as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated December 15, 2016.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

(Continued)

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

December 15, 2016

To the Board of Education  
City School District of Syracuse, New York:

**Report on Compliance for Each Major Federal Program**

We have audited the City School District of Syracuse, New York's (the "District"), a blended component unit of the City of Syracuse, New York, compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the District's major federal program for the year ended June 30, 2016. The District's major federal program is identified in the Summary of Auditor's Results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for the District's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the District's compliance.

**Opinion on Major Federal Program**

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2016.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**  
(Continued)

***Other Matters***

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as items 2006-001. Our opinion on the major federal program is not modified with respect to this matter.

The District's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The District's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

**Report on Internal Control Over Compliance**

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Criteria: In accordance with the Uniform Guidance and federal regulations 7 CFR Section 210.14(b), the School Food Service fund balance may not be in excess of three months average expenditure level.

Condition: The District's School Food Service fund balance was in excess of three months average expenditure level for the year ended June 30, 2016.

Cause: There was a lack of formal training and understanding by the District Management relating to the School Food Service fund balance regulation 7 CFR Section 210.14(b).

Effect: Non-compliance with reporting compliance requirement.

Recommendation: In July 2015, the District submitted a plan to New York State Department of Education (NYSED) to spend down the excess fund balance primarily in upgrading the School Lunch Program's equipment used to prepare and deliver meals to students. This plan was approved by NYSED as proposed. Currently, the District is in the process of finalizing the design and budget for the upgrade of its equipment under this plan. Once the plan is finalized, the District will get formal approval from its Board of Education, and if required from NYSED. Once all approvals have been received the District should follow the NYS procurement regulations in the implementation of the plan.

View of Responsible Officials and Planned Corrective Action: The District submitted an excess fund balance plan to New York State which was approved in July, 2015. The District is in the process of finalizing the detail design and budget of this plan, once completed, the District will get all necessary approvals and follow NYS procurement regulations. In addition, the District will work with its external auditors to ensure that the fund balance spend down plan meets the regulations set forth in 7 CFR Section 210.

State and/or School Aid Intercept. Pursuant to the Syracuse Schools Act, in the event the City or the SCSD shall fail (for any reason, including the failure of the State or appropriate legislative body of the City to appropriate moneys for such purpose) to make a payment under the Installment Sale Agreement in the amount and by the date the same is due, as set forth in the Indenture, of which failure the Trustee has actual knowledge in the case of a failed Installment Purchase Payment (or other failed payment payable to the Trustee in its capacity as Trustee), or, in the case of any other failed payment of which the Trustee has received written notice from the party to whom such failed payment is owed under the Installment Sale

Agreement, the Issuer irrevocably appoints the Trustee to act as its agent for the purpose of delivering a certificate to the State Comptroller (in substantially the form set forth in the appendices attached to the Indenture) and to any other Series Trustee, by no later than the next Business Day following the Trustee obtaining such actual knowledge or such notice of such failed payment, certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall, in accordance with the Syracuse Schools Act, withhold from the City and the SCSD any state and/or school aid payable to the City or the SCSD to the extent of the amount so stated in such certificate of the Trustee as not having been made, and the State Comptroller shall immediately pay over to the Trustee on behalf of the Issuer, the amount of such state and/or school aid so withheld. In the event that the State Comptroller should receive more than one such certificate from one or more Series Trustee, the Comptroller shall disburse such amounts so withheld on a pari passu basis with respect to any and all outstanding Series of Bonds. All such state and/or school aid so received shall be applied, *first*, to deposit in the Interest Account of the Bond Fund to the extent of any deficiency therein, *second*, to deposit in the Principal Account of the Bond Fund to the extent of any deficiency therein, *third*, to deposit in the Redemption Account of the Bond Fund to the extent of any deficiency therein, *fourth*, to satisfy any obligation of the SCSD under certain indemnification provisions of the Installment Sale Agreement, *fifth* to satisfy any obligation of the JSCB on the SCSD under the liability insurance provisions of the Installment Sale Agreement, and *sixth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement.

For the avoidance of any doubt, if the Trustee is a party to the Intercept Procedures Agreement, the delivery of the certificate to the State Comptroller shall be governed by the terms of the Intercept Procedures Agreement, such agreement intended to maintain the equal and ratable treatment of the pledge of the intercept, for the benefit of the Bondholders, under the Indenture and any other Series Indenture, including but not limited to the Series 2008 Indenture (as that term is defined in the Installment Sale Agreement), as contemplated in the Indenture.

The appointment by the Issuer of the Trustee as agent as above-described shall be deemed a non-exclusive but irrevocable appointment (coupled with an interest) and the Issuer may appoint any other Series Trustee to similar purpose under the related Series Indenture. The Trustee accepts such agency and agrees so to act on behalf of the Issuer. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller shall, subject to the priority set forth in the preceding paragraph, be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received. Any amounts of such state and/or school aid received by the Trustee from the State Comptroller that are not in respect of Installment Purchase Payments shall forthwith be forthwith paid to or upon the order of the Issuer.

The Issuer covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Indenture or Series Facilities Agreement, in connection with the issuance of a Series of Project Bonds under a Series Indenture which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept under the Syracuse Schools Act of state and/or school aid payable to the City or the SCSD than the pledge effected pursuant to the Indenture; provided, however, that nothing contained in the Indenture shall be deemed (y) to limit or deny the ability of the Issuer or any other public entity, in connection with the issuance of another Series of Project Bonds, to pledge such State Aid to Education on a parity with the pledge effected under the Indenture, or (z) to require that any Series of Project Bonds issued under any other Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Indenture, or that any payment dates under a Series Facilities Agreement be the same as those under the Installment Sale Agreement.

Application of Bond Fund. The Trustee shall: (i) on each Interest Payment Date on the Bonds pay or cause to be paid out of the Interest Account in the Bond Fund the interest due on the Bonds; and (ii) further pay out of the Interest Account of the Bond Fund any amounts required for the payment of accrued interest upon any redemption of Bonds.

The Trustee shall on each principal payment date on the Bonds pay or cause to be paid to the respective Paying Agents therefor out of the Principal Account of the Bond Fund, the principal amount, if any, due on the Bonds, upon the presentation and surrender of the requisite Bonds (such presentation and surrender not being required if Cede & Co. is the Holder of the Bonds).

Amounts in the Redemption Account of the Bond Fund shall be applied, at the written direction of the City, as promptly as practicable, to the purchase of Bonds of a Series as directed by the City at prices not exceeding the Redemption Price thereof applicable on the earliest date upon such Series of Bonds are next subject to optional redemption, plus in each case accrued interest to the date of redemption (accrued interest on such Bonds being payable out of the Interest Account of the Bond Fund). Any Bonds purchased in lieu of a mandatory redemption shall be surrendered to the Trustee for cancellation. Any amount in the Redemption Account not so applied to the purchase of Bonds by forty-five (45) days prior to the next date on which the Bonds are so redeemable shall be applied to the redemption of Bonds on such redemption date; provided that if such amount aggregates less than \$5,000, it need not be then applied to such redemption. Any amounts deposited in the Redemption Account and not applied within twelve (12) months of their date of deposit to the purchase or redemption of Bonds (except if held in accordance with the section under the heading "Defeasance" below) shall be transferred to the Interest Account. The Bonds to be purchased or redeemed shall be selected by the Trustee in the manner provided in the section under the heading "Selection of Bonds to be Redeemed" below. Amounts in the Redemption Account to be applied to the redemption of Bonds shall be paid to the respective Paying Agents on or before the redemption date and applied by them on such redemption date to the payment of the Redemption Price of the Bonds being redeemed plus interest on such Bonds accrued to the redemption date (accrued interest on such Bonds being payable from the Interest Account of the Bond Fund).

(a) Moneys in the Redemption Account of the Bond Fund which are not set aside or deposited for the redemption or purchase of Bonds shall be transferred by the Trustee to the Interest Account or the Principal Account of the Bond Fund, as directed by an Authorized Representative of the City.

(b) In the event of the issuance of a Series of Refunding Bonds pursuant to the section under the heading "Additional Bonds" above, the Trustee shall, upon the written direction of the City, withdraw from the specified Accounts of the Bond Fund those amounts deposited in each such Account so specified held for the payment of the principal, Sinking Fund Installments, Redemption Price and interest on the Series of Bonds or principal portion thereof to be refunded, provided, however, that such withdrawal shall not be made unless (i) immediately thereafter, the Series of Bonds or principal portion thereof being refunded shall be deemed to have been paid pursuant to the section under the heading "Defeasance" below, and (ii) the amount remaining in each Account of the Bond Fund after such withdrawal shall not be less than that amount otherwise then required to be on deposit in each such Account to pay the principal, Sinking Fund Installments, Redemption Price and interest of those Series of Bonds or principal portions thereof not being refunded.

Investment of Funds and Accounts. Amounts in the Bond Fund, the Project Fund, the Refunded Proceeds Fund and the Rebate Fund, may, if and to the extent then permitted by law, be invested only in

Qualified Investments. Any investment authorized by the Indenture is subject to the condition that no portion of the proceeds derived from the sale of the Bonds shall be used, directly or indirectly, in such manner as to cause any Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code. Such investments shall be made by the Trustee only at the written request of an Authorized Representative of the City. Any investment under the Indenture shall be made in accordance with the Tax Compliance Documents, and the City shall so certify to the Trustee with each such investment direction as referred to below. Such investments shall mature in such amounts and at such times as may be necessary to provide funds when needed to make payments from the applicable Fund. Net income or gain received and collected from such investments shall in the case of the Project Fund, the Refunded Proceeds Fund or the Bond Fund, be credited and losses charged to such Fund, as applicable, subject however to Section 5.11 of the Indenture.

Upon timely request of an Authorized Representative of the City, the Trustee shall notify the City ten (10) days prior to each Installment Purchase Payment Date under the Installment Sale Agreement of the amount of such net investment income or gain received and collected subsequent to the last such Installment Purchase Payment and the amount then available in the Project Fund, the Refunded Proceeds Fund and in each Account of the Bond Fund.

Upon the written direction of an Authorized Representative of the City, the Trustee shall sell at the best price reasonably obtainable, or present for redemption or exchange, any obligations in which moneys shall have been invested to the extent necessary to provide cash in the respective Funds or Accounts, to make any payments required to be made therefrom, or to facilitate the transfers of moneys or securities between various Funds and Accounts as may be required from time to time pursuant to the provisions of this Article. The Trustee shall not be liable for any losses incurred as a result of actions taken in good faith in accordance with Section 5.7(c) of the Indenture. As soon as practicable after any such sale, redemption or exchange, the Trustee shall give notice thereof to the Agency and the City.

In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at fair market value as determined by the Trustee on the last Business Day of each October.

The fair market value of Qualified Investments shall be determined as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if not there, then in *The New York Times*), the average bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*, the average bid price at such nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or as quoted in the Interactive Data Service; and

(3) as to certificates of deposit and bankers acceptances and other investments, the face amount thereof, plus accrued interest.

If more than one provision of this definition of “fair market value” shall apply at any time to any particular investment, the fair market value thereof at such time shall be determined in accordance with the provision establishing the lowest value for such investment.

Neither the Trustee nor the Agency shall be liable for any loss arising from, or any depreciation in the value of any obligations in which moneys of the Funds and Accounts shall be invested. The investments authorized by Section 5.7 of the Indenture shall at all times be subject to the provisions of applicable law, as amended from time to time.

Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the credit of any Fund or Account under any provision of the Indenture (excluding the Rebate Fund) and all investments made therewith shall be held by the Trustee in trust for the benefit of the Bondholders and while held by the Trustee constitute part of the Trust Estate, and be subject to the lien of the Indenture, but subject to the Granting Clauses thereof. Moneys held by the Depository Bank under the State Aid Depository Agreement are not part of the Trust Estate unless and until the same are transferred to the Trustee for deposit in the Bond Fund in accordance with the State Aid Depository Agreement. Moneys held by the Trustee in the Rebate Fund are not part of the Trust Estate nor subject to the lien of the Indenture.

Repayment to the City For the Benefit of the SCS D from the Funds. After payment in full of the Bonds (in accordance with the defeasance provisions of the Indenture) and the payment of all fees, charges and expenses of the Issuer, the Trustee, the Bond Registrar and the Paying Agents and all other amounts required to be paid under the Indenture and under each of the Security Documents, and the payment of any amounts are required to be rebated to the federal government pursuant to the Indenture and the Tax Compliance Documents, all amounts remaining in the Project Fund and the Bond Fund shall be paid to the City for the SCS D upon the expiration or sooner or later termination of the term of the Installment Sale Agreement.

Payments into Rebate Fund; Application of Rebate Fund. The Rebate Fund and the amounts deposited therein shall not be subject to a security interest, pledge, assignment, lien or charge in favor of the Trustee or any Bondholder or any other Person.

The Trustee, following the receipt of a certificate of written direction from an Authorized Representative of the City pursuant to the Tax Compliance Documents, shall deposit in the Rebate Fund that amount from the Project Fund, as shall be so specified in such certificate of written direction as necessary to satisfy the requirements of the Tax Compliance Documents. In the case of the Project Fund, the City shall so direct the Trustee no less frequently than quarterly, until the Trustee shall receive the Project Fund Sufficiency Certificates as to all funded Accounts of the Project Fund and no less frequently than semi-annually thereafter.

In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Requirement as determined in accordance with the Tax Compliance Documents, the Trustee, upon the receipt of written instructions from an Authorized Representative of the City, shall withdraw such excess amount and deposit it: (i) to any Account of the Project Fund with respect to which no Project Fund Sufficiency Certificate shall yet have been delivered; or (ii) to the Interest Account of the Bond Fund, as the City shall determine.

The Trustee, upon receipt of written instructions from an Authorized Representative of the City, shall pay to the United States, out of amounts in the Rebate Fund, (i) not less frequently than once each five (5) years after the date of original issuance of each Series of the Bonds, an amount such that, together with prior amounts paid to the United States, the total paid to the United States is equal to 90% of the Rebate Requirement with respect to such Series of Bonds as of the date of such payment and (ii) notwithstanding the provisions of the section under the heading "Defeasance" below, not later than thirty

(30) days after the date on which all Bonds have been paid in full, 100% of the Rebate Requirement as of the date of payment.

The Trustee shall have no obligation under the Indenture to transfer any amounts to the Rebate Fund unless the Trustee shall have received specific written instructions from an Authorized Representative of the City to make such transfer.

Selection of Bonds to Be Redeemed. In the event of redemption of less than all the Outstanding Bonds of the same Series and maturity for which there is more than one registered Bond, the particular Bonds or portions thereof to be redeemed shall be selected by the Trustee in such manner as the Trustee in its discretion may deem fair. In the event of redemption of less than all the Outstanding Bonds of the same Series stated to mature on different dates, the principal amount of such Series of Bonds to be redeemed shall be applied in such order of maturity as shall be directed by an Authorized Representative of the City delivered to the Trustee, or, in the absence of any such direction, inverse order of maturity of the Outstanding Series of Bonds to be redeemed and randomly within a maturity; provided, however, that in the case of any redemption of a Series of Bonds in accordance with the Indenture, the Authorized Representative of the City shall select the Bonds to be redeemed only (x) in inverse order of maturity, or (y) proportionately to each Outstanding maturity of the Bonds of such Series. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then, upon notice of intention to redeem such unit or units, the Holder of such Bond shall forthwith surrender such Bond to the Trustee for: (a) payment to such Holder of the Redemption Price of the unit or units of principal amount called for redemption; and (b) delivery to such Holder of a new Bond or Bonds of such Series in the aggregate unpaid principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of the same Series and maturity representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered Holder thereof, without charge therefor. If the Holder of any such Bond of a denomination greater than a unit shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption (and to that extent only).

No Partial Redemption After Default. Anything in the Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default thereunder, there shall be no redemption of less than all of the Bonds Outstanding other than a redemption required with respect to excess bond proceeds or insurance or condemnation proceeds unless there shall have been delivered to the Trustee an opinion of Nationally Recognized Bond Counsel that the failure to redeem Bonds to the extent of such proceeds shall not have an adverse effect on the tax-exempt status of interest on the Bonds.

Payment of Principal and Interest. The Issuer covenants that it will from the sources contemplated by the Indenture promptly pay or cause to be paid the principal of and interest on the Bonds, and the Redemption Price, if any, together with interest accrued thereon to the date of redemption, at the place, on the dates and in the manner provided in the Indenture and in the Bonds according to the true intent and meaning thereof. All covenants, stipulations, promises, agreements and obligations of the Issuer contained in the Indenture shall be deemed to be covenants, stipulations, promises, agreements and obligations of the Issuer and not of any member, officer, director, employee or agent thereof in his individual capacity, and no resort shall be had for the payment of the principal of, redemption premium, if any, or interest on the Bonds or the Redemption Price, if any, together with interest accrued thereon to the date of redemption or for any claim based thereon against any such member, officer, director, employee or agent or against any natural person executing the Bonds. Neither the Bonds, the principal thereof, the interest thereon, nor the Redemption Price thereof, if any, together with interest accrued thereon to the

date of redemption, shall ever constitute a debt of the State or of the City and neither the State nor the City shall be liable on any obligation so incurred, and the Bonds shall not be payable out of any funds of the Issuer other than those pledged therefor. The Issuer shall not be required under the Indenture or the Installment Sale Agreement or any other Security Document to expend any of its funds other than (i) the proceeds of the Bonds, (ii) the Installment Purchase Payments pledged to the payment of the Bonds, and (iii) any income or gains therefrom.

Performance of Covenants; Authority. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in the Indenture, in any and every Bond executed, authenticated and delivered under the Indenture and in all proceedings pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State, including particularly and without limitation the IDA Act, and the Syracuse Schools Act, to issue the Bonds authorized by the Indenture and to execute the Indenture, to sell its interest in the Facilities pursuant to the Installment Sale Agreement, to assign the Installment Sale Agreement and to pledge the Installment Purchase Payments pledged in the manner and to the extent set forth in the Indenture; that all action on its part for the issuance of the Bonds and the execution and delivery of the Indenture have been duly and effectively taken; and that the Bonds in the hands of the Holders thereof are and will be the valid and enforceable special obligations of the Issuer according to the import thereof.

Creation of Liens; Indebtedness; Sale of Facilities. Except to the extent contemplated in the last paragraph under the heading "State and/or School Aid Intercept" above with respect to the issuance of Project Bonds under a Series Indenture other than the Indenture, the Issuer shall not create or suffer to be created, or incur or issue any evidences of indebtedness secured by, any lien or charge upon or pledge of the Trust Estate, except the lien, charge and pledge created by the Indenture, the Pledge and Assignment and the Installment Sale Agreement. The Issuer further covenants and agrees not to sell (except pursuant to the Installment Sale Agreement), convey, transfer, lease, sublease, mortgage or encumber the real property constituting part of the Facilities or any of them or any part of such real property, except as specifically permitted under the Indenture and the Installment Sale Agreement, so long as any of the Bonds are Outstanding. The Issuer shall have no pecuniary liability for its covenants set forth in the Indenture, including those described under this heading.

Issuer Tax Covenant. The Issuer covenants that it shall not take any action within its control, nor refrain from taking any action reasonably requested by the School Parties or the Trustee, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes; provided, however, the breach of this covenant shall not result in any pecuniary liability of the Issuer and the only remedy to which the Issuer shall be subject shall be specific performance.

Events of Default; No Acceleration of Due Date. Each of the following events shall constitute an "Event of Default":

- (1) Failure to duly and punctually pay the interest on any Bond when the same shall become due and payable;
- (2) Failure to duly and punctually pay the principal or redemption premium, if any, of any Bonds, when the same shall become due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or otherwise, or interest accrued thereon to the date of redemption after notice of redemption therefor or otherwise;

(3) Failure of the Issuer to observe or perform any covenant, condition or agreement in the Bonds or under the Indenture on its part to be performed (except as set forth in subparagraphs (1) and (2) above)) and (A) continuance of such failure for a period of thirty (30) days after receipt by the Issuer and the School Parties of written notice specifying the nature of such default from the Trustee, or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, or (B) if by reason of the nature of such default the same can be remedied, but not within the said thirty (30) days, the Issuer or the School Parties fail to proceed with reasonable diligence after receipt of said notice to cure the same or fails to continue with reasonable diligence its efforts to cure the same;; and

(4) The occurrence of an “Event of Default” under the Installment Sale Agreement, relating to continuing the Installment Sale Agreement and the provisions of the Installment Sale Agreement relating to compliance with the State Aid Depository Agreement, the intercept and requirements necessary to ensure receipt of state and/or school aid payable to the City or the SCSD.

In no event shall the principal of any Bond be declared due and payable in advance of its final stated maturity, anything in the Indenture or in any of the Bonds contained to the contrary notwithstanding.

Enforcement of Remedies. Subject to the last paragraph of the immediately preceding heading, upon the occurrence and continuance of any Event of Default, then and in every case the Trustee may proceed and, upon the written request of the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding to protect and enforce its rights and the rights of the Bondholders under the IDA Act, the Syracuse Schools Act, the Bonds, the Installment Sale Agreement, the Indenture and under any other Security Document forthwith by such suits, actions or special proceedings in equity (including mandamus) or at law, or by proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Indenture or in any other Security Document or in aid of the execution of any power granted in the Indenture or in any other Security Document or in the IDA Act or the Syracuse Schools Act or for the enforcement of any legal or equitable rights or remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights or to perform any of its duties under the Indenture or under any other Security Document. In addition to any rights or remedies available to the Trustee under the Indenture or elsewhere, upon the occurrence and continuance of an Event of Default the Trustee may take such action, without notice or demand, as it deems advisable, to the extent permitted by law.

In the enforcement of any right or remedy under the Indenture, under any other Security Document, under the IDA Act or under the Syracuse Schools Act, the Trustee shall be entitled to sue for, enforce payment on and receive any or all amounts then or during any default becoming, and any time remaining, due from the Issuer, for principal, interest, Redemption Price, or otherwise, under any of the provisions of the Indenture, of any other Security Document or of the Bonds, and unpaid, with interest on overdue payments at the rate or rates of interest specified in the Bonds, together with any and all costs and expenses of collection and of all proceedings under the Indenture, under any such other Security Document and under the Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Issuer, but solely as provided in the Indenture and in the Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys in the Bond Fund and other moneys available therefor to the extent provided in the Indenture) in any manner provided by law, the moneys adjudged or decreed to be payable. The Trustee shall file proof of claim and other papers or documents as may be

necessary or advisable in order to have the claims of the Trustee and the Bondholders allowed in any judicial proceedings relative to the School Parties or the Issuer or their creditors or property.

Regardless of the occurrence of an Event of Default, the Trustee, if requested in writing by the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, and in each case furnished with reasonable security and indemnity, shall institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under the Indenture or under any other Security Document by any acts which may be unlawful or in violation of the Indenture or of such other Security Document or of any resolution authorizing any Bonds, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders; provided, that such request shall not be otherwise than in accordance with the provisions of law and of the Indenture and shall not be unduly prejudicial to the interests of the Holders of the Bonds not making such request.

Application of Revenues and Other Moneys After Default. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture or under any other Security Document shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, be deposited in the Bond Fund and all moneys so deposited and available for payment of the Bonds shall be applied, subject to the provisions of the Indenture relating to compensation of the Trustee, the Bond Registrar and the Paying Agents, as follows:

First: To the payment to the Persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege; and

Second: To the payment to the Persons entitled thereto of the unpaid principal or Redemption Price, if any, of any of the Bonds or principal installments which shall have become due (other than Bonds or principal installments called for redemption for the payment of which moneys are held pursuant to the provisions of the Indenture), in the order of their due dates, with interest on such Bonds, at the rate or rates expressed thereon, from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds or principal installments due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the Persons entitled thereto without any discrimination or privilege.

After payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances (including legal fees and expenses) incurred or made by the Trustee, the funds realized following the occurrence of an Event of Default shall be applied *first*, as provided in paragraph First and Second of this heading; *second*, to pay any amounts which the School Parties are required to rebate to the federal government pursuant to the Indenture and the Tax Compliance Documents; *third*, to satisfy any obligation of the SCSD regarding indemnification of the Issuer and the Trustee; *fourth*, to satisfy any obligation of the JSCB and the SCSD regarding the maintenance of liability insurance; and *fifth*, to satisfy any other obligations of the School Parties under the Installment Sale Agreement. Nothing outlined under this heading shall be deemed to modify the application of state and/or school aid payable to City or the SCSD pursuant to the provisions outlined above under the heading "State and/or School Aid Intercept."

Whenever moneys are to be applied pursuant to the above provisions, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such written notice to all Bondholders promptly upon receipt of the deposit with it of any such moneys of such deposit and of the fixing of any such date, and shall not be required to make payment to the Holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Actions by Trustee. All rights of actions under the Indenture, under any other Security Document or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds, and any recovery of judgment shall, subject to the provisions outlined above under the heading "Application of Revenues and Other Moneys After Default," be for the equal benefit of the Holders of the Outstanding Bonds.

Majority Bondholders Control Proceedings. The Holders of a majority in aggregate principal amount of the Bonds then Outstanding, shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture, or for the appointment of a receiver or any other proceedings under the Indenture; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of the Indenture.

Individual Bondholder Action Restricted. No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provisions of the Indenture or of any other Security Document or the execution of any trust under the Indenture or for any remedy under the Indenture or under any other Security Document, unless such Holder shall have previously given to the Trustee written notice of the occurrence of an Event of Default as provided in the Indenture, and the Holders of over twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in the Indenture or in such other Security Document or by the IDA Act or the Syracuse Schools Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his, its or their action to affect, disturb or prejudice the pledge created by the Indenture, or to enforce any right under the Indenture except in the manner therein provided; and that all proceedings at law or in equity to enforce any provision of the Indenture shall be instituted, had and maintained in the manner provided in the Indenture and, subject to the provisions described under the headings "Application of Revenues and Other Moneys After Default" and "Bond Insurer or Majority Bondholders Control Proceedings" above, be for the equal benefit of all Holders of the Outstanding Bonds, to the extent permitted by law.

Nothing in the Indenture, in any other Security Document or in the Bonds contained shall affect or impair the right of any Bondholder to payment of the principal or Redemption Price, if applicable, of, and interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the

principal or Redemption Price, if applicable, of, and interest on each of the Bonds to the respective Holders thereof at the time, place, from the source and in the manner provided in the Indenture and in said Bonds expressed.

Effect of Discontinuance of Proceedings. In case any proceedings taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case, the Issuer, the Trustee and the Bondholders shall be restored, respectively, to their former positions and rights under the Indenture, and all rights, remedies, powers and duties of the Trustee shall continue as in effect prior to the commencement of such proceedings.

Remedies Not Exclusive. No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Indenture or existing at law or in equity or by statute.

Delay or Omission. No delay or omission of the Trustee, of any Holder of the Bonds to exercise any right or power arising upon any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by the Indenture to the Trustee, the Bond Insurer and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient by the Trustee or by the Bondholders.

Notice of Default. The Trustee shall promptly mail to the Issuer, to registered Holders of Bonds and to the School Parties by registered or certified mail, postage prepaid, return receipt requested, written notice of the occurrence of any Event of Default. The Trustee shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required under this heading.

Waivers of Default. The Trustee shall waive any default under the Indenture and its consequences only upon the written request of the Holders of at least a majority in aggregate principal amount of all the Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all the Bonds Outstanding (a) any default in the payment of the principal of any Outstanding Bonds at the date specified therein or (b) any default in the payment when due of the interest on any such Bonds, unless, prior to such waiver, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds on overdue installments of interest in respect of which such default shall have occurred, and all arrears of payment of principal when due, as the case may be, and all expenses of the Trustee and reasonable legal fees and expenses in connection with such default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely to the Trustee, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under the Indenture, respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

Indemnity. The Trustee shall be under no obligation to institute any suit, or to take any remedial action under the Indenture or under any other Security Document or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts created or in the enforcement of any rights and powers under the Indenture, or under any other Security Document, until it shall be indemnified to its satisfaction against any and all reasonable compensation for services, costs and expenses, outlays, and counsel fees and other disbursements, and against all liability not due to its willful misconduct, unlawful conduct or gross negligence.

Approvals or Consents by Trustee. The Trustee shall grant no approval, request or consent under the Security Documents except at the direction of the Holders of a majority in aggregate principal amount of the affected Series of Bonds Outstanding.

Defeasance. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, of, interest and all other amounts due or to become due thereon or in respect thereof, at the times and in the manner stipulated therein and in the Indenture, and all fees and expenses and other amounts due and payable under the Indenture and the Installment Sale Agreement and any other amounts required to be rebated to the federal government pursuant to the Tax Compliance Documents or the Indenture, shall be paid in full or duly provided for, then the pledge of the Installment Purchase Payments under the Indenture and the estate and rights thereby granted, and all covenants, agreements and other obligations of the Issuer to the Bondholders under the Indenture shall thereupon cease, terminate and become void and be discharged and satisfied and the Bonds shall thereupon cease to be entitled to any lien, benefit or security under the Indenture, except as to moneys or securities held by the Trustee or the Paying Agents as provided below. At the time of such cessation, termination, discharge and satisfaction, the Trustee and the Paying Agents shall pay over or deliver to the City for the benefit of the SCSO or on its order all moneys or securities held by them pursuant to the Indenture which are not required: (i) for the payment of principal or Redemption Price, if applicable, or interest on Bonds not theretofore surrendered for such payment or redemption; (ii) for the payment of all such other amounts due or to become due under the Security Documents; or (iii) for the payment of any amounts to the federal government under the Tax Compliance Documents or the Indenture.

Bonds or interest installments for the payment or redemption of which moneys (and/or Defeasance Obligations which shall not be subject to call or redemption or prepayment prior to maturity and the full and timely payment of the principal of and interest on which when due, together with the moneys, if any, set aside at the same time, will provide funds sufficient for such payment or redemption) shall then be set aside and held in trust by the Trustee or Paying Agents, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in first paragraph under this heading, if: (i) in case any such Bonds are to be redeemed prior to the maturity thereof, all action necessary to redeem such Bonds shall have been taken and notice of such redemption shall have been duly given or provision satisfactory under the requirements of the Indenture to the Trustee shall have been made for the giving of such notice; and (ii) if the maturity or redemption date of any such Bond shall not then have arrived, provision shall have been made by deposit with the Trustee or other methods satisfactory to the Trustee for the payment to the Holders of any such Bonds upon surrender thereof of the full amount to which they would be entitled by way of principal or Redemption Price and interest and all other amounts then due under the Security Documents to the date of such maturity or redemption, and provision satisfactory to the Trustee shall have been made for the mailing of a notice to the Holders of such Bonds that such moneys are so available for such payment.

Prior to any defeasance becoming effective as provided in the immediately preceding paragraph, there shall have been delivered to the Issuer and to the Trustee (A) an opinion of Nationally Recognized Bond Counsel addressed to, and acceptable in form and substance to, the Issuer and the Trustee to the effect that interest on any Bonds being discharged by such defeasance will not become subject to federal income taxation by reason of such defeasance, and that the Bonds being defeased are no longer "Outstanding" under the Indenture; (B) a verification report from an independent certified public accountant or firm of independent certified public accountants or other recognized consultant or verification agent (in each case reasonably acceptable to the Issuer and to the Trustee) to the effect that the moneys and/or Defeasance Obligations are sufficient, without reinvestment, to pay the principal of,

interest on, and redemption premium, if any, of the Bonds to be defeased on the maturity or redemption date, as applicable; (C) an escrow deposit agreement (reasonably acceptable to the Issuer and the Trustee); and (D) a certificate of discharge of the Trustee with respect to the Bonds being defeased.

Supplemental Indentures Without Bondholders' Consent. The Issuer and the Trustee may, from time to time and at any time, enter into Supplemental Indentures without consent of the Bondholders, for any of the following purposes:

(1) To cure any formal defect, omission or ambiguity in the Indenture or in any description of property subject to the lien of the Indenture, if such action is not materially adverse to the interests of the Bondholders.

(2) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may lawfully be granted or conferred and which are not contrary to or inconsistent with the Indenture as theretofore in effect.

(3) To add to the covenants and agreements of the Issuer in the Indenture other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with the Indenture as theretofore in effect.

(4) To add to the limitations and restrictions in the Indenture other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with the Indenture as theretofore in effect.

(5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, the Indenture, of the Installment Purchase Payments or of any other moneys, securities or funds, or to subject to the lien or pledge of the Indenture additional revenues, properties or collateral.

(6) To modify or amend such provisions of the Indenture as shall, in the opinion of Nationally Recognized Bond Counsel, be necessary to assure the federal tax exemption of the interest on the Bonds.

(7) To authorize the issuance of a Series of Additional Bonds and prescribe the terms, forms and details thereof not inconsistent with the Indenture.

(8) To effect any other change in the Indenture which, in the judgment of the Trustee, is not to the material prejudice of the Trustee or the Bondholders.

(9) To effect the delivery of a Credit Facility and/or a Qualified Swap for a Series of Bonds.

(10) To modify, amend or supplement the Indenture or any Supplemental Indenture in such manner as to permit the qualification of either thereof under the Trust Indenture Act of 1939 or any similar federal statute in effect or to permit the qualification of the Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America, and, if they so determine, to add to the Indenture or any Supplemental Indenture such other terms, conditions and provisions as may be permitted by said Trust Indenture Act of 1939 or similar federal statute.

- (11) To permit the appointment of a co-trustee under the Indenture.

Before the Issuer and the Trustee shall enter into any Supplemental Indenture pursuant to the Indenture, there shall have been filed with the Trustee an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by the Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Issuer in accordance with its terms.

Supplemental Indentures With Consent of Bondholders. Subject to the terms and provisions contained in the Indenture, the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right from time to time, to consent to and approve the entering into by the Issuer and the Trustee of any Supplemental Indenture as shall be deemed necessary or desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture; provided, however, that if any such Supplemental Indenture would affect only the Holders of a single Series of Bonds then Outstanding, then only the consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding of such affected Series of Bonds shall be required. Nothing contained in the Indenture shall permit, or be construed as permitting, (i) a change in the times, amounts or currency of payment of the principal of, redemption premium, if any, or interest on any Outstanding Bonds, a change in the terms of redemption or maturity of the principal of or the interest on any Outstanding Bonds, or a reduction in the principal amount of or the Redemption Price of any Outstanding Bond or the rate of interest thereon, or any extension of the time of payment thereof, or a change in the method of determining the rate of interest on any Bond, without the consent of the Holder of such Bond, (ii) the creation of a lien upon or pledge of Installment Purchase Payments other than the liens or pledge created by the Indenture, except as provided in the Indenture with respect to Additional Bonds, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) a reduction in the aggregate principal amount of Bonds required for consent to such Supplemental Indenture, or (v) a modification, amendment or deletion with respect to any of the terms set forth in this paragraph, without, in the case of items (ii) through and including (v) of this paragraph, the written consents of one hundred percent (100%) of the Holders of the Outstanding Bonds.

If at any time the Issuer shall determine to enter into any Supplemental Indenture for any of the purposes of this heading, it shall cause notice of the proposed Supplemental Indenture to be mailed, postage prepaid, to S&P, Moody's and all Bondholders at least ten (10) days prior to the effective date thereof. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture, and shall state that a copy thereof is on file at the offices of the Trustee for inspection by all Bondholders.

Within one year after the date of such notice, the Issuer and the Trustee may enter into such Supplemental Indenture in substantially the form described in such notice only if there shall have first been filed with the Trustee (i) the written consents of the Holders of not less than a majority, or one hundred percent (100%), as the case may be, in aggregate principal amount of the Bonds then Outstanding (or, if such Supplemental Indenture shall affect only a single Series of Bonds, then only the written consent of the written consents of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding); and (ii) an opinion of Nationally Recognized Bond Counsel stating that such Supplemental Indenture is authorized or permitted by the Indenture and complies with its terms, and that upon execution it will be valid and binding upon the Issuer in accordance with its terms. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to the execution of such Supplemental Indenture.

The Holders of not less than the percentage of Bonds required by this Section shall have consented to and approved the execution thereof as provided in the Indenture, no Holder of any Bond shall have any right to object to the execution of such Supplemental Indenture, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from executing the same or from taking any action pursuant to the provisions thereof.

Upon the execution of any Supplemental Indenture pursuant to the provisions of this Section, the Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the Issuer, the Trustee and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced under the Indenture, subject in all respects to such modifications and amendments.

Rights of School Parties. Any Supplemental Indenture which materially and adversely affects any rights, powers and authority of the School Parties under the Installment Sale Agreement or requires a revision of the Installment Sale Agreement shall not become effective unless and until the School Parties shall have given their written consent to such Supplemental Indenture signed by an Authorized Representative of each of the School Parties.

Amendments of Related Security Documents Not Requiring Consent of Bondholders. Subject to the heading immediately below, the Issuer and the Trustee may, without the consent of or notice to the Bondholders, consent to any amendment, change or modification of any of the Related Security Documents for any of the following purposes: (i) to cure any ambiguity, inconsistency, formal defect or omission therein; (ii) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, authority or security which may be lawfully granted or conferred; (iii) to subject thereto additional revenues, properties or collateral; (iv) to provide for the issuance of a Series of Additional Bonds; (v) to evidence the succession of a successor Trustee or to evidence the appointment of a separate or co-Trustee or the succession of a successor separate or co-Trustee; (vi) to make any change required in connection with a permitted amendment to a Related Security Document or a permitted Supplemental Indenture; and (vii) to make any other change that, in the judgment of the Trustee (which, in exercising such judgment, may conclusively rely, and shall be protected in relying, in good faith, upon an Opinion of Counsel or an opinion or report of accountants or other experts) does not materially adversely affect the Bondholders. The Trustee shall have no liability to any Bondholder or any other Person for any action taken by it in good faith pursuant to the Indenture. Before the Issuer or the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exclusion from federal income taxation of interest on any Series of Bonds Outstanding.

Amendments of Related Security Documents Requiring Consent of the Bondholders. Except as provided in the immediately preceding heading, the Issuer and the Trustee shall not consent to any amendment, change or modification of any of the Related Security Documents, without mailing of notice and the written approval or consent of the Holders of a majority in aggregate principal amount of the Bonds Outstanding given and procured as provided in the heading "Supplemental Indentures with Consent of Bondholders" above (or, if such amendment, change or modification shall only affect one Series of Bonds, the consent of the Holders of not less than a majority in aggregate principal amount of the affected Series of Bonds Outstanding); provided, however, there shall be no amendment, change or modification to (i) the obligation of the City and the SCSD to make Installment Purchase Payments under the Installment Sale Agreement (except as provided therein or in connection with the issuance of a Series

of Additional Bonds), without the prior written approval of the Holders of 100% in aggregate principal amount of the Bonds at the time Outstanding given and procured as provided in the heading "Supplemental Indentures With Consent of Bondholders" above (or, if such amendment, change or modification shall affect only one Series of Bonds, the consent of the Holders of one hundred percent (100%) in aggregate principal amount of the affected Series of Bonds Outstanding), or (ii) the Tax Compliance Documents without the delivery of an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change, modification, reduction or postponement will not cause the interest on such Series of Bonds to become includable in gross income for Federal income tax purposes. If at any time the School Parties shall request the consent of the Trustee to any such proposed amendment, change or modification, the Trustee shall cause notice of such proposed amendment, change or modification to be mailed to the same Persons and in the same manner as is provided in the Indenture with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. Before the Trustee shall enter into or consent to any amendment, change or modification to any of the Related Security Documents, there shall be filed with the Trustee an opinion of Nationally Recognized Bond Counsel to the effect that such amendment, change or modification will not adversely affect the exemption from federal income taxation of interest on any Series of Bonds Outstanding.

### SUMMARY OF CERTAIN PROVISIONS OF THE INSTALLMENT SALE AGREEMENT

*The following is a summary of certain provisions of the Installment Sale Agreement. This summary is qualified in its entirety by reference to the document itself.*

**Sale of the Facilities.** The Issuer sells to the City and the SCSD, and the City and the SCSD purchase from the Issuer, the Issuer's interest in the existing school buildings and existing school building sites comprising the Facilities and Equipment in their "as is," "where is" and "subject to all faults condition" and upon and subject to the terms and conditions set forth in the Installment Sale Agreement. The SCSD shall at all times during the Agreement Term occupy, maintain, use and operate each of the Facilities, or cause each of the Facilities to be occupied, maintained, used and operated, in the same manner as existing school buildings owned by the City and operated and maintained by the SCSD as of the Closing Date and as a "project" in accordance with the provisions of the Syracuse Schools Act and the IDA Act and for the general purposes specified in the recitals to the Installment Sale Agreement. The SCSD shall not occupy, use or operate any of the Facilities or allow any of the Facilities or any part thereof to be occupied, used or operated for any unlawful purpose or in violation of any certificate of occupancy affecting any of the Facilities or which may constitute a nuisance, public or private.

**Agreement Term.** The Agreement Term shall commence on March 26, 2008, and shall expire on midnight (New York City time) on May 1, 2038 (but in no event sooner than the date upon which the Series 2008A Bonds, the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds shall cease to be Outstanding and the lien of the Series 2008 Indenture, the Series 2010 Indenture, the First Supplemental Indenture and the Series 2017 Indenture shall have been discharged) or such earlier date as the Bonds shall cease to be Outstanding and all amounts payable by the SCSD and/or the City under the Installment Sale Agreement have been paid in full. The Issuer hereby delivers to the SCSD and the SCSD hereby accepts sole and exclusive possession of the Facilities, subject to the terms and conditions set forth in the Installment Sale Agreement. The Issuer makes no representations whatsoever in connection with the condition of any of the Facilities, and the Issuer shall not be liable for any defects therein.

**Termination of License.** The Issuer's interest in the Facilities shall be conveyed (subject to the terms of the Security Documents) from the Issuer to the SCSD and the City upon the date of completion or abandonment of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project as evidenced by the certificate of the JSCB in accordance with the Installment Sale Agreement. The Installment Sale Agreement shall survive the transfer of the Issuer's interest in the Facilities to the SCSD and the City and shall remain in full force and effect until all of the principal of, and interest and premium, if any, on the Bonds and all other sums payable by the SCSD and/or the City under the Project Documents shall have been paid in full, and thereafter the indemnification obligations of the SCSD and release by the School Parties shall survive as set forth in the Installment Sale Agreement.

**The Series 2008 Project; Series 2010 Project; Series 2011 Project; Series 2017 Project.** Pursuant to the License and the Bill of Sale to Issuer, respectively, the City and the SCSD have vested the Issuer with a valid license in the Facilities and title to the Equipment, which interest and title the Issuer is selling to the SCSD and the City, subject to the terms and conditions set forth in the Installment Sale Agreement.

As promptly as practicable after receipt of the proceeds of sale of the: (w) Series 2008A Bonds, and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Issuer to effect the construction, rehabilitation, reconstruction, and/or equipping of the Central Tech Project and the

completion of the Design Phase, the costs thereof to be paid from the proceeds of sale of the Series 2008A Bonds deposited in the Project Fund established under the Series 2008 Indenture; (x) Series 2010 Bonds, and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Issuer to effect the acquisition, construction, renovation, reconstruction, improvement, equipping and/or furnishing of those Facilities to be financed in whole or in part from the proceeds of sale of the Series 2010 Bonds, the costs thereof to be paid from the proceeds of sale of the Series 2010 Bonds deposited in the Project Fund established under the Series 2010 Indenture; (y) Series 2011 Bonds, and out of said proceeds of sale, the JSCB will proceed as agent for and on behalf of the Issuer to effect the acquisition, construction, renovation, reconstruction, improvement, equipping and/or furnishing of those Facilities to be financed in whole or in part from the proceeds of sale of the Series 2011 Bonds, the costs thereof to be paid from the proceeds of sale of the Series 2011 Bonds deposited in the Project Fund established under the First Supplemental Indenture; and (z) the Series 2017 Bonds, and out of said proceeds of sale, the JSCB will proceed to refinance the costs of the Series 2008 Project and effectuate the redemption in whole or part of the Issuer's outstanding Series 2008A Bonds in the principal amount of \$34,780,000; and to pay permitted issuance costs, if any, costs of credit enhancement, if any, and fund a debt service reserve fund, if any, all with respect to the Series 2017 Bonds and pay the redemption costs of the Series 2008A Bonds. The JSCB reasonably believes that the Series 2008 Project, the Series 2010 Project and the Series 2011 Project, pursuant to the applicable Plans and Specifications, will allow for use of each Facility for its intended purposes. The JSCB reasonably believes that the Series 2017 Project will provide significant cost savings to the SCSD and the City. The JSCB agrees that it will use its best efforts to cause the Series 2008 Project, the Series 2010 Project, the Series 2011 Project and the Series 2017 Project to be completed as soon as may be practicable, delays incident to strikes, riots, acts of God, the public enemy or any delay beyond its reasonable control (as applicable) only excepted. The City and the SCSD agree that no delay in the completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project shall be the basis for any diminution in or postponement of the amounts payable under the Installment Sale Agreement by the City and the SCSD. In order to effect management of such work, with respect to the Series 2008 Project, the Series 2010 Project and the Series 2011 Project, the JSCB has entered into the Program Manager Agreement and as soon as practicable after the applicable Closing Date entered into one or more Construction Contracts for completion of the Central Tech Project, the Series 2008 Project, the Series 2010 Project and the Series 2011 Project in accordance with the applicable Plans and Specifications and construction schedule approved by the City Engineer. The Program Manager Agreement, each Construction Contract and each other agreement, contract, purchase order or other obligation entered into by the JSCB as agent for the Issuer shall expressly provide that the Issuer shall have no liability thereunder, except to the extent of proceeds from the sale of the Series 2008A Bonds, the Series 2010 Bonds and the Series 2011 Bonds which may be available therefor. As soon as practicable after the Closing Date, the JSCB shall enter into contracts with one or more Architects for completion of the Design Phase. The Issuer shall not be liable in any manner for payment or otherwise to any contractor, subcontractor, laborer or supplier of materials in connection with the purchase of any materials to be incorporated into a Facility or Facilities, except to the extent and solely from the proceeds of sale of the Series 2008A Bonds, the Series 2010 Bonds and the Series 2011 Bonds. In the event that moneys in the applicable Accounts within the Project Fund are not sufficient to pay the costs necessary to complete the work with respect to the Series 2008 Project, the Series 2010 Project or the Series 2011 Project, or pay applicable Costs or Project Costs with respect to the Series 2017 Project in full, none of the School Parties shall be entitled to any reimbursement therefor from the Issuer, the Series Trustee or the Holders of any of the Series 2008A Bonds, Series 2010 Bonds, Series 2011 Bonds or the Series 2017 Bonds (except from proceeds of Additional Bonds which may be issued for that purpose), nor shall the City and SCSD be entitled to any diminution of the Base Installment Purchase Payments, Installment Purchase Payments or Additional Payments to be made under this Agreement.

As between the Issuer and the JSCB, the JSCB, acting specifically as agent for the benefit of the Issuer, shall be responsible for the letting and supervision of contracts for the acquisition, construction, reconstruction, and equipping of a Facility, acceptance of a completed Facility or parts thereof, and all other matters incidental thereto. All contractors, materialmen, vendors, suppliers and other companies, firms or persons furnishing labor, services, equipment, furnishings or materials for or in connection with the work with respect to a Facility shall be designated by the JSCB, either on its own or as agent for the Issuer.

As between the Issuer on the one hand, and the School Parties on the other hand, the School Parties shall pay: (i) all of the costs and expenses in connection with the preparation of any instruments of conveyance and transfer of an interest in the Facilities to the Issuer pursuant to the License, the Bill of Sale to Agency, the delivery of any instruments and documents and their filing and recording, if required; (ii) all taxes and charges payable, if any, in connection with such conveyance and transfer, or attributable to periods prior to such conveyance and transfer; and (iii) all expenses or claims incurred in connection with the Series 2008 Project and not funded from the proceeds of sale of the Series 2008A Bonds; all expenses or claims incurred in connection with the Series 2010 Project and not funded from the proceeds of sale of the Series 2010 Bonds; all expenses or claims incurred in connection with the Series 2011 Project and not funded from the proceeds of sale of the Series 2011 Bonds (or any other Series of Additional Bonds); and all expenses or claims incurred in connection with the Series 2017 Project and not funded from the proceeds of the sale of the Series 2017 Bonds (or any other Series of Additional Bonds).

None of the School Parties will terminate the Intermunicipal Agreement or be excused from performing its obligations thereunder for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Issuer to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with the Installment Sale Agreement. The City and the SCSD covenant and agree to continue the Intermunicipal Agreement for its entire term and such additional terms as shall be required to complete the Series 2008 Project, the Series 2010 Project, the Series 2011 Project and the Series 2017 Project. The City and SCSD acknowledge that pursuant to the Syracuse Schools Act, all contracts, agreements and obligations of the JSCB are entered into and made on behalf of the City and the SCSD and in the event that the JSCB shall cease to exist for any reason whatsoever during the term of the Installment Sale Agreement, the Program Manager Agreement and any other contract, agreement or obligation of the JSCB relating to the Facilities shall remain in full force and effect and the City and SCSD shall stand jointly in the place and stead of the JSCB thereunder.

The JSCB covenants that, at all times as it shall be effecting the work of the Series 2008 Project, the Series 2010 Project and the Series 2011 Project, it will comply with all laws, acts, rules, regulations, permits, orders and requirements lawfully made, of any Federal, State, legislative, executive, administrative or judicial body, commission or office exercising any power of regulation or supervision over such work or over the manner of construction or operation thereof and with the conditions and requirements of all policies of liability insurance as specified in the Installment Sale Agreement. Upon completion of the work with respect to the Facilities, the JSCB will promptly obtain or cause to be obtained all required occupancy and operation permits, authorizations and licenses from appropriate authorities, if any be required, authorizing the occupancy, operation and use of such Facility for the purposes contemplated by the Installment Sale Agreement and shall furnish copies of same to the Applicable Trustee, immediately upon receipt thereof.

The JSCB further covenants that all contracts entered into by the JSCB for the Series 2008 Project, the Series 2010 Project and the Series 2011 Project in connection with the design, construction, rehabilitation, reconstruction and/or equipping of a Facility shall (i) be made in accordance with applicable law, including, but not limited to, the Syracuse Schools Act; (ii) contain a provision that the design and construction standards therefor shall be subject to the review and approval of the New York State Education Department; and (iii) contain a provision that the contractor shall furnish a labor and material bond guaranteeing prompt payment of moneys that are due to all persons furnishing labor or materials pursuant to the related contract and a performance bond, complying with New York General Municipal Law § 103-f.

The JSCB also covenants to cause its contractors, architects, consultants and others with whom it contracts with respect to the design, construction, rehabilitation, reconstruction, and/or equipping of a Facility, to provide liability insurance coverage against all forms of risk which are appropriate, including general and professional liability insurance normally associated with the type and nature of the service, product or combination thereof, contracted to be provided by such contractors, architects, consultants and others, and to name the Issuer as an additional insured as its interest may appear. The JSCB shall promptly deliver to the Issuer appropriate certificates of insurance evidencing the amount and scope of all liability insurance provided by each contractor, architect, consultant or other person pursuant to a contract with the JSCB with respect to the design, construction, rehabilitation, reconstruction, equipping, operation, maintenance and/or repair or otherwise providing work with respect to a Facility.

Upon the completion or abandonment by the JSCB of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project, the Series 2017 Project or any portions of either thereof, the JSCB shall deliver a certificate of an Authorized Representative of the JSCB to the Issuer and the Applicable Trustee to such effect.

Additional Facilities. The Issuer and the School Parties recognize that, under the provisions of and subject to the conditions set forth in the Series 2008 Indenture, the Series 2010 Indenture, the First Supplemental Indenture, the Series 2017 Indenture or a related Series Indenture, a Series of Additional Bonds or additional Series of Project Bonds may be issued from time to time pursuant to separate Series Indentures to finance the costs of the acquisition, construction, renovation, reconstruction, improvement, equipping and/or furnishing of Facilities and/or Additional Facilities.

Payment of Installment Purchase Payments. Subject to the provisions described under the heading "Nature of Obligations of the City and the SCSD" below, the City and the SCSD agree to pay or cause to be paid, the Base Installment Purchase Payments, with respect to the Series 2008 Bonds, as originally reflected on Schedule A to the Original Agreement, and the Installment Purchase Payments, with respect to the Series 2010 Bonds as originally reflected on Schedule A of the Second Amended Agreement; Installment Purchase Payments with respect to the Series 2011 Bonds in the amounts as set forth in Schedule A attached to the Third Amended Agreement; and Installment Purchase Payments with respect to the Series 2017 Bonds in the amounts set forth in the Installment Sale Agreement. Base Installment Purchase Payments and Installment Purchase Payments must be deposited by or on behalf of the City and the SCSD, as provided in the State Aid Depository Agreement, with the Applicable Trustee by no later than each Base Installment Purchase Payment Date and Installment Purchase Payment Date, as applicable; *provided, however*, that there shall be credited against any Base Installment Purchase Payments and Installment Purchase Payments any amounts available for such purposes and on deposit in the applicable Bond Fund, including any amounts deposited to a Bond Fund pursuant to Section 5.4 of each Series Indenture and any amounts deposited to a Bond Fund pursuant to Section 4.1(a) of each Series Indenture, with respect to the Series 2008 Bonds, and any Scheduled Debt Service Reserve Fund Earnings to the extent any such Scheduled Debt Service Reserve Fund Earnings shall not first be required

when received to be deposited in any Account of the Project Fund of the Series 2008 Indenture or to satisfy any deficiency in the Debt Service Reserve Fund as required by Section 5.5 of the Series 2008 Indenture (such net amount being the “*Net Base Facilities Agreement Payment*”); provided, however, that upon receipt by the City and the SCSD of written notice from the Series 2008 Trustee that the Scheduled Debt Service Reserve Fund Earnings were not received in whole or in part, the City and the SCSD shall immediately pay to the Series 2008 Trustee, subject to the provisions described under the heading “Nature of Obligations of the City and the SCSD” below, an amount equal to the deficiency (the City and the SCSD hereby acknowledging that such payment obligation is subject to the Intercept provisions of the Syracuse Schools Act).

Notwithstanding the foregoing and schedule of Base Installment Purchase Payments and Installment Purchase Payments, in the event the SCSD shall have failed to appropriate by November 1, commencing November 1, 2017, that amount of State Aid to Education required to make (less any amount on deposit in a Bond Fund on such November 1 and available on such date), and for the stated purpose of making, the Base Installment Purchase Payment and/or the Installment Purchase Payment due on the immediately succeeding April 1 as set forth on Schedule A attached to the Instalment Sale Agreement, then: (y) the SCSD shall promptly deliver written notice of such failure to the Issuer and each Applicable Trustee, and (z) that Base Installment Purchase Payment and/or Installment Purchase Payment next due on such immediately succeeding April 1 (less any amount on deposit in the applicable Bond Fund on such November 1 and available on such date) shall instead be due on the November 15 immediately following such November 1 as if that November 15 were the originally scheduled Base Installment Purchase Payment Date and/or Installment Purchase Payment Date. Base Installment Purchase Payments and Installment Purchase Payments must be deposited by or on behalf of the SCSD, as provided in the State Aid Depository Agreement, with the Applicable Trustee by no later than each Base Installment Purchase Payment Date and Installment Purchase Payment Date, respectively; provided, however, that there shall be credited against any Base Installment Purchase Payment and Installment Purchase Payment, as applicable, any amounts available for such purpose and on deposit in each Bond Fund, including any amounts deposited to the Bond Fund pursuant to Section 5.4 of each Applicable Indenture, and any amounts deposited to the Bond Fund pursuant to Section 4.1(a) of each Applicable Indenture.

Upon receipt by the City and the SCSD of notice from the Series 2008 Trustee pursuant to the Series 2008 Indenture that the amount on deposit in the Debt Service Reserve Fund (including any amounts deposited to the Debt Service Reserve Fund pursuant to Section 5.4 of the Series 2008 Indenture) shall be less than the Debt Service Reserve Requirement or upon receipt of notice that the provider of a Reserve Fund Credit Facility is owed any amounts in connection with a draw on such Reserve Account Credit Facility, the City and the SCSD shall immediately pay to the Series 2008 Trustee, subject to the provisions described under the heading “Nature of Obligations of the City and the SCSD” below, for deposit in the Debt Service Reserve Fund, an amount equal to the deficiency or the amount so owed the provider of such Reserve Fund Credit Facility.

The SCSD shall have the option to make from time to time prepayments in part of payments due as aforesaid of Base Installment Purchase Payments, with respect to the Series 2008 Bonds, and the applicable Installment Purchase Payments, with respect to the Series 2010 Bonds, the Series 2011 Bonds and the Series 2017 Bonds, together with interest accrued and to accrue and premium, if any, to be paid on the applicable Series of Bonds, if, but only if, such prepayment is to be used for the redemption or defeasance of such Series of Bonds. The Trustee shall apply such prepayments in such manner consistent with the provisions of the Applicable Indenture as may be specified in writing by an Authorized Representative of the SCSD at the time of making such prepayment. Upon any such prepayment, the Applicable Trustee shall, if necessary, and as applicable, recalculate the schedule of Base

Installment Purchase Payments or Installment Purchase Payments, as applicable as set forth in the applicable Schedule A with respect to the applicable Series of Bonds, in accordance with the Applicable Indenture and deliver a revised schedule to the SCSD and the Issuer, and such revised schedule shall be deemed to replace the then-existing applicable Schedule A.

Direction as to Payment of Base Installment Purchase Payments and Installment Purchase Payments. Base Installment Purchase Payments shall be paid to the Series 2008 Trustee for credit to the Bond Fund and Reserve Payments shall be paid to the Series 2008 Trustee for deposit to the Debt Service Reserve Fund under the Series 2008 Indenture to the extent of any deficiency therein. Installment Purchase Payments shall be paid to the Series 2010 Trustee for credit to the Applicable Bond Fund under the Series 2010 Indenture and the First Supplemental Indenture; and to the Series 2017 Trustee for credit to the Applicable Bond Fund under the Series 2017 Indenture.

Indemnification of the Issuer and Applicable Trustee and Limitation on Liability. The SCSD shall, to the maximum extent permitted by law, at all times protect, defend and hold the Issuer, the Applicable Trustee, the Bond Registrar, the Paying Agents and the Depository Bank and their respective officers, members, directors, employees and agents (collectively, the "**Indemnified Parties**") harmless of, from and against any and all claims (whether in tort, contract or otherwise), demands, expenses and liabilities for losses, damage, injury and liability of every kind and nature and however caused, and taxes (of any kind and by whomsoever imposed), other than, with respect to any Indemnified Party, losses arising from the gross negligence or willful misconduct of such Indemnified Party, arising upon or about any of the Facilities or resulting from, arising out of, or in any way connected with (i) the financing of the costs of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project and the Series 2017 Project and the marketing, remarketing, issuance and sale of the Bonds from time to time for such purpose, (ii) the planning, design, acquisition, site preparation, construction, renovation, equipping, furnishing, installation or financing of the Facilities or any part of any thereof or the effecting of any work done in or about any of the Facilities, (iii) any defects (whether latent or patent) in any of the Facilities, (iv) the maintenance, repair, replacement, restoration, rebuilding, upkeep, use, occupancy, ownership, leasing, subletting or operation of any of the Facilities or any portion thereof, or (v) this Agreement, the Series 2008 Indenture, the Series 2010 Indenture, the First Supplemental Indenture, the Series 2017 Indenture or any other Project Document or other document or instrument delivered in connection herewith or therewith or the enforcement of any of the terms or provisions hereof or thereof or the transactions contemplated hereby or thereby. Such indemnification set forth above shall be binding upon the SCSD for any and all claims, demands, expenses, liabilities and taxes set forth herein and shall survive the termination of this Agreement. Except as provided above, no Indemnified Party shall be liable for any damage or injury to the person or property of the any School Party or its officials, members, directors, officers, employees, agents or servants or persons under the control or supervision of any School Party, or any other Person who may be about any of the Facilities, due to any act or negligence of any Person other than for the gross negligence or willful misconduct of such Indemnified Party.

Each School Party releases each Indemnified Party from, and agrees, to the maximum extent permitted by law, that no Indemnified Party shall be liable for and agrees to defend, indemnify and hold each Indemnified Party harmless against any expense, loss, damage, injury or liability incurred because of any lawsuit commenced as a result of action taken by such Indemnified Party with respect to any of the matters set forth in the Installment Sale Agreement or at the direction of any School Party with respect to any of such matters above referred to; provided, however, that such indemnification by the SCSD shall not extend to any Indemnified Party whose gross negligence or willful misconduct resulted in such expense, loss, damage, injury or liability. An Indemnified Party shall promptly notify the SCSD in writing of any claim or action brought against such Indemnified Party in which indemnity may be sought

against the SCSD pursuant to the Installment Sale Agreement; such notice shall be given in sufficient time to allow the SCSD to defend or participate in such claim or action, but the failure to give such notice in sufficient time shall not constitute a defense under the Installment Sale Agreement nor in any way impair the obligations of the SCSD under the Installment Sale Agreement, except that if (i) the Indemnified Party shall have had knowledge or notice of such claim or action but shall not have timely notified the SCSD of any such claim or action, (ii) the SCSD shall have had no knowledge or notice of such claim or action, and (iii) the SCSD's ability to defend or participate in such claim or action is materially impaired by reason of not having received timely notice thereof from the Indemnified Party, then the SCSD's obligation to so defend and indemnify such Indemnified Party shall be qualified to the extent (and only to the extent) of such material impairment.

The indemnifications and protections set forth in the Installment Sale Agreement shall be extended, with respect to each Indemnified Party, to its members, directors, officers, employees, agents and servants and persons under its control or supervision.

Anything to the contrary in the Installment Sale Agreement notwithstanding, the indemnification, hold harmless and release covenants of the School Parties contained in the Installment Sale Agreement shall remain in full force and effect after the termination of the Installment Sale Agreement until the later of (i) the expiration of the period stated in the applicable statute of limitations during which a claim or cause of action may be brought and (ii) payment in full or the satisfaction of such claim or cause of action and of all expenses and charges incurred by the Indemnified Party relating to the enforcement of the provisions therein specified.

None of the School Parties shall be deemed an employee, agent or servant of the Issuer or under the Issuer's control or supervision.

Nature of Obligations of the City and the SCSD. Except as otherwise provided under this heading, the obligation of the City and the SCSD to pay Installment Purchase Payments and Additional Payments shall be absolute and unconditional, and such Installment Purchase Payments and Additional Payments shall be payable without any rights of set-off, recoupment or counterclaim or deduction and without any right of suspension, deferment, diminution or reduction it might otherwise have against the Issuer, the Applicable Trustee, any purchaser of any Bond or any other person, and whether or not the Facilities or any of them are used or occupied by the School Parties or available for use or occupancy by the School Parties.

The obligation of the SCSD to pay Installment Purchase Payments shall be deemed executory only to the extent of State Aid to Education appropriated by the State and available to the City and/or the SCSD for the purpose of the Installment Sale Agreement and the State Aid Depository Agreement, and moneys budgeted by the SCSD and appropriated by the City for such purpose, and no liability on account thereof shall be incurred by the City and the SCSD beyond the amount of such moneys; *provided however*, that the failure of the City and the SCSD for any reason (including a failure by the SCSD to budget for Installment Purchase Payments, a failure by the City to approve a budget for the SCSD providing for payment of Installment Purchase Payments or a failure by the State to appropriate State Aid Revenues) to make an Installment Purchase Payment or an Additional Payment shall be deemed a failure to make a payment for purposes of the Installment Sale Agreement and the Syracuse Schools Act, and in such event, the Issuer has appointed the Applicable Trustee to act as its agent for purposes of taking action under the intercept provisions of the Syracuse Schools Act. Further, the obligation of the City and the SCSD to pay Installment Purchase Payments is not a general obligation of the City or the SCSD. Neither the full faith and credit of the City or the SCSD nor the taxing power of the City is pledged to the payment of any Installment Purchase Payment or Additional Payment due under the Installment Sale

Agreement. However, the obligations of the SCSD and the City under the Installment Sale Agreement to pay Additional Payments shall be a general obligation of the City and the SCSD, executory, however, only to the extent of moneys budgeted by the SCSD and approved and appropriated therefor by the City. It is understood that neither the Installment Sale Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make moneys available for the purposes of the Installment Sale Agreement.

The obligations of the City and the SCSD under the Installment Sale Agreement, including their respective obligation to pay the Installment Purchase Payments and Additional Payments in any Fiscal Year for which the Installment Sale Agreement is in effect, shall constitute a current expense of the SCSD for such Fiscal Year and shall not constitute an indebtedness of the City or the SCSD within the meaning of any constitutional or statutory provision or other laws of the State. The only source of moneys available to the City and the SCSD for the payment of any Installment Purchase Payment coming due under the Installment Sale Agreement shall be moneys comprising State Aid to Education lawfully appropriated by the State and available therefor from time to time to or for the benefit of the SCSD, and approved and appropriated for such purpose by the City.

The SCSD agrees that (i) its proposed expense budget for each ensuing Fiscal Year commencing with the Fiscal Year ending June 30, 2009 shall include, either as a separate item of expenditure or as an expenditure within a budget item, the amount of Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year; and (ii) it shall approve payment of such Installment Purchase Payments and Additional Payments after appropriation by the City therefor. The City agrees that it shall approve a budget for the SCSD containing such item of expenditure or budget item and appropriate sufficient funds each ending Fiscal Year commencing with the Fiscal Year ending June 30, 2009 to make the Installment Purchase Payments and Additional Payments to come due in such next Fiscal Year, provided, however, that any such appropriation (y) of Installment Purchase Payments shall only be payable by the City and the SCSD to the extent of State Aid Revenues, and (z) of Additional Payments shall only be payable by the City and the SCSD to the extent contained in the SCSD budget approved by the City.

Subject to the limitations contained in the second paragraph under this heading, none of the School Parties will terminate the Installment Sale Agreement (other than such termination as is provided for therein) or be excused from performing its obligations therein for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, failure of title, or frustration of purpose, or any damage to or destruction of any of the Facilities, or the taking by eminent domain of title to or the right of temporary use of all or any part of any of the Facilities, or the failure of the Issuer to perform and observe any agreement or covenant, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with the Installment Sale Agreement.

The School Parties presently intend to continue the Installment Sale Agreement for its entire term and to pay all Base Installment Purchase Payments specified in the schedule attached to the Installment Sale Agreement as such Base Installment Purchase Payments come due under the terms and provisions of the Installment Sale Agreement.

No provision contained above shall be deemed to limit, impair or modify the intercept provisions of the Syracuse Schools Act or the application of the implementing provisions of the Applicable Indenture.

For purposes of this heading, references to the “approval” of the SCSD budget by the City shall include the affirmative approval of the SCSD budget by ordinance of the City’s Common Council approved by the Mayor of the City or, in the absence of such an ordinance, the effectiveness by the passage of time of an SCSD budget pursuant to the charter of the City.

Directed State Aid Revenues. Pursuant to instructions, the Commissioner of Finance of the City and the President of the Board of Education have directed the State Comptroller’s Office to deposit all State Aid to Education into the State Aid Depository Fund established under the State Aid Depository Agreement, and the Commissioner of Financer of the City and the President of the Board of Education have further instructed the Depository Bank, pursuant to the terms and provisions of the State Aid Depository Agreement, to transfer State Aid to Education to the Applicable Trustee and each other Series Trustee in accordance with the State Aid Depository Agreement for the purpose of, in the case of the Applicable Indenture, making deposits in the Bond Fund with respect to amounts due on the Bonds and for replenishing deficiencies in the Debt Service Reserve Fund. The City and the SCSD agree not to modify the procedures set forth in the State Aid Depository Agreement for the collection, deposit or disbursement of State Aid Revenues, except as and to the extent permitted under the State Aid Depository Agreement.

Each of the City and the SCSD acknowledges that, pursuant to the intercept provisions of the Applicable Indenture (and the Syracuse Schools Act), in the event of a failure to make a payment under the Installment Sale Agreement in the amount and by the date the same is due (for any reason, including the failure of the SCSD or the City to budget for and appropriate moneys for such purpose and approve payment thereof with moneys appropriated therefor), the Issuer has appointed the Applicable Trustee to act as its agent under the Applicable Indenture for the purpose of delivering a certificate to the State Comptroller certifying as to such failure and setting forth the amount of such deficiency, and the State Comptroller, upon receipt of such certificate, shall be authorized to withhold from the City and the SCSD such state and/or school aid as is payable to the City or the SCSD to the extent of the amount so stated in such certificate of the Applicable Trustee as not having been made, and the State Comptroller shall immediately pay over to the Applicable Trustee on behalf of the Issuer, the amount of such state and/or school aid so withheld. Notwithstanding anything to the contrary contained in the Installment Sale Agreement, amounts of such state and/or school aid received by the Applicable Trustee on behalf of the Issuer and applied to the Installment Purchase Payments or Additional Payments shall be deemed to satisfy the obligation of the City and the SCSD to make such defaulted payment to the extent of the amount received.

Operation, Maintenance and Repair. During the Agreement Term, the SCSD shall be responsible for, and pay all costs of, operating the Facilities, maintaining the same in good and safe condition, and making all necessary repairs and replacements, interior and exterior, structural and non-structural. All replacements, renewals and repairs shall be equal in quality, class and value to the original work and be made and installed in compliance with the requirements of all governmental bodies. The Issuer shall be under no obligation to replace, service, test, adjust, erect, maintain or effect replacements, renewals or repairs of any of the Facilities, to effect the replacement of any inadequate, obsolete, worn-out or unsuitable parts of any of the Facilities, or to furnish any utilities or services for any of the Facilities and the SCSD agrees to assume full responsibility therefor.

Utilities, Taxes and Governmental Charges. The SCSD will pay or cause to be paid all charges for water, electricity, light, heat or power, sewage, telephone and other utility service, rendered or supplied upon or in connection with the Facilities during the Agreement Term.

In addition, the SCSD shall (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any Federal, state or any municipal government upon the Issuer, the City or the SCSD with respect to or upon any of the Facilities or any part thereof or upon any payments under the Installment Sale Agreement when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities; (iii) not create or suffer to be created any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon the payments in respect thereof under the Installment Sale Agreement; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon any of the Facilities or any part of any thereof, except Permitted Encumbrances, or upon any payments under the Installment Sale Agreement and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments under the Installment Sale Agreement.

Additions, Enlargements and Improvements. The SCSD shall have the right at any time and from time to time during the Agreement Term, at its own cost and expense, to make such additions, enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, any of the Facilities, as the SCSD shall deem necessary or desirable in connection with the use of such Facilities. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the value of the related Facility or the rental value thereof. The cost of any such additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so that the affected Facility shall at all times be free of liens for labor and materials supplied thereto other than Permitted Encumbrances.

Additional Rights of SCSD. The Issuer agrees that the SCSD shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense equipment (not constituting part of the Series 2008 Project, the Series 2010 Project or of the Series 2011 Project) in or upon any Facility as may in the SCSD's judgment be necessary for its purposes. It is further understood and agreed that any equipment erected or installed under the provisions described under this heading shall be and remain the personal property of SCSD and, if not constituting part of the Series 2008 Project, the Series 2010 Project or of the Series 2011 Project, shall not become subject to the Installment Sale Agreement, and may be removed, altered or otherwise changed, upon or before the termination of the Installment Sale Agreement.

Liability Insurance. The JSCB shall maintain or cause to be maintained with responsible insurers, for the benefit of the Issuer and the Applicable Trustee until the later of the completion of the Series 2008 Project, the Series 2010 Project, the Series 2011 Project or the Series 2017 Project in accordance with the provisions of the Installment Sale Agreement set forth under the heading "The Project Fund", the following kinds and the following amounts of insurance with respect to the Facilities, with such variations as shall reasonably be required to conform to customary insurance practice:

During any period of construction or reconstruction of any of the Facilities, Builders' Special Form Insurance written on "100% builders' risk completed value, non-reporting form" including coverage therein for "completion and/or premises occupancy" and coverage for property damage insurance, all of which insurance shall include coverage for removal of debris, insuring the buildings, structures, facilities, machinery, equipment, fixtures and other property included within reconstruction of any of the Facilities against loss or damage by fire, lightning, vandalism, malicious mischief and other casualties, with standard extended coverage endorsement covering perils of windstorm, hail, explosion,

aircraft, vehicles and smoke (except as limited in the standard form of extended coverage endorsement at the time in use in the State) at all times in an amount such that the proceeds of such insurance shall be sufficient to prevent the School Parties, the Issuer or the Applicable Trustee from becoming a co-insurer of any loss under the insurance policies; any such insurance may limit coverage to \$20,000,000 for any one Facility;

During any period of construction or reconstruction of any of the Facilities, commercial public liability insurance with respect to the construction activities at the Facilities in a minimum amount of \$26,000,000 per occurrence and aggregate, which insurance may be effected under overall blanket or excess coverage policies, provided, however, that at least \$1,000,000 is effected by a comprehensive liability insurance policy; and

Workers' compensation insurance and such other forms of insurance which the City, the SCSD or the Issuer is required by law to provide covering loss resulting from injury, sickness, disability or death of the employees of any contractor or subcontractor performing work with respect to any of the Facilities included within the Series 2008 Project, the Series 2010 Project and the Series 2011 Project; the JSCB shall require that all said contractors and subcontractors shall maintain all forms or types of insurance with respect to their employees required by law.

Prior to the commencement of construction of the Facilities, the JSCB shall deliver or cause to be delivered to the Issuer and to the Applicable Trustee duplicate copies of insurance policies obtained by the JSCB under the Installment Sale Agreement and/or binders evidencing compliance with the insurance requirements of the Installment Sale Agreement. If any change shall be made in any such insurance, a description and written notice of such change shall be furnished by the JSCB to the Issuer and the Applicable Trustee thirty (30) days in advance of such change.

At least thirty (30) days prior to the expiration of any insurance policy required under the Installment Sale Agreement, the JSCB shall furnish the Issuer and the Applicable Trustee with evidence that such policy has been renewed or replaced or is no longer required by the Installment Sale Agreement.

All insurance required by the Installment Sale Agreement above shall be procured and maintained in financially sound and generally recognized responsible insurance companies authorized to write such insurance in the State.

The JSCB shall, at its own cost and expense of the SCSD and the City, make all proofs of loss and take all other steps necessary or reasonably requested by the Issuer or the Applicable Trustee to collect from insurers for any loss covered by any insurance required to be obtained under this heading. A School Party shall not do any act, or suffer or permit any act to be done, whereby any insurance required under this heading would or might be suspended or impaired. The SCSD assumes all risks that the proceeds of any insurance may be inadequate to fully indemnify the Issuer and the Applicable Trustee against, or to reimburse the Issuer and the Applicable Trustee for, any loss, liability, claim or judgment arising out of any risk, peril or insurable loss under the insurance required by the Installment Sale Agreement. The SCSD acknowledges that the SCSD shall be solely responsible for the payment of any loss, liability, claim or judgment, or any portion thereof, falling within any deductible or self insured retention or which is in excess of any available insurance coverage.

Damage, Destruction or Condemnation. The School Parties agree to notify the Issuer and the Applicable Trustee immediately in the case of damage to or destruction of any Facility or any portion thereof in an amount exceeding \$100,000 resulting from fire or other casualty, and shall state the plans of the School Parties with respect to the repair, reconstruction and restoration of the affected Facility.

If any Facility or portion thereof shall be condemned or taken by eminent domain, the Installment Sale Agreement (with respect to the affected Facility or portion thereof) and the interest of the City and the SCSD thereunder shall terminate when title to such Facility or portion thereof vests in the party condemning or taking the same (hereinafter referred to as the “*termination date*”), and the School Parties will promptly give notice thereof to the Issuer and the Applicable Trustee, and shall state the plans of the School Parties with respect to the replacement or restoration of the affected Facility.

If any Facility shall be damaged or destroyed (in whole or in part), or the whole or any part of any Facility shall be taken or condemned by a competent authority or by agreement between the City and/or the SCSD and those authorized to exercise such right or if the temporary use of any Facility or any part thereof shall be so taken by condemnation or agreement (a “*Loss Event*”) at any time while the Installment Sale Agreement is in effect:

(i) the Issuer shall have no obligation to replace, repair, rebuild, restore or relocate the affected Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the City and the SCSD under the Installment Sale Agreement (whether or not the affected Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) the proceeds derived from the insurance (after payment of all reasonable expenses, costs and taxes (including attorneys’ fees) (the “*Net Proceeds*”) incurred in obtaining such proceeds) shall be deposited in the Project Fund, and, subject to the provisions clause (iv) below, at the option of the City, shall be applied to either (A) replace, repair, rebuild, restore or relocate the affected Facility, or (B) redeem a principal amount of Bonds equal to such proceeds in accordance with the Applicable Indenture; and

(iv) If the School Parties replace, repair, rebuild, restore or relocate the affected Facility, the Applicable Trustee shall disburse such proceeds from the Project Fund in the manner set forth in the Applicable Indenture to pay or reimburse the School Parties for the cost of such replacement, repair, rebuilding, restoration or relocation. Notwithstanding anything to the contrary in clause (iii) above, if (A) the aggregate net proceeds derived from insurance with respect to a particular loss are less than \$50,000, and (B) no Event of Default then exists under the Applicable Indenture or the Installment Sale Agreement; the School Parties shall be entitled to withdraw such proceeds from the Project Fund for application to Project Costs in accordance with the Installment Sale Agreement and with the Tax Compliance Documents.

Any such replacements, repairs, rebuilding, restorations or relocations shall be subject to the following conditions:

(i) the restored Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the restored Facility shall continue to constitute a “project” as such term is defined in the Syracuse Schools Act, and the tax-exempt status of the interest on the Bonds shall not, in the opinion of Nationally Recognized Bond Counsel, be adversely affected; and

(iii) the restored Facility will be subject to no Liens other than Permitted Encumbrances.

All such repair, replacement, rebuilding, restoration or relocation of a Facility shall be affected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements and shall be promptly and fully paid for by the School Parties in accordance with the terms of the applicable contracts.

In the event such Net Proceeds are not sufficient to pay in full the costs of such replacement, repair, rebuilding, restoration or relocation, the School Parties shall nonetheless complete the work and pay from its own moneys or from proceeds of Additional Bonds, if any, issued for such purpose that portion of the costs thereof in excess of such proceeds. All such replacements, repairs, rebuilding, restoration or relocations made, whether or not requiring the expenditure of the money of the School Parties, shall automatically become a part of a Facility as if the same were specifically described in the Installment Sale Agreement.

Any balance of such proceeds remaining in the Project Fund after payment of all costs of replacement, repair, rebuilding, restoration or relocation of an affected Facility shall, subject to any rebate required to be made to the federal government pursuant to the Applicable Indenture or the Tax Compliance Documents, be used to redeem the Bonds as provided in the Applicable Indenture. If the entire amount of the Bonds and interest thereon has been fully paid, or provision therefor has been made in accordance with the Applicable Indenture, all such remaining proceeds shall be paid to the City for the benefit of the SCSD.

Compliance with Laws and Regulations. Each of the JSCB and the SCSD will, at its own cost and expense, promptly comply with, or cause to be complied with, all laws, rules, regulations and other governmental requirements, whether or not the same require structural repairs or alterations, which may be applicable to the School Parties and any of the Facilities or the use or manner of use of any of the Facilities; provided, however, the obligation of the JSCB or the SCSD to comply with any such law, rule, regulation or governmental requirement shall be suspended during any contest thereof in good faith by the JSCB or the SCSD, which contest is being diligently prosecuted. Each of the JSCB and the SCSD will also observe and comply with the requirements of all policies and arrangements of insurance at any time in force with respect to the Facilities.

Assignment and Sale by the School Parties. The School Parties will not sell, lease, transfer or otherwise dispose of or encumber any of their interest in any of the Facilities except in the case of Permitted Encumbrances or as provided under the heading "Release of Facilities" below; provided, however, that the SCSD may lease or license part of any Facility (x) for a purpose and use consistent with the License and the Installment Sale Agreement, (y) upon delivery to the Applicable Trustee of an Opinion of Counsel to the effect that such lease or license shall neither limit nor impair the obligations of the School Parties under the Installment Sale Agreement, and (z) upon delivery to the Applicable Trustee of an opinion of Nationally Recognized Bond Counsel to the effect that such lease or license will not cause interest on any of the Bonds to become includable in gross income for federal income tax purposes. The Installment Sale Agreement may be assigned in whole or in part by one or more of the School Parties upon written consent of the Issuer, the other School Parties and the Applicable Trustee (which consent may be unreasonably withheld) but no assignment shall relieve the School Parties from primary liability for any of its obligations under the Installment Sale Agreement, and in the event of any such assignment each of the School Parties shall continue to remain primarily liable for the respective payments specified in the Installment Sale Agreement and for performance and observance of the other agreements provided on its part in the Installment Sale Agreement.

Covenant not to Affect the Tax-Exempt Status of the Bonds. The School Parties each agree that throughout the Agreement Term, it will comply with the Tax Compliance Documents and it will take no

action, or permit any action to be taken, with respect to any Facility which will impair the exemption of interest on any Outstanding Bonds from Federal income taxes.

Covenants as to State Aid Depository Agreement. The City and the SCSD agree not to revoke the instructions furnished to the State Comptroller's office to forward all State Aid to Education payments to the Depository Bank. The City and the SCSD also agree to comply with and not to terminate the State Aid Depository Agreement or materially modify the terms and provisions thereof, except as may be permitted under the terms of the State Aid Depository Agreement.

Release of Facilities. So long as there exists no event of default under the Installment Sale Agreement, nor any event which upon the giving of notice or the passage of time or both, would constitute an event of default, the SCSD may, upon written notice to the Issuer and the Applicable Trustee and compliance with the following, effect the release of a Facility, to no longer be used by the SCSD as a public school, or the costs with respect to which have been financed with the Bonds which are no longer Outstanding, from the Installment Sale Agreement and the License. Upon receipt of such notice, the Issuer and the Applicable Trustee shall, at the sole cost and expense of the SCSD, execute and deliver any and all instruments necessary or appropriate to so release and remove such Facility from the Facilities subject to the Installment Sale Agreement and the License; provided, however, that in the event the release is of the last remaining Facility, the SCSD and the City must further pay Base Installment Purchase Payments necessary to effect the redemption in whole of the Bonds.

No conveyance or release effected under the provisions described under this heading shall entitle the SCSD or the City to any abatement or diminution of the Installment Purchase Payments or the Additional Payments required to be made by the SCSD and the City under the Installment Sale Agreement.

Compliance with Requirements for State Aid to Education and Other State and/or School Aid. The City and the SCSD will comply with all requirements necessary to ensure receipt of State Aid to Education and other state and/or school aid payable to the City or the SCSD over the term of the Installment Sale Agreement.

No Impairment of Pledge of State Aid to Education and Other State and/or School Aid. Each of the School Parties covenants and agrees that it shall enter into no agreement, indenture or other instrument, including any Series Facilities Agreement, in connection with a Series of Project Bonds under a Series Indenture, which shall have the effect, directly or indirectly, of providing a greater priority or preference to the intercept of state and/or school aid payable to the City or the SCSD under the Syracuse Schools Act; provided, however, that nothing contained in the Installment Sale Agreement shall be deemed (y) to limit or deny the ability of the issuer of a Series of Project Bonds to pledge State Aid to Education on a parity with the pledge effected by the Issuer under the Applicable Indenture, or (z) to require that any Series of Project Bonds issued under a Series Indenture have the same payment dates or amortize principal on a schedule comparable to that of the Bonds Outstanding under the Applicable Indenture, or that any lease rental payment dates or installment purchase payment dates, as applicable, under a Series Facilities Agreement be the same as provided for under the Installment Sale Agreement.

Events of Default. An "event of default" or a "default" shall mean, whenever they are used herein, any one or more of the following events:

- (a) Default in the due and punctual payment of any Installment Purchase Payment (other than failure to pay as a result of an Event of Nonappropriation);

(b) Default in the due and punctual payment of any Additional Payment, which default shall continue for a period of thirty (30) days after payment thereof was due;

(c) Failure by any School Party to observe and perform any of the terms and covenants on its part to be observed or performed set forth in Section 4.4(d), 4.4(e), 4.4(f), 7.12 or 7.21 hereof;

(d) Failure of the SCSD to observe and perform the covenants set forth in Section 4.3 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the SCSD of written notice specifying the nature of such default from the Issuer or the Trustee;

(e) Failure of the JSCB to observe and perform the covenants set forth in Section 5.5 hereof, and continuance of any such failure for a period of thirty (30) days after receipt by the JSCB of written notice specifying the nature of such default from the Issuer or the Trustee;

(f) Failure by any School Party to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in paragraphs (a), (b), (c), (d) and (e) of this Section, which failure shall continue for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the defaulting party and the other School Parties by the Issuer, the Applicable Trustee or the Holders of more than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, unless by reason of the nature of such failure the same cannot be remedied within such thirty (30) day period and the defaulting party has within such period commenced to take appropriate actions to remedy such failure and is diligently prosecuting such actions.

(g) The City or the SCSD shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or against the City or the SCSD seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver; trustee, or other similar official for it for any substantial part of its property; or the City or the SCSD shall authorize any of the actions set forth above in this paragraph (g); or

(h) The entering of an order or decree appointing a receiver of the Facilities or any thereof with the consent or acquiescence of the City or the SCSD or the entering of such order or decree without the acquiescence or consent of the City or the SCSD if it shall not be vacated, discharged or stayed within ninety (90) days after entry.

Notwithstanding anything contained in this Section to the contrary, a failure by the City or the SCSD to pay when due any payment required to be made hereunder or a failure by the City or the SCSD to observe and perform any covenant, condition or agreement on its part to be observed or

performed hereunder, resulting from a failure by the Board of Education to include such payment obligation and moneys for such purposes in the annual budget for the SCSD, failure by the City to approve such budget and appropriate moneys for such purpose, or a failure by the SCSD to approve payment thereof after appropriation by the City therefor shall not constitute an event of default hereunder. However, the failure by the City or the SCSD to pay when due any payment required to be made by it under this Agreement shall constitute a failure to make a payment under this Agreement for purposes of the Syracuse Schools Act, and in such event the Issuer has appointed the Trustee to act as its agent for purposes of taking action under Section 5.4 of the Indenture. The City and the SCSD agree to provide written notice to the Trustee indicating either (i) the Board of Education submitted an annual budget for the SCSD to the Mayor of the City that fails to include a separate line item representing the full amount of Installment Purchase Payments payable during the applicable Fiscal Year, (ii) the City approved an annual budget for the SCSD that fails to include such a separate line item, or (iii) the SCSD failed to approve payment of such full amount after appropriation by the City therefor.

Remedies. Whenever any event of default as provided above shall have happened and be continuing, or whenever an Event of Nonappropriation shall have occurred and be continuing, the Issuer (with the prior written consent of the Applicable Trustee) or the Applicable Trustee, subject in all respects to the provisions under the heading “Nature of Obligations of the City and the SCSD” above, may take whatever action at law or in equity may appear necessary or desirable to collect the payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the School Parties under the Installment Sale Agreement. For so long as any of the Bonds are Outstanding or any amounts remain due and payable by the School Parties under the Installment Sale Agreement, neither the Issuer nor the Applicable Trustee shall take any action which shall have the effect of terminating the Installment Sale Agreement or the interest in or rights of possession of the City or the SCSD in the Facilities, provided, however, that in addition to any other rights or remedies granted under this heading to the Issuer, the Issuer may enforce any of the Issuer’s Reserved Rights without the consent of the Applicable Trustee or any other person, by an action for damages, injunction or specific performance.

No action taken pursuant to provisions under this heading shall relieve any School Party from the its obligations under the Installment Sale Agreement, all of which shall survive any such action.

Cure. Notwithstanding any remedy taken by the Issuer or the Applicable Trustee pursuant to the provisions described under the immediately preceding heading, if all arrears of Installment Purchase Payments, and all other Additional Payments, shall have been paid, all other things shall have been performed in respect of which there was an event of default or Event of Nonappropriation and there shall have been paid the reasonable fees and expenses, including expenses of the Applicable Trustee (including reasonable attorneys’ fees paid or incurred), then the event of default or Event of Nonappropriation shall be waived without further action by the Applicable Trustee or the Issuer.

No Remedy Exclusive. Subject to the provisions of the second sentence under the heading “Remedies” above, no remedy conferred in the Installment Sale Agreement upon or reserved to the Issuer or the Applicable Trustee is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given in the Installment Sale Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Applicable Trustee to exercise any remedy reserved to it in the Installment Sale Agreement it shall not be necessary to give any notice, other than such notice as may be expressly required in the Installment Sale Agreement.

Effect on Discontinuance of Proceedings. In case any proceeding taken by the Applicable Trustee under the Applicable Indenture or the Installment Sale Agreement or under any other Security Document on account of any event of default or Event of Nonappropriation under the Installment Sale Agreement or the Applicable Indenture shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Applicable Trustee, then, and in every such case, the Issuer, the Applicable Trustee and the Holders of the Bonds shall be restored, respectively, to their former positions and rights thereunder, and all rights, remedies, powers and duties of the Applicable Trustee shall continue as in effect prior to the commencement of such proceedings.

Limitations on Termination of Agreement. Neither the Issuer, the Applicable Trustee nor any School Party shall take or fail to take any action which would cause the Installment Sale Agreement to terminate while any Bonds remain Outstanding or any amounts remain due and payable under the Installment Sale Agreement or prior to the discharge of the lien of the Applicable Indenture.

Re: City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project), Series 2017

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance on the date hereof by the City of Syracuse Industrial Development Agency (the “*Issuer*”) of its School Facility Revenue Refunding Bonds, Series 2017 (Syracuse City School District Project) in the aggregate principal amount of \$29,260,000 (the “*Series 2017 Bonds*”).

The Series 2017 Bonds are authorized to be issued pursuant to (i) Title I of Article 18-A of the General Municipal Law of the State of New York (the “*State*”), as amended, and Section 926 of the State’s General Municipal Law, as amended from time to time (collectively, the “*IDA Act*”) and Chapter 58, Part A-4 of the Laws of 2006 of the State, as amended (the “*Syracuse Schools Act*”); (ii) a certain Indenture of Trust (Series 2017 Project) dated as of April 1, 2017 (the “*Indenture*”) by and between the Issuer and Manufacturers and Traders Trust Company, as trustee (the “*Trustee*”); and (iii) a resolution adopted by the Issuer on January 24, 2017 (the “*Resolution*”). Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Indenture.

The Series 2017 Bonds are being issued to finance a project (the “*Series 2017 Project*”) undertaken by the Issuer at the request of the Syracuse Joint Schools Construction Board (the “*JSCB*”), acting as agent of the City of Syracuse, New York (the “*City*”) and the City School District of the City of Syracuse (the “*SCSD*”), consisting of: (a) the refunding of the Issuer’s outstanding School Facility Revenue Bonds (Syracuse City School District Project) Series 2008A (the “*Series 2008A Bonds*” or the “*Refunded Bonds*”) in the principal amount of \$34,780,000, which were each issued to finance a portion of the cost of the acquisition, renovation, reconstruction, improvement, equipping and furnishing of certain public schools (collectively, the “*Facilities*”) for use by the SCSD; and (b) the payment of permitted issuance costs, if any, costs of credit enhancement, if any, and funding a debt service reserve fund, if any, all with respect to the Series 2017 Bonds and pay associated redemption costs of the Refunded Bonds.

The Series 2017 Bonds are dated the date hereof, are issued as fully registered bonds without coupons and mature and bear interest as set forth therein. The Series 2017 Bonds are subject to redemption prior to maturity upon the terms and conditions set forth therein and in the Indenture.

The SCSD, the City and Manufacturers and Traders Trust Company, as Depository Bank (as the "**Depository Bank**") have entered into a certain State Aid Depository Agreement, dated as of March 1, 2008, as amended by the First Amended and Restated State Aid Depository Agreement, dated as of December 1, 2010 (as the same may be further amended or supplemented from time to time, collectively the "**State Aid Depository Agreement**"), pursuant to and with respect to which each of the Commissioner of Finance of the City and the SCSD have instructed the State Comptroller to pay all New York State building and operating aid appropriated by the State for the SCSD directly to the State Aid Depository Fund established with and held by the Depository Bank pursuant to the State Aid Depository Agreement.

The City and the SCSD have granted a license to the Issuer in and to the Facilities pursuant to a License Agreement (Series 2008 Project), dated as of March 1, 2008, among the City, the SCSD and the Agency (the "**Original License**"), which was previously amended by the City and the SCSD pursuant to an Amendatory License Agreement, dated as of December 1, 2010 (the "**Amendatory License Agreement**"); and further amended by the City and the SCSD pursuant to a Second Amendatory License Agreement dated as of July 1, 2011 (the "**Second Amendatory License Agreement**"), and as further amended by the City and SCSD pursuant to a Third Amendatory License Agreement dated as of April 1, 2017, (the "**Third Amendatory License Agreement**" and together with the Original License, the Amendatory License Agreement, and the Second Amendatory License Agreement, collectively, the "**License**"); and conveyed title to the Equipment (as defined in the Installment Sale Agreement as defined hereinbelow) comprising a portion of the Facilities to the Issuer pursuant to a Bill of Sale to Agency, dated as of March 1, 2008, as amended by an Amendatory Bill of Sale dated December 1, 2010 (collectively, the "**Bill of Sale**"). The Issuer has sold its interest in the Facilities to the City and the SCSD pursuant to an Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, (the "**Original Agreement**"), as previously amended by Amendment No. 1 to Installment Sale Agreement dated as of July 1, 2009 (the "**First Amended Agreement**"); Amendment No. 2 to the Installment Sale Agreement dated as of December 1, 2010 (the "**Second Amended Agreement**"); Amendment No. 3 to Installment Sale Agreement dated as of July 1, 2011 (the "**Third Amended Agreement**"); and Amendment No. 4 to Installment Sale Agreement dated April 1, 2017 (the "**Fourth Amended Agreement**"), together with the Original Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, the "**Installment Sale Agreement**" or "**Agreement**") as same may further be amended or supplemented from time to time, each between the Agency, the City, the JSCB and the SCSD. Pursuant to the Installment Sale Agreement, the SCSD and the City have agreed to pay scheduled Installment Purchase Payments in amounts equal to the principal of and interest on the Series 2017 Bonds, *provided, however*, that such Installment Purchase Payment obligation of the SCSD and the City are executory only to the extent of State Aid to Education (as defined in the State Aid Trust Agreement) available for such payment from the State Aid Depository Fund and transferred therefrom to the Trustee by the Depository Bank, and further subject to budgeting by the SCSD, appropriation by the City for such purpose and approval by the SCSD of payment thereof after appropriation by the City therefor.

Pursuant to the Indenture and the Pledge and Assignment dated as of April 1, 2017, by the Issuer to the Trustee, acknowledged by the City, the SCSD and the JSCB, the Issuer has assigned to the Trustee substantially all of the Issuer's right, title and interest in, to and under the Installment Sale Agreement, including the foregoing Installment Purchase Payments to be made by the SCSD and the City.

It is provided in the Indenture that, upon satisfying certain conditions, the Issuer may issue one or more series of additional bonds (the “*Additional Bonds*”) from time to time on the terms and conditions and for the purposes stated in the Applicable Indenture, and the Additional Bonds, if issued, will be equally and ratably secured under the Applicable Indenture with the Series 2017 Bonds. The Indenture further provides that the amount of Installment Purchase Payments required to be paid under the Installment Sale Agreement shall be re-calculated so as to provide money for the full and timely payment of the principal of and interest on the Series 2017 Bonds and any such series of Additional Bonds.

We have reviewed an opinion of even date herewith of Trespasz & Marquardt LLP, counsel to the JSCB, upon which we are relying as to the due authorization, validity and enforceability of the Installment Sale Agreement and any other documents executed by the JSCB, as they relate to the JSCB; an opinion of even date herewith of the Corporation Counsel of the City of Syracuse, counsel to the City and the SCSD, upon which we are relying as to the due authorization, validity and enforceability of the License, the Installment Sale Agreement and any other documents executed by each party as they relate to the City and the SCSD; and an opinion of even date herewith of Hodgson Russ LLP, counsel to the Trustee and the Depository Bank upon which we are relying as to the due authorization, validity and enforceability of the Indenture by the Trustee. No opinion as to such matters is expressed herein.

As Bond Counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates and documents (including documents contained in the record of proceedings with respect to the issuance of the Series 2017 Bonds) as we have deemed necessary or appropriate for the purposes of the opinions rendered below. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion, without having any independent investigation, we have relied upon, and assumed the accuracy and truthfulness of, the aforesaid instruments, certificates and documents.

For purposes of the opinions set forth in paragraph (vii), we have assumed: (a) the accuracy of certain factual certifications of the Issuer, the JSCB, the SCSD and the City; and (b) continuing compliance by the Issuer, the JSCB, the SCSD and the City with their respective tax-related covenants in the Indenture, the Installment Sale Agreement, the Tax Certificate, dated the date hereof, of the Issuer and the Arbitrage and Use of Proceeds Certificate dated the date hereof of the JSCB, the SCSD and the City. In the event of the inaccuracy or incompleteness of any of such certifications or of the failure by the Issuer, the JSCB, the SCSD or the City to comply with such covenants, the interest on the Series 2017 Bonds could become includable in gross income for federal income tax purposes retroactive to the date of original execution and delivery of the Series 2017 Bonds, regardless of the date on which the event causing such inclusion occurs. Further, although such interest on the Series 2017 Bonds is excludable from gross income for federal income tax purposes, receipt or accrual of such interest may otherwise affect the tax liability of a holder of a Series 2017 Bond. The tax effect of receipt or accrual of the interest will depend upon the tax status of a holder of a Series 2017 Bond and such holder’s other items of income, deduction or credit. We express no opinion with respect to any such effect.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of any offering material relating to the Series 2017 Bonds, and we express no opinion relating thereto. We have not been requested to examine and have not examined any documents or information relating to the JSCB, the City or the SCSD other than the record of proceedings hereinabove referred to, and no opinion is expressed as to any financial or other information, or the adequacy thereof, which has been or may be supplied to any purchaser of the Series 2017 Bonds.

Based upon the foregoing, it is our opinion that:

- (i) The Issuer is a duly created and validly existing corporate governmental agency constituting a public benefit corporation under the laws of the State.
- (ii) The Series 2017 Project constitutes a “project” under and as defined in the IDA Act and the Syracuse Schools Act.
- (iii) The Issuer has the right and power under the IDA Act and the Syracuse Schools Act: (a) to acquire a license interest in Facilities and title to the Equipment; (b) to undertake the Series 2017 Project and to issue, execute, sell and deliver the Series 2017 Bonds in connection with the Series 2017 Project; (c) to assign its interest in the Installment Sale Agreement to the Trustee as provided in the Indenture and the Installment Sale Agreement; and (d) to enter into the Indenture, the License, the Installment Sale Agreement, the Pledge and Assignment, the Bond Purchase Agreement and the Tax Compliance Agreement.
- (iv) The Resolution has been duly and lawfully adopted by the Issuer and is in full force and effect.
- (v) The Indenture, the License, the Installment Sale Agreement, the Pledge and Assignment, the Bond Purchase Agreement and the Tax Compliance Agreement the have been duly authorized and lawfully executed and delivered by the Issuer and (assuming the authorization, execution and delivery by the other respective parties thereto) are valid and legally binding obligations of the Issuer enforceable against it in accordance with their respective terms.
- (vi) Pursuant to the Section 12.1 of the Series 2008 Indenture, neither Bondholder nor Bond Insurer consent was required with respect to the amendments embodied in the Fourth Amended Agreement;
- (vii) The Series 2017 Bonds have been duly authorized, executed, delivered and issued for value by the Issuer in conformity with all applicable laws and the provisions of the Indenture and the Resolution and constitute valid and legally binding special obligations of the Issuer enforceable against it in accordance with their terms and are entitled to the benefits of the Indenture. The Indenture creates a valid pledge of and a valid lien upon the Trust Estate, except as set forth therein, and subject only to the provisions of the Indenture permitting the use and payment thereof for the purposes and on the terms and conditions set forth in the Indenture.
- (viii) Under existing law and assuming the accuracy of certain representations and compliance with certain tax covenants described herein: (a) interest on the Series 2017 Bonds is excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “*Code*”); and (b) interest on the Series 2017 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporation for purposes of calculating the alternative minimum tax on such corporations. Interest on the Series 2017 Bonds is exempt from personal income taxes imposed by the State and the political subdivisions thereof (including the City of New York).

[The Series 2017 Bonds maturing on \_\_\_\_\_ (collectively the “*Premium Bonds*”) have been initially offered to the public at prices greater than the amount payable with respect to such Premium Bonds at maturity. As a result of requirements under the Code relating to tax cost reduction associated with the amortization of bond premium, under certain circumstances the initial purchaser of such Premium Bond may realize taxable gain upon disposition thereof even though sold or redeemed for an amount less than or equal to such purchaser’s original acquisition cost. The amortization requirements may also result in the reduction of the amount of stated interest which an initial purchaser of such Premium Bond is treated as having received for federal tax purposes.]

[The Series 2017 Bonds maturing on \_\_\_\_\_ (collectively the “*Discounted Bonds*”) have been initially offered to the public at prices less than the amount payable with respect to such Discounted Bonds at maturity. The difference between the stated principal amount of such Discounted Bonds and the initial offering price of such Discounted Bonds to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Discounted Bonds of the same maturity were sold constitutes original issue discount. Such original issue discount is excluded from gross income for Federal income tax purposes to the same extent as interest on such Discounted Bonds. Further, such original issue discount accrues actuarially on a constant yield basis over the term of such Discounted Bond and the basis of such Discounted Bond acquired at such initial offering price by an initial purchaser of such Discounted Bond will be increased by the amount of such accrued discount. The accrual of original income discount may be taken into account as an increase in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Discounted Bonds, even though there will not be a corresponding cash payment.]

In rendering our opinion, we wish to advise you that:

(a) The enforceability against the Issuer of the Series 2017 Bonds, the Indenture, the License, the Installment Sale Agreement, the Intercept Procedures Agreement and the Pledge and Assignment may be limited by any applicable bankruptcy, insolvency or other similar law or enactment now existing or hereafter enacted by the State or the federal government affecting the enforcement of creditors’ rights generally.

(b) Equitable remedies with respect to any of the documents described in paragraph (a) above (and with respect to any other documents) lie in the discretion of a court and may not be available.

(c) We express no opinion as to the priority of the fee interest or the ownership of any other interest in any parcel of the land included within the Series 2017 Project, or the sufficiency of the description of any such parcel in the Indenture, the License, the Installment Sale Agreement and the Pledge and Assignment or the existence of any liens or encumbrances on any property.

(d) Certain requirements and procedures contained or referred to in the Indenture and certain other documents delivered in connection with the issuance of the Series 2017 Bonds may be changed, and certain actions may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents, upon the advice or with the approving opinion of Bond Counsel. We express no opinion as to any series of the Series 2017 Bonds or the interest thereon, if any, with respect to any change or action taken upon the advice or approval of bond counsel other than Barclay Damon, LLP.

(e) We have assumed the due filing and sufficiency of financing statements under the State Uniform Commercial Code.

We have examined the executed Bond numbered RA-1 through RA - 12, in fully registered form and, in our opinion, the form of the Bond and the execution thereof are regular and proper.

Very truly yours,

If the Dissemination Agent has not received on or before the last business day of a Fiscal Year, an Annual Report from the JSCB, on behalf of the SCSD, for the preceding Fiscal Year, and the Dissemination Agent does not have actual knowledge that the Annual Report has been provided to the Repository, the Dissemination Agent shall send a notice to the Repository in substantially the form attached hereto as Exhibit A, with a copy to the SCSD and the City.

The Dissemination Agent shall file a report with the JSCB and (if the Dissemination Agent is not the Trustee) with the Trustee, certifying that the Annual Report has been provided to the Repository to this Disclosure Agreement, stating the date it was so provided.

SECTION 4. Content of Annual Report. The Annual Report shall contain or include by reference the following core financial information and operating data:

(i) Specified Information.

(a) The audited financial statements of the SCSD for the most recently ended Fiscal Year prepared in accordance with generally accepted accounting principles consistently applied, as promulgated from time to time by the Government Accounting Standards Board. If the SCSD's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Subsection 3(a) of this Disclosure Agreement, the Annual Report shall contain unaudited financial statements, and the audited financial statements shall be filed in the same manner as the Annual Report promptly after they become available; and

(b) Material historical quantitative data, including, but not limited to, information on State Aid to Education to be received by the SCSD and/or the City, as applicable, and all statutory intercepts applicable to the SCSD and/or the City, as applicable, as applicable, not otherwise described in the Final Official Statement dated April 6, 2017 ("Final Official Statement"), as well as any other revenues, expenditures, financial operations and indebtedness with respect to the Series 2017 Bonds generally of the type discussed in the sections and subsections of the Final Official Statement entitled, "THE PROGRAM," "PROGRAM PARTICIPANTS", "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS —State Aid;" and

(c) A report consolidating the information required from the SCSD under subsection 4(i)(a) above.

(ii) Cross-Reference. All or any portion of the Annual Report may be incorporated in the Annual Report by cross-reference to any other documents which were and are being filed under the Rule with the Repository, through and in accordance with EMMA. The audited or unaudited financial statements of the SCSD may be provided in the same manner.

(iii) Information Categories. The requirements contained in this Disclosure Agreement under Section 4(i)(b) are intended to set forth a general description of the type of financial information and operating data to be provided; such descriptions are not intended to state more than general categories of financial information and operating data; and where the provisions of Section 4(i)(b) call for information that no longer can be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be provided.

SECTION 5. Reporting of Listed Events.

(a) The SCSD shall provide or shall cause the Dissemination Agent to provide in a timely manner, not in excess of ten (10) business days after the occurrence, to the Repository, written notice of any of the following events, in each case with respect to the Series 2017 Bonds ("Listed Events"):

Whenever the SCSD obtains knowledge of the occurrence of such a Listed Event, the SCSD shall as soon as possible determine if such event would constitute material information for Bondholders of the Series 2017 Bonds.

(c) The JSCB, on behalf of the SCSD, shall provide or shall cause the Dissemination Agent to provide in a timely manner to the Repository, written notice of a failure of any officer or other person authorized by the SCSD to comply with Sections 3, 4 and 5 hereof.

2. The event notice, as described in Section 5(a)(8) above, with regard to a mandatory scheduled redemption not otherwise contingent upon the occurrence of an event, if (i) the terms, dates and amounts of redemption are set forth in detail in the Indenture, (ii) the only open issue is which Series 2017 Bonds will be redeemed in the case of a partial redemption, (iii) notice of redemption is given to the Bondholders as required under the terms of the Series 2017 Bonds, and (iv) public notice of the redemption is given pursuant to 1934 Act Release No. 23856 of the SEC, even if the originally scheduled amounts are reduced by prior optional redemptions or Bond purchases; and

3. Updates or revisions to any forward-looking statements contained in the Final Official Statement, including, but not limited to, those that include the words “expects,” “forecasts,” “projects,” “intends,” “anticipates,” “estimates,” “assumes,” “structured,” “targets” or analogous expressions.

SECTION 6. Termination of Reporting Obligation. The JSCB’s obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption, or payment in full of all of the Series 2017 Bonds.

SECTION 7. Dissemination Agent. The JSCB may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the JSCB, on behalf of SCSD or the City pursuant to this Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee. For so long as the Trustee shall be the Dissemination Agent, the JSCB shall pay the Dissemination Agent an annual fee of \$500.00 upon the execution of this Disclosure Agreement and on each anniversary thereof.

SECTION 8. Amendments. An amendment to the requirements set forth in this Disclosure Agreement (the “Requirements”) may only take effect if:

(a) The amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the SCSD, or type of business conducted; the Requirements, as amended, would have complied with the requirements of the Rule at the time of sale of the Series 2017 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and the amendment does not materially impair the interests of Bondholders and/or Beneficial Owners, as determined by parties unaffiliated with the SCSD (such as, but without limitation, the SCSD’s financial advisor or transaction counsel) and the annual financial information containing (if applicable) the amended operating

data or financial information will explain, in narrative form, the reasons for the amendment and the “impact” (as that word is used in the letter from the SEC staff to the National Association of Bond Lawyers dated June 23, 1995) of the change in the type of operating data or financial information being provided; or

(b) All or any part of the Rule, as interpreted by the staff of the SEC at the date of the Series 2017 Bonds, ceases to be in effect for any reason, and the SCSD elects that the Requirements shall be deemed terminated or amended (as the case may be) accordingly.

(c) In addition to subsections (a) and (b) above, this Disclosure Agreement may be amended by written agreement of the parties, without the consent of the Bondholders and/or Beneficial Owners, of the Bonds, if all of the following conditions are satisfied: (1) the JSCB, on behalf of the SCSD, shall have delivered to the Trustee an opinion of Counsel, addressed to the SCSD, the City, the JSCB, the Issuer and the Trustee, to the effect that the amendment is permitted by rule, order or other official pronouncement, or is consistent with any interpretive advice or no-action positions of Staff of the SEC, and (2) the Trustee shall have delivered copies of such opinion and amendment to (i) the MSRB and (ii) the Issuer. The Trustee shall so deliver such opinion and amendment within one Business Day after receipt by the Trustee.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the JSCB from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the JSCB, at the direction of the SCSD or the City, chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Agreement, the JSCB shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default; Venue. No Bondholder may institute any suit, action or proceeding at law or in equity (“Proceeding”) for the enforcement of the Requirements (the “Undertaking”) or for any remedy for breach thereof, unless such Bondholder shall have filed with the SCSD evidence of ownership and a written notice of and request to cure such breach, and the SCSD shall have refused to comply within a reasonable time. All Proceedings shall be instituted only as specified herein, in any federal or state court located in the State and for the equal benefit of all holders of the outstanding bonds benefited by the same or a substantially similar covenant, and no remedy shall be sought or granted other than specific performance of the covenant at issue.

SECTION 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. The Dissemination Agent (if other than the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement, and the SCSD agrees to release the Dissemination Agent and the Trustee from any claim arising out of the discharge of any duties hereunder and to defend, indemnify and save the Trustee and the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorney’s fees) of defending against any claim of liability, but excluding liabilities due to the Trustee and the Dissemination Agent’s negligence or willful misconduct. The obligations of SCSD under this Section 11 shall survive resignation or removal of the Dissemination Agent and payment of the Series 2017 Bonds.

Ms. Kate Skahen  
Comptroller  
Syracuse City School District  
725 Harrison Street, City Hall  
Syracuse, NY 13210

Dear Ms. Skahen:

Fitch Ratings has assigned one or more ratings and/or otherwise taken rating action(s), as detailed in the attached Notice of Rating Action.

In issuing and maintaining its ratings, Fitch relies on factual information it receives from issuers and underwriters and from other sources Fitch believes to be credible. Fitch conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of Fitch's factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of Fitch's ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information Fitch relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to Fitch and to the market in offering documents and other reports. In issuing its ratings Fitch must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

Fitch seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that Fitch is continuously evaluating and updating. Therefore, ratings are the collective work product of Fitch and no individual, or group of individuals, is solely responsible for a rating. All Fitch reports have shared authorship. Individuals identified in a Fitch report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. Fitch is not your advisor, nor is Fitch providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services.

The assignment of a rating by Fitch does not constitute consent by Fitch to the use of its name as an expert in connection with any registration statement or other filings under US, UK or any other relevant securities laws. Fitch does not consent to the inclusion of its ratings in any offering document in any instance in which US, UK or any other relevant securities laws requires such consent. Fitch does not consent to the inclusion of any written letter communicating its rating action in any offering document. You understand that Fitch has not consented to, and will not consent to, being named as an "expert" in connection with any registration statement or other filings under US, UK or any other relevant securities laws, including but not limited to Section 7 of the U.S. Securities Act of 1933. Fitch is not an "underwriter" or "seller" as those terms are defined under applicable securities laws or other regulatory guidance, rules or recommendations, including without limitation Sections 11 and 12(a)(2) of the U.S. Securities Act of 1933, nor has Fitch performed the roles or tasks associated with an "underwriter" or "seller" under this engagement.

It is important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason Fitch deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between Fitch and you or between us and any user of the ratings.

In this letter, "Fitch" means Fitch Ratings, Inc. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please feel free to contact us at any time.

### SECURITY

The bonds are secured solely by New York state aid revenues annually appropriated to the Syracuse City School District (the district) by the state of New York and remitted to the district from the period Dec. 1 through March 31 (the collection period).

In the event that the district fails to appropriate money sufficient to cover debt service by Nov. 10 of each year, the NY state comptroller will intercept state aid funds intended for the district and direct those funds to the bond trustee for deposit in the bond fund. The trustee will use the intercepted moneys to make payment on the bonds on May 1 and November 1 during the subsequent calendar year.

### KEY RATING DRIVERS

**RATING BASED ON STATE INTERCEPT:** The 'AA' rating is equal to New

York State's annual appropriation rating, which is notched one level below the state's 'AA+' general obligation (GO) rating to reflect the state aid intercept security for the bonds and the annual risk of non-appropriation of state aid moneys by the state. The 'AA' rating does not reflect the district's underlying credit quality.

**STATE AID SET-ASIDE:** Bondholders benefit from the remittance of state aid to a separate depository fund from which debt service is then set aside before the remaining state aid flows to the district. In the event of a failure by the district to set aside sufficient funds to cover upcoming debt service, bondholders benefit from a state-aid intercept structure that provides for pre-default payment.

**STRONG COVERAGE:** Interceptable state aid provides strong coverage of maximum annual debt service (MADS) on the current issue and on total authorized borrowing. Fitch expects coverage levels to remain strong despite potential modest declines in the coming years due to the district's extensive capital and borrowing plans, charter school competition and pressured enrollment.

#### RATING SENSITIVITIES

**CHANGES TO NEW YORK'S GO RATING:** The rating is sensitive to changes in the state's GO rating or Outlook, to which the rating of these bonds is linked.

**MATERIAL WEAKENING IN COVERAGE LEVELS:** The rating assumes continued strong coverage of debt service by interceptable state aid.

#### CREDIT PROFILE

The New York state legislature Chapter 58 Pt. A4 of the Laws of 2006 (the act), authorized the bonds to encourage the city and district to renovate its public schools. The district estimates its total capital improvement costs over all phases of its modernization efforts at approximately \$900 million, to be financed under this intercept program. The district has already financed \$150 million in phase one projects. The second phase authorizes up to \$300

million in additional capital improvements which are expected to be financed in 2017.

The school district is governed by an independently elected board of education. The Syracuse city council approves the district's budget and levies taxes on its behalf but does not otherwise exercise direct control over the district.

### **STRONG COVERAGE BY STATE AID**

State aid is remitted monthly and unevenly to the district during the course of the fiscal year. Between Dec. 1 and March 31, the district's state-aid moneys are remitted to a state-aid depository fund held outside the district. Funds for the payment of upcoming debt service are set aside and the remaining funds are forwarded to the district to cover operations.

In the event the district fails to certify to the trustee by Nov. 10 that it has set aside sufficient moneys to cover upcoming debt service, the trustee will notify the state comptroller. The comptroller will intercept pending state aid receipts destined for the district and remit such moneys immediately (between Nov. 15 and April 30) to the trustee. The intercept mechanism ensures that the trustee has sufficient funds on hand to cover debt service in advance of the payment dates.

Fitch's 'AA' rating is based on the intercept mechanism which, if triggered, would take into account senior claims. Coverage for the intercept period is strong at 7.1x MADS.

Future building modernization projects will in all likelihood be funded by state building aid, which has historically covered about 80% of project costs. If that continues to be the case, Fitch expects coverage of debt service by state aid to remain strong.

### **SENIOR LIEN RISKS TO INTERCEPT COVERAGE**

Interceptable aid could be diminished due to various senior and parity claims to state aid for education. Late charter school payments have senior claims to

state aid funds.

Further, the district has approximately \$46 million of outstanding general obligation debt that is subject to post-default state aid intercept which could marginally diminish coverage. The intercept of funds to cure a GO default would be senior to the regular payments on the school facility revenue bonds. However, if the intercept for the revenue bonds is also triggered, the defaulted GOs and the rated bonds would become parity obligations under the intercept. Fitch does not believe the lien provisions for competing state aid claims will materially affect the strength of debt service coverage.

#### RISK OF LATE STATE BUDGET MITIGATED BY COLLECTION PERIOD

Fitch believes that the timeframe of the collection period mitigates risks associated with the possibility of late state-budget adoption, as the state's fiscal year begins on April 1. The collection period does not begin until Dec. 1 - eight months into the state's fiscal year. In the past, the state has been up to four-and-a-half months late in adopting a budget. For the past five fiscal years, however, the state has adopted its budget on time. Fitch believes the risk of potential delays in state aid payments during times of budgetary pressure is mitigated by high coverage levels.

#### PRESSURED DISTRICT ENROLLMENT AND CHARTER SCHOOL COMPETITION

Fitch believes that declining district enrollment and increased charter school competition may negatively affect the amount of state aid revenue in future. The district has experienced a nearly 6% enrollment decline since 2007, to an estimated 19,951 students in 2016. The district is projecting a small enrollment gain for next year, which they attribute to an influx of refugee families relocating to the area. Fitch believes that while this may be a realistic near-term expectation, given a 3% population increase in the City of Syracuse over the same period, the sustainability of this growth is uncertain. In addition, enrollment losses to continued charter school development could outweigh population gains over time.

Two charter schools currently operate within the district, which educate about

2,600 pupils (approximately 12% of district and charter enrollees). In 2010 the state legislature increased the statewide number of charter schools permitted, which allowed two additional charters to receive state approval in 2016. The new charter schools are scheduled to open in 2017 and are expected to enroll about 280 students. All charters receive state-set per pupil aid which passes through the district. The district made approximately \$19 million in charter school payments for fiscal 2016. Officials estimate fiscal 2017 charter school payments will increase to about \$23 million, up 21% from the prior year.

Despite pressure on enrollment, management anticipates that state aid will increase due to a growing need for increased ESL services. The district's five year financial plan estimates that state aid for education will increase by 9% in 2017, followed by more modest increases through fiscal 2020. Fitch expects coverage levels to remain high because planned new debt issuances will likely be supported by further, interceptable state building aid increases.

## Syracuse Industrial Development Agency, NY

New Issue - Moody's Assigns Aa2 to Syracuse I.D.A.'s (NY) \$29.5M (Syracuse CSD Proj.) Bonds 2017A; Outlook Stable

**Summary Rating Rationale**

Moody's Investors Service has assign a Aa2 rating with a stable outlook to Syracuse City School District, NY's \$29.5 million School Facility Refunding Revenue Bonds (Syracuse City School District Project) Series 2017A issued by the Syracuse Industrial Development Agency (NY).

The rating reflects the city school district's obligation to make installment payments to the Syracuse Industrial Development Agency (SIDA) to pay debt service, sound state aid intercept mechanics which provide for timely payments to bondholders, and a flow of funds that provides full segregation of debt service 30 days before annual principal and interest payment. The rating also reflects New York State's Aa1 general obligation rating, given projected 100% funding of debt service from state building aid (all state school aid can be used for debt service), as well as mechanics that require payment to the trustee directly from the state. Additional consideration is given to an anticipated healthy coverage of maximum debt service from pledged revenues, given the district's high reliance on state operating aid.

**Credit Strengths**

- » Coverage during the interceptable period is strong
- » Moderate increases to state aid expected going forward

**Credit Challenges**

- » State aid is subject to annual appropriation and delays

**Rating Outlook**

The outlook reflects New York State's Aa1 general obligation rating with a stable outlook, given projected 100% funding of debt service from state aid which is subject to annual appropriation by the state, and mechanics which require payment to the trustee directly from the state.

**Factors that Could Lead to an Upgrade**

- » Improvement in New York State's General Obligation rating.

## Factors that Could Lead to a Downgrade

- » Downgrade of the General Obligation rating of New York State
- » Deteriorating coverage levels

## Detailed Rating Considerations

### State Approved Special Legislation for Overhaul of Syracuse CSD Facilities

In 2006, the state enabled a comprehensive redevelopment program for the CSD's construction of new schools and improvements to existing school facilities through the Syracuse Schools Act over a course of four phases expected to total nearly \$1 billion. Legislation authorizing Phase II of the Program at a cost not to exceed \$300 million was enacted on October 25, 2013.

### Financial Operations and Coverage: Strong Coverage Continues; School District Obligated to Make Installment Payments to IDA

SIDA has no taxing authority and bondholder security is derived from an installment sale agreement between the CSD and SIDA under which the CSD will make annual payments equal to the annual debt service requirement. These payments are subject to annual appropriation by the CSD (although state aid intercept mechanics offset the risk of non-appropriation as discussed above) and state aid pledged to the bonds is subject to annual appropriation by the state.

However, Moody's fully anticipates that state aid, which totaled \$283 million in fiscal 2015 compared to projected maximum annual debt service of \$11.5 million, will continue to be made given the fact that the CSD is the one of the largest school districts in New York State and relies on state aid for approximately 80% of its operating revenue.

State aid to the CSD continues to increase, and fiscal 2016 state aid is projected at \$291 million, providing strong provided ample coverage (25.2 times) of projected maximum annual debt service (MADS). Coverage during the four-month collection interceptable period was healthy at 12.9 times on a cash flow basis. Disbursements are subject to change and delay in the event of state cash flow limitations. However, Moody's believes that these coverage levels provide adequate cushion to mitigate any unforeseen pressure on the state budget. The July 15th state aid payment certificate can be modified subsequently in the event state cash flow disbursements are altered. Although there is no additional bonds test, given planned issuance only for projects approved for state building aid reimbursement (currently 98%), Moody's expects state aid would increase commensurate with additional issuance, and debt service coverage will remain strong. Projected total state aid for fiscal 2017 increases again to \$313 million total and \$171.8 million during the interceptable period. A state aid increase of \$20 million is currently projected for the fiscal 2018 budget.

### STRONG INTERCEPT MECHANICS

All state aid (state building and operating aid) will flow directly to the State Aid Depository Fund. Each July 15th, the CSD will provide to the trustee a "state aid payment certificate" which will delineate the percent of debt service to be deducted from state aid during the collection period (the aid-rich period between December 1st and March 31st, during which time approximately 60% of annual state aid is typically received). Excess aid will be forwarded to the CSD General Fund monthly after funding of the Bond Fund and any deficiencies in prior series' DSRFs. In the event state aid is insufficient to fund that month's deposit, the difference will be added to the following month's required segregation such that by March 31st, the May 1st principal and interest and the November 1st interest payments will be fully segregated.

### Debt and Legal Security

Each issuance under this program is separately secured and enjoys a parity lien on state aid receipts of the district. As with past series, there is no additional bonds test.

Given the fact that this is an installment sale agreement between the SIDA and the CSD, and is supported predominantly by non-property tax sources, the debt is not legal indebtedness of the City of Syracuse (A1 Stable) and is not factored into its legal- and Moody's-calculated adjusted debt burden.

This publication does not announce a credit rating action. For any credit ratings referenced in this publication, please see the ratings tab on the issuer/entity page on [www.moody's.com](http://www.moody's.com) for the most updated credit rating action information and rating history.

**COMPETING CLAIMS ON STATE AID REVENUE DON'T MATERIALLY DILUTE COVERAGE**

While competing claims on state aid exist, these will not materially dilute debt service coverage. Only Revenue Anticipation Notes (RANs) issued by the city on behalf of the CSD have a priority claim on state aid, which could dilute coverage in a worst case scenario, should a RAN borrowing require segregation as early as March. The city issues revenue anticipation notes each year on behalf of the CSD.

The city issued \$68.4 million in RANs on behalf of the CSD in October of 2016. The notes are payable on June 30, 2017. The city anticipates an additional cash flow borrowing on behalf of the CSD in the fall of 2017. Over the past five fiscal years, Syracuse has issued an average of \$57.7 million in RANs annually for the SCSD.

Declining enrollment or alteration of reimbursement rates and/or timing of payments by New York State could also cause coverage levels to fall. However, the CSD reports that general population declines are offset by growing enrollment of refugee students. Enrollment has grown from 19,713 in 2012 to 19,951 in 2016.

**DEBT-RELATED DERIVATIVES**

There is no exposure to debt-related derivatives

**Management and Governance**

Despite reductions in reliance on reserves and out-year budget gaps, city management will be challenged to achieve balance over the near-term.

New York cities have an institutional framework score of "A," or moderate. Revenues are highly predictable, as property taxes are usually the largest revenue source, followed by, sales and mortgage taxes, as well as building permit revenue. Cities have a moderate revenue raising ability, as they can increase property tax revenues above the tax cap with a 60% vote of the local legislative body. Expenditures vary across the state but primarily consist of personnel costs, which are moderately predictable. Expenditure reduction ability is low given the presence of strong collective bargaining groups and the Triborough Amendment which enhances collective bargaining powers

**Legal Security**

The bonds are special limited obligations of the Syracuse IDA secured by Installment purchase payments from the City of Syracuse CSD.

**Use of Proceeds**

The Series 2017A Bonds are being issued to refinance a portion of the Phase I bonds and are expected to generate net present value savings in excess of 9% without extending debt maturity.

**Obligor Profile**

The Syracuse City School District serves a student population of 19,951 in the City of Syracuse (A1/stable). The Syracuse IDA is governmental agency created by the state legislature authorized to issue the School Facility Revenue Bonds.

**Methodology**

The principal methodology used in this rating was State Aid Intercept Programs and Financings: Pre and Post Default published in July 2013. Please see the Rating Methodologies page on [www.moody.com](http://www.moody.com) for a copy of this methodology.

Additional terms for Japan only: Moody's Japan K.K. Therefore, credit ratings assigned by MSFJ are Non-NRSRO Credit Ratings. Non-NRSRO Credit Ratings are assigned by an entity that is not a NRSRO and, consequently, the rated obligation will not qualify for certain types of treatment under U.S. laws. MJKK and MSFJ are credit rating agencies registered with the Japan Financial Services Agency and their registration numbers are FSA Commissioner (Ratings) No. 2 and 3 respectively.

MJKK or MSFJ (as applicable) hereby disclose that most issuers of debt securities (including corporate and municipal bonds, debentures, notes and commercial paper) and preferred stock rated by MJKK or MSFJ (as applicable) have, prior to assignment of any rating, agreed to pay to MJKK or MSFJ (as applicable) for appraisal and rating services rendered by it fees ranging from JPY200,000 to approximately JPY350,000,000.

Many issues are enhanced by bond insurance.

## Rationale

S&P Global Ratings assigned its 'AA' rating to Syracuse Industrial Development Agency, N.Y.'s series 2017A school facility revenue refunding. At the same time, we affirmed our 'AA' rating on the agency's series 2008A, 2010, 2011A and 2011B GO debt. The outlook for all issues is stable.

The rating reflects what we view as:

- The strength of the statutory direct-pay intercept of state aid for education by the New York state comptroller, which is structured to be sent directly to the bond trustee in advance of debt service due dates to pay debt service;
- A established funding structure that allows for the timely intercept of state aid and payment of principal and interest on the bonds outstanding even in the event that the school district fails to appropriate funds;
- The state's consistent and strong oversight of school districts with a long history of state support, especially in distressed situations; and
- Strong maximum annual debt service coverage (MADS).

We typically rate intercept or withholding programs that meet certain requirements at a level one notch off of our general obligation (GO) debt rating on the state--on par with the state appropriation rating--reflecting the appropriation nature of the intercept or withholding mechanism. Accordingly, if we change the state GO rating, we would likely change the program rating. In our view, programs such as the one in place for Syracuse City School District, that allow for the full and timely payment of debt service from state aid with strong state oversight, qualify for the enhanced rating. Bond proceeds will be used to refund a portion of the agency's 2008A bonds.

The New York State Legislature has authorized the bonds under the Syracuse Schools Act of 2006. Under the State Aid Depository Agreement, the City and the Syracuse City School District instructed the state comptroller to pay all state building aid and operating aid for Syracuse city school districts to the state aid depository fund held by the depository bank. Under the indenture, deposits of state aid to pay debt service begin on Dec. 1, with sufficient funds set aside by March 31 to pay principal and interest payments on the subsequent May 1 and Nov. 1. Amounts in the state aid

*Summary: Syracuse Industrial Development Agency, New York; Appropriations; General Obligation*

depository fund will be transferred to the bond fund held by the bond trustee to pay scheduled debt service.

MADS on the Agency's school program bonds, including series 2008A, 2010, 2011A and 2011B, is \$11.56 million and due in 2017. In the fiscal year ended June 30, 2016, the Syracuse City School District estimates it received \$291 million in total state aid, which is consistent with the high state aid provided in previous years. For the November through April period, the District received about \$149.4 million in state aid, with a strong 12.9x MADS coverage. Fiscal 2016's total state aid provided MADS coverage of 25.2x for the program. The debt is amortized through 2030.

The structure of the program, in which state aid in the current state fiscal year funds debt service payments for the subsequent year, and historically strong coverage, provide adequate protection against delayed passage of state budgets.

## Outlook

The stable outlook reflects the current outlook on the state of New York's GO debt and the strength of state appropriations for New York education. We would expect the rating to change if the rating on New York State's GO debt changes.

**WHEREAS**, on the Closing Date: (i) \$0.00, which is the amount held in the Debt Service Reserve Fund under the Series 2008 Indenture, (ii) \$4,032,412.52, which is the amount held in the Bond Fund under the Series 2008 Indenture (the amounts in clauses (i) and (ii) above are collectively referred to herein as the "**2008 Funds**") and (iv) \$32,766,130.34, which is a portion of the proceeds of the Series 2017 Bonds, will be deposited in the Escrow Fund, of which \$36,798,502.22 will be invested in those Defeasance Obligations identified in Schedule C attached hereto (the "**Escrow Obligations**"), the maturing principal thereof and interest thereon, together with the balance of \$40.64 held in cash in the Escrow Fund, will be in an aggregate amount equal to: (i) the entire Outstanding principal amount of the Series 2008A Bonds; and (ii) the interest accrued and to accrue on the Series 2008A Bonds to and including their respective maturity dates or the Redemption Date; and

**WHEREAS**, the scheduled principal and interest on the Series 2008A Bonds is insured by Assured Guaranty Municipal Corp. (formerly known as Financial Security Assurance Inc.) (the "**Bond Insurer**").

**NOW, THEREFORE**, for and in consideration of the premises and the mutual covenants hereinafter set forth, the parties hereto agree as follows:

1. There is hereby created and established with the Escrow Agent a special and irrevocable trust fund designated as the "City of Syracuse Industrial Development Agency (2008 Syracuse City School District Project) Refunding Escrow Fund" (the "**Escrow Fund**") to be held in the custody of the Escrow Agent separate and apart from all other funds of the Agency, the District or the Escrow Agent. The deposit of moneys in the Escrow Fund shall constitute an irrevocable deposit of said moneys in trust for, and such moneys and the investments thereof shall be applied as provided herein to, the payment of the principal of,

redemption premium, if any, and interest on the Series 2008A Bonds as the same become due as set forth in Schedule A attached hereto.

2. (a) Concurrently with the execution of this Refunding Escrow Trust Agreement, and as provided above, the Agency shall cause to be deposited with the Escrow Agent for deposit in the Escrow Fund the amount of \$36,798,542.86 (representing \$32,766,130.34 from the proceeds of the Series 2017 Bonds and \$4,032,412.52 of the 2008 Funds), \$36,798,502.22 of which money, as indicated in the opinion (the "**Verification Report**") by Causey Demgen & Moore, P.C. a firm of independent certified public accountants (the "**Verification Agent**"), and as shown in Schedule B attached hereto, when invested in the Escrow Obligations, giving effect to the maturing of such Escrow Obligations and the interest earnings thereon, plus \$40.64 held in cash and uninvested, is an amount sufficient to pay the outstanding principal of, redemption premium, if any, and interest accrued and to accrue on the Series 2008A Bonds when due. The Escrow Agent hereby establishes the Escrow Fund and acknowledges receipt of \$36,798,542.86 and the deposit thereof in the Escrow Fund. The Escrow Agent shall immediately apply \$36,798,502.22 of the moneys received in the Escrow Fund to the purchase of the Escrow Obligations as shown in Schedule C attached hereto, and shall hold the balance of \$40.64 uninvested in the Escrow Fund. The Escrow Agent hereby acknowledges receipt of the Escrow Obligations. The Verification Agent has certified to the Agency, Barclay Damon, LLP, the Bond Insurer and the Escrow Agent that the moneys to be deposited into the Escrow Fund in accordance with this Section, and the Escrow Obligations to be purchased with a portion of such moneys, together with the interest earnings on such Escrow Obligations, plus \$40.64 held in cash, will be sufficient to pay the Outstanding principal of, redemption premium, if any, and interest accrued and to accrue on the Series 2008A Bonds when due, all as set forth in Schedule A attached hereto.

(b) The District may direct the Escrow Agent to liquidate the then current Escrow Obligations and purchase other specific Escrow Obligations only if it delivers to the Agency, the Bond Insurer and the Escrow Agent, prior to or concurrently with the substitution, an opinion of nationally recognized bond counsel addressed to the Agency, the Bond Insurer and the Series 2008 Trustee providing that the restructuring of the escrow will not cause the interest on the Series 2008A Bonds to become includable in gross income for federal income tax purposes and a verification report from an independent certified public accountant demonstrating that the Escrow Obligations to be on deposit in the Escrow Fund following the restructuring, together with earnings on such Escrow Obligations, will be sufficient to pay the debt service on the Series 2008A Bonds as shown in Schedule A attached hereto and that the yield on the escrow investments as restructured will not exceed the yield on the Series 2008A Bonds or the Series 2017 Bonds.

3. The Escrow Obligations and other moneys shall be held in and credited to the Escrow Fund. Amounts received as interest or repayments of principal on the Escrow Obligations shall be deposited in the Escrow Fund. The Escrow Agent shall apply amounts in the Escrow Fund to the payment of the principal (including sinking fund installments, if any) of, redemption premium, if any, and interest on the Series 2008A Bonds on the dates and in the amounts described in Schedule A attached hereto. The Escrow Agent shall deliver any and all

amounts remaining in the Escrow Fund after payment of all amounts due and owing on the Redemption Date to the District to the extent provided in Section 13 hereof.

4. Except as provided above, the Escrow Agent shall have no power or duty to invest any moneys held hereunder, to make substitutions of the Escrow Obligations held hereunder or to sell, transfer or otherwise dispose of the Escrow Obligations acquired hereunder.

5. Upon the deposit of the moneys into the Escrow Fund as provided herein, the Escrow Agent, as Series 2008 Trustee, shall execute and deliver to the Agency and the District, on request, all such instruments as may be desirable to evidence the discharge and satisfaction of the Series 2008 Indenture and the other Security Documents, provided that no provision of this Refunding Escrow Trust Agreement or such discharge and satisfaction shall limit the rights of the holder of any Series 2008A Bonds under Sections 3.6, 3.7, 3.9 or 5.4 of the Series 2008 Indenture until such Series 2008A Bonds shall have been paid in full.

6. This Refunding Escrow Trust Agreement shall constitute irrevocable instructions and directions by the Agency and the District to the Escrow Agent, as Series 2008 Trustee, to: (A) mail notice to the holders of the Series 2008A Bonds (x) of the deposit of the moneys in the Escrow Fund sufficient to defease the Series 2008A Bonds pursuant to Section 10.1(b) of the Series 2008 Indenture; and (y) of the redemption in part of the Series 2008A Bonds, and more particularly those maturing on or after May 1, 2018, as provided in Sections 2.3(a) and 10.1 and Article VI of the Series 2008 Indenture; (B) deliver notice to the Bond Insurer and the rating agencies rating the Series 2008A Bonds of their defeasance; and (C) transfer \$0.00, of the amount held in the Debt Service Reserve Fund under the Series 2008 Indenture to the Escrow Fund; and \$4,032,412.52 of the amount held in the Bond Fund under the Series 2008 Indenture to the Escrow Fund. The Escrow Agent, by the execution of this Refunding Escrow Trust Agreement, hereby acknowledges receipt from the Agency and the District of the instructions and directions herein: (i) to mail notices of said defeasance and of said redemptions in accordance with the Series 2008 Indenture; and (ii) to transfer the amounts held in the Bond Fund, and the Debt Service Reserve Fund under the Series 2008 Indenture as provided in Sections 2 and 6 hereof. The Escrow Agent hereby agrees: (i) to mail the notices of defeasance and of optional redemptions in accordance with said instructions and directions of the Agency and the District in accordance with the applicable provisions of the Series 2008 Indenture, which notices shall be substantially in the form set forth in Exhibit A and Exhibit B hereto; and (ii) to transfer the amounts held in the Bond Fund, and the Debt Service Reserve Fund under the Series 2008 Indenture as provided in Sections 2 and 6 hereof.

7. The holders of the Series 2008A Bonds shall have an express lien on all moneys and the principal of and interest on all Escrow Obligations and moneys held in the Escrow Fund until paid out, used and applied in accordance with this Refunding Escrow Trust Agreement.

8. In consideration of all services rendered and to be rendered by the Escrow Agent under this Refunding Escrow Trust Agreement, the District and the Escrow Agent agree that the Series 2008 Trustee shall receive payment by the District for its fees and expenses in

acting as Escrow Agent under this Refunding Escrow Trust Agreement. The annual fee of the Escrow Agent shall be \$750.00 on the Closing Date and on each anniversary of the Closing Date until the Redemption Date. In no event shall the Escrow Agent have any lien or claim whatsoever upon any of the moneys or Escrow Obligations in the Escrow Fund for the payment of such fees or expenses (including counsel fees and expenses) until after the Series 2008A Bonds shall have been redeemed on the Redemption Date. The Escrow Agent shall have no recourse against the Agency for the payment of any fees hereunder.

9. The Escrow Agent shall have no responsibility in respect of the validity or sufficiency of this Refunding Escrow Trust Agreement, including whether the deposit of the moneys referred to above or the Escrow Obligations and other amounts at any time held to the credit of the Escrow Fund are sufficient to provide for the payment of all principal of, redemption premium, if any, and interest accrued and to accrue on the Series 2008A Bonds through the Redemption Date or maturity date, or with respect to the validity of the Series 2008A Bonds. The Escrow Agent shall not be liable or responsible because of the failure of the Agency or the District to perform any act required of either or both of them by this Refunding Escrow Trust Agreement or because of the loss of any moneys arising through the insolvency or the act, default or omission of any depository, other than itself, in which such moneys shall have been deposited. The liability of the Escrow Agent hereunder to make the payments as provided herein is limited to the availability of amounts on deposit in the Escrow Fund.

10. The Escrow Agent shall be under no obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect of this Refunding Escrow Trust Agreement or to advance any of its own moneys unless properly indemnified or secured to the reasonable satisfaction of the Escrow Agent. The Escrow Agent shall not be liable in connection with the performance of its duties hereunder, except for its own willful misconduct or gross negligence.

11. The Escrow Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of the Series 2008 Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person, or to have been prepared and furnished pursuant to any of the provisions of the Series 2008 Indenture or at the sole cost and expense of the District, and when determined necessary in the reasonable discretion of the Escrow Agent, upon the written opinion of any attorney (who may be an attorney for the Agency or for the District) or accountant believed by the Escrow Agent to be qualified in relation to the subject matter.

12. The District shall indemnify and save harmless the Escrow Agent against any losses, liabilities or expenses, including reasonable legal fees and expenses, that it may incur in the exercise and performance of its powers and duties hereunder, including defending itself against any claim or liability, and that are not due to its own willful misconduct or gross negligence. This Section shall survive the termination of this Refunding Escrow Trust Agreement.

13. This Refunding Escrow Trust Agreement shall terminate when the principal of, redemption premium, if any, and interest on the Series 2008A Bonds shall have been paid and discharged in accordance with their terms and the terms of the Series 2008 Indenture. Any moneys and Escrow Obligations remaining in the Escrow Fund upon final payment of the Series 2008A Bonds, the interest thereon, and all fees and expenses (including counsel fees and expenses) of the Escrow Agent or the Series 2008 Trustee shall thereupon be transferred to the District.

14. This Refunding Escrow Trust Agreement is made for the benefit of the Agency, the District, the Bond Insurer and the holders from time to time of the Series 2008A Bonds and it shall not be repealed, revoked, altered or amended without the written consent of all such holders, the Escrow Agent, the Agency, the Bond Insurer and the District; provided, however, that the Agency, the District and the Escrow Agent may, with consent of the Bond Insurer but without the consent of, or notice to, such holders, enter into such agreements supplemental to this Refunding Escrow Trust Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Refunding Escrow Trust Agreement, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Refunding Escrow Trust Agreement;
- (b) to grant to, or confer upon, the Escrow Agent for the benefit of the holders of the Series 2008A Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Escrow Agent; and
- (c) to deposit additional funds, securities or properties in the Escrow Fund.

The Escrow Agent shall be entitled to rely exclusively upon an unqualified opinion addressed to it of nationally recognized attorneys on the subject of municipal bonds with respect to compliance with this Section, including the extent, if any, to which any such change, modification, addition or elimination affects the rights of the holders of the Series 2008A Bonds, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

15. If any one or more of the covenants or agreements provided in this Refunding Escrow Trust Agreement on the part of the Agency, the District or the Escrow Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Refunding Escrow Trust Agreement.

16. Certain duties, rights and obligations provided for under the Series 2008 Indenture (including, but not limited to, replacement of lost, mutilated, stolen or destroyed Series 2008A Bonds, the payment of interest and principal on the due dates thereof, the transfer,

exchange and registration of the Series 2008A Bonds from time to time, and the payment by the District of all fees and expenses of the Series 2008 Trustee) must, by their nature, be performed after the defeasance of the Series 2008A Bonds, and, accordingly, the Agency, the District and the Escrow Agent agree to be bound by and to comply with those provisions of the Series 2008 Indenture. Without limitation of the foregoing, nothing in this Refunding Escrow Trust Agreement or otherwise shall limit the right of the holder of any Series 2008A Bonds under Sections 3.6, 3.7, 3.9 and 5.4 of the Series 2008 Indenture until such Series 2008A Bonds are paid in full. The Series 2008 Indenture is hereby otherwise released by the Series 2008 Trustee.

We have completed our engagement to verify the mathematical accuracy of (a) the computations relating to the adequacy of cash plus U.S. Treasury Securities to be held in escrow to pay the debt service requirements of the School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A (herein referred to as the "Refunded Bonds") issued by the City of Syracuse Industrial Development Agency (herein referred to as the "Agency") for the benefit of the Syracuse Joint Schools Construction Board (herein referred to as the "SJSCB"), the City of Syracuse (herein referred to as the "City") and the City School District of the City of Syracuse (herein referred to as the "District") and (b) the computations supporting the conclusion of Bond Counsel that the School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (herein referred to as the "Refunding Bonds") to be issued by the Agency for the benefit of the SJSCB, the City and the District are not "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended. We express no opinion as to the attainability of the assumptions underlying the computations or the tax-exempt status of the Refunding Bonds. Our verification was performed solely on the information contained in certain schedules of proposed transactions provided by Raymond James & Associates, Inc. (herein referred to as the "Underwriter"). In the course of our engagement to verify the mathematical accuracy of the computations in the schedules provided to us, we prepared Exhibits A through D attached hereto and made a part hereof.

The scope of our engagement consisted of performing the procedures described herein. These procedures were performed in a manner that we deem to be appropriate.

The accompanying exhibits of proposed transactions were prepared on the basis of assumptions underlying the computations and in accordance with the procedures described herein. We did not independently confirm the information used with outside parties.

### **OUR UNDERSTANDING OF THE TRANSACTION**

The Agency intends to issue the Refunding Bonds on April 20, 2017 to advance refund the Refunded Bonds. A portion of the proceeds of the Refunding Bonds will be used to purchase a U.S. Treasury Security (herein referred to as the "Restricted Security") that will be placed into an escrow account, together with cash and U.S. Treasury Securities (herein referred to as the "Bond Fund Securities" and collectively with the Restricted Security as the "Escrowed Securities") to be purchased with certain amounts to be contributed from the bond fund associated with the Refunded Bonds, to advance refund the Refunded Bonds.

The Escrow Agent will pay the debt service requirements of the Refunded Bonds on each scheduled payment date through and including May 1, 2018 and will redeem those Refunded Bonds maturing on May 1, 2019 and thereafter, at a redemption price equal to 100% of par, on May 1, 2018, which is the first optional redemption date for these bonds.

### **ESCROW ACCOUNT TRANSACTIONS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to advance refund the Refunded Bonds.

The presently outstanding debt service requirements of the Refunded Bonds will be satisfied by the purchase of the Escrowed Securities (as described in Exhibit A-3) plus \$40.64 in cash. The Escrowed Securities and cash will be placed in an irrevocable escrow account and held therein until the Refunded Bonds are redeemed as previously described.

We read a copy of the Official Statement for the Refunded Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded Bonds to be current as of April 20, 2017. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits A through B, which indicate that the cash and the Escrowed Securities proposed to be placed in escrow by the Agency are sufficient without reinvestment to pay, when due, the redemption price, sinking fund redemption payments and the principal of and interest on the Refunded Bonds, are mathematically correct.

### **YIELD ON THE REFUNDING BONDS**

We verified the mathematical accuracy of the accompanying computations of the yield on the Refunding Bonds as of April 20, 2017. For purposes of this calculation, yield is defined as the rate of interest which, using the assumptions and procedures set forth herein, discounts the adjusted payments to be made on the Refunding Bonds to an amount equal to the target purchase price of the Refunding Bonds. The computations were made using a 360-day year with interest compounded

semi-annually and treated \$4,663,314.10 as the original issue premium (which results in a target purchase price of \$33,923,314.10).

In conducting our verification, we assumed that the reoffering prices of the Refunding Bonds are as described in Exhibit C-1, that the Refunding Bonds stated to mature on or before May 1, 2027 are not optionally callable prior to maturity, and that the Refunding Bonds stated to mature on May 1, 2028 and thereafter are optionally callable at par on and after May 1, 2027. For each maturity of the Refunding Bonds stated to mature on May 1, 2028 and May 1, 2029 (which represent the only callable maturities with reoffering prices in excess of the safe harbor limit of 102.500%) (herein referred to as the "Callable Premium Bonds"), we tested to determine whether the lowest yield on each such bond is achieved by treating each such bond (1) as being redeemed on any optional redemption date, beginning May 1, 2027 at par plus accrued interest, if any, or (2) as being retired on its stated maturity date. We assumed that all other maturities of the Refunding Bonds would be retired on the dates and in the amounts set forth in Exhibit C-1.

Based upon the assumptions, procedures and information set forth above, the computations provided to us and represented in Exhibits C and C-1, which indicate that the yield on the Refunding Bonds, assuming that each Callable Premium Bond is redeemed at par on May 1, 2027, is 2.07693%, are mathematically correct. It is our opinion that treating each Callable Premium Bond as being redeemed at par on May 1, 2027, rather than treating each such bond as being redeemed at par plus accrued interest, if any, on any other optional redemption date or as being retired on its stated maturity date, results in the lowest yield on each Callable Premium Bond.

### **YIELD ON THE RESTRICTED SECURITY**

We verified the mathematical accuracy of the accompanying computation of the yield on the Restricted Security based on an assumed settlement date of April 20, 2017 and a purchase price of \$32,766,130.34. For purposes of this calculation, yield is defined as the rate of interest which, using the assumptions and procedures set forth herein, discounts the cash receipts from the Restricted Security to an amount equal to the purchase price of the Restricted Security. The computations were made using a 360-day year with interest compounded semi-annually and were based on the dates the funds are to be received in the escrow account, and assume that all cash balances are not reinvested.

Based upon the procedures and information set forth above, the computations provided to us and represented in Exhibit D, which indicate that the yield on the Restricted Security is 1.10258% (which is less than the yield on the Refunding Bonds), are mathematically correct.

### **USE OF THIS REPORT**

We have completed our engagement to verify the mathematical accuracy of (a) the computations relating to the adequacy of cash plus U.S. Treasury Securities to be held in escrow to pay the debt service requirements of the School Facility Revenue Bonds (Syracuse City School District Project), Series 2008A (herein referred to as the "Refunded Bonds") issued by the City of Syracuse Industrial Development Agency (herein referred to as the "Agency") for the benefit of the Syracuse Joint Schools Construction Board (herein referred to as the "SJSCB"), the City of Syracuse (herein referred to as the "City") and the City School District of the City of Syracuse (herein referred to as the "District") and (b) the computations supporting the conclusion of Bond Counsel that the School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (herein referred to as the "Refunding Bonds") to be issued by the Agency for the benefit of the SJSCB, the City and the District are not "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended. We express no opinion as to the attainability of the assumptions underlying the computations or the tax-exempt status of the Refunding Bonds. Our verification was performed solely on the information contained in certain schedules of proposed transactions provided by Raymond James & Associates, Inc. (herein referred to as the "Underwriter"). In the course of our engagement to verify the mathematical accuracy of the computations in the schedules provided to us, we prepared Exhibits A through D attached hereto and made a part hereof.

The scope of our engagement consisted of performing the procedures described herein. These procedures were performed in a manner that we deem to be appropriate.

The accompanying exhibits of proposed transactions were prepared on the basis of assumptions underlying the computations and in accordance with the procedures described herein. We did not independently confirm the information used with outside parties.

### **OUR UNDERSTANDING OF THE TRANSACTION**

The Agency intends to issue the Refunding Bonds on April 20, 2017 to advance refund the Refunded Bonds. A portion of the proceeds of the Refunding Bonds will be used to purchase a U.S. Treasury Security (herein referred to as the "Restricted Security") that will be placed into an escrow account, together with cash and U.S. Treasury Securities (herein referred to as the "Bond Fund Securities" and collectively with the Restricted Security as the "Escrowed Securities") to be purchased with certain amounts to be contributed from the bond fund associated with the Refunded Bonds, to advance refund the Refunded Bonds.

The Escrow Agent will pay the debt service requirements of the Refunded Bonds on each scheduled payment date through and including May 1, 2018 and will redeem those Refunded Bonds maturing on May 1, 2019 and thereafter, at a redemption price equal to 100% of par, on May 1, 2018, which is the first optional redemption date for these bonds.

### **ESCROW ACCOUNT TRANSACTIONS**

We verified the mathematical accuracy of the accompanying calculations of the escrow account transactions proposed to advance refund the Refunded Bonds.

The presently outstanding debt service requirements of the Refunded Bonds will be satisfied by the purchase of the Escrowed Securities (as described in Exhibit A-3) plus \$40.64 in cash. The Escrowed Securities and cash will be placed in an irrevocable escrow account and held therein until the Refunded Bonds are redeemed as previously described.

We read a copy of the Official Statement for the Refunded Bonds insofar as these obligations are described with respect to principal amounts, interest rates, maturity dates, and redemption provisions. We assumed this document to be accurate and all debt service payments on the Refunded Bonds to be current as of April 20, 2017. We compared the above information set forth in this Official Statement with the related information contained in the schedules provided to us and found the information to be consistent.

Based on the procedures and information set forth above, the computations provided to us and represented in Exhibits A through B, which indicate that the cash and the Escrowed Securities proposed to be placed in escrow by the Agency are sufficient without reinvestment to pay, when due, the redemption price, sinking fund redemption payments and the principal of and interest on the Refunded Bonds, are mathematically correct.

### **YIELD ON THE REFUNDING BONDS**

We verified the mathematical accuracy of the accompanying computations of the yield on the Refunding Bonds as of April 20, 2017. For purposes of this calculation, yield is defined as the rate of interest which, using the assumptions and procedures set forth herein, discounts the adjusted payments to be made on the Refunding Bonds to an amount equal to the target purchase price of the Refunding Bonds. The computations were made using a 360-day year with interest compounded

semi-annually and treated \$4,663,314.10 as the original issue premium (which results in a target purchase price of \$33,923,314.10).

In conducting our verification, we assumed that the reoffering prices of the Refunding Bonds are as described in Exhibit C-1, that the Refunding Bonds stated to mature on or before May 1, 2027 are not optionally callable prior to maturity, and that the Refunding Bonds stated to mature on May 1, 2028 and thereafter are optionally callable at par on and after May 1, 2027. For each maturity of the Refunding Bonds stated to mature on May 1, 2028 and May 1, 2029 (which represent the only callable maturities with reoffering prices in excess of the safe harbor limit of 102.500%) (herein referred to as the "Callable Premium Bonds"), we tested to determine whether the lowest yield on each such bond is achieved by treating each such bond (1) as being redeemed on any optional redemption date, beginning May 1, 2027 at par plus accrued interest, if any, or (2) as being retired on its stated maturity date. We assumed that all other maturities of the Refunding Bonds would be retired on the dates and in the amounts set forth in Exhibit C-1.

Based upon the assumptions, procedures and information set forth above, the computations provided to us and represented in Exhibits C and C-1, which indicate that the yield on the Refunding Bonds, assuming that each Callable Premium Bond is redeemed at par on May 1, 2027, is 2.07693%, are mathematically correct. It is our opinion that treating each Callable Premium Bond as being redeemed at par on May 1, 2027, rather than treating each such bond as being redeemed at par plus accrued interest, if any, on any other optional redemption date or as being retired on its stated maturity date, results in the lowest yield on each Callable Premium Bond.

### **YIELD ON THE RESTRICTED SECURITY**

We verified the mathematical accuracy of the accompanying computation of the yield on the Restricted Security based on an assumed settlement date of April 20, 2017 and a purchase price of \$32,766,130.34. For purposes of this calculation, yield is defined as the rate of interest which, using the assumptions and procedures set forth herein, discounts the cash receipts from the Restricted Security to an amount equal to the purchase price of the Restricted Security. The computations were made using a 360-day year with interest compounded semi-annually and were based on the dates the funds are to be received in the escrow account, and assume that all cash balances are not reinvested.

Based upon the procedures and information set forth above, the computations provided to us and represented in Exhibit D, which indicate that the yield on the Restricted Security is 1.10258% (which is less than the yield on the Refunding Bonds), are mathematically correct.

The Series 2017 Bonds, the License, the Installment Sale Agreement, the Indenture, the Pledge and Assignment, the Tax Certificate, the Purchase Contract, the Preliminary Official Statement and the Official Statement are collectively referred to as the “*Agency Documents*.”

Capitalized terms not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

We have, as counsel to the Agency, examined original or certified copies of the proceedings of the Agency taken with respect to the Agency Documents, as well as certificates of the Agency's members, a certified copy of the Bond Resolution, specimen bonds and executed counterparts of the Agency Documents. We have also examined such statutes, court decisions, proceedings and other documents as we have considered necessary or appropriate in the circumstances to render the following opinions.

In our examination, we have assumed the genuineness of all signatures (other than those of the Agency), the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as copies. Furthermore, in rendering the following opinions, we have assumed that all documents executed by a person or persons other than the Agency have been duly executed and delivered by said other person or persons and that said documents, to the extent they create obligations, constitute legal, valid and binding obligations of said person or persons enforceable against said person or persons in accordance with their terms.

Based upon our examination of the foregoing, and in reliance upon the matters and subject to the limitations contained in the concluding paragraphs of this opinion, we are of the opinion (except that no opinion is given with respect to any federal or state securities law or any law concerning zoning or subdivision matters or as to the law of any jurisdiction other than the State of New York) that:

1. The Agency is a corporate governmental agency constituting a public benefit corporation duly established and validly existing under Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended, and Chapter 641 of the Laws of 1979 of the State, as amended (collectively, the "Act").

2. Under the Act, it is the purpose of the Agency to promote, develop, encourage and assist in acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing, among others, industrial, manufacturing, warehousing, commercial and research facilities, and the Agency has the power to acquire, hold and dispose of real and personal property for its corporate purposes. Under Chapter 5 Part A-4 of the Laws of 2006 of the State (the “*Syracuse Schools Act*”), the Series 2017 Project undertaken pursuant to the Syracuse Schools Act constitutes a qualified “project” under the Act, which the Agency may finance and in which it may have a license interest. In accordance with the Act, the Agency has determined to issue its Bonds pursuant to the Indenture.

3. The members and officers of the Agency identified in the Agency's general certificate delivered on this date to the Trustee have been duly appointed as such members

(and/or duly elected by the members as such officers) and, to the best of our knowledge, are qualified to serve as such.

4. The Agency has power and lawful authority under the Act to execute and deliver the Agency Documents; to issue its Bonds and appoint the JSCB as its agent to complete the Series 2017 Project; to sell its interest in and to the Facilities to the City and the SCSD pursuant to the Installment Sale Agreement; and to perform and observe the provisions of the Agency Documents and the Bonds on its part to be performed and observed.

5. The Bond Resolution has been duly adopted by the members of the Agency, complies with the procedural rules of the Agency and the requirements of the laws of New York, and the Bond Resolution has not been supplemented, amended, or repealed and remains in full force and effect on the date hereof.

6. By the Bond Resolution, the Agency has duly authorized the issuance of the Bonds and the execution and delivery of the Agency Documents.

7. The Agency has the right and power to execute, where applicable, and deliver the Agency Documents, each of which (other than the Preliminary Official Statement) has been duly authorized, executed and delivered by or on behalf of the Agency, is in full force and effect, and (other than the Preliminary Official Statement and the Final Official Statement) is a legal, valid and binding obligation of the Agency and is enforceable against the Agency in accordance with its terms.

8. The making and performance by the Agency of the Agency Documents and the consummation of the transactions on the part of the Agency therein contemplated will not violate any applicable provision of the Act or any other law, regulation, decree, writ, order or injunction applicable to the Agency, and will not contravene the provisions of or constitute a default under any material term of any agreement, indenture, or other instrument to which the Agency is a party or by which the Agency is bound.

9. No additional or further consent, authorization or approval of, or filing or registration with, any governmental or regulatory body not already obtained is required for the making and performance by the Agency of the Agency Documents or for the performance by the Agency of the transactions contemplated thereby.

10. There is no action, suit, proceeding or investigation at law or in equity by or before any court, public board or body pending, or, to the best of our knowledge, threatened against or affecting the Agency, wherein an unfavorable decision, ruling or finding would affect the transactions contemplated by the Agency Documents or the validity or the enforceability of any of the Agency Documents.

11. No legislation has been enacted by the Legislature of the State of New York which in any way adversely affects the issuance or delivery of the Series 2017 Bonds or the payment, collection or application of the proceeds thereof or the moneys and securities pledged or to be pledged under the Indenture, or the creation, organization or existence of the Agency or the title to office of any officers thereof, or the power of the Agency to acquire a license interest in, reconstruct, rehabilitate, equip, install, sell or assign the Facilities referred to in the Indenture.

12. We have no reason to believe and nothing has come to our attention that would lead us to believe that, as of the date of the Final Official Statement and as of the date hereof, the information contained in the Final Official Statement under the headings "THE ISSUER" and "NO LITIGATION" (but only with regard to the Agency) contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Any opinion concerning the enforceability of any document (A) means that: (1) such document constitutes an effective contract under applicable law; (2) such document is not invalid in its entirety under applicable law because of a specific statutory prohibition or public policy and is not subject in its entirety to a contractual defense under applicable law; and (3) subject to the following sentence, some remedy is available under applicable law if the person concerning whom such opinion is given is in material default under such document but; (B) does not mean that: (1) any particular remedy is available under applicable law upon such material default; or (2) every provision of such document will be upheld or enforced in any or each circumstance by a court applying applicable law. Furthermore, the enforceability of any document may be limited to or otherwise affected by: (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally; or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

We express no opinion with respect to: (A) title to all or any portion of the Facilities; (B) the priority of any liens, charges, security interests or encumbrances affecting the Facilities or any part thereof (or the effectiveness of any remedy which is dependent upon the existence of title to the Facilities, or the priority of any such lien, charge, security interest or encumbrance); (C) any laws, regulations, judgments, permits or orders with respect to the requirement of filing or recording of any of the Agency Documents; or (D) the laws of any jurisdiction other than the State of New York and the United States of America.

This opinion is rendered as of the date hereof, and no opinion is expressed as to matters referred to herein on any subsequent date.

**Re: \$29,260,000  
City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2017**

Ladies and Gentlemen:

I am Corporation Counsel of the City of Syracuse ("the City") and I serve as counsel to the City and to the City School District of the City of Syracuse ("the SCSD").

In connection with the above-entitled issuance and sale by the City of Syracuse Industrial Development Agency ("SIDA") of its \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "Series 2017 Bonds"), I have been requested to state my opinion as to certain matters referred to below. For that purpose, I have reviewed the following documents (documents 1 through 11 below being referred to as the "SCSD Documents"; and each of the documents listed below executed by the City collectively being referred to as "the City Documents"; and documents 1 through 12 below being referred to as the "Project Documents").

1. The Preliminary Official Statement, dated March 28, 2017 (the "Preliminary Official Statement"), and the final Official Statement dated April 6, 2017 with respect to the offering and sale of the Series 2017 Bonds (to be executed by SIDA, the SCSD and the City (the "Official Statement").

2. The Purchase Contract, dated April 6, 2017, relating to the sale of the Series 2017 Bonds among the Syracuse Joint Schools Construction Board (the "JSCB"), on behalf of itself, the SCSD and the City, SIDA and Raymond James & Associates, Inc., as Underwriter named therein (the "Purchase Contract").

3. The Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017 between the City and the SCSD, as Lessors, and SIDA, as Lessee, (the "License Agreement").

4. The Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, as amended by Amendment No. 1, dated as of July 1, 2009, and as further amended by Amendment No. 2 to the Installment Sale Agreement (Series 2010 Project), dated as of December 1, 2010, Amendment No. 3 to the Installment Sale Agreement (Series 2011 Project), dated as of July 1, 2011, and Amendment No. 4 to the Installment Sale Agreement (Series 2017 Project), dated as of April 1, 2017, and among SIDA, the SCSD, the City and the JSCB (the "Installment Sale Agreement").

5. The Pledge and Assignment, dated as of April 1, 2017 (the "***Pledge and Assignment***"), by the Agency in favor of the Trustee acknowledged by the City, the SCSD and the JSCB;

6. The Continuing Disclosure Agreement among the City, the JSCB, the SCSD, and Manufacturers and Traders Trust Company, as trustee (the "Trustee"), dated as of April 1, 2017, for the Series 2017 Bonds.

7. The State Aid Depository Agreement, dated as of March 1, 2008, as amended by the First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "State Aid Depository Agreement") among the SCSD, the City and Manufacturers and Traders Trust Company, as Depository Bank.

8. The Environmental Compliance and Indemnification Agreement, dated as of March 1, 2008, as amended by the First Supplemental Environmental Compliance and Indemnification Agreement, dated as of December 1, 2010, and as further amended by the Second Supplemental Environmental Compliance and Indemnification Agreement, dated as of July 1, 2011, from the SCSD and the City to SIDA.

9. Letter of Instruction dated as March 12, 2008, from the Commissioner of Finance of the City and the SCSD to the State Comptroller in relation to payment of State Aid to Education to the Depository Bank.

10. The Arbitrage and Use of Proceeds Certificate from the SCSD, the City and the JSCB, dated the date hereof.

11. The Refunding Escrow Trust Agreement providing for the defeasance of the Refunded Series 2008A Bonds, dated as of April 1, 2017, among SIDA, the SCSD and the Trustee, as Escrow Agent thereunder.

12. The Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (the "Indenture") between SIDA and Manufacturers and Traders Trust Company, as trustee (the "Trustee").

In rendering this opinion, I have also reviewed: (a) Chapter 58, Part A-4 of the Laws of 2006 of the State of New York, as amended ("the Syracuse Schools Act"); (b) Ordinance No. 113-2017 adopted by the Common Council of the City on February 6, 2017; (c) Resolution No. 0217-091 of the Board of Education adopted on February 8, 2017, authorizing the SCSD Documents; and (d) Resolution No. 11 of 2017 adopted by the JSCB on January 26, 2017 (items (b), (c) and (d) being collectively referred to hereinafter as the "Approving Resolutions.").

In rendering this opinion, I have further reviewed and relied upon a certificate of the President of the Board of Education and Superintendent of the SCSD, in respect to compliance by the SCSD with the requirements of the New York Education Law and the regulations of the New York Department of Education for state building aid and operating aid to the SCSD.

All capitalized terms used in this opinion and not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

Subject to the foregoing, it is my opinion that:

1. The SCSD is a duly organized and validly existing school district of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement, the Purchase Contract and the other SCSD Documents, and to consummate the transactions contemplated by the SCSD Documents and the other Project Documents, and to execute, deliver and perform its obligations under the SCSD Documents.

2. The City is a duly organized and validly existing municipal corporation of the State of New York, and has all requisite power and authority to conduct its business as described in the Official Statement and the City Documents, and to consummate the transactions contemplated by the City Documents and the other Project Documents, and to execute, deliver and perform its obligations under the City Documents.

3. Each of the SCSD Documents and the City Documents conform in all material respects to the descriptions thereof contained in the Official Statement.

4. Each of the SCSD Documents has been duly authorized, executed and delivered by the SCSD. Assuming the due and valid execution and delivery of the SCSD Documents by the other parties thereto (other than the City), each of the SCSD Documents is the legal, valid and binding obligation of the SCSD, enforceable against the SCSD in accordance with its terms, except to the extent that the enforceability thereof may be limited or otherwise affected by (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (B) the unavailability of, or any limitation on the availability of, any particular right

or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith. Each of the City Documents has been duly authorized, executed and delivered by the City. Assuming the due and valid execution and delivery of the City Documents by the other parties thereto (other than the SCSD), each of the City Documents is the legal, valid and binding obligation of the City, enforceable against the City in accordance with its terms, except to the extent that the enforceability thereof may be limited or otherwise affected by (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

5. Each of the Approving Resolutions was duly adopted by the Common Council of the City or the Board of Education of the SCSD, as appropriate.

6. No event of default or event which, with notice or lapse of time or both, would constitute an event of default or a default under any of the SCSD Documents or City Documents has occurred and is continuing.

7. The Refunding Project, as described in the Official Statement, constitutes "educational facilities" of the SCSD and a "project" in compliance with the Syracuse Schools Act.

8. Based upon the above-mentioned officer certificate of the SCSD, and to the best of my knowledge after due and diligent inquiry, the SCSD is in compliance with the material rules, regulations and other requirements of the State Education Department in connection with State Aid to Education revenues to the SCSD and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute such a breach of or default under any such requirements, such that State Aid to Education revenues could be impaired.

9. The execution and delivery of the SCSD Documents by the SCSD and the consummation of the transactions therein contemplated and compliance with the provisions thereof (i) do not constitute a violation of any provision of law, any order, regulation or decree of any court or agency of government, indenture, mortgage, deed, trust agreement or other instrument known to me after due inquiry to which the SCSD is a party or any of its respective property is subject or bound, and (ii) are not in conflict with nor will they result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument.

10. The execution and delivery of the City Documents by the City and the consummation of the transactions therein contemplated and compliance with the provisions thereof (i) do not constitute a violation of any provision of law, any order, regulation or decree of any court or agency of government, indenture, mortgage, deed, trust agreement or other instrument known to me after due inquiry to which the City is a party or any of its respective

property is subject or bound, and (ii) are not in conflict with nor will they result in a breach of or constitute (with due notice and/or lapse of time) a default under any such indenture, agreement or instrument.

11. The SCSD has duly authorized the taking of any and all action necessary at the date hereof to carry out and give effect to the transactions contemplated to be performed on its part by the SCSD Documents as of the date of this letter.

12. The City has duly authorized the taking of any and all action necessary at the date hereof to carry out and give effect to the transactions contemplated to be performed on its part by the City Documents as of the date of this letter.

13. To my best knowledge after due inquiry, there is no action, suit, proceeding or investigation at law or in equity with respect to the SCSD by or before any court, public board or body, pending or threatened against or affecting the SC SD, wherein an unfavorable decision, ruling or finding on an issue raised by a party thereto would materially adversely affect (i) the transactions contemplated by, or the validity or enforceability of, any of the Project Documents, or (ii) except as is set forth in the Official Statement, the financial condition of the SCSD.

14. To my best knowledge after due inquiry, there is no action, suit, proceeding or investigation at law or in equity with respect to the City by or before any court, public board or body, pending or threatened against or affecting the City, wherein an unfavorable decision, ruling or finding on an issue raised by a party thereto would materially adversely affect (i) the transactions contemplated by, or the validity or enforceability of, any of the Project Documents, or (ii) except as is set forth in the Official Statement, the financial condition of the City.

15. All consents, approvals, confirmations or authorizations, if any, of any governmental authority required on the part of the SCSD in connection with the execution and delivery by the SCSD of the SCSD Documents have been duly obtained.

16. All consents, approvals, confirmations or authorizations, if any, of any governmental authority required on the part of the City in connection with the execution and delivery by the City of the City Documents have been duly obtained.

17. I have reviewed the information in the Official Statement and I have no reason to believe and nothing has come to my attention which leads me to believe that the information contained under the headings "INTRODUCTION," "THE PROGRAM," "PROGRAM PARTICIPANTS," and "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS," and the information with respect to the SCSD and the City under the caption "NO LITIGATION" contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. I am not called upon to confirm and do not express any opinion as to the accuracy of any other matters in the Official Statement, including without limitation the financial information and other matters included in Appendix A to the Official Statement, and any other financial, technical or statistical data included in the Official Statement or any Appendix thereto.

18. The Syracuse Schools Act is in full force and effect, is enforceable as to the Refunding Project (as defined in the Official Statement), and has not been amended, modified, repealed or rescinded.

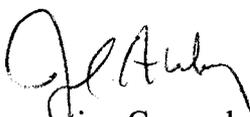

19. The above-cited ordinance adopted by the Common Council of the City and approved by the Mayor has been duly and validly authorized by the Common Council and is binding on the City, is in full force and effect, and has not been amended, modified, repealed or rescinded.

20. The above-cited resolution adopted by the Board of Education has been duly and validly authorized by the Board of Education and is binding on the SCSD, is in full force and effect, and has not been amended, modified, repealed or rescinded.

21. Pursuant to the Third Amendatory License Agreement (Series 2017 Project), dated as of April 1, 2017, the City and the SCSD have vested SIDA with a valid licensed interest in the Facilities.

Only the parties to whom this opinion is addressed and their counsel may rely on this opinion. Re: \$29,260,000  
City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2017

Ladies and Gentlemen:

We have acted as counsel to the Joint Schools Construction Board (“JSCB”) in relation to the above-entitled financing for the purpose of (i) refunding all of the outstanding Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2008A; and (ii) financing certain costs of issuance of the Series 2017 Bonds (collectively, the “Refunding Project”) for a comprehensive program (“the Program”) for the development of the educational facilities of the Syracuse City School District (“the SCSD”). In that capacity, we have been requested to state our opinion as to certain matters referred to below. In the course of our representation of the JSCB, we have made all necessary inquiries of representatives of JSCB authorized to make representations on behalf of the SCSD and the City of Syracuse (the “City”), and having knowledge of the Refunding Project and the transaction contemplated by the following documents. For that purpose, we have reviewed the following documents to which the JSCB is a party:

(a) The Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, as amended by Amendment No. 1, dated as of July 1, 2009, and as further amended by Amendment No. 2 to Installment Sale Agreement (Series 2010 Project), dated as of December 1, 2010 and by Amendment No. 3 to Installment Sale Agreement (Series 2011 Project), dated as July 1, 2011 and by Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as

April 1, 2017 (the "Installment Sale Agreement"), among Syracuse Industrial Development Agency ("SIDA") and the City, the SCSD and the JSCB.

(b) The Pledge and Assignment, dated as of April 1, 2017 (the "*Pledge and Assignment*"), by the Agency in favor of the Trustee acknowledged by the City, the SCSD and the JSCB;

(c) The State Aid Depository Agreement, dated as of March 1, 2008, as amended by First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the "State Aid Depository Agreement"), among the SCSD, Manufacturers and Traders Trust Company, as "Trustee", Manufactures and Traders Trust Company, as depository, the City and the JSCB.

(d) The resolution of the JSCB authorizing the execution, delivery and performance of the Bond Documents and directing that its authorized officer do and cause to be done any such other acts and things as he or she determines may be necessary or desirable to consummate the transactions contemplated by the bond documents, including determining that the cost to the taxpayers of the City of Syracuse and State of New York of the above-entitled financing through SIDA is less than the cost would be if the financing of the Project were effected by the New York State Municipal Bond Bank Agency.

(e) The Tax Certificate.

(f) The Purchase Contract, dated April 6, 2017 among Raymond James & Associates, as Underwriter (the "Underwriter"), and the JSCB, on behalf of itself, the City and the SCSD, and SIDA (the "Purchase Contract").

(g) The Continuing Disclosure Agreement, dated as of April 1, 2017, between the JSCB, on behalf of the City and the SCSD, and the Trustee (the "Continuing Disclosure Agreement").

(h) The Preliminary Official Statement, dated March 28, 2017 (the "Preliminary Official Statement"), and the final Official Statement dated April 6, 2017 with respect to the offering and sale of the Series 2017 Bonds (to be executed by SIDA and the JSCB (the "Official Statement").

(i) The Syracuse Joint School Construction Agreement, dated as of April 1, 2004 (the "JSCB Agreement"), between the City and the SCSD.

(j) The Indenture of Trust (Series 2017 Project), dated as of April 1, 2017 (the "Indenture") between SIDA and Manufacturers and Traders Trust Company, as trustee (the "Trustee").

(k) The Environmental Compliance and Indemnification Agreement, dated as of March 1, 2008, as amended by the First Supplemental Environmental Compliance and Indemnification Agreement, dated as of December 1, 2010, and as further amended by the Second Supplemental Environmental Compliance and Indemnification Agreement, dated as of July 1, 2011, from the SCSD and the City to SIDA.

The JSCB is an inter-municipal board created by an ordinance of the City to assist in the planning and development of the Program. It has been assigned additional functions by Chapter 58, part 4-A of the Laws of 2006 of the State of New York, as amended (the "Syracuse Schools Act").

Any opinion in this letter concerning the validity, binding effect or enforceability of any document may be limited or otherwise affected by (a) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally or (b) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

Subject to the foregoing, it is our opinion that:

1. The JSCB is a validly existing inter-municipal board and has all requisite power and authority to adopt the Resolution and to execute, deliver and perform its obligations under the JSCB Documents.

2. The Resolution was duly adopted by the JSCB at a meeting held on January 26, 2017.

3. The Installment Sale Agreement, the Tax Certificate, the Purchase Contract and the Continuing Disclosure Agreement have each been duly authorized, executed and delivered by the JSCB. Assuming the due and valid execution and delivery by the other parties thereto, and assuming each to be a legal, valid and binding obligation of the SCSD (as to which we refer you to the opinion of the Corporation Counsel of the SCSD, and express no independent opinion), each of the Installment Sale Agreement, the Continuing Disclosure Agreement, the Tax Certificate Agreement and the Purchase Contract are the legal, valid and binding obligations of the JSCB, enforceable against the JSCB in accordance with their respective terms.

4. The Refunding Project is not within the type of actions or classes of actions identified by the New York State Department of Environmental Conservation under the State Environmental Quality Review Act, being Article 8 of the New York State Environmental

Conservation Law, which will in almost every instance have a significant effect on the environment and are therefore likely to require the preparation of environmental impact statements.

We express no opinion with respect to the effect of any law other than the law of the State of New York.

This opinion letter has been prepared, and is intended to be construed, in accordance with the customary practice of lawyers who regularly give, and lawyers who regularly advise opinion recipients concerning, opinions of the type contained herein.

Only the parties to whom this opinion is addressed and their counsel may rely on this opinion. This opinion speaks only as of the date hereof and is limited to present laws and regulations and the facts as they currently exist and have been represented to us. We assume no obligation to revise, update or supplement this opinion.

Yours very truly,

Ladies and Gentlemen:

We have acted as counsel for you (the "Underwriter") in connection with the issuance of the \$29,260,000 City of Syracuse Industrial Development Agency School Facility Revenue Refunding Bonds (the "Series 2017 Bonds"), which are being delivered to you today pursuant to a Purchase Contract (the "Purchase Contract") dated April 6, 2017, by and among the Underwriter, the City of Syracuse Industrial Development Agency ("SIDA"), and the Syracuse Joint Schools Construction Board (the "JSCB") on behalf of itself and each of the City School District of the City of Syracuse (the "SCSD") and the City of Syracuse (the "City"). During the course of our engagement, we have examined the following to enable us to render the opinions set forth below:

- (a) Copies of proceedings relating to the authorization, issuance, sale and delivery of the Series 2017 Bonds;
- (b) A copy of the Official Statement dated, April 6, 2017, including the Appendices thereto (the "Official Statement"), relating to the Series 2017 Bonds;
- (c) Executed copies of the Purchase Contract and certificates and opinions of counsel delivered to satisfy conditions of the Purchase Contract;
- (d) An executed copy of the Installment Sale Agreement (Series 2008 Project), dated as of March 1, 2008, by and among SIDA, the City, the SCSD and the JSCB, as amended by Amendment No. 1, dated as of July 1, 2009, Amendment No. 2 to the Installment Sale Agreement (Series 2010 Project), dated as of December 1, 2010, Amendment No. 3 to the Installment Sale Agreement (Series 2011 Project), dated as of July 1, 2011, and Amendment No. 4 to the Installment Sale Agreement, dated as of April 1, 2017;
- (e) An executed copy of the State Aid Depository Agreement, dated as of March 1, 2008, by and among the SCSD, Manufacturers and Traders Trust Company, as depository, the City and the JSCB, as amended by a First Amendment to State Aid Depository Agreement, dated as of December 1, 2010;
- (f) Indenture of Trust (Series 2017 Project), dated as of April 1, 2017, between SIDA and the Trustee;

(g) An executed copy of the Third Amendatory License Agreement, dated as of April 1, 2017, between the City and the SCSD, as licensors, and SIDA, as licensee (the "License Agreement"); and

(h) An executed copy of the Continuing Disclosure Agreement, dated as of April 1, 2017 (the "Continuing Disclosure Agreement"), relating to the Series 2017 Bonds.

We have also examined and relied on originals or copies certified or otherwise identified to our satisfaction of such other documents, instruments or corporate records, and have made such investigation of law as we have considered necessary or appropriate for the purpose of this opinion. In addition, in rendering this opinion, we have relied on (i) the approving opinion of SIDA's Bond Counsel as well as the opinions of Corporation Counsel for the City and the SCSD, and the counsels for SIDA and the JSCB, (ii) information provided by representatives of SIDA, the City, the SCSD, and the JSCB as incorporated in the Official Statement, and (iii) the certificates of officers of SIDA delivered to satisfy conditions of the Purchase Contract.

In accordance with our understanding with you, we rendered legal advice and assistance to you in the course of your investigation and negotiations pertaining to, and your participation in the preparation of, the Official Statement and the issuance and sale of the Series 2017 Bonds. The purpose of our engagement was (i) to assist you in your negotiations with SIDA and with its financial advisor and its Bond Counsel, (ii) to assist in your investigation relating to and in the preparation of the Official Statement, and (iii) to prepare the Purchase Contract and assist in the negotiation of the Purchase Contract and to examine the documents delivered to you in satisfaction of the conditions thereof and otherwise consult with you as to the satisfaction of these conditions. Rendering assistance in these matters involved, among other things, examinations, inquiries and discussions concerning various legal and related subjects, and reviews of and reports on certain documents and proceedings.

The limitations inherent in the independent verification of factual matters and the character of determinations involved in the preparation of the Official Statement are such that we have necessarily assumed the accuracy, completeness and fairness of and take no responsibility for any of the statements made in the Official Statement. We have relied upon originals or copies certified or otherwise identified to our satisfaction, of such other records, documents and instruments and have made such investigations of law, as we have deemed appropriate as the basis for the opinions hereinafter expressed. In such examination, we have assumed the genuineness of all signatures on documents submitted to us as originals, the authenticity of all documents submitted to us as originals, and the conformity with the original documents of all such documents submitted to us as copies. As to any facts material to such opinions, we have in all cases relied upon certificates of public officials, or certificates or opinions of officers or other representatives of the appropriate party or parties. We have also relied upon the representations, warranties and covenants set forth in the Purchase Contract.

In rendering this opinion letter, we are not expressing any opinion or view as to the authorization, execution, issuance, delivery, validity or enforceability of the Bonds. As to all such matters, we are relying upon the opinions of Bond Counsel, referred to above.

Based on and subject to the foregoing and in reliance thereon, as of the date hereof, we are of the following opinions or conclusions:

1. The Series 2017 Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and that the Resolutions are exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, as amended.

2. Assuming the validity of the Continuing Disclosure Agreement, the undertakings of the Issuer contained therein satisfy paragraph (b)(5) of Rule 15c2-12 promulgated by United States Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934 (the "Rule") insofar as they contains the elements required for the written agreement or contract referenced in paragraph (b)(5)(i) to provide continuing disclosure with respect to the Bonds. We note, however, that relying solely on this opinion without any further investigation on your part may not result in your being in full compliance with the requirements of the Rule.

This letter is furnished by us as counsel to the Underwriter in this transaction and is solely for your benefit and it is not to be used, circulated, quoted or otherwise referred to for any purposes and may not be relied upon by owners of Bonds or by any other party to whom it is not specifically addressed without our express written consent, except that reference may be made to it in the Purchase Contract or in any list of closing documents pertaining to the delivery of the Bonds. Our engagement with respect to this matter has terminated as of the date hereof, and we disclaim any obligation to update this letter.

Very truly yours,

The opinions and confirmations set forth in this letter, whether or not qualified by the phrase “to our knowledge,” are subject to the following qualifications:

1. The opinions and confirmations set forth in this letter are based solely upon (a) our review of, as submitted to us, (i) the Indenture, the Escrow Agreement and a State Aid Depository Agreement, dated as of April 1, 2008, among City of Syracuse, City School District of the City of Syracuse and the Bank, as depository bank, as amended by a First Amendment to State Aid Depository Agreement, dated as of December 1, 2010, among City of Syracuse, City School District of the City of Syracuse and the Bank, as depository bank, (such State Aid Depository Agreement as so amended, the Indenture and the Escrow Agreement being collectively the “Bank Documents” and individually a “Bank Document”), (ii) the Organization Certificate of the Bank, (iii) a Certificate of Authority of the Bank, dated April 20, 2017, executed by an officer of the Bank (the “Officer’s Certificate”), which contains an extract of the By-laws of the Bank, and (iv) a Certificate, dated April 4, 2017, from the Deputy Superintendent, Community and Regional Banks, Banking Division, of the Department of Financial Services of the State of New York as to the Bank (the “Governmental Certificate”) (items (a)(i) through (a)(iv) being collectively the “Reviewed Documents”), (b) as to factual matters, the actual knowledge of those of our present attorneys who have had primary responsibility for reviewing the Bank Documents on behalf of the Bank (collectively the “Attorney Information”) and (c) as to legal matters, our review of such published sources of law as we have deemed necessary based solely upon our review of the Reviewed Documents and the Attorney Information. Other than our review of the Reviewed Documents, we have not reviewed any document referred to in any of the Reviewed Documents or made any inquiry or other investigation as to any factual matter (including, but not limited to, (a) any review of any of the files and other records of the Bank or any court or other governmental authority, (b) any of our files and other records, (c) any inquiry of any director, officer, employee or other agent of the Bank and (d) any inquiry of any past or present attorney of ours).

2. We have assumed without any inquiry or other investigation (a) the legal capacity of each natural person, (b) the genuineness of each signature on any of the Reviewed Documents, the accuracy and completeness of each of the Reviewed Documents, the authenticity of each of the Reviewed Documents submitted to us as an original, the conformity to the original of each of the Reviewed Documents submitted to us as a copy and the authenticity of the original of each of the Reviewed Documents submitted to us as a copy, (c) the accuracy on the date of this letter as well as on the date stated in the Officer’s Certificate or the Governmental Certificate of each statement contained therein and the accuracy on the date of this letter as well as on the date made of each statement as to any factual matter contained in any other of the Reviewed Documents, (d) there not existing outside of the Reviewed Documents, the Attorney Information, the law of the State of New York and the federal law of the United States anything that would render incorrect any opinion set forth in this letter, (e) the constitutionality or validity of any statute, rule regulation or other law not being at issue, (f) the due incorporation of the Bank, the due adoption and filing of each amendment to any certificate of incorporation or organization certificate of the Bank and the due adoption of the original by-laws of the Bank and each amendment to any by-laws of the Bank, (g) the unconditional physical or electronic delivery of the Bank Documents by the Bank, (g) the satisfaction of each legal requirement applicable to any party to any Bank Document other than the

Bank to the extent necessary to make such Bank Document enforceable against such party, (h) the satisfaction of each legal requirement applicable to the status of any party to any Bank Document other than the Bank to the extent that such status relates to any right of such party to enforce such Bank Document against the Bank, (i) there not having occurred with respect to any transaction contemplated by any Bank Document any mutual mistake of fact or misunderstanding, fraud, duress or undue influence or any conduct that does not comply with any requirement of good faith, fair dealing or conscionability, (j) each party to any Bank Document other than the Bank having acted in good faith and without any notice of any defense against the enforcement of any right granted to such party by such Bank Document or any adverse claim to any property that or any interest in which is transferred by such Bank Document and (k) there existing no agreement or understanding, whether written or oral, and there existing no usage of trade or course of conduct, that would limit, define, supplement or qualify any provision of any Bank Document.

3. We do not express any opinion concerning any law other than the law of the State of New York and the federal law of the United States.

4. To the extent that any opinion set forth in this letter is based upon any statement contained in the Governmental Certificate, such opinion is limited to the meaning ascribed to such statement by the issuer of the Governmental Certificate.

5. The qualification of any confirmation set forth in this letter by the phrase “to our knowledge” signifies that, in the course of our representation of the Bank in connection with the execution and delivery of the Bank Documents by the Bank, no information has come to the attention of those of our present attorneys who have had primary responsibility for reviewing the Bank Documents on behalf of the Bank that would give such attorneys actual knowledge of the inaccuracy of such confirmation.

6. The opinion set forth in this letter concerning the enforceability of any Bank Document against the Bank under the law of the State of New York means that, while, as to the Bank, no particular remedy (including, but not limited to, specific performance) will necessarily be available under the law of the State of New York and no particular provision of such Bank Document will necessarily be upheld or enforced in any or each circumstance by a court of the State of New York applying such law, such unavailability of any particular remedy and such failure of any particular provision to be upheld or enforced will not preclude the availability under such law, upon a material default by the Bank in the performance by the Bank of any material obligation of the Bank under such Bank Document, of a legally adequate remedy for pursuing a claim against the Bank for damages for such default.

7. The enforceability of any Bank Document against the Bank under the law of the State of New York may be limited or otherwise affected by (a) any bankruptcy, insolvency, liquidation, reorganization, conservatorship, receivership, moratorium, marshaling, arrangement, assignment for benefit of creditors, fraudulent transfer, fraudulent conveyance, preference or other statute, rule, regulation or other law affecting the rights and remedies of creditors generally or creditors of specific types of debtors, (b) any general principle of equity, whether applied by a court of law or equity, (including, but not limited to, any principle (i) governing the availability of

specific performance, injunctive relief or any other equitable remedy that is subject to the discretion of a court, (ii) affording any equitable defense, (iii) requiring, or limiting the effectiveness, validity or enforceability of any waiver of any requirement of, good faith, fair dealing, reasonableness or diligence in the performance or enforcement of a contract by a party seeking the enforcement of such contract, (iv) requiring consideration of the materiality of a breach of a contract by a party against whom or which the enforcement of such contract is sought or consideration of the materiality of the consequences of such breach to a party seeking such enforcement, (v) requiring consideration at the time the enforcement of a contract is attempted of the impracticality or impossibility of the performance of such contract or (vi) affording any defense to the enforcement of a contract based upon the unconscionability of the conduct after such contract has been entered into of a party seeking such enforcement) and (c) the illegality of such Bank Document under any law other than the law of the State of New York.

8. This letter addresses only the matters addressed by the opinions set forth in this letter and does not address any other matter. Any opinion set forth in this letter (a) deals only with the specific legal issue or issues it explicitly addresses and does not address any other matter, (b) addresses only law that, in our experience without our having made any investigation as to the applicability of any particular statute, rule, regulation or other law not expressly referred to in such opinion, is normally directly applicable to the Bank in acting as a corporate trustee, (c) except as expressly set forth in such opinion, does not address any legal issue arising under (i) any statute, rule, regulation or other law relating to any futures, forward, option, swap or other derivative contract or guaranty or other obligation arising in connection therewith, commodities, securities, pension, employee benefit, antitrust, unfair competition, communication, usury, fraudulent transfer, fraudulent conveyance, preference, privacy, consumer protection, anti-discrimination, environmental, land use, subdivision, tax, copyright, patent, trademark or other intellectual property, gambling, racketeering, terrorism, money laundering, emergency, health, safety, labor, health or other insurance, forfeiture or criminal matter or any filing, notice, margin or fiduciary requirement or (ii) any statute, ordinance, rule, regulation or other law of any political subdivision of the State of New York, (d) does not address the effect on such opinion of any law (including, but not limited to, public policy reflected therein) other than the law of the State of New York and the federal law of the United States and (e) except as expressly set forth in such opinion, does not address any matter relating to (i) the legal or regulatory status, or the nature or conduct of any business, of any party or (ii) the compliance or noncompliance by any party with any statute, rule, regulation or other law.

9. This letter is given without regard to any change after the date of this letter with respect to any factual or legal matter, and we disclaim any obligation to notify any of you of any such change or any effect of any such change on any opinion or confirmation set forth in this letter.

10. This letter is to be interpreted in accordance with customary practice in the State of New York with respect to legal opinions rendered by lawyers to non-clients in business transactions except to the extent that such customary practice is incompatible with any qualification set forth in this letter.

April 20, 2017

The Series 2017 Bonds, the License, the Installment Sale Agreement, the Indenture, the Pledge and Assignment, the Tax Certificate, the Purchase Contract, the Preliminary Official Statement and the Official Statement are collectively referred to as the "**Agency Documents**."

Capitalized terms not otherwise defined herein shall have the meanings assigned thereto in the Indenture.

We have, as counsel to the Agency, examined original or certified copies of the proceedings of the Agency taken with respect to the Agency Documents, as well as certificates of the Agency's members, a certified copy of the Bond Resolution, specimen bonds and executed counterparts of the Agency Documents. We have also examined such statutes, court decisions, proceedings and other documents as we have considered necessary or appropriate in the circumstances to render the following opinions.

In our examination, we have assumed the genuineness of all signatures (other than those of the Agency), the authenticity of all documents submitted to us as originals and the conformity with the original documents of all documents submitted to us as copies. Furthermore, in rendering the following opinions, we have assumed that all documents executed by a person or persons other than the Agency have been duly executed and delivered by said other person or persons and that said documents, to the extent they create obligations, constitute legal, valid and binding obligations of said person or persons enforceable against said person or persons in accordance with their terms.

Based upon our examination of the foregoing, and in reliance upon the matters and subject to the limitations contained in the concluding paragraphs of this opinion, we are of the opinion (except that no opinion is given with respect to any federal or state securities law or any law concerning zoning or subdivision matters or as to the law of any jurisdiction other than the State of New York) that:

1. The Agency is a corporate governmental agency constituting a public benefit corporation duly established and validly existing under Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of the State of New York, as amended, and Chapter 641 of the Laws of 1979 of the State, as amended (collectively, the "Act").

2. Under the Act, it is the purpose of the Agency to promote, develop, encourage and assist in acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing, among others, industrial, manufacturing, warehousing, commercial and research facilities, and the Agency has the power to acquire, hold and dispose of real and personal property for its corporate purposes. Under Chapter 5 Part A-4 of the Laws of 2006 of the State (the "*Syracuse Schools Act*"), the Series 2017 Project undertaken pursuant to the Syracuse Schools Act constitutes a qualified "project" under the Act, which the Agency may finance and in which it may have a license interest. In accordance with the Act, the Agency has determined to issue its Bonds pursuant to the Indenture.

3. The members and officers of the Agency identified in the Agency's general certificate delivered on this date to the Trustee have been duly appointed as such members (and/or duly elected by the members as such officers) and, to the best of our knowledge, are qualified to serve as such.

4. The Agency has power and lawful authority under the Act to execute and deliver the Agency Documents; to issue its Bonds and appoint the JSCB as its agent to complete the Series 2017 Project; to sell its interest in and to the Facilities to the City and the SCSD pursuant to the Installment Sale Agreement; and to perform and observe the provisions of the Agency Documents and the Bonds on its part to be performed and observed.

5. The Bond Resolution has been duly adopted by the members of the Agency, complies with the procedural rules of the Agency and the requirements of the laws of New York, and the Bond Resolution has not been supplemented, amended, or repealed and remains in full force and effect on the date hereof.

6. By the Bond Resolution, the Agency has duly authorized the issuance of the Bonds and the execution and delivery of the Agency Documents.

7. The Agency has the right and power to execute, where applicable, and deliver the Agency Documents, each of which (other than the Preliminary Official Statement) has been duly authorized, executed and delivered by or on behalf of the Agency, is in full force and effect, and (other than the Preliminary Official Statement and the Final Official Statement) is a legal, valid and binding obligation of the Agency and is enforceable against the Agency in accordance with its terms.

8. The making and performance by the Agency of the Agency Documents and the consummation of the transactions on the part of the Agency therein contemplated will not violate any applicable provision of the Act or any other law, regulation, decree, writ, order or injunction applicable to the Agency, and will not contravene the provisions of or constitute a default under any material term of any agreement, indenture, or other instrument to which the Agency is a party or by which the Agency is bound.

9. No additional or further consent, authorization or approval of, or filing or registration with, any governmental or regulatory body not already obtained is required for the making and performance by the Agency of the Agency Documents or for the performance by the Agency of the transactions contemplated thereby.

10. There is no action, suit, proceeding or investigation at law or in equity by or before any court, public board or body pending, or, to the best of our knowledge, threatened against or affecting the Agency, wherein an unfavorable decision, ruling or finding would affect the transactions contemplated by the Agency Documents or the validity or the enforceability of any of the Agency Documents

11. No legislation has been enacted by the Legislature of the State of New York which in any way adversely affects the issuance or delivery of the Series 2017 Bonds or the payment, collection or application of the proceeds thereof or the moneys and securities pledged or to be pledged under the Indenture, or the creation, organization or existence of the Agency or the title to office of any officers thereof, or the power of the Agency to acquire a license interest

in, reconstruct, rehabilitate, equip, install, sell or assign the Facilities referred to in the Indenture..

11. We have no reason to believe and nothing has come to our attention that would lead us to believe that, as of the date of the Final Official Statement and as of the date hereof, the information contained in the Final Official Statement under the headings "THE ISSUER" and "NO LITIGATION" (but only with regard to the Agency) contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Any opinion concerning the enforceability of any document (A) means that: (1) such document constitutes an effective contract under applicable law; (2) such document is not invalid in its entirety under applicable law because of a specific statutory prohibition or public policy and is not subject in its entirety to a contractual defense under applicable law; and (3) subject to the following sentence, some remedy is available under applicable law if the person concerning whom such opinion is given is in material default under such document but; (B) does not mean that: (1) any particular remedy is available under applicable law upon such material default; or (2) every provision of such document will be upheld or enforced in any or each circumstance by a court applying applicable law. Furthermore, the enforceability of any document may be limited to or otherwise affected by: (A) any bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or other similar statute, rule, regulation or other law affecting the enforcement of creditors' rights and remedies generally; or (B) the unavailability of, or any limitation on the availability of, any particular right or remedy (whether in a proceeding in equity or at law) because of the discretion of a court or because of any equitable principle or requirement as to commercial reasonableness, conscionability or good faith.

We express no opinion with respect to: (A) title to all or any portion of the Facilities; (B) the priority of any liens, charges, security interests or encumbrances affecting the Facilities or any part thereof (or the effectiveness of any remedy which is dependent upon the existence of title to the Facilities, or the priority of any such lien, charge, security interest or encumbrance); (C) any laws, regulations, judgments, permits or orders with respect to the requirement of filing or recording of any of the Agency Documents; or (D) the laws of any jurisdiction other than the State of New York and the United States of America.

This opinion is rendered as of the date hereof, and no opinion is expressed as to matters referred to herein on any subsequent date.

Very truly yours,

Re: City of Syracuse Industrial Development Agency  
School Facility Revenue Refunding Bonds  
(Syracuse City School District Project) Series 2017

Ladies and Gentlemen:

In connection with the issuance by the City of Syracuse Industrial Development Agency (the "**Agency**") of its \$29,260,000 School Facility Revenue Refunding Bonds (Syracuse City School District Project) Series 2017 (the "**Series 2017 Bonds**"), which are being delivered today pursuant to a Bond Purchase Agreement, dated April 6, 2017 (the "**Purchase Agreement**") by and among the Agency, the Syracuse Joint Schools Construction Board (the "**JSCB**"), on behalf of itself, the City School District of the City of Syracuse (the "**SCSD**") and the City of Syracuse, New York (the "**City**") and Raymond James & Associates, Inc., as the Underwriter (the "**Underwriter**") named in the Official Statement, dated April 6, 2017 (the "**Official Statement**"), we have examined: (a) the Indenture of Trust (Series 2017 Project), dated as of April 1, 2017, by and between the Agency and Manufacturers and Traders Trust Company, as trustee (the "**Trustee**"); (b) the Official Statement; (c) an executed copy of the Purchase Agreement; and (d) certain portions of the record of proceedings relating to the issuance and delivery of the Series 2017 Bonds.

As bond counsel, we have examined originals or copies, certified or otherwise identified to our satisfaction, of such instruments, certificates, opinions and documents as we have deemed necessary or appropriate for the purposes of the opinions rendered herein. In such examination, we have assumed the genuineness of all signatures, the authenticity and due execution of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion we have relied, without having made any independent investigation, upon the aforesaid instruments, certificates, opinions and documents.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Official Statement (except to the extent set forth in the following paragraph) and make no representation that we have undertaken to determine independently the accuracy, completeness or fairness of such statements.

Based upon and subject to the foregoing, although we assume no responsibility for the accuracy or completeness of factual information contained in the Preliminary Official Statement and the Official Statement, we are of the opinion that the information contained in the Preliminary Official Statement and the Official Statement (other than financial and statistical data contained therein, as to which no opinion is expressed), under the headings "**THE SERIES 2017 BONDS**" (other than under (i) the last paragraph under the sub-heading "Redemption Procedures" and (ii) the sub-heading "Registration and Payment-Book-Entry System,") and "**SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2017 BONDS**" (except that no opinion is expressed with respect to (i) the 5<sup>th</sup> and last sentence under the sub-heading "General"; (ii) the last sentence in the first paragraph under the subheading "The Installment Sale Agreement"; (iii) the first and second sentences in the fifth paragraph under the subheading "The Indenture;" (iv) the subheading "State Aid Depository Agreement"; (v) the first and second and 5<sup>th</sup> sentences under the subheading "Timing of Payments"; and (vi) the subheading "State Aid to Education"; and in Appendices B, C, D and E to the Official Statement, insofar as such statements contained under such headings and Appendices purport to summarize certain provisions of the referenced documents, present a fair summary of such provisions, and the statements contained under the caption "TAX MATTERS" present a fair description of the matters set forth therein. Except with respect to those portions of the Official Statement described in the preceding sentence, we express no opinion as to any material, information or statistics contained in the Official Statement, including Appendices A and F thereto.

We are of the opinion that the Official Statement has been duly authorized and delivered by the Agency, and that the Agency has authorized the distribution of the Preliminary Official Statement dated March 28, 2017 relating to the Series 2017 Bonds and the use of said Preliminary Official Statement and the Official Statement by the Underwriters in connection with the public offering of the Series 2017 Bonds.

We are further of the opinion that the Purchase Contract has been duly authorized, executed and delivered by the Agency and, assuming due authorization, execution and delivery of the Purchase Contract by the other parties thereto and the enforceability of the same against such other parties, constitutes the binding agreement of the Agency, except to the extent that the enforceability of the Purchase Contract may be limited by bankruptcy, moratorium or insolvency or other laws affecting creditors' rights generally and is subject to general principles or equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We are additionally of the opinion that the Series 2017 Bonds constitute exempted securities within the meaning of the Securities Act of 1933, as amended, and the Trust Indenture Act of 1939, as amended, and it is not necessary, in connection with the public offering and sale of the Series 2017 Bonds, to register the Series 2017 Bonds under such Securities Act or to qualify the Indenture under such Trust Indenture Act.

Very truly yours,

Ladies and Gentlemen:

We have acted as bond counsel to the City of Syracuse Industrial Development Agency (the "*Series 2008 Issuer*") in connection with the defeasance of the Issuer's \$49,230,000 School Facility Revenue Bonds (City School District of the City of Syracuse Project), Series 2008A (the "*Series 2008A Bonds*" or the "*Bonds*"), which Bonds were issued pursuant to an Indenture of Trust dated as of March 1, 2008 as supplemented by a First Supplemental Indenture of Trust dated as of July 1, 2011 (collectively, the "*Series 2008 Indenture*"), by and between the Issuer and Manufacturers and Traders Trust Company (the "*Series 2008 Trustee*"), as trustee for the holders of the Bonds.

Capitalized terms used herein but not otherwise defined shall have the meanings assigned to them in the Series 2008 Indenture.

With your concurrence, the opinions set forth in this letter are subject to the following qualifications:

1. The opinions set forth in this letter are based solely upon: (a) our review of: (i) the Series 2008 Indenture; (ii) the defeasance escrow agreement for the Series 2008A Bonds, dated as of April 1, 2017 (the "*Refunding Escrow Trust Agreement*"), by and among City School District of the City of Syracuse (the "*District*"), the Series 2008 Issuer, the Series 2008 Trustee, in its capacity as Series 2008 Trustee and as escrow agent under the Refunding Escrow Trust Agreement; and (iii) the Verification Report and the Calculation of the Arbitrage Rebate Liability for the Series 2008A Bonds (collectively the "*Verification Reports*") of Causey Demgen & Moore (collectively, the "*Reviewed Documents*"); and (b) such review of published sources of law as we have deemed necessary based solely upon our review of the Reviewed

Documents. Other than our review of the Reviewed Documents, we have made no inquiry or other investigation as to any factual matter, including, but not limited to, any review of any of the files and other records of the Series 2008 Issuer or any court or other governmental authority.

2. We have assumed without any inquiry, examination or other investigation: (a) the legal capacity of each natural person; (b) no modification of any provision of any document and no waiver of any right or remedy; (c) the genuineness of each signature, the completeness of each document submitted to us, the authenticity of each document submitted to us as a copy and the authenticity of the original of each document submitted to us as a copy; (d) the truthfulness on the date of this letter as well as on the date of each Reviewed Document of each statement as to any factual matter contained in any of the Reviewed Documents; and (e) the legality, validity, binding effect and enforceability as to each person (other than the Series 2008 Issuer) of each document executed and delivered or to be executed and delivered and of each act done or to be done by such person.

Based upon our examination of the foregoing and in reliance upon the matters and subject to the limitations contained herein, we are of the opinion, as of the date hereof and under existing law, as follows:

In accordance with Section 10.1 of the Series 2008 Indenture, the Bonds are deemed to have been paid, in a manner that does not adversely affect the exclusion under the Code of interest on the Bonds from the gross income of the Holders thereof for Federal income tax purposes and the Bonds being defeased are no longer "Outstanding" within the meaning of, and with the effect expressed in, Section 10.1 of the Series 2008 Indenture; and the pledge and all other rights granted by the Series 2008 Indenture are discharged and satisfied with respect to the Bonds.

In rendering the foregoing opinion, we have relied solely upon, and assumed the accuracy of, the Verification Reports, and have not independently verified, the adequacy of the moneys and Government Obligations deposited with the Series 2008 Trustee to provide moneys sufficient to pay, on the redemption and/or maturity date, the principal of, redemption premium, and interest due and to become due on the Bonds.

This opinion is furnished by us solely for your benefit and may not be relied upon by any other person or for any other purpose without our prior written consent, unless expressly provided.

Very truly yours,

### I. ACTION TAKEN PRIOR TO CLOSING

The School Facility Revenue Refunding Bonds (Syracuse City School District Project) in the aggregate principal amount not to exceed \$29,260,000 (the "**Series 2017 Bonds**") of the City of Syracuse Industrial Development Agency (the "**Agency**"), a public benefit corporation organized under the laws of the State of New York (the "**State**"), are being issued by the Agency at the request of the Syracuse Joint Schools Construction Board (the "**JSCB**"), acting as agent of the City of Syracuse, New York (the "**City**") and the City School District of the City of Syracuse (the "**SCSD**"), to refund all of the outstanding Series 2008A Bonds and to pay permitted issuance costs, if any, costs of credit enhancement, if any, and fund a debt service reserve fund, if any, all with respect to the Refunding Bonds and pay the redemption costs of the Bonds (collectively, the "**Series 2017 Project**").

Pursuant to Chapter 58 Part A-4 of the Laws of 2006 of the State (collectively, the "**Syracuse Schools Act**"), the City and the SCSD entered into an agreement dated April 1, 2004 (the "**Intermunicipal Agreement**"), to establish the JSCB as an intermunicipal board.

The Syracuse Schools Act provides that the design, reconstruction or rehabilitation of certain existing school buildings identified therein for their continued use as schools of the SCSD

constitutes a qualified “project” under the IDA Act, which the Agency may finance and in which it may have a leasehold or license interest.

The City and the School District are the owners of the existing school buildings and sites comprising the Series 2008 Project (collectively, the “*Facilities*”);

Pursuant to Section 16 of the Syracuse Schools Act, in order to effect the financing for the Series 2017 Project, the City and the School District will grant, or continue via an amendment, a license agreement (the “*License*”) to or with the Agency to enter upon the Facilities for the purposes of undertaking and completing the Series 2017 Project to be financed with proceeds of the Series 2017 Bonds.

The Agency, the City, the School District and the JSCB will enter into Amendment No. 4 to Installment Sale Agreement (Series 2017 Project), dated as of even date herewith (the “*Fourth Amended Agreement*”), amendatory of a certain Installment Sale Agreement (Series 2008A Project), dated as of March 1, 2008 (the “*Original Installment Sale Agreement*”, previously amended by Amendment No. 1 to Agreement dated as of March 1, 2009 (the “*First Amended Agreement*”), as further amended by Amendment No. 2 to Agreement dated as of December 1, 2010 (the “*Second Amended Agreement*” ), as further amended by Amendment No. 3 to Agreement dated as of July 1, 2011 (the “*Third Amended Agreement*” and together with the Original Installment Sale Agreement, the First Amended Agreement, the Second Amended Agreement and the Third Amended Agreement, collectively, the “*Installment Sale Agreement*” as same may further be amended or supplemented from time to time), each between the Agency, the City, the JSCB and the SCSD, pursuant to which the Agency will sell its interest in the Series 2017 Project to the City and School District. The JSCB, on behalf of the City and School District, will agree to undertake and complete the Series 2017 Project, and the City and the School District will, among other things, agree to make installment purchase payments in an amount sufficient to pay debt service on the Series 2017 Bonds and other amounts due under the Installment Sale Agreement solely from and to the extent of State Aid Revenues.

The Agency, by the terms of an Indenture of Trust (Series 2017 Project) (the “*Indenture*”), with Manufacturers and Traders Trust Company, as trustee (the “*Trustee*”), will pledge and assign to the Trustee, and grant the Trustee a security interest in, all of its right, title and interest in and to the Installment Sale Agreement (except for the Agency’s Reserved Rights (as defined in the Indenture), State Aid Revenues (as defined in the State Aid Depository Agreement referred to below) and other moneys and property described in the Indenture as security for the Series 2017 Bonds.

The City and the School District have entered into a State Aid Depository Agreement, dated as of March 1, 2008 (“*Depository Agreement*”), as previously amended by a First Amendment to State Aid Depository Agreement, dated as of December 1, 2010 (the “*First Amendment to State Aid Depository Agreement*” and together with the Depository Agreement, collectively, the “*State Aid Depository Agreement*”) with Manufacturers and Traders Trust Company, acting as Depository Bank (the “*Depository*”), to provide for, among other things, the payment of all State Aid Revenues (as defined therein) into the State Aid Depository Fund (also as defined therein) maintained with the Depository for periodic transfer to the Bond Fund (as

defined in the Indenture) toward payment of the Series 2017 Bonds; and, to the extent of any deficiency therein, to the Debt Service Reserve Fund (as defined in the Indenture), if any, and the balance to the General Fund (as defined in the State Aid Depository Agreement); and

Pursuant to the Syracuse Schools Act, the City and the School District have given, or will give, an irrevocable written direction to the Office of the Comptroller of the State of New York (the “*OSC*”) to pay all State Aid Revenues to the Depository for deposit into the State Aid Depository Fund; and

Pursuant to the Syracuse Schools Act, in the event that the City and the School District shall fail to make a payment due under the Installment Sale Agreement, the Agency (or the Trustee acting on its behalf) shall so certify the amount not paid to the OSC who shall thereupon withhold such amount from any State Aid Revenues and other state and/or school aid payable to the City or the School District and immediately pay over same to the Agency (or the Trustee).

Raymond James & Associates, Inc., the Underwriters (the “*Underwriters*”), has offered to purchase the Series 2017 Bonds and will prepare a preliminary official statement (“*Preliminary Official Statement*”) and will prepare a final official statement with respect to the Series 2017 Bonds (the “*Official Statement*”) for use in the offering of the Series 2017 Bonds by the Underwriters. The terms and conditions of the proposed purchase of the Series 2017 Bonds by the Underwriters will be set forth in a Purchase Contract (the “*Bond Purchase Agreement*”) to be entered into by Agency, the JSCB and the Underwriters.

Based on preliminary information provided by the Underwriters, and the fee to be charged by the Agency, if any, the JSCB made a preliminary comparison of the financing available from the Agency with the financing expected to be available from the New York State Municipal Bond Bank Agency (“*MBBA*”) for the Series 2017 Project and made a preliminary determination that financing the Series 2017 Project through the Series 2017 Bonds may reasonably be expected to result in the lowest cost to the taxpayers of the City and the State; and

The issuance of the Series 2017 Bonds is subject to the School District, the City and the JSCB determining based on pricing and other information furnished by the Underwriters that financing the Series 2017 Project through the Series 2017 Bonds rather than through financing from MBBA results in the lowest cost to the taxpayers of the City and the State.

The Series 2017 Bonds are being issued under and in accordance with the Indenture.
